

Revolve group comprises of Revolve Engineers a trading company and Revolve Engineers Pvt. Ltd. our projects company, both divisions are certified for compliance with ISO 9001-2008 quality management system. M/s. Revolve Engineers Pvt. Ltd., an essential part of Revolve Group, is one of the leading integrator for qualitative water and waste water treatment equipment. Owing to more than 20 years of experience in this domain, we have achieved specialization in the manufacturing of Water Treatment Systems, Sewage Treatment Plant, High-Purity Water Generation, Ultrafiltration and Reverse Osmosis Systems. Today, we have carved a niche as one of the top Sewage Treatment Plant Integrators and Suppliers, based in India. In addition to this, we also offer O&M and AMC services to our market. Our ISO 9001: 2000 certification proves the quality of our projects. Our client-centric approach has assisted us in earning a long list of reputed clients.

Water Treatment Plants (WTP)

a) Ultra Filtration Systems

b) Nano Filtration Systems

c) RO Systems

d) Purified Water Generation

e) DM / DI Systems

f) Filtration Systems

g) Softening Systems

Sewage Treatment Plants (STP)

a) Activate Sludge Process

b) Moving Bed Bio Reactor

c) Sequential Batch Reactor

d) Membrane Bio Reactor

e) Effluent Treatment Plants (ETP)

f) Hot Water Generation Systems

g) O&M and AMC Services

Head office :

C-7&8, I.D.A. Sanath Nagar, Hyderabad- 500018
(Telangana)

Branches:

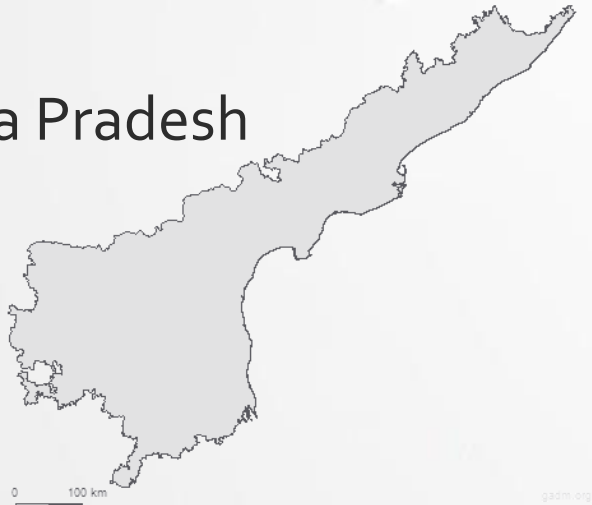

Vijayawada (Andhra Pradesh)

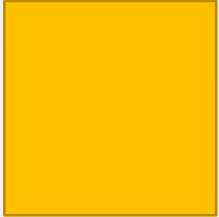

Warehouse:

Sanath Nagar, Hyderabad (Telangana)

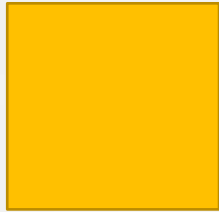

Pashamylaram, Hyderabad (Telangana)

Andhra Pradesh

**Mr. K. Bhaskar.****Managing Director**

A Graduate in Mechanical Engineering and is the founding Director of the company having 30 years of experience in pumps and water treatment systems.

**Mrs. K. Sri Lakshmi****Founder/Director**

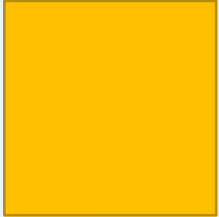

An Electronics Engineer with more than 28 years of experience in Senior Management levels.

**Mr. K. Srinivas****Director**

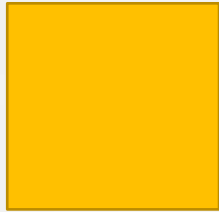

An Industrial Engineer with an MBA having more than 30 years of experience in Senior Management levels both in India & East Africa.

**Mr. K. Srikar****Director**

A Mechanical Engineer with Post-graduate from New-York University (USA) Specialized in Water Resource Engineering.

**Mr. Ravi Kumar****Head - Industrial Sales**

A Graduate in EEE with 35 years of experience in sales. Previously worked in power electronics and automation industry both in India and abroad.

**Mrs. V. Thejaswi****General Manager**

A Mechanical Engineering Graduate with 17 years of Experience in handling project sales.

**Mr. D. Padmaja****General Manager**

A Mechanical Engineering Graduate with 16 years of Experience in handling project sales and execution.

**Mr. Siva Prakash****Technical Head**

A Graduate Civil Engineer with Masters in Environmental Sciences (U.K.); having experience of 12 years working with wastewater treatment. Previously consulted for Association for organics.

- ✓ 25, year-old company, Estd. in 1995, Group turnover in FY19-20 : > INR 840 Million
- ✓ Well- qualified execution team – Average Qualification of Engineering Graduation. The best blend of experience
70% of employees are under the age of 35, 75% are Engineering graduates and above.
- ✓ ISO 9001 Certified company, Planning for ISO 14000 certification. 20,000 sq feet of storage area (350,000 Cubic feet of storage volume)
- ✓ Labour law compliant - One of the first and very few water treatment companies to be compliant with all labour laws providing PF, ESI to our employees and having framed and strictly implemented guidelines for workplace policies

ASP Technology – 100+ Projects (50KLD to 150KLD)

MBBR Technology – 100+ Projects (10KLD to 400KLD)

SBR Technology – 200+Projects (40KLD to 2MLD)

We have been executing projects for various segments like commercial and industrial and our engineers are well trained for any type of trouble shooting operations.

Industrial:

-  a) Pharmaceutical
-  b) Food & Beverages
-  c) Distilleries
-  d) Pulp & Paper
-  e) Breweries
-  f) Textile & Spinning
