HICKSVILLE NIGHT COMING UP:

Last Week to Purchase Tickets, Cast Votes For Baseball Queen

BROOKLYN—Coronation at Ebbets Field home plate, with an audience of tens of thousands, is scheduled for the Hicksville Night Baseball Queen on Monday night, June 30, just before the game that evening between the Dodgers and Philadelphia. Purchasers of reserved seat tickets for Hicksville Night are voting for the local Baseball Queen. The local sale of tickets will close on Friday, June 27, the committee warns.

All mid-island girls over 16 are eligible for nomination as the Baseball Queen for Hicksville Night, chairman Lou Smith said today. Entries are made by submitting a clear photograph of some vital statistics to the Herald office, 98 North Broadway, Hicksville. Pictures of all entrants are being posted in the Herald window and many will be printed in next week's issue.

GUEST OF HONOR

Each ticket purchaser is entitled to a ballot worth ten votes for the Baseball Queen who will be escorted to the game on June 30, provided with a special reserved seat right next to the Dodger dugout and be honored in special home plate ceremonies.

Among the initial entries are Helen E. Mayers, 36 Island St., Plainview, who has red-gold hair. She likes swimming, baseball, ten-

nis and dancing. Also Arlene Rogers of 220 Park Ave., Hicksville, an ardent Dodger fan who also likes swimming and dancing. Also Jean Bader, Grace Cirocco and Barbara Higgins who have not submitted photographs as yet.

The push is on for tickets. Smith said yesterday, and those who don't want to be disappointed are urged to get theirs without delay. Tickets are available from committee members of Hicksville Kiwanis, Jay Schwartz; Lions, Louis Millevolte; PBC, Harold Manassie; Jericho firemen, Harry Stewart; Plainview firemen, Edmund Ocker; Bethpage Kiwanis, Paul Wilson; Rotary, Wes Giese and Jim Goris. Also at Boslet's, 13 Herzog Pl., and the Herald, 98 North Broadway.

ARLENE ROGERS of 220 Park Ave., Hicksville, is among the first entries for the Baseball Queen of Hicksville Night at Ebbets Field on June 30. She is five feet, one inch tall. Sixteen years of age, her hobbies include swimming, dancing and Those Dodgers.

Levittown Gets Own P O July 1; No Postal Boundary Changes

The importance of correctly stating mailing addresses on correspondence to the Levittown section of Hicksville will be greatly increased on and after July 1, it was stressed today, when the new Levittown Post Office is established. Boundaries between the new postal district and the Hicksville district, established by the Post Office Dept. on Oct. 3, 1951, will be the Oyster Bay-Hempstead Township line, authorities said, and no change is contemplated.

The Hicksville Post Office, with a branch office on Hempstead Tpke., has been serving the entire Hicksville-Levittown section. After July 1, there will be 84 mail carriers of the Hicksville office assigned to the new Levittown office and 19 carriers for Hicksville, in addition to parcel post drivers and other personnel.

The present branch office on the Tpke. will become the new Levittown Post Office, referred to in a (Continued on Page 4)

Graduations Mark Start Of Summer Vacations

It is graduation time and the end of the school term for thousands of mid-island boys and girls this week. The Herald today is featuring two pages of news about local graduates and students at colleges and universities.

Highlighting the local programs is the annual Hicksville High School

commencement this Sunday afternoon, June 22, on the high school grounds (See story on page 14).

Jericho School holds graduation exercises tonight (Thursday) in the school auditorium at 8 p.m. Classes will be dismissed for the summer vacation tomorrow (Friday) after the morning session.

Bethpage commencement exercises are set for 8:30 p.m. tomorrow (Friday) at the Broadway School auditorium with diploma presentations by Frederick Kramer, school board president. Arleen Lueck is salutatorian and Rosalie Walsh, valedictorian. Classes will be dismissed for the summer recess tomorrow (Friday) morning.

St. Ignatius School of Hicksville holds graduation exercises on Sunday, June 22, in the church at 8 p.m. Rev. Father Raymond Leonard will be guest speaker at the ceremonies.

CHECK FOR \$3,650, representing prompt payment for damages to the new Dutch Lane Elementary School in Hicksville in the big storm of June 9, was handed by Henry G. Eisemann (seated, at right) of Seaman and Eisemann, Inc., to Henry C. Bregel, president of the Hicksville Board of Education, Friday, June 13. The claim payment was speeded thru, Eisemann explained, so that there would be as little delay as possible, in the completion of vitally needed schools here. Present for the ceremony, standing left to right, were Michael Sullivan, attorney for school district; Arthur DeVine, field manager of The Home Insurance Co.; and Allen S. Carpenter, School Board member. The hurricane winds ripped off sections of the incomplete roof covering on the school building at Hempstead Ave. (Dutch Ln.), and Levittown Pkway. Bregel said this week that the damage could set the project back "two or three weeks", according to the contractors. (Herald photo by Charbonnet).

Vote On Tuesday For New School

HICKSVILLE—More than 2,000 persons are qualified to vote next Tuesday, June 22, between the hours of 4 and 9 p.m. at the high school auditorium upon the question of appropriating a million dollars for a new 20-room elementary school in the north east section of the district. The building will be known as the Woodland Ave. School, planned for the rapidly developing area which includes the Hicksville Downs, Woodbury Gardens, Hillside Terrace and other home projects.

Support for the project was urged this week again by Henry C. Bregel, president of the Board of Education, when he officiated at cornerstone laying ceremonies for the new Fork Lane and Burns Ave. elementary schools, expected to be ready for the fall term, on Tuesday morning.

Dear Jean:

There is a gentleman on Arcadia Lane, Hicksville, who has a garden measuring 15 inches by 60 feet, wherein he is very tenderly nursing some hydrangeas. This project has been unanimously lauded by his concerned neighbors as "THE MOAT." At this point his ability as a horticulturist is in some doubt because last year he had all the flowers facing the wrong way. But the "boys" are hoping, for the honor of the neighborhood, that all goes well with "THE MOAT" this year. . . .

Expecting the worse, in view of gloomy forecast, Hicksville firemen stood by on Tuesday night until 11 P.M. in case of calls. Co. No. 2 with WHITEY DYKEMAN in charge did answer a silent call for a live wire down at North B'way and Bethpage Rd. . . . The first eastbound train thru Hicksville rolled by about 11 o'clock, Tuesday night, with about 3 paying passengers aboard. A westbound train went thru about 7 P.M. the same evening. . . .

There have been 160 baptisms at the rectory of Holy Family R. C. Parish during the first eight months since the parish was established. The temporary rectory is at 2 Crocus Lane, Levittown. . . . We are pleased to see that parking meter spaces have been marked out on Hicksville business streets, once again. Incidentally, meter receipts average over \$300 weekly with almost \$400 reached the Memorial Day week. . . . JERRY KIESEL who has been handling the money order window at Hicksville Post Office is scheduled to become assistant postmaster at the new Levittown PO, after July 1. . . . HECTOR, the office cat, says after studying the results of the recent school election "Maybe now Toni is home permanently?" . . . The Newbridge Rd. Levitt pool, in Hicksville, finally got opened for business this week. . . . In case you wondered, that phone number given out last week by Levitt & Sons to those who wanted to know when the pool would open was the number of C. C. MILLER. . . . There was a very impressive ceremony at the Hicksville Hebrew Temple, Sunday evening, with the presentation of the Scroll. We hope to have a complete report in our next issue. . . . Rotarians protested their recent softball game (?) with LI Nationals, claiming it was called with the bases loaded and the score favoring the bankers, 20-10. They want another game on June 23. . . .

