GAY GAI CARNIVAL

California Hall
625 Polk

GAI PRIDE WEEK ACTIVITIES

Gai Pride Week activities will begin on Sunday June 18th with a picnic and carnival in Berkeley, EAST BAY GAI DAY and will be held at Willard Park, at the corner of Derby and Benevuenue. It will run from noon til six. And that night, there will be a dance at the East Bay Gai Community Center 2714 Telegraph Avenue, in Berkeley beginning at 8 PM. The film, "Gay USA" will be shown at the Larkin Theatre, 816 Larkin Street in Polk Valley, each night, June 22nd til June 25th.

The Gai Freedom Day Parade begins on Sunday June 25th at 11 AM, forming at Spear and Market Streets, down on the Embarcadero, and will march up Market Street to the United Nations Plaza across to Civic Center Plaza and City Hall. There will be alot of very political speeches, etc., for the rest of the day.

The Gay Gai Carnival, will be two blocks away in the California Hall, and the doors will open at 2 PM and the cost of entry is only \$2 per person and the funds will go to various gai charities. There will be a full liquor bar, disco dancing, game booths, pie-throwing booths, movies, food, lots of it, and various other types of booths sponsored by various Gai organizations and Gai businesses. The Gay Gai Carnival is two blocks up Polk Street, 625 Polk Street, in the California Hall. Call 885-1001 for further info. Elmer Wilhelm of the Minutemen Democratic Club, Lee Raymond, Carl Driver, and Brother Bob are all but a small part of the group who are putting it all together under the sponsorship of Helping Hands Services (OECOG).

Housing for that week is being handled by the Gay Assistance Line 885-1001 and also by the 330 Grove Center, 863-9000. If you want to "crash" visitors to the city that weekend, call either of the numbers. 885-1001 crashes for free, and 863-9000 charges \$2 to listers and crashers both.

There is controversy already, caused by black Supervisor Ella Hill Hutch who "represents" the Fourth District in which the Parade ends. She has voted to halt the Gai Rally afterwards, saying that the city should not be subjected to such a sexual display. Ms. Hutch was supported by the Toklas Democratic Club (gai) and one of the "other" gai papers. This paper charged she was anti-gai all along and have called for a recall drive to oust her as she is in office til 1981 unless gais get it together and throw her out of office. She is supported by the ultra-liberal Democrats of the California Democratic Council.

She has thsuly blocked the site for now, the street closings at least, but, Gai Supervisor Milk is going to bring the issue before the entire Board of Supervisors to vote on where it appears Ms. Hutch and homophobic Supervisor Dan White who supported Ms. Hutch's vote, will both be overturned. If you wish to help oust Ella Hutch, call the Polk Valley Improvement Association or the Teddy Roosevelt Republican Club at 673-8184 for information.

H.M.S. PINAFORE

There are few things more difficult than trying to live up to the reputation of being the best in the world.

"Pinafore" the first of their three presentations here ("Mikado" and "Pirates" also each ran a week) was given a rousing production with the Gilbert wit, thanks to their wonderfully clear enunciation.

Basically a play within a play, what little story line there is, concerns Pippin who is played by MICHAEL RUPERT, elder son of Charlemagne, ERIC BERRY who is far and away the best in the show.

The staging was correctly traditional rather than innovative, the entire cast beautifully voiced, the set of a ship's quarter-deck so authentic looking that one might be excused for wondering if it had been sailed over from England.

Unquestionably those two were both superb artists of enormous talent while in the current production Al Perez and Anita Merzel are merely good.

Enjoyable though I found "Red Peppers" unquestionably the bit of the evening is "The Diary of Adam and Eve" an uproarious comedy based on the premise that the Garden of Eden was an island in the Mississippi.

Perky Pippin

A PERKY "PIPPIN"

When I first heard of the then new hit on Broadway, "Pippin", I was under the impression that it was concerned with apples.

Having seen the Civic Light Opera's production (at the Orpheum thru June 24, 552-0500 for info) I rather wish that either piece of mis-information had been correct.

Which is not to be construed as meaning that "Pippin" isn't worth seeing. It is vibrant, bursting with Director Bob Fosse's zestful choreography, beautifully costumed by Patricia Zipprodt and sporting magnificent sets by Tony Walton.

Basically a play within a play, what little story line there is, concerns Pippin who is played by MICHAEL RUPERT, elder son of Charlemagne, ERIC BERRY who is far and away the best in the show.

The music is more toe-tapping than memorable, the only outstanding number being a rousing show stopper "No Time At All", artfully sold by THELMA CARPENTER in the bit role of Pippin's grandmother.

"Pippin" is an interesting evening of visual interest, especially for the dance enthusiasts but, to me, the most amazing thing about it is how in the world it managed to run for five years on Broadway.

Carole Schweid and Jerry Colker in a scene from "Pippin" At the Orpheum Theatre thru June 24th. 552-0500 info.

HOT SPOTS

HOT SPOTS

'Caught the workshop presentation of The LAMPLIGHTERS. Unbelievable!!! on two counts: that it was a workshop rather than a "main stage" production and that they are all amateurs.

DRACULA had a short run at the Alcazar despite a solid production; and excellent special effects. Too solid (read "stolid") unfortunately; even straight like some things camped up and this badly needed same.

Very possibly the best value for an evening of light entertainment in the Bay Area is Alameda Little Theatre's "A Mighty Man Is He". (Alterna Playhouse, Fri. and Sat. thru July 29, \$3 tops, 523-1553 for info).

Jacques

"JACQUES" IS BACK AT JACQUES!

Ruth Hastings and Co. are back at the Chez Jacques (775-7574 for info) now playing Sundays and Mondays in a truly fine production of "Jacques Brel Is Alive & Well & Living In Paris" which has become something of a cult show.

They are backed throughout by Barry Lloyd on the piano who also sometimes joins in on a chorus and with Alan Nicholson percussion and Seth Evans bass.

TEN INCHES*

Among the many unusual facets of "A Midsummer Night's Dream" is that it can work quite well in grade school production. . . . children can project poetical and magical qualities enough to overshadow the amateur qualities. . . . or it can be magnificent in a high budget, fully professional production, but it rarely works well on a level between these two extremes.

*If you don't know this old joke, ask two people; one of them almost certainly will.

The Lark

A LOW KEYED "LARK"

Lillian Hellman's "The Lark" (at the S.F. Rep thru July 2nd, 863-4859 for info) is a tour-de-force for a young actress but in this production it is John Finch as the Dauphin who garners the acting honors.

Conversely, Patricia Parker's Joan of Arc starts impressively. . . she's at her best in the early scenes as the innocent farm girl. . . . but is so underplayed throughout that one finds oneself waiting in vain for the flashes of inner fire so necessary to make this role convincing.

On the whole, the supporting cast performs well; the costumes, predominately black leotards with white tunics, seem authentically period while the almost bare stage lends itself to Fred Hartman's adroit staging.

Three With Music

THREE WITH MUSIC

At the Once Act Theatre Company. . . (The Showcase) three with music comprise "The Elephant Calf", "Red Peppers" and "The Diary of Adam and Eve".

Question? If Richard Burton were not as great a Hamlet as were either Burbage or Garrick, would he then be not worth seeing in the role? Granted the question is superfluous since Burbage was a contemporary of Shakespeare and Garrick lived in the mid-1770s but the underlying principle applies to "Red Peppers" which was written by Noel Coward for Gertrude Lawrence and herself.

Unquestionably those two were both superb artists of enormous talent while in the current production Al Perez and Anita Merzel are merely good.

Enjoyable though I found "Red Peppers" unquestionably the bit of the evening is "The Diary of Adam and Eve" an uproarious comedy based on the premise that the Garden of Eden was an island in the Mississippi.

Night Shift

A show that has closed but one that deserved better support was "NIGHT SHIFT" at the City, a cabaret type theatre that might do well to stree more legitimate type shows and less night club acts.

This Goldwyn and Worman revue while not of "Broadway" caliber, was an interesting production with a vivacious cast of eight who kept things lively and bouncing right along.

GREATEST THREAT YET!

COUNTY G.O.P. TURMOIL

COUNTRY CHAIRMAN OUSTED IN MAJOR SHOCK! CONSERVATIVE REPUBLICANS APPEAR IN CONTROL! GOP County Chair, John Johnck was very sure of victory as no GOP Chairman had ever been tossed out.

CURB WINS

Mike Curb is the Republican candidate for Lt. Governor, beating out the candidate of the John Birch Society, Mike Antonovich.

Most experts consider Curb an easy winner over the scandal ridden incumbent Lt. Governor, foreign born, Mervyn Dy mally.

YOUNGER PRESSES BROWN. . . . Attorney General Evette J. Younger is pressing Jerry Brown already in his bid to unseat Brown as Governor, and the experts and polls show Younger beating the hell out of the wishy-washy Brown.

MARTHA GILLHAM & MEDINA reported to be the leading candidates for County Chairman of the GOP come January. Martha Gillham was the lady who guided Proposition A forces in their bid to halt District Elections.

Anita Lies Again!!

"Protect America's Children", which is the new organization of homophobe Anita Bryant and her sissy-acting husband Bob Green who "pimps" her around the Bible-belt circuit, has sent out a new newsletter and in this one, Anita claims that the "age of consent in San Francisco is 14!"

Anita states that she has experienced "ugly persecution at the hands of militant homosexuals" (what does she think she is doing to us?), "the blacklisting of my career" (what does she think she is doing to the careers of homosexual school teachers?).

And she cries in the letter that, "And now there is even a motion picture being produced that portrays Jesus Christ as a homosexual!"

And her biggest lie yet, "Already San Francisco has a local ordinance with the age of consent down to 14, . . ." This out and out lie had been sent to over a million Americans, and they in turn most likely believe it, because it came from mis-truth Anita B!!

