

The [EPSON Connect™](#) suite of free mobile printing solutions is designed to meet the printing and scanning needs of busy, mobile users by offering the freedom to print documents, photos, emails, and web pages from remote locations onto any EPSON Connect enabled printer¹. It also increases productivity by scanning documents and saving them directly to the cloud. Compatible with a wide range of mobile devices, EPSON Connect gives users the power to easily print from an Apple® iPad®, iPhone®, tablet, smartphone, or computer from anywhere.

Availability: Sept. 6, 2012

EPSON Email Print

Print from any Device, Anywhere

New EPSON® printers come equipped with a unique email address, enabling the convenience of printing from anywhere. With Email Print, users simply email photos and documents to their compatible printer from any device that can email, including an Apple, Android™, BlackBerry®, Mac®, or Windows® device.

New Features

- Prints legal and ledger size paper (8.5" x 14" and 11" x 17")
- Reverse Order option
- Increased email and attachment size up to 20MB

Key Features

- Assigns a unique email address to printer during Epson Connect activation
- User can customize printer's email address
- Offers "Approved Senders List" to specify who can send jobs to the printer by listing email addresses and/or email domains
- Prints email and any attached files (Supported formats: Microsoft® Word®, Excel®, PowerPoint®, PDF, JPG, GIF, TIF, BMP and PNG)
- Supports up to 10 attached files
- Attachment only printing option
- Print jobs kept for 72 hours if printer is unavailable (e.g. turned off)
- Allows printer owner to check print log
- Supports a variety of paper types and sizes:
 - Plain paper: letter (8.5" x 11"), legal (8.5" x 14") and ledger (11" x 17")
 - Photo paper: 4" x 6", 5" x 7" and 8" x 10"

EPSON iPrint™ Mobile App

Print and Scan While On the Go

The EPSON iPrint Mobile App enables users to print documents and photos from any tablet or smartphone, and is available as a free download. It also allows users to preview and print Microsoft Office® documents directly from the cloud using advanced printing options, and can wirelessly scan and save files using a nearby EPSON printer.

New Features

- Supports plain paper legal (8.5" x 14") and ledger (11" x 17")
- Supports Apple Photo Stream (iOS only)
- Prints from anywhere to email-enabled Epson printers using the remote print function

Key Features

- Prints Microsoft Word, Excel, PowerPoint, PDF, JPG, GIF, TIF, BMP and PNG files
- Prints email attachments and stored files
- Prints online files from Box, Dropbox™, Evernote® and Google Docs™
- Selects and prints multiple photos
- Built-in web browser to print web pages
- Advanced print options including paper size and type, number of copies and page range, color or monochrome printing, and print settings
- Scans and share from a nearby Epson all-in-one (save to device, send via email or save online)
- Selects different scanning resolutions and image types
- Checks printer status and ink levels
- Built-in FAQ section
- Activates a printer (and its email address) with Epson Connect services
- Supports a variety of paper types and sizes:
 - Plain paper: letter (8.5" x 11"), legal (8.5" x 14") and ledger (11" x 17")
 - Photo paper: 4" x 6", 5" x 7" and 8" x 10"
- Designed for Apple iPad, iPad 2, iPad 3, iPhone 3GS, iPhone 4, iPhone 4S and iPod Touch® (3rd generation or later)
- Designed for Android tablets and smartphones

EPSON Remote Print Software

Desktop Printing from Anywhere

Remote Print works with any Windows software, allowing users to easily streamline productivity without worrying about formatting or fonts. Once the EPSON Remote Print driver is installed and configured, users just click File/Print.

New Features

- Works with any Windows application that supports printing
- Installs a new printer named "EPSON Remote Print" that is selected during the File/Print command
- Select Page Range, Number of Copies and Collation
- Up to 20MB file size

Key Features

- Advanced printing options such as paper source, orientation, paper type, color/grayscale, multi-page, reverse order, resizing options and watermarks
- Supports any application-specific printing options
- Allows owners to set an "Access Key" to limit who can print to their printer
- Print jobs kept for 72 hours if printer is unavailable (e.g. turned off)
- Allows users to check print log

Other Support Options

Apple AirPrint

Print emails, photos, web pages and documents from an iPad®, iPhone® or iPod touch® with no software, drivers or cables to connect.

Google Cloud Print

Print from a smartphone or tablet with a Gmail™ or Google Docs account and other supported apps; also print from Chromebooks™ and the Google Chrome™ browser.