PHIL ILLMAN'S Town and Country Apparel Shop has installed air conditioning. . . . Exterior work on old HUETTNER Store is moving ahead this week and HOLDEN'S expects to be established in new store next to VINCE BRAUN'S about July 1. It will double their floor space. We hear camera shop will be another of the five occupants. . . . Telephone cable conduits were being placed along Woodbury Rd. from Hicksville out towards Plainview, this week. . . . Hicksville Firemen led by CHIEF ED SCHLUTER are planning a big appearance at Greenport on June 28 for the first tournament of the season—the Southern New York season. They will leave by bus and fire truck from the firehouse here at 6 in the morning. . . . The Automobile Club of New York wants no-parking regulations in New York City suspended until LIRR strike is settled. . . . Quietest spot in town, Monday and Tuesday mornings, was the normally busy, busy Hicksville RR station. Parking fields in the area looked as they do on Sundays. . . . Firetrucks now have to go along the south side of the LIRR tracks to reach alarms of fire down John St., past the "big hole." The ramps had to use that route for a grass fire on Cantigue Rd. near Press Wireless on June 8. . . . JESSE MERRITT, county historian, has just returned from a trip to Europe with MRS. MERRITT. Watch for dedication of a new marker at the historic Cantigue Rock most any day now. . . . Twinlawn Civic Assoc. of Hicksville will have its annual Block Party on July 3. . . . MRS. ELIZABETH CREUTZ of Hicksville, member of the North Shore Cerebral Palsy Assoc. auxiliary, is retiring as second vice president of the county CP council of auxiliaries, representing 14 Nassau villages. . . . EDWARD ROBINSON, assistant County DA, was scheduled to speak at the Hicksville Republican club meeting last Friday night. . . .

Woman, 2 Kids Hurt In Crash

HICKSVILLE — Mrs. Nerdie Traidman and two children of 268 W. Nicholas St. were hurt when the 1951 Dodge she was driving hit a tree on W. Nicholas St., east of Morgan St. on June 18. Mrs. Traidman was taken to Meadowbrook Hospital in an ambulance suffering laceration of the

nose and mouth and abrasions of the left knee.

Ronnie Traidman, 7, was taken to the hospital suffering hematoma of the head and 3-year-old Michael Traidman suffered a possible fractured neck.

NORTH WEST NOTES:

Oyster Bay Motorcade Tonight

By James Cummings

All members of the North West Civic Assoc. are urged to join our motorcade to Oyster Bay Town Hall tonight (Thursday) to protest the plea by Press Wireless for installation of 8 more poles. By this time you will have received a circular which was distributed through the entire development reminding you in good time of this hearing which is scheduled for 7:30 p.m. in the Justice Courtroom at Oyster Bay Town Hall.

Car pools are being formed. If you don't have a car go with your neighbor. We will leave at 7 p.m. from Kuhl Ave., and West John St., at Sunnyside Shopping Center—be on time!

On a tour of Press wireless, Monday evening, John Finnegan, Arthur Woods and your reporter already noted several poles laying around—you may form your own conclusions. Let us show this to the appeals Board in strength our objections to requests of Press Wireless. This will be an oppor-

tunity for people of Kuhl Ave., to stand up and voice their opinions together with the rest of the residents. Take the time to attend, it will be well worth your while.

If the present situation continues the area will be cluttered with high poles and antennas, carrying high voltage, making more and more impossible for proper TV and radio reception interferences.

According to a report, Sylvania Electric Corp is planning to do additional building on its properties; however, at hearing on their variance they assured all present that the only changes would be to make the area "attractive". This is probably the way Press Wireless started operations. With more and more industry in this residential area, the value of our property will decrease. Its up to you the home owner to prevent this from happening—ATTEND TONIGHT!

A VOTE OF THANKS

The entertainment committee responsible for Saturday evening's dance deserves a vote of thanks for a job well done. Although not a financial success, such as May 2nd, everyone who attended is still talking about the wonderful time they had all evening. The committee worked only four weeks on this particular affair, giving many evenings to make the necessary arrangements.

The very active committee consisted of John Finnegan, 62 Kuhl Ave; Arthur Wood, 64 Kuhl Ave; Bernard Gill, 55 Gardner Ave; Harold Gregory, 73 Gardner Ave. A door prize of a bottle of scotch

was donated by Herbert Johnson of 87 Myers Ave. And was won by Mrs. Harold Gregory of 73 Gardner Ave. Joseph McNamara entertained us with some fine Irish songs, followed by Bernard Gill, Sr. who also did a fine job. Bernard Gill of the entertainment committee was responsible once again for a very fine donation of 250 frankfurters.

BETWEEN ISSUES we noted one for the books during the recent thunderstorm with wires falling, trees uprooted, floods etc. Jack Brandt, Highway Supt, took refuge in his car to hear the rest of the Dodger game. . . . A promise for starting road work in our development will probably have to wait until the series is over—but not if we the residents have anything to say about it. . . . We carry a tremendous vote power here in NW Hicksville and all the politicians know it. Let's remember these items and come another election put in a candidate from our own area. We have men of excellent caliber who certainly could do a much better job. Mr. Brandt has let us down—let's do something about it now! Do we as taxpayers have to take this kind of runaround?—You bet your life we don't! These roads are a disgrace to our community.

PICNIC SUNDAY

All good Hicksville people interested are invited to take part in a community picnic this Sunday, June 22, at Bethpage State Park. We'll leave from in front of the Post Office at 9 a.m. Bring along your box lunch and the kids. No tickets, no charges.

When the radicals quit finding fault with our country it won't be fit to live in.

Too many folks demand public improvements and lower taxes in the same breath.

The best way to exhibit your religion is through your life.

POST OFFICE

(Continued from page 1)

recent postal bulletin as a "4th class office", with C. Harry Erb of 70 Bucket Lane, Levittown, as the acting postmaster pending confirmation of his appointment by the Senate. He has been recommended by Rene A. Carreau, Nassau County Democratic leader and the Democratic committee.

William G. Mollitor continues as postmaster of the Hicksville Post Office.

Establishment of the new office is providing Hicksville PO officials with a multitude of problems in the distribution of personnel and equipment between the two offices previously served by the one office.

Until the changover takes place, all mail for the Levittown area (correctly Hicksville Post Office address) has been coming to the Hicksville office on North Broadway where it is routed. After July 1, mail for Levittown will be shipped directly to that office, taking considerable strain off the crowded facilities at the Hicksville office.

STRIKE HEADACHES

The Post Office had additional problems last Monday and Tuesday, with the LIRR strike. While normally 65 pouches of first class mail come into Hicksville by train each day, the office received only six sacks by truck on Monday and 16 on Tuesday. Recently established truck service for parcel post with three trips daily from and too Long Island City proved a tremendous asset, officials say, since the first class matter was added to the truck loads.

Regarding the new Levittown PO, after July 1, persons who insist upon using "Levittown" as their address when it should be "Hicksville" will find their mail going to the new office where it may be returned to the sender as incorrectly addressed or will be delayed until it is re-routed to the correct office.

Erb, who will be 37 in August, is married and the father of three children. He stepped down last month as Levittown Democratic leader and is still serving as a committeeman from his election district. He is one of the earliest residents of the section.

AmVets Auxiliary

Hi Lites

Hi Folks, this is your appointed informer. Opps . . . Sorry I meant they twisted my arm to do it. (Hope that you can put up with my feeble attempts at humor). Well, the ladies have had their election with Virginia Ulmer, Louise DeWitt, Emma Maxey and Elaine Grzechowski emerging as winners in the following order. President, Vice President, Treasurer and Secretary.

The following officers were appointed, Ellen Swiecki, Chairman Ways & Means; Henrietta Aracil, Hospital Chairman; Grace Dodge, Historian; Peggy Hattenbach, Sergeant-at-Arms; Trudy Ulmer, Liaison Officer and Ruth Maxey, Chaplain. Many things were discussed at the meeting, amongst them a Bazaar. It should be lots of fun. Let's get together boys and girls and have a good time putting this over big. I hear that the girls in Plainview are forming an Auxiliary to Post 11 out there. Florence Myrick, a former member of Auxiliary 44, is acting as temporary President. Good luck Flo, we know you can do a good job. You've got the "get up and go" for it. Also congratulations in order to Thomas Payne newly installed Commander of Post 11.

Good news teenagers . . . the Amvets and Auxiliary members of Post 44 are working on plans for a bi-monthly or weekly dance session at their club house that will cost you no more than a trip to the movies. Let's know what you think of the idea. Personally I think its great. Friday evening, June 14, at the clubhouse, the Ladies held their first Square Dance with Al Lehman doing the calling. Speaking frankly, there wasn't too big a crowd, but those that came for the first dance had a wonderful time. Watch this column for future Square Dances given by the ladies. The card party on Friday, 13th (brrrr), held at my home on Cherry St., went very well. That is all the news that I can write for this week, watch for more interesting news under this title.

