INTRODUCTION

Welcome to our 2015 catalogue. We would also recommend that you look at our website www.ringhaddy-daffodils.com which has many more pictures of the flowers. You can also check our facebook page www.facebook.com/RinghaddyDaffs where we regularly post updates and pictures. You will notice that some varieties are marked with a *. These will no longer be available after this year.

We have ten exciting new introductions this year. We also have three that, although not new introductions, are new to Ringhaddy.

- Six new varieties of our own breeding – **Hello Gorgeous** (11aW-O), **Muiranna** (1Y-Y), **Mzungu** (2W-W), **Nantucket Red** (3O-R), **Simba** (4Y-Y), and an *Intermediate* **Pantaloon** (4W-YPP).

- A seedling from Chris Yates (England), **Kantzeewai** (2Y-YPP).

- From Harold Koopowitz we offer some more autumn flowering bulbs; **Autumn Fantasy Group** (8W-O); a species, that has been line-bred, **Narcissus miniatus** (13W-O) and a hybrid of *N. cavanillesii* and *N. miniatus*, x **pezlerae** (13Y-Y).

- New to Ringhaddy we have two from John Hunter, a top breeder from New Zealand: **Gold Lake** (11aY-O) and **Navigator** (2Y-O).

- Another breeder new to Ringhaddy is Gerard Knehans Jnr. from the USA: **Saint Louie Louie** (6W-Y).

Throughout the world 2014 seemed to be the year for strange weather and Ireland was no exception. We had one of the wettest winters on record followed by one of the driest and hottest summers. Digging daffodils in 'tropical' Ireland was a novelty, sun and temperatures in the mid 20s. Bulbs were as clean as we have ever had them, not much moisture to make mud to stick to them! The decision to cut back on our stock levels made planting a great deal easier and quicker as did the favourable weather.

Once again we would like to thank our loyal customers for their continued support. We very much enjoyed meeting many of you during 2014, in Ireland, the rest of the UK and also the USA. Nial spent an enjoyable few days at the ADS Convention in Little Rock, Arkansas and later in April we visited Greenwich, Connecticut and the island of Nantucket, for their daffodil shows. We hope to see many more of you this year and would extend a very warm welcome to anyone who would like to visit the field during the flowering season.

Best wishes to you all for a happy and successful growing season in 2015.

Each daffodil name is followed by a letter to indicate the approximate time of flowering. VE = very early; E = early; M = mid-season; L = late; VL = very late. The name of the raiser is shown in brackets, followed by the parentage and the original seedling number. All the varieties have been registered with The Royal Horticultural Society and the Classification and colour code is shown in the left margin. Under the colour code the approximate diameter is shown where available. For full RHS Classification details see website www.ringhaddy-daffodils.com

- 8W-O **AUTUMN FANTASY GROUP.** Late autumn flowering (H. Koopowitz) *Glorious x N. USA elegans*. With up to 15 flowers to a stem the white perianth segments provide a great background to the rich orange corona. Similar to the Gloriosus parent but flowering in the autumn. There is some variation in the petal width. Fragrant.
Three £25.00 / \$42.50 Each £10.00 / \$17.00
- 11aW-O **HELLO GORGEOUS, M.** (N.A.C. Watson). *Arctic Char x Sovereign*. [W 376]
100mm A lovely and unusually coloured split corona flower that caused a great deal of interest when first seen in the USA. The perianth has pure white, broad segments and the corona opens a deep orange that slowly fades to an even and delightful apricot orange. It is held on a strong stem and flowers readily. (Photo: front cover)
Each £30.00 / \$51.00
- 2Y-YPP **KANTZEEWAI, M.** (Chris Yates). *Fragrant Rose x Hambleton* [2.32.97]. A beautiful show flower that caused quite a stir when shown at the RHS Daffodil Show. The perianth segments are lemon yellow and overlapping half way at the back; the inners are slightly narrower and the whole perianth is extremely smooth. The funnel-shaped corona is yellow at the base and has a band of strong apricot pink at the rim giving the flower a dramatic look. (Photo: back cover) **Each £25.00 / \$42.50**
- 1Y-Y **MUIRANNA, M.** (N A C Watson). *Gold Convention x Goldfinger* [W 153]. A large vivid yellow flower that is very smooth and has great substance. The pose is excellent and the broad perianth segments are slightly lighter than the corona. A wonderful, strong show flower. (Photo: back cover) **Each £25.00 / \$42.50**
- 2W-W **MZUNGU, E.** (N.A.C. Watson). *Empress of Ireland x Silver Sabre* [W 254]. A large flower of real quality with a wonderfully smooth texture and very broad perianth segments of great substance. The flared corona is elegant and although it looks like a division 1 flower it is distinctly division 2. First NIDG Early Show 2014; Bender Award ADS 2014. (Photo: back cover) **Each £45.00 / \$76.50**
- 3O-R **NANTUCKET RED M-L.** (N.A.C. Watson). *Hero x Sabine Hay* [W 166]. The colour of this flower is what first catches the eye, the perianth segments are a strong orange and very broad giving the flower a rounded form. The shallow bowl shaped corona is red blending well with the perianth to give the flower an overall glowing colour. Named for the iconic American Trousers by kind permission of Murrays Toggery Shop, Nantucket. First RHS Late Show 2013. (Photo: back cover)
Each £25.00 / \$42.50
- 13Y-Y **NARCISSUS BULBOCODIUM var. ROMIEUXII,** *Autumn to very early*. A most floriferous bulbocodium with an elegantly pleated corona in shades of lemon-yellow. Makes an excellent pot plant.
Three £20.00 / \$34.00 Each £7.00 / \$12.00

