In Memory of
EUGENE J. BALSIGER

*B*ROTHER BALSIGER departed this life September 30, 1949, at the age of 70 years. He had faithfully served the Fraternal Order of Eagles for more than 25 years, and as Financial Advisor since January 1st, 1944. His last living hours were among friends and associates. That undoubtedly is as he would have it—to lie down to that last long sleep, weary of the struggle, among his friends.

Today the autumn leaves rustle softly over a mound, strewn with flowers, that contains the earthly remains of this man of great mind and character, and whose life interests were his family, his friends and his work. Brother Balsiger constantly taught fraternalism in its true sense and gave himself unstintedly. One of his chief interests was to see that the Memorial Foundation Fund was administered to derive the best possible income for children of Eagles who gave "the last full measure of devotion" to their country.

To be associated with him was a liberal education, whether in finance, jurisprudence or everyday affairs. His life was fraught with virtues and ideals which are the foundation of our American life. His legacy to the future of this Order is the example of thrift, justice and a sound policy for its financial operations.

*"O, may I join the choir invisible,
Of those immortal dead who live again,
In minds made better by their presence: Live
In pulses stirred to generosity,
In deeds of daring rectitude, in scorn
For miserable aims that end with self,
In thoughts sublime that pierce the night like stars;
And with their mild persistence urge man's search to
vaster issues."*

So he has joined the "choir invisible" at the call of the kind Heavenly Father, of whom he spoke frequently and in whom he faithfully believed, in peace and rest eternal.

Dear Rabbi Friedman:

It is with regret that I am writing to you to ask you to postpone our forum meeting on Minhag America for a later date. When our Board was informed of the forthcoming meeting, and they learned that we were unable to hold it during an evening when our men could participate, it was their unanimous opinion that this meeting should be postponed for a later date.

In cooperation with the Sisterhoods of the B. M. H. Synagogue, the Hebrew Educational Alliance, and Temple Emanuel, it was agreed to hold a joint meeting on March 15th in the evening and have it open to the public. I trust that this date will be convenient for you, but if not will you kindly advise me accordingly.

Thank you for your kind cooperation.

Respectfully yours,

Mrs. J. Burt Weiner, Chairman

NEW TESTAMENT

Leader: Rejoice always; pray without ceasing; in everything give thanks: for this is the will of God in Christ Jesus to you.

People: Speaking one to another in psalms and hymns and spiritual song, singing and making melody with your hearts to the Lord.

Leader: Now this I say: He who soweth sparingly, shall also reap sparingly: and he who soweth blessings, shall also reap blessings.

People: Every one as hath determined in his heart, not with sadness, or of necessity. For God loveth a cheerful giver.

Leader: And God is able to make all grace abound in you; That ye always, having all sufficiency in all things, may abound to every good work.

People: As it is written, He hath dispersed abroad, He hath given to the poor; His justice remaineth forever.

Leader: And He that ministereth seed to the sower, will both give you bread to eat, and will multiply your seed, and increase the growth of the fruits of your justice.

People: That being enriched in all things, you may abound unto all sincerity which worketh through us Thanksgiving to God.

OLD TESTAMENT

Psalm 100 — A Psalm of Thanksgiving

Shout unto the Lord, all the earth.
Serve the Lord with gladness;
Come before this presence with singing.
Know ye that the Lord He is God;
It is He that hath made us, and we are His,
His people, and the flock of His pasture.
Enter into His gates with Thanksgiving,
And into His courts with praise;
Give Thanks unto Him and bless His name.
For the Lord is good; His mercy endureth forever;
And his faithfulness unto all generations.

NEW TESTAMENT

II Corinthians 9:5-11

Therefore I thought it necessary to desire the brethren that they would go to you before, and prepare this blessing before promised, to be ready, so as a blessing, not as covetousness.

Now this I say: He who soweth sparingly, shall also reap sparingly: and he who soweth in blessings, shall also reap blessings.

Every one as hath determined in his heart, not with sadness, or of necessity. For God loveth a cheerful giver.

And God is able to make all grace abound in you; That ye always, having all sufficiency in all things, may abound to every good work.

As it is written, He hath dispersed abroad, he hath given to the poor; his justice remaineth forever.

And he that ministereth seed to the sower, will both give you bread to eat, and will multiply your seed, and increase the growth of the fruits of your justice.

That being enriched in all things, you may abound unto all sincerity, which worketh through us Thanksgiving to God.

Dear Herb:

AMERICAN JEWISH

This is to confirm your conversations and arrangements with our program chairman, Victor Rose, that you have agreed to speak to the lodge on Monday evening, December 5 on Minhag America.

This will be an open meeting so that anyone you might wish to bring or invite to the meeting will be welcome. Though our meetings are scheduled for eight o'clock we rarely begin before eight fifteen. There are always a few items of business to conduct before the program so you will probably not be called on until eight forty-five or a little later. This does not mean that we don't want you before that time, because we will be very happy to have you attend the whole meeting if your other duties permit.

Our meeting place varies from time to time, but I will notify you as soon as complete arrangements are made.

Sincerely,

Mandell S. Winter, Sec.

USNA Regional Conference
Invocation + Introduction
of Hon John Carroll
DATE 5 Nov 49

TO: Almighty God -

In the course of human life
we have learned one thing - that the
greatest happiness comes from service to others.
Nothing equals the joy derived from helping a
fellow man.

We are gathered tonight, ^{+ tomorrow} from all
the communities of the Rocky Mountain Empire, to
consult together as to how we can best
accomplish this task of caring for fellow Jews, who
come to us out of frightful experiences and years
of death in Hitler Europe. May our memories never
be short, O God. Realizing what they have endured,
we will embrace these weary brothers and help them to
become new Americans in a free land. Give us
the strength and wisdom to continue this noble work.

Every good and kind thing we can do for children's welfare will be pleasing in Thy sight, for we remember the words of Thy Psalmist - "Lo, children are a heritage of the Lord. DATE 8 Sept 49

Almighty God,

TO:

We, Thy children, are met here, humbly seeking to build that better world which will someday become Thy kingdom on earth. In place of evil and want and blind hatred, we are attempting to bring warmth and love and enlightenment between man and man.

Give us strength, O Lord, to continue in this work. Let us never lose faith, and though the way may sometimes seem long and difficult - remind us constantly that the goal is worth the struggle. Thus shall we not become men of impatience and despair, but shall ever devote strength and energy to the task of creating equality in fact, not merely in words.

We believe with all our hearts that color means naught to Thee, O God, and we pray that someday it shall also mean naught to men. On that day, we will finally have grown up.

Amen.

Subject: Memorandum contain^{ing}/basic terms of agreement for merger
of presently existing congregations in Pueblo.

From: Dr. Solomon Simonson and Rabbi Herbert Friedman.

To: Boards of Congregation B'nai Jacob and Temple Emanuel,
Pueblo.

