A FAMILY PERSPECTIVE

In today's gospel a servant WAITED for the master to return. Waiting is a normal part of family life. We wait for a child's birth, then for small legs to catch up. Later we wait for teenagers to return home safely. Finally we wait alone anticipating a call or visit from an adult child. Waiting is sacred time, for even in the waiting we are connected.

WORD OF LIFE

"We thank you, heroic mothers, for your invincible love! We thank you for your intrepid trust in God and in his love. We thank you for the sacrifice of your life"

VOCATION BLURB

In the Gospel today, Jesus says, "Gird your loins and light your lamps [and be ready] ready to open immediately when he comes and knocks." Are you ready to open the door to a possible vocation to the priesthood or religious life if God knocks? If he does call, are you ready to "Gird your loins" up and follow him? It takes courage, but the reward will be great.

Call Father Jason Hage (315)470-1468, or write: vocations@syrдио.org.

ESTATE PLANNING Seminar

Deacon Brian will once again be holding his "Estate Planning 101" seminar on Thursday, August 25th from 6:00-7:30 pm in the church hall. The seminar will teach the basic rules for estate planning on how to avoid having to hire a lawyer after someone dies. No reservation is required but bring something to take notes with.

Message from the Pastor

Vacation ... Vocation ... Bible School.

Jake and Elwood Blues were "On a Mission from God". They needed to save their school from being taken over for back taxes by Cook County.

This week the Vacation Bible School is retooled as Vocation Bible School, with the title Discovery Mission. The children will learn what mission is and how we too are "On a Mission from God."

When was the last time you thought about your Mission in life? When was the last time you encouraged a young person to pursue their goals as to what their mission is rather than what brings in a good paycheck. Behind each Mission there needs to be a passion and genuine love and concern for the matter at hand. Parenting is a mission. A Christian spouse is a mission. Serving the Church in a variety of ways is a mission. building community is a Mission.

All Mission comes from prayer. Sometimes it derives from trial and error, other times it is so obvious as we utilize our God given gifts, Regardless, each person as a Mission and this week, our children will focus on how they will discover theirs and the possibilities that exist.

This week as a Parish Community I charge you with a specific Mission, pray for the children participating in VBS, Ask a teen, have they considered/prayed over Religious Life or Holy Orders. Sit in quiet and ask your selves, where is my Mission leading me to next?

Have a great week.

Father Donovan

Human Development and Anna's Pantry

Dear Church Family,

As always, I wish to extend a sincere thank you to all of you who so generously give and support Anna's Pantry. With online giving, we may not know specifically who you are, but we certainly know you're there caring and supporting us here at Anna's Pantry and we love you for it! May God bless you all!

Hope everyone is enjoying summertime and perhaps having the opportunity to vacation or visit with family and friends. It's hard to believe it's already August with the start of a new school year not far away. With that, we will once again be collecting basic school supplies for the school age children enrolled at Anna's Pantry as well as any families in our parish who are in need and having trouble meeting ends meet with the high costs of inflation. Items such as...

- Crayons/ markers
- Highlighters
- Colored pencils
- Pens/pencils
- Small scissors
- Glue sticks
- Pink erasures
- Pencil cases
- Composition books
- Spiral notebooks
- College ruled loose leaf
- 2 inch binders
- Folders

All are greatly appreciated! Thank you!

Together in our prayers, may we please continue to remember those living in eastern Europe especially Ukraine and pray for an end to the war there. May we also pray for the refugees including those settling here in Central New York as well as people of Russia that they may have a conversion of heart.

Cheerfully in Christ, Kathy

This study will lead you to be more attentive to the movements of the Holy Spirit in your life as you learn to love the third person of the Holy Trinity. Philippe explains the rewards of being attentive to the Holy Spirit and provides simple and concrete ways to grow in this inner sensitivity. In his clear and simple style, he illustrates his points with many examples from modern life. Join us from 5:00-6:30 pm beginning Aug. 17th in the community room.