- 13W-O **NARCISSUS MINIATUS**, *Autumn flowering*. These are second generation line-bred bulbs from Harold Koopowitz with bigger and flatter flowers than usual for the wild types. Two to four flowers per stem and the perianth is white. The corona is small and cup shaped which opens greenish-brown and matures to orange. Leaves are not present in flowering plants and it has a lovely scent. (*Photo: centre pages*)
Five £30.00 / \$50.00 Three £22.00 / \$37.50 Each £8.00 / \$14.00
- 13Y-Y **NARCISSUS X PEZLERAE**. *Autumn flowering*. The hybrid between *N. cavanillesii* and *N. miniatus*. This hybrid is very free flowering and clumps up nicely; the flowers open canary-yellow and eventually fade to cream. Very nice in pots. It requires to be warm and dry in the summer. (*Photo: centre pages*)
Five £30.00 / \$50.00 Three £22.00 / \$37.50 Each £8.00 / \$14.00
- 4W-YPP **PANTALOOON, M.** (N.A.C. Watson). *Parentage unknown* [W 490]. This intermediate flower is very consistent with broad, pure white perianth segments and beautifully coloured petaloids that are a vivid yellow at the base becoming pink from about a third the way up. Some years it blooms with the yellow coming much higher and the pink being confined to the rim, most attractive! (*Photo: back cover*)
Each £25.00 / \$42.50
- 4Y-Y **SIMBA, M.** (N.A.C. Watson). *Aslan x Barnum* [W 268]. This is a very consistent and well formed show flower with broad perianth segments and petaloids of the same vivid yellow. Barnum parentage ensures that this is a strong plant with excellent substance and able to withstand much of our weather. (*Photo: front cover*)
Each £20.00 / \$34.00