News Briefs

MOLINE: The Moline police are keeping a "Fairy List", of suspected homosexuals in the area since 1960. Various media people have been shown the list and questioned why it existed.

As promised in my last column, the latest news in the scandal between the Supremes and Motown Records. Mary Wilson, the only original member has two new girls, Karen Ragland, and Karen Jackson.

This despite the fact that Mary owns 50% of the name, Supremes. Former Supremes, Scherrie Payne and Susaye Greene have recruited Joyce Vincent Wilson or Tony Orlando and Dawn, as their new Supreme.

All groups however have changed labels. I would now like to thank some very nice people at the RIP OFF RAG for awarding my column "Best Disco/Music Column"...

ELYSE, THE DIVINE MISS 'S'!

"THE DIVINE MISS S.".....The Elephant Walk will again present "ELYSE" on June 18th at 8 PM.

ELYSE is Ms. Elyse Schiller, a native San Franciscan, and graduate of Lowell High School, and SF State where she studied music.

My impression was that ELYSE is a Bette Midler type grouper. She looks a little like her, and she even sounds more like Bette Midler. Who knows more...maybe someday the number one album will be called "The Divine Miss S", by Elyse Schiller.

They sang everything from Judy Carne's "Free Love" to the Supremes' "Up The Ladder To The Roof". Included in her act are a disco melody including, "Don't Leave Me This Way" and songs from musicals like "Annie" and "The Wiz".

With a five member rhythm section backing ELYSE it is a show worth seeing again. The rhythm section is great, with most of the credit going to Ernie Mansfield, the sax and flute player. He's excellent. Only member of the rhythm section not looking professional was Doug Johnson, the guitar player.

"AGNOS EXPLOITS GAI COMMUNITY"! Charges Dwight Tripp...

DWIGHT K. TRIPP III G.O.P. Candidate Assembly

16th ASSEMBLY DISTRICT RACE IS OFF TO A HOT START AS GOP CANDIDATE, TRIPP ACCUSES INCUMBENT OF BEING A "COWARD" AND OF "DESERTING GAIS" WHEN THEY NEEDED HIM MOST!

Dwight Tripp, Republican activist who was a supporter of Gai-rights long before Art Agnos was out of high school, denounced Agnos for his "playing politics" with the homosexual vote in the 16th District, which is considerable.

Tripp said that for Agnos to show cowardice when the gai community needed him the most, should show responsible Gai people just what kind of a person he is and that if it goes "hot" again, he will once more back out.

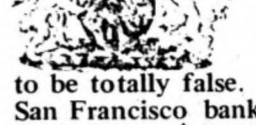

DWIGHT TRIPP 16th Assembly Candidate

Dwight K. Tripp III, a native San Franciscan, from a historic California family that has had great impact upon the early growth of San Francisco, is an excellent candidate for State Assembly.

Dwight was educated in Marin Schools, and Berkeley. He attended Amherst College and University of California, Berkeley. Dwight is a Major in the California Air National Guard.

Dwight is a former Director of the Central Valley National Bank, and also of the Civic Plaza Corporation, and the Sonoma Valley Water Company. Dwight is a former Ambassador to the Trade Conference of SEATO (Southeast Asia Treaty Organization). More on Dwight Tripp next issue!

Chartered Bank of London is NOT anti-Gay

The charges against the Chartered Bank of London by the Sentinel that the Bank had made a "campaign contribution" to the Briggs Initiative, has proved to be totally false.

THE GAI PRESS "Farewell to an old friend"

The rush of johnny-come-lateleys to the gai press has been startling to say the least. The CRUSADER which began in June of 1972, now enters into its seventh year.

"BEWARE ARE UNIONS..." GAI BARS the next target of Local 2 membership drive.....

On June 6th, Supervisor Harvey Milk appeared before the Board of the San Francisco Tavern Guild to deny that he favored the unionization of gai bars, maybe not by Local 2, but the formation of an all-gai union.

they will then begin intensive unionization efforts. Friday is caught up in Democratic Party politics which is super pro-union as all know, and Milk is up for re-election next year and all agree that without union support, Milk is sure to be defeated.

ANITA BRYANT DUMPED BY BAPTISTS

SOUTHERN BAPTIST CONVENTION "DUMPS" ANITA IN HER BID TO BECOME VICE-PRESIDENT!

One Southern Baptist minister expressed relief that singer Anita Bryant was defeated in his bid for the Vice-presidency of this largest Baptist group in the world....as he said, "We didn't want her to turn the Baptist Church into a homosexual hunting body. Homosexuality is a sin, but with Miss Bryant, it is an obsession! We are preaching salvation, and she is so I guess, but her brand is too far out, even for Jesus!"

Bryant was shocked that she lost by such a large margin, 6,000 votes to a minister from Mississippi.

GAYS PICKET CONVENTION.....the Convention was being held in Atlanta Georgia and over 2,000 gais picketed it's opening, in protest of Anita's appearance as not only a speaker and singer, but as a candidate.

The picketing was orderly and peaceful and was received very well by Atlanta media persons.

Bob Kunst of Miami, who has been following Anita all over, leading pickets, was responsible for this one also. Anita Bryant finally got her reward!

"We've Come A Long Way"

STONEWALL GAI RIOTS OF 1969 FOR GAI RIGHTS REMEMBERED BY GAI ACTIVISTS ACROSS THE LAND ON SUNDAY JUNE 25th.....GAI DAY, USA! In 1969 before the Stonewall/Christopher Street rioting by Gais for their rights in New York, right to go into a bar as they were (in drag), in our city of San Francisco, there was really only two gai organizations, the Society for Individual Rights and the Daughters of Bilitis. Mattachine was virtually defunct, and the Council on Religion and the Homosexual was becoming a joke, and Vanguard had all but died. But wit the advent of Stonewall, the Gay Liberation Front and the Committee for Homosexual Freedom began, leading the way for the Gay Activists Alliance, Emmaus House, and a host of others, most of all whom have passed away.

Entrepment by the police was the order of the day in San Francisco in those days. Life was not all that pleasant. But, now here in 1978, things are so good that we are busy fighting amongst one another, gai rights groups which represent the middle of the road Gais, are now non-existent, and all that remains if near-left and radical leftis groups.

Tis true, as Morris Kight has said, "We've come a long way", but as Elmer Wilhelm has said, "We've get a hell of a long way to go!" But Rev. Ray Broshears says, "At the rate we are going it is all down hill.... backwards!"

Well, June 25th is a new day, the 6th anniversary of the first gay day parade in San Francisco and perhaps the begining of something good for ALL Gais and not just a handful of leftists and feminists!

"Can we afford two more years of Phil?"

PHIL BURTON PADS PAYROLL
Nina-Ann Coleman, Burton's former personal secretary has charged the San Francisco Congressman with padding his payroll with non-workers, abusing his office financial accounts and turning tax-supported workers into personal servants.
This all was revealed in the current issue of *Spotlight* the Washington DC newspaper which keeps tabs on the Congressmen/women. Nina-Ann Coleman further charged Phil Burton with using his official office funds to do personal favors for friends and helped his political allies escape prosecution for accepting illegal campaign contributions. Mrs. Coleman worked for Burton for 11 years and should be in a position to know, was the statement from Tom Spinosa, candidate against Burton in the November election. Spinosa asks the question, "Can we, the taxpayers afford another two years of Phil Burton in the Congress?" everywhere he goes in his campaign. His campaign is not supported by the GOP bigwigs like Emily Pike and her defeated klik, but is a grassroots campaign financed from contributions from the little people, the average citizen who is fed up with the rip-offs by elected officials. Spinosa received 88,000 votes last time out against Burton and there is growing hope that this year, the year of the revolt of the taxpayers, that Spinosa will oust Phil Burton from Congress. Spinosa has a very pro-gai rights stance, and has been endorsed by the powerful Teddy Roosevelt Republican Club.

Christ
Loves
the
Homosexual
Do You?

WHY?

by LEROY ELLINGWORTH
WILSON of the Disciples of Light.

The Churches have traditionally been the bulwarks of opposition to the basic personal freedoms of most people who do not discriminate whom they will love.

The Seventh Day Adventist Church has long opposed mixed-marriages, homosexuality and informal unions. This attitude is no longer relevant today. We have been guilty of a conspiracy of silence for too long; the academics have provided many of us with first steps of homosexuality, and then the church has condemned us.

We can no longer justify the suppression of our way of life, and demand a realistic, fair approach to our problems. We who have taken Jesus Christ as our personal saviour, and accept the seventh day as the sabbath recognize that our Lord did not turn away any who did not meet the prevalent prejudices of his generation.

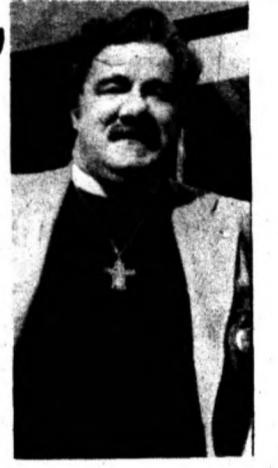

We resent the lies being taught the generation now within the church about the many gai people who have been associated with the church. We believe in the Bible where we find in Proverbs chapter 10, verse 12:

"Hatred stirreth up strife, but LOVE covereth all sins." We do not judge our fellow-men and will work to overcome the false teachings of those who cannot recognize their own frustrations.

Brother Lee

"A Gai Christian Ministryto you"

"Love is the Spirit of this Church and Service is it's work. And this is our Way. To live together in Peace. To seek the Truth in Love, To help one another in Joy,"
(Saint Basil)

The Christ Orthodox Episcopal Church was called into being to bring the Bread of Life to those who have been offered nothing but the stones of oppression, rejection and neglect. Thusly the founding of the ten year old, Helping Hands Services, a religious order of the Church. We come together to follow the risen and living Christ Jesus, "The same today, as yesterday, and forever!" We follow in the way of Jesus Christ, who is the One who has broken all bonds and is at work in all of creation, and alive in all persons who accept Him. Our spiritual work is in the midst of the world. We are called to proclaim to all the world the Word of God which makes us free, to bring the Good News to the poor, to proclaim liberty to the captives, new vision to the unseeing, freedom to those in bondage, liberation to the oppressed, the time of liberation to all peoples.

