

Woolverton Nursery

2016•2017 CATALOGUE

Welcome to Woolverton Nursery

We thank God for the victories enjoyed and lessons learned in 2016, and hope that you can say the same. By His grace we've added more growing space, increased our water supply, and continuously work to improve the quality of our product; all to serve you better.

We also thank all our employees, customers, and suppliers for helping to make this year a success, and we look forward to what 2017 has to bring.

Doing business with Woolverton Nursery

- Honest, Service, and Quality are the driving forces behind our product.
- We don't push our plants too hard during the growing season so they aren't too root bound and tired out.
- We offer great selection, for both Garden Centres and Landscapers.
- All our plants come tagged, most with picture tags.
- We deliver our own product and our shipping charges are minimal.
- Our prices are some of the best offered.
- 3% C.O.D. discount for spring orders. Order early, some items sell out quick!

Terms and Conditions

1. All prices are FOB (Freight-on-Board), Grimsby, ON. Shipping charges are extra and are based on footage taken in the truck and distance from our Nursery.
2. Terms are net 30 unless otherwise agreed in writing. A 2% per month finance charge will be charged on overdue accounts. New customers are on a cash basis until credit is established. Credit applications are available upon request.
3. All prices are subject to change without notice.
4. All plants confirmed may not be ready to be shipped at the same time. We'll do our best!
5. All plants are tagged with picture tags or descriptive loop labels. Additional pre-priced loop label tags are available for \$0.30/plant.