- 4Y-Y **CITRUS SOUFFLE, M** (Nial Watson) *Affable x Goldfinger* [W 459]. This is a strong, deep yellow flower with very broad perianth segments shouldered at the base giving the flower a precise rounded form. The major petals are smooth and a brilliant yellow, the petaloids neat and fill the centre of the flower with a vivid yellow. (Photo: inside back cover) **Each: £15.00 / \$25.50**
- 2W-GWO **FINE TRIM, M-L** (B.S. Duncan) *Soprano x High Society* [D 2436]. This is a really elegant flower with wonderfully smooth overlapping petals, enhanced by a delightful narrow green halo at the base. The sunproof corona is narrow-bowl shaped with a green eye, yellow mid-zone and a fine line of deep terracotta orange around the neat rim. Another excellent show flower in this class where there is a paucity of quality flowers. (Photo: inside front cover) **Each: £18.00 / \$30.50**
- 3W-O **HOT DATE, M** (Nial Watson) *Lisbarnet x Doctor Hugh* [W 719] This huge flower has pure white perianth segments, the outers overlapping at the base and the inners slightly narrower form a double triangle. The shallow bowl shaped corona is fiery orange. A wonderful show flower that is very useful for the back row of collections. (Photo: inside back cover) **Each: £22.00 / \$37.40**
- 2O-O **HOT LAVA, M**, (Nial Watson) *Creagh Dubh x Rio Rondo* [W 424]. The colour of this flower is dramatic. The perianth segments are very broad and rounded with good substance. The corona is funnel shaped and a strong orange. An excellent show flower that has already won on several occasions. **Each: £15.00 / \$25.50**
- 12G-GGO **LIMA'S GREEN SUCCESS, Autumn flowering** (Manuel Lima) *N. viridiflorus* USA *sdlg.* This is a very green star-shaped flower sunproof and of good substance. The corona is green with a striking band of orange at the rim. Both pollen and pod fertile so can be used for breeding green daffodils.
- Withdrawn for increase**
- 8W-WPP **LITTLE DIANNE, M**, (H. Koopowitz) *Pink China x N. dubius* [03-036/1] This is a lovely little tazetta with 2 – 3 flower to the stem. The perianth pure white and the corona is cup shaped, pink with a dainty white band round the base. A wonderful sunproof flower. Already a show winner. (Photo: inside front cover) **Each: £40.00 / \$68.00**

- 7W-P **MARILYNN HOWE, M** (H. Koopowitz) *Pink China x N. calcicola* [00-072/1]
 42mm The perianth segments of this lovely show flower are very broad, overlapping and a
 USA creamy white and the inner segments are slightly narrower. The corona opens slightly
 darker near the rim and is a delicate light pink at maturity. A flower that will do well
 when more widely known. (*Photo: inside front cover*) **Each: £30.00 / \$50.00**
- 3W-P **OH WOW, M** (Nial Watson) *Soft Focus x Coral Crown* [W 690] The name says it
 103mm all and is the comment most people make when they see this bloom. The round pure
 white perianth is made up of very broad segments and sets of the most amazingly
 deep pink corona. As the flower matures the centre of the corona becomes slightly
 paler which adds to its attractive look. (*Photo: inside front cover*)
Each: £18.00 / \$30.50
- 9W-GYR **POETRY IN MOTION, L** (Nial Watson) *Parents unknown* [W 387] This distinctive
 64mm poeticus hybrid stands out in the field. The perianth segments are broad and very
 smooth but the really distinctive look is the corona which is disc shaped with a green
 eye surrounded by a band of yellow then a red band around the rim. A great show
 flower. (*Photo: inside back cover*) **Each: £15.00 / \$25.50**
- 3W-YYO **SAFFRON STRAND, M** (Nial Watson) *Ballygowan x Loch Alsh* [W 077] This is a
 118mm show flower with the form of both its parents. It is a rounded flower with a smooth flat
 perianth made up of rounded segments. The shallow bowl shaped corona is chrome
 yellow with a very fine thread of orange around the rim.
Each: £15.00 / \$25.50
- 4W-W **SNOWY CANYON, M** (B.S. Duncan D 2419) This good sized show flower has
 105mm beautifully white broad back petals fronted by evenly stacked smaller petaloids of
 even form. The ruffled shorter coronal segments open lemon yellow and take some
 time to fully whiten to true 4W-W. This whitening is accelerated in sunny warm
 seasons. The bloom is full, tidy and a most attractive addition to this class.
 (*Photo: inside front cover*) **Each: £15.00 / \$25.50**
- 2W-YYO **SOLAR ECLIPSE, M** (Nial Watson) *Brave Journey x Witch Doctor* [W 734]. A
 68mm really lovely, and with us consistent, intermediate. The flower is round with very
 Intermediate broad perianth segments but it is the colour of the corona that catches the eye. The
 bowl shaped corona is a brilliant yellow with a virtually fluorescent orange band at the
 rim. (*Photo: back cover*)
Each: £18.00 / \$30.50

