

INTENSITY OF COUNTER-AIR ATTACKS INCREASES

Longest Raids Of Hostilities Made On Two Capitals

Royal Air Force and German Craft Exchange Series of Blows as Axis Powers Worry Over a Balkan Situation Which Threatens to Blaze at Any Moment—Position of Russia in Impasse Causes Alarm.

(By GUY RHOADES, Canadian Press Staff Writer)

The Royal Air Force and the German air force bombed each others' countries today in long-sustained raids, while the Axis powers worried over a Balkan situation which threatened to flame at any moment.

Italy and Germany, frantically trying to keep the groceryman coming to their back doors, sent, respectively, Count Ciano and von Ribbentrop to meet in Vienna with representatives of Rumania and Hungary in an effort to scotch troubles arising from Hungary's territorial claims to Transylvania which Rumania decided to reject.

The Balkan situation held two major dangers to the Axis party—the danger that the great supply of food and other raw materials at their backs might be cut off if Rumania and Hungary went to war, and the danger that Russia might step in.

Joseph Stalin's forces already are reported to have suffered casualties in savage clashes with Rumanian forces on the Bessarabian border and a conference is underway to compose the situation.

These two developments within the last few days gave a shaky appearance to obviously frantic German efforts to end the war for Britain before the long, hard European winter hampers operations with foggy air, hard frosts and high seas.

On the other hand there appeared to be increasingly hard feeling on the part of France's Petain Government toward Britain. Its latest manifestation came when the French Africa colony of Chad decided to stay in the war and fight with Britain.

The Petain administration promptly complained that Britain was inciting French colonies to revolt.

London experienced its most prolonged air raid of the war with a period between the first alarm and the all-clear of more than seven hours. German raiders dropped incendiary bombs that anything else and experts who examined extinguished specimens reported they were of inferior construction, composed largely of pitch.

Such incendiaries are readily extinguished by anyone with a bucket of water and the incendiary weapon British inhabitants were taught to combat before the war started.

In those days courses were held in home A.R.P. and householders were urged not to tackle incendiary bombs with water but to use the formula of sodium that would release the hydrogen from the water and make the fire worse. They were told to keep small bins of sand in their houses and tackle the bombs with tongs and scuttles after the fire had been extinguished by smothering.

Numerous firms advised fancy anti-aircraft devices and the Times one morning published an article entitled "How to deal with an incendiary bomb in the drawing room." The number of persons who could write learnedly about anti-aircraft was small.

Officers Continue Inspection Of Eastern Canada Defence Methods

Halifax, Aug. 29.—(P)—Gathering information for joint defence plans of Canada and the United States, officers of the naval and air services of the two countries continued today their inspection of the defence facilities in the Canadian Eastern Command.

Three United States members of the Permanent Joint Defence Board—first official representatives of the United States fighting services to travel in this combat area since the start of war—were to be shown the Atlantic defence setup and were expected to survey sites in Nova Scotia and Newfoundland for the possible establishment of United States naval and air bases.

Their itinerary was not disclosed, but it was expected they might follow roughly the same path as Canadian Air Minister C. G. Power, who recently toured the area and concluded a defence co-ordination scheme with the Newfoundland Government. Mr. Power visited the Newfoundland airport, largest in the world, and inspected sections of the island's coastline, where naval bases might be located.

The Defence Board members here—three American and two Canadian officers—were seeking data to be presented when the newly-created body resumes its sessions in Wash-

DEATH CLOSES ACTIVITIES OF NOTED GAMBLER

George McManus, Once Accused in Murder of Arnold Rothstein, Died of Heart Disease in New Jersey.

New York, Aug. 29.—(P)—George McManus, big time Broadway gambler who once was accused of the murder of Arnold Rothstein, died of heart disease last night at his summer home in Sea Girt, N.J. After a long and sensational trial McManus was acquitted by the general sessions jury which heard the case on the slaying of Rothstein in 1928 still remains a mystery.

Known as one of New York's most imperturbable gamblers during the heyday of Manhattan betting, McManus had a reputation for always smiling when he paid his debts.

Early Morning Rains Interfere In Search For Two Prisoners

Sudbury, Ont., Aug. 29.—(P)—Heavy early-morning rains forced guards and police to temporarily halt the search for two German prisoners of war who escaped from a nearby internment camp Tuesday night.

Two police dogs, brought here by plane from Ottawa and reported following a keen scent last night, were brought back from the bush to headquarters shortly after the rain started at four o'clock. The downpour is expected to wash out any trace of the prisoners, Theodor Styer, 29, a non-commissioned officer of the German navy, and Hans Kibart, 25, an aviator, and make the dogs virtually useless in further hunting for the men.

Dozens of long disused, abandoned logging camps are being searched by police in the belief that the Germans may have sought shelter in one of them.

The escape, third from Ontario internment camps within the past ten days, was the first from this camp. Previous breaks were made August 19, one from a camp North of Toronto, the other from a North-western Ontario camp. One man camp.

ADVANCE TEST OF PARACHUTE JUMP RECORDED

Aviator Makes Test in Compression Chamber of Fall from Height of Thirty-Five Thousand Feet.

Chicago, Aug. 29.—(P)—Arthur H. Starnes, 35-year-old aviator who will make a 35,000-foot parachute leap in the interests of science, already has a rough idea of what it's like.

Except for the sensation of falling and the temperature, Starnes underwent the effects that will be produced by a leap from the stratosphere when he was subject to a test last night.

The test was conducted at Northwestern University Medical School. As Starnes sat in a low pressure steel chamber a motor exhausted the air until the pressure equaled that at an altitude of 36,000 feet.

Axis Partners Pressing For Quick Solution Of Critical Balkan Issues

Axis-Supervised Discussions Looking Toward a Solution of the Territorial Dispute Between Hungary and Rumania Opens in Vienna as Two Balkan Powers Launch Counter-Charges of Starting Trouble.

(By EDWIN SHANKE, Associated Press Staff Writer)

Vienna, Aug. 29.—(P)—The Axis-supervised discussions looking toward a solution of the territorial dispute between Hungary and Rumania opened today as Hungarian Premier Count Paul Teleky and Foreign Minister Count Istvan Csaky were received by the German and Italian Foreign Ministers.

Joachim von Ribbentrop and Count Galeazzo Ciano, the German and Italian Ministers, planned to follow up their talks with the Hungarians by holding separate discussions with Rumanian representatives later. Foreign Minister Mihail Manollescu and his aides arrived by train from Bucharest this morning.

The preliminary discussions were held at the Imperial Hotel, the headquarters of Ribbentrop and Ciano.

But, even as the delegates converged here, Rumania formally accused the Hungarian air force of "real acts of hostility" in air clashes over their border and announced officially she was adopting a policy of "force" to repel any Hungarian incursions.

Hungary countered with charges the Rumanian air force was sending planes on reconnaissance flights over her territory.

Recent incidents on Rumania's border with Soviet Russia also appeared to figure in the situation.

Germany acknowledged the recent negotiations at Tannuseveren showed Rumanian and Hungarian viewpoints to be so divergent that "no immediate direct understanding" could be reached—despite the desire of the Axis to settle the problem speedily in order to give undivided attention to the war with Britain.

ITALY CLAIMS NEW VICTORIES IN AIR

Rome, Aug. 29.—(P)—Text of Thursday morning's Italian high command communiqué:

"Our air formations bombed the naval base at Alexandria and for a long time, despite unfavorable weather, flew over the Suez Canal between Port Said and Ismailia, dropping bombs on the Northern-most end of the canal and on Alexandria ferry, over which the railroad uniting Egypt to Palestine passes across the Canal.

(A British statement said that an Italian raid on Alexandria early on Wednesday caused no damage and no casualties.)

In East Africa, a Dubat (native troops) band occupied the English post of Polignac, near Lake Rudolph. Air formations bombed the railroad station of Khassim el Ghirba, in the Sudan, and the flying fields of Wager and Garissa in Kenya.

(There was no British comment on these claims.)

On the border between Sudan and Eritreia, a British detachment, with several armored cars, attempted to raid the town of Adardaha and encountered the Wall of Adardaha, one of our bands reinforced by Askari police troops, it was stopped and repulsed after sharp fighting.

The enemy succeeded in loading numerous wounded on motor trucks, leaving more than a dozen Austrian captives.

ROYAL FAMILY ON INSPECTION OF SHIPYARDS

London, Aug. 29.—(C.P.Cable)—The King and Queen toured a Northwest shipyard today and each drove rivets in the keel plates of a new war ship with a hydraulic press.

They also boarded a new warship which was nearly ready to go on duty and met Frank Shaw, a survivor of the submarine Thetis, who was working on the docks. The Thetis was sunk accidentally June 1, 1939, with a loss of ninety-nine lives.

The King and Queen arrived at the shipyard after spending the night in the Royal Train at a dissolved siding at a remote Lancashire port. Although bombs fell a few miles from the siding, there was no actual air raid warning and Their Majesties spent an undisturbed night.

The Queen was anxious to know whether damage had been done in the neighborhood and remarked, "I'm very glad to hear that," when advised that there had been none.

Reich Capital Suffers Much As British Raids Continue

British Bombers Flew Over Berlin for Nearly Three Hours in Early Morning, Dropping Explosives Less than Two Miles from Government Offices in the Wilhelmstrasse—Many Fires Caused.

Berlin, August 29.—(P)—British bombers flew over the German capital for nearly three hours in a pre-dawn attack today, dropping explosives less than two miles from Government offices in the Wilhelmstrasse.

While the authorities claimed that no military objectives of consequence were hit, army officers, firemen and police hastened to Kottbusser Street, in the Southeastern part of the city, where the chief damage was done.

The officers took technical notes; the firemen fought blazes started by incendiary bombs.

Through arrangement with the Propaganda Ministry, three American newspapermen, including an Associated Press correspondent, were taken on a two-hour tour. Such places as the main airport, the Klingenberg power plant, which supplies half of Berlin, and railway stations were undamaged. It was impossible however, to cover all points of military importance on the trip.

In one block in crowded Kottbusser Street, where there were ten dead, according to the Nazi count, about a dozen 100-pound high explosive bombs and a number of incendiaries apparently fell.

Bombs dropped within ten minutes of the first sounding of the alarm at 12:24 a.m. (5:24 p.m. E.D.T., Wednesday), and the damage was done while many Berliners were en route to shelters.

Roof fires were reported from several parts of the city. None, however, was of the size of the fires in Kottbusser Street, the glow of which could be seen in the heart of the city.

URGE ALBERTA SESSION OVER WHEAT PROBLEM

Edmonton, Aug. 29.—(P)—Payment of eighty per cent of the federally guaranteed price for all grain stored on farms and an immediate session of the Alberta Legislature to deal with the grain marketing and storage problems are requested in a letter from independent members of the Legislature to Hon. E. C. Manning, acting Premier.

The letter, drafted at a conference of independents here yesterday, claimed emergency measures to speed grain fullest scope and obtain widest support if authorized by the Legislature.

Solution of the urgent problem can best be obtained by whole-hearted and non-partisan co-operation of the Alberta Legislature with the Federal Government, it said.

ADVENTISTS OPPOSE MILITARY SERVICE

Calgary, Aug. 29.—(P)—Claiming to be "conscientious objectors," the Canadian Union Conference of Seventh-Day Adventists has petitioned the Dominion Government for exemption from bearing arms.

C. W. Deuring of Calgary said last night in an interview.

Expressing loyalty to Canada, the Sect asks that members be assigned to works of necessity and importance in civilian life in time of war or national emergency, wherever possible, said Deuring, President of the Alberta Conference of Seventh-Day Adventists.

He said there are between 8,000 and 9,000 active church members in Canada, of whom 2,400 men and women are in Alberta.

MONTREAL PRELATE VICTIM OF STROKE

Montreal, Aug. 29.—(P)—Condition of Monsignor Georges Gauthier, Roman Catholic Archbishop of Montreal, was reported "unchanged" today by officials at the Hotel Dieu Hospital, where he was taken yesterday after suffering a paralytic stroke.

Monsignor Gauthier, sixty-eight, was given the Last Rites of the Church shortly after admission to hospital but his condition improved slightly last night.

WAR BULLETINS

Vichy, France, Aug. 29.—(P)—The French press reported today that Jules Noel, several times French weight and discus-throwing champion and captain of the French team in the 1936 Olympic games at Berlin, was believed killed in action May 19.

Montreal, Aug. 29.—(P)—A gift of \$1,750 for purchase of an ambulance has been made to Canada's war effort by the Dominion Board of Insurance Underwriters, it was announced here today. The gift has been acknowledged by Hon. J. L. Ilsley, Minister of Finance.

Vichy, France, Aug. 29.—(P)—The Petain-Laval Government today "dismissed" the Governors of three French colonial possessions—the Chad region and the Cameroons in Africa and New Caledonia in the Southern Pacific. (As the authorities in these colonies have declared themselves in favor of continuing the war at the side of Britain, it is unlikely that they will heed the orders of the Vichy regime).

Ottawa, Aug. 29.—(P)—An order for six hundred Hurricane fighter planes has been placed by the British Government with the Canadian Car and Foundry Company at Fort William, Ont., it was learned today.

EIRE SEEKS REPORT ON BOMB INCIDENTS

Berlin, Aug. 29.—(P)—William Warnock, charge d'Affaires for Eire, called at the foreign office today to seek clarification of the incident of Monday in which a German plane bombed an Irish town, killing three girls.

Authorized sources said German authorities replied that they had no information a German plane was involved, but promised to continue investigation.

Memphis, Tenn.—(P)—Clarence J. Negro, learned about justice when he was sentenced to 60 days in jail, but he won't have to serve them until the crops are in next fall.

PRIEST ONE OF SILENT HEROES OF EVACUATION

London, Aug. 29.—(P)—A Roman Catholic priest—an army chaplain since the outbreak of the war—was one of the silent heroes of the sinking of the Lancastria, bombed in the English Channel by German airmen while evacuating troops from France.

Rev. Charles McMenemy, thirty-five-year-old London Scot gave up his life to another man on the sinking ship and floundered about in the icy water for nearly an hour before a rescue craft picked him up.

The priest spent a fortnight afterwards with Rev. William Attree, a former associate, but he made no mention of his act.

"I heard about it from another priest who was also a survivor," Father Attree said. "Father McMenemy would not say anything about an action of that sort. He was always a strong swimmer, but even a strong swimmer was risking his life in these circumstances by giving up his life."

ILLEGAL STRIKES IN MINE FIELDS FLAYED

Truro, N.S., Aug. 29.—(P)—The Dominion and the Nova Scotia Ministries of Labor urged that illegal strikes be stamped out in Nova Scotia and New Brunswick mine fields here yesterday at the District Convention of the United Mine Workers of America.

The convention passed a resolution asking that co-operation be given the U.M.W. executive in eliminating strikes.

In his address Labor Minister McLaughlin declared that there were more sporadic strikes in Nova Scotia than in all the rest of Canada.

Ideal Weather Holds Sway As Bedford Fair Gets Underway

Quality Exhibits and Good Attendance as Gates Opened This Morning Augured Well for Success of Oldest County Fair in Eastern Townships—Varied Entertainment Being Presented.

Bedford, August 29.—Fair weather—in both senses of the word—provided an auspicious beginning today for the Bedford Fair, the oldest of the county exhibitions in the Eastern Townships. Blue skies, quality exhibits and a good attendance promised a really successful three-day programme.