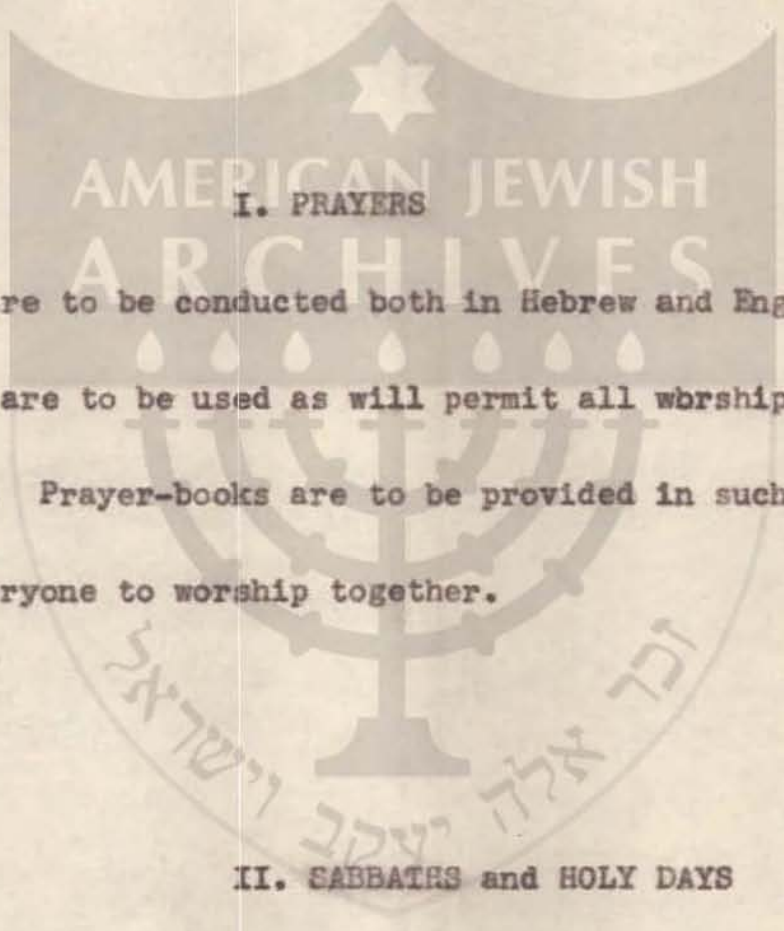

AMERICAN JEWISH
ARCHIVES
PREAMBLE

In the interests of striving for maximum Jewish content in our lives in Pueblo, we, the members of the two currently existing congregations, B'nai Jacob and Temple Emanuel, do resolve to merge our forces and develop a pattern of Jewish living which shall serve to perpetuate our people and religion in this region.

We come to this merger for the sake of preserving Jewish tradition and law within the framework of modern conditions. It is our desire to effectuate these purposes in a spirit of Torah, Peace and everlasting Harmony.

To that end, we dedicate ourselves to the following precepts of religious life and practice and agree that these shall serve as

the basis for our common progress in the future. We shall go forward as the United Pueblo Hebrew Congregation, and with the help of God will ^{bring} ~~be a~~ living credit to the generations to come in our community.

I. PRAYERS

Prayers are to be conducted both in Hebrew and English. Such prayer-books are to be used as will permit all worshippers to follow the services. Prayer-books are to be provided in such quantity as to enable everyone to worship together.

II. SABBATHS and HOLY DAYS

In order to accommodate the various degrees of observance which will be demanded on the Sabbath and on the Holy Days, the service will be so arranged that both the long and short form thereof will have a definite starting and concluding time. Those who wish to observe the full service with all its inclusions, will start earlier

than those who are accustomed to observing an abridged form.

III. DECORUM

This principle is very important. Judaism should not be observed in any manner other than with the utmost dignity. Services should begin and end in common. Conduct in the synagogue should be in conformity with the finest kind of good manners.

IV. MUSIC

An organ shall be present in the House of Worship, but shall not be used for Sabbath or Holiday services (except for Purim, Chanukah, and Confirmation, which should be observed on the Sunday nearest to Shavuot). The organ may be used for weddings and other special family functions, as well as for any special services (i.e. interfaith, memorial, civic, etc). If possible, the organ console is not to be visible.

An a cappella/choir shall be used for all the above-mentioned services

in which organ music is not acceptable. On High Holy Days, the music shall be cantorial, if possible, and if not a male a capella choir.

V. COVERING OF HEADS

At all services where heads are to be covered, skull-caps and not hats are to be worn. At High Holy Day services, the covering of heads is mandatory. At Sabbath evening services, the covering of heads is optional. At occasions, other than services, i.e. family affairs or meetings of general nature, covering of heads is optional, provided the ark is not opened.

VI. MAXIMAL PROGRAM

The fullest possible program of religious activities will be made available. Early Friday evening services; daily minyan for Yahrzeit purposes; and such other special requirements for particular needs shall be fulfilled.

Dear Dr. Friedman:

It is with a great sense of pride that the Nugget Booster Club announces a meeting of extraordinary interest on Monday, June 20th, at noon, in the Nugget Booster's dining room, upstairs at the Edelweiss Cafe, and extends an invitation to you to be our guest at that time.

The interest displayed by the Denver Nugget Boosters in their efforts to "Keep the kids off the streets", and fight the menace of juvenile delinquency has come to the attention of the Popsicle Youth Foundation of New York City. This Foundation is headed by Bob Feller of the Cleveland Indians baseball team, assisted by Bob Hope, Perry Como, Ralph Kiner, Bishop B. J. Sheil of the Catholic Youth Organization, and Walter F. White, Secretary for the Advancement of Colored People. Their work takes them to many cities throughout the country to honor youngsters for outstanding community service.

They have sent a representative from New York to be with us Monday noon, and present to the "outstanding youth of Denver" their National Youth Award. An unusually fine program has been arranged for this occasion and we sincerely trust you will set this time aside to be our guest.

Sincerely,

Dear Rabbi Friedman:

I want to express mine and the thanks of the Southwestern Interstate Conference of the National Council of Jewish Women for the splendid and inspirational address you gave at our banquet during our recent convention. Your description of the background of the New Arrivals and their frame of mind did much to assist those of us interested in Resettlement Work to understand the frame of mind and the psychology of these people. I know that we all left the Country Club determined to do everything within our power to welcome them and to assist them to a new life and happiness, with patience and understanding.

I enjoyed meeting you and your charming wife greatly. I hope that at some future date our paths will cross again.

Dear Rabbi Friedman:

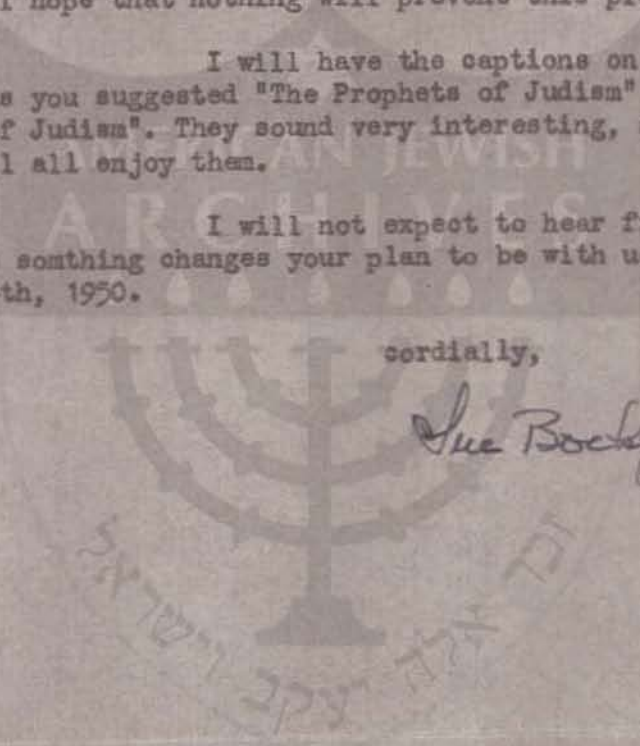

In reply to your letter of May 26th, I want to tell you how happy we are that you will be with us again for the coming season of the Tuesday Morning Class. We will hope that nothing will prevent this pleasure.

