## CONTENTS OF VOLUME II

### CHAPTER XIX

#### REIMBODIMENT AS TAUGHT THROUGH THE AGES — I ..... page 593

Pre-existence, Reimbodiment, Rebirth, Palingenesis, Transmigration, Metempsychosis, Reincarnation, and Metensomatosis, defined and described. The relation of the Reimboding Ego to the above. 'Coming anew into life,' a universal teaching. Skeptics powerless to disprove Rebirth. The Egyptians, metempsychosal reincarnation, and Herodotus. Why did the Egyptians mummify their dead? The origin of the Egyptians. *The Encyclopaedia Britannica* and Metempsychosis: a correction. Josephus, the Pharisees, and Reincarnation. The Universal System and Philo Judaeus.

### CHAPTER XX

#### REIMBODIMENT AS TAUGHT THROUGH THE AGES — II ..... page 620

Disappearance of the doctrine of Reimbodiment in the sixth century. Scattered groups who retained it: Albigenses, Cathari, Bogomils. Doctrine taught among earliest Christians as illustrated by citations from Origen, Jerome, and Clement. Hints as to the doctrine of Reimbodiment found in the Bible. Later believers in some form of metempsychosal re-imbodiment: Giordano Bruno, van Helmont, Swedenborg, Goethe, Lessing, Herder. Illustrations of modern conceptions and misconceptions of the doctrine. The doctrine of Reimbodiment as given in the Orphic teachings.

### CHAPTER XXI

#### HOW MAN IS BORN AND REBORN — I ..... page 647

The causes of rebirth. Love, a great re-uniting power from life to life. The impersonal Eros of the Cosmos. The greater reunion at the end of the Manvantara. The power of thought in building our future destiny on Earth. Reincarnation explains what becomes of unexhausted energies generated in earth-life. What is heredity? Sex not a radical thing. Explanation of the ego's entrance into male or female body. The Theosophical conception of marriage. Hate as well as love, a great magnetic power. 'Not remembering past lives' no argument against Reincarnation.

## CHAPTER XXII

## HOW MAN IS BORN AND REBORN — II ..... page 673

How character is builded. Sorrow and suffering, proofs of Nature's compassionate heart. What it is that reincarnates. Law concerning length of devachanic period. Why we need a devachanic rest. Renunciation of the devachanic rest and shortening of that period possible. The devachanic type of character here on Earth. Unusual cases considered: death of small children; premature death in adult life: by disease, by violence; suicides, congenital idiots. Reincarnation of animals. Man becomes whatever he longs for. Reimbodiment, the doctrine of another chance.

## CHAPTER XXIII

## 'LIFE,' IN FACT AND IN THEORY — I ..... page 705

Nineteenth century materialism: an era of contradictions. *The Mahatma Letters to A. P. Sinnett* gives insight into the nature of that era. Twentieth century has seen a change in outlook. Western theological and scientific meaning of 'life.' 'Life' and 'death' are two processes. The doctrine of Swabhâva. Explanation of the term 'Monad' Ray.' The 'new man' the karman of the 'old man.' 'Life' and 'death' inextricably interwoven.

## CHAPTER XXIV

## 'LIFE' IN FACT AND IN THEORY — II ..... page 728

Life not an 'entity' separate from matter. Theories of the Mechanists and Vitalists. Animism. No gulf between matter and spirit. Table of radiations of various frequencies illustrating gradual emergence of ethereal substance into material substance. What is Life *per se*? Beginnings and endings are dreams of illusion. Nature in continual birth. Death merely a sloughing off of vehicles. What death will be for us in the future. Death and sleep are one. The source of our essential life is the Divine Monad.

## CHAPTER XXV

## THE ASTRAL LIGHT AND THE LIFE-ATOMS — I ..... page 751

Immobility impossible in the Universe. Dissolution inevitable to all compounded beings. No permanent individuals to be found in bodies. The astral worlds. The nature of the physical body. Explanation of radioactivity in the mineral world. The constitution of Globe D, our Earth.

Peregrinations of the life-atoms in a human physical body during earth-life. Analogy of this process with the after-death peregrinations of the life-atoms. Death and other subjects as taught in the Mystery-Schools. The Seven Principles of Man as taught by the Romans and by the Greeks. The relation of the Seven Principles of Man to the Cosmic Principles. Greek and Roman teachings regarding the Underworld.

## CHAPTER XXVI

### THE ASTRAL LIGHT AND THE LIFE-ATOMS — II ..... *page 770*

Cause of death from the vehicular standpoint. Peregrination of the physical life-atoms after death. Life-atoms on every plane of man's being. Journeys of the astral life-atoms after death. Difference between the Linga-śarīra and the Kâma-rûpa. Fate of the Kâma-rûpa of man after death. Our responsibility in connexion with the life-atoms of our various bodies. Description of the picking up of bodies on return of Ego into earth-life. Explanation of the Christian dogma of the 'resurrection of the body.' Every vehicle a 'mode' of consciousness. Circulations of the life-atoms in the Cosmos.

## CHAPTER XXVII

### DEATH — AND AFTER: A STUDY OF CONSCIOUSNESS — I *page 796*

The consciousness-side of the after-death states. A discussion of the subject of consciousness. The 'I am' consciousness and the 'I am I' consciousness in man. The Sûtrâtman or Thread-Self. Plato's teaching of Anamnesis. The unfolding of consciousness in earth-life. The cause of physical death from the standpoint of consciousness. The 'dreams' of the Devachan. The panoramic view of the past life at the moment of death. Description of the destiny of the intermediate nature after death. Description of the Kâma-loka. The opportunities which old age brings.

