

Mary Beth Nitz, CRP, SGMS
Director, Global Consulting Services
Altair Global

As Director, Global Consulting Services, Mary Beth is responsible for the overall operations of Altair's Global Consulting Services Team. Operations overseen by Mary Beth include:

- Global policy design and benchmarking.
- Policy and program best practices consulting.
- Industry research and trending.
- Thought leadership including white papers, articles, webinars, and industry presentations.

Background and Professional Experience

Mary Beth joined Altair's Central Region Service Center and Global Headquarters in Plano, Texas, in 2011. Beginning her relocation career in 1992, Mary Beth brings over 20 years' experience in human resources, relocation, and global consulting to Altair. Her career includes roles as an International Human Resources Consultant, Client Services Manager, as a Director of Global Consulting, and as an Executive Recruiter within the mobility industry. Mary Beth holds the Certified Relocation Professional (CRP) and Senior Global Mobility Specialist (SGMS) designations from Worldwide ERC, and has received ERC's *Meritorious Service Award*. Additionally, she is certified from World at Work in International Remuneration, including international benefits, expatriate compensation, and international total remuneration.

Mary Beth holds a Bachelor of Science in Business Administration from Auburn University.
