## FOOTPRINTS® Edibles

Naturally Grown / Naturally Delicious™

### Enhanced Features for Our Second Year

Eye-catching, earth-friendly pot wraps; a festival of custom recipes, inspiring videos, and alluring social media content; retail display options, with accompanying POP signage, to suit your merchandising preferences. All with the same distinctively robust plants that stand apart from the crowd - and fly off your shelf!

### Same Commitment to Earth, Home, & Table

Grown naturally using practices certified by Veriflora® - the highest U.S. standard for sustainability. Cook/author/and storyteller Jonathan Bardzik provides the culinary delight that gets consumers excited about bringing Footprints® Edibles home from their favorite Garden Center - Yours!

## On Time Shipping

The best plants

At the best time

For your best sales!

*Want to increase your sales? Experience has shown that colorful, prime material sells in a matter of days and multiplies your “retail turns”. By allowing us to closely monitor the crop development of your plants, you can leave the delivery scheduling to us and not have to agonize over what’s reaching peak interest for those “Wow” impulse sales. On our end, this allows us to avoid the added costs of trying to “regrow” past-bloom plants held beyond their prime. Of course, you are always welcome to take plants early (“green”) if you prefer.*

*Unless you request specific, past-prime shipping dates, your order will be handled on an OTS basis with the following understanding:*

### *Participation Terms*

- Most plants will be shipped just prior to their prime stage of development. For flowering plants, this means a budded stage, just starting or about to show color. Some exceptions that will be shipped at a retail-ready stage prior to bud development are as follows:
  - Fragile or tall items - so as to avoid damage.
  - Promo sized plants that don't bloom until later in spring - so you can offer a nice, full plant to those customers wanting to plant early.
  - Late bloomers (June-Sept.) - so as not to miss the spring sales window.
- For spring shipments, a minimum of 10 plants for each delivery item, must be shipped at any time. Exceptions are allowed for items priced over \$20 each, where the minimum is 5, and for any reduced minimums as part of summer and fall shipping programs.
- In certain circumstances, shipping logistics may become a factor in determining at what stage plants will be shipped. In cases where only a few order items are reaching prime for a given delivery, it might be necessary for us to ship, with your approval, additional items at an earlier stage of development for the sake of keeping your freight costs to a minimum.
- Given your cooperation with this program, we will extend the discounted OTS price on all order items. Should you choose to delay shipment of prime items, then the pricing for the remaining order will revert to a Custom-Ship basis which does not qualify for the 10% OTS discount.
- Weather and growing conditions may impact our ability to deliver certain items in a timely manner.

# Loyalty Program Incentives

*We appreciate your business and the integrity in which you conduct it. In appreciation of your partnering commitment, we offer the following incentives:*

## 1. Pay within 10 days (and save 5% upfront)

By paying within 10 days, you can save 5% on each invoice via our Prompt Pay discount.

*\*Provided payment is received in our office within 10 days of the invoice date.*

*\*All payments are applied to the oldest invoice.*

## 2. Make us your preferred vendor (and earn up to 15% with an end-of-year Volume Rebate)

By purchasing more from us, you allow us to reduce our overhead and lower our shipping costs. In return, you can qualify for our end-of-year Volume Rebate on all invoices paid within 30 days.

VR savings are calculated according to the following schedule of annual purchase volumes:

\$ Volume	Rebate	\$ Volume	Rebate	\$ Volume	Rebate	\$ Volume	Rebate
10,000	5%	40,000	8%	100,000	11%	175,000	14%
20,000	6%	50,000	9%	125,000	12%	200,000	15%
30,000	7%	75,000	10%	150,000	13%		

*\*See page 5 of this price list for additional details*

## 3. Stand by your order (and earn a 2% OFD Discount – on future purchases)

By pre-booking what you truly need and re-stocking off our weekly availability lists, you can readily qualify for an **Order Fulfillment Discount** on all your purchases for the following spring.

- Place an advance order (by March 1<sup>st</sup>) to qualify, then
- Follow through by taking 95% or more of your spring commitment, and you will
- Receive a 2% discount on all your following year's spring purchases.

*\*See page 5 for additional details*

## Up to 22% off

Taken together, you can save up to **22%** off the ***On Time Shipping (OTS)*** prices in our catalog.

# TERMS AND CONDITIONS

- New Accounts - 5 % Cash or certified check.
- Credit Accounts - 5% 10 days net 30 from date of invoice. In order to take advantage of the discount, prior invoices must be paid in full and payment must be received in our office within 10 days of invoice date.
- **All payments applied to oldest invoice.**
- Interest charges on overdue accounts will be computed at 1½% per month (18% Annual rate).
- Credit accounts over 60 days past due will revert to C.O.D. on future orders.

