

GRANULES AQUA INDIA

A WORLD CLASS AQUA CULTURE INNOVATIONS

AN ISO 9001 - 2008 CERTIFIED COMPANY

I take immense pressure to take this chance to introduce **GRANULES AQUA INDIA LIMITED**, an **ISO 9001-2008 certified company**, having large scale world class quality manufacturing facility with 9 years' experience on Indian Aqua culture supplements market. We own more than 50 offices/ outlets in various parts of **Andhra Pradesh and Tamil Nadu**.

Our company specializes in manufacturing and marketing Aqua Culture feed supplements like (Probiotics, Minerals, Zeolites, Plankton promoters, Growth Promoters, Disease Management Medicines etc), So, to say we manufacture a to z products for fresh water and salt water fish and prawn culture. Our manufacturing range is about **100 products**. We also provide necessary Technical Support and services to the aqua culture farmers to enhance the quality yield. We have established our own laboratories to cater to the needs of the aqua culture. We have a dedicated team of professionals, ie., Technical officers and chemists to support our activities. During our existence in market, the repeat orders, we get from our customers, speak of our quality products.

if you are interested, we are ready to take your chlorides 200 tonnes (Kcl, Mgcl₂, Cacl₂) LR GRADE Per month. we are capable for every month sale in huge volumes. we have 100 marketing professionals in Andhra Pradesh & Tamilanadu.

if you are interested to take our Products (fish & Prawn culture Products) as a distributor / Marketing all over india, We are ready to take your chlorides. if you supply 10lakh worth of chlorides to our company, we can supply 10lakh worth of Our fish & Prawn culture Products to your company..

VANNAMEI CULTURE

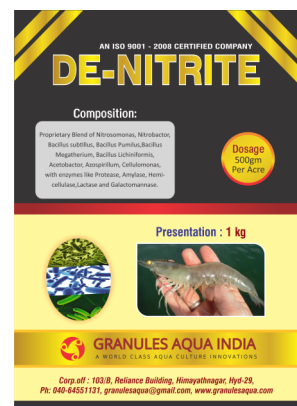

- 1. Multimin :** Mineral with Probiotics
Dosage : 10-20 kg of Acre
Presentation : 10 kg
MRP : Rs 1550/-

- 2. IMMUNOL-8 :** Reduces shrimp mortalities,
Dosage : 5-10 gms/kg of feed
Presentation : 500 gms
MRP : Rs 1550/-

- 3. D- Nitrite :** Nitrite controller in fish and Prawn Ponds
Dosage : 500 gms per acre,
Presentation : 1Kg
MRP : Rs

- 4. D- Cramp :** Reduces muscle cramp in vannamei
Dosage : 10-20 gms/kg of feed
Presentation : 500 gms
MRP : Rs 1200/-

VANNAMEI CULTURE

- 5. Weight Gainer :** To promote growth in prawns
- Dosage** : 10-20 ml/kg of feed
- Presentation** : 5ltrs & 15 ltrs
- MRP** : Rs 8000/-

- 6. Viruguard :** Bacterial & Viral Controller in Prawn ponds
- Dosage** : 1kg per acre
- Presentation** : 1kg
- MRP** : Rs 1550/-

- 7. Super Oxy :** To improve oxygen Levels in the ponds
- Dosage** : 250-500gms/acre
- Presentation** : 1Kg and 10 kg
- MRP** : Rs 1050/-

- 8. ANTACID :** Reduces White gut and white fecal matter,
- Dosage** : 5-10 gms/kg of feed
- Presentation** : 500 gms
- MRP** : Rs 1200/-

WEIGHT GAINER

COMPOSITION
Lecithin, Minerals, Amino Acids
1, 3 Beta Glucans, Liver Stimulants
Hufos, Astaxof Chl, Probiotics

