Judging by the magazine advertisements "the better stores" carry everything.

# THE NEW ERA

RIVERTON :: PALMYRA :: CINNAMINSON

53rd Year, No. 10

THE NEW ERA, THURSDAY, MARCH 5, 1942

PRICE FIVE CENTS

## FIRE DAMAGES BISHOP HOME

The first bad fire that Riverton has experienced in many months caused extensive damage to the residence of William B. Bishop, corner Linden avenue and the south side of Broad street, early Saturday afternoon of last week. Practically the entire roof was off and there was also heavy damage caused by fire and water on the second floor. The first floor was damaged by water only.

Of unknown origin, the blaze probably started on shingles and burned quickly into the interior. It had gained tremendous headway before being discovered. The Riverton Fire Department, after a quick run following the alarm, found the entire south side of the roof a mass of flames and within a minute or two this entire part of the structure was enveloped in a roaring mass of fire.

### Four Hose Lines

The blaze was fought with three lines of 2½ inch hose and a 1½ inch line from the booster tank of the ladder truck. One pumper was located at the hydrant at Harrison and Linden, while the other was stationed at Harrison and Thomas, the plug next nearest to the fire. The heavy stream of water soon knocked down the flames, but the firemen remained on the scene well into the afternoon before the last embers were extinguished.

So rapid was the spread of the fire that little furniture could be removed from the dwelling.

Shortly after the recall from the Bishop fire the Riverton Company also answered a call for a grass fire off Thomas avenue, near Fourth.

The Palmyra firemen were also out extinguishing a field fire at the same time as the major blaze in Riverton.

## FEATURE GAME

The Burlington County Sports Federation will conduct an all-star tilt for the members of the American Division of the Burlington County Basketball League, Wednesday, March 11, at the Riverton Public School.

The club leading the American Division on the night of the contest (either Burlington or Moorestown) will play the entire game against star members of clubs from the rest of the division.

The Riverton-Maple Shade contest scheduled for the night of the affair will take place as the preliminary contest at 7:30 o'clock.

The league playoffs are slated for the following week with Riverton as one of the competitors.

## The Porch Club

On Tuesday, March 10 at 2:30 p.m. The program will be in charge of the American Home Committee. Mrs. Richard Hooper, chairman, has secured Mrs. Frederick Bullwinkle of the Lenox China Company, of Trenton to speak on "Lenox China—a New Jersey Industry."

The Annual Election of officers of the Porch Club for 1942-1943 was held on Tuesday, March 3rd. The following were elected: vice presidents, Mrs. Stewart A. Borger, Mrs. Edward W. J. Hunn; recording secretary, Mrs. Edwin E. Ochs; directors, Mrs. George Borner, Mrs. Lemuel N. Burhoe, Mrs. C. V. Devery, Mrs. W. Brooks Evert, Mrs. Herbert Stuart; admission committee, Mrs. Maurice G. Belknap, Mrs. Charles C. Miller, Mrs. Joseph Morgan, Mrs. Harry L. Rogers.

Others who hold office on the Board of Directors for the coming

## FIRE AT HEIGHT

New Era Staff Photo

Within an incredibly short time after being discovered the entire roof of the Bishop home, 601 Linden Avenue, Riverton, was a mass of flames last Saturday afternoon. The above picture shows the fire at its height just as the Riverton firemen got water through a line of hose on the north side of the dwelling. This line had to be run from a hydrant two blocks away. Two other streams were already in action at the south side of the blazing structure. Despite the tremendous start local firemen did a fine job in extinguishing the fire and preventing its spread to another home on the south.

## Important Meeting Of First Aid Corps

A final organization of the Riverton First Aid Corps of the local Civilian Defense Council will be effected next Monday evening, March 9, at a special meeting of all First Aid-ers to be held in the auditorium of Christ Church parish-house at eight o'clock.

Every resident of Riverton interested in First Aid and in serving in this vitally important Civilian Defense project is cordially invited to be present whether or not they have any recognized first-aid certificate. Men, in particular, provided they are not affiliated with any other Civilian Defense activity are urgently requested to be present and volunteer for duty.

The Corps so far has confined its activity to the organization of emergency hospital posts at the School and Country Club. In addition to these two posts, emergency casualty posts must be staffed and organized within each of the four zones into which Riverton has been divided by the local Air-Raid wardens' organization.

Such casualty posts are in urgent need of stretcher bearers—men who are capable of carrying sick and wounded to safety. Many other volunteers are also needed, provided that their work in any emergency will not leave any invalids or children at home alone.

All Corps members are reminded that before they can be given their official identification cards, they must be finger-printed for both local and national records. Such arrangements will be made for each member after he or she has been properly assigned for duty.

Come out next Monday evening and see where you can best fit in!

year are: Mrs. Francis B. Elwell, president; vice president, Mrs. John Abell; corresponding secretary, Mrs. Edward H. Blackwell; Treasurer, Mrs. Raymond Fuller; directors, Mrs. Richard H. Hooper, Mrs. Harry A. Jeffcott, Mrs. Frederick W. Metzger, Mrs. Carvel Sparks, Mrs. Douglas B. Tyler; Admission Committee, Mrs. Walter Drew, Mrs. Ashburner, Mrs. Herbert Morris, Mrs. A. B. Garwood.

## YWCA CAMPAIGN STARTS

The annual finance campaign of the Burlington County Young Women's Christian Association opened with a tea for campaign workers Tuesday afternoon, March 3, at the home of Mrs. Alexander C. Wood, Jr., of Cinnaminson.

Mrs. Wood is county campaign chairman.

Local community chairmen for the campaign are: Palmyra, Mrs. Alexander Sarka; Riverton, Mrs. Howard S. Coe and Mrs. W. Lynn Hendrickson;

## BOARD OF HEALTH NOTICE CONCERNING MUMPS

Rules concerning the exclusion of cases of mumps and home contacts from school, Sunday school, dancing classes, movies, and gatherings of children.

**Patient:** The patient shall be excluded for at least fourteen days from date of first symptoms and as long as glands remain swollen. Thereafter he may be permitted to attend school even though other cases exist in the same household.

**Home Contacts:** Those who have had mumps need not be excluded.

Those who have not had mumps and who show no symptoms of the disease may be permitted to attend school at the end of twenty-one days from the date of first symptoms in the last case in the household, whether or not the patient is removed from the premises. Such members of the household who are allowed to reside elsewhere temporarily may be permitted to attend school at the end of twenty-one days after the first symptoms in the last case to which they were exposed, if they show no symptoms of the disease.

Logically, if it is unsafe to have a child attend school, owing to the occurrence of mumps at home, it must be unsafe to have the child attend other public gatherings or to mingle with children from other households. Parents, therefore, are to restrict such child to his own premises and guard against his mingling with other children.

The Boards of Health of Palmyra, Riverton and Cinnaminson Township.

The first "Navy Department" was the Marine Committee appointed by the Continental Congress November 2, 1775.

## LADIES' NIGHT AT ROTARY CLUB

Unique in its conception and smart in its execution the Ladies' Night program of the local Rotary Club set a standard of enjoyment to meet which future committees will be hard pressed. The annual event was held on the sixteenth anniversary of the founding of the local club and the thirty-seventh anniversary of the founding of the first Rotary Club. District Governor and Mrs. Paul H. Engle were guests of honor.

The program was of such a nature that the diners could enjoy it throughout from their seats at the table. This was one of the many innovations introduced by the two chairmen of the committee responsible for the success of the evening, Maurice Joyce and Charles Woolston.

A Bingo game in which names of guests served as counters was a get-acquainted feature which launched the program. Each person secured these signatures from those about him as soon as he came in without the faintest idea of their import. This was under the direction of Robert G. Adams, a member of the committee.

A modification of the old game of making words from the letters of other words masqueraded under the title of "Making the Most of Rotary Ideals," directed by Charles Stickney, another member of the committee. Interesting prizes were given.

"Pandora Boxes of Dirt" provided a great deal of laughter as clever humorous application to readers chosen in the audience by committeeman Walter Lamont.

### Hindu Prince Present

Karl P. Miller, as "Prince Nur-Al-Din," the Hindu mystic, rocked the Porch Club with the appropriateness of his glimpses into the future as he gave answers to questions previously sent by the audience. Following this members of the committee, cleverly impersonating Roosevelt, Hitler, Stalin, Mussolini, and Ghandi, staged an international contest in the shape of a race of "babies," appropriately garbed, to down a bottle of milk.

Led by Carl and Mrs. Thomas, the "battle of the sexes" through vocal tests of parodied songs, gave some weird effects to well known

## WHAT TO SAVE

Here's how you can Salvage for Victory. Make a careful inspection of the house, looking in every closet and corner for the items listed below. When you are done you will have done something for America's war effort, as well as cut down the fire hazards.

A list compiled by the State Salvage for Victory Committee of the State Defense Council follows:

### In your Attic

- Beds made of brass or iron.
- Electric cords. They contain copper wire.
- Electric toasters, irons, heaters, fans, or any electrical equipment.
- Hardware. Door knobs, hinges, keys, locks, trim, springs, etc.
- Kitchen utensils—old knives, pans, pots, scissors, etc.
- Lamps and Lighting fixtures made of brass, copper or iron.
- Ornaments—metal ash trays, bowls, statues, vases, etc.
- Porch and Garden furniture made of metal.
- Radios—broken parts containing metal.
- Screens made of brass or copper.
- Toys—sleds, ice skates, roller skates, etc.
- Vacuum cleaners—broken parts made of metal.

### In Your Cellar

- Coal stoves that are no longer used.
- Fiveplace equipment—andirons, grates, poker, etc.
- Fire extinguishers.
- Furnace parts—old grates, doors, etc.
- Iron and nickel parts of old gas stoves.
- Pipes—pieces of iron, brass or copper piping.
- Plumbing fixtures—bath tubs, faucets, sinks, etc.
- Radiators.
- Refrigerator parts—ice trays, inside linings, ect.
- Tools—all old tools.

### In Your Garage

- Automobile parts—License plates, batteries, chains, parts of motors, tires and tubes.
- Bicycles and tricycles.
- Garden tools—Lawn mowers, hoes, pick axes, rakes, shovels, etc.
- In Your Yard or Farm
- Farm tools.
- Logging chains.
- Wire fencing and fence posts.
- Motors and motor parts.
- Playground equipment.
- Pieces of old metal—wall handles, etc.
- Ploughs.
- Wheelbarrows.

### How to Save Paper

1. Stack newspapers in large bundles. Tied two ways.
  2. Open cardboard boxes, lay flat. Tie in bundles.
  3. Stuff small waste paper into burlap bags or boxes.
  4. Magazines using glazed paper should be segregated.
  5. Do Not Save waxed paper, cellophane or butcher paper.
- How to Save Rags
1. Burlap bags—keep separate.
  2. Cotton and other textile bags—keep separate.
  3. Waste material: clothing—shirts, suits, towels, etc.—stuff into bags or make into bundles.
- Suggestions for Rubber Salvage
- Atotics, overshoes, rubber boots, hose, gloves, hot water bags, etc.
- How to Save Tinfoil and Tin
- Remove foil from cigarettes, candy, tea, etc. and flatten out.
- Remove plastic tops from toothpaste, tubes, etc.

tunes. Following the program the group enjoyed an hour of dancing. Other members of the committee responsible for the success of the evening, in addition to those previously mentioned included Frank Eland, Alfred Gilmore, Charles Marple and Dewees Showell.

### AS I SEE IT

By FRANK LEE SAYID

From where we sit it looks as if that great Victorian institution, the home parlor, is going to stage a comeback. Uncle Sam is going to drive romance back indoors and bring the war right to father's easy chair.

Fortified by the new necessity for economy of tires and probably gas, the head of many a household will not yield so readily to Willy's importunities for the family bus, and Willy will have to make most of his calls in the good old-fashioned way. No longer will the highway juke joints be the rendezvous for the high school crowd.

This of course will bring a revolution in the home which is not without its dark side for father. The young lady of the household, flushed with the novelty of this change of pace, will have much to say about the setting of the stage. And much of what she will have to say will impinge upon father's rights and further deplete his pocketbook. Father's hate for Hitler will grow for a time.

Bowing to what seemed the inevitable, father has only recently become reconciled to the ways of modern youth. At least, he consoled himself, he could continue the patterns of his own life and at home pursue his own devices. But now even that is to be upset in this wickedly changed world.

For Milly is going to want a parlor made over to suit her own ideas of the proper setting for her entertaining, when staying at home has become "the thing"—as it surely will. Furthermore she is not going to want the rest of the family hanging around in the next room or to take any chance of an over-act on the part of the small fry among her sisters and brothers.

Whatever the innovations in the family life may be, we may safely assume that both the older and the younger members will get more sleep—or at least they will retire earlier. Sister's ideas of the fitness of things will assure that. Just how all this will work out in the modern apartment is something concerning which we are most curious.

Father's uneasiness over this new complexity in his life may be assuaged in some degree by pleasant recollections of his own youth, when right after dinner he made for the street car that perhaps an hour later brought him to "her" door promptly at eight.

After a brief interlude of sparring for something to say, he would observe a new piece of sheet music on the piano and ask her to play it. Then naturally followed an hour or so during which his fancied tenor joined with her alleged soprano to the great enjoyment of both. By the time this means of entertainment was exhausted it could be assumed the nearby members of the family—also exhausted—had retired to more remote portions of the house. It was then safe for her to exhibit her culinary arts on the alcohol chafing dish, so that by the time the rubbery tid-bit she claimed was a Welsh Rarebit had been consumed, it was fully ten o'clock and time to depart.

Recalling these days with a warmth of memory, father will no doubt ultimately become reconciled to this new phase of the war which has been brought to his door.