The teaching of Jesus and His message of light, love and liberation for all people, regardless of nation, race, class, gender, or sexual preference. There can be no doubt about it, if we carefully study the statements of Jesus preserved in the Gospels and in the apostolic writings of the period immediately following the earthly life of Jesus and through the first three centuries. There can be no doubt as to the teaching of liberation, regardless of what mainstream institutional churches have done to suppress the liberating Truth since the compromise of the Church with the State at the Council of Nicea in 325 AD.

The good news is that Christ Jesus speaks to us today! It is vital for freedom today, and was vital for the liberation struggle of

the people of sorrows, despised and rejected in Jesus' own day. Realizing that in spite of the liberating truth of the Word of God, Gai people have been and many cases are, still today, despised and rejected by the institutional churches, and the Christ Orthodox Episcopal Church and it's Helping Hands Service exists to serve the spiritual needs of the Gai community.

We seek to serve the Gai community from within, not as missionaries but as Gai Christians. Applying the insights of the ancient and apostolic Christian Church to the needs of the contemporary world; we seek to develop the hitherto untapped spiritual potentialities of Gai women and Gai men and devote them through the movement of the Holy Spirit in our time, to bring about a Christian renewal in the world.

For that reason the focus of our work is in the Gai Community and we seek to co-operate with other Gai groups working to improve our life together. As Gai Christians our members participate in a wide range of activities.

Now, we who are Gai and followers of Jesus Christ, take up the cross of liberation, on our own behalf and on behalf of all people seeking liberation, joining our own liberation struggle with that of youth, the aged, all the oppressed. Jesus said, "I am come that they might have life, and have life more abundantly"the living God is active in bringing about a reign of justice, righteousness, love and peace. The faith of the Church of Jesus' disciples through the ages is pertinent to the needs of our world. All believers are called to preach the Good News to the poor, to proclaim liberty to the captives, through Jesus Christ.

"I am come that they might have life.... and that they might have Life more abundantly" St. John 10:10.

"There is neither Jew nor Greek, there is neither male nor female; for you are all One in Christ Jesus." Galatians 3:28.

"When you make the two one, when you make the inner as the outer, and the outer as the inner, and the above as the below, when you make the male and the female into a single one, so that the male shall not be male and the female not be female, when you make an eye in the place of eyes....then shall you enter the Reign of God." St. Thomas 22.

The trumpet sound of love is blasting against the church walls, the one who closes their doors to people because they are "different", and to break those walls, reveal whether any of the Love of God and the Reign of God is behind those walls of the institutional church. The call of the Holy Spirit to us today is to be an alternative to the institutional church, to seek to bring in our day, the Good News of Christ's liberating Love to all peoples.

Our ministry is to those who have been rejected by even those who say they are Gai, but have morals and standards which are contrary to those of the Kingdom of God.

Today, too often, any who say they believe in God and in Christ, are jeered and rejected by many in the Gai communities in America.

God is alive.....Christ Jesus loves the Gai just as much as He does anyone else.

Our ministry is to the elderly, outcast of society, because they are not young and hunky and handsome. When you are an older Gai person, there is almost no place for you to turn to, except the House of God. God is always ready and waiting for any.

Loneliness is something which no true Christian suffers from, for we have the Lord and Liberator Christ Jesus. He is with us always.

The Church's social service program is but a phone call away from you, waiting to help you if so needed.

The Church's luncheons for the older people are there for you.

Our rap sessions are there for those of you who want a closer walk with the Lord Jesus Christ, who want eternal life. Eternal life cannot be found in a bottle of booze, nor can it be found in a bath house, nor can it be found in the use of "angel dust" or other drugs. Eternal Life can be found in belief in the Lord Jesus Christ, and this is our ministry to the Gai community. rb

Christ loves the homosexual, do you?

"Who are you, a man, to answer back to God? Will what is molded say to it's mold-er, 'Why have you made me thus?'"
Romans 9:21

If you look for the bad in a person, you shall find it! If you look for failings in the Church, you shall find it!

The Church is composed of people, of human beings, and being human, mistakes will be made. Man is not infallible, only God is. The Vatican has a Bishop, successor to the blessed Saint Peter, but he too is but a man and is not infallible, despite the statements published by his followers.

Amongst the greater of the mistakes that a man makes, is his tendency to judge another based upon his own personal likes, dislikes, fears, etc. The many translations of the Holy Bible have been made by men.... mere mortals. The authorization for the King James Version of the Holy Bible which the Protestants use (Anita Bryant said her Brother Bill) was given by one of the most notorious homosexuals in the history of the British Crown. In fact, poor King James died at the hands of sadists who had a hot poker placed in his rectum and he died.

Thusly, there are indeed hypocrites both within the Church and without. The greatest hypocrites are found in the atheists and agnostics.

But we deal with those of the Church. The continual judging of others, which we all do to some extent, is condemned by Christ Jesus.

And for any human being to allow the hypocrite to stand between him and God.... the hypocrite is then closer to God than you are!

Genesis 19:1-28 is used against the homosexual more often than most scriptures. This concerns the destruction of Sodom & Gomorrah. Anita Bryant and her followers say that the two cities were destroyed because of homosexuality. False!

For Ezekiel and Jeremiah describe other reasons for the destruction of the two ancient cities.

"Behold, this was the guilt of your sister, Sodom, pride...fullness of bread....and abundance of idleness....was in her and her daughters,

neither did she strengthen the hand of the poor and the needy. And they were haughty and committed idolatry before me: therefore I took them away...." EZEKIEL 16:49-50

"I have seen also the prophets of Jerusalem a horrible thing: they commit adultery and walk in lies; they strengthen also the hands of evil doers, so that none return from his wickedness; they are all of them unto me as Sodom and the inhabitants thereof as Gomorrah." JEREMIAH 23:14.

By reading the above you can see for yourself that Anita Bryant's interpretation is of her own choosing, and she ignores the rest of the scriptures.

God obviously destroyed the two cities because the inhabitants were greedy, selfish, and there were not ten good people in the cities.

But, we must not allow ourselves to dwell in the Old Testament, as Christ Jesus said *"By my coming I have fulfilled the law (the old Testament) and I give unto you two laws....love the Lord thy God with all thy heart and thy soul....and do ye unto others as ye would have them do unto you."*

We must always keep in mind that the scriptures were written, re-written thousands of times, and while we know that the letter of the scriptures, the truth, the meaning, have remained with us always, the message of salvation....we also know that some things were lost, and some things were added to suit certain peoples purposes. But the message of salvation, of the Lord Jesus Christ as their personal Saviour, this holds clear and true. It has lasted thru countless numbers of persecutions, purges, and has given to us all, the hope of life eternal.

Anita Bryant and her followers cannot take from you the gift of Jesus Christ, that of Salvation, and Jesus Christ did not qualify his call when he said *"Whosoever believeth in me shall have life eternal."*

Jesus did not qualify that call for salvation, it meant all people, homosexual, heterosexual, white, black, etc., all people, and no one can take away your Salvation, your life eternal with God the Father and with Christ Jesus in heaven above.

"I know, and am persuaded by the Lord Jesus, that there is nothing unclean of itself: but to him that esteemeth any thing to be unclean, to him it is unclean." Romans 14:14

There are even scriptures which might uphold homo sexuality, such as; *"I am distressed for thee my brother Jonathan: very pleasant has thou been unto me: thy love to me was wonderful passing the love of women."*

1 Samuel 1:26

"The soul of Jonathan was knit with the soul of David, and Jonathan loved him as his own soul...."

Then Jonathan and David made a covenant, because he love him as his own soul. And Jonathan stripped himself of the robe that was upon him and gave it to David.

1 Samuel 18:1-3

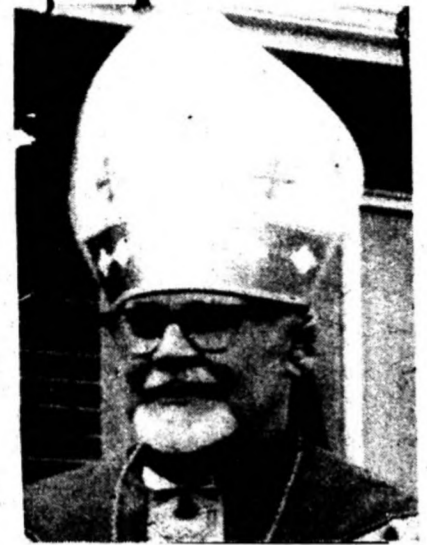

The Church fathers of the 3rd and 4th centuries preached "asceticism" even tho it was condemned by Christ. By the 5th Century, the Church's hostility to all pleasures was allowed to rage unchecked and all sexual intercourse was considered wicked. St. Augustine preached the concept that sex was only to be tolerated and controlled by the Church. Natural passions were condemned.

The Church later changed that teaching and taught that natural passions were so sacred that Christians could not indulge without the permission of the Church.

So, what we said earlier holds true, men are the Church on earth, they make mistakes, so your Faith in God thru Christ must be your only guideline when men err!