VACATION CLUB FOR YOUNGSTERS:

Join Circus At Public Library

HICKSVILLE—The Big Top Read For Fun Club, the vacation reading club for young people, will open Monday, July 7th, at 10 A.M. at Hicksville Free Public Library and will continue through August. All boys and girls in the community, 8 through 13 years of age, are cordially invited to join in the fun. The Library is at 169 Jerusalem Ave., corner of Second St.

Registration for the Reading Club and the other activities will be held during library hours beginning Monday, June 23, and extending through July 31. Upon registering for the Reading Club each member will have a clown card, bearing his or her name, put on the bulletin board, and a colored dot will be added to his costume for each book read. The members will also be given booklets in which to list the books they have read. Each member will be required to read at least 10 books during the summer in order to earn a reading diploma which will be awarded at the big final program some Saturday in September. Five of the ten books must be about animals or the circus.

OPEN "BIG TOP"

About June 23, the Young People's Room will become the "Big Top". Around the walls there will be a gay and colorful procession of animals, clowns, acrobats, and trapeze artists — all artistically created by Miss Katherine Sarli of the Library Staff. For anyone who hasn't visited the Young People's Room, always a gay and inviting room in a separate building from the adult library, be sure to visit the Room this summer. For boys and girls 4 through 7 years of age, there will be a "Little Tent" Story Hour on Tuesday afternoons from 3 to 4 P.M., beginning July 8. In addition to the stories, there will be games. Upon registering for the Story Hour, each boy and

girl will have a clown card, bearing his or her name, put on the bulletin board, and for each Story Hour that he or she attends, a colored dot will be added to the clown's costume. The boys and girls will receive their clowns at the final program in September.

ACT OUT FAIRY TALES

Have you ever wanted to act out a fairy tale, perhaps your favorite one? If you have, register for the Summer Dramatics Club, for boys and girls, 7 through 10 years of age. This group, under the direction of Mrs. Louis Esser, will meet Wednesday afternoons, during July and August, from 3 to 4 P.M. The first meeting will be July 9. If there are enough boys and girls desiring to belong to this Club, there may be another group meeting Thursday afternoons. During the summer, the Club will work towards the presentation of an entertainment at the final program in September.

Remember how much fun many of you had at the painting classes during previous summers? The Library is very pleased to announce that Madame Emmy Lichtwitz-Krasoo, who is affiliated with the Parson's School of Design in New York City, will conduct, again this summer, a painting class for boys and girls, 6 through 13 years of age, on four successive Fridays: July 11, 18, 25, and Aug. 1. A charge of \$1.00 is made for supplies used by each child. One class will be held at 10:30 A.M. If a

large number desire to attend the class, there will be another class at 2:30 P.M., the same Fridays.

Registration for the clubs and other activities is open to all who hold library cards, or to all who are eligible for a card. Cards are free to all children who live in Hicksville School District 17 and who attend school here. Parents, who have library cards, may register their pre-school children for the Story Hour.

Remember these dates: June 23 to July 31 for REGISTRATION. Activities begin the week of July 7 and last through August. The date for the big program in September will be announced later on in the summer.

See you at the "Big Top" (Young People's Room at your library)! It will be fun for everyone!

Facts from Cornell

MOVING TIME

With Decoration Day past, this is a good time to move blooming plants outdoors for the summer. Also now it is safe for upstate New Yorkers to seed and transplant outdoor tender annuals, according to E. F. Schaufler of Cornell's floriculture department.

Tender annuals sown outdoors now will bring color and cut flowers in late summer when many perennials are out of bloom. Sun lovers such as zinnias and marigolds, seeded now take only six to eight weeks to be in bloom.

Many started tender annuals can be used if window boxes, porch boxes, and urns get four to five hours of sunlight a day. Dwarf marigolds, hillpot zinnias and the edging plants of sweet alyssum are good for the front row of the window box. Vinca can usually add to the arrangement of materials in your window box. The variegated vinca is one commonly used. Vari-

Rose Zadrozny Wed. Sunday

Mrs. Rose Zadrozny, daughter of the late Mrs. Adam Zadrozny of 26 Halls Pl., Hicksville, became the bride of Michael Kashovsky of Bayside, nephew of Mr. and Mrs. Arupa of Plainview, Sunday, June 15, at St. Ignace Church, Hicksville, at 4:30 p.m. The Rev. Lawrence Bailweg officiated.

The bride wore a princess style gown of white satin trimmed with white sequins. Her fingertip veil fell from a tiara of orange blossoms. She carried a cascade bouquet of white roses and lilies of the valley.

Mrs. Mary Tekien of Williston Park, sister of the bride, was the matron of honor. She wore a gown of blue nylon and a blue tiara. She carried yellow roses.

Stanley Zadrozny, nephew of the bride, was the ring bearer.

Marilyn Tekien, niece of the bride, was the flower girl. She wore a pink nylon gown and a pink tiara. She carried an old fashioned bouquet of pink roses.

Walter Tekien of Williston Park was the best man.

A reception for 45 guests was held at the Hicksville V.F.W. Hall.

After a honeymoon to New Hampshire, the newlyweds will reside in Bayside.

The Ketchum Club of the First Reformed Church on Jerusalem Ave., Hicksville, is sponsoring a strawberry festival which will be held on Tuesday, June 24 from 7:30 to 9:00 p.m. A free will offering will be taken. Everyone is cordially invited to attend.

ations in the leaf coloring of the wandering Jew are also good. Mistle vine plants may be used to advantage too.

Behind the low edging materials go the main plants of the box, such as geraniums. There are variations available such as the large blooming Martha Washington or the variegated leaf geranium. Petunias growing to a foot or more make a good show throughout the summer if forming seed pods are removed every few days. Flowering begonias are also a good possibility. If there's a sunny exposure, various leaf colorations and forms of coleus will make a good show of color. These need pinching to form bushy plants but are unsurpassed as an attractive window box plant for foliage show.

Very showy tuberous-rooted begonias can be used in shaded boxes. They will do well if a good soil high in organic matter can be provided for them.

Another very good annual for shady boxes is torenia, or washbone plant. It has small purple blue flowers and if seed pods are kept from forming it makes a bushy plant that stays covered with bloom all summer long.

Schaufler has some suggestions about buying plants. He says to look for stocky established plants with fairly dark green foliage. These plants have generally been "hardened off" or have spent several weeks in cold frames where they've had a chance to become accustomed to outdoor temperatures, especially at night. They can stand a degree or two below freezing without ill effects.

BRIAR PARK, PLAINVIEW:

Our First Trip To Town Beach

By Ethel Rooney
HI-5324

Hello Folks:

How did the big wind affect your television sets? My antenna is still up there, and doesn't seem to be out of shape of anything, but since they turned our electricity back on, the picture just hasn't been normal. I've heard the same complaint from most of my neighbors here on Virginia Ave. Speaking of electricity, were you prepared for the 23 hour blackout?

Ever since we moved out here I've been planning to get some kerosene lamps. I still haven't done it. If Vera Lasterbach hadn't had a good supply of candles, we would have had only flashlight. Fortunately, the evening was bright and so was the morning, so all we had to do was go to bed early. That was an odd sensation. It isn't very often that we do get into bed that early, but once daylight was gone, we couldn't very well do anything else.

We've got house guests. Jim's brother, Ray Rooney, has been out for the weekend and his sister, Margaret Rooney, is staying all week. She'll be baby-sitting in the early evening while Jim takes me out for driving lessons. One of these years, I'll get a license too, but I'm in not too big a rush. Jim's an obliging chauffeur.

I spoke to Norman Riley about the roads this week. As President of the Briar Park Home Owners Assoc., he has been after John R. Brandt, Highway Superintendent, for a date when our roads will be put into good condition. We have been promised that, barring any exceptionally bad weather, the highwaymen will be working on our roads this month and they should be completed before the end of June. This will include the roads down below Briar Park, too. I'm glad of that because theirs are almost as bad as ours.

We went to the beach for the first time last week-end. Don't forget that as residents of the Township of Oyster Bay, there are a number of beaches you are entitled to use free of charge. All you have to do is present your car registration at the gate and they will give you a sticker for your windshield. Outsiders were paying \$1.00 for parking when we were there and if you go often, that can come into a nice savings.

