L. Early reprints of the reviews and notices 1. Early reprints of the reviews and notices 1. Early reprints of the reviews and monthly new books, from the weekly and monthly new books, from the weekly and monthly new books. These reviews it is carefully selected with reference both is parting correct information respecting have books as are reprinted in America. It convey literary intelligence in regard to sets which rarely find their way across the datio. As great exertions will be used to ke this department instructive and entering, the proprietor is compident that it will considered an important addition, by means which his numerous subscribers will freelenly avoid the expense of purchasing such was as are printed on the calculation that earlies or the reputation of their authors will be given annually to the man of taste, they will be edition. This part of the Journal II sell the edition. This part of the Journal II sell the edition. This part of the Journal II sell the edition. This part of the Journal II sell the edition. This part of the Journal II sell the edition of doubt while Eich plate will be accompanied with a brief but lisher to hope for extensive patronage for a work high necessarily involves great expenditure, and which will combine great interest, accuracy and

stole, several scientific gentlemen have been engaged at a great expense to conduct the work; their united researches, it is believed, will render this periodical extremely valuable.

One great source of the patronage anticipated by the proprietor istrom schools and colleges, and as the figures represented will be models of elegance and correct drawing, it will form a work for consultation by the Painter, Engrever, Drawing Master and Student, and will be of inestimable advant ge in the procedulon of their practice. In short, it will be a dapted to the capacity and inted for the use of every class in the community, from the erudite naturalist to the early beginner—for the one a book of reference, and for all a source of pleasing study, amusement and instruction.

and instruction.

This work is not got up with a view to temporary popularity, or to a subscription of two years, in about which period it will certainly be completed: it will on the contrary, be so compiled as to be valuable a long as the plates last. After the term of two years the price will be greatly enhanced, thus making the advantage on the side of those who now come forward to patronise an extensive and novel enterprice.

TERMS.

TERMS.

ONLY ONE DOLLAR A YEAR.

PROPOSALS

For Publishing by Subscription, at Bel-Air, Harford county, Maryland, A HUMOROUS PUBLICATION,

TO BE ENTITLED THE MIRROR OF MIRTH.

"Meth that wrinkled care derides,

THE subscriber, fully aware himself, that innocent mirth, tends more to blunt the ar rowa of adversity, and promote health and hap-niness among mankind, than almost any other means which can be used, is induced to try the experiment of attarting a publication which will bear the above title. It is unnecessary, perhaps, to state, that he will expect, before be commences the publication, the names of a sufficient number of persons to ray all the ex-penses which will be incurred, and when he assures his friends that his calculations on the score of expense are not very extravagant, he hopes the public may be the more inclined to favour the contemplated publication.

The pages of the MIRROR OF MIRTH will be perfectly free from all party spirit, whether in religion or politics. And while the most scru-pulously devout will find nothing to condemn, ose who make no profession of religion will find in every line something to please, to amuse, and delight

The publication will contain witty Anecdotes, pirby Epigrams, Bon Mots, Enigmas, Conundrative, Epigrams, Bon Mols, Enigmas, Conundrative, Epitaphis, Choice Sentiments from the best writers of the age; and a collection of the best Maxims, on various subjects, which are to be found in the most approved writers. The Editor of the Mirror of Mirra and collections and the collection of the Mirror of Mirrar will strive to make it worthy of the support of the community in all parts of this State, and

TERMS. The Minnon or Minin, will be printed or a royal sheet of beau ful paper, and good type, and will contain 3 octavo pages weekly, at the very low price of \$1 per annum, payable on the delivery of the first No : \$1 25 if poid at the end of six months; and \$1 50 if payment be deferred unto the end of the year. Fifty two numbers will comprise a year, or one vo-

lume of 416 pages. . * Should a sufficient degree of encourage ment be given, the Mirron will be embellish ed, occasionally, with humorous engravings.

. * Gentlemen procuring five responsible subscribers will be entitled to a sixth copy gratis. Those who produce ten or more subscribers, and forward the money, will receive an stra copy and ten per cent. on all money which they collect.

* If a sufficient number of names shall be obtained to justify the expense, the publication will be connected as soon after the first of January as practicable; of which due notice

will be given. * Persons holding subscription papers will dease return the same previous to the first day

of January, 1834.

A. As there is no work of the kind printed in Maryland, and as the price will suit the convenience of almost every one, the subscriber confinently calculates on a large number of

LYNDE ELLIOTT.

". Our Editoral brethren who copy the a hove, will confer a favour on the publisher, and thereby entitle themselves to the publication without sending their papers. Please mark the advertisement when you meert.
