

## QUIZ MASTERS

**The winners of the Village Hall Quiz in 2015, *The Village Idiots*, showed their mettle by once again triumphing in a hard-won contest, sealing their victory in the last round and ending on 83 points.**

Casting aside all others the team strode out to take the coveted trophy and the dubious honour of organising next year's competition. *Making up Numbers* put on a gallant show but were pipped at the post, scoring an impressive 78 points, closely followed by *Ladies that Lunch* with 74 points.

Propping up the bottom of the table were *Liz and Holly* with a lowly 41 points, closely shadowed by *Sixpence None the Wiser* amongst a clutch of teams with scores in the 50s. Our two valiant *Bugle* teams fared reasonably well, with *Bugle 2* coming in 4<sup>th</sup> and *Bugle 1* coming 9<sup>th</sup> out of a field of 15 teams.

All in all a good time was had by everyone and on behalf of all the participants we would like to say many thanks to the *Strife of Brian* team, last years winners, who organised the event.

## NEW-BUILD

Work on the new doctors' surgery and associated 41 home housing development off Welford Road has begun as the *Bugle* goes to press.

The developers, Davidsons, have recently accepted a proposal

forwarded by the Parish Council to name the roads within the development, Marsh Drive and Townend Close - names that have historical reference to the site and the community.

## DOGGIE DO

Local dog grooming and doggie-day care specialist, *Completely K9* tell us that they are bringing a series of K9 Circuits dog training sessions to Husbands Bosworth. Sessions have been running successfully across South Leicestershire for the past year and courses are now starting at Husbands Bosworth Village Hall.

Courses run on Monday evenings on a 6 week rota and booking is essential. K9 Circuits is a weekly course that combines activities from across different disciplines of dog training, including scent work, agility, 'Rally O', lead work, impulse control and dog care. These varied classes allow for a more holistic approach to training to create a well rounded partnership between pet and owner.

To book or for more information, please call Carla on 07934376340. All courses can be viewed on-line at: [completelyk9dogtraining.co.uk](http://completelyk9dogtraining.co.uk).

## LETTING OFF STEAM

Commissioning work at the Welland Waste Management's Renewable Energy Generating Facility (REGF) at Pebble Hall is being carried out as the plant winds up to full operation.

Recently the plant has been undergoing day-time steam and pressure testing, which has produced intermittent steam plumes that have been visible off-site. The nature of the operation, to convert inert wood waste into combustible gases to drive electricity generating units, means that the exhaust from the plant is primarily steam. Silencers and scrubbers in the exhaust outlets are installed to reduce the environmental impact.

The unit, which is planned to treat 72,000 tonnes of wood waste per annum in order to generate 10MW of renewable electricity alongside a thermophilic food waste digester plant, is part of a £47m development on the site - enough to supply Market Harborough and all the villages to Lutterworth!

## TOPPLE TESTERS

Harborough District Council is planning to carry out a headstone survey of Husbands Bosworth churchyard during May. The work is to be carried out for safety reasons, in line with Ministry of Justice guidelines and will entail 'topple-testing' the stability of every memorial in the churchyard. The work is being undertaken in seven council-controlled churchyards and cemeteries across the district.

Any memorials found to be unsafe will have a notice placed next to them informing of their instability. Any found to be dangerous will also be either supported using temporary stakes, cordoned off or laid down, as appropriate.

Although Bosworth churchyard has been closed since 1908, it contains the graves of a number of established local families. The memorial owner is responsible for the safety and condition and where possible the memorial owner will be contacted and asked to arrange for any remedial work to be carried out.

For further information please contact Caroline Averill via [c.averill@harborough.gov.uk](mailto:c.averill@harborough.gov.uk) or 01858 821194.

Please note that, at present, no safety testing is planned for the village's Welford Road cemetery, which is controlled by Husbands Bosworth Parish Council.

### ADVANCE NOTICE OF A TEMPORARY TRAFFIC REGULATION ORDER.

A Temporary Traffic Regulation Order (TTRO) is to be made for the following location: Walton Lane, Husbands Bosworth. The purpose of the TTRO is to facilitate the installation of a new supply by Western Power.

