## Part 1 Phytoplankton

Roxana Víquez and Paul E. Hargraves

<b>Species List 1.1</b> List of phytoplankton species from the Caribbean coast of Costa Rica .....	1
<b>Species List 1.2</b> Phytoplankton species from the Pacific coast of Costa Rica .....	4

## Part 2 Marine Benthic Algae

Andrea Bernecker

<b>Species List 2.1</b> Marine benthic algae and Cyanobacteria reported from the Caribbean coast of Costa Rica .....	17
<b>Species List 2.2</b> Marine benthic algae and Cyanobacteria reported from the Pacific coast of Costa Rica .....	53

## Part 3 Seagrasses

Jorge Cortés and Eva Salas

<b>Species List 3.1</b> Seagrasses found on the Caribbean coast of Costa Rica .....	71
<b>Species List 3.2</b> Seagrasses found on the Pacific coast of Costa Rica .....	72

## Part 4 Mangroves

Ana Margarita Silva-Benavides

<b>Species List 4.1</b> Mangrove species occurring along the Caribbean coast of Costa Rica.....	73
<b>Species List 4.2</b> Mangrove species occurring along the Pacific coast of Costa Rica.....	75

## Part 5 Foraminifera

Jorge Cortés, Claudia Mora-Baumgartner, and Vanessa Nielsen

<b>Species List 5.1</b>	Foraminifera of the Caribbean of Costa Rica .....	79
<b>Species List 5.2</b>	Foraminifera of the Pacific of Costa Rica.....	79

## **Part 6 Sponges**

Jorge Cortés, Noam Van Der Hal, and R.W.M. Van Soest

<b>Species List 6.1</b>	Sponges reported from the Caribbean coast of Costa Rica .....	83
<b>Species List 6.2</b>	Sponges from the Pacific of Costa Rica .....	88

## **Part 7 Hydrozoa, Scyphozoa, and Cubozoa (Medusozoa)**

Karina Rodríguez-Sáenz and Lourdes Segura-Puertas

<b>Species List 7.1</b>	Medusozoa (Hydrozoa, Scyphozoa, and Cubozoa) recorded from the Caribbean of Costa Rica .....	94
<b>Species List 7.2</b>	Medusozoa (Hydrozoa, Scyphozoa, and Cubozoa) recorded from the Pacific of Costa Rica .....	95

## **Part 8 Siphonophores**

Karina Rodríguez-Sáenz and Rebeca Gasca

<b>Species List 8.1</b>	Siphonophores collected in Caribbean of Costa Rica.....	101
<b>Species List 8.2</b>	Siphonophores collected in Pacific waters of Costa Rica .....	102

## **Part 9 Zoanthids, Sea Anemones and Corallimorpharians**

Jorge Cortés

<b>Species List 9.1</b>	Zoanthids, actiniarians, and corallimorpharians found on the Caribbean coast of Costa Rica.....	105
<b>Species List 9.2</b>	Zoanthids, actiniarians, and corallimorpharians found on the Pacific coast of Costa Rica .....	107

## **Part 10 Octocorals**

Odalisca Breedy

<b>Species List 10.1</b>	Octocorals from Caribbean shallow waters of Costa Rica .....	108
<b>Species List 10.2</b>	Octocorals from Pacific shallow waters of Costa Rica .....	110

## **Part 11 Stony Corals**

Jorge Cortés

<b>Species List 11.1</b>	Stony corals (hydrocorals and scleractinians) from the Caribbean coast of Costa Rica.....	112
--------------------------	--	-----

<b>Species List 11.2</b> Stony corals (hydrocorals and scleractinians) from the Pacific of Costa Rica.....	116
---	-----

## Part 12 Sipunculans

José A. Vargas and Harlan K. Dean

<b>Species List 12.1</b> List of sipunculans reported for the Caribbean coast of Costa Rica, .....	119
<b>Species List 12.2</b> List of sipunculan species reported for the Pacific coast of Costa Rica .....	120

## Part 13 Polychaetes and Echiurans

Harlan K. Dean

<b>Species List 13.1</b> Polychaetes from the Caribbean of Central America.....	122
<b>Species List 13.2</b> Polychaeta and Echiura from the Pacific of Central America.....	132