On Nassau Ave., last evening we had to stop our car so that a youngster could complete his home run. It looked like a Father and Son game. There was certainly a generous mixture of youngsters and not-so-youngsters and they seemed to be having a grand time. It made me feel nice about living in the country. They couldn't have played like that in New York City and I'm sure not many cars would have stopped for their home run, yet here it was the automatic thing to do.

NEIGHBOR DOWLING VIEWS NEWS:

Time To Act On Playgrounds

By John C. Dowling

Among the many glaringly absent civic conveniences in Plainview is the lack of adequate playground and park facilities. This fact was sharply pointed up to me over this past weekend when, while leisurely strolling through town I stopped to take in a ball game between the youngsters and oldsters on Nassau Avenue.

Needless to say the young fry appeared to be having a comparatively easy time of it. This is probably due to the topographical experience they've acquired through months of playing in the roads. It's pretty tough to field a ground ball or chase a fly over hillocks, depressions and between parked cars unless you're well-versed in the lay of the land. It would be so much easier and of inestimable benefit, too, if our youngsters and their parents had

modern day recreational facilities.

Who knows? We might have another "Incomparable Babe" or Christy Mathewson in our midst. One obvious and simple way to find out is to give the kids a chance to develop their athletic skills. Dad, I presume, would also appreciate an occasional opportunity to get out and show junior how he used to pitch for the Winssocki Bulldogs.

Foundation of the proper recreational facilities envisages a great many advantageous things for Plainview's future athletes and for Plainview itself. Track meets, field days, the formulation of a youngsters' softball league sponsored by the residents, institution of a softball league for the interested men-folk and captions other community events are all possible with a minimum of expense and danger to the children if the proper play areas or areas are established. In fact, a modern version of the "ole swimmin' hole" might be incorporated in the overall plan.

That Plainview's civic leaders are aware of the urgency of creating

a park area is evidenced by their recent visit to the Oyster Bay town hall. At that time they were told that a petition would have to be signed by the residents before action was taken. This column has information that this petition will soon be circulated among the residents for signature. If you want an area set aside for the construction of adequate playground facilities for your children and yourself, sign it. If you don't approve, and this writer feels that there will be few, if any, who will reject the idea of recreational facilities, then you can expect to see your children attempting to play in the streets.

Another factor to consider if you're hesitant about signing is the recent announcement that an additional 14 farms covering approximately 500 acres have been purchased by a builder for the construction of small homes in Plainview. If we expect to have a playground facility we must take the necessary steps before there isn't any land left to appropriate for that purpose.

DOWLING

Need Volunteers For CD Wardens

PLAINVIEW — The need has arisen in this area to expand Civil Defense activities, specifically in the Air Raid Warden section. At present there are approximately ten or fifteen wardens, whereas the area need one warden for every ten houses — roughly one hundred wardens.

The only way these needs can be satisfied is through volunteers from the residents of Plainview, both men and women. We must remember one thing. We are helping to safeguard our neighbors and our own families as well.

"There will be a special Civil Defense meeting held in the Plainview area with the time and place will be announced at a later date. Even if you are not interested in becoming a warden, attendance at this meeting will help acquaint you with our work." Robert McDonald, Sector Chief, said today.

Final Assembly For Plainview

PLAINVIEW — A final assembly marked the close of school for the summer at the Mannetto Hill School Tuesday, June 17. Certificates of promotion were presented by the P-T-A to the sixth grade and attend Oyster Bay Junior High School in the fall.

"The Life of Stephen Foster" was presented by the third grade pupils. Robert Gleason was Stephen Foster; Robert Eatz, his father; Rhoda Koerner, his mother; and Patricia Large, Jane McDowell.

Classes will be dismissed for the summer tomorrow (Friday) after the morning session.

WHAT'S YOUR PROBLEM? — Disposing Of Some Rocks

The HERALD will attempt to provide the answer to any local civic question from its readers if they will write PO Box 85, Hicksville, or telephone Hicksville 3-1400. Typical questions will be published from time to time.

QUES.: I have a box of rocks and stones I raked up in my yard. The garbage man won't take it away. What can I do with it? —Levittown.

Ans.: You can dig a small pit in your flower bed, drop in the stones and cover again with soil. There are no public dumps in this area. However, the county public works dept. right now might appreciate a box of stones to help fill up that big hole on W. John St., Hicksville.

QUES.: I am 13 years old and want to get a job for the summer. Do I need working papers? —HS pupil, Bethpage.

Ans.: Minors from 14 to 18 years of age must obtain working papers to work legally. Your school principal has full information. Under the law, no child under 14 may work except on the home farm under the supervision of parent or guardian. Children 14 and 15 must obtain farm work permits before they may be hired to aid farmers during vacation months. Vacation work permits are issued to 14 and 15 year old minors who seek work in non-agricultural occupations. No child under 16 may work in a factory and teen-agers under 18 who seek factory employment must be equipped with standard employment certificates. Teen-agers must

A "THANK YOU" TO OUR CLIENTS FOR YOUR PATIENCE

Every day since the big storm of Monday, June 9th, 1952, we've become more and more appreciative of the helpful cooperation of all of you who suffered property damage.

Perhaps you do not yet realize that this particular storm created a greater number of Insurance Claims in the area served by this office than any other single catastrophe in our insurance history.

In an attempt to handle the multitude of claims being reported—as expeditiously and efficiently as is humanly possible—a special catastrophe loss department has been established at this office. This department is composed of highly trained, experienced insurance adjustors who will process all reported claims at the earliest possible date.

As an indication of the efficient and expeditious operations of this special loss department, we are pleased to announce that on Friday, June 13th, 1952, the first checks in settlement of some of these losses were turned over to our insureds. To those of you whose losses have not yet been settled may we express our appreciation for your cooperation and patience.

It is our intention to have all losses adjusted and paid at the very earliest possible date.

JULY 2-3

**Hicksville
E. Norwich**

**Syosset

NATURAL GAS will be turned into the gas mains in the area covered by the above map on the dates shown.

ABOUT TWO WEEKS IN ADVANCE of conversion, easy-to-follow instructions will be mailed to your home. About a week later a letter will be sent you, by first class mail, telling you exactly when you will receive natural gas. It is VERY IMPORTANT THAT YOU READ AND FOLLOW THESE INSTRUCTIONS.

PLEASE MAKE ARRANGEMENTS to have a member of your household at home to admit the adjuster — or leave a key with a neighbor. The adjuster will carry an identification card and will make all adjustments free of charge.

IF FOR ANY REASON you will be unable to arrange for the admission of the adjuster, please notify the company by telephone at the special number shown below.

SORRY . . . BUT because of the large number of visits we cannot make appointments for specified times.

IF THE ADJUSTER CANNOT GET IN it will be necessary to shut off the gas outside the building for your protection.

BECAUSE IT TAKES TWO FULL DAYS to complete the changeover of all customers in your district, some will be inconvenienced by having to wait longer than others. Even with our large crews, such a situation is unav avoidable; but we assure you everything will be done to hold this inconvenience to a minimum . . . and AT NO TIME WILL YOU BE WITHOUT GAS FOR COOKING.

Amvets Alley

Robt. O. Ulmer Post 44

25 East Marie St., Hicksville

"OUT OF THE FOXBOLE" . . . A Question often asked is: Why have another veterans' organization—why not join one of those already in existence? There are many answers—all logical.

One is that history is repeating itself. Every war, from the Indian wars to World War I, has produced its own organization. An organization limited to World War II veterans was thus inevitable. AMVETS is that organization and the evidence lies in its charter from Congress as such. Some people accepting this fact, have nevertheless sought to belittle us on the basis of size, citing comparative figures of older groups. Let's consider the facts of that argument.

The World War I group had no immediate competitor in the field with similar eligibility requirements after the first World War. Had the Spanish-American veterans opened their ranks, there would doubtless still have been a Legion or its equivalent organized. Yet three years—three years before World War II ended (and that's two years before AMVETS was organized) membership in the World War I groups was available to the younger veterans. This substantial head-start from the point of view of time was further buttressed by extensive gift memberships, "an attitude of 'What's good enough for Dad is good enough for me'", and the normal hope that such membership would be an economic aid in getting readjusted to civilian life. Yet despite all these competitive elements, AMVETS today is solidly organized, recognized and well on its way to potential domination of the field. Occasionally, you'll hear a person say that AMVETS aren't any different from the others—that our aims are the same. The facts alone refute this nonsense.