The TTRO will incorporate a temporary road closure.

The duration of the TTRO is for a period not exceeding 5 days commencing on the April 11<sup>th</sup> 2017.

The actual duration of the restriction is not anticipated to exceed a period of 2 days within the aforementioned duration.

## CUTTING BACK ON GARDEN CRIME

Protect your garden equipment from opportunist thieves

- ➔ Put tools and equipment away after use
- ➔ Always lock shed or garage doors behind you and remove the key from the lock
- ➔ Ensure garage doors are closed and valuables are out of sight
- ➔ Install an alarm and security lighting on your shed or garage to act as a deterrent
- ➔ Prevent easy access to your shed, garage or allotment with locked gates, fencing or prickly hedges
- ➔ Check shed frames and fence panels and replace if damaged or rotten
- ➔ Mark your postcode and house number on property with UV pens or paint
- ➔ Gravel paths make it harder for a thief to approach unnoticed
- ➔ Register your belongings with [www.immobilise.com](http://www.immobilise.com)

# BOSWORTH IN FOCUS

## A TASTE OF BOSWORTH

### Apricot Fruit Cake

A very moist fruit cake, using tinned apricots, provides an alternative to a traditional fruit cake.

175g Self raising flour & 1 dessert spoon  
Pinch of salt

100g glacé cherries - halved

425g can apricots, drained

125g butter

115g caster sugar

2 large eggs, beaten

2 tablespoons milk

100g sultanas

100g raisins

100g currants

### Method

Heat oven to 160°C / Gas 3. Grease and line 900g (2lb) loaf tin. Sieve flour and salt together. Take halved cherries and roll three quarters of them in a dessert spoon of flour to coat - keep remainder for topping. Drain apricots and chop finely. Cream butter and sugar until light and creamy, then beat in eggs, adding a tablespoon of flour with the last amount of egg. Fold in the rest of the flour, milk, chopped apricots and all the dried fruit except the cherries for the topping. Spoon into the prepared tin and arrange the remaining cherries on top. Bake for 2 hours, until risen and firm to touch. Leave to cool in tin.

Once cool this cake can be frozen by removing the paper, and wrapping in a double thickness of foil. To defrost unwrap and thaw at room temperature for 4 - 6 hours. Store in the fridge wrapped in foil for up to one week.

Jackie Kerr

## SWINGING 80s

There will be a charity 80s disco on Saturday, May 13<sup>th</sup> at the Village Hall, in aid of *Action for Children*.

Look out for tickets, which will be on sale soon.

Samantha Bell

## WILD ABOUT BOSWORTH

### Banded Demoiselle - *Calopteryx splendens*

Like the ferns we covered recently, damselflies have been around for over 300 million years. There are about twenty species in the U.K. and I know it's a cliché, but they truly are jewels of the riverbank - none more so than the Banded Demoiselles.

The male of the species is a luminous metallic blue colour with dark bands on its wings, while the female is an incandescent emerald green. Damselflies are smaller than their cousins, the dragonflies. They also have slimmer bodies and fold their wings along their bodies when resting. For most of their lives, usually two years, they live underwater as nymphs and they thrive in clean water, so they're a good indicator of water quality. They're voracious eaters, and very aggressive hunters. Virtually everything that moves is on the menu; mosquito larvae, bloodworms, tadpoles, etc.. As they grow, they moult numerous times until finally, on a sunny day, they climb out of the water and moult one last time; this time emerging in their adult form. They retain their predatory instincts and use their amazing flying skills to capture insects on the wing.

Males compete for breeding territories and court passing females with a special display flight. If the courtship is successful, the male uses claspers, which protrude from his hindmost segment, to grasp the female behind her head and the couple fly in tandem while they mate. Whilst still joined together, the female lays her eggs on submerged vegetation. Two weeks later the eggs hatch into nymphs and the life cycle begins again.