## Part 14 Stomatopods

Rita Vargas

<b>Species List 14.1</b> Stomatopod taxa from the Caribbean coast of Costa Rica .....	160
<b>Species List 14.2</b> Stomatopod taxa from Pacific coast of Costa Rica.....	161

## Part 15 Euphausiids

Iván Castellanos, Eduardo Suárez-Morales, and Álvaro Morales-Ramírez

<b>Species List 15.1</b> Euphausiid species recorded in Caribbean waters of Costa Rica .....	164
<b>Species List 15.2</b> Euphausiid species recorded in Costa Rican waters of the eastern tropical Pacific Ocean. ....	165

## Part 16 Decapod Crustaceans

Rita Vargas and Ingo S. Wehrtmann

<b>Species List 16.1</b> Caribbean Costa Rica. Species of Dendrobranchiata, Stenopodidea, Caridea, Astacidea, Thalassinidea, and Palinura .....	167
<b>Species List 16.2</b> Pacific Costa Rica. Species of Dendrobranchiata, Stenopodidea, Caridea, Astacidea, Thalassinidea, and Palinura .....	170
<b>Species List 16.3</b> Caribbean Costa Rica. Species of Anomura .....	178
<b>Species List 16.4</b> Pacific Costa Rica. Species of Anomura.....	179
<b>Species List 16.5</b> Caribbean Costa Rica. Species of Brachyura.....	185
<b>Species List 16.6</b> Pacific Costa Rica. Species of Brachyura.....	188

## Part 17 Shallow Water Mysids

W. Wayne Price, Richard W. Heard, and Rita Vargas

<b>Species List 17.1</b> Mysida reported from the Caribbean coast of Costa Rica .....	199
<b>Species List 17.2</b> Mysida reported from the Pacific coast of Costa Rica .....	200
 <b>Part 18 Cumaceans</b>	
Iorgu Petrescu, Richard W. Heard, Rita Vargas, and Odalisca Breedy	
<b>Species List 18.1</b> Cumaceans from the Caribbean waters of Costa Rica .....	201
<b>Species List 18.2</b> Cumaceans from the Pacific waters of Costa Rica .....	202
 <b>Part 19 Tanaidaceans</b>	
Richard W. Heard, Odalisca Breedy, and Rita Vargas	
<b>Species List 19.1</b> Tanaidaceans from the Caribbean waters of Costa Rica .....	204
<b>Species List 19.2</b> Tanaidaceans from the Pacific waters of Costa Rica .....	205
 <b>Part 20 Isopods</b>	
Richard C. Brusca and Ingo S. Wehrtmann	
<b>Species List 20.1</b> Isopods reported from the Caribbean coast of Costa Rica .....	206
<b>Species List 20.2</b> Isopods reported from the Pacific coast of Costa Rica .....	209
 <b>Part 21 Gammaridean Amphipods</b>	
John M. Foster, Sara E. LeCroy, Richard W. Heard, and Rita Vargas	
<b>Species List 21.1</b> Distribution of estuarine and marine gammaridean amphipod species occurring on the Caribbean coast of Costa Rica .....	212
<b>Species List 21.2</b> Distribution of estuarine and marine gammaridean amphipod species occurring on the Pacific coast of Costa Rica .....	214
 <b>Part 22 Hyperiid Amphipods</b>	
Rebeca Gasca	
<b>Species List 22.1</b> Hyperiid amphipods recorded from the Pacific waters of Costa Rica .....	217
 <b>Part 23 Barnacles</b>	
Robert Van Syoc	
<b>Species List 23.1</b> Barnacles from the Caribbean of Costa Rica .....	219
<b>Species List 23.2</b> Barnacles from Pacific Costa Rica.....	221

**Part 24 Copepods**

Álvaro Morales-Ramírez and Eduardo Suárez-Morales

<b>Species List 24.1</b> Copepod species of the Caribbean coast of Costa Rica .....	224
---	-----

<b>Species List 24.2</b> List of copepod species of the Pacific coast of Costa Rica .....	228
---	-----