It's undeniably true that our programs, particularly in our desire to help all veterans and especially the disabled, have a similar pattern, otherwise no veterans' group would have a reason for existence as such. But the major difference—the one that daily attracts more and more veterans—is the completely unbossed, the totally democratic operation of AMVETS from post to national levels. Every action, every decision is reached by majority vote of the grass roots. No hierarchy runs our outfit. No one

ruling caste can tell us they know best and commit us to a given course. Your average veteran joins an organization for two major reasons: his own personal ambitions (and there's nothing reprehensible about that) and also to protect his rights and have an organized voice to represent him in high places. On this latter score, the veteran of World War II hasn't felt a very pressing need—actually it is just beginning. He has been the recipient of many benefits from a grateful government and a grateful people. The GI schooling program is still benefiting veterans. The 52-20 program has only expired in recent years. State Bonuses have come to him in many areas. Terminal leave pay corrected one glaring injustice. GI Insurance dividends have yielded veterans an unexpected windfall—out of their own foresight. Housing aids are still available and are being used. None of these things was available to the World War I vet. It's true the older veteran got a bonus but that came many years after the close of the war and only with a major economic depression.

He does receive pensions, government insurance, and is participating in some state bonuses, at this late date, with World War II veterans. The War II veteran rightfully expects a similar adjusted service compensation but it will take the combined strength of them all to secure it in the light of what has gone before. Inevitably, Congress will decide before long that the nation's economy cannot stand further new benefits for the able-bodied. Already, the President regards the veterans' program as complete in itself. Sooner or later, the reversal sets in. Memories are short and gratitude does not last forever. As this condition develops injustices will surely result—injustices and basic revisions of laws which must be tailored to fit the needs of equity and fair play. Veterans of World War II, plus those presently on duty seeking full expression of their opinions and desires, know they can find it only in their OWN congressionally chartered organization—AMVETS.

We are not trying to "un-sell" any veteran on an organization with which he may be affiliated now. There is room for all of us. We do want every veteran to be a member of at least one major organization. And this article has sought, briefly, to answer the one question:

"Why AMVETS?"

Thanks, Prentice L. Smith.

The Ida S. Latz Foundation was created during her lifetime in order to aid disabled veterans over and above government benefits. It serves all disabled vets through the Jewish War Veterans and Veterans Administration Social Service Division. This program is still in the experimental stage and therefore there are no rigidly defined requirements at this time. The program is non sectarian, funds will be used for assistance to WW II and Korean vets. There are several methods of referring requests for assistance. If you contact our Post Service Officer, SID JUNG-MAN of 174 Fifth St., full information will be given.

Had the honor of having dinner with Senator Irving M. Ives of New York at Swan Lake on June 7 where he addressed the convention. For a Republican, this Democrat thinks the Senator's one regular fellow.

Finally, "Play Ball, America", has taken shape. We are proud of this project. Give a pint of blood—See a big league baseball game by cooperation of the Red Cross and Department of Defense. Watch for correspondence between Ford Frick, Baseball Commissioner, and President Truman. Play Ball, America—Pledge a Pint—Save a Life.

Special elections were held Thursday, June 12. Seymour Lang, Sr., vice-commander; Sam Mosez, Jr., vice-commander; and Milton Halpern, our post trustee, was elected to the office of judge advocate. Sid Kaplan, commander, is getting the cream of the crop in these men along with the appointment of a membership committee. Stanley A. Muller of 288 Old Country Rd. and Teddy Alper of 9 Audrey Ave., Plainview. Watch our membership grow!

Hicksville Post No. 655 Jewish War Veterans

Arthur Chanin of 16 Violet Ave., our past quartermaster, sure let the fish bug get him. I could understand myself, who also likes to fish get out and buy a new rod and reel once in a while, but what does Art do? He wants everyone to get into the act. Yes, Arthur's new venture, a tackle store. As one vet to another, would you give a vet a discount on a good rod? Good luck, Arthur.

The girls of JWV Post 655 will hold a rummage sale today and tomorrow (Thursday and Friday) at 82 North Broadway (near the post office) to raise funds for their visits to Mitchell Field Hospital and Northport Hospital. Emily Elmer, sr. vice-president, is chairman of the sale and says there will be no over-head as the entire proceeds will go to service the vets at both the hospitals.

Ruth Stillman of 235 Blueberry La. tells me her new committee which will adopt six hospitalized children from St. Giles Hospital and will send them gifts on different occasions.

The Ladies' Auxiliary will mark its first birthday on June 24. Thank God for giving us the mothers, wives and sisters to form such a wonderful group. Keep up the good work.

Do you want to have some fun? Have you ever seen a green, lavender, blue or purple rose? How's it done? First plant a white rose, then with the use of common chemicals around the stalk, yes, it does the trick, wait until the first leaves appear, then dig a trench around the stalk some six inches around and clear down below the roots 4 inches. Then put some pure food color or any other colored powdered material that is soluble in water such as ultra marine blue and cover with 2 inches of earth and keep repeating until hole is filled. Use only one color to one bush.

This Sunday We Go On Our Picnic

By Florence Vryn
LB 9-4497.

Now really, if this last week end didn't put you in the mood for a good picnic, you are just an old city cliff dweller. It was an awfully close vote but most of the people who called voted for Bethpage State Park. I think the fact that it is closer and we haven't had a picnic on this scale before made them feel that as a first time they would rather stay close to home. The only solution is to have another picnic in a month and we'll go to Sunken Meadow.

The picnic this Sunday, June 22, will start in two sections: one in the center of town in front of the Herald office at 9 o'clock sharp and the other on Rising Lane at 8:15 a.m. The committee is planning lots of fun, so join in and get to know your neighbors. If there are any questions call me at Le 9-6407.

You've discovered that the male half of the Vryn family is a garden enthusiast and I have been braving dirty looks and icy stares while I sit in the sun acquiring a sun tan. To keep my mind off the opposition I catch up on the maga-

sines and the one thing (off-thing?) that stops me are the tricky arrangements for centerpieces. If you want a real experts advice, though I know where to get it—Mildred Feigstein of 38 Thimble Lane is a whiz. She had a Stanley party last week, and that usually is pretty routine, but the gals oh'd and ah'd when they saw the pineapple and cherry mountain. Didn't stop them from eating it understand, but talking about kept them from keeping track of who ate what.

We have new neighbors over on Spindl Road. Mary and Corbit Wesenberg. They have come east from California and little Cory, who is three is a sun-kissed (no commercial) cutie. He'll, a German shepherd, and Binkie, a cat, round out the family. Hope you enjoy our community folks and if we can help just call.

In this age of coast to coast moving, it makes even so simple a thing as collecting immunization records pretty complicated. I thought I had a confusing time with a Texan and a New Jerseyite but Alice Saegar has an even more varied family. Jeanne who is ten and a half was born in Pennsylvania, Raymond who is eight and a Californian and now Randall Jay born on May 6 is a Long Islander. Alan and Alice are making their home at 26 Alpine Lane and we hope they will remain Long Islanders.

Nancy Roseberry of Admiral attended a tea last week given by Mrs. Walter Tolles. The Friends of the Library met the new librarian, Miss Helen Wheeler. Nancy said they all had a delightful time, and Miss Wheeler is a charming addition to our local scene.

Adelaide Katz is up to her eyebrows in preparations for Johnny's graduation from Hicksville High, this coming Sunday. She's having open house after the exercises and of course at times like these mommas go all out. Between Johnny's last minute rush and Adelaide's rushing around 43 Bobwhite Lane is a minute edition of the whirlwind we had last week.

Shirley Posner is still catching her breath after the houseful of company they had last week. The Posners have a new son Alan Richard, and all the family came to 37 Cable Lane to see the young man. He has a distinct advantage in starting out since he has an older brother to "show him the ropes". William is three and taking the whole thing with a man of the world attitude that befits one of his ancestors' status. Merrill Posner is a Maplewood, N. J., boy so as you might guess rates a special notice. The Posners lived in Westchester before they moved to Hicksville.

