

Craftsmen for Christ Ministry

BUILDING FOR THE CAUSE OF CHRIST
www.cfcib.com

Dear Brothers & Sisters In Christ,

May 2021

I pray everyone is doing well. As the quarterly newsletters are sent out with updates, Ronnie was the one who always prepared them. I never thought I'd be the one stepping into that job as I am not a writer, but this is where God has placed me. I want to thank you all for the prayers and support for the Craftsmen for Christ Ministry. As told in the previous newsletter, Bro. Ronnie Venable passed away in January. I ask that you continue to pray for his family and for us with the ministry as we continue to serve. We are depending on the head cornerstone, Jesus Christ!

The Lord has blessed with many projects to work on and we've been busy. We were able to lay flooring for Blue Mountain Baptist Homes in Stuart, VA, for Missionary Maria Podbereski's apartment. We were also able to lay flooring in the basement of Second Chance Ranch in Danbury, NC, and have other projects that we will help them

on in the coming months. Much of April was spent working on a house addition in King, NC, for evangelist Jesse Butcher and his family. We were able to get the addition dried in and will continue help with the finishing stages of this project. Pray for this family as they will be traveling for meetings this summer and as their baby girl will be arriving in August. Me, Hank, and Randy were able to work on the sound booth and updating the bathrooms at Crosspointe Baptist Church in Fremont, NC.

Please be in prayer for Roger and Rachel as they have traveled to Ingram, Texas, for the month of May to head up a project there. Me and my wife will travel down for the latter half of May to help them. On the way to Texas, I will be surveying a project in Georgia and also coming back through Arkansas to help with some projects at Triple S Christian Camp. Pray for safety as we travel and work in the coming months.

I ask you to pray about the ministry's need for a newer vehicle. We currently have a 2003 Ford Van with over 330,000 miles. It has been a good vehicle but is having more issues lately. With projects planned a further away from our home area, we would like to get something more reliable. Pray that God will lead us to the right vehicle for our needs.

As we travel, we would like to visit with churches to introduce or update the congregation about the Craftsmen for

Christ Ministry. Please contact me at 336-408-4664. We would love to tell you more about what God has laid on our hearts and always are seeking volunteers to help on projects. In the meantime, you can find out more from our Facebook page: Craftsmen for Christ Ministry and also our website www.cfcib.com.

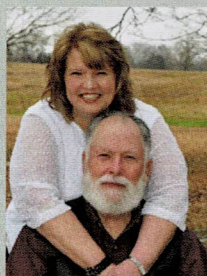

Let's Continue to Serve!
