SELICHOT

BETWEEN US . . .

Question: What do you call a person who can't read Hebrew and, instead, reads those transliterations?

Answer: A transliterate!

"Rabbi, I'd love to be able to read Hebrew, but I just don't have the time to study for a whole year."

"You know, I'd come to Temple more often but I can't follow the Hebrew. I really wish I knew how to read."

The above is why we are offering a Hebrew Marathon. No more excuses, no lazy reasons, no more transliterations. In one day, you can learn to read Hebrew.

But why is it so important? Because Hebrew acts as a very significant key to who and what we are as Jews. It is our language: the language of the Jewish spirit and soul. Without it something is missing.

As a Rabbi, I want to know that the congregation I serve is made up of Jews who are more than simply Jews. I want to know that the Jews in this congregation are Jews of conviction, Jews who care, and Jews who are Judaically literate. In our times, we should be nothing less!

So sign up. September 17. The Hebrew Marathon. You will be glad you did.

Bennett F. Miller

The Hebrew month of Elul is a special period of time for reflection and preparation. It is intended as an opportunity for us to be ready for the awesome and powerful days of the YAMIM NORAIM - from Rosh Hashanah to Yom Kippur. The Shofar is the instrument by which we are to be awakened to the spiritual world and to change within ourselves. That is why, centuries ago, the Rabbis declared that the Shofar should be blown during Elul. Each Friday evening during September (corresponding to Elul) the Shofar will be heard in the Sanctuary. Join us as we prepare!

WORSHIP SERVICES FOR SEPTEMBER

FRIDAY, SEPTEMBER 1 - From week to week, many people seek a diversion from the daily grind in the world of the silver screen. This summer, it seems, more people looked for entertainment in fantasies and comic book heroes. Perhaps there is more to this fact than meets the eye. In our overwhelming preference for these movies, Rabbi Paskoff sees a sign of the times.

FRIDAY, SEPTEMBER 8 - In just a few weeks our congregation will begin its 130th year. That is quite a milestone. Rabbi Miller will explore some of the themes of this birthday year and look ahead to our future.

FRIDAY, SEPTEMBER 15 - We will welcome Congressman Robert G. Torricelli to our congregation. (see box)

FRIDAY, SEPTEMBER 22 - We welcome home our high school students who have participated in a number of exciting programs. They will share with us their experiences in Israel, at special institutes and camps, and at the Mitzvah Corps. Join us as we hear from them.

WE WELCOME CONGRESSMAN ROBERT G. TORRICELLI TO OUR CONGREGATION

Congressman Torricelli is a Democrat from Englewood, New Jersey, serving his fourth term in the House of Representatives. He is a graduate of Rutgers University, Rutgers School of Law, and the John F. Kennedy School of Government at Harvard University.

The Congressman serves on a number of important committees in the House of Representatives. Mr. Torricelli's legislative effectiveness and his articulate advocacy on inter-racial issues have earned widespread recognition during his four terms in Congress. He recently has been included among "The Rising Stars of American Politics."

We are delighted that Mr. Torricelli will be with us. Please join us in welcoming him.

SELICHOT

SEPTEMBER 23, 1989

Traditionally, the period of reflection and repentance connected with the High Holiday season actually begins before Rosh Hashanah. According to Jewish tradition, this preliminary period (called Selichot) begins after the Havdalah service which comes at the end of the Sabbath immediately prior to Rosh Hashanah. A special near-midnight observance is held. It is a very profound and moving worship experience.

Our observance of Selichot will begin at 8:30 on Saturday evening, September 23. At that time, we will be showing a few media pieces designed to help us prepare for the High Holidays. These short films deal with the themes of the YAMIM NORAIM.

Please join us for what promises to be a moving and educational experience, including the films and discussion, the gathering of friends, Havdalah, and Selichot services.

FROM THE PRESIDENT'S DESK . . .

Although my school days are over and I am paying taxes from January to December, I still function on an academic calendar. When I was a child, the year began in September and ended in June with a nice long vacation in the summer. Somehow in the last few years the long vacation in the summer has been eclipsed by High Holiday choir rehearsals and now presidential responsibilities. In spite of this, the feeling that life begins anew in September still prevails.

For those of you who have not had the experience of enjoying a service in our newly **air conditioned** Sanctuary, September will offer you a new life experience. The air conditioning was completed in mid-June in time for a couple of the Friday evening services and the Shabbat morning B'nai Mitzvah services.

