NATIONAL BEANPOLE WEEK

17–25 April 2010

Celebrating the humble hazel beanpole!

National Beanpole Week! encourages gardeners to use hazel beanpoles sourced from British woods – rather than use imported bamboo canes. By buying hazel beanpoles you are helping to support local woodland craft workers, woodland management and wildlife.

Local suppliers of beanpoles, pea sticks and a wide variety of products for use in your home and garden can be found on our website. The website also lists National Beanpole Week! events and activities held across the UK.