### TIRES ALLOTTED

Two tires and one tube were issued to Dr. Harry P. Landis, Jr., Columbia Avenue, Palmyra. His classification is "A."

### PARRY FIRE COMPANY CELEBRATES 25TH ANNIVERSARY

Parry Fire Company No. 1 celebrated its 25th anniversary last Saturday and Sunday with many former and present members and friends, together with the Ladies' Auxiliary, attending.

The fire company was organized in 1917 with only a handful of men. Morton Haines was the first president and W. M. Morris was vice president. The company operated with a hand pumper until 1921 when it purchased a Commerce truck with a chemical tank.

In 1936 a Ford pumper with a 250 gallon booster was acquired. The company now boasts a modern well-equipped fire-fighting department.

The following are the officers for 1942: president, Fred Schuck; vice president, H. Veitenheimer; recording secretary, George Schuck; financial secretary, George Swain; treasurer, William Phelan; trustees, W. M. Morris, William Grossman, George Jung; chief, Henry Hathaway; assistant chief, George Dorworth; second assistant, Jung; third assistant, J. Higgins; foreman, W. Minniski.

**THE PEOPLE'S COLUMN**  
Editor, The New Era.  
The election of Edward K. Merrill to the chairmanship of the Riverton Civil Defense Council should be thankfully received by the citizenry. Mr. Merrill is extremely well qualified for this difficult position and is without doubt the right man for the job.

**GORHAM P. SARGENT**  
Editor, The New Era  
Dear Sir:  
At long last there seems to be a ray of encouraging hope that the Legislature will do something to end the demands of the Teachers Pension and Annuity Fund for ever-increasing contributions of taxpayers money. In recommending that the Legislature inquire into the need for huge additional yearly contributions to this fund, the Joint Legislative Appropriations Committee has taken a wise and farsighted view of this top-heavy and astronomical fund.

The New Jersey Taxpayers Association points out that the fund has now reached the staggering total of nearly one hundred million dollars which is almost double the assets of

the fund in 1935, and that there is no sound reason why the taxpayers should be compelled to feed in huge sums of money just because the fund seems to have an insatiable and unquenchable capacity for absorbing huge contributions, now in the amount of nearly six million dollars yearly. Organized taxpayers propose that the actuarial computations which appear to require the payment of these huge yearly sums, year after year without end, be scrapped and that the fund be converted into a revolving fund, placing a fixed and safe minimum of fifty million dollars (approximately half of the present assets) below which it would not be permitted to go.

With this huge sum as a starting asset there could never be any question about its security even without further contributions by the taxpayers for many years to come.

In these times when taxpayers are called upon to make every sacrifice and to pay tremendous increases in income and other taxes it is something more than ridiculous to make further contributions by the taxpayer has nearly one hundred million dollars in assets to provide for fewer than thirty thousand school teachers.

**J. S. COALE**  
**LOSE LAST GAME**  
Palmyra lost the last game on the regular court slate last Friday night to Camden Catholic on the local floor. The Irish outscored the Diamondmen 16-8 in the first quarter and though the Red and White played on even terms thereafter were unable to close the gap. The final score was 30-24.

This (Thursday) evening, Palmyra will play its first game in the N. J. Scholastic Basketball Tournament, being slated to oppose Mount

**MUCH ACTIVITY AT DEFENSE MEETING**  
The Cinnaminson Defense Council met last week, at which time the reports of the various committees showed that much progress was being made in all departments.

A. Oliver, in charge of the first aid committee, reported that the first class of 30 members would graduate this week.

Chief George Dorworth stated that 65 members of the police reserves were receiving training each week. Chairman West urged that as many residents as possible enroll for some form of civilian defense work.

**TWO BUILDING PERMITS**  
Daniel M. Clifton, Riverton building inspector, reports that two permits were issued during the past month for new dwellings, these being:

Cherry Lane; C. Mann, owner; estimated cost \$9500; Curtis E. Stavely, contractor.  
Front street and Lippincott avenue; Miss Martha Biddle, owner; estimated cost, \$7,500; John McVaugh, contractor.

**YOUR BANK KNOWS**

What is the "dual system" of banking?

Our American banking system is often referred to as a "dual system" because it is composed both of Federal-chartered and state-chartered banks. The state and national systems are under separate controls, but each is operated for the best interests of the public. This principle of optional charter is in keeping with the American traditions of free enterprise. Our bank favors this dual system because of the friendly competition it promotes in the cause of better bank management, and because it tends to prevent the centralizing of banking control at any one all-powerful point.

### ABOUT TOWN

Miss Nancy G. Clark, daughter of Mr. and Mrs. Stuart B. Clark, of Riverton, is the guest of her uncle and aunt, Mr. and Mrs. Clayton McMichael, in Sarasota, Florida.

Mrs. Edwin E. Ochs, of Riverton, has returned home, following an illness in which she was confined to the Zurburg Memorial Hospital, Riverside.

The friends of Henry Van Steenburgh, of Lincoln avenue, will be pleased to learn that he has returned home from the Zurburg Memorial Hospital following a severe illness.

Miss Marjorie M. West, of Morgan avenue, Palmyra, is spending some time at St. Petersburg, Florida.

Miss Emma Rotenbury, of Riverton, has been appointed to the position of office secretary at the Riverton Public School.

The annual exhibit of the Riverton Public School will be held on Monday evening, March 16.

Local students at Glassboro State Teachers College who are on the honor roll include Eleanor Friday and Esther Roberts, both of Riverton, who are members of the Senior class.

Joseph C. Shivers, of Cinnaminson, is among those whose names appear on the Dean's List for the spring semester at Duke University, Durham, North Carolina.

### LOCAL BUGLE CORPS NEEDS NEW MEMBERS

Membership is now open to all boys aged 14 to 17 in the Palmyra Bugle and Drum cadet corps. The local organization is planning now many of its activities for the coming months and will take part in a large number of parades and competitions.

In the three years that the corps has been organized it has placed among the best corps in the entire State.

Here in Burlington county, cadet corps are being organized once more in Florence and Mount Holly, with many new ones starting up throughout the State.

The Palmyra Junior Corps in following the former senior outfit is endeavoring to be State Champs, too, and continue to be among the best.

If you are interested in being a member of the local cadet corps come out and bring a friend at the weekly meeting Monday's at 7 p.m. at the American Legion home, on Broad street. Instruction on drums or trumpet is free.

The organization is starting to make arrangements for their annual Military Ball. Watch for the date and place which will be selected shortly.

### FLOWER SHOW

Philadelphia's 19th annual Flower Show will be held March 16th to 21st inclusive, at Commercial Museum, 34th below Spruce Street, Philadelphia. Hours for the current show will be Monday, 12 noon to 10 p.m. and Tuesday through Saturday, 9 a.m. to 10 p.m.

Gorgeous gardens and millions of Spring flowers in full bloom, will transform the four acre exhibition hall of Commercial Museum into a veritable paradise of color, beauty and fragrance. The coming spectacle promises to outstrip previous shows which have attracted thousands of visitors, and have brought added fame to Philadelphia.

### ONLY COMMERCIAL BOATS ALLOWED OUTSIDE

Coast Guard headquarters of the Fourth Naval District recently released the following instructions addressed to Commander G. W. Hitchens, senior Coast Guard officer, Atlantic City, N. J.:

"Direct commanding officers to station boat at all inlets to prevent all vessels from departing from inland waters except commercial fishing vessels that have been issued an individual license by the Captain of the Port. No individual licenses to operate on waters outside inland waters

shall be issued to any pleasure boat, yacht or other craft, except bona fide commercial vessels or commercial fishing boats. No licenses shall be issued except after thorough inspection of vessel and the submission of a crew list with the application for checkage against files at this office. All persons on board must have identification card, and each vessel departing must be checked for possession of such cards.

If any licenses have been issued to vessels other than commercial vessels, granting permission to depart from inland waters, such licenses shall be revoked and a new license issued for inland waters only. Report to this office when action has been taken."

### YMCA BRIEFS

Burlington County's delegation to the 1942 Model Legislature is now being arranged by County YMCA Secretary Clifford W. Ergood. So far the representation is as follows: Bordentown Industrial School, Harry Rock, Florence Del-Y, Chester Sutphin, Moorestown High School, Charles Pascale, Mount Holly, Woolman Hi-Y, Theodore Rudy, Pemberton High School, Jack Holbrook, and Riverside High School, Richard Prager.

As in former years, prior to the Model Legislature, the youthful Senators and Assemblymen gather at Princeton University for a pre-legislative conference. This will take place Saturday, March 7. The purpose of this meeting is to acquaint the boy Legislators with the mechanics, problems and processes of government, to give information on local club and community problems and to prepare them for the Trenton Model Legislature.

**WHEATLEY P.T.A. HEARS VISITING NURSE**  
The Phyllis Wheatley P.T.A. met on Friday, February 27 at School No. 4. Following a business session one of the Visiting Nurses, Miss Helen Blair, addressed the group on "Health of Our Children."

She stated that this year's outstanding physical defect among the children is poor teeth. Of the 135 children examined, 101 were found in need of dental care.

Treatment of these defects is not the responsibility of the school but of the parents. Schools are vitally interested in this condition as education is wasted on a child whose health is below par. It, too, is the parents' duty to see that the children have a proper diet in order to develop them into good citizens.

Cooperation of the parents with the school and nurses can prevent or improve many of the health problems. Following Miss Blair's address the chairman of the program introduced Mrs. Burtis, president of the Burlington County Council who prefaced her address with a brief history of the P.T.A. This year Burlington County celebrates its 40th year. Some points stressed by this speaker were that the aim of the P.T.A. is the "Education and Welfare of Youth." In these times it should be an aim to help the children to know and cherish the value of our democracy. Since the home makes the first contribution to the children's background it can do much toward developing courage, security, peace of mind and a spirit of sacrifice.

In closing, Mrs. Burtis stated that the need for good work in the P.T.A. is greater than ever now.

Musical selections by the Glee Club of School No. 4 directed by Mrs. E. J. Young followed the speaking. Songs rendered were: National Negro Anthem, "Skating Song," "Sleepy Hollow Tune," "Steal Away."

The Ways and Means Committee served a delicious repast at the close of the program.

### BIRTH

Mr. and Mrs. Grover H. Fox, of Cleveland avenue, Palmyra, are receiving congratulations on the birth of a son, Michael Kent, on February 23, at Lying-In Hospital, Philadelphia. Mrs. Fox is the former Miss Doris Elaine Kent, of Humboldt, Kansas.

### COMMITTEES NAMED

At the meeting of the Riverton Board of Education held on Monday night of this week, Thomas R. Taylor, president of the organization, announced the following committees for the current year:

Property: Robert G. Adams, chairman; Mrs. Frank Mathews and Dr. J. Rowland Dey.

Education: Mrs. Mathews, chairman; W. Brooks Evert, Dr. Dey.

Supply: Albert J. Farrow, chairman; Robert Gowell, Mrs. Charles H. Yost.

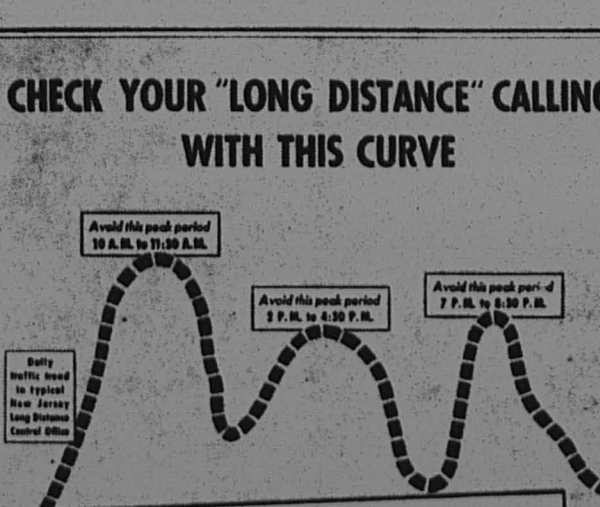

Finance: Richard M. Woodward, chairman; Mr. Gowell and Mrs. Yost.

At the Monday session the board voted that the principal, Miss Caroline M. Staman, be authorized to open the school gymnasium for basketball on Wednesday and Thursday evenings for the remainder of the season.

**CHECK YOUR "LONG DISTANCE" CALLING WITH THIS CURVE**

**UNDER PRESSURE** of war action, New Jersey's use of long distance telephone service has become the greatest ever known. The calling reaches three high peaks each day with deep valleys in between them. In the peak periods all lines are heavily laden, and the traffic is naturally heaviest on the circuits to military and war production centers.

For best service under these conditions and to make the most effective all-round use of the wire network, we suggest that you make only your "must" calls in the peak periods and your other calls in the valley periods when more lines are available.

Call, when you can, before 10 a. m.; between 11:30 and 2 at mid-day; 4:30 and 7 p. m.; and after 8:30 at night.

SACRED HEART CHURCH

Fourth and Linden Avenues Riverton, N. J.

Rev. William F. Quinn, Pastor Rev. Francis J. Coan, Assistant Pastor

Sunday Masses, 7, 8, 9, and 10:30 o'clock.

Daily Masses, 7 and 8 a.m.

Confessions, 5:45 to 7:30 till 9 p.m.

Novena devotions are held each Monday night at 7:45 in honor of Our Lady of the Miraculous Medal.

Stations at 8:00 p.m. for the children of the parish and in the evening for the adults at 7:45 Friday of this week.

First Friday Masses will be at 7 and 8 o'clock.

The Boy Scouts meet Wednesday night, while the Girl Scouts meet Friday nights at 7:30 p.m.

The Confraternity of Christian Doctrine meets each Thursday night in the school at 7:30.