During the summer our Friday evening services used to be held in the social hall. This year we held these services in the Sanctuary, experimenting with various arrangements, always checking the air conditioning. This was followed by a thorough analysis to get a comprehensive picture of the effectiveness of the system. I think that all of you will be pleased.

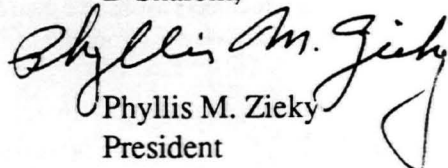

The aesthetic beauty of the Sanctuary has not been affected. The visual impact on the room is virtually zero. I can honestly say that if you didn't know that such a major undertaking had been done, you would never become aware of it upon entering the main Sanctuary.

The comfort level of the room, which was another of the higher priority items dealt with by the air conditioning project, is extraordinarily satisfactory. It keeps us cool and dry. The acid test, of course, will be on the High Holidays when there will be two services back to back. Rest assured that you will be cool and contented.

The other major change this September, bringing new life to our congregation, is the Day Care Center. During the summer, the old library has been transformed into a Day Care Center. The committee has been busy hiring personnel and outfitting the facility. For those of you in need of child care with a Jewish flavor, call the Temple (545-6484) for information.

The pre-High Holy Day season is upon us as well in September. The Hebrew month of Elul is preparing us for the Days of Awe. I wish you all a year filled with new life, joy, contentment and, above all, good health.

B'Shalom,

Phyllis M. Zieky
President

HIGH HOLY DAY INFORMATION

If your seat reservation has not arrived by September 20, please call the Temple office (545-6484). Please note that all seats in the Sanctuary and social hall are reserved. No one may occupy any vacant seats unless the Seating Committee is advised of their availability prior to the start of services. Remember, please, that tickets will be required at afternoon Yom Kippur, Yizkor, and Ne'elah services. Ushers will check tickets.

A High Holy Day program will be planned by the Youth Group for children over six years of age. Arrangements may also be made for babysitting of younger children during morning services on both Rosh Hashanah and Yom Kippur. If you want your children to participate, please call the Temple office (545-6484) by September 15 to make a reservation.

Ushers are needed for all High Holy Day services. If you can assist at one or more of the services, please call Fred Greenstein at 249-6456 or the Temple office (545-6484).

The congregation provides large print editions of the High Holy Days prayer book to those wishing to use them. Ask an usher to provide you with one. Special audio equipment for the hearing impaired is available for use in the Sanctuary. Please call the Temple office to reserve a head set.

Because of physical impairments, some members of the congregation may not be able to attend High Holy Day services. If you or a member of your family is unable to worship with us at the Temple, cassette recordings of our High Holy Day services will be available. Please call the Temple office to obtain the tapes.

♩ FROM THE CANTOR ♪ HIGH HOLY DAY CHOIR REHEARSALS:

Wednesday, September 13 - 8:00 p.m.

Wednesday, September 27 - 8:00 p.m.

FULFILL THE MITZVAH OF TS'DAKKAH

In keeping with the Mitzvot of the High Holy Day period, please fulfill the Mitzvah of Ts'dakkah by helping us fill the food pantries for the needy in this area. Please bring canned goods with you Rosh Hashanah Eve. There will be containers for drop-off as you enter for services.

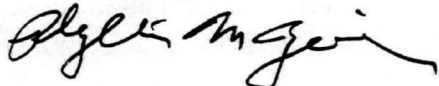

HIGH HOLIDAY PHONOTHON

Our Temple has been having a High Holiday Phonothon for the past few years. Each temple and synagogue traditionally has a high holiday appeal for free will donations. Our Temple used to have such an appeal made by the president of the congregation from the Bimah on Yom Kippur. Many congregations still do this.

Our Board of Trustees, in an effort to keep the sanctity of the worship uninterrupted by such an appeal, decided to have our appeal done by phone. Each member of the congregation is personally contacted by an officer or board member and asked to make a pledge. The phonothon occurs over a period of three or four days just prior to Rosh Hashanah and is then followed up by calls a few weeks later to those people who could not be reached the first time around. Pledge cards are sent to those who desire.

This year our phonothon will be done the same way. Please be expecting a call and be ready to help us meet our goal of 100% participation.

B'Shalom

SUPPORT HOUSING FOR THE HOMELESS: JEWISH NEW YEAR CARDS FOR CONGRESS

The Religious Action Center in Washington, D.C., has created unique Jewish New Year cards intended to be sent to members of Congress to urge support for housing for the homeless. A set of three cards (one for each senator and one for our representative) is available to congregants free of charge at the Temple office.