The Wallace Brothers' midway, which has catered to first-class E.T. fairs, is on the grounds, and every afternoon and evening a vaudeville performance will be given with a special programme of an entirely original nature for the local fair.

The Bedford Harmony Band will be on hand for the parades tomorrow and Saturday, the vaudeville shows will also give concerts of their own.

For the horticulturists there is a great number of exhibits of fruits and vegetables. In this section the judging will be done by James Aitkin, of Phillipsburg, while for the fairs, the prizes will be awarded by Miss Lucie Gosselin, of Notre Dame, and Miss Lois Vosburg, of Noyan, in the Floral Hall exhibits, which include fancy and domestic work, as well as flowers, potted plants and cooking.

Another women's venture is the drawing for a "hope chest" and the booth in charge of the Mission Chapter of the Imperial Order Daughters of the Empire.

The entries in the poultry and cattle classes are numerous, with several good herds of beef and dairy cattle entered, and in the carriage and horse classes the high standard of the Missisquoi County breeds of horses is well represented. For both the stock and poultry classes judges have been supplied by the Department of Agriculture.

Army Chaplain Gave Up Life-belt to Another Man During Sinking of Lancastria at Evacuation.

London, Aug. 29.—(P)—A Roman Catholic priest—an army chaplain since the outbreak of the war—was one of the silent heroes of the sinking of the Lancastria, bombed in the English Channel by German airmen while evacuating troops from France.

Rev. Charles McMenemy, thirty-five-year-old London Scot gave up his life to another man on the sinking ship and floundered about in the icy water for nearly an hour before a rescue craft picked him up.

The priest spent a fortnight afterwards with Rev. William Attree, a former associate, but he made no mention of his act.

"I heard about it from another priest who was also a survivor," Father Attree said. "Father McMenemy would not say anything about an action of that sort. He was always a strong swimmer, but even a strong swimmer was risking his life in these circumstances by giving up his life."

Father McMenemy is now with an anti-aircraft unit in the North of England.

He did not comment on the possibility of his country establishing bases in this area. He said, though, the group hoped to visit Newfoundland, generally regarded as the most likely site for any United States bases in British North American territory.

Length of the proposed stay in this Eastern Command, which includes Newfoundland, was not known today. It was expected to be only a few days, however.

The United States delegates with Capt. Hill were Lt.-Col. J. T. McNamery, of the United States Army Air Corps and Cmdr. Forrest P. Sherman, U.S.N. Capt. L. W. Mur-

# Importance Of Agriculture To War Effort Emphasized

## Premier Adelard Godbout Is Guest Of E.T.A.A. Officials

### Witnessed Livestock Parade and Visited Numerous Exhibits — Declared in Brief Message to Breeders that Agriculture Has Important Role to Play in Prosecution of War—Continued Fine Weather Assures Success of Local Exhibition.

The essential basis for most fairs and exhibitions, the development of agriculture in all its branches was stressed yesterday at the Sherbrooke Fair, the Junior Farmers' organizations and the livestock parade proving the feature attractions of the day. During the afternoon, the Fair was visited by Premier Adelard Godbout, who also occupies the post of Minister of Agriculture in the Quebec Government.

After witnessing the parade of the prize horses and cattle and the demonstration by the Junior Calf Clubs, the Premier addressed the audience on the Grand Stand briefly, paying special attention to the young farmers present. Reviewing the splendid work being carried on by these and similar organizations, the Premier declared that the agricultural population of the country was making an important contribution towards the winning of the war. Furthermore, he was convinced that it would be upon a solidly-placed agricultural organization that the country would be able to rebuild itself economically when hostilities ceased. Emphasizing the importance of agriculture to the war effort, the Premier declared: "While the battalions of soldiers engaged in front line fighting are essential in the winning of the war, battalions of trained farmers producing food and other necessary supplies are equally important."

Although the time at the disposal of the Premier was limited, having another engagement in Quebec for the evening, he remained on the Grandstand for the entire performance and until the conclusion of the horse races.

The Grandstand performance last evening created a favorable impression upon the near-capacity audience which viewed the brilliant spectacle, considered the best attraction ever presented on a local stage. Several changes in the programme are scheduled for this evening and tomorrow night and the directors in charge are convinced that the high attendance of last evening will be repeated. Judging was continued throughout the day in the various classes, the prize lists in several divisions having been completed.

Continued fine weather, which has blessed the Fair since it threw its doors open Sunday, promised another good crowd today and the directors are hopeful that, despite the many difficulties created by war conditions, another good attendance today and a favorable Friday through will bless their 1940 efforts with success.

Always the chief attraction from the agricultural point of view at any fair or exhibition, the livestock parade at the Sherbrooke Exhibition yesterday proved no exception to the rule. Although wartime conditions have forced a curtailment of the prize list and a consequent reduction in the number of classes and entries, the number of animals on the grounds is still substantial and owners of good stock found much pleasure in the display.

The parade yesterday, which will be repeated again this afternoon, was witnessed by Hon. Adelard Godbout, Premier and Minister of Agriculture for the Province, who was accompanied by a number of Department of Agriculture officials. Headed by the Harmony Band, the horses were the first to make their appearance, starting with the Belgians. They followed the Percherons, Clydes and Canadians.

At the conclusion of the horse parade, the cup for the best commercial horse on the grounds was presented by President Louis F. Codere to the Dent Harrison entry from Montreal. Among those entering horses in the parade were John D. Stalker, of Kingsbury; Winston H. Duffy, of South Durham; National Breeders, of Montreal; M. D. Corey and Sons, of Hatley; Jean Marie Petit, of Waterville; A. J. Hyde and Sons, of South Durham; Joe Hamilton and George B. Beaulieu, of Lennoxville; C. P. French, of Cookshire; Alfred Furtier, of Martville; and E. C. Ross, H. R. Ross and Leslie E. Doyle, of Sherbrooke.

The cattle were less numerous than usual, the dairy herds being confined to four classes, Jerseys, Holsteins, Ayrshires and Canadians. The four most popular breeds in the district. The herds in the parade were entered by: Ayrshires: G. H. Montgomery, of Phillipsburg; Benedictine Fathers, of Bolton Centre; A. J. Hyde and Sons, of South Durham, and St. Marie, of Cookshire; Jerseys: J. Holstein; George B. Beaulieu, of Lennoxville; H. W. Burton, of Waterville; Corey and Son, of Hatley; and Wilfred Verville, of Arthabaska.

## BANK MANAGERS TENDER DINNER TO W. O. NICOL

W. O. Nicol, who is retiring as Manager of the Sherbrooke branch of the Bank of Montreal, which position he has held for the past four and a half years, was the guest of honor last evening at a dinner reception held at the New Sherbrooke House by the managers of the surrounding branches of the institution.

Mr. Nicol, who has been in the service of the Bank of Montreal for the past thirty-seven years and manager of various branches for twenty-seven years, is being succeeded by B. L. Curphey, at present manager of the bank's Hall branch. Mr. Nicol came to Sherbrooke in March of 1936.

The dinner was attended by twenty-five representatives. B. C. Gardner, Assistant General Manager, complimented Mr. Nicol upon his successful career in the service of the bank, while H. N. Becker, Manager of the Richmond branch, proposed a toast to Mr. Nicol and C. S. Lesperance, of Victoriaville, proposed a toast to Mr. Curphey. The dinner was presided over by E. A. Hibbard, and among those who attended were H. E. Beiber, pensioner; R. B. Moyses Manager, Waterloo; L. A. Laberge, Manager, Belvidere and King Branch; H. C. Barter, Manager, Cookshire; H. R. Allan, Manager, Knowlton; J. Desmarais, Manager, Arthabaska; O. T. Webber, Manager, Bury; J. G. Lussier, staff, Sherbrooke; G. E. Blais, Manager, St. Cesaire; H. N. Becker, Manager, Richmond; C. J. Picard, Manager, St. Jean; V. A. Brabant, Manager, Megantic; T. G. Hodgins, Manager, Sawyerville; J. A. Fisher, Manager, Cowansville; S. Cowans, staff, Sherbrooke; J. A. Lemieux, Manager, St. George de Beauce; A. W. Ling, Manager, Magog; R. Lalapalm, staff, Belvidere and King Branch, Sherbrooke; M. M. Ferrigan, staff, Sherbrooke; J. W. Montambault, Manager, Roberval.