New Introductions 2013

- 3W-Y **AUTUMN HABIT, Autumn flowering** (H. Koopowitz & M. Howe) *Habit x N. miniatus*. Too big to be a miniature, this intermediate sized flower has long oblong, white perianth segments and a straight sided yellow corona. A pretty flower that gives some variety to autumn flowering daffodils. Flowers usually very flat and on dwarf plants. (*Photo: inside back cover*) **Each: £15.00 / \$25.50**
- 2W-YYP **CAUSEWAY TORCH, M-L** (T. D. Turbitt) *Mentor x High Society* [DT 9718]. The show record of this flower speaks volumes for its quality. Its perianth is flat and smooth with very rounded, broad, pure white segments. The very distinctive corona is a delight, yellow at the base with a lovely pink band at the mouth which has a beautifully rolled rim. *In winning 3 seedlings London 2005; Best seedling, best div 2 and best vase of 3 Belfast 2007; Best amateur seedling Belfast 2008; best vase of 3 seedlings Belfast 2010; 2011.* (*Photo: centre pages*) **Each: £17.50 / \$30.00**
- 2Y-R **CAUSEWAY WINNER, M** (T. D. Turbitt) *Jambo x Red Cameo* [DT 0008]. As the name implies, this is a winner. The perianth segments are smooth with a flat double triangle form. The corona is bowl shaped and a deep orange-red. *First 3 sdlg London 2004; Best Bloom Enniskillen 2008; Best Bloom Hillsborough 2009; First Hillsborough 2012.* (*Photo: inside back cover*) **Three: £25.00 / \$42.50 Each: £10.00 / \$17.00**
- 3W-WWY **CLEAN SWEEP, E-M** (N.A.C. Watson) *Loch Alsh x Portnoo* [W 356]. Graceful is the first word that springs to mind with this large flower. The perianth segments are very broad, almost round, white, overlapping at the base and reflexing when mature. The corona is a disc shaped shallow bowl with a band of brilliant yellow at the rim. An elegant show flower that has great substance and is well supported on a strong stem. *First Hillsborough 2012.* (*Photo: inside front cover*) **Each: £10.00 / \$17.00**
- 2W-WWP **DISCREET, M-L** (B.S. Duncan) *High Society x China Doll* [2435]. This very large, consistent and beautifully poised flower has a perianth of very smooth, overlapping and rounded petals. The name reflects the lovely but low key colouring of the corona which is creamy white with a dainty powder pink outer rim. *First RHS Late Show 2012.* (*Photo: inside back cover*) **Each: £18.00 / \$31.00**
- 2Y-Y **GOOD INTENTIONS, E** (E. Jarman) *Gold Bond x Glissando* [J 634]. This is one of Eddie Jarman's consistent, round flowers. It is an exceptional flower with perianth segments that are very broad, smooth and a deep golden colour; the corona is the same yellow and slightly flared. Eddie's field notes year on year record it as "Very consistent and perfect form" our notes add "Big, round and beautiful". We believe that this is one of the best show flowers of its kind in recent years. (*Photo: inside front cover*) **Each £20.00 / \$34.00**
- 1YYW-WWY **LEMON COCKTAIL, E-M** (Nial Watson) *Daydream x Goldfinger* [W183]. *98mm* This reverse bi-colour is very long lasting. It opens as a lemon yellow 1Y-Y but as it matures it slowly reverses to give a beautiful 1Y-W. The perianth segments overlap at the back and the inners are also very broad, yellow and with a white halo around the base of the corona which gently expands with a yellow rim which is slightly rolled. *First in Belfast 2012.* (3 weeks after opening!) **Three: £20.00 / \$38.00 Each £7.50 / \$12.75**

