Introduction

The *Provider Directory for Tufts Health Direct* contains a list of the primary care providers (PCPs), hospitals, emergency rooms, behavioral health (mental health and/or substance use) providers and other providers who accept *Tufts Health Direct*.

For the most up-to-date list of our in-network providers and specialists, current benefits, and covered services information, please visit tuftshealthplan.com.

To get a copy of this information in other languages or formats at no cost, please call us at **888.257.1985** (TTY: 711), Monday through Friday, from 8 a.m. to 5 p.m. Tufts Health Plan provides full and equal access to covered services under the federal Americans with Disabilities Act of 1990 and Section 504 of the federal Rehabilitation Act of 1973. This includes free aids and services to people with disabilities to communicate effectively with us, such as written information in other formats (large print, audio, accessible electronic formats, other formats). It also provides free language services to people whose primary language is not English, -

- Qualified interpreters
- Information written in other languages

If you need any of the above services, have questions regarding any provider directory information, or would like to report an inaccuracy or network access issue, please contact Tufts Health Plan Member Services at 888.257.1985. To report provider directory inaccuracies electronically, please visit <https://tuftshealthplan.com/find-a-doctor> and select your plan. Search or select the Provider whose information you believe needs updating and click *"Tell us if something needs to change"*.

Please note that if you have complaints regarding provider directory inaccuracies or provider network access issues, you also have the right at any time to contact the Commonwealth of Massachusetts Division of Insurance at (877) 563-4467, Option 2 or www.mass.gov/doi.

Reaching us

We're here for you at **888.257.1985** (TTY: 711). If you want to talk to our member services team, you can call us Monday through Friday, from 8 a.m. to 5 p.m. We make interpretation services available free of charge in more than 200 languages. Our member services team can help you find a provider located in a city or town near you who speaks your preferred language.

Finding a health care provider

The directory includes the following information on our providers:

- Address
- Phone number
- Additional locations
- Provider and hospital accessibility
- Provider type and specialties
- License information
- Languages spoken by provider and office staff

Use the Find a Doctor, Hospital or Pharmacy tool at tuftshealthplan.com to search for providers online. We work hard to make sure the information in our tool is accurate. But information changes, so you should always call a provider's office to check the address, office hours and other information you need. For help finding a provider in-network, call us at **888.257.1985**, Monday through Friday, from 8 a.m. to 5 p.m., and follow the appropriate prompts. Our Member Services Team can help you find a provider who is appropriate for your age, condition and type of treatment.

Selecting your primary care provider (PCP)

Every member needs to have a PCP. A PCP is the doctor, nurse practitioner or physician assistant who manages your care. If you do not pick a PCP when you join, we will pick one for you. If you would like to change your PCP, you can choose one using our Find a Doctor, Hospital or Pharmacy tool at tuftshealthplan.com. For each PCP, we tell you whether she or he is accepting new patients. Call us at **888.257.1985** for help choosing or changing your PCP.

Finding a specialist

Talk to your PCP before seeing a specialist. Your PCP or other provider can help you find the right specialist, get an appointment and coordinate your care. You can visit most of our providers without prior authorization, but you need prior authorization before seeing an out-of-network provider and/or specialist. Your covered services include behavioral health treatments for adults, children and adolescents; however, these services may require prior authorization.

Please read your *Member Handbook* for more information about specialists and prior authorization. You can also ask your PCP, call our member services team at **888.257.1985**, or visit tuftshealthplan.com to get more information about specialists.

Pediatric dental providers

We cover pediatric dental care services for Members 18 years and younger. Dental care includes Medically Necessary preventive and restorative, basic and major restorative services. Orthodontia is covered when Medically Necessary and with Prior Authorization. Please call Delta Dental at **800.872.0500** for more information, or visit <http://www.deltadentalma.com/epo-find-a-dentist/> to find an in-network dental provider. You can also call our member services team at **888.257.1985**, or visit tuftshealthplan.com to get more information about pediatric dental benefits.

In an emergency

In a medical or behavioral health emergency, do not wait. Call 911 or your local emergency number, or go to the nearest emergency room right away. Bring your *Tufts Health Direct* member ID card with you.

You never need prior authorization (permission) to visit any emergency room or to get post-stabilization care. Let your PCP and, if applicable, your behavioral health provider know what happened within 48 hours in order to get follow-up care, if necessary.

