Worm Week May 4th-8th

Agriculture In The Classroom NL Website: Contest Info for students and Vermi-Composting Information (includes setup and maintenance of a vermi-composting kit)

<http://aitcnl.ca/new-redirectorpage/vermi-composting/>

Agriculture in the Classroom NL sources all of our red wiggler worms for our vermi-composting program from Troutler's Special in Bay Bulls: <https://www.trouterspecial.ca/>

If you are interested in starting your own bin, Troutler's Special will ship vermi-composting supplies across the province.