Instructions are given to the Boy Scouts and the Girl Scouts in First Aid at the conclusion of the weekly Girl Scout meeting on Friday night, under the direction of Raymond Fichter, Sr.

This Sunday, in every parish in the United States where a Holy Name Society is organized, will be general communion day for all the men and older boys, who are members of this Society.

In anticipation of this event three priests will hear Confessions in the Church from 4:00-5:45 and 7:30-9 p.m. Saturday.

School children and the women of the parish will go to confession Saturday morning between the hours of 10 and 12.

All men of the parish along with the high school students will receive Holy Communion together in a body at the 7:00 Mass this Sunday.

At this Mass the sermon will be given by the Priest, a member of the Redemptorist Order of Philadelphia; the senior choir will sing with new members being formally received into the Society.

An honor roll of all men of the parish now in the service of their country will be blessed and hung in the vestibule of the Church. As members of the parish enter the service in the future their name will be added to the list. Such a list of members of the parish serving in World War I is in the vestibule of the Church.

The annual parish card and game party will be conducted under the auspices of the Knights of Columbus in the Sacred Heart School, St. Patrick's Day night.

CENTRAL BAPTIST CHURCH

Rev. S. Dan Morgan, Pastor Services, Sunday, March 8th—Bible School, 10:00 a.m.—made a startling announcement, after a recent survey of the penal institutions, sanitoriums, prisons, etc., to the fact that comparatively few inmates of these institutions have subjected themselves to religious training. A Bible School provides those vitamins which keep one mentally and spiritually balanced and builds character. It is especially essential in these days that the grown-up as well as the youth, receive the stimulus that will carry them through the days that lie ahead. Make it a practice to bring your children to "Central Baptist." It will make a difference in your family life.

Morning Worship, 11:15 a.m.—"What is Christianity," a question many people have asked, and one which should be correctly answered in the minds of all, will be the sub-

CHRIST CHURCH, EPISCOPAL

Riverton, N. J. Rev. Francis B. Downs, Rector

Third Sunday in Lent—8:00—Holy Communion.

9:45—Sunday School.

11:00—Morning Prayer and Sermon. Special patriotic service inaugurating the campaign for support of the work of the Chaplains with the Army and Navy. The Choir has prepared appropriate music for the occasion.

Tuesday—Evening Prayer—4:30.

Wednesday—Holy Communion and Meditation—9:30.

Thursday—Evening Prayer—4:30.

Friday—Evening Prayer—4:30. Compline and instruction—7:30.

TO BUILD MODEL AIRPLANES

The Navy Department has requested that 500,000 model airplanes be built in the schools of this country, the models to be exact replicas of certain types. They will be used for identification purposes in various defense activities.

These model planes will be of many sizes and types.

Riverton Public School has been assigned a quota of 20 planes and arrangements are being made to have these constructed by pupils in the manual training department.

The quota for the Palmyra Schools is 50 model planes. An inspection committee will approve all planes before they are accepted by the government.

Suitable recognition of student participation will be made through granting certificates of award, issued by the Navy Department. These certificates will be granted to individuals that pass inspection.

These planes will be built to scale and will be used in training air and ground personnel in recognition, range estimation, and determination of "cones of fire." Plans of various nations will be made.

MANY DRIVERS HAVE LICENSES REVOKED

A total of 11,998 motorists had their licenses revoked for infractions of the motor vehicle and traffic laws last year, according to Motor Vehicle Commissioner Arthur W. Magee. This represents a 15.6 per cent increase over the previous year.

Included among the revocations were 1,454 for driving while intoxicated, a twelve per cent increase. It was the third highest drunken driving record within the history of the department, the only years exceeding it being 1937 when 1,690 drivers were convicted of the offense and 1936 when there were 1,534 convictions.

Other outstanding causes for revocation were 5,767 under the financial responsibility law; 635 habitual violators, 873 for failing to appear in answer to summonses, 286 physically or mentally unfit and 109 for defective vision.

Following is a comparative record of revocations for 1941:

Driving while intoxicated—1,454.

Reckless driving—544.

Speeding—364.

Fatal accidents—298.

Obtaining license while on revoked list—84.

Habitual violators—635.

Failure to appear—873.

Failure to pay fines—61.

Leaving scene of accident—89.

Misstatement of facts on application—24.

Lar. and Rec. and driving without consent—185.

Defective vision—108.

Physically or mentally unfit—286.

Fraud at examination—64.

Driving without a license—123.

Misrepresenting age—27.

Permanent revocations, bad records—4.

Failure to report change of address—217.

Careless driving—318.

Commission of crime involving motor vehicle—103.

All others—377.

Financial Responsibility Law—5,767.

Total—11,998.

TIN CANS ADDED TO SALVAGE MATERIALS

According to an announcement made this week, tin cans are to be immediately added to the other materials of the "Salvage for Victory" program.

All cans are to be saved which contained foods, both solid and liquid, beer cans with flat ends, coffee cans, etc.

Cans not thoroughly clean should not be saved. This includes paint, varnish and condensed milk containers and cans made from "tern plate" such as is commonly used for motor car lubricating oil. Burned cans are unsuitable.

The U.S.S. Vincennes, commanded by Commander Finch, was the first naval vessel to circumnavigate the globe. She sailed from New York in 1826.

PROCEDURE

The procedure for preparing cans is as follows: remove both ends; wash all parts thoroughly with soap and water; flatten body of can by stepping on it, do not press down so that surfaces are tightly pressed together; remove label.

All containers salvaged can be sold in truck lots at Sewaren, N. J. (near Perth Amboy).

The salvage committee of the Riverton Civil Defense Council is working out possible plans for collection and details will be announced later.

OBITUARIES

E. BERTIE HARMAN

Mrs. E. Bertie Harman, widow of the late Wilbur Harman, died on Friday, February 27, at her home, 843 Morgan avenue, Palmyra.

Funeral services were held on Monday from the Snover Funeral Home, the Rev. D. Roe Haney officiating.

Interment was made in Morgan Cemetery.

The deceased is survived by three children, Ida and Margaret, both of Palmyra; and Wilbur M., of Oaklyn, N. J. Two sisters, Mrs. Harvey Murray and Mrs. Harry Pitts, and two brothers, Edward and Herbert Miller also survive.

THINGS TO WATCH FOR

A photoflash bulb made of transparent plastic instead of glass, practically shatterproof . . . a new plastic mending substance, called Nuplastic, for filling cracks and holes, needs only finger-tip pressure, has self-smoothing finish which gets stronger with age . . . Office filing cabinets made of wood, but finished like the metal ones (though for years they've been trying to make metal office furniture look like wood) . . . a gadget for attaching a tiny fan to a sewing machine motor (keep cool while sewing shirts for soldiers, etc.).

Nearly 70 pupils of the Riverton

About Town

On Friday evening, March 20, Rebecca Janney Timbers will give Folk Stories and Legends of Old Russia in the Forch Club at 8:15 o'clock. She will be assisted by her daughter and nephew, who will dance in costume.

Tickets are 55 cents, tax included, and may be procured from Mrs. W. Roland Dunn, phone Riverton 817. The program is being sponsored by the Westfield Friends Meeting.

Private Job—H. McDermott, of Camp Edwards, Massachusetts, was at his home in Palmyra on leave over the week-end.

Miss Mary Lela Turner, daughter of Mr. and Mrs. Luther R. Turner, 222 Linden avenue, Riverton, who was graduated from Wilson College, Chambersburg, Pennsylvania, in June, 1941, with the B.A. degree, left Sunday, March 1, for Stamford, Connecticut, where she has accepted a position as chemical secretary with the American Cyanamid Chemical Company.

REPORT OF HOSPITAL SOCIAL SERVICE DEPT.

At the meeting of the Board of Managers of the Burlington County Hospital recently, Mrs. F. W. D'Oliver gave the annual report of the work of the Social Service Department for 1941.

"The number of new patients coming to us for help was about the same as the preceding year and the total number of visits made to the clinic remained about the same. I feel the reason for this very definitely is the fact that most everyone is working who is employable and practically every family has bettered their earnings in one way or another. With this increased income, the family physicians are called in attendance and frequently we are only called upon for specialized treatment or diagnostic examinations.

"During the year 20 additional clinics were added to our list. The Venereal Clinic, which had been discontinued in 1940, was re-established under the supervision of the State Health Department. This is one of five Venereal Clinics set up in the county.

"The other clinic, more recently established, is the Tumor Clinic. Heretofore Burlington County Hospital had not the necessary facilities for the treatment of such cases. Now that deep x-ray therapy has been installed, and radium made available, we are able to treat as well as diagnose malignant tumors.

Crippled Children

"The work with the Crippled Children has continued. Through the aid of the Crippled Children Commission, ten children were hospitalized for various orthopedic conditions and orthopedic appliances secured for 33 children. However, the need to help adults increased this year and 17 cases were referred to the Social Service Department to either finance or help finance orthopedic appliances which otherwise could not be secured.

"Our maternity wards were filled to capacity and we realized that some steps would have to be taken to curtail enrollment in our Pre-Natal and Maternity Department. At present we are restricting ourselves to registering only first babies and anticipated difficult deliveries. We realize this is not an ideal arrangement, many of our ward patients have not the proper facilities for home deliveries, and even those who can com-

fortably be cared for at home should, ideally, be delivered in a hospital. However, circumstances prevent us from following the ideal way and more practical rules have had to be set up.

"One of the perennial problems of the Social Service Department is that of transporting patients to and from the hospital. The Red Cross Motor Corps throughout the county is providing untold assistance.

"The service of supplying drugs and medications to those patients who cannot afford to buy them at the drug store has continued as in previous years. Our outlay for drugs this year has been almost \$1,000, one-half of which is refunded by the patients. The Insulin bill alone totaled \$550. We feel this expense cannot be curtailed. The Social Service Department has endeavored to see that all patients pay for their Insulin according to their ability to pay.

Acknowledgments

Throughout the year we have been called on at various times to assist in placing and arranging for post-operative and convalescent care for our ward or clinic patients. The Cinnamon Home and the Children's Seashore House have been most cooperative in helping us in this. Oftentimes we are called on to arrange for finding homes for transients who have been brought to the hospital due to illness or accident sustained in this neighborhood and have no place to go upon discharge.

We are deeply appreciative of the cooperation that all the various individuals and Social Agencies throughout the county have given.

We also want to acknowledge the help and cooperation of our own staff. During this past year, 28 volunteers have given their time in active service in the hospital clinics. It has amounted to about 2800 hours in time. Without their help, our department would be unable to work efficiently or adequately and it is with real appreciation that we thank them for these services.

No Navy man can sell or even give away a uniform without special permission.

Cuff links on uniforms of Navy nurses must by Navy regulations be entirely white.

Navy cooks in tropical stations are now permitted to wear white shorts on duty.

DON'T "STOCK UP" ON CAR BATTERIES

"With the motoring public jittery because of restrictions on tires and tubes, the tendency to 'stock up' on other accessories important to motor vehicle operation is understandable," the Keystone Automobile Club says. "But," it adds, "the temptation should be strongly resisted in the matter of batteries."

Quoting as its authority the United States Rubber Company, the Club, in a statement by Manager Trevor B. Mathews, advises motorists not to buy batteries unless they are needed.

PLAYING BROADWAY PALMYRA FRIDAY AND SATURDAY

Johnny Weissmuller and Maureen O'Sullivan return in the first Tarzan picture in 2 years. For good, clean entertainment see "Tarzan's Secret Treasure."

ed. for the following reasons: 1. Storage batteries deteriorate as fast (or faster) when not in use as they do when installed in a car. A battery if stored away for a couple of months will be found entirely useless.

2. Use of two batteries alternately in a car will result in the unnecessary expense of frequent rechargings, because it is impossible for the car

generator to keep either one properly charged or to "pick up" a battery which has become partially discharged while idle.

3. Motorists who buy an extra battery and ask the dealer to keep charged until called for will involve themselves in extra expense and at the same time keep useful material out of circulation.

Wednesday, 8:00 p.m.
Reading Room in Church Building, Thomas Avenue and Seventh Street, Riverton, open Tuesday and Friday, 2:30 to 4:30 p.m.

"Man" is the Lesson-Sermon subject for Sunday, March 8, in all Christian Science Churches and Societies throughout the world.
The Golden Text is: "Have we not all one father? hath not one God created us?" (Malachi 2:10).
Among the Lesson-Sermon citations is the following from the Bible: "The steps of a good man are ordered by the Lord: and he delighteth in his way." (Psalms 37:23).
The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The smiles, joy, the perfect harmony and immortality of Life, possessing unlimited divine beauty and goodness without a single bodily pleasure or pain,—constitutes the only veritable, indestructible man, whose being is spiritual." (P. 76).

BETHANY EVANGELICAL LUTHERAN CHURCH

the theme, "The Cross On Calvary." Soleist for this service will be Mr. Earl B. Whitcraft. Pastor Rowe will speak this same evening in Advent Lutheran Church, Mt. Ephraim.
Thursday, 7:30 p.m.—Boy Scouts. Brotherhood meeting at 8:00. All men and friends of the church are invited to enjoy our fellowship.

The Nutrition Course presented by the Red Cross was started on Monday, March 2.

Mrs. Edward Merrill, canteen chairman for Riverton, introduced Mrs. A. H. Lippincott, county chairman, who addressed the class briefly on the needs of the work. Following this, Miss C. R. Pennell, food expert, whose services are contributed to the Red Cross by Public Service, took charge of the class. Miss Pennell is a very able and pleasing instructor and the course has promise of much value.

There are 62 women registered for the course, the completion of which leads to the Canteen Course given under National Defense.