For all other care that requires hospitalization, your PCP will arrange for you to go to a hospital in our network.

Prior authorization

Prior authorization means your provider needs to obtain approval for you to get certain services covered. Your provider will not have to ask for permission before you see most of our in-network providers, and some covered services never require prior authorization. For example, you never need prior authorization before you get emergency care, post-stabilization care services and outpatient behavioral health (mental health) counseling visits with preferred in-network providers.

In an urgent situation

An urgent health situation is when you experience a health problem that is serious but does not put your life in danger or risk permanent damage to your health. Your PCP or behavioral health provider can usually address these health problems. You can contact your PCP, behavioral health provider or any of your other providers' offices 24 hours a day, seven days a week. Provider offices have covering Providers who work after hours. A covering Provider is a Provider who can help you when your regular Provider is not available.

When you travel

If you are traveling and need emergency health care, go to the nearest emergency room. For other routine medical issues, call your PCP. For routine behavioral health issues, contact your behavioral health provider. We cover any emergency or urgent care services received outside of the U.S. or its territories. See your *Member Handbook* for more information about seeking care outside of the *Tufts Health Direct* service area.

How Tufts Health Plan Pays Providers in the *Tufts Health Direct* Network

Payment arrangements between Tufts Health Plan and participating providers may be direct or indirect. All providers in the *Tufts Health Direct* network, with the exception of the providers listed in the table below, are paid on a Fee-for-Service basis. Some providers are paid through an Alternative Payment Model. An Alternative Payment Model is an agreement between Tufts Health Plan and a provider to arrange for covered services in a coordinated manner where the provider may share savings/risk with Tufts Health Plan. Providers paid under an Alternative Payment Model are paid on a Fee-for-Service basis and may have additional revenues based upon quality/efficiency performance.

1. **Fee for Service:** In this arrangement, the provider is paid a fixed fee by Tufts Health Plan for covered services that are provided to eligible members. Services are generally paid from an agreed-on schedule of payments. Fees may be in the form of actual charges less any discount negotiated by Tufts Health Plan, a fixed fee for each day of a hospitalization (known as a per diem) or based on a schedule of fees by service performed. The fee from Tufts Health Plan, along with any applicable payment from the member, such as co-payment, co-insurance, and/or deductible, is the full payment to the provider for covered services.
2. **Shared Risk:** In this arrangement, the provider shares risk with Tufts Health Plan. The risk is based on the provider delivering services above or below a budget mutually agreed to between Tufts Health Plan and the provider. This arrangement may include maximum thresholds for risk sharing based on the agreement between Tufts Health Plan and the provider.
3. **Shared Surplus:** In this arrangement, the provider shares in savings below a budget mutually agreed upon between Tufts Health Plan and the provider.

The following table identifies the contracted providers in the *Tufts Health Direct* Network that have an Alternative Payment Model and a key identifying the specific type of payment arrangement based on the prior descriptions.

In-Network Provider	Pay Arrangement
Cambridge Health Alliance	Shared Surplus
Steward Health Care Network	Shared Surplus
Northeast Physician Hospital Organization	Shared Surplus

Tufts Health Plan reports provider price relativity and health status adjusted total medical expense data annually to the Center for Health Information and Analysis (CHIA). For more information about health care market pricing, please visit these websites.

- <http://www.chiamass.gov/annual-report/>
- <http://www.chiamass.gov/cost/>

While all Tufts Health Plan contracted practitioners and hospitals are subject to credentialing, quality thresholds and continuous analysis and assessments of provider performance on key quality and cost measures using state and national benchmarks, Tufts Health Plan does not use quality, member experience, patient safety or cost-related measures when selecting practitioners or hospitals in our full network to participate in our Marketplace Plan. The formulary, pharmacy network, and/or provider network may change at any time.

DISCRIMINATION IS AGAINST THE LAW

Tufts Health Plan complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. Tufts Health Plan does not exclude people or treat them differently because of race, color, national origin, age, disability, sex, sexual orientation, or gender identity.

Tufts Health Plan:

- Provides free aids and services to people with disabilities to communicate effectively with us, such as written information in other formats (large print, audio, accessible electronic formats, other formats)
- Provides free language services to people whose primary language is not English, such as qualified interpreters and information written in other languages

If you need these services, contact Tufts Health Plan at **888.257.1985**.

If you believe that Tufts Health Plan has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance with:
