

FEA – EDUCATIONAL SPECIFICATIONS

Category Optional – *These policies should be reviewed to determine whether they meet a particular local need. Most are informational in nature.*

The Board shall require the Superintendent of Winchester to develop a set of comprehensive educational specifications for the architect. These specifications, which shall then be discussed in conferences with the architect, shall include:

1. Information concerning the plan of school organization and estimated enrollment in the proposed building.
2. A description of the proposed curriculum and the teaching methods and techniques to be employed.
3. A schedule of space requirements, including an indication of relative locations of various spaces.
4. A desired layout of special areas and the equipment needed for such areas.
5. An outline of mechanical features and special finishes desired.