Stanley
The Most Reverend Christopher Maria Stanley
Died 1973
Archbishop - Primate
Orthodox Old Catholic Church

Born, August 27, 1880 in Arpaia, Italy. Dr. Carfora began his novitiate with the Franciscans at Casalbore. In Avellino. Completing studies there and in Naples, he was ordained to the priesthood by the Most Reverend Francesco Vento of Averso. In 1905 Dr. Carfora came to the United States and served at Our Lady of Loretto in Brooklyn until called to the Diocese of Wheeling, West Virginia, where he built and served in the parishes of Our Lady of Mt. Carmel and St. Josephs under Bishop Donohue. In 1916, Dr. Carfora was consecrated a bishop for the Old Roman Catholics by the late Bishop deLands-Berghes who had come to the United States to establish the Old Roman Catholic Church in this country and was this country's first Archbishop. When he later returned to Villanova Pennsylvania, and returned to the Vatican Papal jurisdiction, Dr. Carfora was elected to become the 2nd Old Roman Catholic Archbishop for the United States in 1919. The Apostolic succession of our Old Roman Catholic Church come from the Roman Catholic Abstract of Title through Antonio Cardinal Barberini, Archbishop of Rheims (and nephew of Pope Urban VIII, Maffeo Barberini) in 1688, and has been jealously guarded, and preserved and remains valid. It continued in unbroken line through our present Archbishop, Presiding by mandate.

Archbishop Carfora on July 30th 1942, consecrated Richard Arthur Marchenna. Archbishop Carfora on November 4th of 1946 consecrated Earl Anglin Lawrence James to be Bishop of Toronto, who in turn did consecrate Christopher Maria Stanley, who later consecrated as priests Michael Francis Itkin of New York; and in New Orleans, consecrated David Ferric and Raymond Charles Broshears. Bishop Itkin now resides and continues an active ministry in the city of Los Angeles and Bishop Broshears resides and conducts an active ministry in the city of San Francisco. Bishop Itkin is the Presiding Bishop of the Community of the Love of Christ, an Old Catholic Church group. Bishop Broshears is the Presiding Bishop of the Orthodox Episcopal Church of God and orthodox old catholic/evangelical body in San Francisco, San Jose, New Mexico and South Carolina. There are three Archbishops in America, who lay claim to leadership of the Church. One is Bishop Zaborowski of Wyandotte, Bishop Marchenna of New York; and the Bishop George Hyde of Georgia. There are two others also, Bishop Mikhail Obrenovic and Bishop Elijah Coady of Davis California.

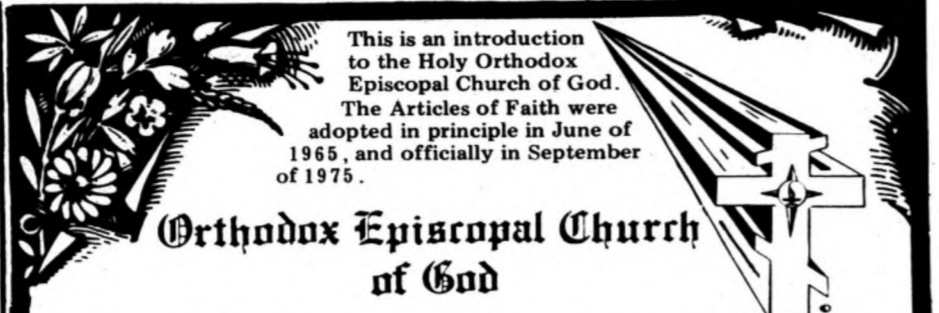

Old Catholic Church

THE ETHERNAL STRIFE GOES ON AND ON WITHIN THE CHURCH.....!

The Old Catholic Church and affiliate groups have a good deal of internal bickering, with this person and that person saying they are the "true Church" or the "true Bishop", etc. Which is basically a bunch of hogwash. The Old Catholic Church in the Bay Area is no exception and the prime agitator in the entire specter is Donald Joseph Pierce, also known as Donald Joseph Weeks and also known as Dadam Bunjak or some other names as well. He continually works it seems, to keep churches, parishes, dioceses, ministries from uniting from any kind of an alliance. He is almost impossible to work with, for he has a problem relating things as they actually are, and this is unfortunate. For he has helped some people but he has hurt far more than helped. His recent run in with the police in San Francisco, led to his moving out of the county. He failed in his "work" in the Tenderloin area as he is highly impetuous and expects people to come to him. But this is not the way the Lord Jesus Christ operates. We go out into the highways and byways and seek out the people in need of assistance. We do not set grandly back and wait for people to come to us and as well wait for people to give us money. This is not of Christ. The Orthodox Episcopal Church of God, an active ministry in the city and county of San Francisco for the past thirteen years has helped thousands of people to find employment, homes, and helped thousands to secure their release from imprisonment, be in an actual jail, drugs, or alcohol. We have a large parish, diocese, and have regular services and provide social services for the elderly as well as the street people of the city. But, we tire of the endless "church games" as played by "bishop" Pierce-Weeks. We have tried to help this man and have failed. We have tried to give him a new start, have introduced to him new people, and he in turn begins asking them for funds the minute our back is turned. We truly feel sorry for this man, and want all to be on the beware side. Those those who "told us so", warned us on this end to our trying to help this unfortunate man, we can only say "you were right". But, we must never turn our backs on those in trouble, regardless of whom they are...even Donald Pierce-Weeks. We can only pray that he will some day become truly honest with himself and seek Christ, true salvation, and stop this "playing church" and using people as he does. In the meantime, we warn those who live in this city of him, and should you desire further details upon this man and his problems to society, please call upon us. Weeks-Pierce and his attacks upon our valid recognized ministry here, after we told him to cease forcing his attentions upon our associates and friends, have been extremely vicious. We will return we are sure, to his "straight" ministry. We have a letter from him renouncing the homophile (Gai) community. He found that people don't all over you just because you have a white collar on. This disappointed him I am sure. We pray God's forgiveness upon him for the wrong he has done us and others working in Jesus Most Precious Name. Rt. Rev. Ray Broshears

This is an introduction to the Holy Orthodox Episcopal Church of God. The Articles of Faith were adopted in principle in June of 1965, and officially in September of 1975.

Orthodox Episcopal Church of God
The Holy Orthodox Episcopal Church of God was founded in 1965, and was incorporated in the State of California in 1968 and in the State of South Carolina in 1971 and in the State of New Mexico in 1971. The founding Bishop was the Right Reverend Raymond Charles Broshears, who is still the Presiding Bishop of this charismatic evangelical orthodox and catholic Church of God. The following are the Articles of Faith.
Article 1.....THE WAY TO SALVATION. Eternal salvation is promised to mankind only through the merits of our Saviour Jesus Christ, and upon conditions of obedience to the teachings of the Holy Gospel, which require Faith, Hope and Charity and the due observance of the ordinances of the Orthodox, Catholic and Evangelical Religion.
Article 2.....FAITH, HOPE AND CHARITY. Faith is a virtue infused by God, whereby man accepts, and believes without doubting, whatever God has revealed in the Church concerning true Religion. Faith is a virtue infused by God, and following upon Faith; by it man puts his entire trust and confidence in the goodness and mercy of God, through Jesus Christ, and looks for the fulfillment of the Divine promises made to those who obey the Gospel. Charity is a virtue infused by God, and likewise consequent upon Faith, whereby man, loving God above all things for His own sake, and his neighbour as himself for God's sake, yields up his will to a joyful obedience to the revealed Will of God in the Church.

Article 3.....THE CHURCH. God has established the Holy Orthodox Episcopal Church of God, a Catholic Church, upon the earth to be the pillar and ground of the revealed Truth; and has committed to her the guardianship of the Holy Scriptures and of Holy Tradition, and the power of binding and loosing.
Article 4.....THE CREED. The Catholic and Orthodox Episcopal Church of God has set forth the principal Doctrines of the Christian Faith in twelve articles of the Creed, as follows:

- I. I believe in one God the Father Almighty, Creator of heaven and earth, and of all things visible and invisible.
- II. And in one Lord Jesus Christ, the only begotten Son of God, begotten of the Father before all Ages, God of God, Light of Light, Very God of Very God, begotten, not made, of one substance with the Father, by Whom all things were made;
- III. Who for us men and for our salvation came down from heaven, and was Incarnate by the Holy Hhost of the Virgin Mary and was made Man;
- IV. And was crucified for us under Pontius Pilate, He suffered and was buried;
- V. And the third day He rose again, according to the Scriptures;
- VI. And ascended into heaven and sitteth on the right hand of the Father.
- VII. And He shall come again, with glory, to judge the living and the dead; Whose kingdom shall have no end;
- VIII. And I believe in the Holy Ghost, the Lord and Giver of life, Who proceedeth from the Father, Who with the Father and the Son together is worshipped and glorified, Who spake by the prophets;
- IX. And in One, Holy, Catholic, Orthodox, and Apostolic Church;
- X. I acknowledge one Baptism for the remission of sins;
- XI. And I look for the Resurrection of the dead;
- XII. And the Life in the world to come. Amen.

This sacred Creed is sufficient for the establishment of Truth inasmuch as it explicitly teaches the perfect Doctrine of the Father, the Son and the Holy Ghost. Article 5.....THE SACRAMENTS. The fundamental ordinances of the Gospel instituted by Jesus Christ as special means of conveying Divine grace and influence to the souls of men, which are commonly called Mysteries of the Sacraments, are Seven in number, namely, Baptism, Confirmation, the Holy Eucharist, Holy Orders, Matrimony, Penance, and Unction.

Article 6.....HOLY SCRIPTURES. The Scriptures are writings inspired by God and given to the Church for her instruction and edification. The Church is therefore the custodian and the only Divinely appointed interpreter of holy Scripture.
Article 7.....TRADITION. The Apostolic and Ecclesiastical Traditions received from the seven general councils and the early fathers of the Church may not be rejected; but are to be received and obeyed as being both agreeable to Holy Scripture and to that Authority with which Christ endowed His Church. Matters of discipline and ceremonial do not rank on the same level with matters of Faith or Morals, but may be altered from time to time and from place to place by the authority of the Church, according to the welfare and greater devotion of the faithful may be furthered thereby.

Article 8.....COMMUNION OF SAINTS. The Communion of Saints in the Providence of God, whereby the souls of righteous men of all ages are united with Christ in the bond of faith and love. Wherefore it is pleasing to God and profitable to men to honour the Saints and to invoke them in prayer and to pray for the faithful departed.