AN ISO 9001 - 2008 CERTIFIED COMPANY

Presentation : 5Ltr & 15Ltr

Usage : 10-20 ml / kg of feed

VANNAMEI CULTURE

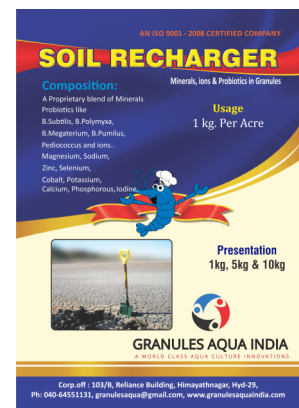

9. Soil Gold : High concentrated Soil Minerals and nutrients

Dosage : 50 kg / Acre
Presentation : 20kg
MRP : Rs 2200/-

10. Soil Recharger : Minerals, ion and Probiotics in granules

Dosage : 1kg per acre
Presentation : 1kg
MRP : Rs 1150/-

11. PH Reducers : Helps in stabilizing water PH.

Dosage : 500 gms per acre
Presentation : 1kg
MRP : Rs 1550

12. De- Soft : water softener and Detoxifier for prawn and shrimp ponds

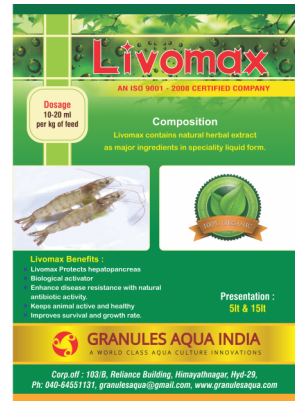

Dosage : 2kg/acre
Presentation : 1 kg
MRP : Rs 480/-

VANNAMEI CULTURE

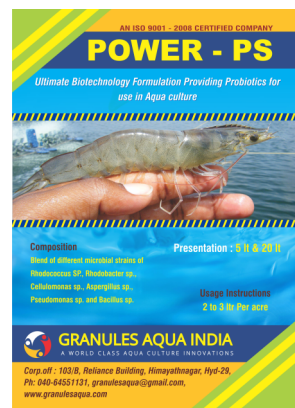

13. Livomax : Protects hepatopancreas, enhances disease resistance with natural anti biotic activity, keeps animal active and healthy and improves survival and growth rate

Dosage : 10-20ml/ kg of feed
Presentation : 5ltrs
MRP : Rs 1250/-

14. Power PS : Ultimate Biotechnology Formula Providing Probiotics for use in Aqua culture

Dosage : 2-3 ltrs/acre
Presentation : 5ltrs
MRP : Rs 1500/-

15. Turboguard : Turbidity controller in Prawn Ponds

Dosage : 2 ltrs per acre
Presentation : 5ltrs
MRP : Rs 2200/-

16. Prolact : Feed Probiotic

Dosage : 2kg/acre
Presentation : 1 kg
MRP : Rs 480/-

VANNAMEI CULTURE

17. Super Bact : Water Probiotic for Prawn culture

Dosage : For Shrimp: Prevention: 1-2 kg/ acre
 Treatment: 2-3 kgs per acre,
 For Fish: 1-1.5 kg per acre

Presentation : 10kg

MRP : Rs 12500/-

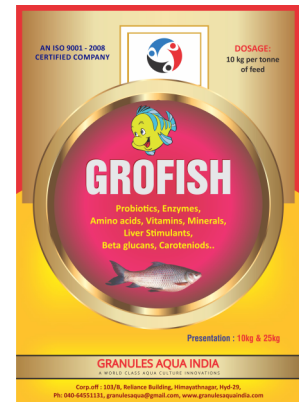

FISH PRODUCTS

18. Grofish : Minerals for fish growth & Health

Dosage : 10 kg/tonne of feed

Presentation : 25kg

MRP : Rs 1880/-

19. Germi guard : Controls all types of bacterial diseases, fungal diseases, Necrosis, Black grill, Trail rot, red diseases, excess mucus secretion.

Dosage : 1-2 ltrs per acre

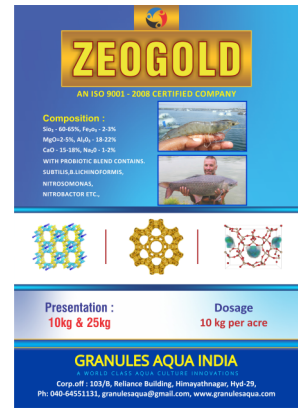

Presentation : 15kg

MRP : Rs 6500/-

FISH PRODUCTS

- 20. Zeo gold :** **To Control ammonia & Nitrite in fish & prawn ponds**
- Dosage** : 10 kg per acre
Presentation : 10 kg
MRP : **Rs 900/-**

- 21. Aqua Zinc :** **Zinc Supplement for fish & Prawn Ponds**
- Dosage** : 1kg per acre
Presentation : 10kg
MRP : **Rs 8100/-**

- 22. FGF(Fish Growth Formula) :** **For improving the health and growth of fish**
- Dosage** : 5-10 kg/Tonne of feed
Presentation : 10 kg
MRP : **Rs 1500/-**

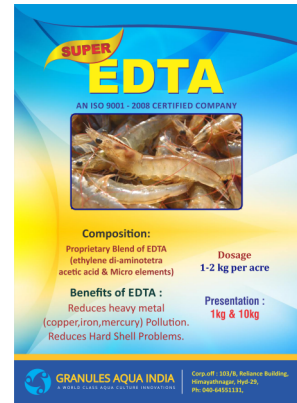

- 23. PHYTOMAX :** **Plankton developer in fish ponds**
- Dosage** : 5 - 10 kg / acre
Presentation : 10 kg
MRP : **Rs 2200/-**

COMMON PRODUCTS FOR BOTH PRAWN AND FISH

24. Super EDTA : Reduces heavy metals and hardness in culture ponds

Dosage : 1- 2 kg per acre
Presentation : 10 kg
MRP : Rs 3500/-

25. Odo clear : Ammonia & Nitrite Controller (Yucca Based)

Dosage : 500 gms per acre
Presentation : 500 gms
MRP : Rs 1200/-

26. Wormiclean : Controls gillflukes, parasites in fish ponds

Dosage : 50 – 100 gms/tonne of fish feed
Presentation : 1kg
MRP : Rs 1200/-