**Part 25 Sea-Spiders**

Roger N. Bamber

<b>Species List 25.1</b> Pycnogonids recorded from Caribbean waters of Costa Rica .....	237
---	-----

<b>Species List 25.2</b> Pycnogonids recorded from Pacific Costa Rica .....	238
---	-----

**Part 26 Marine Insects**

Monika Springer

<b>Species List 26.1</b> Marine Collembola and Hemiptera (Class Insecta) from the Pacific coast of Costa Rica .....	239
---	-----

**Part 27 Chitons**

Enrico Schwabe and Ingo S. Wehrtmann

<b>Species List 27.1</b> Chitons known to occur along the Caribbean coast of Costa Rica.....	240
--	-----

<b>Species List 27.2</b> Chitons known to occur along the Pacific coast of Costa Rica .....	241
---	-----

**Part 28 Benthic, Shelled Gastropods**

Leonora Rodríguez-Sevilla, Rita Vargas, and Jorge Cortés

<b>Species List 28.1</b> Benthic, shelled gastropods of the Caribbean coast of Costa Rica.....	243
--	-----

<b>Species List 28.2</b> Benthic, shelled gastropods of the Pacific coast of Costa Rica .....	275
---	-----

**Part 29 Pelagic Gastropods**

Eduardo Suárez-Morales, Rebeca Gasca, and Iván Castellanos

<b>Species List 29.1</b> Pelagic gastropod mollusks recorded from Costa Rican waters of the Caribbean Sea.....	326
--	-----

<b>Species List 29.2</b> Pelagic gastropod mollusks recorded from Costa Rican waters of the Pacific Ocean .....	328
---	-----

**Part 30 Benthic Opisthobranchs**

Yolanda E. Camacho-García

<b>Species List 30.1</b> Benthic opisthobranchs and “cephalaspidean” heterobranchs from the Caribbean coast of Costa Rica .....	330
<b>Species List 30.2</b> Benthic opisthobranchs and “cephalaspidean” heterobranchs from Pacific Costa Rica.....	338

**Part 31 Bivalves**

Julio A. Magaña-Cubillo and José Espinosa

<b>Species List 31.1</b> Bivalves from the Caribbean coast of Costa Rica.....	348
<b>Species List 31.2</b> Bivalves from the Pacific coast of Costa Rica .....	358

**Part 32 Squids and Octopuses**

Frederick G. Hochberg and Yolanda E. Camacho-García

<b>Species List 32.1</b> Cephalopods known to occur commonly in waters of the Caribbean coast of Costa Rica .....	379
<b>Species List 32.2</b> Cephalopods known to occur commonly in waters in the Pacific of Costa Rica and Isla del Coco .....	381

**Part 33 Phoronids**

Christian C. Emig

<b>Species List 33.1</b> Phoronida species reported from the Caribbean coast of Costa Rica .....	383
<b>Species List 33.2</b> Phoronida species reported from Pacific Costa Rica Central America.....	384

**Part 34 Bryozoans**

Jorge Cortés, Vanessa Nielsen, and Amalia Herrera-Cubilla

<b>Species List 34.1</b> Bryozoans from the Caribbean coast of Costa Rica .....	385
<b>Species List 34.2</b> Bryozoans from the Pacific of Costa Rica .....	386

**Part 35 Brachiopods**

Christian C. Emig

<b>Species List 35.1</b> Brachiopoda species reported from the Caribbean coast of Costa Rica .....	389
<b>Species List 35.2</b> Brachiopoda species reported from the Pacific coast of Costa Rica .....	390