Article 9.....RELIGIOUS SYMBOLS. The relics and representations of Saints are worthy of honor as are all other religious emblems. Honour shown to such objects is purely relative, and in no way implies a confusion of the symbol with the thing signified.

Article 10.....RITES AND CEREMONIES' It is the duty of all Christians to join in the worship in the Church especially in the holy Sacrifice of the Mass, in accordance with our Lord's express command and to conform to the ceremonies prescribed by holy Tradition for the greater dignity of that Sacrifice and for the edification of the faithful.

Article 11.....THE MORAL LAW. All Christians are bound to observe the Moral Law contained in the Ten Commandments, developed with greater clarity in the New, founded upon the law of nature and charity and defining our duty to God and to man. The laws of the Church are to be obeyed, as with Christ.

Article 12.....THE MONASTIC ESTATE. The monastic life, duly regulated according to the laws of the Church is a salutary institution in the strictest accord with the holy Scriptures and is fully of profit to them who, after carefully tried and examined, make full proof of their calling thereto.

AMEN!

URGENT NEED FOR GAI MORALITY...

Gais Destroying Gais!

"A VITAL MESSAGE TO ALL GAIS"

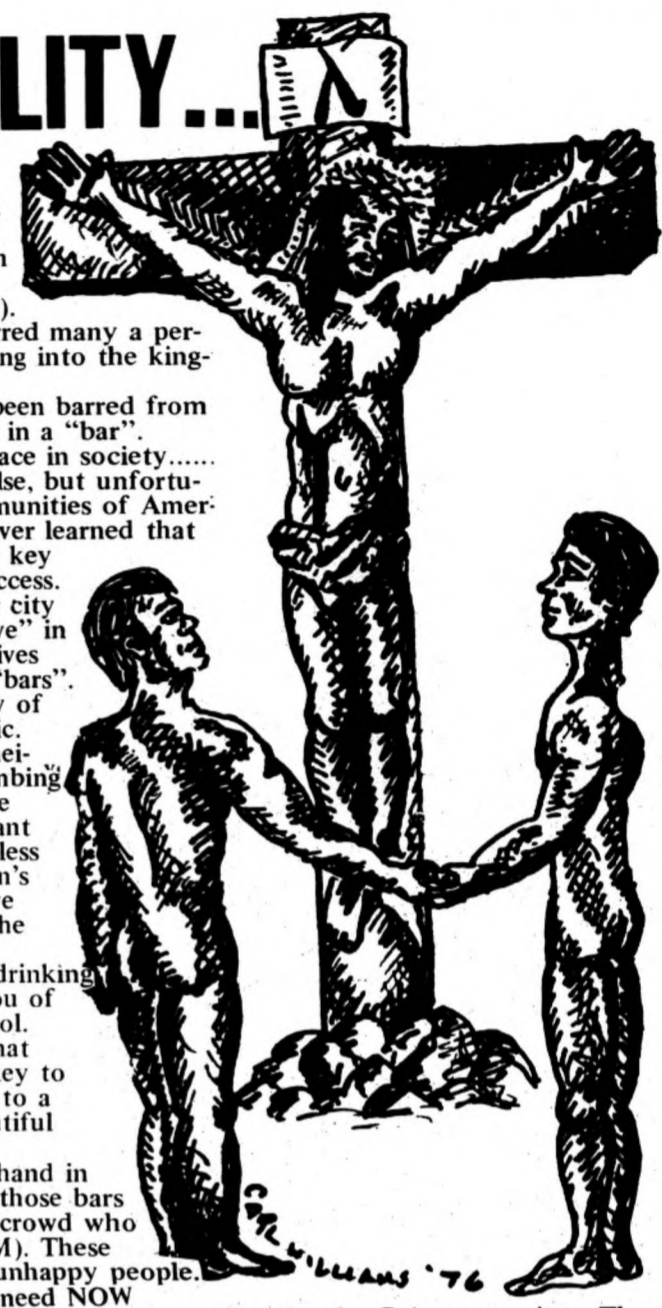

This is that time of year when Gai people gather to celebrate the victory at the Stonewall bar on Christopher Street in New York in the summer of 1969. Much water has gone under the bridge since that time. And it saddens me to find that one vital link in the struggle for Gai rights is sadly missing still, and that is love! Love of self, love of fellowman, love of God, love of Jesus! The Gai community of San Francisco has without a doubt the most vicious and merciless sexist people to be found anywhere. They do not make up the majority, but they do have a large influence in the Gai liberation movement. Love is not in their vocabulary. They cannot understand love, for to so many, too many, love is sex, and that is totally false, for love is not sex. The pro-socialists, and pro-communists, as well as Zionists, have made huge inroads in the "voice" of the Gai community. To name them would be futile, for they know who they are, and those of you who have a deep sensitivity and awareness of what is happening, you too know who they are. These people are anti-Christ, they are Godless, they know only the love of power and position as well as money. They shall find their reward when their lives end. But we who care, must try and undo the wrongs they are doing to all of us now, while there is still time. The rallies, marches, etc. against the Briggs Initiative are futile. This may shock you, but it is true. For by so doing, you give the Briggs measure more publicity. In fact, the above people I have described are directly responsible for the Briggs Initiative and for the success it is now having. And my dear brethren, I tell you now, that should the Courts not strike it down as unconstitutional, it shall win easily in California. For the State of California is a big one, and the northeast sector of San Francisco will not win any election in this matter. This is still primarily an agricultural State, and a State which has many suburbs in search of a city, filled with people of the Briggs-Bryant mentality. The midnight demonstrations of the crowd of Harvey Milk has earned us many many foes right here in San Francisco. We are in deep trouble right here. But, all this can change, if Gai people will turn to Christ, turn to God, and they shall find that by seeking Christ and rejecting the Godless leaders who control the Gai Liberation movement now, we shall find victory, and we shall find challenges to our rights less frequent. I urge you to watch carefully those persons who have been selected to speak at the Gai Freedom Day Rally, and you shall hear words for every cause in the nation, and little for Gai rights. You shall see sights which will be used against us by the Briggs-Bryant people. Dignity is something which no public relations firm can gain for us, love is something which every cause imaginable, you will hear words which will give Briggs and Bryant more power. Gais helped Bryant to win in Dade County, in St. Paul, in Wichita and in Eugene. The Godless Gai leadership! That is why with this special religious pull-out section, we call upon you, the average Gai person to turn to Christ now, to turn to God and find the love and happiness which has been missing in your lives. Gai liberation is but a part of people liberation, we cannot ghettoize ourselves, isolate ourselves, we are a part of the world, and it is a big one. We must work together with all people, as Christ taught us. Love will bring about victory for us all. Love will bring us closer to Jesus, love will open the gates of heaven for us all. Jesus is calling, He is calling to You, to me, to each and everyone of us right now, and I urge you to answer that call right now, by saying "Lord I accept you as my personal Savior, I do believe that You died for my sins, and by your blood you have washed them away, and eternal life is mine!" Yes my friends, this is the time for you to find Gai pride, dignity, and through the love of Christ Jesus, Christ loves the homosexual, without any qualification. You don't have to be a part of a "gai church", but be a part of Christ Jesus. Jesus loves you....do you love yourself? Reverend Ray

REV. RAY Broshears

"BARS TO HEAVEN"

There are many bars to heaven. And the biggest bar to heaven appear to be the bars (saloon, taverns). Yes, a "bar" has barred many a person from ever entering into the kingdom of heaven. Many a person has been barred from eternal life by living in a "bar". "Bars" have their place in society..... just like everything else, but unfortunately, the gai communities of American society have never learned that "moderation" is the key to happiness and success. So many gais in our city and other cities, "live" in bars. Their whole lives revolve around gai "bars". It has become a way of life. This is so tragic. Of course the unethical bar-owner is climbing the wall as she or he reads this. They want to sell booze regardless of the cost of a man's life. They shall have to pay for that in the end. This is not against drinking but it is warning you of the danger of alcohol. It is warning you that moderation is the key to a happy home life, to a good job, to a beautiful life. "Bars" and sex go hand in hand. Particularly those bars which cater to the crowd who likes to suffer (S&M). These and basically very unhappy people. There is an urgent need NOW for a new and high standard of morality for the Gai community. The Gai community needs more than "bar" and "baths", it needs the Church.....despite what Supervisor Harvey Milk says (he's Jewish). Christ is the only hope for the Gai community, to meet the struggles we have ahead of us. The right to be Gai, is in danger. And basically, it is the forces of the anti-Christ who masquerade as "Christians" (Anita Bryant) who say they come in the Name of Jesus, but in all reality, they do not, they come in their own name and the name of Satan. Jesus is love.....Gais need to learn how to love....and love is NOT sex. Love is caring....love is sharing. These are things which you the individual Gai person has an opportunity to grab ahold of through Jesus. Jesus Christ is love. His love will encompass you, hold you, keep you safe. You don't need "bars", "baths", for when you have Jesus, you have it all. Remember, Heaven is just a prayer away! God Bless!