I will have the captions on the program read as you suggested "The Prophets of Judaism" and "The Prayer Book of Judaism". They sound very interesting, and as always, we will all enjoy them.

I will not expect to hear from you again unless something changes your plan to be with us on March 7th, and 14th, 1950.

Sincerely,

Dear Mrs. Bockfinger:

I am delighted to have the invitation of the Tuesday Morning Class to appear on your 1949-50 program.

So far as I know now, the dates of March 7 and 14, 1950 are acceptable. There is a faint possibility that I may be out of the country at that time, on a survey tour of North Africa and Israel. I shall know, however, in plenty of time, so that we can make any necessary adjustments. Let us assume now that I will be available on those dates.

As far as subject matter is concerned, I spoke this year on "Displaced Persons" and "Zionism". These are more or less topical subjects and I think as far as next year is concerned, we should return to the more timeless and universal. Therefore, may I suggest as the two subjects for next year "The Prophets of Judaism" and "The Prayer Book of Judaism". I shall certainly be happy to treat any other material, if these two subjects do not sound interesting.

Again thanking you for the invitation and looking forward to as fine an experience in 1950 as I enjoyed with your group in 1949, I am

Sincerely yours,

Almighty God -

We ask Thy blessing upon those gathered here
in the interest of one of Thy delights - The beauty of music.
The fact Carlyle ^{wrote} ~~said~~ - "Music is well-said
to be the speech of angels." Indeed, the language of
music penetrates the heart & soul of all who hear it,
so that their thoughts may be ennobled and their
deeds made more pure. Whether the speech of angels
in heaven or of men on earth, music is one of
~~the~~ ^{Thy} soothing gifts, O Lord, and we thank Thee
for it. May we be ever conscious of the fact of
supporting music, so that its universal message may
be spread over all the earth.

Amen.

יְיָ אֱלֹהֵינוּ יְיָ אֱלֹהֵינוּ

Our God and God of our Fathers—

We earnestly ^{invoke} ~~seek~~ Thy blessing upon this assembly and these proceedings, not in the petty sense of petitioning Thy favor, but in the broader knowledge that nothing we do bears fruit unless invested with Thy spirit.

We Jews, banded together in fraternal loyalty, calling ourselves Bnei Britim, sons of Thy Covenant, honestly seek to do what is pleasing in Thy sight. We work toward the preservation of Jewish traditions, among the young people in the universities of the land, among our non-Jewish neighbors, and among ourselves in ^{our} the lodge and in the homes.

Bearing the twin banners of Judaism and civil democracy, we are ~~of~~ met tonight to re-dedicate ourselves to all these purposes. Jews in Europe from
2nd cent
(Held lands)

Good period from 6-12th cents

1. Jews became international
traders + merchants. Could
get to East, when Christians
couldn't.
2. Artisans
3. Relations with nobility + Kings
(Charlemagne)
4. Life in cities. Jewish
community meant prosperous
town. Lyons changed market day
from Sabbath to week day.

Bishop of Speyer in 1084 (right
before Crusades) tried to get Jews.

"Desiring to make a town out
of the village of Speyer, I thought
to raise its dignity many times
by getting Jews to settle there."

No Golden Age outside of Spain.

Why? Crusades + Suffering
in France, England, Germany
during this period.

Urban II - 1090 - started:

1. any soldier of Cross is forgiven his sins
2. guaranteed entrance to Paradise for anyone dying in battle for Christianity.
3. every church became recruiting station.

Crusading bands began horrible
Jew-baiting. Why go far to
Jerusalem to kill God's enemies,
(Mohammedans) when enemies
close at hand (Jews) were
left alone? "Kill a Jew
+ save your soul"

June
1096 - Martyrs on Rhine
Speyer, Worms, Mayence, Cologne
10,000 murdered, even
yets seeking protection from
Christian neighbors.

Second Crusade - 1144 - ^{fewer} ~~less~~

Bernard of Clairvaux

Third Crusade - 1189 - ^{Richard Lion-Hearted} Trouble

established different relations between Jew & Christian.

Before these 200 years there was ample hope that Jew & Christian would live near one another in harmony.

By end of this period, the Christians had come to look upon the Jews as queer & suspicious, and the Jews to look upon the Christians as brutal murderers, whose friendship was not to be trusted.

The Jews had fallen completely into hands of rulers whose sole interest in them was financial. The Jews' money was his only defense as well as his greatest danger.

The phrase "Wandering Jew" appeared. The Jew lost the sense of being at home in the various lands where his ancestors had lived.

MESSAGE TO ISRAEL DAY CELEBRATION MAY 4, 1949

Mister Chairman, Honored Colleagues, Ladies and Gentlemen:

I regret very much not being able to express in person my joy and happiness at the Israel Day Celebration here in Denver, but at this very moment I am attending a similar celebration in New York being given by Dr. Chaim Weizmann, president of Israel.

It was a great honor to have been invited to Dr. Weizmann's party, and although I would have liked to have rejoiced in my own community, still I felt that I did not want to refuse Dr. Weizmann's invitation.

You may be wondering why Dr. Weizmann is in America on Yom Ha-atzma-~~at~~, The Day of Independence for Israel. He has explained this strange fact in a telegram. He said that by all rights he should have been in his own country, and wouldn't have dreamed of being elsewhere (any more than President Truman would think of being away from the U.S. on the 4th of July), except for the fact that he had received such alarming and disturbing reports from his prime minister, Ben Gurion, that he felt it was more important to remain in America and try to do something to help the situation.

The disturbing reports from Israel are due to the threatened break-down of the machinery set up to absorb refugees. You will be amazed to know that 23,000 olim (immigrants) came into Israel in the first 16 days of April. That is a perfectly fantastic figure. Can you imagine what is required to take care of these weary travellers, who are at last coming home after years of misery? They need doctors, nurses, social workers, psychiatrists and teachers - to say nothing of food, shelter, employment and schools.

At last the State of Israel is free and independent - at last she can welcome with open arms her homeless and tired children who have suffered so much. But, alas, the eagerness and willingness of Israel to take all who swarm to her shores is not enough. Israel needs money.

The whole process is this very day in extreme danger of collapse because the millions of dollars which can be provided only by American Jews are not forthcoming in the full measure necessary.

Such was the nature of Ben Gurion's message to Weizmann, and on the basis of this urgent and desperate report, Dr. Weizmann decided to stay in America and utilize the opportunity of Independence Day to call together in New York all the leaders of American Jewry to impress upon them how drastically Israel needs money.