Mike Chanter

## HORTICULTURAL SHOW

An early reminder that this year our Horticulture and Craft Show will be a week earlier than normal on Sunday, August 20<sup>th</sup>. The show is open to all, either as a spectator or competitor and we have successfully grown our classes for our young people. You don't need to be a gardener, plants grown in window boxes and containers will do just as well, and we have lots of baking, craft and artistic classes for adults and children.

This year is the Leicester & Leicestershire Horticultural Judges Guild Diamond Anniversary and they will sponsor a class which requires the exhibitor to enter, in one class, a specimen pot plant, a specimen flower and a specimen vegetable. They will provide a first, second and third prize with accompanying certificates.

We will also have a Pumpkin Parade. In the next two weeks all the children at the Village School will receive a pumpkin seed along with instructions and advice on how to plant, raise and tend it to get a pumpkin ready for judging at the show.

Just come along and see the talent and creativity surrounding you in Husbands Bosworth! For information please call 880476 .

Eleanor Murphy

## SULBY GARDENS 2017

Sulby Gardens will be opening for the first time this year under the National Gardens Scheme on Thursday, April 27<sup>th</sup>, 2.00pm to 5.00pm. Featured will be the amazing meadow of snakeshead fritillaries and cowslips with, hopefully, bluebells in the spinney as well. As usual, tea and homemade cakes will be available, as well as Sulby Gardens Apple Juice and home grown plants while stocks last. Entry £4 per head.

# SCHOOL REPORT

HUSBANDS BOSWORTH C. of E. PRIMARY SCHOOL Head Teacher Alan Eathorne

It has been a busy half term again at Husbands Bosworth School. We have been taking part in a lot of sporting events this term. Nearly half the school ran in the Cross Country races at Market Harborough Recreation Ground and performed really well in tricky conditions. We came fourth in the Small Schools South Leicestershire East Swimming Gala with a combination of great individual and team performances.

We welcomed Tim Scarborough to our school who taught all the children in the school how to drum. The children really enjoyed making a noise and working together to make different drumming patterns.

I leave you with a poem from Class 3, who have been looking at, and producing, their own shape poems.

## The Book

*I'm the newest book on the shelf.*

*I've never been read.*

*Just now I was picked up by a small girl.*

*She read me out loud.*

*I suddenly saw something nasty... Slowly, slowly, the snot on the girl's nose came down, down and onto the last of my lovely pages...*

*Splodge!*

*The snot has fallen on me.*

*Then the little beast shuts me with a BANG!*

Amelie

## BYGONE BOSWORTH

Images from the Historical Society's Archive Collection

### GHOST SIGNS

The picture here shows a familiar ghost-sign on the frontage of what was once The Graziers Arms public house on High Street. The pub was named for the graziers who farmed much of the renowned grazing land in the upper Welland Valley, around the village. Until fairly recent years there were an unusually high number of farms within the core of the village. These farmsteads had few associated buildings and were isolated from their farmland, which was out in the free-draining fertile valley land. The livestock would feed on the lush grass throughout the grazing season and were slaughtered before winter, which explains why extensive winter housing wasn't needed.

Not so long ago Husbands Bosworth could boast no less than eight public houses, three of which, The Cherry Tree, The Red Lion and The Graziers Arms were on the High Street. The Butchers Arms was on Church Street, and The Wheatsheaf on Bell Lane. The Bell Inn, of course survives, as does the Wharf Inn at Welford Wharf, but the Union Anchor at Kilworth Wharf, sadly, is no more.

**HISTORICAL SOCIETY**

The next meeting of Husbands Bosworth Historical Society will be the Annual General Meeting on Wednesday, April 5<sup>th</sup>, which will be followed by an illustrated talk by local author and historian, Dr. Susan Tebby, on local water mills and windmills. Please note that due to unforeseen circumstances the meeting will be held at the Sports Pavilion, Kilworth Road at the usual time of 7.30pm. This meeting concludes our season of 'indoor' meetings.

\*\*\*\*\*

Our Annual Members Social Evening meeting on Wednesday, May 3<sup>rd</sup> will be a visit to Leicestershire Police HQ at Enderby, kindly arranged by Chris Brown. Travel arrangements to be confirmed nearer the time.

