

PH-33-42177-23

1.24 /  
RECORDED 11 14 1991

**DANGER**  
**PRECAUTIONARY STATEMENTS**  
**HAZARDS TO HUMANS**  
**AND DOMESTIC ANIMALS**

**DANGER:** Highly corrosive. Causes skin and eye damage. Wear goggles or face shield and rubber gloves when handling. May be harmful or fatal if swallowed. May cause chemical burns. Do not get in eyes, on skin, or on clothing. Irritating to nose and throat. Avoid breathing dust or fumes. Wash thoroughly after handling. Remove and wash contaminated clothing before reuse.

**FIRST AID:** If swallowed, promptly drink one or two large glasses of water. DO NOT induce vomiting. Get medical attention. Avoid alcohol.

**If on skin:** Brush off excess and flush skin with cold water for 15 minutes.

**If in eyes:** Flush with cold water for at least 15 minutes. Get medical attention.

**STRONG OXIDIZING AGENT:** Mix only with water. Use clean, dry utensils. Do not add this pesticide to any dispensing device, including the skimmer basket, containing remnants of any other product. Such use may cause a violent reaction leading to fire or explosion. Contamination with moisture, organic matter, or other chemicals may start a chemical reaction with generation of heat, hazardous gases and possible fire and explosion. In case of contamination or decomposition, do not reuse container. If possible, isolate container in open air or well-ventilated area. Flood with large volumes of water if necessary.

**ENVIRONMENTAL HAZARDS:** This pesticide is toxic to fish. Do not discharge into lakes, streams, ponds, or public waters unless in accordance with an NPDES permit. For guidance, contact the regional office of the EPA.

Manufactured by  
**YORK**  
CHEMICAL CORPORATION  
3309 East Carpenter Freeway • Irving, TX 75062

**OLYMPIC**  
**SKIMMER STICKS**

**Concentrated & Stabilized**

ACTIVE INGREDIENT:  
Trichloro-s-Triazinetrione ..... 99.0%  
INERT INGREDIENTS ..... 1.0%  
Available Chlorine 89%

**KEEP OUT OF REACH OF CHILDREN**  
**DANGER**

See additional precautions on side panel.

**NET WEIGHT: 4 lbs. (1.81 kg.)**

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

When used as directed, this product is effective as a pool water clarifying agent.

The filter system should be backwashed or properly cleaned and the pH adjusted between 7.2 and 7.8. It is recommended that the pool be freshly stabilized with 40-50 ppm cyanuric acid to reduce the degradation effect of sunlight on chlorine. In addition to chlorine, this product also introduces cyanuric acid into the pool to maintain the stabilizing effect.

A free available chlorine residual of 1.0 to 2.0 ppm must first be established in the pH adjusted and conditioned pool. It is recommended that this be done with a concentrated granular product, following the directions on the label.

Maintain a free chlorine residual of 1.0 to 2.0 ppm by placing one (1) Skimmer Stick per 5,000 gallons of pool water into the skimmer or automatic feeding device per week. Usage may vary depending upon bather load and environmental conditions. Do not add any other chemical through the skimmer when using this product in the skimmer.

The recommended use of a test kit will determine if further adjustments may be necessary to maintain the recommended level of free available chlorine in the pool water. Do not swim in the water if the chlorine residual is greater than 3.0 ppm.

**STORAGE AND DISPOSAL**

Keep the product dry in tightly closed container when not in use. Store in a cool, dry, well-ventilated area away from heat or open flame. Keep contents and container dry and off wet floors. In case of decomposition isolate container, if possible, and flood with large amounts of water to disperse all material before discarding. Place in trash collection or dispose in approved landfill area.

This pesticide is toxic to fish. Treated effluent should not be discharged where it will drain into lakes, streams, ponds, or public water. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.