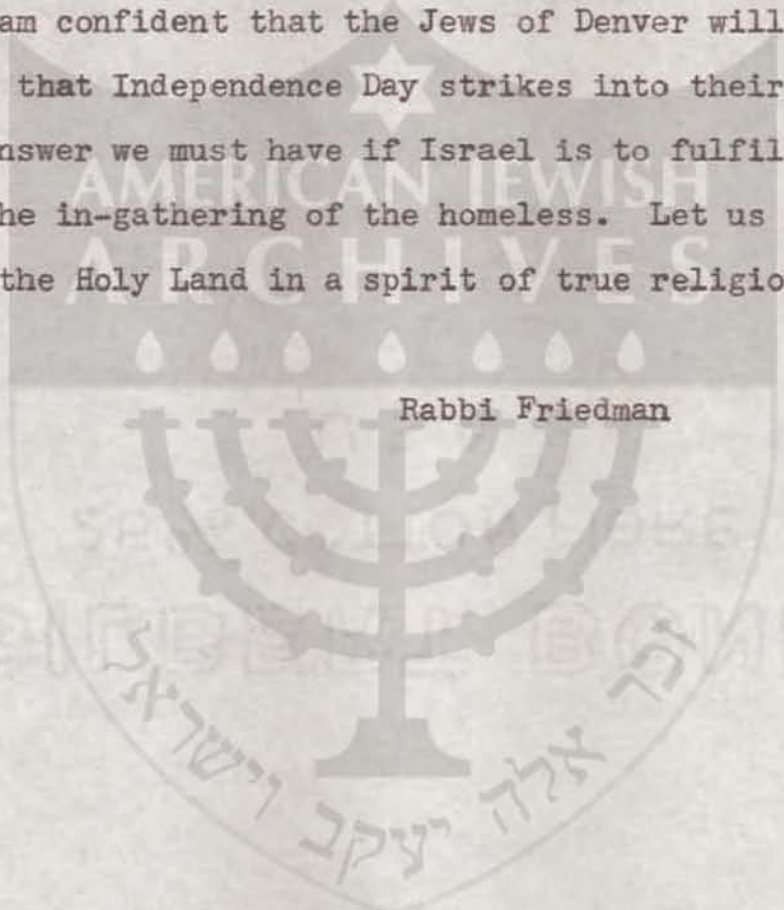

Dear friends, six weeks ago Denver sent one-quarter million dollars, which we borrowed in advance on our 1949 Allied Jewish Campaign. Today I ^{have carried} ~~could carry~~ to Dr. Weizmann ~~only~~ another \$50,000. It was all we could raise quickly. I beg you, on this day of the first anniversary of freedom and statehood in Israel, to do two things. If you have not yet paid your pledge on last year's Allied Campaign, please, please do so immediately. We need every dollar.

And secondly, when our 1949 campaign opens ~~next month~~, do your utmost, strain your resources, extend yourselves to the limit, to give as much as possible, much more than last year, to help keep the doors of Israel open.

Our celebration in Denver, and similar celebrations all over the world, will be very hollow indeed if we celebrate with mere words and speeches. We must express our sense of joy and happiness on this historic day in concrete terms; if the day is to have any real significance. Independence Day, with the doors of Israel closed because of lack of funds, would be a tragic mockery.

I am confident that the Jews of Denver will show, by their deeds, that Independence Day strikes into their hearts and evokes the answer we must have if Israel is to fulfill her historic mission of the in-gathering of the homeless. Let us empty the camps and fill up the Holy Land in a spirit of true religious consecration.

Dear Rabbi Friedman:

Dr. Bartlett, Father Satuffen and I regretted your absence from the luncheon conference relative to our panel discussion to be held at Opportunity School next Monday evening, March 7.

We are advised that public reception of this series has been very enthusiastic.

In the handling of our topic: "Religious Values -- What Are They", it was the consensus of opinion that following short introductory remarks, each participant devote, say, 20 minutes to expanding his views on the subject, following which the meeting be open to related questions from the group. It is my understanding that most persons attending the Opportunity School series are married, aged 20-30, and that almost as many men are present as women, which seems somewhat unusual. Since all of you gentlemen are gifted, experienced speakers, we did not think it necessary to fix any limitation on the type of question that would be considered, but will wish to veer off anything likely to provoke anything in the nature of a debate. We anticipate that someone will raise the subject of marriage between those of different religious faiths. Unless the question is directed to a particular speaker, we determined to pass that one to the moderator.

Looking forward to meeting you personally, I am

Sincerely yours,

Victoria F. Gross

TO: Almighty God -

The sufferings of My children on earth, by fire or flood, by sickness or pain, are easier to bear when men know that they are not alone, but that there are others who stand by ready to help.

Those gathered here today are the helpers, the bringers of aid, the easers of unhappiness. Give to these workers some measure of My strength and courage, so that they will want to continue their efforts. They operate in My vineyard, O Lord, doing My will and they need My inspiration.

Bless this food which we eat and may it give us energy to serve Thee ever more faithfully.

Separation of Church & State
in America

1. Between Jamestown 1607 and Constitution 1791, it was The American Protestant Age. Protestantism directed American development. Colonies were established for propagation of religion; ^{only} Protestants were church members, etc.

surrendered to The State:

- 1) marriage laws & regulations
- 2) control of wealth
- 3) control of education

3. Revolution caused partially by fear that church-state amity might be re-imposed by Britain. Samuel Adams warned against establishment of "Protestant episcopacy in America."

4. By passage of First Amendment of Bill of Rights, freedom of religion was guaranteed, which meant no state control of religion, or vice versa.

Said Rabbi Fishman: "I wish to make it clear that there is nothing in our religion which strives to impose theocratic rule on the State of Israel. There is nothing to justify any fear of casuistry. Our scholars have always explained the duty to safeguard independent thought by the maxim

*"Though thy brother sin
Still he is a Jew.
Though he sin
Yet is he a man in Israel."*

I was indeed glad to hear the Minister express himself in this way and thus to still the doubts which have arisen abroad.

"There is no ground whatsoever for these fears," he repeated. We WILL NOT rule the State with the power of religion, but we WILL use the spirit of religion to uplift our people and our land and to raise its place as a moral force among the nations of the world. We will not force our way into the private life of the individual, either by religious law or religious taxation; but we do want to see to it that the taxpayers' money will not be used *against* religion, or against its guardians, or keep those who so wish, from fulfilling their religious duties. Our religion is replete with examples of how our fathers stood guard over the spirit of freedom, liberalism, and tolerance in every sense. What other ancient law gives a bastard full inheritance rights with legal offspring? What law places the worth of the scholar above that of Kings? Even the stupid claim, bruited about abroad, that the irreligious in Israel would be deprived of citizenship, has its reply in the Gemorrah itself, wherein it says that even if a Jew changes his religion he still remains a man of Israel."

Strengthening the Bond

The Rabbinical Council of America, at its last convention, gave earnest consideration to our future relationship with the new State of Israel and adopted the following resolution, designed to establish close spiritual ties between American Jewry and the State of Israel:

"The R.C.A. regards the creation of the State of Israel not alone as the most momentous event in the last 2000 years, but it views this historic happening as an opportunity for the reestablishment of religious authority in Zion for world Jewry.

"The tragic division within the religious ranks of American Israel, the confusion and discord which is daily increasing among our people with various sects laying claim to full authority in spiritual affairs—all this due to lack of central authority in world Judaism of the present. There was a time when Palestine was the center of supreme religious authority in all Israel. Whether a Jew lived in Babylonia or in Rome or in Greece, he always looked to Zion for spiritual guidance and regarded its religious authority as supreme and binding.

"The R.C.A. therefore resolves to create a strong link between the religious leadership of American Jewry and the highest religious authority in the Holy Land. It calls upon American Jewry to regard the Chief Rabbinate of the State of Israel as a beacon of Torah light for all our people to follow. It proposes to send a message to Chief Rabbi Isaac Halevy Herzog, at the right opportunity, inviting his guidance and blessing for effecting religious unity in American Israel through Torah authority to be centered in the Land of Israel. Then we shall hope to see the fulfillment of the ancient prophecy of

"For out of Zion will go forth the Torah, and the word of G-d, from Jerusalem."