In June we will be the guests of Leicester Transport Heritage Trust who will be taking us on a bus trip to their museum and depot at Stonegate, Leicester.

\*\*\*\*\*

*Frances is taking names and contact details for both these meetings. Please phone 880225.*

**SCOUTNG NEWS**

1st Kilworth Scout Group has redesigned its necker, changing from its long-time-worn solid canary yellow to a smart royal blue with a yellow and purple border. Also our Scout Hut is 30 years old and is in need of some TLC and renovation. We are looking for any local people who may have plumbing or building skills to help us update certain areas of our hut. We are also fund-raising in order to add some sound-proofing to the ceiling of our hut. If you can help us with skills, time, materials or fund-raising then please get in touch with either myself at: cnlauder@gmail.com or our chair Norman Byrd at: Norman\_Byrd@hotmail.com.

*Charles Lauder Jn.*

**VILLAGE LUNCH**

The next Village Lunch will be on Wednesday, April 26<sup>th</sup> at Kilworth Springs Golf Club.

The Village Lunch is a great opportunity for those new to the area, single or recently retired to make new friends and renew old acquaintances in a relaxed and friendly environment.

Call Janice on 880668 to book a place or for more information.

**MILLENNIUM WOOD**

The Millennium Wood group meets on the third Saturday of each month to carry out maintenance and conservation work at the village's community woodland on Mill Lane.

If you have a couple of hours to spare, enjoy a bit of physical outdoor work and would like to help a worthy community cause call Jackie on 880910. New volunteers are assured a warm welcome; all you need is enthusiasm, stout footwear and gloves!

**TENNIS CLUB**

Make this the year to get fit by joining the Tennis Club!

Fees remain the same at £40 for adults, £80 for families, £30 for seniors and £15 for juniors and those in full-time education. We remain approximately £100 cheaper than most clubs.

Enrolment this year will be on Saturday April 22<sup>nd</sup> from 10.00am to 12noon and on Wednesday April 26<sup>th</sup> from 6.30pm to 7.00pm followed by the AGM.

The Wimbledon draw and future fundraising will be among topics discussed at the AGM. Coaching for juniors will be on offer again this year, and Bonnie Kettell will be organising this.

For any further information please contact, Jennifer Rogers 880401, Mike Pennington 880455 or Bonnie Kettell 882148 .

*Jennifer Rogers*

# PARISH COUNCIL NEWS

## PARISH COUNCIL NEWS

Report of the Parish Council Meeting held on Tuesday, March 7<sup>th</sup> 2017.

Four Parish Councillors, County Councillor Graham Hart and two members of the public were present. Apologies were received from James Shelley

### Visitors' Questions

■ The meeting was preceded by a Section 106 funding meeting, which was attended by representatives of the school Open the Book group, the Parochial Church Council and Bosworth Tots. Two members of the public remained for the Parish Council meeting.

### Minutes of last meeting were read and approved

#### Matter arising from the Minutes

- Power has been restored to the defibrillator box on The Green.
- New fencing has been erected adjacent to the Sports Pavilion car park.
- A professional survey of the trees bordering the Playing Field had highlighted the need for the removal of one tree and dead-wood removal and reduction on all others.
- No response has been received from the Scouts regarding the new lease.

### Cemetery

- Work to trim back overhanging yew trees has been carried out.
- Two new memorial benches for the cemetery have been delivered.
- A slate has been dislodged from the roof of the Chapel of Rest.

### Playing Field & Play Area

- Clerk reported that the roadside gateway padlock had been broken to gain access to the rear of the Old Bowling Green.
- Council noted that the new gate/barrier had been installed on the Recreation Area car-park. Clerk was asked to arrange for a warning sign to be made.
- Work has commenced on replacing the fencing and installing a wider gateway from the Recreation Area car-park to the lower playing field.

