## FARE INFORMATION

Metra utilizes a zone system to determine one-way fares. On weekends, Metra offers a Weekend Pass for \$8 which is good for travel on any Saturday or Sunday Metra train. The Weekend Pass is a better value for round trips between downtown and Zone B or higher, or for one-way trips from beyond Zone H.

Weekend Passes are available from all conductors using cash onboard the train. Travelers can also use the Ventra smartphone app to purchase Weekend Passes using credit cards.

Monthly pass holders may be better served by incremental cash tickets available from conductors on board the train. Ask a conductor for more information.

Schedules are accurate as of May 2017 but are subject to change. For complete fare information and up-to-date schedules, visit [metr rail.com](http://metr rail.com) or use the Ventra app. The Yard Social Club is not affiliated with Metra. These are not official timetables.

THE YARD SOCIAL CLUB's Guide to Suburban Chicago

# Weekend Rail Service

Commuter rail service in Chicago is operated by Metra, which operates trains throughout the region from several downtown terminals. The lines shown on this map correlate to Metra's official 11 rail lines, with additional detail showing typical train operating formats and patterns. Metra operates more than 700 trains each weekday, with more than 300 trains each Saturday and 174 trains operating on Sundays and holidays. Trains generally operate into downtown between 5:30am and midnight, and depart downtown between 6:00am and 12:45am. On weekends, Metra offers an \$8 Weekend Pass that includes travel on all Metra trains all weekend long. The South Shore Line, operated by the Northern Indiana Commuter Transportation District (NICTD), connects Chicago and South Bend through northern Indiana. The South Shore Line operates seven days a week, but is not part of the Metra system.