The more orthodox may seek to establish again a central religious authority in Israel as in the days of old, with the Chief Rabbinate of Israel at its head, in the same manner as the international Catholic community has its religious center in Rome. If such a center is ever re-established, it will, of course, have authority only over those who will voluntarily recognize its authority, either in Israel or outside. Israel will not be a theocratic state, but for all Jews—that is, for all those who wish to remain Jews—Israel will continue to be the land of treasured memories as well as of unfolding social and cultural realities which, if nobly conceived and achieved, will be eagerly welcomed as stimulating influences in their lives. Is not this expressed in the ancient prayer of our people: "O, cause Thou a new light to shine over Zion, and may we all be worthy to enjoy its light speedily".

A. H. Silver

REALITIES AND VALUES

M. Kaplan

THE RABBINICAL COUNCIL of America has announced that steps have been taken for recognizing the Chief Rabbinate of Israel as *the supreme religious authority for all Jews*.

Who delegated to the Rabbinical Council of America the authority to speak for all American Jewry?

And what precedent is there for elevating the rabbinate of Israel to a position of authority over the rabbinate of the diaspora? The Babylonian Amoraim never regarded their authority as inferior

to that of the Palestinian except in respect to the calendar.

To find a precedent for insisting on association with a particular city or state as conferring religious authority one must look beyond Judaism. The Catholic Church recognizes the supremacy of the bishop of Rome over all other bishops.

Not so the synagogue; the extensive authority exercised by great *rabbanim* and *gaonim* always rested on the prestige which they won by their knowledge of Torah and their wisdom in its interpretation, whether they lived in Eretz Yisrael or in the diaspora. It is too late in history to establish a Jewish version of the papacy.

YOUTH'S REPLY - R. V. Emerson

In an age of toys & toys,
Wanting wisdom, void of right,
Who shall nerve heroic boys
To hazard all in Freedom's fight -

Break sharply off their jolly games,
Forsake their comrades gay
And quit proud homes & youthful games
For famine, toil & fray?

Yet on the nimble air benign
Speed nimble messages,
That waft the breath of grace divine
To hearts in sloth & ease.
So nigh is grandeur to our dust,
So near is God to man,
When duty whispers low, "I must,"
The youth replies "I can."

I, too - Langston Hughes

I, too, sing America.

I am the darker brother.

They send me to eat in the kitchen
When company comes.

But I laugh,

And eat well
And grow strong.

Tomorrow,
I'll sit at the table
When company comes.

Nobody'll dare
Say to me,

"Eat in the kitchen."

Then.

Besides,

They'll see how beautiful I am
And be ashamed -

HISTORY OF SHORTER A. M. E. CHURCH

Shorter Chapel, the first Negro church to be established in Colorado, was organized in July 1868, by that pioneer of African Methodism in the west, Bishop Thomas M. D. Ward. The first building was a log cabin erected on the corner of 19th and Holiday Street. This property was given by Major Fillmore who was a Union officer in the Civil War. The church was dedicated with eighteen members by Rev. John M. Wilkerson from Lawrence, Kansas. Gilbert Phelps, Samuel Cook, Irving Williams, Gibble Burrell, Alvin Cummings and Lewis Price were its first trustees. In 1878, ten years later, this structure was sold and a commodious brick structure was erected on the corner of 18th and Stout Streets at a cost of \$2,000.00 dollars. Rev. John M. Morgan was the first pastor of this new church. He died shortly after coming to Denver.

In 1886, the property at 19th and Stout Streets was sold for \$15,000.00 cash, and a site at 24th and Stout Streets was purchased for \$10,000. Meeting opposition toward building a church there, this site was sold at a profit of \$2,000.00. The lots are still vacant to this day.

Brother Lewis Price, a trustee and a realtor, secured another site at 17th and Glenarm Streets for \$10,000, across the street from the wealthy Denver Club. Ground was broken, and the excavation completed. Again the church was confronted with powerful opposition, this property was sold at a profit of \$4,000. The Midland Savings Bank Building now stands on the property that Shorter Church once owned. These hectic times were under the pastorate of Rev. John Turner.

In the fall of 1887, they secured 3 lots on which set two houses on the corner of 23rd and Washington Streets, for which they paid \$9,00. One of the houses was reserved for the church parsonage. Rev. John Turner erected the third church, a commanding brick structure in Gothic lines, at a cost of \$24,000, leaving an indebtedness of only \$7,000 dollars at completion. The corner-stone for this church was laid in 1887.

On March 15, 1888, the church was incorporated to conform with the laws of the state of Colorado, and city of Denver and Arapahoe county. We have on display a copy of the original document. Also a letter written to Rev. P. A. Hubbard in 1891 by Rev. John M. Wilkerson, the founder of the church in Denver.

The Annual Conference sitting at Leadville, Colorado, August 10, 1890, instructed Rev. P. A. Hubbard, who was pastor at that time to call a church meeting to change the name of the church from St. John's A. M. E. Church to Shorter A. M. E. Church, in honor of Bishop James A. Shorter. So, on January 1, 1891, the resolution was presented, voted upon, and passed unanimously by all present.

In reading over some of the old records of the church, we ran across some amusing incidents. Brother Cook was instructed to see that the church was properly heated and ventilated, and fires in the stoves started on Saturday instead of Sunday mornings during the winter season. Also that the hitching rack in the front of the church be extended because the horses usually bit each other while their owners were in the church.

Then came the blackest moment in the history of Shorter Church. On April 9, 1925, the church was gutted by a severe fire that destroyed the entire structure. We were not without a church home long. The People's Presbyterian Church graciously threw open their doors to Shorter, and we worshipped there for nearly a year.

Ground was broken on November 1, 1925, for this present structure. December 6, 1925, the corner stone was laid, and on Easter Sunday, April 4, 1926, just five days less than a year from the fire, the first service was held in the new Shorter Chapel Community Church. A. Wayman Ward was now our pastor, also the builder of new Shorters. Our next pastor was J. M. Brown. He came to us at a very opportune time. We were facing an enormous debt, and the panic of 1929 was felt by many members of the church.

July 15th, 1929, the mortgage had been reduced to \$35,000.00. Thru the efforts of Rev. J. M. Brown this mortgage was extended for 3 year sand twenty-one members of the church signed an agreement with the American Agency Investment Co. guaranteeing the payment of the thirty-five thousand dollars wit hinterest at 6%. Rev. J. M. Brown came at a most critical period of the church life. He has affectionately been called "Father and Saviour" who led the people thru a cruel depression. Then came Rev. Russell S. Brown, a brother to the former pastor. Under his leadership the gigantic debt of \$46,000 was liquidated in five years. The "Mortgage Burning" took place on Sunday, May 22, 1938. There were numbers of our white friends whose sympathy and wise council were invaluable. I mention the three most prominent;—Hon. Ben Grimes, who in memory of one of our active members pledged his assistance to see us through. He not only was one of the largest contributors of money, but gave much of his time. His son, Attorney Irving Grimes, gave free legal service in all transactions. 2. Honorable John Evans, President of the First National Bank, for serving as treasurer of the campaign. 3. Honorable William E. Sweet, former Governor of Colorado, for his tireless and unstinted service, who also burned the mortgage on that memorable day. And to those 40 faithful members of Shorter Church who carried a \$1,000 mortgage on their individual homes for 10 years.