CONSERVATION
In this column last week appeared a list of suggestions for Conservation Layettes.

In continuance of this Conservation program whereby old clothing can be used to the best advantage, a list of children's garments made from adults' cast off clothing, follows:

From Men's and Women's Suits—
Boys' suits, trousers, coats, mittens, slippers, caps; girls' suits, skirts, middie blouses, and tam-o-shanter. Boy's suit may be made from a man's suit by sewing the pockets flat and putting on patch pockets over the sewed places. In relining any garment do not rip the lining out but cut out carefully along the seams, lay it on the new lining material and cut new lining one inch larger than old lining.

Overcoats—Boy's and girl's coats, caps, mittens and heavy slippers.
Men's Shirts—Baby's rompers, dress, boy's waist, girl's middie blouse, apron.

Hats—Felt hats make soles for slippers, the uppers being made from pieces of old overcoat, trousers, or

any woolen material. Plush, velvet, or woolen hats may be washed and re-blocked by placing them over a crock or small kettle, then using a whiskbroom to brush them thoroughly as they are drying.
Sweaters—Woolen sweaters may be cut down into children's sweaters, caps, mittens, scarfs, leggings and helmets. By stitching each seam two or three times raveling will be prevented. Pieces of sweaters make baby blankets.

Underwear—Child's Gertrude petticoat, child's drawers, infant's woolen stockings. Pieces sewed together may be used as interlining for coats, mittens, caps, and quilts, to save cotton batting. Infant's bands and undershirts. Muslin underwear makes petticoats for children, infant's slips and nightgowns.

Silk dresses, slips and vests—Baby bonnets, facings for felt and straw hats, linings for jackets.

Stockings—Stockings or socks may be cut down for children or may have new feet put in them. Black cotton stockings make excellent bloomers, leggings, creepers, caps, mittens, petticoats. A piece of stocking on the cuff of mittens makes the mitten adhere to the wrist. Women's silk or lisle stockings cut 18 inches from the top, gathered at the end with a little silk tassel make tiny tots' caps.

Keep these conservation suggestions for reference. More will be offered next week.

TALKS ON CRUISES OF SEA SCOUTS' BOAT
At the meeting of the local Business and Professional Men's Club on Tuesday of this week, the speaker was Bryan Kane, Sea Scout executive, who told of his activities in this branch of Scouting and showed several reels of movies taken on the various summer cruises.

The Scouts took five of these trips during as many summers, their boat being a 100-foot oyster schooner. As many as 36 boys went annually and the itinerary included most of the inland waterways along the middle Atlantic coast.
Many of the sailors were from this

section and 22 of the 120 who went during the various years now hold commissions in the Navy or Coast Guard.

The annual banquet of the club will be held on Tuesday, March 24, at 7 o'clock, in the Riverton Country Club.

Epaulettes were originally dubbed swabs and Navy men know them by that name today.

CARD OF THANKS

William B. Bishop wishes to thank the Riverton Volunteer Fire Company for its very efficient work in putting out the fire at his home Saturday, also friends and neighbors who kindly assisted at the fire.

Carvel Sparks, has secured Donald L. Kensler, Agricultural Agent for Burlington County...

This meeting will be open to everyone in Riverton and surrounding communities interested in raising a garden this year...

SCHOOL BUDGET DEFEATED For the second time, the voters in Cinnaminson Township rejected the item for current expenses in the proposed Board of Education budget...

The vote was 134 against the item of \$45,025 as compared with 105 in favor. The only other question submitted, also rejected at the regular election, was to transfer the sum of \$1,000 from the current account to the repairs and replacement account...

According to school board officials the matter of the current expense appropriation is now placed in the hands of the Township Committee for decision and will be considered by that body at the regular meeting scheduled for Tuesday of next week.

CHARLES A. WRIGHT CELEBRATES 82ND YEAR

Charles A. Wright, well known Rivertonian, on reaching his 82nd birthday was entertained at a dinner given by his children and grandchildren on Saturday, February 28th, at Newlin's, Moorestown.

Following the dinner Mr. Wright commented on the fact that of his 23 grandchildren and great-grandchildren, all enjoyed good health, establishing what he thought was a record.

Among those absent from the dinner were Robert W. Knight, who is with our forces in the Philippines, and Thomas G. Mooney, a member of the U. S. Marines, stationed at Washington, D. C.; both of whom are grandchildren.

TO ENTERTAIN SOLDIERS

The members of the Blessed Virgin Sodality of the Sacred Heart Parish are making arrangements to entertain approximately 100 from Fort Dix, Sunday, March 15. This affair will be in charge of Betty Corner and Helen Arndt.

Those in the service are to be invited to come to the parish early in the afternoon. Women of the parish have been asked to invite one or more of the boys to their homes for

AT FOX RIVERSIDE FRIDAY AND SATURDAY

Maureen O'Sullivan and Johnny Weissmuller resume their jungle romance and adventures in "Tarzan's Secret Treasure," the latest drama in the popular "Tarzan" series...

The Sodality plans to conduct a dance for the soldiers in the Sacred Heart School in the evening starting at 7:30 o'clock.

PRESS HONORED

Local newspapers were honored by Post Frederick M. Rodgers, American Legion, on Tuesday night of this week when a Citation of Merit was presented to representatives of The New Era and The Palmyra News.

The citation to The New Era reads, "Citation of Merit to The New Era in appreciation for objective appraisal of the American Legion program."

The presentation in behalf of the post was made by Colonel Frank A. Mathews to Frank E. Chambers, of the Palmyra News and F. W. Metzger, of The New Era.

The speaker of the evening, carrying out the theme of Press Night, was Oscar Manguson, member of the editorial staff of the Courier-Post.

ORCHESTRA PLAYS AT ROTARY CLUB

Seventeen boys and nine girls—a contingent of the Palmyra High School Orchestra—entertained the local Rotary Club last Thursday in the second annual concert of the organization under the direction of Walter Pew.

Nominations for officers of the club for the year beginning July 1, were presented by Joseph S. Low, other members of the nominating committee being Dr. C. S. Mills and C. P. Mayfield.

On March 12th the club will be host to the Palmyra Junior Chamber of Commerce who on that evening will normally receive their charter from the national organization.

Committee To Aid Residents

Palmyra Borough Council convened for the last time at its meeting place of 44 years standing in the Fire Hall Tuesday night.

The instructions point out that other products may be rationed from time to time and that these will also be purchased through the use of ration stamps.

The stamps may be used in any retail store in the United States, but only by or for the person named and described in the War Ration Book.

When any rationed product is purchased the proper stamps must be detached from the book in the presence of the store-keeper or his employee.

During the registration period every person will be asked how much sugar the family has on hand. Severe penalties will be imposed upon persons making false statements.

COUNCIL MEMBER CALLED TO ACTIVE SERVICE Captain Earl Shrader, a member of the Officers' Reserve Corps, Chemical Warfare Service, U. S. A., was ordered to active duty last week, leaving for assignment at an eastern arsenal.

Captain Shrader, who is a member of Riverton Borough Council and the Riverton Civil Defense Council, is a member of the faculty at Temple University, where he is professor of chemistry in the Medical School.

THE NEW ERA RIVERTON :: PALMYRA :: CINNAMINSON

THE NEW ERA, THURSDAY, MARCH 12, 1942

NUMBERS ASSIGNED

Local Draft Board No. 1, of Palmyra, has assigned serial numbers to the last group of registrants and the list is posted at the headquarters of the board, American Legion Home, Palmyra.

These numbers will have no significance until the drawing which takes place on Tuesday of next week. Following the lottery it will be several days before the results are official, since the local board must await receipt of the master list from Washington before assigning order numbers.

SUGAR RATION

More than five and a half million copies of War Ration Book One and similar quantities of application forms and instruction sheets for consumers to be used in the forthcoming civilian rationing registration and the sugar rationing program were being distributed this week throughout the State.

The County Clerk in each county is acting as consignee for the material which will be distributed by rationing boards and County Quota Authorities among the public elementary schools of the various counties in proportion to population figures supplied by city and county supervisors of schools.

Civilian registration for sugar rationing will take place during a four-day period which will be announced shortly. One person will be permitted to register for the entire family, and will receive a ration book containing 28 stamps for each member of the family.

The instructions point out that other products may be rationed from time to time and that these will also be purchased through the use of ration stamps.

The stamps may be used in any retail store in the United States, but only by or for the person named and described in the War Ration Book.

When any rationed product is purchased the proper stamps must be detached from the book in the presence of the store-keeper or his employee.

During the registration period every person will be asked how much sugar the family has on hand. Severe penalties will be imposed upon persons making false statements.

COUNCIL MEMBER CALLED TO ACTIVE SERVICE Captain Earl Shrader, a member of the Officers' Reserve Corps, Chemical Warfare Service, U. S. A., was ordered to active duty last week, leaving for assignment at an eastern arsenal.

Captain Shrader, who is a member of Riverton Borough Council and the Riverton Civil Defense Council, is a member of the faculty at Temple University, where he is professor of chemistry in the Medical School.

JUNIOR CHAMBER OF COMMERCE TO SPONSOR COMMUNITY CENTER

The Junior Chamber of Commerce, recognizing the wide benefits to Riverton, Cinnaminson and Palmyra through the operation of the Community Center, has undertaken to sponsor a community wide effort to finance the Center for another year of successful operation.

In a plan to raise \$1000 for supervised adult and youth activities, the chamber has issued an appeal to citizens of the three communities to underwrite this modest budget.

The Center is available to all local youth and adults for individual and organizational use without cost. We bespeak your friendly and sympathetic cooperation in a project which has proven its worth.

HENRY G. NAISBY President, Junior Chamber of Commerce.

YWCA BOARD ENTERTAINS CAMPAIGN WORKERS

The Burlington County Y.W.C.A. board of directors is entertaining all of the women who are assisting in the Finance Campaign at a covered dish supper at 5:30 Wednesday, March 18, in the cafeteria of the High School in Mount Holly.

At this time the chairman of each community will report on her local campaign. Returns are already coming in which indicate a splendid report for each locality.

Mrs. Alexander C. Wood, Jr., chairman of the Finance Campaign Committee is preparing a program which insures a good time for every worker.

FREE SAND FOR DEFENSE USES

The Riverton Civil Defense Council announces that arrangements have been made to distribute free sand to citizens of that community for defense purposes, the schedule being as follows:

Saturday, March 14, all streets north of the railroad, river to Broad.

Saturday, March 21, all streets south of the railroad, Broad to Shrewsbury.

All residents are asked to place metal buckets at the curb and these will be filled by highway employees. The sand in the metal container should be stored in a convenient place inside the house and kept dry.

The sand is one of the most effective means of extinguishing incendiaries all home owners are urged to take advantage of this opportunity to secure such material.

The sand is being donated through the kindness of Dreer's and Joseph Piergross.

B. & P. CLUB BANQUET SCHEDULED FOR MARCH 24 The Second Annual Banquet of the Business and Professional Men's Club of Palmyra and Riverton will be held in the Riverton Country Club on Tuesday evening, March 24, at 7 o'clock and the committee in charge anticipates a large number of members and guests will attend the affair.

The guest speaker will be Dr. Samuel Steinmetz, of Trenton, who is well known to many in this section as a speaker of note. Arthur W. Lewis, of Riverton, will be the toastmaster.

Music during the dinner and for dancing following, will be rendered by a talented orchestra.

The committee in charge of the dinner is as follows: Walter D. Lamon, chairman; Frank A. Snover, Thomas Shorten, Joseph L. Stack, Frank L. Durgin, Christopher N. Peditto and P. W. Metzger.

LUNCHEON BRIDGE The annual P.T.A. Luncheon will be given on Wednesday, March 18, at 1 p.m., in the Porch Club. Tickets are 50 cents. Anyone wishing to make a reservation call Mrs. Morris De Coursey Riverton 62-W or Mrs. Richard Hooper, 983; or Mrs. Joe Daniels, 669.

Anyone who wishes may stay and play bridge afterward. Tickets 25 cents plus tax. Everyone is welcome.

FINED FOR SELLING BUTTER SHORT WEIGHT

W. Jakubowski, of Camden, was arraigned before Recorder William H. Bottger, of Riverton, last week on the charge of selling butter short weight to merchants in Burlington and Riverside.

The charges were brought by Clarence Mattis, assistant superintendent of weights and measures for Burlington county, who testified that some packages of butter sold by the dealer weighed less than 15 ounces, although the label stated the weight to be 16 ounces.

Jakubowski was found guilty and assessed fine and costs amounting to \$85.

START DRIVE FOR LOCAL CENTER

The local Junior Chamber of Commerce began a financial drive this week for the benefit of the Palmyra, Riverton and Cinnaminson Community Center, which has marked the end of two very successful years of service to the three communities.

The drive is headed by Henry Naibly, president of the Junior Chamber. Mr. Naibly resides at 900 Parry Avenue, Palmyra, and contributions, large or small, will be very much appreciated.

The Center has functioned well during the past two years under the capable leadership of Earl B. Whitcraft. It has served not only the children of this vicinity, but many organizations which meet there weekly. The decrease in juvenile delinquency can be largely attributed to work of the Community Center.

The center is available to all local youth, adults, groups and organizations who wish to use its facilities without charge. No local person or persons are barred from activity unless a misconduct warrants temporary expulsion.

Many Enjoy Benefits Thousands of persons have participated in some activity at the Center, where doors are open 36 hours a week. It offers a centrally located hall for large community functions such as flower show, suppers, art shows, hobby shows and has a gym for athletics.

It also has a part in Palmyra's civilian defense program, being the center for first aid classes, a storage depot for medicines, cots, bandages, and will be used as an emergency hospital during an emergency.