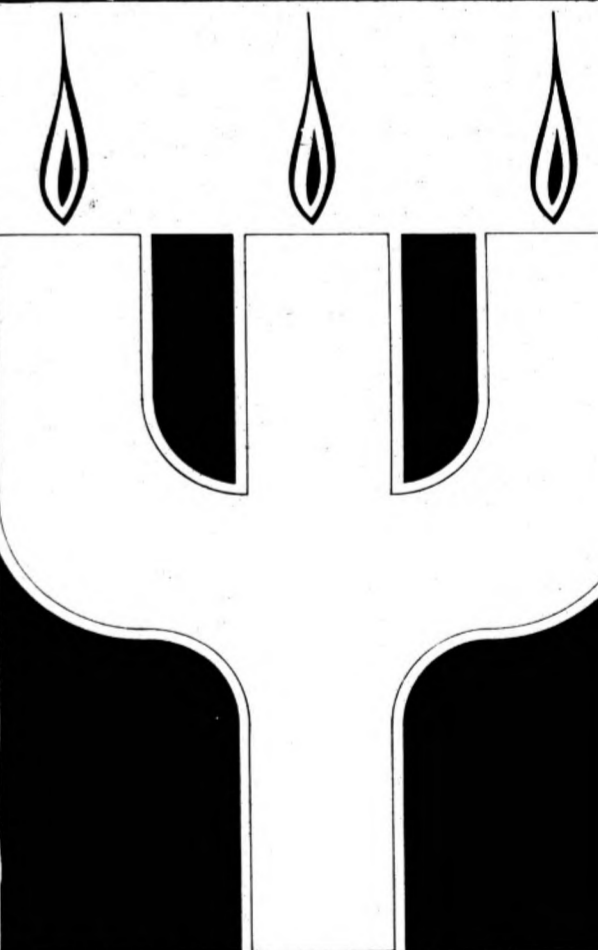

THE HISTORY OF THE OLD CATHOLIC CHURCH

In the year 722 the Diocese of Utrecht in Holland was founded by St. Willibrord, the missionary Bishop to the Germanic-speaking countries. For many centuries the Diocese of Utrecht was one of the more prominent Sees of the Roman Catholic Church. Cornelius Jansen (1585-1638) the Bishop of Ypres, was the father of the philosophy known as Jansenism and which promoted a more austere morality than that prevalent at the time. He had written a book called the AUGUSTINUS which was a digest of the teachings of Saint Augustine with a special eye to the needs of the 17th Century. It was not until its publication, the book was denounced by the Jesuits as having heretical tendencies. It is interesting to note that Bishop Jansen, during his lifetime, had more than once clashed with the Jesuits and had accused them, among other things, of being too lenient in their confessional. The result of this denunciation by the Jesuits was that Innocent X, condemned the book and all those in sympathy with Bishop Jansen's philosophy. By this time, Bishop Jansen's followers were great in numbers - many convents and monasteries and even entire dioceses subscribed to his thought in that the Church was becoming lax in many matters. However the Jesuits were very powerful at that time, and succeeded in launching a persecution against the Jansenists (who were never at anytime anything but loyal and orthodox Roman Catholics) who were pursued and even at times, put to death. Thus, the Jansenists were forced to flee to France to escape persecution and many went into other neighboring countries; a number entered the Diocese of Utrecht for safety. For having given these people asylum, Archbishop Codde, Archbishop of Utrecht, was denounced by the Jesuits to the Pope who called him to Rome for investigation. Arriving in Rome, Archbishop Codde was placed under house arrest. He was held thus for many months until, finally a trial was held to determine his guilt or innocence. This trial was held in secret and Archbishop Codde was not permitted to be present. He was never told the results of the trial which, indeed, are unknown even to this day. After the trial, he continued to be held under house arrest and, a few months later, he died.

Archbishop Codde's death left the Diocese of Utrecht without a Bishop and the Pope did not name a Bishop to the See. Instead, Papal Legates were sent to Utrecht to administer the Diocese. However it was soon discovered that the Papal Legates were also giving asylum to the Jansenists and so they were withdrawn from Utrecht. The many priests of the Diocese, once more without a Bishop, carried their work on best they could. These conditions prevailed from the year 1711 until the year 1719 when a series of events occurred which were to change the face of history. Father Dominic Marie Varlet, a French priest, was named by Pope Clement XI to be Bishop of Babylon in Persia. On Quinquagesima Sunday, February 12th, 1719, Father Varlet was consecrated Bishop in Paris by Bishop James Goyon de Matignon. He immediately set out to take over his See in Babylon. Arriving in Utrecht where he was to embark, Bishop Varlet learned there was to be a delay in the departure of his ship. While waiting there, the Bishop was approached by a group of priests of the Diocese who requested that he give confirmation to classes of children and adults. Many people of the Diocese had not been confirmed because of the many years without a Bishop. Bishop Varlet consented and confirmed several hundred children and adults and for this heroic act of Christian charity and duty, he incurred the wrath of the Jesuits. He was intercepted before he reached his destination by a number of the Jesuit Order and commanded to cease his journey to face the obviously trumped-up charge of lack of courtesy in failing to give the proper respects to the Bishops through whose jurisdictions he had journeyed. He returned to Utrecht, notified Rome of his arrival and asked for further instructions, with consequently never came. After the passage of months in which no word was received, the Bishop felt he was being ignored and, when a delegation of the clergy of Utrecht approached him with the plea that he raise one of their number to the episcopate, he consented. In 1739, Bishop Varlet consecrated as Bishop, Petrus Meindaerts. Bishop Meindaerts then consecrated his successor and from there on the Apostolic succession was maintained down through the centuries to the present day.

EXPOSE....."BEWARE OF WOLVES IN SHEEPS CLOTHING"! This is the first part of a several part series on "clergy" whose crux.... (French for cross) is a bit tainted, or tarnished! This series will go into depth in future issues, for now, we will give an overview! rev. ray

THE TARNISHED CRUX

The "Tarnished Crux (Cross)" is a necessary article. It is unfortunate that it is, but in our major cities and in San Francisco, Los Angeles, Chicago, and New York in particular, there are numerous "tarnished crosses"! A "tarnished cross" is one that may or may not have been gained legitimately, but there are persons wearing those "tarnished crosses" who are "using" the "cross and the collar" for personal gain and in many oh so many cases, juveniles are involved, as well as agencies for prostitution. Some who are of the "tarnished cross and collar" have used them to defraud and out and out steal. Not all persons in this article fit every single category, but, in some way, by the actions they have taken, their "crosses are tarnished" indeed, and while the law of man may never touch them on this earth, we assure you that the Law of God almighty shall, and then they shall find their "just reward"! rb

Several years ago, a Wayne Price came to San Francisco, pretending to be a bishop of the Vatican Roman Catholic Church. After talking with him for two minutes you knew full well they man couldn't even quote John 3:16, let alone be a priest or bishop....! He is also known as Matthew Christopher, and his rip-offs here in our city were later repeated in Los Angeles and New York. Now, some of this Price person's associate "clergy" have set up shop here in San Francisco. God have mercy on the unsuspecting soul who they ensnare!

A late night call came to the Rectory of St. Timothy, from a "Charles Titkon" who said he needed help and we entreated him to come over, even tho it was late. The man who arrived was a slender man, about thirty-five or so, with a crew-cut. He talked like he was under the effects of something which induces people to act and speak with a fastness which is frightening. This person said he was a "bishop" with the Slovic Greek Orthodox National Cathedral Church of the Holy Resurrection Church in New York City. Heavens above, such a name for a church. After talking with the man I sent him to another person who gave him the needed help. But I then telephoned the

the Right Reverend Robert Clement of the Church of the Beloved Disciple in New York City. Bishop Clement has the largest congregation in all of America, over 900, of Old Catholics. His attendances at The Beloved Disciple are usually far larger than the "gai" church of Troy Perry in Los Angeles.

Bishop Clement assured us that the address which Charles Tychon gave us was non-existent and that Charles was a bit "strange" and not a clergy person.

Now, comes to our city, a couple of months later, a man who calls himself, Archbishop John Christian who makes "midnite calls" also. John Christian is about 56 years old, and was allegedly ordained/consecrated, by Archbishop Propheta, a Ukranian who is now dead. There are interesting reports coming in from Ohio, Pennsylvania and New York on John Christian. John Christian is the person who "re-consecrated" the infamous Wayne Price, of San Francisco "rip-off" fame.

John Christian is the "archbishop" over an "Archbishop Skelton" now known as Mark Miller, who resides in Los Angeles and Las Vegas. Archbishop Miller runs with another who is known for his church infancy several years ago here in San Francisco, who has had trouble even in Nigeria, a whiteman, who claimed to be an evangelist when here, Richard Morrell, who is now known as "Patriarch Mar Abran", who it is now reported has had to flee California once again.

These people are associated with, rather loosely, a Bishop Houser, who appears to be a rather legitimate person and doing a valid Catholic ministry in Los Angeles.. And he is associated with a person by the name of Thomas Dowling, here in San Francisco, a man who does not have any love for homosexuals at all, and who has been "working" the elderly of the Tenderloin, and at last reports he was going to marry an elderly lady. Dowling was "ordained" by Archbishop Verostek, and that is another very interesting situation, one we shall go into at a later date. Dowling says that his "apostolate" is to the elderly.....! He works for the GrayLine whom the gai community has had so much trouble with in the past.

Dowling has a friend, who was arrested some months back for lack of child support, who is "ordained" by Archbishop Marchenna (remember this name, it will come up many more times, he lives in New York). Dowling's friend's name is "Father" Timothy Hogan who says he hates homosexuals.....! He has three wives, the last one being but 15 when he married her. He got into a good deal of trouble over solicitation for church goods in Marin County recently, but got out of that.

What we are showing to you, is that all of the people from the very first mentioned in this article, Wayne Price, on down to Timothy Hogan, all have some connection, and almost none of these have a valid ministry, one that has been proven and recognized by the Church.

Then in further connection with Richard Morrell (Mar Abran) here in the city we have a Michael Rice, who has the "Chrismatic Catholic Church" which moved out of town to Daly City where he lives. He uses the name, Mikeal! He did have church services and a valid ministry until recently, but he was associated with Morrell when he was in the East Bay region.

