Subject: Clarification regarding online generation of Challans for Offline payment cases.

Sir/Madam,

In terms of Investors Education and Protection Fund (Accounting, Audit, Transfer and Refund) Rules, 2016 as notified on 05.09.2016, and as per the prerequisites of e-form IEPF-1, the companies are required to transfer the amounts to Investor Education and Protection Fund (IEPF) through Challans generated on MCA 21 portal. Attention is also drawn to circular No. 13/2016 dated 05.12.2016 issued by this office, communicating that Challans which are not generated on MCA 21 portal will not be accepted after 15.12.2016.

2. However it has been noticed that there are companies, which have transferred the amount to IEPF prior to 15.12.2016, through Challans not generated on MCA-21 portal and these companies were/are unable to file IEPF-1,

3. To facilitate filing of e-form IEPF-1 by such companies, following two step processes is suggested:-

Step-1

Company concerned is required to submit details of the challans in prescribed format (enclosed) to IEPF Authority on email id challan.iepfa@mca.gov.in. The copy of challans and certificate for authentication of the details submitted are required to be obtained from practicing professionals' viz. Chartered Accountants, Company Secretaries and Cost Accountants. This information will be accepted by IEPF Authority up to 20th May, 2017 only and no further relaxation shall be granted.

Step II

The submitted data shall be processed by the IEPF Authority and a Front Office service will be made available on IEPF website-www.iepf.gov.in from 5th June, 2017 for a period of 30 days i.e. up to 5th July, 2017 to enable the companies to submit the required data online. An automated generated number will be provided by the MCA21 system on validation of entries and using this automated generated number as SRN, companies may file e-form IEPF-1 online & upload investor details without requirement of filing additional fees.

4. This issues with the approval of the Competent Authority.

Dear Sir/Madam

Review of the framework of position limits for Interest Rate Futures contracts

With a view to ease trading requirements in the Interest Rate Futures contracts, it is clarified that the position limit linked to open interest shall be applicable at the time of opening a position. RBI UPDATES

Disclosure in the “Notes to Accounts” to the Financial Statements- Divergence in the asset classification and provisioning

April 18, 2017

All Commercial Banks

(Excluding Regional Rural Banks)

Madam/Dear Sir,

Disclosure in the “Notes to Accounts” to the Financial Statements- Divergence in the asset classification and provisioning

Please refer to paragraph 22 of the Fourth Bi-monthly Monetary Policy Statement, 2015-16 announced on September 29, 2015 on the captioned subject (extract enclosed).

2. The Reserve Bank of India (RBI) assesses compliance by banks with extant prudential norms on income recognition, asset classification and provisioning (IRACP) as part of its supervisory processes. There have been instances of material divergences in banks’ asset classification and provisioning from the RBI norms, thereby leading to the published financial statements not depicting a true and fair view of the financial position of the bank.

3. In order to ensure greater transparency and promote better discipline with respect to compliance with IRACP norms, it has been decided that banks shall make suitable disclosures as per Annex, wherever either (a) the additional provisioning requirements assessed by RBI exceed 15 percent of the published net profits after tax for the reference period or (b) the additional Gross NPAs identified by RBI exceed 15 percent of the published incremental Gross NPAs¹ for the reference period, or both.

4. The disclosures, as above, shall be made in the Notes to Accounts in the ensuing Annual Financial Statements published immediately following communication of such divergence by RBI to the bank.

5. The disclosures in the Notes to Accounts to the Annual Financial Statements may be included under the sub-head Asset Quality (Non-Performing Assets) as referred to in paragraph 3.4 of Master Circular - Disclosure in Financial Statements - Notes to Accounts Ref. DBR.BP.BC No.23 /21.04.018/2015-16 dated July 1, 2015.

6. The first such disclosure with respect to the divergences observed by RBI for the financial year 2015-16 shall be made in the Notes to Accounts of Financial Statements for the year ended March 31, 2017.

7. These instructions are issued under the provisions of Section 35A of the Banking Regulation Act, 1949. It may be noted that any contravention / non-compliance of the above instructions shall attract penalties under the Act, *ibid*.

Additional Provisions For Standard Advances At Higher Than The Prescribed Rates

RBI/2016-17/282

DBR.No.BP.BC.64/21.04.048/2016-17

April 18, 2017

All Scheduled Commercial Banks
(Excluding Regional Rural Banks)

Madam/Dear Sir,

Additional Provisions for Standard Advances At Higher Than The Prescribed Rates

Please refer to paragraph 5 of the Master Circular - Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances dated July 1, 2015.