Keep in mind that when you contribute to the Community Center you are helping a local cause, one that benefits directly or indirectly you and your friends. The quota is only \$1,000. This will keep the center going for another whole year.

Budget Returned

The item in the budget for current expenses, rejected by the voters on two occasions, was considered by the Township Committee, to whom it was referred according to law.

At this time, the committee, by a unanimous vote, decided to certify this item to the county board of taxation in the amount of \$41,525, a reduction of \$3,500 from the figure submitted to the voters at the school board elections.

The decrease removes the controversial \$2,000 included in the original budget as a bonus for teachers. The remainder of the reduction is occasioned by the fact that an additional \$1,000 balance is anticipated in the surplus account at the end of the present year and the tuition account for high school students next year was reduced \$500. The actual amount to be expended for tuition in 1942-1943, however, can only be determined by the number of pupils attending Palmyra High School.

It was stated that, when the original budget was prepared nearly two months ago, the \$1,000 possible surplus could not be anticipated, but present expenditures seem to indicate that this additional amount can be appropriated from balances at the end of the current year.

SCHOOL EXHIBIT NEXT MONDAY NIGHT

The Riverton Public School will be open Monday evening, March 16, for the annual exhibit. A program will be offered in the auditorium at 7 o'clock consisting of songs by the choir and a fashion show by the girls of the home economics classes. The girls will model garments they have made for themselves.

After the program all class-rooms will be open to visitors including shop, home economics and art departments.

OBSERVERS NEEDED

Observers are urgently needed at the local air observation post in Palmyra. Volunteers are requested to phone Clinton B. Gardner, 521-M. The shifts are not long and you will be doing a valuable service to your country by offering your services when needed.

ENGAGED

Mr. and Mrs. Dane H. Phile, of Delanco, have announced the engagement of their daughter, Norma Fordham Phile, to Elmer E. Mohrman, son of Mr. and Mrs. Morton Mohrman, of Palmyra.

Both are graduates of Palmyra High School.

THREE BOARD MEMBERS RESIGN

Three members of the Cinnaminson Board of Education, Mrs. Marie Haines, B. R. Leach and Leslie Reeves, tendered their resignations at a meeting of that organization held on Tuesday of this week.

These were accepted after a somewhat complicated procedure that was necessary in order to have a quorum remaining on the board, which consists of five members. Two resignations were accepted, after which Mrs. James Davidson, a former member was appointed to the board and the third resignation accepted.

The board now has two vacancies which will probably be filled by appointment for the unexpired terms.

The Porch Club

Mrs. George Emerson Barnes will be at the club on Tuesday, March 17, at 2:30 p.m. Mrs. John Abell, chairman of the Literature Committee, has promised that Mrs. Barnes has many new books to review and many plays to comment on and an interesting afternoon is in store for all members. Tea will be served.

On Tuesday of this week the American Home Committee provided a most interesting program for an unusually large audience.

Miss Eugenia Philbert of the Lenox China Co., of Trenton, spoke and showed films of the history and manufacture of Lenox China. There were three tables of attractive displays of china, including White House China, that used in different embassies, pieces bought by the Cuban government and others.

Miss Philbert emphasized the fact that her company always welcomes visitors to the factory and no number of people is too small to be taken on tour.

Observers are urgently needed at the local air observation post in Palmyra. Volunteers are requested to phone Clinton B. Gardner, 521-M. The shifts are not long and you will be doing a valuable service to your country by offering your services when needed.

### AS I SEE IT

By FRANK LEE SAYID

Thousands of good people throughout this land of the free will get up tomorrow morning with their fingers crossed against a day of evil omen, for it is Friday the thirteenth. Friday is bad enough but when the thirteenth is added it becomes poison. Oh! no, they are not superstitious—but, you know, there is no use in snapping your fingers in the face of Lady Luck.

The Friday tradition is assumed to be related to the Crucifixion but as a matter of fact it goes back to the Norsemen who had a wholesome respect for their goddess Freya, after whom the day was named. The lady was given to a resentment of secular ventures on her day and showered misfortune upon those who ignored its restrictions.

In the same way it is usually supposed that the aversion to thirteen arose from the fact that Christ and the Disciples numbered thirteen and that one of the latter betrayed Him. But here again we find many ancient people had this superstition at a much earlier date. It is probably the most persistent of all superstitions. In Paris many streets have no house bearing the number and here in the U.S.A. many hotels omit the number from both floors and rooms in deference to their sensitive guests.

Of course, as science moves ahead, superstition recedes, but it has a more far reaching influence today than is commonly supposed, because few will admit their childish fears. Few like to be the thirteenth at a table, few like to have a post split them away from a companion as they walk and few pass under a ladder without a conscious effort to overcome the tribal memory of its ill fortune.

Superstitions have, however, made valuable contributions to science. The pseudo-science of astrology blossomed into the brilliant discoveries of astronomy and the alchemists of medieval days became the chemists of the nineteenth century. Notwithstanding the evolution, devotees of astrology, palmistry and phrenology are still so numerous that magazines devoted to their cult flourish and prosper.

Among savage people, two forces worked to produce the variety of superstitions which have been passed all the way down to us. Anything which could not be readily explained gave rise to fear and the natural desire to invoke some power to ward off possible consequences. Then their own power by becoming dispensers of the magic or charm which would control the evil.

Even some of our common ex-

pressions have their root in superstitions. "Halcyon days" is one. We use it to describe days of tranquility and enjoyment. Actually the term came into being through the superstition of the ancients that the halcyon or king-fisher, during the seven days before and after the shortest day of the year, built its floating nest and hatched its young on the sea—and that consequently this was a period of calm in the head of winter during which voyages might safely be made.

Another superstition gave rise to the name "Devil's Darning Needle" as applied to the dragon-fly. It was thought this beautiful little insect would get into children's hair and sew up their ears—a devilish performance worthy of the appellation by which it was rechristened.

The harmless petrel became the "stormy petrel" because each was supposed to harbor the soul of a mariner lost at sea and when one came near a ship it was to herald a storm and give the crew opportunity to prepare.

We could go on and on exposing the fears and follies of mankind but, like the stormy petrel, this screed is primarily intended to warn against Friday the thirteenth. It's perfectly silly of course but just in case a troll, djinn, bogie, piy, goblin, banshee, elf or fibertigibbet should be loose tomorrow, we think we will stay home and take care of this cold we may be getting.

#### NEW TEACHER NAMED

Mathew J. Curtis was elected to fill the vacancy created by Robert Morgan's resignation as a member of the faculty at Palmyra High School. Mr. Curtis is graduated from the Port Jervis, New York, High School and State Teachers College,

East Stroudsburg, Pennsylvania. He has carried graduate work at the University of Pittsburgh, as well as football coaching at the Eastern Coaching School, Manhattan Beach, New York.

Mr. Curtis has had four years experience as a teacher of Physical Education and football coach. He also worked in the State Department at Harrisburg, Pennsylvania.

Mr. Curtis was very active in athletics while in high school and college, and in high school received the distinction of being rated all-star half-back. At Eastern Stroudsburg State Teachers College he played varsity football and assisted in coaching the freshman football team. He is a member of the Pennsylvania Interscholastic Association and the Amateur Athletic Association of Approved Officials.

#### NEW JOB FOR STOUT

### LIEUTENANT CODDINGTON CALLED FOR ACTIVE DUTY

First Lieutenant Charles S. M. Coddington, a resident of Palmyra, left last week for duty at the Fort Benning Infantry School, Fort Benning, Georgia.

Lieutenant Coddington is a graduate of Palmyra High School and Drexel Institute of Technology, with the degree of Bachelor of Science in mechanical engineering. He was commissioned in the U. S. Reserve Officer Corps in 1931.

For the past four years he has occupied the position of general superintendent at the National Water proofing Company, Camden, where he was a valued official. He is a member of the Beverly Masonic Lodge and the Calvary Presbyterian Church, Riverton.

Lieutenant Coddington's friends and acquaintances join in wishing him the same success in his military career as he has enjoyed in civilian life.

### ALSO HONORED

In the account published in last week's issue of The New Era regarding the citation of local newspapers by Post Frederick M. Rodgers, American Legion, the name of Robert May was inadvertently omitted from the article.

Colonel Frank Mathews, in charge of the program, warmly commended Mr. May, a correspondent for several metropolitan newspapers, for his cooperation with the local Post.

### FEARED LOST

A report reached here last week that George Zink, Jr., 32, son of Mr. and Mrs. George Zink, of Horace Avenue, Palmyra, was missing following the sinking of the ship on which he was a member of the crew. No further details were released for publication.

The U. S. Coast Guard has the power of transporting floating court in Alaska when necessary.

**KNOW YOUR BANK**

How are banks serving in the war?

American banking is in the fight on many fronts, four of the most important being: Financing of war production and plant expansion, sale of U. S. Defense Bonds and tax notes, cooperation with the government in its control of consumer credit, and collaboration with the Treasury in the control and freezing of alien funds. Not every bank can serve in every way, but all—like ours—are ready and eager to help in every way possible.

### RIVERTON SCHOOL NOTES

Plans and specifications for local cooperation in a national program to build 500,000 solid scale model airplanes for the Navy were received from the U. S. Office of Education, in Riverton School.

Under the program local 7th and 8th grade boys will be given an opportunity to contribute directly to the Nation's war effort. The local quota is 20 model planes.

In announcing the program, Secretary of the Navy Frank Knox made the following statement:

"The armed services of the United States need 10,000 models of each of 50 different types of fighting aircraft, 500,000 in all, and we need them now.

"We need them for purposes of aircraft recognition, training and gunnery sighting practice. Beyond that, civilian groups will use the models for public education in aircraft recognition. We have been able to think of no more certain, fast way of getting them than by asking the youth of America to make them for us."

Commissioner Studebaker cited educational gains from the model building program.

"While they are making model planes for the use of the Navy and the Army and Civilian Defense forces," he said, "American youth can learn valuable lessons. First, they can learn the value of precision. A model that does not conform to exact specifications is useless.

"Secondly, students can learn the value of speed. This project must be pushed with the utmost celerity.

"Third, youth will learn about aircraft of all the major nations. Although it is scarcely necessary to stir the interest of American boys and girls in aviation, since many of them expect to grow up to be pilots, this project channels that interest toward an educational objective of immediate value."

The following boys volunteered to make the first models:

Francis Bailey, Eric Binderwald, Cy Devery, Richard Eberly, Robert Farrow, Donald Gaswood, Norman Harris, Donald Hullings, Kenneth Lippincott, Elmer Moreland, Lawrence Parsons, Russell Phelps, Samuel Schwartz, Andrews Walls, Ellsworth Warnick, Harold Bauer, Jack Burns, Warren Couch, Royal Farrow, Roland Harris, Jack Carhart.

### PALMYRA DEFEATS MT. HOLLY IN TOURNEY GAME

The Palmyra High quintet met with success in the opening game of the group 2 section in the state court tournament by defeating Mt. Holly on Friday night of last week by the score of 48-33. The fracas was played at Merchantville.

The Diamondmen are next slated to meet Pennsgrove in a semi-final match this week. Palmyra should win this one, but must be at their best to advance to the finals.

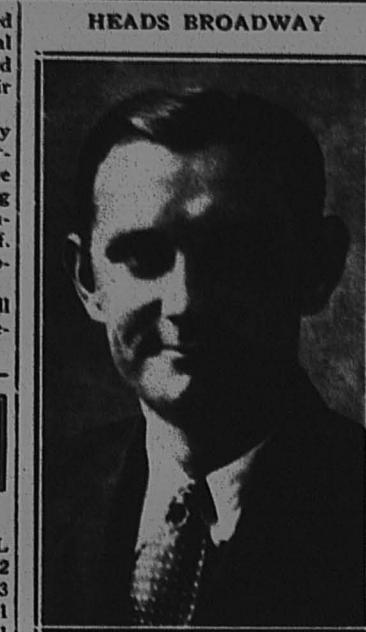

In the Friday game, Mt. Holly managed to keep on even terms during most of the first quarter, but the Red and White put on a scoring spree in the second period that enabled them to lead 24-15 at the half. They continued to outscore their opponents during the final sessions.

Henson, Mitchell and Conwell were the high scorers of the evening.

**Out to save at least a million and a half motor miles this year ...**

"WITHOUT IMPAIRING EFFICIENCY OR SERVICE TO CUSTOMERS"

THIS IS THE GOAL of the men who handle the 1,200 trucks and cars in New Jersey's telephone motor fleet, which last year covered 10,600,000 miles in the work of maintenance, repairs and installation.

Conserving materials and equipment today is a major task for industry and individuals. Making what we have last longer and serve better is part of the job of winning the war. The drive to save at least 1,500,000 miles of wear on telephone trucks, cars and tires, without impairing efficiency or service to customers, is part of the conservation effort being made throughout the statewide telephone system. It is being done by better maintenance, more careful routing of each day's run, doubling up of loads, using more strategic garage locations, traveling by train and bus whenever possible on the job.

Telephone service is of vital aid to our war effort and every part of the system must be made to serve to the limit in the emergency.

SHERIFF RAYMOND JOHNSON SPEAKS TO CLUB MEMBERS

The local Business and Professional Men's Club was honored on Tuesday this week by having as guest speaker Sheriff Raymond Johnson of Burlington county, who told of many of the duties of his office and explained some of the lesser known facts that concern this important position.

Sheriff Johnson asserted that the taxpayers of this county can be assured of getting the most for their appropriations insofar as his office is concerned. He compared the costs here as compared with those in other sections and showed how economically the jail is being operated.

Although there is no work house, the prisoners maintain grounds around the county buildings at Mt. Holly, work at the Welfare Home and on the county farm.