### Allotments

- Allotment holders have reported problems with the allotment roadside gate padlock. Mr Fletcher agreed to look into this.
- Clerk informed Council that rent letters had been sent out and that one plot was still vacant, with immediate access.

### Traffic Issues

■ County Councillor Hart informed the meeting that County would be receiving central government funding for average speed enforcement cameras. Walcote on the A4304 was one of five sites around the county where persistently high speeds were noted, and where cameras would be sited.

### Neighbourhood Plan

■ Council formally agreed to proceed with a Neighbourhood Plan following a positive response at the inaugural meeting in February. It was agreed to seek a paid secretary/co-ordinator for the steering group.

### S106 Developer Funding

■ [A S106 meeting had preceded the Parish Council meeting] Council agreed to continue promoting the availability of developer funding, despite poor response from community groups. Mr. Fletcher agreed to co-ordinate the group. It was agreed to hold another meeting of interested parties prior to the Parish Council meeting on Tuesday, May 2<sup>nd</sup>. Guidance notes for S106 funding would be circulated to all group representatives who had attended the first meeting.

### Accounts

■ Monthly accounts were presented and approved.

### Correspondence

■ Council had been invited to submit road names for the new development off Welford Road. Townend Close and Marsh Drive were suggested as having local historical relevance to the site.

### Any Other Business

- Council discussed the present arrangement regarding the grant in lieu of booking fees for Parish Council led meetings in the Village Hall. Mrs. Fisher would discuss the matter with the Hall Trustees. Neighbourhood Plan meetings would be invoiced separately as a grant was to be sought for NP expenses.
- It was noted that the allotment noticeboard post had broken. Mr. Forman agreed to reinstate it and fit the new noticeboard.
- Clerk was asked to bring the matter of illegible road markings and silt blocked storm drains on Welford Road to the attention of Highways.

*The next meeting will be the Annual Parish Meeting on Tuesday, April 4<sup>th</sup>, 2017, at 7.30pm in the Committee Room of the Village Hall. The meeting will be an informal open meeting with no official parish business conducted.*

# CHURCH NEWS

All Saints Parish Church, Methodist Chapel & St. Mary's Roman Catholic Church

## FROM THE RECTORY

Did the few sunny days in the middle of March, when all the daffodils were at their brightest, the snowdrops were not quite over and the crocuses and primroses were in full colour make you start to think about what needed to be done in the garden to get it ready for this year? The warmth of the spring sunshine lures us out to take a look and see what has happened over the winter, to see if there is repair work to be done as a consequence of storm Doris and what will need to be done in order to plant this year's crops and flowers. It's similar to what we are invited to do through Lent in our lives - we look at what is past that needs sorting out and what rubbish needs throwing out, at what is present that needs tidying up and making good and we make plans and prepare for the future, so that we can enjoy the best of what is to come. Are there people we need to forgive and grudges we need to throw out? What about our relationships with family and friends today? Can you truly be yourself with them, without pretence, and live life to the full? And can you look to the future with hope and expectation of joy, and the realisation of at least some of your dreams? The Easter story offers us hope for the past, present and future too. Jesus obtained forgiveness for us on the cross, he offers us new life set free from our guilt and shame for today, and promises eternal life for those who believe in him and choose to follow his ways. Jesus is the same yesterday, today and forever. Trust him. I hope you have a blessed Easter and that your gardens will blossom abundantly.

Liz

## METHODIST CHURCH

Bosworth Methodist Church members will be joining with the United Circuit Service at 10.15am on Sunday, April 2<sup>nd</sup> at Market Harborough. The service will be led by Chairman of the District, Rev. Peter Hancock.

## METHODIST CHURCH

### Coffee Morning

Wednesday, April 19<sup>th</sup>

10.00am-12.00noon.

at the home of John & Margaret Scurrah

25 High Street

Visitors always welcome.

## CRAFT GROUP

The Craft Group meets on the second Wednesday of each month in the Committee Room of the Village Hall.

The group is a friendly and informal gathering, where craft-minded people can pick up new ideas and practise their craft in a relaxed atmosphere away from the distractions of homelife.

For details contact Gail on 880413.