During the course of the evening Mr. Nicol received a telegram from the General Managers, Jackson Dodds and George W. Spinney, extending their congratulations on his many years of faithful service.

## First Results From Showmanship Classes In Calf Clubs Contests

Results of the Provincial Judging Contest to select a Province of Quebec team to take part in the national competitions next winter in Toronto and Ottawa will be made known this evening when the members of the Quebec Junior Livestock Clubs held their annual banquet in the Arena Building. The outcome of the first showmanship contests, open only to boys and girls of Sherbrooke and Les Bois Francs districts in both individual and group classes, was made public by Calf Club officials, this evening, and today the young breeders resumed their competitions in showmanship and halter-making classes.

Although the Provincial Judging Contests were completed last evening, results will not be known until tonight because of the extensive tabulation work involved.

Among the eighty-five members who took part in yesterday's showmanship competition, exhibiting calves of eight months and under, were four girls who distinguished themselves by placing first and second in the Holstein division and second and third in the Jersey section of the individual classes, and in the group contests by helping their partners to two firsts and one second in the Holstein and Jersey categories.

The Calf Club members will hold a grand parade this afternoon and tonight for the city and visit the Vacation Colony and the Lennoxville Experimental Farm. The results of the contests in the Showmanship Classes follow: Ayrshire (38 entrants): 1—Leonard Lafore, St. Ferdinand, Megantic; 2—Clement Lavallee, Roxton Falls; 3—Winfred Durrell, Foster; 4—Rene Guay, Kingscroft; 5—Raoul Bergeron, Ste. Miss Uldene Bolpitt entertained fourteen friends at a charmingly arranged party at her home on Main Street in honor of Miss Helen Hilliard, whose marriage takes place this week-end. Croquinoise and Chinese Checkers were enjoyed during the evening, and later the guest of honor was presented with a handsome table lamp by the hostess on behalf of those present. Miss Hilliard thanked her friends for their gift and the accompanying good wishes. This happy occasion was concluded by the serving of dainty refreshments by Miss Bolpitt, assisted by her mother, Mrs. Bolpitt, and by Mrs. Austin Dillon, of Sherbrooke. Mrs. A. G. Hilliard, mother of the bride-to-be, did the honors at the beautifully appointed tea table, which was centered with a low crystal bowl of mixed summer flowers and the gleaming silver tea service.

Mr. and Mrs. Kenneth McLeod, accompanied by Mr. and Mrs. J. E. Dewhurst and Mrs. Archie McMullen, left by motor this morning for Verdun, where they were called by the death of Mrs. Garnet Dixon, mother of Mrs. Dewhurst and Mrs. McMullen, who passed away suddenly on Monday evening.

Police investigation into the death of an infant near Scots-town has indicated that the child was still-born. Coroner Leonidas Bachand reported here this morning.

## POLICE HAVING QUIET TIME ON FAIR GROUNDS

The days when fairs were wild and woolly and the fair-goer went in fear for his purse and sometimes his person, are gone forever, at least in Sherbrooke, according to Sergeant Arthur L'Heureux, in charge of the Police and Fire Bureau on the Exhibition Grounds. The seventeen men, who comprise the police detachment at the Fair, patrol the grounds regularly, keeping a wary, if seemingly casual, eye on all suspicious looking characters. Up to last night they had made only four arrests, one Monday, one Tuesday and two yesterday, all of them men who were under influence of liquor.

## LOCAL SUICIDE CASE IS PROBED

### Suicide Verdict Returned in Case of Howard E. Bailey, of Nestleton, Ont.

A verdict of suicide through asphyxiation by industrial gas was returned by Coroner Leonidas Bachand at the inquest held last evening at No. 1 Police Station in the case of Howard E. Bailey, of Nestleton, Ont., whose body was found yesterday morning at the apartment building at 47 Depot Street in this city.

The deceased registered on Monday under the name of Harry Kirby, of Cornwall, Ont., and paid for two days in advance. He brought no luggage with him and told the proprietor that he was in the habit of sleeping late in the mornings and did not wish to be disturbed. The night before last he returned to his room carrying a small parcel. Yesterday morning the maid paid no attention to his room, but later some of the other roomers complained to the owner of an odor of gas. The police climbed to the roof and looking through the skylight the policeman saw the body of the man, fully clothed, lying on the bed. Upon knocking into the room they discovered that he had loosened the jet of the gas pipe running through his room, with a wrench which police found in his coat pocket. His car license identified him as Howard E. Bailey, of Nestleton, Ont.

Witnesses at the inquest were Dr. J. A. Dion, J. A. Theriault, and J. B. Ranger, N. Fortin, Sgt. G. Boudrais, and Pierre Arcand, of the Municipal Police.

The jury was composed of E. Montigny, J. Lemontaigne, Paul Bilodeau, A. Noiseux, E. Beaudoin and Victor Talbot.

A country pupil wrote the following "howler" in a recent test paper: "A minister without portfolio is a clergyman who doesn't need notes in the pulpit."

## Recommends Public Market System As Best Agency To Fix Adequate Prices Between Producers, Packers

"There is a need for a honest agency to fix adequate prices between producers and packers and I believe this agency is the public market system," stated Roy McPhail, of Winnipeg, Man., Secretary of the Canadian Livestock Sales Agencies, who was guest speaker at a banquet by the Commission Agents of the Montreal Livestock Exchange to over fifty officials and organizers of the Sherbrooke Fat Stock Sale last evening at the Masog Hall.

Mr. McPhail, stressing the benefits of shipping livestock to open markets in preference to selling privately to firms, stated that when farmers offer their stock to the open markets it is sold at its full market value, owing to the competition among the fifty to seventy-five buyers who are on the market daily. He said that the work which is carried on at the markets is highly technical, and because these agents know the trend of the market better than the average person, they are better qualified to sell than the farmer who endeavors to sell directly to the packers. Furthermore, the packer must match his competitor and therefore must buy as cheaply as he can. "The public market is fair both to the producer and the packer," he said.

The speaker added that the livestock industry is going to be more and more important in the country's agricultural life, whether in the East or the West. Dr. Adrien Morin, Deputy Minister of Agriculture for the Province of Quebec, stated that the Government is doing all it can to improve the land, so that livestock will be of a higher grade. He pointed out that the quality of the milk-fed veal calves of this Province has improved to such an extent that on several occasions they have been singled out for special mention in the market reports published by the U.S. Department of Agriculture Marketing Service at Washington. Dr. Morin stressed the fact that Quebec veal calves on some occasions obtained better prices on the New York markets than any others. Quebec's twenty-five agricultural schools, he said, are greatly contributing to the betterment of the livestock industry.

The chairman, M. G. Donovan, President of the Montreal Livestock Exchange, praised the work done by Quebec's Agricultural Department and stated that one big handicap of the producer is the seven- and two-hour interval in the shipping of his products to New York. "Negotiations have been started," said Mr. Donovan, "whereby this interval could be reduced to fifteen or twenty-four hours."