The county jail, he stated, has an average of about 50 prisoners, most of whom are incarcerated for disorderly conduct.

RATION BOARD REPORTS

The report of the Riverton Rationing Board for the month of February is as follows:

Certificates issued: two heavy truck tires and one tube to the J. T. Evans Co.; one heavy truck tire and one tube to Bessie L. Pike.

ABOUT TOWN

Miss Bette Campbell, of Pleasantville, visited friends in Palmyra on Sunday.

Richard E. Kercher, who is with the U. S. Coast Guard at Manhattan Beach, L. I., spent the weekend with his parents, Mr. and Mrs. R. E. Kercher, of Garfield avenue.

Mr. and Mrs. James R. Wright and son, Robert, of Riverton, returned home Saturday following a two-week trip to Florida.

The Sacred Heart P.T.A. will hold its monthly meeting on Thursday evening, March 12, in the school hall at 8 p.m.

The executive committee will meet at 7:30.

The male quartet from Palmyra High School, accompanied by Miss Virginia Miles, will sing several numbers.

Come out and help to make this an enjoyable evening.

Hilton M. Smith, Jr., an honor student at Glassboro State Teachers College and Larry Rhodes, also an honor student at the same institution, spent the weekend at the home of the former's parents in Riverton.

Robert C. Dunlap, of Garfield avenue, Palmyra, who is with the U. S. Army at Fort Knox, Kentucky, has been promoted to the rank of Corporal.

Plans are being made for the annual St. Patrick's card and game party to be sponsored by St. Joseph's Council K. of C., on March 17th, at the Sacred Heart School under the direction of the Grand Knight of the local council, Otis W. Myers.

The Holy Name Society of the Sacred Heart Parish will be host to the Burlington County Federation of Holy Name Societies at the monthly meeting of the local unit on Tuesday, March 24, in the Sacred Heart School auditorium. Officers and members of Holy Name Societies throughout the entire county will attend the session.

Special entertainment is being planned by a committee of the local Holy Name Society under the direction of Clovis Loreaux.

TO ENTERTAIN SOLDIERS The ladies and young people of the Sacred Heart Parish under the auspices of the Blessed Virgin Sodality will be host to some 125 soldiers from Fort Dix this Sunday. The Soldiers will be obtained through the National Catholic Community Service at Fort Dix. Arrangements for the program are in charge of Betty Corner and Helen Arnold.

Their will be a basketball game between the 1229th Reception Center

and the Sacred Heart basketball teams at the local school. Various families have volunteered to serve two or more men in their homes with a dance being conducted in the school auditorium at 7:30 p.m. for the soldiers.

ST. PATRICK'S PARTY TO BE GALA AFFAIR The Sacred Heart Parish Annual Card Party being held on Saint Patrick's Night, Tuesday, March 17, promises to be one of the finest annual affairs ever conducted.

The committee in charge has promised at least 200 prizes for the affair, in addition to the Grand Award of three U. S. Defense Bonds and a door prize.

Refreshments of coffee, cake, and ice cream will be served to all attending.

HONOR ROLL AT SACRED HEART CHURCH An Honor Roll of the members of the Sacred Heart Parish now in the service of our Country was placed in the vestibule of the Church last Sunday. Special recognition was given to George Zink, in the United States Merchant Marine, believed to have been lost on a ship last Friday.

The honor roll composed 48 names of men in the service includes the name of George Villinger, of Palmyra, who is in the Royal Canadian Air Force. Names will be added to the list as members enter the armed forces of the nation.

FEBRUARY FOOD PRICES While fresh eggs and meat declined during February, all other food groups in New Jersey increased in price to bring the cost level 0.89 per cent above that of January 1942 and 18.13 per cent above February a year ago, according to the monthly survey of retail food prices made by the State Department of Agriculture.

Fresh eggs continued their seasonal decline started in December 1941 and were 8.23 per cent lower in February than in the preceding month. All meats were 1.41 per cent lower in February than in January. Pork and poultry meat advanced 0.65 per cent and 1.03 per cent respectively; all other groups were lower. Lamb declined 5.56 per cent with lamb breast decreasing from 14.31 cents in January to 12.81 cents per pound in the following month. Lamb chuck dropped from 20.17 cents to 19.06 cents and rib chops from 34.87 to 31.9 cents.

The U.S. Navy has had only four fleet actions, but in every one it captured and destroyed every enemy ship.

"SHALL I HAVE A VICTORY GARDEN?"

YES—because gardening has great value as a form of recreation. For many people the improvement of lawns—the growing of flowers, and perhaps the addition of a few well-chosen vegetables will do much to maintain health and vigor.—College of Agriculture Bulletin, Rutgers University, Victory Gardens in New Jersey.

Henry A. Dreer, Inc.

You will find Dreer's 1942 Garden Book helpful in your garden planning.

"Substance" is the Lesson-Sermon subject for Sunday, March 15, in all Christian Science Churches and Societies throughout the world.  
The Golden Text is: "Faith is the substance of things hoped for, the evidence of things not seen." (Hebrews 11:1).

Among the Lesson-Sermon citations is the following from the Bible: "Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear." (Hebrews 11:3).  
The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Spirit, God, has created all in and of Himself. There is nothing in Spirit out of which matter could be made..." (p. 355).

**BETHANY EVANGELICAL LUTHERAN CHURCH**  
Broad Street and Morgan Avenue  
The Rev. Harold Lee Rowe, Pastor

Sunday, March 15—Laetare, The Fourth Sunday in Lent—  
9:30 a.m.—This is the hour of the Junior Church worship. All children are invited to attend. The service consists of liturgy, hymns and sermon.

10:00 a.m.—At this hour the various classes gather for instruction. Classes are arranged to meet the needs of the entire family. If you wish Christian instruction, come.  
11:00 a.m.—The chief worship service is held each Sunday at this hour. The increased attendance at this service of worship is a source of inspiration to other worshippers and the pastor. Pastor Rowe's sermon theme this Sunday following the general series, "Questions Which Jesus Asks," will be "Wilt Thou Lay Down Thy Life For My Sake?" If you do not have a church home for this hour on Sunday morning you are most welcome to come.

6:30—Intermediate Luther League at the church.  
7:15—The pastor meets the adult membership class preparatory to membership on Palm Sunday.  
8:00, Vespers—This service centers for its meditation period around the theme of "Questions of the World Asks." The Pastor will speak on "What Evil Hath He Done?" as his theme. You are welcome to join us.

9:00 p.m.—The Senior Luther League will meet at the home of Mrs. Paul Calkin, 517 Leconey avenue. Leader, Miss Elizabeth Schirmer.  
The Weekly Calendar—  
Monday—The Koinonians will meet at the home of Mrs. Harry Bauer, Jr., 505 Leconey avenue, at

**EARNEST**

A thoroughly modern Funeral Home devoted to the highest ideals of the profession. Established 30 years ago and completely rebuilt in 1938, the Earnest Funeral Home is a recognized leader among the funeral establishments in Burlington County.

**EARNEST FUNERAL HOME**

F. H. ELAND, Mgr.  
307 Bridgeboro Street  
Riverside, N. J.  
Telephone Riverside 65

8:00 p.m. Carol Lenker is leader.  
Wednesday—Lenten Vespers at 8:00 p.m. with the Rev. H. F. Muffley, of Gloucester City, N. J., as guest pastor. His sermon theme will be, "The Cross on Your Back." Mrs. Charles Wynkoop will be the soloist at this service. Pastor Rowe will speak on this evening at Trinity Church, Runnemede. You are invited to attend.

Thursday—The Women's Missionary Society will meet at the church at 8:00 for the monthly meeting.  
The Boy Scout Mothers will also meet at 8:00 p.m.

**CALVARY PRESBYTERIAN CHURCH**  
Fourth and Lippincott Ave.  
Riverton, N. J.

Sunday School—10 a.m.  
Church—11:00 a.m.  
Minister—James Morris McDowell, D. D., of Philadelphia.

Our next Communion will be Sunday, March 29. The Session will meet after Morning Worship March 22, to receive new members on profession of their faith or by letters from other churches.

The Good Fellowship Club will meet Tuesday, March 17, at 8 p.m. for a St. Patrick's Day Party.

**EASTER SUNRISE SERVICE LAKEVIEW MEMORIAL PARK**

The Sunrise Service on Easter morning, April 5th, at Lakeview Memorial Park will again be sponsored by the Palmyra Moravian church. This announcement was made by the pastor, the Rev. Albert J. Harke, who is one of the originators of this beautiful service, and has conducted it every Easter since 1933. This will be the tenth consecutive service held there.

Mr. Harke states that plans are well under way for a great service this year. Vocal solos and a trumpet trio will be featured, besides the liturgy and the chorales accompanied by the instrumental ensemble. This all outdoor service is undenominational and spiritual in character, a witness to the great Easter truth. It is given as a community service and a Christian testimony. No offering has ever been taken and that custom will be continued this year.

The splendid cooperation of Lakeview Memorial Park in providing the use of the Park and its facilities, including the altar and its beautiful setting, the amplification and the programs, is greatly appreciated, and makes it possible to give this demonstration of Christian faith to the thousands that gather here.

**CENTRAL BAPTIST CHURCH**  
Rev. S. Dan Morgan, Pastor  
Services, Sunday, March 15th—  
Bible School, 10:00 a.m.—The place where your intimate experiences and personal problems may find solutions in the weekly lessons taught from the Great Book that has inexhaustible answers to all questions you may wish to have answered. There is a class for you where you will certainly be welcomed.

Morning Worship, 11:15 a.m.—"Central Baptist" the home-like church, is always desirous of extending its facilities to the largest numbers. Therefore, if you are not affiliated with any other church, or if you have just arrived in our community, won't you accept our invitation to attend our services? You will enjoy helpful sermons by our pastor, will hear good music by our choir and will be refreshed by the fine spiritual fellowship. The message for this day will be brought by two numbers, "The Lord Brings Back His Own" by Galbraith and "The Lord Is My Strength" by Wooler.

B.Y.P.U., 6:55 p.m.—The Senior Young People's group will hold their meeting in the Sunday School room. The topic "Train, That You May Serve" will be of interest to all young people.

On Tuesday evening, March 17th, the Young People will go to Jacobstown for the regular monthly County Rally. Members of both groups and their friends are invited to meet at the church at 7:15 p.m. to be taken to this meeting. Come out and enjoy this good Christian fellowship.

Evening Worship, 7:45 p.m.—Someone has said "It's too bad that these evening sermons are not heard by more than attend the service." It's true. While Central Baptist enjoys fine evening congregations, there is always room for more. Come out next Sunday if you are not a regular and bring a neighbor or friend. The Pastor's subject will be "Conscription," "Saviour, When Night Involves the Skies" by Shelley will be rendered by the choir.

**AN EVENING IN RUSSIA**

On Friday, March 20, Rebecca Janney Timbres will speak in the Riverton Porch Club at 8:15 o'clock on the subject, "An Evening in Russia." She will be assisted by her daughter and nephew, who will give the Russian folk dances in costume. Having spent several years in Russia, Poland and India, working with her husband in the malaria brigades among the peasants, she is well suited to tell of the folk lore of old Russia.

Tickets for the affair are 55 cents, tax included. For further information phone Miss Beulah Parry, Riverton 767-W.

The Conservation Program which is of so much importance to defense is being considered from every angle. This column has been presenting suggestions for children's clothing and continues today with miscellaneous ideas.

Flour Sacks—Two flour sacks will make a pair of drawers, bloomers, petticoat, romper or apron. Salt bags make handkerchiefs. In order to remove the lettering, soak in kerosene.

Portieres and Cretonne Curtains—Children's coats and aprons. Faded curtains may be dyed and used as linings. Chenille curtains or heavy curtains of any kind make coats and pieces of velvet can be used for the collar and belts.

Velvet can be made to look like new by steaming with a damp cloth over a hot iron and brushing while steamed. Old wrinkled velvet if steamed, then pressed, following the nap, will look like Panne Velvet.

Old kid gloves may be used for jackets, lining coats and caps. Stick old gloves flat of muslin first and then cut out.

Rag Dolls—The body is made of any white material stuffed with clippings such as were used in Comfort Pillows. Then little odds and ends make the petticoat and dress, and there is always someone in the Chapter who knows how to paint the face and hair.

When covered buttons are needed do not buy wooden molds but use buttons from old garment covered with the desired material.

Old bath towels make fine wash cloths by cutting into squares and crocheting around the edge. Travellers' samples of woolen or velvet can be made into many articles.

Many bits of scraps may be made into quilts, and many less desirable can be sewed together for interlining. Keep clothes well aired, dusted, sponged and pressed, making them last longer.

**About Town**

Mrs. O. D. Simpson and children, Nancy and Danny, and Miss Anna Jean Kercher, of Wethersfield, Connecticut, returned home Monday after spending the weekend with Mr. and Mrs. R. E. Kercher, of Garfield avenue.

Richard S. Kinsey, of Riverton, a member of the sophomore class at Middlebury College, Middlebury, Vermont, has been placed on the Dean's List for the second semester.

