RE: **HB1171 – Declaration of Rights – Right to “Reproductive Liberty”**

**“Are you willing to sell your eternity for a toy – this bill?”**

Shakespeare – The Rape of Lucreces

**DO NOT PASS THIS BILL** – THIS IS AN ASSAULT ON THE DIGNITY OF THE HUMAN PERSON AND MORE IMPORTANTLY THE AUTHOR OF LIFE – GOD ALMIGHTY! There is a Fifth commandment...Thou shalt not kill!!!! THIS IS AN ASSAULT ON PARENTAL RIGHTS TO KNOW AND DECIDE ACTIONS FOR THEIR OWN CHILDREN’S BEHAVIOR – NOT YOU – NOT THE MD GENERAL ASSEMBLY – NOT THE STATE!

You say individuals not adults, therefore, girls & boys under age 18, without parental consent, can make decisions about butchering the baby her womb or boys being sodomized. Perhaps young girls raped via sex trafficking or other ways, allowing molesters to get away with their crimes; it’s okay for little girls to have sex with adults – or little boys to be sodomized by adult men??? How can you possibly even think “imagine” such a “shameful bill” as this, and to agree to such evil behavior?? Because every word written in this bill will undermine Pro-life laws and laws prohibiting adults and children having sex. Are you slaves/subjects of the abominable organization known as Planned Parenthood; are you being paid off – how do you live with yourselves??

Public “servant” Adrienne Jones and the rest of you who wrote and agree to a bill like this being placed on the ballot November – REPENT, GET TO CONFESSION, deliver yourself from this evil and get back in good graces with God Almighty.

The Family: mom and dad only raise children. It is the core of civilization. You must make laws that protect this type of family unit (not homosexuals or lesbians—sodomites), or you will be aiders and abettors to the collapse of civilization and the loss of your soul.