We are entertaining my mother-in-law for a few days. She just came in from Chicago to see that the eastern branch of the family is holding its own and to make up for any spoiling the grandchildren might have missed while she was gone. And do the kids lap it up! Betty has been on her best behaviour and even my demon child son had been on what for him might be considered "good conduct".

Mom likes our rose covered fences along Jerusalem Ave, and she thought the new Le Ave. school was just fine for her grandchildren. What better praise from a grandma can you get? We will now go investigate the local stores and the kids have their eyes on

some ice cream I know she will weaken and buy. While I am out, I must remember to get a good supply of castor oil, to be administered as soon as we wave bye bye to grandma.

Home Bureau Tea To Close Season

Achievement Day and a silver tea for the Hicksville Home Bureau will be held next Tuesday, June 24, at the Trinity Lutheran Church, W. Nicholas St., Hicksville, at 2 p.m.

Mrs. Ruth Karna, Nassau County Extension Service, Miss Adelaide Barts, formerly of the service, and Mrs. Irving Keough, sponsor, will be honored guests of the day.

Articles made by the members during the year will be on display. Refreshments will be served.

Mrs. Rosalie Rickerling will be installed as chairman of the Home Bureau. She was elected at the June 3 meeting which will be the last meeting until the fall. Her staff of officers are: Mrs. Betty Turcellino, vice-chairman; Mrs. Marguerite Knapp, secretary; and Mrs. Margot Hanson, treasurer.

Elect Schoenwald Liberal Official

Maurice L. Schoenwald of 15 Gull Rd., Hicksville, was elected vice-chairman of the Nassau County Liberal Party at a recent meeting. Professor James B. Kelley, head of the Department of Physics and Engineering of Hofstra College, was elected County Chairman.

The committee of officers met with the Hon. Ernest Greenwood to discuss the general attitudes of the Congressman on "basic Liberal Party principles." The Congressman stated that he would be pleased to have the Liberal Party endorsement if it were officially tendered to him.

NEW RADIO PROGRAM
HEMPSTEAD — "Long Island, Your Pleasure Island," will be the title of a new series of programs on WHLI (1100 kc), here at 2:45 p.m. which started on Tuesday. Program is given with cooperation of the L.I. Assoc.

About 200 children will take part in the review which will feature a ballet performance of Tschalkowsky's "Sleeping Beauty" in three acts. Sara Schmiedlin will dance the role of Princess Aurora and Albert Rofrano will dance the Prince Charming.

The first scene will be in a French cafe with various dance routines by youngsters of different age groups.

HONORED AT SHOWER
Mrs. Audrey Hunt was the guest of honor at a stork shower given by Betty Jean Norman and Anna Rockhill at the Rockhill home on June 6. The decorations were in pink and blue.

The guests were: Mrs. Anna Maggi, Mrs. Katherine Lally, Jean DeSoto, Margaret Shea, Lucille Miller, Angela Beninatti, Margaret Kilthau, Rosemary Mascola, Novice Griffin, Bessie Lackert, Marion Marrone, Georgianna Lahr, Gloria Schleich, Mary Glancy, Evelyn Jones, Raphael Canavacoe, Rose Moulton, Jane Salemi, Nancy Melone, Elizabeth Terry, Marjorie Minnes and Marilyn Schueler. Gifts were also received from Rosalie deMarco, Jean Williams, Katherine Callaghan, Margaret Brown, Dolores Doyle and Mary Quinn.

All the commuters were in a frenzy, Monday morning, looking for some means of transportation into the city as all trains were halted by the engineers' strike.

My apology to some of the Boy Scouts whose rank I seemed to juggle a bit last week. Promoted to the rank of Star Scout should have been Tommy Thompson, Henry Rockhill and Sal Greco, leader of the now famous Pine Tree Patrol. Pric was made a Lif Scout. Thanks for correcting me, Billy Steele.

edge they had acquired since entering the school.

New I've Seen Everything Dept.:
Friday morning as the 7:28 a.m. stopped at the station, I glanced out the car window just in time to see a harried male commuter duck and crawl under the train from the south side of the tracks. He stood up, adjusted his tie and boarded the train with much dignity. The conductor shook his head, muttered something about "how they make angels" and I went home to two more cups of coffee.

Recruits Hold Lawn Party

BETHPAGE — A lawn party was held by the Republican Recruits at the home of Miss Rose Maggio in North Bethpage Saturday, June 14. About 50 attended the affair. Refreshments were served and outdoor dancing enjoyed.

NAMED CHAIRMAN

Robert J. Glasser has been named village chairman of Bethpage in a \$50,000 Long Island-wide fund raising campaign for St. Vincent's Home for Boys in Brooklyn.

"This is the first direct personal appeal St. Vincent's has ever made to the public," Mr. Glasser said, "but our campaign will serve a far greater purpose than the mere raising of funds. In addition to seeking financial support for the home—which at all times houses upwards of 150 underprivileged boys from all parts of Long Island without regard to their racial or religious background—we want to bring closer together those people who have been supporters of St. Vincent's in the past."

OFF SOUTH BROADWAY Come Out For Picnic, Sunday

By Bunny Lauer
Hicksville 3-2794J

Had a very lovely time Friday night as a guest at the 10th anniversary birthday and fly-up party of Brownie Troop 2. The party was held at St. Stephen's Lutheran Church. Mabel Teubner and I went together and we met most of the members of the Hicksville Girl Scout Town Council there. The refreshments were grand and the kids entertained with a play about Flag Day. Everything was so impressive that I found myself crying and to make matters worse—I didn't have a hankie with me. I guess I looked kinda silly dabbing at my eyes with a cosmetic bag. Beautiful things always make me cry and believe me, all those little Brownies sure

were beautiful. Our own Ingrid Christ of Lee Ave is the assistant leader of the troop.

Haven't received too much response to our Hicksville Picnic invitation as yet, so please hurry up and make up your minds to go. I'm sure we will all have a grand time on June 22.

Little Miss Geraldine Meehan of 10 Cottage Blvd. celebrated her 4th birthday with a lovely birthday party in her home on Saturday afternoon. Her guests were Susan Reiter, Patty Zeigler, Judy Manning, Mary Ann Jaeger, Howard Schadt, Carol and Barbara Brand, Ellen Weiditz, Margaret Bower and her five brothers, John, Michael, Robert, Jimmy and Joseph. The room looked lovely decorated with pink ribbons and balloons. There was a beautiful birthday cake. Everyone played games and a good time was had by all.

Arthur Magid and daughter, Isabel of Brooklyn were our guests on Sunday.

Mr. and Mrs. Gerald Brooks of Cottage Blvd. celebrated their 10th wedding anniversary by spending the weekend in Boston visiting Alice's parents and friends.

Well, the garage is up and except for a few minor details, it is complete. Yes, I give myself a good pat on the back. I feel I did an excellent job of supervising the job. The ice cream was on Mom, tonite.

The Parc Terrace Homes are jumping up real fast and now I notice that a new development is going to be built behind Linden Blvd.—the Jade Homes. Guess about everyone wants to come to Hicksville. Can't say that I blame them, this sure is a nice, friendly place.

Baby Jessie Roth of Lee Ave. had her 1st birthday party Sunday. All her aunts and uncles came from

Puppet Shows Combat Polio

HICKSVILLE — Three young boys presented puppet shows in recent months to net \$4.24 for the benefit of the Polio Fund. Pierre Swick of 98 W. Old Country Rd. brought the proceeds in a small container to the HERALD office and requested that they be turned over to the local Polio Fund chairman.

Pierre and his brother, Gilbert, and Donald Kerbs of 182 W. John St. presented a series of three puppet shows at the Swick home. Neighborhood children attended the shows.

The money will be presented to Mrs. Louis Millevotte, East St., local fund chairman.

FIRE SCHOOL COMING
HICKSVILLE—Another class in firematic training for new members of the fire dept will take place tonight (Thursday), according to Chief Edward R. Schluter.

all over to help her celebrate. She received many lovely gifts. She still preferred to chew on her Aunt Anna's purse instead of the assortment of beautiful chewable toys she has in her toy box. You just can't satisfy some babies.

Listen, all you good people—don't forget the Rummage Sale today and tomorrow sponsored by the Ladies Aux. J.V.V. Post 655 of Hicksville at 82 North Broadway. They have bargains galore. The proceeds will help defray expenses for gifts, cigarettes and refreshments for hospitalized veterans. The Auxiliary makes monthly visits to Mitchell Air Force Base and Northport Hospitals. They also provide gifts to some children at St. Giles' Hospital.