**Part 36 Echinoderms**

Juan José Alvarado and Jorge Cortés

<b>Species List 36.1</b>	List of echinoderms from the Caribbean coast of Costa Rica .....	392
<b>Species List 36.2</b>	List of echinoderms from the Pacific coast of Costa Rica .....	396
 <b>Part 37 Chaetognaths or Arrow Worms</b>		
Eduardo Suárez-Morales, Rosa Ma. Hernández-Flores, and Álvaro Morales-Ramírez		
<b>Species List 37.1</b>	Chaetognatha effectively recorded in waters of the Caribbean coast of Costa Rica .....	409
<b>Species List 37.2</b>	Chaetognatha effectively recorded in waters of the Pacific coast of Costa Rica .....	410
 <b>Part 38 Appendicularians (Urochordata)</b>		
Iván A. Castellanos, Álvaro Morales-Ramírez, and Eduardo Suárez-Morales		
<b>Species List 38.1</b>	List of appendicularian species recorded in Costa Rican waters (eastern tropical Pacific).....	411
 <b>Part 39 Marine Fish</b>		
William A. Bussing and Myrna López		
<b>Species List 39.1</b>	Fishes reported and expected from the Caribbean coast of Costa Rica .....	412
<b>Species List 39.2</b>	Fishes reported and expected from the Pacific coast of Costa Rica.....	439
 <b>Part 40 Marine Reptiles and Amphibians</b>		
Mahmood Sasa, Gerardo A. Chaves, and Lisa D. Patrick		
<b>Species List 40.1</b>	Species of reptiles and amphibians found at marine environments in Costa Rican Caribbean coast .....	474
<b>Species List 40.2</b>	Species of reptiles and amphibians found at marine environments in Costa Rican Pacific Ocean.....	475
 <b>Part 41 Birds in Coastal and Marine Environments</b>		
Gilbert Barrantes and Johel Chaves-Campos		
<b>Species List 41.1</b>	Coastal and marine birds in Costa Rica (Pacific and Caribbean) and Central America. ....	479
 <b>Part 42 Marine Mammals</b>		
Laura May-Collado		
<b>Species List 42.1</b>	Marine mammals reported from the Caribbean coast of Costa Rica .....	485

<b>Species List 42.2</b> Marine mammals reported from the Pacific coast of Costa Rica .....	488
---	-----

**Part 43 Other Taxonomic Groups (Fungi, Kinorhynchs, Invertebrate Chordates)**

Jorge Cortés

<b>Species List 43.1</b> Marine fungi collected in the Pacific coast of Costa Rica .....	491
--	-----

<b>Species List 43.2</b> Salps collected off the Caribbean coast of Costa Rica .....	491
--	-----

<b>Species List 43.3</b> Kinorhynchs and invertebrate chordates collected from the Pacific coast of Costa Rica .....	492
--	-----

**Part 44 Marine Fish Parasites**

Jorge Cortés

<b>Species List 44.1</b> Marine parasites collected from fish from the Caribbean coast of Costa Rica.....	493
---	-----

<b>Species List 44.2</b> Marine parasites collected from fish from the Pacific coast of Costa Rica .....	494
--	-----

**Part 45 Sea Turtle Parasites**

Mario Santoro and Simonetta Mattiucci

<b>Species List 45.1</b> Parasites reported from the green turtle ( <i>Chelonia mydas</i> ) of the Parque Nacional Tortuguero, north Caribbean coast of Costa Rica .....	497
--	-----

<b>Species List 45.2</b> Parasites reported from the olive ridley turtle ( <i>Lepidochelys olivacea</i> ) of the Pacific coast of Costa Rica .....	500
--	-----

**Species List 1.1** List of phytoplankton species from the Caribbean coast of Costa Rica. For diatoms, grouping of genera into Orders follows Hasle & Syvertsen (1996), dinoflagellates are grouped according to Steidinger & Tangen (1996)

n.a. = information not available

Species in **bold** font = present in both Caribbean and Pacific coasts

\* = endemic species

<sup>a</sup> Car = Caribbean; cp = Cosmopolitan; EP = Eastern Pacific; I = Indian Ocean; IP = Indo-Pacific; WA = Western Atlantic

<sup>b</sup> Uppermost and lowermost occurrences (in meters)

<sup>c</sup> it = intertidal; of = offshore; st = subtidal

<sup>d</sup> co = coral reef; m = mangrove; r = rocks; ru = rubble; s = sand; sh = shells; sp = sponges; w = wood

<sup>e</sup> References are indicated by numbers according to the references list; numbers in **bold** font correspond to references where the species is reported as present in Costa Rica.
