Maynard Public School

The True Cost of School Closures

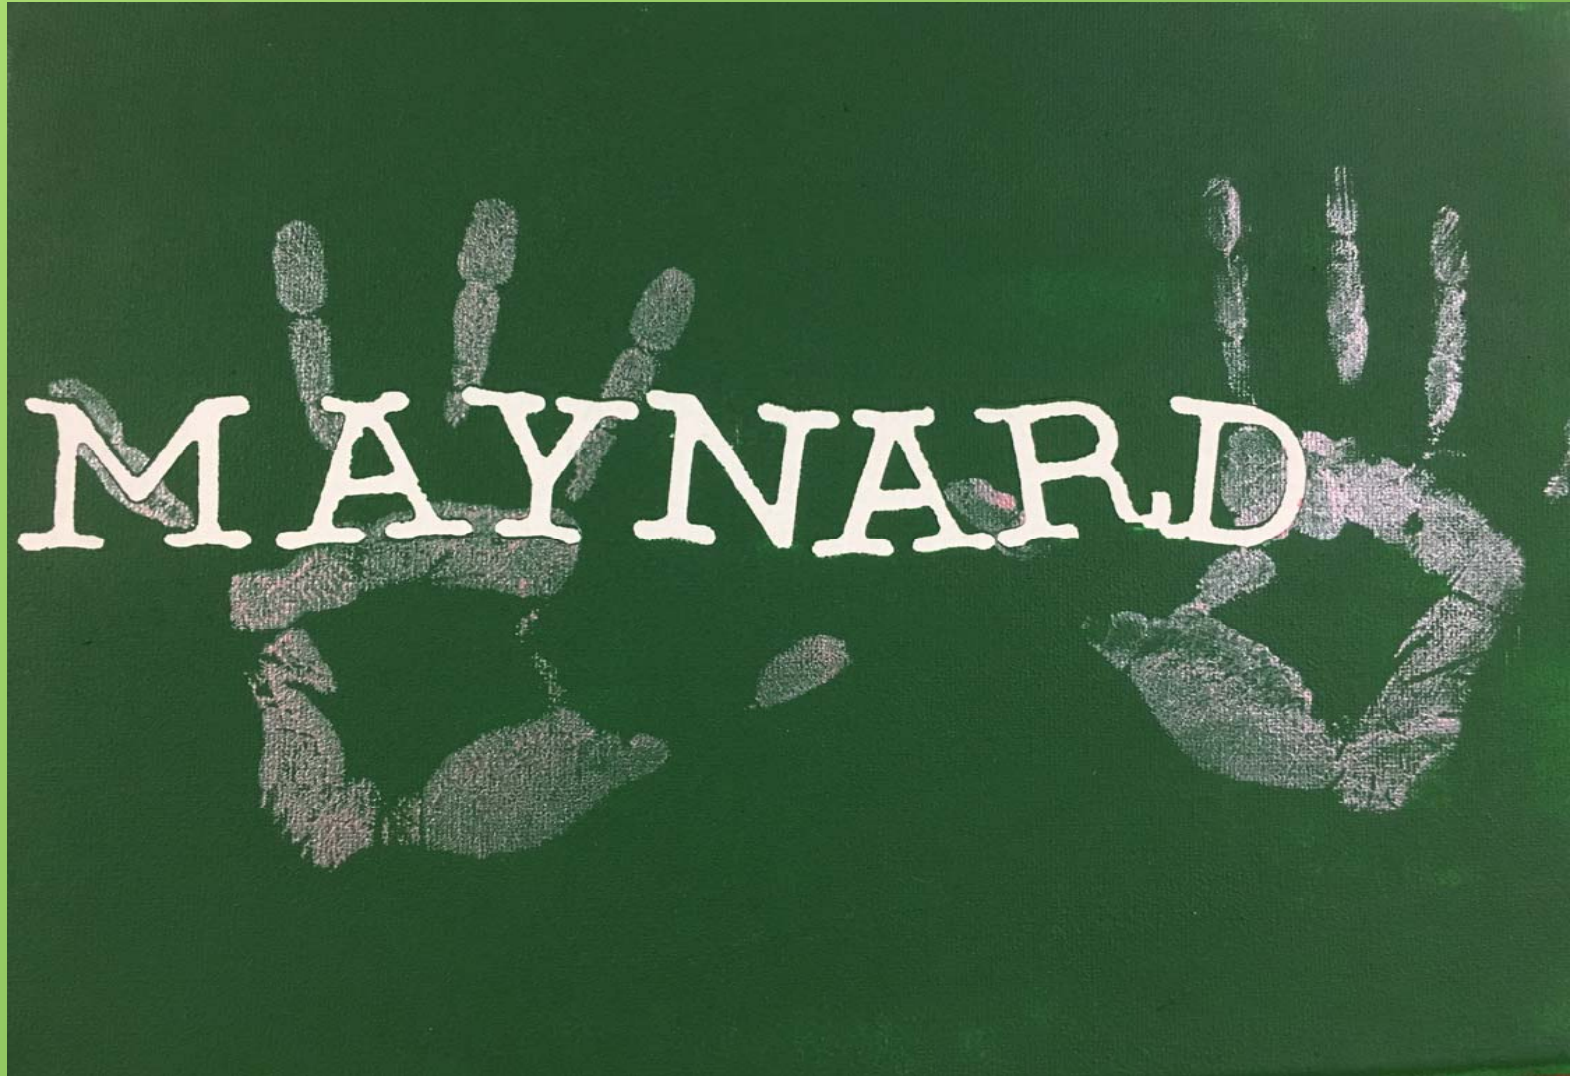

- Augusta Township has already lost three public schools
- Maynard is the only school remaining
- Community values
- You can't put a \$ value on the physical, mental and emotional health of our children
- Parents/guardians of 228 students have a choice - Maynard PS or Wellington ES - we chose Maynard

Transportation

[When planning bus routes and bussing durations “a child’s time becomes of no value.”] ~Howley, Howley and Shamblen, 2001