- 2W-YOO **MARGARET'S MELODY, M-L** (B.S.Duncan) *Soprano x Ruby Wedding* [8070].
115mm This large show flower has a very smooth perianth with broad flat petals that form a double triangle. The cup shaped corona is orange blending to yellow at the base. The bloom is held with wonderful poise on a strong stem. **Each £10.00 / \$17.00**
- 1W-Y **OLLY's MEDAL, (was Olympic Medal)** (B.S. Duncan). *Fiona McKillop x Queen's Guard* [3080]. This is a very large and unusually rounded flower for its class with broad ace-of-spades petals that form an ideal background for the large but well-proportioned deep lemon-yellow trumpet that is very generously flanged. A lovely consistent exhibition flower on a tall stem. A vigorous free flowering plant of great impact). (*Photo: inside back cover*)
Three: £25.00 / \$42.50 Each £10.00 / \$17.00
- 3W-O **PICKET POST, M** (J.W. Blanchard). (*Hotspur x Osmington*) x *Doctor Hugh* [77/19A].
112mm As with all flowers bred by John Blanchard, this is a strong grower with a beautiful large flower. It is a little later than "Warmwell" but has the same vibrant colour. The flower is round in form with good substance and very broad perianth segments. The corona is a deep orange, shallow bowl that is frilled and tidy. The flower is sweetly scented and held on a strong stem. **Each £10.00 / \$17.00**
- 2W-P **QUIET MAGIC, M-L** (B.S. Duncan). *Fairy Magic x Quiet Hero*. [2781]. A
74mm beautiful little flower which is consistently and comfortably within the Intermediate limit of 80mm. The *Intermediate* pure white perianth is round smooth and overlapping and highlights the deep lilac pink corona. A most consistent flower and a regular winner in London and elsewhere. (*Photo: centre pages*) **Each £15.00 / \$25.50**
- 7YYW-YWW **ROAD RUNNER, ML** (B.S. Duncan) *Regeneration OP*. [2904] Rather unusual
55mm for its class; the cup of this flower goes through several colour phases from yellow, orange to white. Was greatly admired at the London show where it drew particular attention to itself by its most amazing fragrance that can be detected from some yards away. Produces 2-3 flowers per stem, this is a must for those who like scented blooms. *First Belfast 2012*. (*Photo: centre pages*)
Three: £12.00 / \$20.50 Each £5.00 / \$8.50
- 2W-W **SEA MOON, E** (E. Jarman) *Mount Fuji x Silver Blaze* [J 573]. A lovely large, pure
110mm ice-white flower with rounded form. The perianth segments are *ace of spades* shaped, overlapping at the back, very smooth and broad with good substance. The long corona gently expands and the rim is almost rolled with the added bonus of a green eye when viewed from the front. Only a few to offer. (*Photo: centre pages*)
Each £15.00 / \$25.50

GENERAL INFORMATION AND TERMS OF BUSINESS

This catalogue cancels all previous issues. All bulbs are offered subject to crop and being unsold at the receipt time of order. Specially selected substitutes will be sent in the event of varieties being unavailable, unless otherwise instructed.

Orders should be received before the end of July and will be packed in order received. Priority will be given to prepaid orders. Orders will not be acknowledged unless specially requested.

Invoices are included in the parcels sent out and payment on receipt is a condition of sale when payment in advance has not been made. Overdue accounts are liable to 2% per month after 30 days. Receipts of payment are not sent unless specially requested.

All bulbs travel at purchaser's risk. No complaint as regard to quality of bulbs, size, health or numbers will be entertained unless made immediately upon receipt of bulbs.

CUSTOMS CLEARANCE The purchaser is responsible for informing Ringhaddy Daffodils of any local entry requirements and procuring import permits where necessary.

"DAFFSEEK." Many of our varieties have pictures at the A.D.S. sponsored site www.daffseek.org and on our website www.ringhaddy-daffodils.com

COLOUR PICTURES. Although we take as much care as we can, we cannot guarantee that the colours in the pictures are totally accurate. Most are very close but some colours don't seem to come out perfectly in printing. Colour may also vary under different growing conditions. See our website for many more pictures www.ringhaddy-daffodils.com

POSTAGE AND PACKING.

P&P is estimated on the average weight of 10 bulbs and Royal Mail prices at the time of printing. This is sometimes different by September. Please allow for gratis bulbs when estimating p&p.

PAYMENT. Customers are asked to make payment with order. Payment must be by cheque or international money order payable in Britain in £ sterling, US \$ or Euro, provided bank sort code and account numbers are printed on the bottom of the draft. If you wish to pay in another currency please email us so that we can clear it with our bank and advise you of rate of exchange. Payment can also be made by email using PayPal "Payment Request" or from your PayPal account using our email address info@ringhaddy-daffodils.com

EURO PAYMENTS. We regret that due to the uncertainty regarding the Euro we have not given Euro prices this year. We still accept Euro but please contact us before ordering or order through our website www.ringhaddy-daffodils.com

ONLY CHEQUES THAT HAVE A BANK SORT CODE AND ACCOUNT NUMBER ARE ACCEPTED BY OUR BANK.