## CHAPTER XXVIII

### DEATH — AND AFTER: A STUDY OF CONSCIOUSNESS — II *page 819*

The Radiance of the Reincarnating Ego: what it is and its destiny after the death of the body. The identity of sleep and death. The nature of dreams. Study of consciousness. The seven states of human consciousness: four main divisions defined. Advice to those who watch at a death-bed.

## CHAPTER XXIX

## THE CIRCULATIONS OF THE COSMOS ..... page 839

The ancient science of Astrology: what its teachings comprised. The status of modern Astrology. The mystic numbers 4, 3, 2. Esoteric hints in lines from Vergil's *Georgics*. Ranges of consciousness of the various monads in man. The eternal peregrinations of the Monad. The Seven Sacred Planets in relation to the peregrinations of the Monad. The vital currents in the cosmic organism. Facts about the Mithraic teachings. Explanations of the two kinds of Outer Rounds. Tṛishṇâ or 'thirst' for earth-life. Deductions to be drawn from the Theosophical teachings about death and the after-death states.

## CHAPTER XXX

## BIRTH AND BEFORE BIRTH ..... page 879

The garments or veils evolved by the Monad. The relation of a human parent to the genealogical stream which follows him. Relation between the peregrinations of the Monad and the stay of the Reincarnating Ego in the Devachan. More detailed description of the return of the Reincarnating Ego into earth-life. The inter-atomic and intra-atomic ethers. The sacred mystery of birth. What is protoplasm? The constitution of the germ-cell. The aura: a psycho-magnetic-electric atmosphere. Kinetic and dormant life-atoms. More about the mysteries of birth.

## CHAPTER XXXI

GREAT SAGES AND THEIR PLACE IN THE COSMIC HIER-  
ARCHY ..... page 911

Who and what the great Sages are. Guides and protectors of the human race. Explanation of various names given to them. Legends concerning them. Their natural 'powers.' The true nature of 'miracles.' The rationale of human perfectibility. The graduated scale of beings from elementals to gods. The fundamental unity of all classes of beings. The doctrine of the Silent Watcher, the spiritual Hierarch of our Globe.

## CHAPTER XXXII

PNEUMATOLOGY AND PSYCHOLOGY: MYSTERIES OF MAN'S INNER  
NATURE — I ..... page 945

The Christian doctrine of spirit, soul, and body. Esoteric teaching of man as sevenfold (or tenfold) being. The sevenfold division of the Universe. Man builded of elements drawn from the cosmic reservoir. Man as a

host of monads. Man as a threefold entity. The nature of true psychology and of pneumatology. The 'I am' and the 'I am I' in man. The normal and abnormal interactive functioning of 'spirit,' 'soul,' and 'body.' Cases of supernormal activity of the Upper Dquad. The great Teachers as willing human instruments of a spiritual Essence.

### CHAPTER XXXIII

#### PNEUMATOLOGY AND PSYCHOLOGY: MYSTERIES OF MAN'S INNER NATURE — II ..... page 981

Human beings divisible into three general classes. The status of the intermediate or psychological part of the constitution in these three classes. The 'Voice of Conscience.' Intuition, Inspiration, and Genius, explained. Avatâras and the mystery of their existence. Connexion between Jesus, Śankarâchârya, and the Buddha. Minor Avatâras. The Messenger an Avatâra of a kind: H. P. Blavatsky an instance. The destiny of the 'I am I' consciousness. The emanational unfolding of man's sevenfold being follows universal plan. How union with the divinity within may be begun and continued to a glorious consummation.

### CHAPTER XXXIV

#### GREAT SEERS VERSUS VISIONARIES ..... page 1009

What constitutes a *Seer*? The status of the visionary or semi-mystic. The source of his 'visions.' The Astral Light: its characteristics, its illusions, its dangers. Denizens of the astral world. The spiritual Seer and the Âkâśa. Why visionaries often mislead. Where the Masters of Wisdom live and why there. How one may distinguish between the Seer and the visionary. Two main tests of the true Teacher: universality of teaching, and inner virtue. Some visionaries of superior type. Why the Seer is a spiritual Teacher. The purpose of training and initiation. Minor initiations. Explanations of 'angels' and other 'visitants' from higher realms. Two authentic sources of knowledge available to the spiritual Teacher.

### CHAPTER XXXV

#### THE ESOTERIC SCHOOLS ..... page 1044

The age of the Mystery-Schools. The nature of the Atlantean Race. The Mystery-Schools as the seats of learning in ancient times. The degeneration of the Mystery-Schools. Initiated Roman Emperors. Training in chelaship. Prophetic writings depicting the approach of spiritual darkness: Second Epistle of Peter, *Vishnu-Purâna*, Hermetic writings. Cyclic appearances of Teachers or their Messengers. How the Teachers

of mankind work. The present existence of the Mystery-Schools. The Occult Succession or Hermetic Chain of Teachers. The stuff of which disciples are made.

CHAPTER XXXVI

POSTSCRIPT: SOME MISUNDERSTOOD TEACHINGS OF THE  
 MYSTERIES ..... *page* 1079

Mystery-Schools the foci of spiritual light. Intimate connexion between the cosmic cycles and man's life on Earth. The story of Jesus a mystery-tale. Interpretation of the story of Jesus' entering Jerusalem on an ass and the foal of an ass. Meaning of the Epiphany. When did Jesus really live? The aureole, nimbus, aura, etc. Christianity a syncretistic system. Early identity of Jesus with the 'Sol Invictus.' Ancient customs and beliefs in regard to the Winter-Solstice festival. Interpretation of the dogma of the Virgin Birth. Significance of the legend of the Three Magi.