Shorter Church has been the beacon light in all racial and church life from Chicago to the Pacific coast, and is one of the most Cosmopolitan in Denver. Its accomodations for community activities includes the third largest church auditorium in the city, modern electric organ, spacious gymnasium, including full equipment for moving pictures, stage for dramas, showerbaths, nursery, library, reading room, parlors for men and women and young people. Janitor's quarters, departmental rooms for all grades of church school, pastor's and church offices, kitchen built especially for cafeteria as well as banquet service. The approximate cost of building and furnishing was \$125,000.

Shorter A. M. E. Church has mothered the earlier churches of our group in Denver. Thomas J. Riley, later one of the early organizers of Zion Baptist Church was her first Sunday School Superintendent. Samuel Cook was her local preacher. The name of Shorter has been synonymous with Negro progress in Denver and the west for the past 76 years. Her laymen with that pioneer spirit have achieved nobly.

Of her line of distinguished pastors: 1. Rev. P. A. Hubbard became Financial Secretary of the A. M. E. Church. 2. Rev. Ben F. Watson became Secretary of Church Extension. 3. Joe P. Howard became a national character in evangelism. 4. Rev. O. J. W. Scott became a Chaplain in the U. S. Army. 5. Rev. Frank Jesse Peck, a college president. 6. Rev. D. G. Hill, Dean of the Chapel, Howard University. 7. Rev. J. Russell Brown, Seminary Dean and 1st Negro appointed a Chaplain as a commissioned officer in U. S. Navy.

There is no telling what may await those yet to follow as pastors of "Historic Shorter."

Ministers who served the church are as follows:—

1. John M. Wilkerson, the first pastor.....	1868
2. John R. V. Morgan	1869
3. Burl Mitchell.....	1870
4. James Marlison.....	1871-72

REV. J. RUSSELL BROWN, Minister

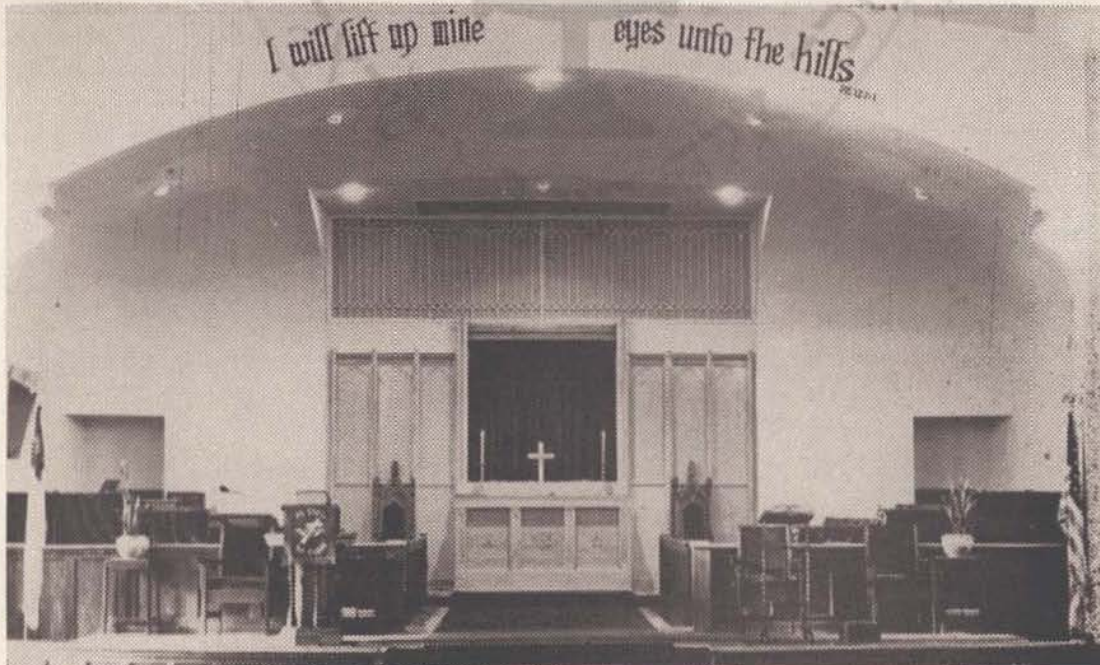

As we enter into this 81st Anniversary Shorter is extremely fortunate in having as a Leader Reverend J. Russell Brown who came to us equipped with the best training and spiritual guidance that the church has had. Through his guidance and his knowledge the Pipe Organ has been remodeled and also several new instruments added to the same.

As time marches on we have now one of the most modern Chancel in any Church in the City.

Reverend Brown was the first Negro commissioned an officer in the Chaplains Corp of the United States Navy.

but the sincere greetings and deepest respect of myself and dear wife, upon the wonderful fourscore years of eventful history, so magnanimously made. The history of Denver and even the state of Colorado can never be successfully written without recognition and favorable mention of the life, influence and priceless work of your fixture life in that great city, state and community. Not only has Denver and the Rocky Mountain region profited from your wonderful ecclesiastical standards, as a character building institution and shaper of good citizenship, but the great African Methodist Episcopal Church, from Canada to South Africa, with the Isles of the sea and men of every group and kin, are all higher upon the ladder of Christian civilization, because of your more than four score years of marching and four score years of song.

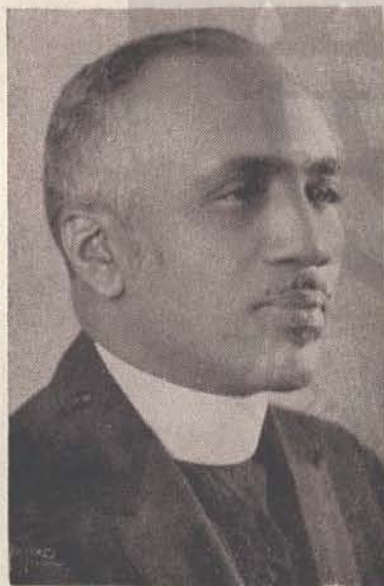

GREETINGS FROM REV. AND MRS. J. M. BROWN.

PASADENA 3, CALIFORNIA
 April 1, 1949

Some of the greatest men of the race (perhaps without exception), mark the very high category of your long years of leadership. Their foot prints are indelibly written in the sands of time and the world owes to them much gratitude for the wonderful legacy which they through you have passed on to generations to come.

To the Pastor, Members and Friends of Shorter Chapel, A. M. E. Church, Denver. It is with inexpressible regret that I shall not be able to attend the eighty-first anniversary of your great church, as per your request.
 Needless for me to say that you have not only my thanks,

I TROW that Shorter Chapel's banner will be unfurled when the triumphant host shall crowd around the throne of heaven and sing "All hail the power of Jesus' name! Let angels prostrate fall! Bring forth the royal diadem, And crown him Lord of all!"

We have been happy to have had some part and lot in the fellowship and history of your great Church, and while here we express our prayers and best wishes, should it ever come our way to render service again, we shall take great pleasure in doing so—Rev. and Mrs. J. M. Brown.

Recessional

The varying degrees of second-class citizenship imposed on the minorities is the result of low economic status. Not until they have been accorded the privilege of earning according to ability will minority groups begin to achieve the recognition and equality of treatment now accorded the members of the majority. A higher economic status will bring better health, more education, greater participation and increased production.