Some five years ago, Mr. Donovan said, he spoke to Dr. Morin to have farmers produce better milk-fed veal calves, and it was largely through Dr. Morin's good work that the standard of production has been steadily increasing. R. K. Bennett, chief hog grader in Montreal for the Dominion, presented a report of last year's sale, saying that the average prices obtained were very good, the 474 steers, hogs and lambs sold bringing a gross value of approximately \$18,000.

D. A. Finlayson, Assistant Superintendent of the Experimental Farm, Lennoxville, and Treasurer of the Sherbrooke Fat Stock Sale submitted a financial statement for the current year. W. E. Watson, Manager of the Montreal Stock Yards, congratulated the Directors of the E.T.A.A. on the Sherbrooke Exhibition and gave a brief outline of the history and functions of the Montreal Stock Yards. He pointed out that some \$12,000,000 worth of stock is handled here annually and, considering that it is done verbally, except for a sale ticket, this testifies to the trust which is placed in the market. "It is available as a public market for all who wish to use it, private sellers or otherwise," he said. The chairman extended his thanks to the speakers and those who had made the event possible. Wesley J. Nichol, of Lennoxville, expressed thanks to the Montreal Livestock Exchange for their hospitality. Others who spoke briefly were Stephane Boly, Federal Department of Agriculture, Louis F. Codere, President of the E.T.A.A., L. C. Roy, Superintendent of the Agricultural Department of the C.N.R., and J. A. McClary, former Superintendent of the Lennoxville Experimental Farm. Other guests present included R. G. Davidson, M.P. for Stanstead and a Director of the E.T.A.A.; J. A. Ste. Marie, Superintendent of the Lennoxville Experimental Farm; Alderman J. E. Lacroix, who represented Mayor Joseph Labrecque; Alderman C. Ross, a Director of the E.T.A.A.; W. G. MacDougall, District Agronomist; F. W. Webster, Vice-President of the E.T.A.A.; J. K. Flaherty, Vice-President and Editor of the Sherbrooke Record, and A. W. Reid, Publisher and Editor of the Sherbrooke Telegram.

## MARRIAGES

**ROSS—WALLEY**  
The marriage of Charlotte Louise, daughter of Mr. and Mrs. N. E. Walley, of Sherbrooke, to Mr. Donald Ross, son of Mr. and Mrs. D. M. Ross, of Lennoxville, is taking place quietly in St. Peter's Church, at four o'clock this afternoon, the Rev. Canon H. Reginald Bigg officiating.  
The bride, who will be unattended, will be given in marriage by her father, and will wear a navy and white print dress, a navy redingote, hat and accessories, and a corsage of bouvardia and Sweetheart roses.  
Mr. William T. Ross will act as best man for his brother.  
Immediately following the ceremony, the bride and groom will leave by motor for Quebec City and the North Shore, the bride travelling in her bridal costume.

**WARD—SUTTON**  
East Angus, Aug. 29.—A quiet wedding took place at St. Peter's Church, Sherbrooke, on August 18th, at 4 p.m., when Miss Glenna Gertrude Sutton, daughter of Mrs. W. J. Sutton, of East Angus, and the late Mr. Sutton, became the bride of Mr. Duncan Alfred Ward, son of Mr. and Mrs. A. E. Ward, of Danville, Canon H. R. Bigg officiating. Only the immediate members of the families were present.  
The bride, who was unattended, was given in marriage by her brother, Mr. M. Sutton, and wore a costume of light navy blue with darker accessories, and wore a corsage of dark red roses and bouvardia.  
The couple left immediately after the ceremony for a two-weeks' motor trip through Ontario. On their return, they will reside in East Angus.

**BRAULT—JARRY**  
Cowansville, Aug. 29.—A marriage of much interest to the people of Cowansville took place at the Cathedral in St. Hyacinthe on Monday morning, August 26, when Miss Simone Jarry, only daughter of Mrs. F. X. Jarry and the late Mr. Jarry, and Mr. Francois Brault, son of Mr. and Mrs. J. H. Brault, both of Cowansville, were united in marriage, Father Cloutier officiating.  
The bride, who was attended by her brother, Mr. Conrad Jarry, looked very charming in a tea rose-colored dress with bolero, both unbordered in the same shade, and a

## Social and Personal

Mr. F. E. King, Newton Street, is leaving on Saturday to spend some time visiting friends in Quebec City, Levis and Riviere du Loup.

Mr. R. H. Moulton, Traffic Superintendent of the Bell Telephone Company in Sherbrooke, has been transferred to Montreal, and is leaving on September 9 to assume his new position.

Mr. and Mrs. R. H. Moulton and Mrs. E. W. Van Luven, "Miramar," Ontario Street, have just come back from a motor trip around the Gaspe Peninsula, returning via New Brunswick and stopping for two days en route for home at Legare's Fishing Camp.

## Women's Clubs

**BELVIDERE W. I. MEMBERS GUESTS OF MRS. TARTE AND MRS. WELLS FOR AUGUST SESSION**

Of special interest was the large-attended August meeting of the Belvidere W. I., held at the home of Mrs. F. Tarte, with Mrs. Wells acting as joint hostesses.

An outstanding feature was the annual flower show in which all members are intensely interested. Miss F. I. Drummond, President, presided, and after all routine business had been disposed of, Mrs. H. R. Ross introduced Mr. Cecil Tarte, who gave an interesting and instructive talk on "Winter Care of Shrubs and Balbs."

The flower show and the awards, a daintily wrapped prize being presented to each winner, occupied some time and proved an enjoyable feature of the pleasant afternoon. Mrs. F. Parkin kindly offered to combine the squares knitted by the members, into an afghan to be used for refugee work, and it was decided to purchase print for aprons to be sold at the annual chicken-pie supper to be held early in September. Mrs. I. Smith kindly offering her home as a meeting place for members to assemble for sewing.

Refreshments were served by the hostesses at the close of the business meeting, the Misses Pearl Wells, Peggy Gilles and Eulah Wells assisting.

Price list for the flower show: Phlox, first, Mrs. J. W. Gilles, second, Miss Drummond; pansies, first, Mrs. C. Drummond, second, Miss F. I. Drummond; dahlias, first, Mrs. H. R. Ross, second, Mrs. J. W. Gilles; nasturtiums, first, Mrs. C. Drummond, second, Mrs. W. Dobb; single petunias, first, Mrs. F. Tarte, second, Mrs. F. Parkin, and gladioli, Mrs. C. Drummond.

## I. O. D. E. BOOTH AT FAIR WELL PATRONIZED

Splendid success has attended the 53rd Chapter I.O.D.E., at its refreshment booth in the Main Building at the Exhibition grounds, of which Mrs. R. M. Loughheed, Regent, and Mrs. T. A. Loughheed are joint conveners.

Today they will be assisted by Mrs. F. Cathcart, Mrs. B. Gime, Mrs. F. A. Cutler, Mrs. E. Worby and Mrs. J. Boland.  
Among those who have already been on duty are Mrs. E. Samson, Mrs. E. Davies, Miss E. Sykes, Mrs. H. Maskell, Mrs. S. Spanswick and Mrs. M. Dearborn.

The Chapter gratefully acknowledges a donation of one dollar from the Fuller Brush Company, towards the proceeds from their refreshment booth.

## FITCH BAY

Mr. E. A. McKee spent a week-end with his mother, Mrs. John McKee, of East Angus.

Mr. and Mrs. Harry Magoon and son, Paul, of Wells River, Vt., spent a few days here with the Misses Dolloff.

Mr. and Mrs. L. A. Rollins and four sons, of Holland, Vt., were guests of Mr. and Mrs. R. L. Cooke.

Mr. W. J. Ridway has gone to camp with the 74th Battery R.C.A. at Farnham.

Mr. and Mrs. John Wyman, Wesley and Robert Wyman, of Newport, Vt., were guests of Mrs. Nettie Wyman.

