WHO ARE WE?

The present Camellia Club of Mobile Inc. began over seventy-four years ago. In the late 1930s a number of Mobile businessmen were so interested in their hobby of growing camellias they proudly displayed blooms in offices, show windows and building lobbies. In late 1939/early 1940 these gentlemen organized to form The Men's Camellia Club of Mobile, holding its first Show in 1941.

The first Club President was Dr. R. M. Shackelford and annual dues were \$5.00. Just prior to 1953 the Club incorporated as a non-profit organization. In 1968 the Club changed its name to the Camellia Club of Mobile Inc. Forty-eight Presidents and seventy-four years on, our dues are STILL \$5.00 per member, and we are still, naturally, a non-profit organization.

Several members who founded our Club were among the camellia enthusiasts who formed the American Camellia Society, which held its first Annual Meeting in 1946 at the Admiral Semmes Hotel in Mobile. The ACS held its Annual Meeting in Mobile again in 1953 and in 1985. Two of our past Presidents, Hoyt W. Lee and Charles R. Butler, also served as ACS President.

Over the past 74 years thousands have been introduced to the beauty of the camellia, Alabama's State Flower, by visiting our Camellia Show held each January. The Show has been held at Murphy High School, Fort Whiting Auditorium, Municipal Auditorium, Springdale Mall & for the past 10 years at Colonial Mall Bel Air. We hope you enjoy our 74th Show as much as we enjoy presenting it!