The text of the cards reads:

"Dear Senator,

At this time of the Jewish New Year, I wanted to send a card to a homeless family, but they have no home and thus no address. Therefore, I am sending it to you with my prayer that next year every American will have a decent and affordable place to live. Then will our New Year be full of rejoicing. During this holy season I ask what the homeless ask for themselves: HOUSING NOW!"

These cards are part of the Jewish community's participation in HOUSING NOW, which includes several days of activities during the High Holy Days, including a massive march in Washington, D.C., urging that decent and affordable housing be made available for all Americans. All congregants are urged to send copies of these cards to their elected officials.

ANNUAL HIGH HOLY DAY APPEAL FOR ISRAEL BONDS TO BE HELD AT KOL NIDRE SERVICES

Our congregation is proud to be taking part once again in the annual High Holy Day Appeal for Israel Bonds.

Israel has made remarkable progress in the past year, and nowhere is this more evident than in Jerusalem, which has been reborn in spirit and substance since 1967.

Let us do our part by providing maximum loan funds for Israel's continued growth during our congregation's High Holy Day bond effort.

MAZON

MAZON: A Jewish Response to Hunger, offers American Jews a means through which they may add a rich dimension of community service to their private celebrations. Through MAZON, we voluntarily add 3% to the cost of our celebrations—a Bar or Bat Mitzvah, a wedding, a birthday, or anniversary, any joyous occasion—as an offering to help defeat the scourge of hunger here at home and around the world.

MAZON is one of American Jewry's principal means for participating in the twin effort to feed the hungry and to put an end to the causes of hunger. In cities, large and small, across the country, through synagogues and organizations or on their own, thousands of Jews have become part of the MAZON effort by sharing 3% of the cost of their simchas as well as contributing on the occasions of Yom Kippur and Passover.

Three percent: to a cost of \$3,000, add \$90; to \$8,000, add \$240; to \$20,000, add \$600.

To a child suffering from malnutrition, add life.

Think how meaningful it can be for us to know that a portion of our celebration is set aside to include those in need—and that our joy is thereby increased.

Think how meaningful it can be for all of us to know that our good times are also times of good. And above all, think how meaningful it is to bring food to those who have none.

ANOTHER WAY TO HELP

The Christ Church of New Brunswick has an ongoing soup kitchen to help feed the poor and homeless of our area. Most of the staff for the kitchen comes from the church, but they would appreciate our help on the second and third Sundays of each month.

Our help will allow their members to observe their Sabbath as both a holy day and a family day. Here's your chance to do a Mitzvah in church!

If you are interested, call Rev. Bill Arnold at the church directly (545-6262), or call Rabbi Paskoff at the Temple (545-6484).

YOUNG COUPLES CLUB

The summer is speeding by and soon the Young Couples Club will be engaged in their fall agenda. As of now, most of us are working, vacationing and enjoying the sun. In June, we culminated our first successful year with a picnic and softball game in Donaldson Park. Some of our activities last year included a scavenger hunt, games night, Havdalah services, educational and social programming, and a lot of noshing. Couples ranging in age from 22 - 40 have enjoyed participating in our group.

This year we are looking forward to more social events, getting involved in established Temple committees, and perhaps a weekend excursion! Watch this column for upcoming events. Our first scheduled event is September 24. We're planning a Pot Luck Dinner and New Games Night. This will be an opportunity to reacquaint ourselves with old friends and meet new ones.

If you have any ideas for the group or are interested in joining us, please contact Ann Thayer-Cohen at 819-0580 or Rabbi Paskoff at 545-6484.

Enjoy the rest of your summer!

Laura Jill Leibowitz

OUTREACH CONNECTIONS

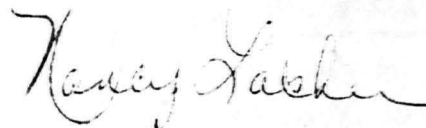

The Outreach Committee has worked through the summer to put together a series of exciting and educational programs for the upcoming year.

SAVE SATURDAY, NOVEMBER 18, 1989 for Anshe Emeth's Shabbaton. The Shabbaton will be a day to concentrate on the Shabbat basics and will include a beginner's minyan, workshops on various aspects of Shabbat, and, (of course) food. Registration information will follow next month.