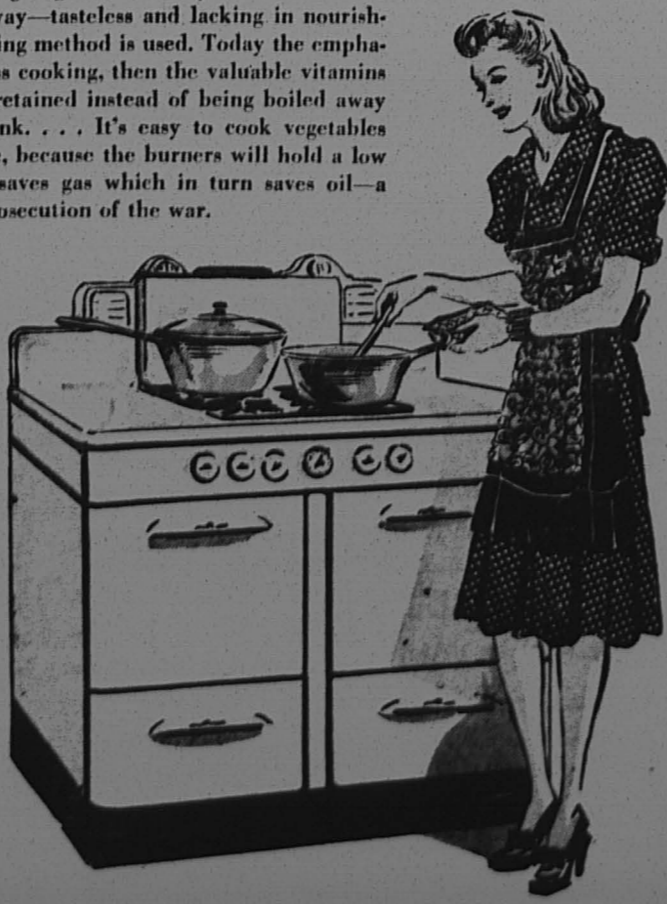

George E. Becton, of Elm terrace, Riverton, has been named a member of the Civil Defense Council in that community.

Monday, March 16, is "Beaux and Beans Night" at the Women's Club of Palmyra, at which time the members will entertain the men informally at a supper at 6:30.

Dr. George Ogden Kirk will deliver his address "Understanding Ourselves." There will be group singing during the supper, led by Mrs. D. Roe Haney. Members who have not made reservations are urged to do so immediately.

**The Right Cooking Methods Save GAS**

There's an art to cooking vegetables. They can be delicious prepared in the right way—tasteless and lacking in nourishment, if the wrong cooking method is used. Today the emphasis is on almost waterless cooking, then the valuable vitamins and food minerals are retained instead of being boiled away or poured down the sink. . . . It's easy to cook vegetables properly on a gas range, because the burners will hold a low simmering heat. This saves gas which in turn saves oil—a vital necessity to the prosecution of the war.

COMMITTEE (continued from page 1) approval of Council. As soon as the locations can be determined by the fire company, the request will be made of the water company.

THE TELEPHONE SITUATION The New Jersey Bell Telephone Company has been following for a number of months, with the voluntary cooperation of its customers, most of the practices designed to conserve critical materials which are now covered in an order of the War Production Board issued March 2, of supplies, the company has requested new customers in many places to take party-line rather than individual line service. It has also requested customers who were considering betterments of their service to defer those which were not essential, such as additional residence extensions, better grades of service, and changes in types of equipment.

less they are essential for public health and safety. Desk or wall-type telephones cannot be replaced with handset telephones. Party-line service must be furnished instead of individual line service where party line installation will conserve scarce and critical materials. Manual private branch exchanges cannot be replaced with dial exchanges. "Every effort will be made to administer the order as equitably as possible and with the least inconvenience to the public," the company stated. "During the last year as a means of conserving materials and facilities beyond the saving created by a rigid program of conservation of supplies, the company has requested new customers in many places to take party-line rather than individual line service. It has also requested customers who were considering betterments of their service to defer those which were not essential, such as additional residence extensions, better grades of service, and changes in types of equipment."

WARNING ABOUT THROWING GLASS ON HIGHWAYS Declaring that persons who break glass or throw other tire-destroying materials on streets and highways are "little better than tire thieves, now regarded as public enemies," the Keystone Automobile Club advocates strong enforcement measures to protect motorists against damage which literally is "irreparable." "With new tires and retreads drastically rationed, the motorist who suffers the loss of tires and tubes by running over glass, nails or other sharp substances is practically forced off the highway," said Trevor B. Mathews, manager of the Camden division of the club. "The seriousness of the situation cannot be over-emphasized." The Club urges police to be more vigilant in tracing the source of broken bottles, nails, etc., on the streets. In the past, it is pointed out, there has been very little enforcement along this line. But with emergency conditions prevailing, the club believes police should make every effort to capture those responsible, either through maliciousness or carelessness. Storekeepers are criticized by many motorists for opening boxes on sidewalks and permitting nails, tacks, and boards with nails stuck in them to get into the streets. More care in box-opening operations would cut down drastically the number of punctures due to nails. It is also believed by club officials that much good could be accomplished if school authorities would emphasize in school assemblies the need for co-operation of pupils in prevention of glass breakage.

53rd Year, No. 12

THE NEW ERA, THURSDAY, MARCH 19, 1942

PRICE FIVE CENTS

SPEAKS ABOUT JUNIOR COLLEGES

Paul F. Middleton, of Moorestown, Registrar of the College of South Jersey, Camden, was the speaker at the Tuesday meeting of the local Business and Professional Men's Club, his topic being "Junior Colleges." Mr. Middleton traced the growth of institutions of this character in the United States and explained that the name has been applied to colleges which offer only the first two years of college work. There are 12 in New Jersey. He said that the College of South Jersey started as the South Jersey Law School, but later expanded to include a two year liberal arts course when requirements for admission to the bar were changed. Fine Reputation According to the speaker, the College of South Jersey enjoys a most excellent reputation, a higher percentage of faculty members having a Ph.D. degree than any other in the country. No student, upon completion of the two year course and transferring to another college has ever failed and South Jersey graduates have an academic record considerably higher than the average. In conclusion, Mr. Middleton told of the various defense courses that are being offered and stated that the college building is open, without charge, to any war-work enterprise that is beneficial to national defense. Guests were L. G. Rogers, Earnest Bright and William Upright.

P. H. S. Evaluation Conducted This Week

On March 16, 17, and 18, Palmyra High School was evaluated by the Middle States Association of Secondary Schools of which Dr. E. D. Grizzell of the University of Pennsylvania is chairman. Every accredited high school in the United States, will within the next five years, be evaluated by this association. The Association is an educational organization that has as its purpose the progress of schools and their programs. It is a national body with Palmyra falling under the jurisdiction of the Middle States group. The evaluation may be likened to an inventory in which a study or inspection is made of the school plant from the administrative head down to the freshmen. The purpose of the study is twofold: Palmyra High School is now an accredited school in the Middle States Association. The value of being an accredited school means that many students can enter the outstanding colleges in the United States without taking entrance examinations. It is necessary however, that every high school be inspected at least once every five years in order to remain on the accredited list. It means a general check-up for everyone in the school. The building was investigated to discover things that might need remedy. The teachers were given a chance to judge themselves to find whether their methods should be altered or improved. The general program in the school was studied, student council, school publications, dramatic productions, athletics, library facilities, societies and clubs and even the janitorial department was evaluated.

The Porch Club

Instead of the regular Tuesday afternoon meeting next week, there will be a lecture on Victory Gardens on Wednesday evening, March 25th, at 8 o'clock. The Club will be open to the public and everyone interested is invited to attend. There will be no charge. Donald L. Kensler, agricultural agent for Burlington county will be the speaker and will tell what to plant, when to plant and how to plant both vegetable and flower gardens. Mrs. Carvel Sparks, chairman of the garden committee of the Club which is sponsoring this program, has promised a most interesting evening to both the men and the women of the community.

On Thursday, March 26th, the First District Spring Conference of the New Jersey State Federation of Women's Clubs will be held in Camden at the North Baptist Church at 330 Linden Street. The morning session will start at 10:15 when Mrs. W. H. D. Koerner, State Chairman of the Department of Art and Mrs. Clarkson A. Cranmer, State Chairman of the Department of Public Welfare will be the principal speakers. After Luncheon the afternoon session will begin at 2:00 when the State President, Mrs. Charles B. Maddock, Jr. will speak and there will be a presentation of a play taking first place in the First District Little Theatre Tournament. Anyone wishing transportation may call Mrs. Francis B. Elwell, president of the Riverton Porch Club.

FIRST TEN NUMBERS DRAWN FROM LOCAL LIST

The first ten numbers drawn in the national lottery Tuesday that appear on the list of Local Draft Board No. 1, of Palmyra are as follows: This list is unofficial. 441—H. J. Hamlin, Bridgeboro. 1103—T. J. Tighe, Riverside Park. 176—E. J. Miller, Riverton. 1156—J. C. Schweppenhaiser, Delaware. 606—W. C. Marshall, Cambridge. 359—A. E. McElroy, Palmyra. 129—W. R. Leidy, Cinnaminson. 968—E. R. McCann, Palmyra. 537—C. K. Davis, Riverton. 1064—J. J. Mathews, Riverton.

ENTERTAIN SOLDIERS

The visit of approximately 100 soldiers here from Fort Dix to the Sacred Heart parish last Sunday was a huge success. The program was in charge of the young ladies' Sodality of the parish. The men in the service were from the 59th observation corps and the 1229th Reception Center, and were in charge of the Catholic Chaplain Father James O'Brien, assisted by Major

PRO SHOP AT COUNTRY CLUB ROBBED AGAIN

For the second time within a few months the pro shop at the Riverton Country Club was entered last week and several articles of merchandise taken in addition to a small amount of cash in a Salvation Army donation box. Walter P. Brickley, professional at the club reported the break to Chief William Gootee of the Riverton police, who is conducting an investigation. The break was evidently made by a person familiar with the layout of the establishment.

NEEDED AT LOCAL POST

Observers are urgently needed at the Palmyra air observation post for the shift on Thursday morning of each week between the hours of 2 and 4 o'clock. Those willing to volunteer for this period are requested to call Avery Willis, 910-R3 or Clinton B. Gardner, 521-M.

ANOTHER OFFICER FOR RIVERTON

J. W. Sylvestre, president of the Riverton Borough Council presided at the meeting of the governing body in that community held on Thursday night of last week, in the absence of Mayor H. McVaine Biddle. The most important business transacted at the brief session was the authorization given to the police committee to appoint another patrolman for duty on the night shift. This move had the unanimous approval of the members of council and is being made for several reasons connected with the present emergency. Ordinance Passed The ordinance covering the sale of certain vacant parcels of land owned by the borough passed second and final reading. This piece of legislation is published in full in this issue of The New Era. Council approved the recommendation of the Defense Council that George Becton and Reid S. Merley be named members of the latter organization and their appointment was duly ratified. Department bills in the amount of \$6,327.73 were approved and ordered paid.

GERMAN MEASLES

Within the past three days a sudden and very virulent epidemic of German or "Three Day" Measles has broken out among school children in this area. The age group most involved in this particular epidemic is that from 14 to 17 year, although children of any and all ages are susceptible. May we urge all parents to inspect all children of school age several times daily for the beginning of a rash, or small swollen glands behind the ears or in the back of the neck, and to keep home any children with these signs, or with symptoms of headache, stiff-neck, or nausea and vomiting, whether or not a rash is evident. In the presence of any of these conditions call your family physician. The disease is ordinarily not serious, but can lead to complications if not properly controlled. Children having the disease are excluded from school for 7 days; children exposed to the disease for 14 days. Those children who have had German Measles previously are not excluded from school. Publicity Department, Palmyra Board of Health.

DEFENSE FILMS TO BE SHOWN HERE MARCH 25

Several reels of movies pertaining to civilian defense will be shown in the auditorium of the Riverton Public School, Wednesday evening, March 25, starting at 8 o'clock. The showing here is especially for the Riverton air raid wardens, but those in charge of the affair have issued an invitation to the general public to attend. The titles of the films are, "It Might Happen Here," "Japs Bomb U.S.A.," and "News Parade of 1941." They are being shown through the courtesy of the Atlantic Refining Company. In addition to the movies, the committee has arranged for a member of the Riverton Civil Defense Council to speak briefly about the activities of the Council. The program promises to be particularly instructive and all indications point to a large attendance.

NEARLY 50,000 AUTO ACCIDENTS DURING 1941

Declaring that the alarming increase in traffic accidents constitutes a threat to the united war effort, Motor Vehicle Commissioner Arthur W. Magee today urged municipal authorities to wage vigorous enforcement of state traffic laws and local ordinances. All previous records having been broken in 1941 with the report of 48,734 accidents and with January of this year passing the 4,500 mark, a record figure for January, Commissioner Magee believes that nothing short of "all out" enforcement will prevent the irreplaceable loss of workers, materials and time. Burlington County had 1,148 accidents in 1941, an increase of 254 over the previous year. "Never before in history has the accident situation in New Jersey been as serious as today," said the Commissioner. "Even the stoppage of new car production and tire ration-

TO DISTRIBUTE SAND HERE THIS SATURDAY

Because of rain, the sand for defense purposes was not distributed on the north side of the railroad last Saturday. Since the schedule calls for distribution on the south side of the railroad this Saturday the material will not be given out on the north side until the following week, March 27. Residents living between the railroad and Shrewsbury road, who desire sand are asked to place two buckets at the curb on Saturday morning and they will be filled during the day by employees of the highway department. In order to be effective in fighting incendiaries, the sand must be kept dry.