Price quotes are FOB our nursery.

Sales Tax must be charged on all purchases unless buyer has submitted appropriate exemption forms.

No claims for shortages, damaged stock, miss-filled orders, or other evident problems will be honored unless indicated in writing on the bill of lading upon receipt of shipment. Any additional claims must be made within 2 days after receipt of goods.

To cover the added cost of growing plants beyond term, spring master orders taken after May 31<sup>st</sup> will be billed at the appropriate price for the size of the plant shipped. Orders for 10 or more of any item (5 or more for items priced over \$20 each) receive the discounted OTS price per the terms on page 3. Loyalty Program discounts/rebates accrue upon invoicing.

Additional terms and conditions that are listed on our credit application are binding as well.

Asexual reproduction of any patented plant listed in this catalog is prohibited by law.

## DELIVERY SERVICE

Prompt delivery service is offered to those customers within our market area. Within a 200 mile radius, delivery service is on a weekly basis to allow you to restock your yard with the freshest stock possible. No minimum order is required. Freight minimums are generally triggered by orders under \$2000. For simplicity, accuracy, and consistency, freight is billed as a percentage of your invoice amount and is collected at time of delivery. Please call to find out your shipping zone so that you can accurately project your landed costs ahead of time. Freight charges are calculated prior to any discounts.

## LOYALTY PROGRAM INCENTIVES (LP)

In appreciation for your business and the integrity in which you conduct it, we offer significant savings opportunities. This allows you to offer the best quality plant material at very competitive prices.

### Prompt Payment Discount (5%):

All invoices paid within 10 days of invoice date qualify for a 5% discount. Payments must be received in our office within 10 days of invoice date with prior invoices paid in full.

### Volume Rebate (VR) (up to 15%):

<u>\$ Volume</u>	<u>Rebate</u>	<u>\$ Volume</u>	<u>Rebate</u>	<u>\$ Volume</u>	<u>Rebate</u>	<u>\$ Volume</u>	<u>Rebate</u>
10,000	5%	40,000	8%	100,000	11%	175,000	14%
20,000	6%	50,000	9%	125,000	12%	200,000	15%
30,000	7%	75,000	10%	150,000	13%		

Volume rebate is based upon all plant purchases from January 1 to December 31. Rebates will be calculated at the end of the year (or later for accounts with late season purchases yet to be paid). Rebate checks will be mailed shortly thereafter. An account not paid in full by year's end will forfeit their rebate rights. Any individual invoice that is not paid within terms will not be eligible for a rebate. However, the invoice amount will be used to calculate the \$ volume for that period.

### Order Fulfillment Discount (OFD) (2%):

Customers reserving plants by placing a master spring order before March 1st can qualify for an OFD discount of 2% on their following year's spring purchases by standing by their order commitment according to the following considerations:

- Confirmed master orders will be considered finalized two weeks after you receive your confirmation.
- Plants should be taken prior to peak interest ("1", "2", or "3" ratings per our weekly OTS updates) in order to avoid "missing" any items.

\*Items allowed to go past prime might not prove suitable to ship later in the season.

- Spring master order items should be taken by May 31st. Summer interest plants on spring master orders will be shipped as they reach a retail-ready stage ("3" rating per OTS) - before the end of May. For delivery of these summer items nearer to peak interest, orders should be placed off the weekly availability rather than reserved on the spring master order.

Customers qualifying for OFD will be determined by the end of the year, with their OFD savings percentage applied to their upcoming spring purchases.

This program may be modified in future years.

## EARLY ORDER PROGRAM

- Spring orders received by November 15, 2015 will receive the highest priority during the confirmation process. Existing accounts will be placed ahead of new accounts.
- Spring orders received after November 15, 2015 will be booked on an "as received" basis.
- We reserve the right to downgrade priority for accounts that have failed to take complete orders or who have paid beyond terms the previous season. For past due accounts, priority assignment will be determined by the date the account is settled. Orders that "load up" on scarce items will be subject to prorating on those items.

## WARRANTY

Overdevest Nurseries, L.P.'s only warranty is that all plant material sold is true to name and within recognized tolerances as to grading, size, and quality. NO ONE HAS THE AUTHORITY TO EXPAND THIS WARRANTY UNLESS IT IS IN WRITING. NO ORAL WARRANTIES ARE RECOGNIZED.

Overdevest Nurseries, L.P. gives NO IMPLIED WARRANTIES. This means that except for the Express Warranty given above, all goods are sold, "AS IS" and (including, without limitation) with no warranties given as to livability, productivity, results from transplants, or otherwise. THE IMPLIED WARRANTIES OF MERCHANTABILITY AND OF FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED AND ARE NOT GIVEN.