2. It is advised that the provisioning rates prescribed in the abovementioned circular are the regulatory minimum and banks are encouraged to make provisions at higher rates in respect of advances to stressed sectors of the economy. With a view to ensure that banks have adequate provisions for loans and advances at all times, it is advised as under:

i) Banks shall put in place a Board-approved policy for making provisions for standard assets at rates higher than the regulatory minimum, based on evaluation of risk and stress in various sectors.

ii) The policy shall require a review, at least on a quarterly basis, of the performance of various sectors of the economy to which the bank has an exposure to evaluate the present and emerging risks and stress therein. The review may include quantitative and qualitative aspects like debt-equity ratio, interest coverage ratio, profit margins, ratings upgrade to downgrade ratio, sectoral non-performing assets/stressed assets, industry performance and outlook, legal/ regulatory issues faced by the sector, etc. The reviews may also include sector specific parameters.

iii) More immediately, as the telecom sector is reporting stressed financial conditions, and presently interest coverage ratio for the sector is less than one, Board of Directors of the banks may review the telecom sector latest by June 30, 2017, and consider making provisions for standard assets in this sector at higher rates so that necessary resilience is built in the balance sheets should the stress reflect on the quality of exposure to the sector at a future date. Besides, banks should also subject the exposure to the sector to closer monitoring.

Yours faithfully

Scheme for Facilitating Startups Intellectual Property Protection (SIPP)

Introduction

Intellectual Property Rights (IPRs) are emerging as a strategic business tool for any business organization to enhance industrial competitiveness. Startups, with limited resources and manpower, can sustain in this highly competitive world only through continuous growth and development oriented innovations; for this, it is equally crucial that they protect their IPRs. The scheme for Startups Intellectual Property Protection (SIPP) is envisaged to facilitate protection of Patents, Trademark and Designs of innovative and interested startups.

The Scheme was run on a pilot basis initially, and was in force up to 31-3-2017. The scheme is now being extended further for a period of three years. However, based on the experience gained from implementation of the scheme so far, certain aspects of the scheme have been amended.

Vision

To protect and promote Intellectual Property Rights of startups and thus encourage innovation and creativity among them.

Objective

Scheme is inclined to nurture and mentor innovative and emerging technologies among Startups and assist them in protecting and commercialize it by providing them access to high quality IP services and resources.

The startups covered under this scheme will not be required to obtain certificate of an eligible business from the Inter-Ministerial Board of Certification.

However, startups will be required to give a self-declaration that they have not availed funds under any other Government scheme for the purpose of paying the facilitator/ patent agent/ trademark agent for filing and prosecuting their IP application.

- For claiming the reimbursement of fees, the facilitator shall submit an invoice to the respective IP Office mentioning the Registration 10 No. obtained from DIPP for the startup in respect of which the IP application is filed by the facilitator.
- In the case of a Trademark application, final disposal of the application implies registration of the Trademark or final rejection of the application (except through withdrawal or abandonment), as the case may be.

Statutory Fees

The cost of the statutory fees payable for each patent, trademark or design applied for by a startup after launch of this scheme shall be borne by the startup itself.

Budget

The budget for the scheme shall be provided from the funds available with the CGPDTM.

Ownership of IPR

This scheme shall in no way transfer, either wholly or partially, ownership rights on the IPR created to the facilitator or the Government, and the Startup shall have full rights on the IP generated.

Sir/Madam,

Subject: Rescinding Board Circular F. No. 528/213/87-Customs (TU) -reg.

Attention is invited to Board Circular F. No. 528/213/87-Cus. (T.U.) ICD dated 08.08.1987. In the said circular, Board had stipulated that once a contract is registered either for initial setting up or for substantial expansion of an existing plant etc, the imports made become classifiable under the heading 9801 of the customs tariff liable to duty at the project rate. Such goods forming part of the contract and assessed under CTH 9801 lose their identity and cannot be classifiable on merits under any other heading of the Customs Tariff. Hence any differential rate of duty prescribed by exemption notification on individual goods (other those for goods specifically covered under CTH 9801) will not come into play for the assessment of project goods. However, Supreme Court has not accepted this view and has allowed benefit of individual notifications even for imports assessed under CTH 9801.

In view of the above position, Board has decided to rescind the said circular. Therefore, Circular F. No. 528/213/87-Cus. (T.U.) ICD dated 08.08.1987 is rescinded.

Yours faithfully,

(Zubair Riaz)
Director (Customs)
