Junior Auxiliary Prayer

Send us, O God, as Thy messengers to the hearts without a home, to lives without love, to the crowds without a guide. Send us to the children whom none have blessed, to the famished whom none have visited, to the fallen whom none have lifted, to the bereaved whom none have comforted.

Kindle Thy flame on the altars of our hearts, that others may be warmed thereby; cause Thy light to shine in our souls, that others may see the way; keep our sympathies and insight ready, our wills keen, our hands quick to help others in their need.

Grant us clear vision, true judgment, with great daring as we seek to right the wrong; and so endow us with cheerful love that we may minister to the suffering and forlorn even as Thou wouldst. May the blessing of God Almighty, the Father, the Son and the Holy Spirit, rest upon us and upon all our work. May He give us light to guide us, courage to support us, and love to unite us now and forever more.

Amen

It is with very mixed emotions that I write this message to you. I will be retiring on May 1 after 18 years as your Executive Director. The experience has been more than I could have ever imagined. I have met thousands of Junior Auxiliary members and have made hundreds of lifelong friends. I have made trips to visit your Chapters and along the way helped many of you through some pretty tough issues. Daily, I answered questions and gave support to those "in the field". The area and annual meetings have been so much fun to plan and then even more fun to attend. I can only imagine how many NAJA committee meetings I have attended. The work that your volunteers do at the national level is important and they are so dedicated to the Association and to supporting you at the local level. This has not just been a job, it has been much of my life...a life that I loved! But, it is now time for me to put my family first. I have seven grandchildren that I want to spend more time with. Some are almost grown and on their own! A committee will soon be meeting to begin the search for my replacement. I cannot wait to meet the fourth woman to take over the helm and help her learn the ropes. A new day is dawning as we move from celebrating our 75th anniversary...into the future. Exciting days are ahead and I cannot wait to read about all that is happening around our Association through *The Crownlet*. I know you will make me proud with your continued service to those in need, especially the children. May God bless each of you, your families, and the work that you do.

PRESIDENT'S MESSAGE

The *Bulletin*: A Resource to help Pay It Forward\$

Junior Auxiliary Chapters pay it forward each and every day in many ways. Our Junior Auxiliary Prayer says it well: we help the children whom none have blessed, the famished whom none have visited, the fallen whom none have lifted, and the bereaved whom none comforted.

I encourage you and your Chapter to use the 2017-2018 *Bulletin* as a means to find new ways to pay it forward. Each of our 92 Chapters has a *Bulletin* page listing its service projects, finance projects (along with the net amount raised), and public relations efforts. This information about what other Chapters are doing may inspire you to add a new service or fundraising project. Ask the leaders of other Chapters about their projects and how they might fit your community. The contact information for Chapter officers and committee chairs is listed in the *Bulletin*. I encourage Chapters to help each other reach our common goal of rendering charitable service to the public with a particular emphasis on children.

Did you know the *Bulletin* can be used to train Provisional Members and educate Active Members? It not only contains valuable information about the local Chapter but also the JA Prayer, JA Slogan, and our current National Focus. The *Bulletin* also lists the contact information for all National Officers, Chapter Support Coordinators, Standing Committee Members, Chapter Development Coordinators, NAJA Foundation Trustees, NAJA Parliamentarian, and NAJA Staff so that you can reach out to them if you have a question.

Members can learn what happened at last year's AEC by reading the minutes from the Plenary Session, Business Meeting, and Awards Banquet. Provisionals and Actives can learn about the NAJA Graduate Scholarship Program by reading the Report of the NAJA Scholarship Committee. This *Bulletin* report gives the history of the program and lists the scholarship recipients. Maybe members can even find your Chapter's name in the list of award winners over the years or the list of past NAJA Presidents.

Seventy-five years ago, our founders assessed themselves \$5 each to begin their work to pay it forward. Your efforts to make your community a better place to live continues their tradition. Thank you for your contributions and service. I wish you a successful and productive year and hope you find new ways to Pay It Forward\$

Ex-Officio and AEC Hostess Knauer welcomed everyone to the Conference.

Second Vice President Brown welcomed the attendees and made announcements.

President Hildebrandt delivered the State of the Association Address, as follows:

- 1) Hildebrandt recognized that during the 2015-2016 year, Chapter members completed 96,246 service hours, raised \$2.8 million, and served more than 250,000 people. These statistics, along with an increase in Chapter membership, indicate the strength of the Association.
- 2) The newly redesigned NAJA website will be launched during the Conference.
- 3) The NAJA 2015-2019 National Focus of "Keeping It Real in a Virtual World" continues to inspire new service projects as children and adults struggle to keep up with technology and how it affects the way people function and interact with one another. Chapters were encouraged to develop a National Focus project.
- 4) New Chapter, Dyer County, Tennessee, will receive its Charter at Saturday's Annual Banquet.

Hildebrandt highlighted the year-long Diamond Anniversary celebration and thanked those who served on the 75th Anniversary Committee.

Foundation Chairman Carey stated that items may still be added to the time capsule before it is sealed again after the conclusion of the Conference. The capsule will be opened and celebrated again in 25 years. Carey encouraged all to visit the NAJA history room. This room was put together to celebrate our rich history. Carey introduced the Foundation Trustees. Carey thanked and introduced the Cornerstone Members. Carey shared the purpose of the Foundation, as well as some of the actions taken by the Foundation during the past year. Carey announced the Foundation's AEC events including the presentation of the Foundation Outstanding Service Project Award, the 6"x 6" canvas art competition, raffle, sale of notecards, jewelry, and prints, as well as NAJA After Hours on Friday evening. Carey promoted the new "donate now" button on the NAJA website.

Education Chairman Pitcock introduced keynote speaker Jimmy Wayne. Wayne is a former foster child and current country singer/songwriter. He walked halfway across America in 2010 to bring awareness to children who "age out" of the foster care system and then become homeless. He is the author of a New York Times best-selling memoir, "Walk to Beautiful: The Power of Love and a Homeless Kid Who Found the Way." He is known for a made-for-tv movie "Paper Angels." Wayne helped get legislation passed to extend care for children until the age of 21 in California, Tennessee and North Carolina.

Following closing remarks by NAJA Executive Director Greenlee, President Hildebrandt adjourned the Plenary Session of the Seventy-Sixth Annual Meeting of the National Association of Junior Auxiliaries, Inc. on May 5, 2017, at 2:45 p.m.
