302° north west

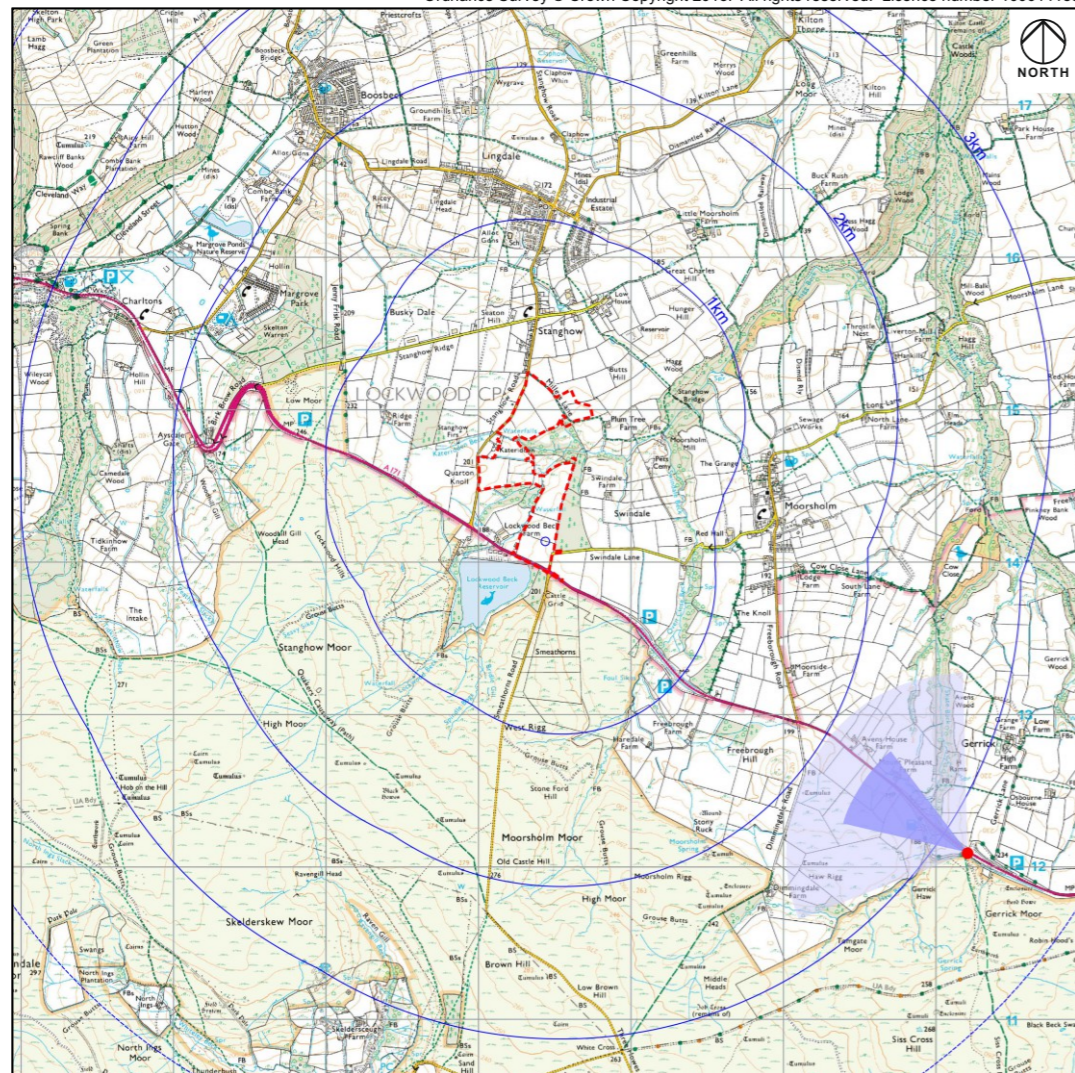

Central photograph used to form single frame image on subsequent pages.

Notes

The above panoramic image has been digitally merged together from multiple photographs. It shows the broader context of the single frame images shown on the following pages.

The horizontal field of view of the panoramic image has been shown below the image as degrees offset from the view centreline.

The horizontal extent of the single frame image is shown by the dashed box.

Extent of Works

Scale: 1:50,000 at A3