Over the next year, the committee will also sponsor (among other events) informal talks with the rabbis on topics of current interest and a video discussion. If you would like to become involved with the Outreach Committee, please give me a call at 247-5072.

The UAHC sponsors many programs for those interested in Reform Jewish Outreach. Among these programs are the Introduction to Judaism class, the Opening Doors program for interfaith couples, and a group discussion for parents of intermarried Jews. If you would like more information on any of these programs, just contact me.

Best wishes for a healthy and happy new year!

AETY

by Debbie Isaacson

As September begins, all of the members of the youth group are anxiously awaiting the start of an amazing year. Our plans include exciting trips to such places as Eastern Europe and our biennial trip to the Religious Action Center in Washington, D.C.

But there's more! As last year progressed, many people enjoyed JFTY programs, and a wide variety of these activities will be available again this year. Members of the board have some exciting "in Temple activities" planned, as well. These include a mystery bus ride, an interfaith weekend, and much more. We encourage everyone to come and try out the youth group (and our new youth lounge!). Your suggestions and program ideas are always welcome. We look forward to seeing you.

but not out of touch with Anshe Emeth.

Please send to the Temple office the names and addresses of those in your family who will be away at school this year. We will see that they receive Temple bulletins and know what's happening with their Temple family.

Students who are not able to be home for the High Holy Days may attend services at any Reform congregation at no cost if they contact the congregation in their area.

**Fred Greenstein is STILL looking for
USHERS!**

to work with him on Saturday mornings when Bar or Bat Mitzvahs are taking place—September through June. He would like to have four or five people take turns on a regular basis. They would usher only once a month, and if not able to make it on their turn they could switch days with another regular usher. After a while, they would be able to handle the ushering by themselves if Fred has to be away. (It is very difficult to get a replacement at the last minute!) They will be helped by parents whose children are having a Bar/Bat Mitzvah in the near future. If **you** can help, please call Fred at **249-6456**

If you don't receive your packet by August 30, please call the religious school office and we will send one out to you at once. High School Parent Special

In order to live fully and richly, a person must value himself. Although adults may be able to build their own high sense of self-worth, children need help to do this. They cannot do it alone. Come and increase your own awareness, learn specific methods and a structure for helping your children to build their self-esteem. Our first parent special: *Building Self-Esteem: A*

Parent Workshop to Help Children Grow into Healthy Adults will be held on **Sunday, September 10 at 10:15**. Parents of students in grades 8 - 11, please plan on attending this important workshop to be led by Elizabeth Principe, Adolescent Counselor/Career Education Specialist and by Rabbi Miller.

New Parents Meeting

If you have a child who is just beginning formal religious education in our school, you are invited to attend a "Morning Coffee And..." on Saturday morning, September 23 at 9:30. This is a good way for us to meet you, to acquaint you with the curriculum for your child's grade and to answer any questions you may have about the school and temple. Please call the religious school office, 545-6484, and let us know that you will be coming.

Seventh Grade Parents Meeting

If you have a child who is entering seventh grade, you are invited to attend a "Morning Coffee And..." on Sunday morning, September 24 at 10:15. We strongly encourage all of our seventh grade parents to attend this program concerning the Bar/Bat Mitzvah year. Please call the religious school office, 545-6484, and let us know that you will be coming.

ADULT B'NAI MITZVAH

You are Jewish, and an adult. But you've always felt that there was something missing. Whether it was because your family didn't believe in it, or because such things weren't done for girls, or even because when you were of the appropriate age you lived in a country which was undergoing a period of turbulence and anti-Semitism. Whatever the reason, you never knew the honor of being called to the Torah as a Bar or Bat Mitzvah at age thirteen.

The good news is: IT'S NOT TOO LATE!!! Rabbi Paskoff is in the process of putting together an adult B'nai Mitzvah class. During the next few months, the participants in this program will study Hebrew and Judaica. They will be assigned a Torah portion and will share together in a moving and meaningful B'nai Mitzvah service in the spring.

There is also a tradition that says that someone who has reached 83 years of age is entitled to another Bar or Bat Mitzvah. The Torah teaches that the lifespan of a person is "three score years and ten." By reaching 83, it is as if you have reached 13 during a new lifetime that began at age 70. (Who said life begins at 40?) So why not participate in this experience and share in the honor again?

The time has come. This is the year. No more putting it off. No more excuses. Contact Rabbi Paskoff at the Temple (545-6484) as soon as possible to become part of the Adult B'nai Mitzvah Program for the coming year!