San Francisco has been plagued by telephone solicitor type churches such as the All Freedom Church of the "reverend" Carl Bowman who weighs in at about 450 lbs., and is now running a solicitation trip for "underprivileged children" the Freedom Youth Crusaders Project. Bowman lived at a Turk Street hotel in the Tenderloin for many years, and was recently at a hotel on Mission Street. Bowman, "baby" Bowman and the whole crew are known well to many businesses in the city. Bowman is also known to many young people who he has not paid for their work. His whole operation "sucks"/stinks.. Bowman came to the attention of the SF Better Business Bureau sometime ago and they will tell you that his operations are not exactly up-front and he does not have tax-exemption and that he has been and is still being investigated by the District Attorney's office for his telephone solicitation. He obtained his "ordination" from the Universal Life Church, mail order ministers racket.

After a million dollar law suit was filed against him, Alan Stanford, Mike Franklin, and Skip Harris, all one person, suddenly became a "collar-wearer". Stanford runs an operation called, "Dial A Model" which is a polite name for a "call-boy" agency. He now lives at 17th and Sanchez area and drives an old white car. He left the 330 Grove Street Center for allegedly soliciting persons to work for his agency. The District Attorney is currently under suit to the Supreme Court by Judge Ollie Marie Victorie to force him to prosecute the "escort" "call-boy" agencies!

Stanford is known to use the telephone to harass people, and to send long long letters in the mail, maligning people whom he does not like. "Father" Alan has done pornographic magazines, some of which are in our custody. He owes bills to a travel agency under one of his many names, that runs into the thousands. Cute! Real cut!!!!

The moral of this story is that, anyone can buy a black shirt and a white collar at any of the religious garb companies, but that this does not make them a minister of the Lord God above, that being a minister/priest takes alot of doing, and because some fat clown gives you a piece of paper, doesn't make you a minister/priest, either. This is a calling which comes directly from God, and as it is written, "By their deeds shall you know them"! You don't make money off of God's people as some of these people try to do. That is why they fail, why their wholes lives are miserable, and why they seldom and more often than not, never enter into a church, say mass, take communion or even quote Scriptures. God knows who is His. He knows them by their deeds and by their hearts. The heart of a minister/priest belongs to God. God is not mocked, indeed those who "play church" shall suffer far worse than the greatest of sinners. But, repentance is there while there is still time, for Christ Jesus gave us that hope. There is time for those who mock God and who mocks those who do God's work, to repent of their wrong-doing and evil ways.

In the next issue of the Crusader, we shall go into others, particularly those who are involved with "youth", and perhaps good will come of this. These articles are being written with the prayer that those doing wrong will repent of their wrongs! rb

'DAYS OF A LIFE'

from "Eagle Ministry" "PINIONS" June 1978 written by GREG Reid

"DAYS OF A LIFE"

I placed the ad in a gay magazine in '73, hoping to snag some catches for Christ. "Lonely? Need a Friend? Write Greg!" Response was minimal. I received one letter from an old man. "Hi ya little brother, saw your ad. Always wanted a little brother. I'm just an old man living alone in New York. You probably won't write again, but just in case, here's my address....." I wrote. He replied. John and I began a long correspondence. I let 2 years pass without writing because of moving around so much, then wrote again. He replied with a birthday card. "2-15-75. Just got your letter after 2 years silence. Will write when I feel stronger. Right now I feel I'm on borrowed time. —John."

He's been sick ever since I've known him. Emphysema. Lives alone. He is a homosexual, though at his age it probably makes little difference. His only visitor is his sister. Wish I was close enough to visit.

12-1-76.....Sent John a Christmas card. "From Loneliness to Love" tract.

"12-12-76" "Dear Greg, I knew "Boss man" would let me hear from you before the Baby Jesus birthday. You've made my Christmas complete. Gosh, buddy, you've made me so happy. Gotta hold off. I'm inhaling oxygen but I'm so excited it's not doing me much good."

Makes me feel funny that a letter or a card from me can bring such joy to someone. But then, I've never been old or really alone. I have friends. I wonder where John's are, if he has any at all.

"My days are numbered", John wrote, "doctors gave up hope. Ho ho ho, I'm still here. Maybe next year, but I just had to hear from you this year, especially after the pamphlet you sent. God, did that help me! To you, we're not freaks. Now I hope you don't have anything in your hand to throw."

Like what, a rock? No stone throwing for me, I'm too busy reading the scrawls of Jesus at my own feet to have time to point digital at others. Why is it nowadays the message of God's forgiveness always has an avalanche of boulders behind it?

"1-7-77. Greg, could you send a tape? Would really help my life. Sexual urges and thoughts are still there, which at my age is useless and foolish. I shouldn't tell you these things but to me you're the closet to God.....you understand.....people say "go to the baths, meet people, live it up" and all I want is someone to understand, to know I'm not alone. After you pass 60, darn few want you unless it is for sex or for a price."

John's an embarrassment to the gay scene for his age. Nobody wants an "old queen". Gay life is only for the young and beautiful. He can't fit in the gay scene.....he's an outcast from Christendom. Where can he go?

"Once again, Greg, please write. Come on. I know you have others, but God, I need you! What do I do? I get so worried at night being alone. Watch TV, that don't help. Play records, that don't help. I don't go out. Have to have oxygen 24 hours. But then, maybe it is God's will!"

1-21-77.....sent John letter, testimony tape Craig and I did in El Paso.

"2-3-77.....Read your letter, played the tape. It really got to me so I'll have to hear it again another time. I have a hard time getting through John's letters without breaking down. His story is so common. The name calling, rejection, the guarantee of a near-perfectly empty and lonely existence.

Sent another letter to John, encouraging him to receive God's love and forgiveness.

"4-11-77.....Thanks for your letter. Had a bad attack, been here in the hospital for 9 days. The man in the next bed is 88, so we don't have much in common. You've brought so much happiness into my life. Please pray extra hard for me. Maybe God needed me to help carry His cross. Well, I've done a lousy job of it. Feel better now, thought I was a dead pidgeon 2 weeks ago. Your letters do more for me than all the oxygen that I have been inhaling."

"5-20-77. John, I'm glad you're better, you are much in my prayers. May god's peace so surround you that the past won't hurt you anymore. Receive His forgiveness! Take care and don't over do. Greg.

"6-1-77. Hi Greg, I've moved to upper New York to be closer to my sister. Why does God always send you when I need you the most? I sure do today. I'm getting worried now baby, I'm getting weaker. I'm tired of fighting for breath. Would be so easy to

Church of The Androgyne

HUMAN RIGHTS & HOMOSEXUALS ...AN ANDROGYNOUS OVERVIEW.

Today we live and as all vital creatures, we want our now-awareness to manifest as the greatest, possible fulfillment of the magic that we are.

Some two-hundred years ago, inspiring American leaders offered us a brighter and wider way of proceeding about our common search for self-realization. Of their genius, they forged a government acting in and celebrating the idea that the greatest good for the largest number comes about when each person is free to pursue happiness as long as that chase does not violently injure someone else.

This style of political arrangement seems to have released such tremendous personal creativity that today more people than ever before in recorded history survive sufficiently to add their individual and unique life-strand in forming the magnificent tapestry that makes up humanity. Presently, Americans are struggling with the formation of another opportunity to expand world horizons of freedom. The arena is our right to love by way of sexual enjoyment.

In the western world, we generally agree that loving one's neighbor as oneself.....is a desirable way of expressing happiness. Yet, how many of us will consciously recognize the maleness or femaleness of our neighbors in ourself? If we don't see them as ourselves, how then do we love them as ourselves?

Sexual desire may exist in order that the fact of loving others as ourselves be a joyous part in our movements towards a more meaningful way of life for everyone. Certainly, many of us use sexual trips as effective ways of experiencing ecstatic satisfaction..... Ecstasy is one of the pinnacles marking the area, we often define as love. How long will we continue in stifling our capacities for self-unfolding by denying that each of us may grow in love through sexual experience with others using our full range of feminine-masculine potentialities?

Unless the Church of the Androgyne believe "Human Rights for Homosexuals" must be secured in this country so that all of us may be free to explore the promising realms of sexual love wherein Omniscience reigns.

REV. DONALD E. DILL Episcopos Ministerialis Church of the Androgyne

take extra pills and end it all. Your letters always make me feel so good, they're better than any medication. If only I weren't so alone. If only I weren't so alone. If only I weren't so alone. I need someone to talk to. Never forget, yours in my prayers. I love you always. May God give you the strength to do His work.

I looked for my soul, but my soul I could not see. I looked for my God, but my God eluded me. I looked for my friend, and then.....I found all three! God bless you John."

What can I do, God, how can I comfort someone so alone and so far away? There must be Christians somewhere up there who care enough to have reached him by now. Yet he's never been approached with the Good News. Why? It just doesn't seem fair. I'm angry and hurt that he must suffer without the comfort of caring believers.

"Hi, John, sorry you're not well again. Seems like you've been down the longest road. I pray Jesus will make Himself so real to you, put His arms around you, give you peace of heart. I wish I were closer, to be a comfort. Since I'm not I'm trusting God to be there for me. I love you John. Please hang in here. Your little brother and friend, Greg."

Arrived in Lake Tahoe after 3 weeks in transition, moving from El Paso. So much mail has come in since I've been gone. Sorting it is such a hassle. Letter, returned, newsletter, bills, bills, and more bills, a counseling letter, a tape request. My last letter to John.....returned! Black, vivid bold letters stamp the front: DECEASED!

I'm stunned. I'm sick. It's over. Nothing more to say, no more letters trying to share God's love with him. I want to cry, but I can't because I don't know what to cry for: sadness over losing a friend, or relief because he's been delivered from the cruelty of this life; I really want to cry because he was never reached by the gently caring touch of a believer, and the pain of knowing he died alone, his funeral attended by none.

Instead.....I walk outside in anger..... cursing the sun for shining in a sky that should be crying rain!

"FATHER" WHEELIE Wobbles...

Have you seen a gray-haired man, in a wheel chair, with a big dog pulling the chair?? anywhere downtown?? Well, if so, that is "Father" Wheelie! At least this is what he calls himself. "Father" Wheelie says he has M.S. and is crippled, but there are those who have seen him go mighty fast on two feet.