Rev. B. Watson, Mrs. Watson, Gordon and Cyril Watson spent a few days at Ayer's Cliff, the guests of Mrs. Paul and Miss Flora Paul.

## PARTY GIVEN BRIDE-TO-BE AT FARNHAM

Farnham, Aug. 29.—Miss Margaret Barber entertained at her home in honor of Miss Beatrice Baker, bride-elect. The house was decorated with gladioli and assorted flowers. Bridge was played, and prizes won by Mrs. Jack Henderson, Miss Beatrice Baker and Miss Merle Williams. At the end of the evening, Mrs. Henderson and Miss Williams handed their prizes over to the guest-of-honor, in accordance with an old custom. Several small favors won by the other guests were also given to Miss Baker.

In the course of the evening, Rev. R. G. Asch, of St. James' Church, presented Miss Baker with a prayer book, the gift of St. James' Sunday School. For several years Miss Baker has been a Sunday School teacher, and has always displayed keen interest in the work of the church.

Refreshments were served by the hostess, assisted by her sister, Miss Janet Barber, and by Miss Audrey Asch. At the close of the evening numerous gifts, in the form of a "personal shower," were presented to the bride, who charmingly thanked her many friends for their thoughtfulness.

## FARNHAM GUILD ANNUAL FLOWER SHOW A SUCCESS

The sixth Annual Flower Show sponsored by the Ladies' Guild of St. James' Church was held in the Church Hall on Friday and Saturday, August 23 and 24. A large number of exhibits were placed on display and the flowers on the whole were of exceptional beauty. The display of gladioli entered by Mr. H. V. Firth was of particular interest and furnished a splendid background for the other plants and flowers.

In the unavoidable absence of Mr. L. Bordeleau, of the Experimental Farm, the judging was done by Mr. S. Sautry, an expert on flowers and shrubs. His Worship Mayor Fortin, accompanied by Mrs. Fortin, opened the show at three o'clock Friday. His Worship spoke words of encouragement to the sponsors and praised the fine effort of those who seek in this way to encourage citizens to beautify their homes and gardens.

Dr. Brosseau, an Alderman of the town, also spoke, and said that such a show should be more widely patronized by a large number of citizens. He also congratulated the management on the arrangements and general beauty of the hall. Mrs. A. E. Cook, on behalf of the Guild, thanked the Mayor and Alderman for their presence and encouragement.

The thanks of the ladies are extended to all those who helped by contributing prizes and those who in many other ways gave time and thought to the enterprise.

After the brief ceremony afternoon tea was served and the various booths of fancy work and home cooking were thrown open to the visitors and remained open both Friday and Saturday. At the close, the prizes were distributed by Mrs. A. E. Cook, President, and Mrs. R. G. Asch, Secretary of the Guild. The following is the list of the varieties on display with the winners in each class, together with the names of those who made donations: Asters, ball or comet; 1, P. Ingram; 2, Mrs. C. McCorkill. ## Mind Your Manners

Test your knowledge of correct social usage by answering the following questions, then checking against the authoritative answers below:

- 1—If you place a long distance telephone call when you are a guest in a friend's home, is it all right to guess how much it would cost and leave that amount in payment?
  - 2—Must calling cards be engraved, or are printed ones correct?
  - 3—Is a man's card larger or smaller than a woman's card?
  - 4—If one has an address on a calling card, where should it be?
  - 5—Are nicknames ever used on calling cards?
- What would you do if—  
You are a man who has a grown son with the same name as your own—  
(a) Have "Senior" on your cards?  
(b) Let your son have "Junior" on his?

## ANSWERS

- 1—No. Ask the operator how much the call cost, and leave the exact amount.
  - 2—They should be engraved.
  - 3—Usually smaller.
  - 4—In the lower right corner.
  - 5—No. Neither should initials be used, but the name engraved in full.
- Best "What Would You Do?" solution—(b). It is not correct for a man to have "Senior" on his cards.

## RED SCHOOLHOUSE IS MAKING RAPID EXIT

New Westminster, B.C., July 29.—The little country schoolhouse is fast becoming a thing of the past in British Columbia's Fraser Valley and other rural areas, and next term many a farmer's son and daughter will troop to a school as modern as any attended by their city cousins.

The small one-room "little red schoolhouse," where many men now prominent in public life got their first taste of three "R's," are quickly being replaced by modern new halls of learning, fed from far and wide by the school bus. The new structures embody home economics and gymnasiums, formerly frowned on by the rural folk.

For years the farmer vote in the Fraser Valley turned down school by-laws embodying modern "frills." Farmers claimed their boys could exercise "pitching hay." Their wives believed in teaching the daughters culinary art in the home kitchen instead of at school.

But this year, these ideas seem to have been swept aside, and the Fraser Valley is now launched on a modern school programme. New junior-senior high schools are being erected in Burnaby, Surrey and Maple Ridge Municipalities at a total cost close to \$400,000, part of which is being contributed by the Provincial Government. They will provide all modern education facilities for more than 1,500 students.

# PARTY HELD IN FAREWELL TO REV. E. T. CAPEL

### Members of St. Paul's Church Bid Goodbye to Rev. E. T. Capel and Family, Who Are Moving to Ontario — News Budget from Knowlton.

Knowlton, Aug. 29.—At St. Paul's Rectory, a farewell party took place in honor of Rev. E. T. Capel, Miss Margaret Ramsey and Miss Gertrude Capel, who are leaving Knowlton to take up residence in Brantford, Ont. All the members of the parish as well as friends of the Capel family were present, and on behalf of those present, as well as the heads of the Anglican Church in this district, Rev. A. E. Rollit, Rector of St. Paul's expressed regret at the departure of the family from Knowlton, and extended best wishes for their happiness in their new home. A afternoon tea was served by several of the ladies of the church, with Miss Mary Knowlton pouring tea.

## KISS YOUR TIRED FEELING GOODBYE!

**Peppermint Suffer Low Blood Count—And Don't Know It.**  
The baffling thing about low blood count is that you can't see it as much as you ever did—even look healthy and strong, yet you can feel as if you had lead in your legs, drowsy, tired and nervous.  
Low blood count means you haven't got enough red blood corpuscles. It is their vital job to carry life-giving oxygen from your lungs throughout your body. And just as it takes oxygen to explode gasoline in your car and make the power to turn the wheels, so you must have plenty of oxygen to explode the energy in your body and give you going power.  
Get Dr. Williams' Pink Pills today. They are world-famous for the help they give in increasing the number and strength of red corpuscles. Then with your blood count up, you'll feel like bounding up the stairs as if you were floating on air. Ask your druggist for Dr. Williams' Pink Pills today.

## \*MARY HAD A LITTLE LAMB

...it didn't AGREE with her...  
...not surprising because Mary had for years been a martyr to usual "stomach-aching" stomach pains. Pork, veal, rich gravies and fancy sauces meant stomach tortures to her. She'd be that way if I hadn't told her my secret of perfect stomach health... # When you think... WOW! DOES THAT MAKE MY MOUTH WATER!

"Kellogg's rate FIRST for flavour"  
"It is by my judgment of fine shades of flavour," writes Rolland Riendeau, Coffee Blender for London House Coffee, "that I earn my living. So I was interested to enter this blindfold taste test of the four brands of corn flakes. I didn't know one sample from another except by number. It was easy, however, to decide that the sample I later identified as Kellogg's, rated first for flavour!"

### You know your breakfast will give you the nourishment you need!

It's a fact! We haven't time nowadays, to work up an appetite for breakfast. So we need an extra tasty, easily-assimilated meal! That's why crisp, delicious Kellogg's Corn Flakes, jam-packed with "carbohydrate" energy, make the right modern breakfast for your family. They're so nourishing, too! An average serving of Kellogg's Corn Flakes with cream and sugar gives you 22 1/2 calories

—quite as much as slower-to-prepare heavier foods. And they sell so fast they always reach you fresh! Make tomorrow the day you taste this grand flavour again! You will enjoy Kellogg's Corn Flakes for breakfast and for a bedtime snack. Or if you breakfast away from home, insist on getting the wax-wrapped individual package. Made by Kellogg's in London, Canada.

