v. THE "WOLVES".

Wolverhampton's pitch looked a picture and was in fine condition for our match, the ground just being on the holding side after a few days' rain. Our boys were certainly on top for the first 20 minutes, and should have been two goals up during this period. Lack of determination on Bott's part certainly lost us a goal, as he shot from a distance of 20 yards, when he should have taken the ball nearer to the keeper. When well past the backs Marquall had his chance in this period, but he also shirked his duties at close quarters.

The homesters opened the scoring through Beattie after 20 minutes' play. We were soon on equal terms when Luke centred from the right, Bott netting after the goalkeeper had

dropped the ball. The home team's wingers kept playing our full backs instead of the ball when in the air, and what should have been fouls to us, on numerous occasions, were left to pass unheeded by the referee. This, no doubt, upset our defenders, Goodall in particular, and for a period just before half-time nearly everyone in the rear seemed to lose his head. Wolverhampton put on four goals in the space of 10 minutes.

Turner must bear a lot of the blame for some of these goals, as he advanced well out of his goal when Young or Goodall had the ball well covered, and on one occasion was at least six yards out when one of the goals was scored. Now, Hughie, you must use better judgment when leaving your goal in positions like the ones on Saturday. Young was finding the home

centre a big handful, and never really mastered him.

The second half was of a very even nature. We certainly had three easy scoring chances in this half, but Bott lacked determination again when clear of the defence, and topped his ball when shooting. Mangnall scored our second goal with about ten minutes to go, but had missed a much easier chance five minutes previously.

Now, boys, forget about this defeat; it comes to all clubs, so sleeves up, and a bit more determination. Two points against the "Blades" to-day will keep us in touch with the leaders. Altogether, boys!

AT HOME TO THE "WOLVES".

This game was played before a very moderate attendance of spectators. The weather broke after the game had been in progress half an hour. Both teams, however, gave of their best, and it was only in the last few minutes that the visitors equalised, through a bad mistake by Witham.

Wilkinson in goal played very well and made some great saves, his taking up of position being very good. Roughton at right full back played very well. Witham at left full back only had a moderate game. Carr at right half worked hard and gave his forwards every assistance. Christie at centre half was strong both in attack and defence. Jones at left half played a very good game. Lumodon at outside right played very fair, and got across quite a good number of

centres. Dodds at inside right was a great worker and showed very good promise, his ball control and distribution being clever. Jack Smith at centre forward played very well but had little luck with his finishing after making good openings. Beaumont at inside left tried hard. Billy Smith at outside left played very well up to a point; his raiding efforts were fine, but his finishing efforts were not too good.

MID-WEEK LEAGUE v. LEEDS UNITED.

This game was played before a very poor attendance. The ground was in good condition after the rain. The visitors fielded a strong side, including Hornby, Turner, Keetley, Mahone and Fowler, all players with 1st League experience. Our boys set about their task and were worthy winners.

Hesford in goal played well. Hayes at right full back played a very good game. Brown at left back played well. Vaughton at right half played very well both in attack and defence, and was the outstanding wing half in the game. Robinson at centre half played a splendid game

and held Keetley well. Hall at left half was only moderate, being slow in his movements. Lunadon at outside right showed some very good football. Richardson at inside right showed good ball control, but was slow in his movements. Lawn at centre forward gave the opposing defence a harassing time, and his general play gave every satisfaction. Beaumont at inside left played a very good game. Walker at outside left in his first game showed very good promise.

OUR VISITORS TO-DAY.

Sheffield United are worthy opponents and welcome visitors everywhere. Our battles have often been of the hectic variety from start to finish, yet always pleasant and sporting encounters, although they possess that little of what is known as "Derby" games. To date we have a big balance in our favour being considered one of the United's "bogey" teams. A few of our followers will remember that Cup-tie game in our early days when the snow fell thick and fast during the game; the United were leading with only a few minutes to go and the

referee abandoned the game—when the replay took place we won. Of more recent history are those memorable tussles in the Semi-final tie when we played on the Manchester United ground, then replayed at Everton and we finally won on the Manchester City ground.

Both teams have undergone many changes since then. Their ground at Bramall Lane is amongst the best, centrally situated, and has a holding capacity of 70,000. The record "gate" was v. Sunderland in the 4th Round of the F.A. Cup—62,041; receipts £3,891.

Mention of Sheffield United immediately brings the name of Sir Charles Clegg to mind, the father of the football world; may he long enjoy the prestige and honour he holds. It also calls to mind John Nicholson whose tragic end brought sorrow to all who knew him. His successor in office, Teddy Davison, is one of the nicest gentlemen it is possible to meet, and after to-day's game we wish his team their share of luck.