No more news, so no more column for tonite. Hope to see you all this Sunday at our picnic.

Complex Govt Vs Home Rule

By FRED J. NOETH

LOCAL GOVERNMENT, such as we have today in mid-island communities, is not simple. It takes the average new homeowner of the section a year or more to get the various special districts, town and county departments more or less segregated and then he is able to evaluate their services and functions.

Those opposed to the establishment of local Home Rule thru incorporation of Hicksville as a village have been fond of claiming that to incorporate would add another "layer of local government". Actually, the advocates of incorporation are aiming at the direct opposite. This is what is meant:

We have, taking Hicksville as our example, a Fire District with a board consisting of five members, each elected for five year terms. There is a Water District with three men, each elected for three years. There is a School District with five members, each elected for three years. These are all locally-elected officials in the truest sense. The elections for these boards and commissioners come at different times of the year to add to the complication. (It might be said here that incorporation would not affect the school board in the slightest).

We also have a Street Lighting District, Garbage District, Park and Parking District, with no locally-elected commissioners. For these Districts, and about 50 other special districts of the township—with more being created all the time—the Oyster Bay Town Board acts as commissioners. The Town Board consists of four councilmen and a township supervisor, elected by the township as a whole. In other words, if you have a problem concerning garbage, street lighting or parks and parking, you must take it up with Oyster Bay Town Board which meets mornings about 10 miles away.

In the case of the Fire Board and Water Board, these agencies hold regularly stated meetings in Hicksville, in the evenings.

When it comes to problems which concern other municipal facilities, the picture gets even more complicated. In the case of highways, we have township streets, county streets and state highways. You have to know street ownership before you can do anything about a problem concerning them.

Traffic, to take another problem, is a police and state matter but they only will act at the direction of the Town Board. In some instances where County streets are involved, the County Public Works Dept. comes into the picture also.

With a local government as an incorporated village, our community would have a locally-elected Board of Trustees meeting here in Hicksville in the evenings. Generally, this would combine the current overlapping and sometimes duplicating activities of the various special district and special services. Such a step could only result in (a) more efficiency by the elimination of duplication, (b) more responsible local government with officials directly responsible to their constituents, (c) prompt attention to the multitude of problems which at times appear to outpace even our rapid growth.

Our local officials are apparently doing the best they can within the cumbersome framework of this system.

A very significant point regarding home rule lies also in the present community dealings with other authorities. Our Civic Associations have attempted to get action from the Public Service Commission, Long Island Rail Road, New York Telephone Co., and the State of New York, on some very specific recent problems. In each case, civic workers were told quite frankly that their efforts cannot be recognized. These agencies and utilities say they must deal with the municipality—and that is the Township of Oyster Bay. The town, on the other hand, is sometimes reluctant to focus its efforts upon a particular section, despite unusual growth and volume of problems, for fear of being charged with sectional favoritism.

As a prime example, we frankly see no hope of anything being done in this generation—and that's a mighty strong statement—about RR grade crossing elimination under our present form of government. The only outside possibility is this: Jerusalem Ave., for the portion from John St. to Newbridge Rd., is a state highway and if Newbridge is widened by the state, the crossing job may be part of the project.

Is this an encouraging prospect for a growing community?

The Legionnaire

Charles Wagner Post No. 421, American Legion

Monday night's meeting was the scene of the liveliest election proceedings in many a moon and we think you'll see some changes made before next year's election comes around. The members muddled through, however, and came up with a set of officers which we feel certain will carry on the fine work of past Post officers, and one of which we know we will all be proud.

Your new Post Commander is Eddie Becker who has given years of valuable service to the Post since the close of World War II. He will be supported by Vice-Commanders Al Barlow, Ernie Gundlach and Walter Barnett, Adjutants Artie Bletsch and Johnny Nees, Finance Officer Nick Harter, Chaplain Jim MacLaughlin, Sergeant-at-Arms John Williams and Executive Committee members Bob Beard, Rudy Bouse and Jim Carter. Appointive offices of Service Officer and Welfare Officer will be filled by Al Vitale and Guy Smith, respectively.

In addition to the support of the above, Eddie Becker will have the balance of 174 members solidly behind him.

Last year's gang did a swell job and the membership accorded Post Commander Elias (Jay) Jabour a wonderful rising vote of appreciation—and Jay said "Whew!"

It was a big turnout and we'd like to think last week's column helped make it so. Why not tell us? Now to put aside election results and ask each of you an important question, a question to be answered on Saturday evening, June 28. WHAT DOES A BEACHCOMBER WEAR? Does he wear a hat and no shoes?—a bow tie with T-shirt?—And his lady—Shorts and sandals?—Or maybe a sarong? We don't know, but you have the answer! Wear it to the big Beachcombers' Dance at the Hall on Saturday, June 28. You may win the big costume prize, but whether you do or not, you're sure to have a fine time with all your Legion friends, and probably a good laugh at the dress and antics of the other amateur beachcombers like yourself! Dance committee chairman Al Barlow, ably assisted by Johnny Nees, Rudy Bouse, Jack Bousness, John Williams and Norman Koach is prepared for a huge turnout.

Don Versteeg is scheduled to return home in

August for his release from the Air Force. Al Barlow tells us we can look forward to seeing some fine colored slides of Alaska when Don returns. . . . Bob Schieferstein, proud papa of baby girl—Congratulations, Bob. . . . Finance Officer Nick Harter has forwarded Legion contribution to Nassau County Police Boys Club (P.B.C.).

In connection with the last item we'd like to make additional comment. Our regular readers know that from time to time we run a little P.B.C. "advertising" in the column and this practice has been questioned by some—not in a malicious sense—but from curiosity. For the benefit of all, let us say that your American Legion is in full accord with the P.B.C. program, particularly of the Hicksville Unit and has lent its support in many ways including the sale of refreshments at special P.B.C. events, the proceeds of which have been given to the Hicksville P.B.C. 100 per cent. Apart from this, several Legionnaires, all active, have been devoting many hours of their time to the furtherance of a program involving 300 of Hicksville's youth. A program which this summer alone includes 10 baseball teams, a softball team, track team and a basketball team. And the winter schedule is just as crowded.

Active P.B.C.-Legionnaires include Bill Roach with basketball winter and summer; Rudy Bouse differing from Bill in that he switches to baseball in the summer; Paul Gerich who concentrates on basketball; Jack Bousness who has just joined and will be very busy shortly; and your correspondent who is secretary for a club always looking for more work besides coaching track and interfering with the basketball set-up.

It would be impossible to operate without the cooperation of the school board which has Legionnaires Henry Brenzel and Allen Carpenter as members, Dr. LaBarrow, Supt. of Schools, and Chet Jaworski, whose aid in setting up programs is invaluable.

These are the reasons why P.B.C. news is "Legion News"—eight Legionnaires—all working for "kids"!

We expect to hear from Jim Carter and company for a Legion-Scout story after they see the above. Cooperation is guaranteed.

A closing thought that concerns us all—KINGS PARK VISIT — JULY 13 —BOB MANGELS

HERALD READER OPINIONS:

Ed. Assoc. Promotes 'Distrust'

By EMIL J. SZENDY

I have followed the activities of the Education Association of School District 17, Town of Oyster Bay, since its early beginnings.

At the time it was formed one of its organizers said, "This was a case where more flies could be caught by vinegar than by honey." The basic policy became criticism, always, not evaluation.

Pursuing that policy of criticism the Association has distorted, misled, and sometimes been untruthful. By threat of "triple sessions", by claiming "educational larceny", by promise of unlimited construction paid for by the state, by misstating the difference in cost between "single sessions" and "double sessions", by claiming that the public was being inadequately informed, the Association endeavored to build up distrust of the School Board.

It was early apparent that the Association intended to have one of its members on the School Board. Machinery was set up which could and did effectively screen out other candidates. It was at that time that I announced my independent candidacy.

The Association chose as its candidate its vice-president, who was also chairman of its Candidate-Selection Committee, and who prepared the list of qualifications which candidates were required to meet, Mrs. Apicella. To make the selection, the Association's executive committee met at the home of Mrs. Apicella.