Plant hardiness ratings are given only as approximate guides for plant selection purposes. They are not guarantees or warranties.

In the event of a breach by Overdevest Nurseries, L.P., the exclusive remedy for buyer will be a refund of the purchase price or the replacement of the goods at the option of Overdevest. In no event will Overdevest be liable for consequential damages (including, but not limited to, loss of profits, income, or reputation) or other damages beyond the purchase price.

# ***Better Plants, Better Opportunities, Better Results***

## **Plant to plant.... Year-in, Year-out**

“Thank you! The plant material is absolutely fantastic! (As always)”

- *Donna Callander Lanphear, Callander's Nursery, Chatham, NY*

“We received our order yesterday, and the plants were exceptional. All our staff was commenting on how beautiful your product is!”

- *Marla Palmiter, Palmiter's Garden Nursery, Avon, NY*

“So happy with your stuff! People up here say we should buy everything from Overdevest. I can even get the teenagers to unload the truck.”

- *David Benjamin, Wakemans White Birch Nursery, Trumbull, CT*

“Just wanted to express a big ‘Thank You’ for the wonderful load of plants we received yesterday. Really spruced up our shrub and perennial beds and we are ready for the weekend warriors.”

- *Carol Como, Conduro's Garden Center, Montville, NJ*

“Wow! Great load!”

- *Jack Edmond, Green Acre Farm & Nursery, Rochester, NY*

“The stuff coming in from Overdevest is looking great.”

- *John Kennedy, Sickles Market, Little Silver, NJ*

“Just wanted to say yesterday's delivery was absolutely beautiful!!! Thanks.”

- *Linda Boswell, Bedner's Farm & Greenhouse, McDonald, PA*

“Beautiful plant material! We will be proud to sell it – as usual. Great condition and ready to find new homes. Thank your crew for us.”

- *Cathee Thomas, Sabo's Woodside Nursery, Madison, OH*

“Overdevest Nurseries are the nicest people with the nicest plants! Great quality with great personal service, all with a reasonable price, making Overdevest a complete package to enhance our retail Nursery.”

- *Rich Hall, Hart Farm Nursery & Garden Center, Dennisport, MA*

“Plants look super, sold great over the weekend.”

- *Chris Pinter, Garden's Dream Farm, Somerville, CT*

“Shipments have been AWESOME!”

- *Domenick Voce, Atlantic Nursery, May's Landing, NJ*

# Edibles

Edibles continue to be the “hot” garden trend of our times. To help you satisfy this increasing demand, we have developed a nice selection of popular varieties grown in a wide range of sizes. From our recipe-ready herbs to our landscape-ready fruit plants, all are grown to be naturally delicious and good for our environment. That’s why they are sustainably certified by *Veriflora*®.

Better still, our Footprints® Edibles are grown and packaged in a special way that meets the high expectations of young gardeners while reassuring the healthy-eating preferences of current customers. This allows you to offer your customers fruit, herbs, and vegetable plants that are perfect for the *Next Generation of Gardening*™.

Find out more at: [www.footprintsplants.com/edibles](http://www.footprintsplants.com/edibles)

# Footprints

Concern over society's impact on our world environment is mounting. Your customers are looking to adjust their life practices accordingly. They like companies that respect their concerns and see their needs as more than just a business opportunity.

*Footprints®* is part of the answer. This is an industry-leading collection of uniquely beautiful plants grown in a low-impact manner with recycled water and renewable components. Plants are packaged using biodegradable, yet attractive, rice hull containers.

Our **Nova** line features unique varieties packaged in a durable, decorative container for outdoor & indoor living use.

Our **e-Pot®** line features a plantable container for easy, effortless, and earth friendly planting. These 4 1/2" biodegradable pots have slotted sides that allow for quick root growth through the container wall. Plants get established fast, as the pot gradually decomposes in the ground. This brings convenience and a clear conscience to gardening – no more hassles with removing plants from the pot and having to deal with plastic trash.

Visit [www.FootprintsPlants.com](http://www.FootprintsPlants.com) for added information and pictures.

We look forward to partnering with you in these changing times and invite you to consider joining us in... **Stepping towards a greener tomorrow™**.

# Patio-Sensations

Outdoor living has fast become a significant part of the American lifestyle. With it has come a burgeoning need for beautiful, low-maintenance plants to decorate decks, porches, and patios everywhere. You can meet that demand with our collection of unique & colorful annuals and outstanding rose varieties.

Decorative containers add to the beauty while providing portability for easy movement of the “plant furniture”. At the end of the season, should the homeowner want to overwinter their plant indoors, appropriate care instructions are provided with the plant tag.

**About our Container Sizes** (Liquid Measure)  
 Patio 10" (1.9 gallons)  
 Patio 12" (3.4 gallons)