"Father" Wheelie is Gai! Father Wheelie loves the boys of the Flag Brothers on Market Street, meatrack. He hangs out there alot. His real name is, Lloyd Eisler, and is from the state of Washington. He came to San Francisco from Los Angeles, a half-step ahead of the Welfare Department. They caught "father" wheelie taking his wheel chair upstairs, by himself, which is not very crippled of course.

"Father" Wheelie has a corporation, no good in California tho, which he maneuvered in Washington and it is called, "The Holy Order of Mary" which is a strange name indeed.

"Father" Wheelie had troubles in Atlanta, which caused him to pay a visit to Reidsville State Prison. Father? Wheelie has this "love" for very young people. But he claims that he is not Eisler, but the police! He then went to Savannah Beach Georgia, where he pulled a trip on the Mayor of the town and escaped a few miles ahead of the local constables.

"Father" Wheelie then went to Pensacola Florida, where he was apprehended by the local law enforcement people for saying he was a "psychologist". He got it there for impersonation/fraud. He then fled to Dallas, where he found time to invent and use 15 different names. The law enforcement people frowned upon this, and he fled Dallas for Los Angeles.

There he started what was known as "Wheelie House" and what a mess it was. The debts were huge, bigger than Lloyd Eisler. He had a name other than "Wheelie House" it was Help House. And he did help himself to whatever he could. It ended up very deep in debt and several people tried to save it, calling it a new name with a new administrator. But by then, they found out some truths about "Father" Wheelie, the man who can walk, but rides in a wheel chair, and likes to "play" games in the chair, like leaning back and spinning the chair around....that is what Lloyd calls a "wheelie" and thus he gave himself the name..... "Father Wheelie".

Well, his debts and troubles with the welfare people sent him to San Francisco. Here he has had bits of trouble, but nothing like what is looming on the horizon for him. Has to do with a special elevator for him being installed in a building and a few other "items".

Lloyd Eisler left behind him in Pensacola several pages of type for a "book" he says he was going to publish, called, "Father Faggot and the Kids of the Street". It was revealing, and the police still have it.

His problems here are beginning to mount. He is likeable. But, he is not a Roman Catholic priest as he likes to impersonate, and heis the Holy Order of Mary on Eddy Street near Leavenworth. So watch out for "Father" Wheelie, especially when it comes to phone solicitations.

.....B.J. BECKWITH, world famous attorney at law, for the Gai community, is relaxing these days after his unbelievable victory in Santa Rosa!!!! Hooray!!!!!!!

.....Another H.L. PERRY "RIP OFF PRODUCTION" was held and it was "Mr. & Miss Gai California"! Such a stink has not been smelled since the year that TESSIE "lost" the title of Miss Gai SF.

.....KEVI of Modesto was the overwhelming choice of nearly everyone present at the affair to be the new Miss Gai California. But, obviously, in the "Perry Tradition" the person who gave Perry the most, whatever, would be the winner, and it was some "beast" from southern California. Shame PERRY, shame!

.....And the Emcee of the evening were shamed by the affair. RANDY JOHNSON walked out, KIMO invited everyone to come over to his bar, while H.L. was screaming to go to the 527. And at KIMO'S, MAMA PECK, who obviously had far too much to drink, got into a fight with several people, including the Grand Duchess CHARLIE. It was vicious....MAMA PECK should learn how to behave in public, after all....no one ever voted her into her title!!!!!!

.....There were alot of nice people in town from Modesto, and we hope that Kiva and all the fine Modesto folk will not judge San Francisco by the disgraceful behavior of PERRY and MAMA PECK.

.....It is getting time for the Grand Duke Grand Duchess race. And alot of people are preparing to run. Let us back some WORKERS this time. Think about FRED TOWNSEND and DAISY!

.....Have you seen the hysterically outrageous rents at the CIVIC CENTER HOTEL???????? \$194 for a month for a room with a bath????? JOHN McLEAN is a very greedy man judging by the huge increases in rents. He had best give out some clean rooms for that price!!!!!! If you are looking for a low price hotel room look at the directory at the right here. Some nice ones listed. Call us at 865-1091 if you want advice on which ones are the best.

.....Well, PAUL ARCHER of the FRISCO SALOON got what he wanted. He got rid of his Emcee who started the Saturday night Jockey Shorts Dance Contest! PAUL didn't like the man watching the bar for "no-no's"

.....A youth from Oklahoma came here recently. He had tried to kill himself. He is a nice kid, but very backward about city life. He went into a bar, got what amounted to a "mickey", the bartender sold him "pot", the kid freaked out and later in the week, tried to kill himself in his room at a "gay hotel". The manager gave Gay Assistance Line help for trying to help the kid by calling the cops! Just what the hell kind of "gai community" have we sunk to. We do need a higher standard of morality, that is obvious. In the meantime, the kid is still in trouble, for none of the social services will or can help him. This is a hell of a note.

.....A big thank you to Carl for trying to help the boy, and to GRADY as well for trying. God have mercy on the merciless, for they shall receive their reward in due time.

.....Thank you, thank you, thank you! To MANUEL SOARES and TISH & PHIL for inviting me over to dinner again. TISH, you are a good cook and will be better as time goes by....and PHIL, you would good in a "hard hat" now that you are a construction man. ALFIES' people do have that masculine image, for sure!

.....ROY HARNETIAUX for Emperor!!!!!!

SF-PACIFIC-AMERICA "GAY LIFE" Expose'

It began as "San Francisco Gay Life, Where It's At", switched to "Pacific Gay Life" and now with it's latest (seven weeks late) issue, it is called "America Gay Life". This publication which began in New York, out of the mind of a convicted porno-producer-distributor, began in San Francisco last fall, supposedly as the "brainchild" of Jimmy Moss. They have had more than their share of troubles. Moss was in Los Angeles recently, and there reportedly told advertisers that "we put Kalender out of business", and in the current issue it has an ad for the defunct Kalender magazine. Moss was supposedly friends with Kalender, so why would he say such things if they are indeed true.

Gay Life has really moved around the city since it began, first with offices on Natoma Street, then over to Pearl Street, and now the latest is on 11th Street near the TV/TS center, Fort Help.

They have the newer name "America" Gay Life. They have a new gimmick in the works called, the "Fun Pass" which could be called the "joke pass" is their past is any indication.

Last fall, the daring editor of this paper and the representative for another called New York City and had an interview with a black woman by the name of Barbara Ross, who said that New York Gay Life had absolutely no connection with the SF publication, but they did know "Jimmy" and "Stious". But, in the several week late issue that just came out, they have Barbara Ross listed in the masthead and also a picture of her. They say she is their New York representative. Very interesting!! "Stious" draws' cartoons? for the Sentinel newspaper and does ads for Dave's Bath, but had his start in New York also. Stious has used his pen to try and poison people against this publication's editor, which is nothing new of course. They hate the truth those people do!

Moss and his publication attacked several of the local papers, including the "pious" ones (Sentinel/BAR) for taking what Moss called "sex ads". He meant the movie houses, bookstores, baths, escort agencies, yet he did carry an ad for a well known escort agency....he did carry an ad for a movie house....he did carry an ad for bath houses (still does), now if that isn't hypocritical, what ever is, for you aren't going to tell me that there is not "sex" going on in the bath houses are you Jimmy????? If not, then people had best stay away from those who advertise in your publication if that's what they're looking for, for they won't find it there, at least according to your early editorials.

Publications come and they go. Some stay on because they appeal to the readers and obviously when they fail to attract readers, keep their interest, they will die!!! That is a capitalist fact of life and I love it!!! If you have to gain ads by slandering your opposition for their stands, by such tricks, then I remind you, "Those who live by the sword shall die by the sword". Some other San Francisco publications are in trouble, having to borrow money. This is not sad or unfortunate, it is the way the cookie crumbles. Times have changed, for the people demand change and if the publications (or their dated writers) don't change, the people quit reading and thusly, the advertiser quits advertising. Keep it lively and the readers read and talk. rb

WE HONOR AMERICAN EXPRESS MASTERCARD VISA

June 6th, election day, was the birthday of KIMO, one of our better known gai community leaders. Kimo is seen above in the top left picture, flanked by John and Don of Modesto, long friends of Kimo who catered the party all the way from Modesto. Over 600 persons attended the six hour fete. Upper right, is Emperor James of Sonoma. Lower left is Fred Townsend and Kimo, and we thank Fred for these pictures. And then the young man with the microphone is Craig Rody, Kimo's lover of several years. The entire affair was one to remember, with people coming from all over to pay tribute to one of the finest people in all of San Francisco, our own, Kimo Cochran of Hawaii and now (thankfully) of San Francisco. God bless you Kimo! Aloha!!!

Dear Rev. Broshars:

Responding to your recent letter, which enclosed a copy of a letter apparently circulated to advertisers in the San Francisco Crusader, your enclosure was the first I had heard of such a message, and I most assuredly did not authorize the use of my name.

In view of the fact that there are no signatures appended to the letter, its authenticity is at best dubious.

Very truly yours,

HONEY-BLONDE SEXPOT

“Hi! I’m TOM LOVETT SOUZA!”

Tom Lovett Souza, age 24, who has been on our front cover, inside cover, now has the whole page back cover, due to the demand for more pictures of him. The above photos are by Brad Mason. Tom has been in Hawaii and is back preparing for a photo-modeling session with one of our best known photographers. Lying about on the beach in Honolulu has given him a deep tan to go with his honey-blond hair and crystal blue eyes. Tom has appeared in films as well as having modeled. His two films were, “Boy Nympho” and “Hot Connections”. These were made when he was but a “kitten” and now he is a full grown “tom cat” and on the prowl. Tom has some very surprising things soon to be released in the near future and especially for you the readers and viewers. Tom Lovett Souza was born in Las Vegas, the son of a showgirl.

You may reach Tom Lovett Souza at (415) 861-2373, extension 306.
