Message from the Founder

Joni Rogers-Kante
Founder & CEO

Dear Distributor,

Happy New Year! The start of a fresh calendar year gives us all the chance to begin anew by setting goals and making plans to reach them. What are your goals for 2018? Do you know what you need to do to achieve them?

SeneGence offers a simple formula for career success: **WOW**, **Book**, **Demo** and **Direct**. To build your Downline team (commission income) and Customer base (sales income), first **WOW** others with the unique color technology of SenseCosmetics, **BOOK** product Demonstrations, **DEMO** our anti-aging skin care and long-lasting cosmetics, and **DIRECT** Demo guests to make the decision to become either your Customer or Downline Distributor. Follow these steps faithfully, and you will see the fruits of your labor build month over month! All you need to decide is how active you will be in working your business; the more Demos you book and hold, the more your business will flourish and earn.

We have made getting off to a great start in 2018 even more possible this month with the **\$55 Retail Product Credit Promotion!** New Distributors who join SeneGence in January 2018 receive an automatic \$55 retail product credit (\$eneBucks) in their new account with their paid application (\$55)! \$eneBucks are awarded in retail dollars and work like money
