## Happy Spring!

### A letter from our President/CEO, Trina Hoff

Dear valued NCCYou members,

Last March, our lives sure changed in many ways we never could have predicted. As we mark one year of living with the pandemic, I have been reflecting on the ways we are supporting each other and our communities.

I would like to personally thank you and let you know how grateful we are for allowing us to be your trust-ed financial partner.

In the last year, it was our goal to be here for you in life's big and small moments – as important as helping you afford your new home or securing financial resources to help make ends meet and as simple as using our secure digital tools so you are able to do your banking from anywhere.

You may have noticed that our branch lobbies have reopened to limited capacity (6 at the Arrowhead Road location and 2 at the Virginia/Mt Iron location). I appreciate all of our team members in the branches for their ongoing commitment to serving you this past year.

Looking ahead, I am optimistic that we will get back to doing business in both new and familiar ways. I am also hopeful that we will be able to do the things that bring us joy, like visiting family and friends, hugging loved ones and going to ball games.

We remain motivated to continue supporting you however, and wherever, we can as you achieve your aspirations. We are here for YOU now and in the years to come.

Thanks you for choosing NCCYou.

Trina