The unions have been the greatest single factor in securing and maintaining adequate pay and better working conditions for the wage earner. The economic status of the Negro, for example, has been considerably improved in areas where they have been able to associate themselves with unions as integrated members. Even in the South, Negro union members are paid wages equal to whites doing the same work.

Today we have with us two gentlemen who will interpret the present policies of the unions they represent, giving special attention to policies affecting minority workers. They will also give opinions on local and national legislation.

Eighty-one years of distinctive service such as has been wrought by Shorter Community A.M.E. Church certainly elicits the highest words of commendation to all of those who have so nobly contributed to the growth and development of this great institution of religious life and community well-being. African Methodism's history in the West would be very dim without the reflection of the powerful light of service afforded by Shorter Church.

To say the least most outstanding in the blessings must be listed the blessings of leadership afforded this congregation at this time by such a capable well-trained Christian minister, with the added inspiration of a very cultured wife. May God's riches blessings attend you and yours.

Brotherly yours, FRANK MADISON REID

EDUCATION—YESTERDAY

By Geraldine Lightner

Colorado Territory was organized in 1861. Our public school system dates back to then.

Denver's first school was a private venture by O. J. Goldrick, a dignified, intelligent and well prepared young Irishman. He busied himself to raise pledges and subscriptions to the amount of \$250.00 with which he opened "Union School" in Aurora, October 3, 1859 with 13 children: 2 Indian half-breeds, 2 Mexicans and 9 others classified as White.

The progress of educational efforts in the territory was somewhat retarded from 1859 to 1868 due to:

1. The Civil War
2. Indian trouble
3. Not many children at first.

Most of the men were adventurers who came to get rich quick and had left their families behind. After the close of the Civil War, decided improvement began.

In 1866 the Larimer Street School was located on the site where the Windsor Hotel now stands. It had been an old Army Barrack.

The Principal, Mr. D. B. Hatch became dissatisfied when colored pupils were introduced in the school, and retired from Public School teaching. (See Rocky Mountain News, October 3.

He opened a private school in the neighborhood of 15th and California drawing with him many of the pupils from the Public School.

C. F. Liemer, a real estate dealer, succeeded Mr. Hatch as principal of the Larimer Street School. On the opening morning of school under Mr. Liemer only one pupil was present. By afternoon, however, thirty more appeared; and by the end of the term he had 197 pupils.

In 1868 some of the people in District No. 1 demanded a separate school for colored children. The exact date is not known, but a small building at 16th and Market Street was rented and the school was established. On February 2, 1869 the African Baptist Church was rented and used as a school for colored children. Later, the school was transferred to the African M. E. Church at Stout and 19th Streets. This building was so used until the close of the school year in 1873, after which time the color line was abolished, and all pupils went to the newly finished Arapahoe School.

It was during the above period that the first Negro teacher in Colorado, R. K. Felton came on the school scene. He was employed as a public school teacher in 1871 at a salary of \$75.00 per month. The record does not state how long he served. Mr. Felton apparently was very active in community affairs, social, political and religious. It is quite significant on this occasion to note this announcement in the Rocky Mountain News, November 22, 1871—"The Cornerstone of the New A. M. E. Church will be laid with appropriate religious and masonic ceremonies on the corner of "K" and Stout Streets today at 2:00 P.M. Rev. Bishop Ward, Rev. Mr. Vincent and R. K. Felton officiating. The Public is cordially invited to attend."

Our next introduction to colored teachers in Colorado comes when Miss Dolly Branch, daughter of the Seventh Day Adventist Minister in Denver, was assigned to teach at Parker, Colorado in 1899. She held this position until she decided to answer the call to Missionary work in Africa.

Her successor was Miss Laura Buchanan, the first negro girl to enroll in Teacher's

College at Greeley. Under the strain of over ambition and overtaxation, Miss Buchanan's health broke and she passed away.

The next person chosen for the position was Miss Leona Troutman, daughter of a Denver Contractor and Builder, Howard Troutman and his wife Susie Troutman.

Miss Troutman served two years and then decided to resume her school work at Western, University, Quindaro, Kansas, where in addition to her class work, she taught History and Civil Government in the elementary department.

Information as to subsequent applicants for this position has not been available (to this writer.)

In the summer of 1918 Miss Willa Mae Golson, a Graduate of Spellman Seminary, Selma, Alabama came to Denver, passed the State Board examination, and was appointed to teach at Steam Boat, Springs, near Craig, in Moffat County. She taught one year, and decided she preferred a business career with The American Woodmen and later a home career as Mrs. Thomas Campbell.

Near the beginning of the First World War, Mr. Oliver T. Jackson organized a Colony of Farmers at Deerfield in Weld County Colorado. His unrealized dream was to build an all Negro Town. It flourished about 15 years, and when the Depression came, the people began moving away. At first there were about 50 families in the colony, both white and colored. The Town boasted of a Church a Post Office and General Store, A blacksmith shop and a school. The school was a two room building very well equipped and comfortable. In 1931 because of the rapidly dwindling population of the colony, the school was discontinued and the pupils were transferred to the consolidated school at Wiggins.

Among the teachers who taught there were:

1. Mrs. Kate White-Harris from 1915 to 1918 and 1924 to 1925. She started with 28 pupils (24 colored-4 white). She received \$65.00 per month for the first three years, but when she went back in 1924 her salary was \$95.00 per month.

2. Mrs. Odessa Caldwell-Sanders She taught only a partial term in 1919 and took up work in the Juvenile Court in Denver.

3. Mrs. Sarah Russell Fountain Finished Mrs. Sanders unexpired term in 1919 and taught during the school year 1920.

4. Miss Beatrice Van du Vall Fall 1920 to Spring of 1923. Resigned to take a small school near Colorado Springs. Won a Scholarship to Bryn Mawr and later went to Brookfield Labor College to serve as interpreter and translator for foreign students.

5. Miss Florence Hickman-McFadden served only 2 months in the fall of 1925-resigned to accept work in Kansas City. Now teaching at Whittier School in Denver.

6. Mrs. Viva Bond-Rose Served from Fall of 1925 until Spring of 1931 when the school was discontinued.

There seemed to have been a general reluctance to employ Negro teachers in Colorado. Although our schools were preparing teachers with excellent qualifications, school authorities seemed not to think it feasible to employ them and they had to seek positions outside of the state. Finally about 1931 some of the more progressive leaders in school circles awakened to the fact that Denver, was depriving herself of the services

of some very fine teachers and set about doing something about it. As a result of their activity we now have a number of Negro teachers in Denver schools. The first one chosen was Miss Dorothy Burdine, appointed to Whittier School in 1934 to serve under Miss Lila O'Boyle, principal, to whom much credit is due for the success of the venture. Miss Burdine resigned in 1938.

Others who have since served are:

Mrs. Marie Anderson Greenwood, 1935-1945
Mrs. Eleanor Hawkins Daniels, 1938-1944
Mrs. Elaine Brown Jenkins, 1938-1945,
Mrs. Barbara Burris Wilson, 1943-1948.

