MS12200TT	12V	200 AH	505mm	187mm	394mm	20.0	20 AH	IT500

Features

- Designed with thicker positive plates and 20% more electrolyte to withstand power outage
- PDC Grids – Long Life & Low Maintenance
- Next Generation Tall Tubular Technology with better charge acceptance and long back-up
- Extra-strong, flexible oxidation-resistant gauntlet for better performance and long life
- Factory charged and ready-to-use condition

Applications

- For Off-grid & Hybrid Solar applications