• The family's choice across Canada! Last year impartial investigators asked 2000 housewives from coast-to-coast, this question: "What is your family's favourite ready-to-eat cereal?" As compared with any other corn flake mentioned, the vote was Kellogg's FIVE TO ONE! They're a boon to housewives, too—no messy pots and pans to clean!

THESE DAYS THERE ARE SO MANY WAYS A WOMAN CAN HELP. I'M GLAD OF A BREAKFAST WHICH TAKES ONLY 30 SECONDS TO PREPARE

Kellogg's Flavour, result of a formula which only Kellogg's knows, makes Kellogg's Corn Flakes the world's most popular ready-to-eat cereal! Economical, too! Have you tried the new family-size package?

### YOUR BREAKFAST MUST DO 3 THINGS...

- 1 No time nowadays to "work up" a breakfast appetite. Kellogg's toasted Corn Flakes are the modern breakfast! Their tempting Kellogg's flavour helps WAKE YOUR SLEEPY STOMACH!
- 2 To start the day at top speed, you need energy quick! A big bowlful of Kellogg's Corn Flakes—rich in "carbohydrate" energy—is just what you need to help START YOU QUICK!
- 3 A breakfast with Kellogg's Corn Flakes and cream and sugar goes on releasing energy for hours—helps avoid that mid-morning slump. They HELP KEEP YOU GOING!

## MANY FEATURES PROVIDED FOR DANVILLE FAIR

### Sixty-Fourth Annual Fair Opens at Danville Tomorrow with School Fair Exhibits Featuring First Day.

Danville, Aug. 29.—The Danville Fair under the auspices of the Danville Union Agriculture Society, will inaugurate its sixty-fourth annual exhibition tomorrow. The youngsters will have their innings the first day when the exhibits of the School Fair will be placed and judged, with the exhibits of the elders on view Friday evening and judging early Saturday.

A midway will be on hand to amuse the children, and grown-ups alike. The Asbestos Harmony Band will be in attendance Friday night and all day Saturday.

This fair, which has usually been held the last Friday and Saturday in September, has been moved along a month to give the exhibitors a better chance, as frost has quite frequently in the past destroyed much of the fine produce before the opening of the fair.

The Danville Exhibition is open to exhibitors from the Town of Asbestos, Municipalities of Shipton, Danville, Kingsley Falls, Ingwick and St. George de Windsor.

The new hall, where the many exhibits will be housed, was completed during the past year and it is certainly a credit to the community to have such a fine building in which to show their produce, and hold social functions.

Several halter and carriage classes are scheduled for the final afternoon, and many horses of prominence will be on hand to compete for the ribbons. A long list of prizes are offered in the dairy and beef cattle section, as well as for sheep, swine and poultry. A special interest is taken in the children's section, where boys and girls under sixteen can apply their talent in many ways.

Following is a list of the officers and directors for the ensuing year: Honorary Presidents: J. P. Mullins, M.P., and S. Desmarais, M.L.A.; H. W. Goodenough, President; Albert Olney, Vice-President; H. S. Brown, Secretary-Treasurer.

Honorary Directors: H. H. Cleveland, C. Perkins, H. I. Elliott, J. A. McCallum, C. Boisvert, Ira Olney, C. Bourner, L. C. Morrill.

# WINDING UP PROVINCIAL LEAGUE SCHEDULE

## Granby Red Sox Lose Out To Trifluvians By Score Of 2-1

With All Four Teams in League Assured of Play-Off Berths, Formalities of Finishing Off Schedule Being Completed—Athletics Still Have Chance of Beating Out Saints for Pennant.

Certain to finish in playoff berths in third and fourth place, respectively, Granby Red Sox and Three Rivers Black Sox are merely going through the formalities of finishing off their Provincial League season.

The Black Sox defeated Granby, 2-1, at Three Rivers last night in the only league match played. The first-place St. Hyacinthe Gauls and second-place Quebec Athletics, who still have a slim chance of beating out the Saints for the pennant in the remaining three days, were unscheduled.

Although in the bottom two places in the four-team circuit, both Three Rivers and Granby are certain to make the playoff round. Two teams, Drummondville and Sherbrooke, dropped from the league during the season to put all the other four automatically in the playoffs.

Three Rivers, four games behind Granby in last place, defeated the Red Sox last night behind the seven-hit hurling of Pitcher Wright. The Trifluvians meanwhile bagged only five off Leonard on the Granby mound but bunched them better.

Granby took the lead in the fourth inning when Clark singled and scored

on a fielder's choice after advancing on Hammond's single. In the sixth, however, Three Rivers rallied for two runs when Pitko drove home Small and then scored on a sacrifice fly.

## MISS TRIGANNE AND DESEVE IN ST. FRANCIS WIN

Louise Triganne and Gerard Boudreau Captured Second Berth in Lucky Partner Night Held Last Evening.

Andree Triganne and Lionel Deseve captured top honors in the Lucky Partner Tournament held last evening at the St. Francis Tennis Club in which sixteen players participated. Runners-up were Louise Triganne and Gerard Boudreau.

Tennis Club officials issued a reminder today about the St. Francis Tournament and urged prospective participants to register no later than six o'clock Friday night at the club or with J. A. Salvail.

Players who took part in the Lucky Partner Night were, in addition to the winners and runners-up, Gisele Lemay, Helen Wolfe, Pauline Goyette, Betty Dupont, Jeannette Joncas, Gisele Royer, P. E. Vincent, Marcel Renaud, Roland Metivier, Bill Jones, Philippe Routhier and Marcel Gagnon.

Jack Dempsey's autobiography, "Round by Round," will be out Sept. 16.

## ALL-STARS AND PROS LOOK TO BREAK UP TIE

Seventh Charity Game Between Collegians and Pros May See Football Supremacy Decided.

Chicago, Aug. 29.—(AP)—Two of the nation's greatest collections of football stars will be looking for a break tonight—a break in the deadlock existing between the Collegians and the professional champions after six All Star meetings.

The 1940 crop of college All Stars and Green Bay, the professional champions, clash in the seventh annual charity game at Soldier Field with a record crowd of 85,000 expected to watch the battle for an edge in the series.

Since 1934 the Collegians and the Pros have won two games, lost two and tied two. Last year the New York Giants squared matters for the pros by defeating the All Stars 9-0.

Jean Borotra, new French sports czar, has banned all pro sports except cycling. Well, we can remember when lawn tennis powers said none of the pros could play in their tournaments.

## R.C.A.F. LOST SECOND MATCH TO LOCAL LADS

Superheater Scored 4 to 2 Triumph Over Airmen in Exhibition Encounter Played at Windsor Mills Airfield Last Night.

If the R.C.A.F. boys at the Windsor Mills Flying School failed to get their revenge last night when they played a return match with Superheater, Industrial Softball League champs, they can place the blame squarely upon the shoulders of Pitcher Davignon, for it was his two-base clout that brought in the winning runs in the last half of the fifth when the score was deadlocked at 1-1.

Superheater captured a one-run lead when they came to bat in the first frame, Plouffe walking and taking second on a passed ball, to be brought home on Taylor's single. The R.C.A.F. boys tied the score up without any loss of time, McGillivray, who had singled, romping in on Blair's double, in the very next inning.

It was anybody's game then, until the end of the 6th when the Superheater boys went to town to tally three runs. Taylor singled and both O'Connor and Phillipin walked to fill the bases. Davignon's double brought all three in and after that the R.C.A.F. did not have a chance, although they managed to get two men on bases in the 7th and Blair's double brought one in.