In promoting the election if its candidate, the Association allied itself to the North Levittown Home Owners Assoc., an avowedly sectional, pro-Levittown group, proponent of the Park and Parking District split, now actively promoting a change in post-office address from Hicksville to Levittown. In soliciting and accepting NLHOA endorsement for its candidate, the Association implied its own stand on these matters of community importance.

News releases issued by the As-

sociation have made no effort to present information fully and factually, without coloring or bias. For instance, no information was made public by the Association about other School Board candidates, or about the Annual School Meeting, or about the school budget. Much effort was expended in partisan advocacy of its own candidate.

The Association has attempted to abrogate the functions of both the electorate and the School Board; it has striven to dictate both the choice of School Board members and School Board policy. It has made little effort to perform the functions expected from an Education Association. It should be judged accordingly.

Too many people get married nowadays for better or worse—but seldom for good.

Most of our biggest troubles are so little other people fail to notice them.

TENDER MACARONI AND KRAFT GRATED FOR FINE CHEESE FLAVOR

By HOWARD FINNEGAN

We are hopeful that sanity in scholastic athletic programs be maintained now that the athletic directors and school superintendents of Nassau County have knuckled down in their dealings with football officials in the county.

Briefly, the gridiron officials association wanted a fee of \$20.00 a game for a referee and \$15.00 a man for the field judge and headlinesman in their original request to the school leagues.

The argument was that the referee had the most responsibility and work and therefore was entitled to additional compensation.

The school men offered little opposition to this request and that is how it was going to be next fall. However, the officials having gotten one concession wanted some more and demanded that all officials receive a fee of \$20.00 a contest.

Here the athletic directors balked. They refused the all-over raise and hinted a compromise before turning over the question to the committee and principals and superintendents who are the watchdogs for intelligent sports in the County.

The committee pulled the rug out from under the officials and refused any arrangement which would call for more than \$15.00 per man per contest.

The grid officials in effect then called a strike and their membership is forbidden to work scholastic games next fall for the \$15.00 fee.

Expulsion from the group which has a stranglehold on the juicy officiating assignments, due to the pampering of the schoolmen who have already buckled down for too many demands, will be the penalty if an official works a contest.

The schools are presently lining up their own slate of officials and hope to operate the games with non-member or cooperative whistle blowers.

Claiming they are specialists, the officials have drawn considerable support from the county press.

The press advances the theory that school boards are required to provide complete athletic programs and should provide the funds for officials in the same manner as they do for teachers.

The thought of going directly to the taxpayers every time the officials want a raise is unacceptable to many who believe that the athletic program should in large part take care of itself out of gate receipts.

For a school like Hicksville, Oyster Bay, and Farmingdale an initial outlay of \$60.00 a game for officiating expense is a considerable amount as compared to gate receipts and the other operating expenses.

It is not a question of keeping the officials down in pay. Everyone can expect in these times more money for services. And the official's fee has been going up in recent years.

The main point, however, is to keep the entire athletic program in proportion and the schoolmen aren't of the mind that the officials' request can be considered reasonably in line with that program.

Zeihner Singles For 39th Win

ROCKVILLE CENTRE — A clutch single by right fielder, Peter Zeihner, defeated George Cheslock and Fred Beers 1-0 for Botto Bros. 39th straight win in

Ruggiero's Tonic Peps Up Empire

HEMPSTEAD — Empire manager Jim Balentine called on veteran Steve Ruggiero to keep his club in a first place tie here, last week, and the slowball artist dumfounded the powerful bats of Fred Beers for a 3-0 victory.

Ruggiero allowed only two hits in the twilight encounter and the result so encouraged the Empire crew that they skipped over to Rockville Centre for an arch light clash with Lintz Chinz and scored a 3-2 upset behind Jim Barone.

It was Empire's second win in three starts at Rockville.

nightly competition here.

With two down in the last of the 8th inning Zeihner hit safely to right to deliver pinch hitter George Karman with the winning run. Bill Bordiuk answered the determined challenge of Cheslock a fellow Hicksvillian, with a 3-bitter while striking out 12 and walking only three.

Call For Cagers For Summer

HICKSVILLE — Athletic Chet Jaworski has called a meeting at the high school field, 10 a.m. Saturday morning for a Hicksville Playground summer basketball team.

At that time registration will be taken for all boys who will play in the 13-16 year old division and 16-18 year old division.

Botto Hopes For Second Half Win

JONES BEACH—A six run seventh inning rally by the Floral Park Bombers blasted Botto Bros. out of the first half race here, last week, ever though the Black and White team, the Stags, to contend with before that date.

Having suffered an unexpected reversal to Republic two weeks ago, the 8-5 loss to the Bombers left Botto at 500 after four games considerably off the pace being set by the front runners.

Pete Zeihner and Ray Halleran each homered for Botto against Floral Park to give Bill Bordiuk a 5-2 lead going into the last frame.

A single and two walks loaded the bases for the Bombers and then a grand slam home run hit smack on the leftfield foul line copped the decision.

Sunday Bordiuk gave up just two hits as the big bat of Jerry Kiesel uncloaked a triple and a single to score three runs. Bob Hock and Jack McCrossen each punched out two hits.

Midgets To Run Saturday Night

FREEPORT—The first midget auto race of the Long Island season is scheduled for the Municipal Stadium here Saturday night, June 21. Chauffeurs and cars affiliated with the AAA will climax the show with a 50-lap championship test. Expected on hand are many of those drivers who appeared in the Indianapolis "500" on Memorial Day.

The Summer racing schedule gets into full swing next week with auto racing scheduled for every night of the week with the exception of Mondays.

Islip will open its gates on Wednesday, June 25, for the thrilling combined show of strictly stocks and modifieds. Non-Fords will also run on the famous banked oval on Sunday evenings.

Three nights of racing are slated for Freeport Municipal Stadium. Tuesday night the modifieds and jalopies will compete against each other. On Friday evenings they'll repeat their show, but sport cars will also compete. Saturday evenings the Non-Fords will hold sway.

17 Youngsters In Meet At Hofstra

HEMPSTEAD—Seventeen Hicksville youngsters participated in the 6th Annual Track and Field Meet of the Kiwanis Clubs of Long Island held at Hofstra College on Saturday, June 14, according to James H. Walters, chairman of the boys and girls committee of Hicksville Kiwanis Club.

Hicksville athletes took part in Flag Day Ceremonies and competed with hundreds of other boys and girls, who were sponsored by other Kiwanis Clubs.

Medal honors for the meet were won by Claudette Slavak, 1st place in the 60 yd. dash for girls, and by Patricia Lenzner, second place in the same event.

Barbara Emmel won a first place in the 50 yd. dash for girls, and Viktor Sahadachny won a first place in a 60 yd. dash for boys.

The following boys won a first place in a 440 yd. relay team race: Viktor Sahadachny, Richard Muller, Ronald Esposito and Robert McGlone.

Other participants were: Ray Babinski, Charles Cava, Angelo Faraci, Bob Gaska, George Glidden, Alice Heuschkel, Richard Maus and Elizabeth Way.

Hicksville Kiwanians, who accompanied the group were: Mainard Chittenden, James Walters, Mr. and Mrs. Henry McInnes, and Louis Kappstatter.

Miss Gloria Franke and William McNamara of the Hicksville High School Health & Physical Education Staff were also at the meet.

Royals And Saints To Meet June 26

HICKSVILLE—The Hicksville Royals and Oyster Bay Saints continue to pace the PBC Intermediate League and their meeting on June 26 should be worth seeing, although the Royals have the hard-hitting Cards to get by while the Saints have their rival Oyster Bay team, the Stags, to contend with before that date.

The Cards were impressive with a resounding 10-4 win over the Stags last week as Lou Millevolte, Stan Sucharski, Gary Pucci and Charlie Kollar did most of the stickwork for the locals to give pitcher Pat Kennedy his second win.

The Royals had little difficulty turning aside the Hicksville Aces, 13-0, on the strength of another masterful pitching effort by Martin Katy who gave up a 4th inning single to Bob Williams and that was all. Katy has now surrendered a total of two hits in three games. The Royals' attack was featured by Frank Barton's 3 for 4 as did Katy himself while catcher Jerry Seigler posted a four-bagger with one aboard in the 6th inning.