Negro teachers now serving in Denver are:

At Whittier School:

Mrs. Dona Blanchard
Mrs. Madge Brown
Mrs. Luella Flanigan
Mrs. Jessie Maxwell
Mrs. Florence McFadden
Mrs. Esther Nelson
Mr. James D. Ward

At Gilpin School:

Miss Mozetta Hale
Mrs. Ramona McHenry
Mrs. Florida Waller

At Cole Junior High School:

Mrs. Zelma Bell

At Manual High School:

Mr. Gilbert Cruter

Supply Teachers:

Mrs. Lucy Harris
Mrs. Myra G. Harris
Mrs. Mildred Johnson
Mrs. Elizabeth Scott
Mrs. Shields
Mrs. Helen Williamson

Just before concluding, permit me to quote these excerpts from an article in the Denver Times, the afternoon daily, of April 6, 1899:

"There are 20 colored students at East Denver and Manual High Schools. They are noted for their perseverance and courage.

"There are two people to whom the colored public owes much of its education in good music. They are Mrs. R. W. Mosby and Mrs. E. J. Knight. Mrs. Mosby was born in Virginia. She was chorister of Olivet Baptist Church in Chicago for 16 years. She also served at Quinn Chapel, Chicago. For years she was the chorister at Zion Baptist Church, Denver, and she has also labored at Shorter's. Mrs. E. J. Knight, her sister, is a pioneer music teacher of Denver. Her pupils are legion, and those who were her pupils are considered among the best pianists in the city. Her reputation will live long after in that of her pupils."

It might also be interesting to note a few of our first graduates:

From (1) East Denver High School—

Mrs. Rosa Sides Hyman
Mrs. Ida Clark DePriest

(2) Manual High School—

Miss Celestine Jones

(3) North High School—

Miss Captolia Gwinn, who was the first to receive a scholarship to Howard University, Washington, D. C., from the Negro Club women of Colorado.

(4) The Iliff School of Theology—

Rev. Oscar Scott

(5) Colorado Teachers' College at Greeley

Miss Lucille Buchanan

There are many more "First" in educational activities, but limited space prohibits mentioning them.

MR. HATCH'S RESIGNATION

Denver, Oct. 3, 1867

Board of Trustees,

East Denver

Gentlemen:

Having been officially informed by the secretary of the Board That the distinction heretofore maintained between white and colored children in the public school, East Denver, will exist no longer, I respectfully tender my resignation as principal of the school.

The Board is probably familiar with my reasons for this step but for fear of misconception, I will repeat them. I do not know, nor have I ever opposed the admission of colored children as a right, but my convictions were that the true interests of both parties would be served by keeping them separate temporarily. The annoyance caused by the bickerings and quarrellings that would continually exist between them would be greater than I choose to bear. My management of the school, if I continued in it, would from the beginning be subject to misapprehension and the crime of partiality would be at least that would be laid to my charge.

The impression that prevails among the colored people that I am making efforts to prevent admission of their children will effectually preclude confidence in me, or in my management. Another reason for my resignation is that my salary is not really sufficient to compensate me. Either of these reasons might possibly have been insufficient, but combined they furnish ample grounds.

In the event of my taking a private school, I shall confine my number to 25, which is sufficient to convince anyone that my intentions are not to injure the public schools.

Very Respectfully,
D. D. Hatch

Rock Mountain News (October 3, 1867)

Editorial

"We publish today two letters from Mr. D. B. Hatch, the late principal of the public schools. We are by no means his partisan but are perfectly willing to give him space for his own defense.

The fact is very evident that he did not wish to teach colored children and chose to resign. He did well in so doing and the Board did better in accepting his resignation, from which action I hope they will not recede. We are of the opinion that other teachers can be found equally as competent, and who will have no such ample grounds for resigning. Furthermore, we do not regard his antecedents with enough favor to entrust him with the culture of the minds of the rising generation. Freedom and loyalty are lessons which children should learn young, and we doubt if Mr. Hatch is capable of teaching them."

**IN MEMORY OF A HEROINE,
LATE LEONORA O. TUCKER**

To Shorter Community A. M. E. Church:

Hiram Gand Court, Heroines of Jericho, F. and A. A. Y. M. dedicates this space to the sacred memory of our late Sister Leonora O. Tucker. At her demise she was Past Most Ancient Matron of Queen Esther Court No. 3, Denver; the Past Grand Matron of Hiram Grand Court, and Past Grand Deputy Matron, Colorado Jurisdiction. Sister Tucker passed this life February 1949. In former times, she was an ardent zealous and a useful worker in many fields: in social and civic activities as well as in the Sister Fraternal Orders. Her fervor is greatly missed. Official Honors of the Heroines Ritualistic Degrees were conferred upon her at her dearly beloved Church Cleaves Memorial—by the Heroines of Jericho and eulogized by her Pastor, Reverend Exum, February, 1949.

Regretfully missed—"Her memory lingers with us still."

**IN MEMOORY OF THE LATE
LUCY A. ANDERSON**

The founder and the First Grand Most Ancient Matron of Hiram Grand Court Heroines of Jericho, Free and Accepted Ancient York Masons National Compact Prince Hall Origin, Colorado and Jurisdiction. The late Sister Lucy Anderson by the selection and choice of Rising Sun Court No 7, Denver Mizpah Court No. 2, Denver Queen Esther Court No. 3 successfully organized, nationally warranted and incorporated Hiram Grand Court, Heroines of Jericho December 1925. Sister Anderson succeeded herself as Grand Matron for a period of six successive years. A very tactful and perservering executive. She was the organizer of the Juvenile Court and as such was Juvenile Truant Officer for the length of seventeen years. In religious affiliation she was an ardent member of the Shorter A.M.E. Community Church and loved mother of two devoted sons, Ulysses Anderson and Lafayette Anderson who sorely miss her.

The Methodist Church Denver Area

Thanks very much for our kind invitation to join you in Shorter's Eighty-First Anniversary celebration. Nothing would please me more than to be able to join you and the good people of Shorter in this very laudable occasion.

Some very pleasant memories come to me from Shorter, out of the eight years it was my privilege to serve the Fifth District of which she was so important a part.....I am happy to accept your invitation to speak on the afternoon of May 1.

J. A. GREGG, Presiding Bishop
 President, Bishop Council

SINCERE GREETINGS from one of your 'favorite' sons THOMAS JEFFERSON BURWELL, Minister St. Paul's A.M.E. Church, Corner Elm and Water Streets, Wichita, Kansas.

May I extend heartiest congratulations to Shorter Community A.M.E. Church of Denver, Colorado on the occasion of its eighty-first anniversary. Shorter's historical record in the Rocky Mountain Area is most impressive and significant in the contributions which the church has made in religious, civic and state affairs. I am honored in extending sincere greetings to a great church on such a memorable occasion.

TEMPLE ALBERT

April 19, 1949

Rabbi Herbert A. Friedman
Temple Emanuel
1595 Pearl Street
Denver, Colorado

Dear Rabbi Friedman:

I am indeed happy that you will be able to be with us on May 20, to speak to our congregation. I am looking forward to spending those couple of days with you.

I am only sorry that we could not take full advantage of your being here by having a congregational dinner meeting. The officers and trustees, however, have decided against having a special meeting. This is the first time that Albuquerque has had the Cavalcade. Next year, perhaps, we shall be able to make more complete arrangements.

The meetings, then, will be a luncheon with the Temple Board, Friday noon, and the regular Friday evening service. After the service, the Sisterhood will have a reception in your honor.

Please let me know when you plan to arrive and how long you wish to stay, so that I may make hotel reservations and may meet your plane.

Looking forward to hearing from you and having you with us, I am

Sincerely yours,

David D. Shor