The line-ups:  
R.C.A.F.: Black, Martin, Sunborg, Lynburner, McGillivray, McCaulay, Blair, Favreau, Lewis.  
Superheater: Plouffe, Taylor, O'Connor, Phillipin, Davignon, Richards, Bessant, Wells, Arbery, Anderson.  
R.C.A.F. .... 010 000 1-2 5 1  
Superheater 100 003 x-4 7 2  
Batteries: R.C.A.F.: Lynburner and Blair; Superheater: Davignon and Richards.

## Chicago White Sox Are Only One Game From 1st Division

Scored 3-2 Victory Over Boston in Only American League Game to Get by Rain Yesterday—National League Pennant Race Now Seven-Team Affair.

### CLOSE FINISH FEATURED RACE AT FAIR TRACK

Fast Time Recorded in All Events at Second Day of Racing at Sherbrooke Fair.

Amittedly one of the best cards presented on the local track for many years, the second day of harness racing at the Sherbrooke fair yesterday offered many thrills to the grand stand audience. The times were faster than on the previous day and many of the decisions were close, one heat seeing the first and fifth horses over the finish line less than a horse length apart.

The 2:17 pace, Philip Lee, owned by A. Arbie, of Montreal, and driven by Pratte took two of the three heats. The 2:25 trot was won by Babe Gratton, owned and driven by A. Bedard, of St. Marc des Carriers, Que., in three straight heats. The results in detail were:

**2:17 PACE—PURSE \$240**  
Philip Lee (Pratte) ..... 3 1 1  
Homespun (Vigneux) .. 1 3 2  
Joe Todd (Laroche) .. 2 2 4

Time: 2:10, 2:10½, 2:11½.

**2:25 TROT—PURSE \$240**

Time: 2:13, 2:11¼, 2:13¼.

The only thing missing when Jimmy Dykes opened his new bowling and soda emporium in Philadelphia and the other night was for the International Society of Magicians to step up and present him with an engraved card as an honorary member.

If ever a fellow rated it for reaching into hats and pulling out all sorts of surprises, to the red-faced confusion of most of the American League's first division, Jimmy is the lad.

He's been doing it for years, too, out there with his Chicago White Sox. Right now, he's winding up his sixth full season as boss of the Sox, and he stands a good chance to finish in the first division for the fourth time. He's only a game away as a result of his 3-2 victory over Boston Red Sox yesterday in the only American League game to get by the rain.

Jimmy has been doing his tricks year after year with a collection of baseballers which, at best, is nothing to go into ecstasies over. Five of his seven regular pitchers and five of those seeing most action in other spots are more than 30. Jimmy, himself, is a mere 43 and still on the active playing list.

Over in the National League, the pennant race became a seven-team affair yesterday. The Phillies, who never had a chance, anyway, dropped both ends of a doubleheader to some excellent elbowing by Pittsburgh pitchers Truett Sewell and Joe Bowman, and were eliminated mathematically from the flag chase. Sewell tossed a three-hitter in the opener for a 5-0 win, and Bowman came back with a six-hitter for a 5-2 decision.

New York Giants climbed back into a tie for third place by trouncing St. Louis Cardinals, 5-2, largely on homers by Jo Jo Moore and Tony Cucinello. Dick Erickson's steady twirling gave Boston Bees an 3-3 edge over Chicago Cubs, dropping the Cubs into sixth place. The loop's two pace-setters, Cincinnati and Brooklyn, were rained out.

*A statement by the makers of Canada's Finest Ale*

# What we mean by a Mellow Ale

vats : : vats far taller than the famous Black Horses themselves. In these vats, the ale slowly and carefully matures. That is why today Black Horse Ale is never green and never too bitter.

It is given abundant time to develop all the fine, distinctive mellowness that has made Black Horse Ale internationally famous. Nothing can take the place of this patient, thorough maturing in creating a truly mellow ale.

There is a tradition behind Black Horse Ale — and it's been upheld by five generations of brewing skill. It is a tradition that Black Horse Ale will always justify its reputation as Canada's Finest Ale.

This tradition has meant a constant search for ways to make Black Horse Ale even better than ever. That's why the Black Horse Ale of 25 years ago was far better than the Black Horse Ale of 50 years ago. And that's why today's Black Horse Ale is finer than that of any other year in its history.

If you haven't tried Black Horse lately, you have a delicious treat in store. Notice its golden-light colour — clear as crystal. And, notice its flavour : : smooth and wonderfully mellow! There has been no change, however, in the robust body of Black Horse Ale. It's as bracing and stimulating as always.

Don't miss it any longer! Today — treat yourself to mellow Black Horse — more than ever before, Canada's Finest Ale!

## BISONS' DRIVE MAY TAKE THEM TO LEAGUE TOP

Buffalos' 2-1 Win Over Montreal Royals Last Night Puts Them Only a Half Game Out of Fifth Place.

By The Associated Press  
Buffalo Bisons, a half game out of fifth place today, are thundering along at a pace which can easily land them in the first division by September 15, if the clubs ahead don't step up their tempo too much.

The Bisons have won 23 of their last 33 engagements since August 1 with one tied, to advance from seventh to their present position. With twenty games left to play the Bisons look like a good bet to make up the 3½ games which separates them from the first division.

Last night the herd gained ground on everybody with a 2-1 decision over Montreal Royals, when rain and wet grounds caused postponement of the rest of the International League schedule.

Floyd Giebell limited the Canadians to five hits in ringing up his thirteenth victory, while his mates pounded Newt Kimball for nine. He was deprived of a shut-out when Charley Gilbert tripled in the fourth and scored shortly after on Don Ross' single. The winning run was scored in the eighth with two out, when a rookie outfielder, Willard Pike, doubled over third to score Pat Mullin.

### PLATYPUS SKIN RUG TO AID WAR RELIEF

Glasgow, Scotland, Aug. 29.—The Glasgow's Central War Relief Fund stands to be swelled considerably if the Lord Provost can find a buyer for a valuable rug, made from sixty-six skins of the duckbilled platypus, an almost extinct animal found only in Australia.

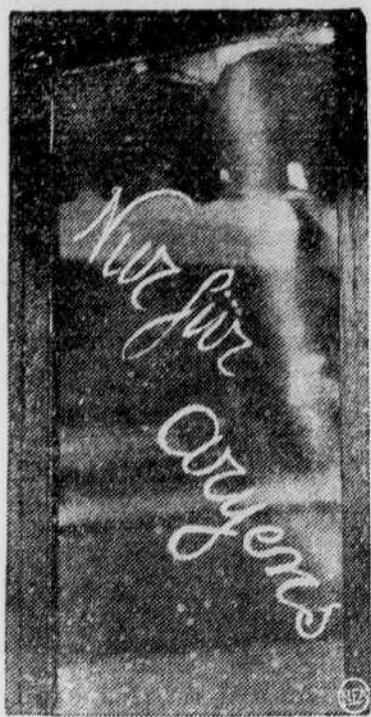

The Lord Provost, whose office corresponds to Mayor of a Canadian city, was presented the rug by John Morgan, a Glasgow business man, who in turn received it from an Australian doctor. It took a hunter several months to get the skins.

The platypus has a beak like a duck, webbed feet and a coat like a cat. It lays eggs and suckles its young.

The country for soldiers invaded from overseas or at home. An emergency call was cabled yesterday from the Overseas Commissioner in London, stating that 100,000 refugees who have fled to England from invaded countries, as well as thousands of evacuated children in Britain, are in desperate need of clothing.

At the same meeting the executive will place before the Council a request from the British Red Cross the 5,000 parcels of food be purchased and packed in Canada every week and sent to British prisoners in Germany.