SCHOOL EXHIBIT WELL ATTENDED

Despite the inclement weather, there was an exceptionally large attendance at the annual Exhibit Night held in the Riverton Public School on Monday of this week, when the work of pupils in the various grades was viewed by the parents. As usual, the exhibits portrayed a high degree of excellence in the various subjects. A program in the auditorium preceded the tour of the classrooms, at which time the school choir, under the direction of Mrs. Velma L. Comegys, rendered several numbers that were enthusiastically received by the audience. Solo parts were taken by the following: Jane Adams, Janet Smalley, Robert Farrow, Royal Farrow, John Carhart, Charles Stewart, Gaynor Seither, Monroe Steele, Doris Jones and Victor Bradley. Following the musical portion of the program, the girls in the various grades modeled articles of clothing made in the domestic science classes. The announcer for the fashion show was Janet Smalley. Exhibits All the rooms contained a wealth of material relative to the work of the students the highlights in the various grades being as follows: Mr. Emens, model airplanes being constructed for the War Department; Miss Weiss, food and clothing display; Miss Grob, village store in the Kindergarten; Miss Justice, murals of the seasons and of farms; Miss Esvaul, Hopi Indian home; Miss Gardner, model home, completely furnished; Miss Paulding, drawings and silhouettes of people, animals and nature subjects, also a heraldry display. Mrs. Duer, art clubs, weaving, oil painting and modeling; Mrs. Margatroyd, paintings illustrating books read and pertaining to various industries; Miss Clark, samplers illustrating health and science drawings; Mrs. Bush, safety posters and exhibits pertaining to industry; Mrs. Williams, treatises written by the students on various subjects. All the exhibits were related directly to a certain phase of the work accomplished during the year in the various subjects that are part of the curriculum. HOSPITAL OPENS X-RAY THERAPY DEPARTMENT The new X-ray Therapy Department at the Burlington County Hospital was opened on Tuesday, March 10th. Dr. F. P. Borzell, chief of the X-ray staff, and his assistants were on hand to explain the apparatus and its use. Already 200 treatments have been given by the new machine. The need for this new equipment was occasioned by the radium donated by Mrs. S. Emlen Stokes and the Moorestown Auxiliary. A tea was served from 3 to 5 o'clock in the nurses' dining room. Presiding at the tea table were Mrs. T. J. Summey, wife of the superintendent of the Hospital; Mrs. Alexander C. Wood, Jr., wife of the first vice president and Mrs. F. F. Borzell, wife of the chief of the X-ray department. ing has failed to change the habits of many operators whose dangerous disregard for safety is everywhere apparent, especially during the hours of maximum travel. Blame it on war jitters or whatever, conditions are approaching a state of confusion that is making normally safe street or highway a place of acute danger. "The time has arrived when the authorities must enforce the laws and regulations to the very letter, with no distinction between classes of drivers or their vocations. This is no time to cause an accident or even property damage. Our lives and efforts are needed elsewhere."

PUBLIC SUPPORT GRATIFYING

Public support of the Junior Chamber of Commerce plan to finance the Community Center for another year has been very gratifying. Chamber members in Riverton, Palmyra and Cinnaminson who are devoting their time to the project are encouraged but realize that a great many contacts must yet be made in order to raise the needed \$1,000. Help them by sending in your contribution. Henry G. Naisby President, Junior Chamber of Commerce of Riverton, Palmyra and Cinnaminson.

NEEDED AT LOCAL POST

Observers are urgently needed at the Palmyra air observation post for the shift on Thursday morning of each week between the hours of 2 and 4 o'clock. Those willing to volunteer for this period are requested to call Avery Willis, 910-R3 or Clinton B. Gardner, 521-M.

COUNTY RATABLES SHOW INCREASE

Increases of more than \$600,000 in Burlington county's taxable property have caused a tax rate lower than was originally anticipated, it was reported this week when the county Board of Taxation revealed its annual tax ratables statement. Ratables throughout the county have increased \$655,348 over last year, causing an official county tax rate of 1.1316 per \$100 of valuation. This is compared to \$1.039 in 1941, showing an increase of less than 3 cents. The estimated rate for this year, struck when the Board of Freeholders adopted the county's budget, was \$1.1605. Ratable increases on real estate are shown in 31 of the county's municipalities, with the biggest rise in Chester township, where assessments have been increased \$205,844. Other big increases are shown in Burlington city, \$50,257; Moorestown, \$72,905; Riverside, \$73,025; Wrightstown, \$27,950.

AS I SEE IT

By FRANK LEE SAYID

It started out to be such a nice day. In fact our mood was so cheery we decided we would never find a better day on which to adjust our little account with Uncle Sam, due March 15.

It is no longer a nice day. Our mood is not one of cheer. Not that we begrudge our Uncle his right to live in a manner befitting his station in life—not that! But rather because we are so worn mentally and physically, with the effort to fix our share of his budget, that we have ceased to regard the process with the gay air of adventure that surged through us as we disengaged the eight folds in which the well known Form 1040 came to us.

We think something should be said right there about the mechanics of this ordeal. Man's arms are so bung that, whether he is measuring the fish that got away or showing how far from the cup the ball lay, he measures distances horizontally. Only paper hangers measure distances vertically, and they climb on a step ladder and let the roll drop. Making out the Income Tax return from a step ladder is a very thing performance, what with having to come down so often to look at the red ink records and take another aspirin, etc. But that is the only way Form 1040 can be unfurled.

Nor is that all. Having grasped page one by its free end, climbed the ladder, and unfurled the thing, you suddenly find page one has faced away from you, raising a perplexing question as to whether you shall turn around or try to regain control of the other sections and turn the form. Which ever course is taken is equally ineffective for page two is on the back of page one and what you put there must ultimately be routed to the reverse side.

Page two and page three also have to be re-routed to page one after you have the dates down out at least these two pages come one under the other. Things do not really get complicated until you look for page four. Now in point of fact you do not voluntarily look for pages two or three much less page four. You are told to look for them on page one and you don't have too much trouble finding page three after you have once found page two, because, as we have said, three is under two.

So you expect to find four under three—naturally. But that would make it too easy. Page four is on the back of page three and the place you expected to be occupied by page four is a newcomer to the game, marked page one—not the page one you started with, but a page one of instructions. The heading tips it off.

so you shouldn't take too long to puzzle it out. Reserve your emotion for the day when, weak and dizzy, you get back to the real page one and have occasion to again go to page two.

You will never guess, so we will tell you now. There is another page two. It isn't headed instructions. It is just plain page two. In due time you will find it is of course instruction page two but you will be up and down the ladder several times in the meanwhile growing weaker and fainter at each ascension.

Meanwhile you have had several occasions to stand on your head. When you first unfurled Form 1040 you found page one had jumped around to the back of the sheet. Probably you did not notice that it was also upside down. Well, believe it or not, it is—and so is page four, which is beneath it. Provisionally instruction page two, which is at the bottom, is right side up. Just for fear of widespread madness the department did not carry the game too far. All the pages on the reverse were allowed to face the same way.

For those who anticipate using the ladder technique we offer this counter proposal. Put the baby in its crib, lock the dog in the cellar. Clear a place in the center of the floor. Spread one copy with the page one side up, running north and south. At right angles from the page one and running from west to east spread the real page two, not the extra page two. Then lie on your stomach with head toward the inverted "L" thus made. Less than a forty-five degree shift in position will enable you to read anything on either sheet—except those which are upside down.

It is a very good exercise for the stomach muscles and you might as well enjoy that, for in any event your brain muscles will soon be numb in the intricacies of Form 1040.

Pure humanity, friendship, home, the interchange of love, bring to earth a foretaste of heaven—Mary Baker Eddy.

LEARN HOW TO PLANT A VITAMIN VICTORY GARDEN

On Wednesday evening, at 8 o'clock, in the Riverton Porch Club, the garden section under the chairmanship of Mrs. Carvel Sparks is sponsoring an Open Meeting on Victory Gardens. All men and women in the community who wish to learn how to plant the most satisfactory and efficient gardens as well as those who wish to refresh their memories are invited to attend. There will be no charge.

Donald L. Kemler, agricultural agent for Burlington county will be the speaker of the evening, and will explain in his talk just what to grow, what not to grow, fertilizers that will be obtainable, the best care of a garden and just how you can be helping your country by raising your own vegetables.

Refreshments will be served by the garden committee of the Club giving a chance for a social discussion.

Bauer, daughter of Dr. and Mrs. Harry W. Bauer, became the bride of Donald Rider Mounse, son of Mr. and Mrs. Harry Mounse, of Plainfield.

The Rev. Harold Lee Rowe, pastor of the church, performed the ceremony and Miss Martha C. Bradley, of Trenton, played the wedding march and accompanied Mrs. Emmeline Manning, of Plainfield, in vocal solos.

The bride, who was given in marriage by her father, wore a gown of white brocade taffeta, fashioned on period lines and a tulle veil held by a coronet of seed pearls. Her bouquet was of roses and lilies of the valley.

Mrs. Walter F. Beddoe, Jr., of Palmyra, sister of the bride, served as matron of honor, and her gown was of blue taffeta with a short matching veil held by a coronet of flowers. She carried a colonial bouquet.

The bridesmaids, Miss Isabelle Mount, sister of the bridegroom, and Mrs. Hayes B. Brady, of Palmyra, sister of the bride, wore pink taffeta with matching veils and floral coronets, and carried colonial bouquets.

Harry H. Mount served as his brother's best man, and ushers included Richard Dunham, of Plainfield, and Harry W. Bauer, Jr., brother of the bride.

The bride's mother selected a gown of dusty pink and rose, and Mrs. Mount chose pearl gray and navy blue.

A reception was held at the home of the bride's parents. Mrs. Mount is a graduate of Palmyra High School and attended

Glassboro State Teachers College. Mr. Mounse was graduated from Plainfield High School and attended Rider College. He is now with the U. S. Army and is stationed at Fort Monmouth.

BURLINGTON COUNTY ELECTRICAL LEAGUE

An active organization of this section is the Burlington County Electrical League, of which Earle B. Harter, of Palmyra, is president. The membership includes most recognized electrical contractors of the county, and electrical inspectors for the Middle Department Fire Underwriters' Association.

Meetings are held each month, the chief purpose being to discuss and enforce proper and safe wiring methods which the customer pays for when having a wiring job done in his or her home, office, store or factory. Better cooperation between the electrical inspector and the electrical contractor makes these safe jobs possible.

Speakers from the most reliable manufacturers have told the members of the good and bad factors of electrical equipment. This enables local contractors to select the type of wiring and parts most fitted for each particular contract.

Members of the League are pledged to adhere to the rigid standards of excellence promulgated by the association. In vain he seeketh others to suppress. Who hath not learn'd himself first to subdue.—Edmund Spenser.

**KIECKHEFER MACHINES WILL DO DEFENSE WORK**  
Taking the lead among industrial plants in this area to make available all machine shops in this country for defense work, the Kieckhefer Containment Company of Delair announced today a plan to put its maintenance machines on a 24-hour basis.

Under the Kieckhefer plan the company's machine shop which in peace time does the single job of keeping its machinery in top production order will turn to producing government orders in addition to its regular maintenance job.

The company said that the only factor which could prevent the plant from working out was the shortage of manpower needed to keep the machines going on a 24-hour basis. The company, however, expressed an idea that a number of retired machinists will return to work during this urgent need for their services.

The Delair plant machine shop is well equipped with lathes, drill presses, shapers and other machinery vital to the production of certain defense orders.

The plan as revealed today calls for the manning of this machinery by experienced operators so the company could act as a sub-contractor on defense orders that could be turned out in the machine shop at the Kieckhefer plant. Work would begin as soon as the men are hired.

The Kieckhefer management expressed the thought that other concerns who have maintenance machine shops will soon join in this effort to add speed to the present production in the war program.

THINGS TO WATCH FOR

More women elevator operators, light messengers for the telephone companies. Higher prices for magazines—Saturday Evening Post and Liberty abandon the old "wicked standard" and go to a dime in April. Plastic tubes (not tin) for toothpastes. Heavier shoes for women, to meet needs of OGD workers. A new version of cellulose-impregnated semi-stiff shirt collars, said to have definitely "permanent" whiteness. Carry your parcel—campaigns by department stores—Macy's uses a special red-white-and-blue sticker on all "take-with" packages.

AN ORDINANCE OF THE BOROUGH OF RIVERTON IN THE COUNTY OF BURLINGTON AUTHORIZING THE PRIVATE SALE AND CONVEYANCE OF CERTAIN PARCELS OF LAND WITH THE IMPROVEMENTS THEREON APPEARANCES NOT NEEDED FOR PUBLIC USE, AND FIXING FOR A LIMITED PERIOD THE MINIMUM SALE PRICES THEREFOR.

BE IT ORDAINED by the Borough Council of the Borough of Riverton in the County of Burlington, State of New Jersey:

SECTION 1: That it is hereby determined and declared that the several parcels of land mentioned in the Schedule contained in Section 2 hereof, the title to which lands became vested in the said Borough by virtue of the foreclosure of money tax sale certificates or by deed of conveyance, the lines of such foreclosures, not needed by the said Borough for public use.

SECTION 2: That the private sale and conveyance by the said Borough of each and every parcel of land mentioned and designated in the following Schedule be and the same are hereby authorized to be made in accordance with the terms and provisions hereinafter set forth, at any time between the date when this Ordinance shall take effect and the thirty-first day of December, 1942; and that the respective parcels mentioned in the following Schedule for the said parcels of land be and the same are hereby placed as the minimum therefor at private sale, (all the said parcels of land being particularly shown on the official map or assessment map of the said Borough and being marked and indicated thereon by the respective block numbers and lot numbers hereinafter in the said Schedule mentioned):

SCHEDULE Block 9, Lot 1, (403 Bank Avenue), \$1,200.00; Block 9, Lot 2, (403 Bank Avenue), \$1,200.00; Block 22, Lot 1, (381 Penn Street), \$1,000.00; Block 20, Lot 3, (204 Main Street), \$1,000.00; Block 26, Lot 24 and 25, (514-516 Main Street), \$2,000.00; Block 25, Lot 1, (601A Cinnaminson Street), \$2,000.00; Block 44, Lot 2, (601 Thomas Avenue), \$700.00.

SECTION 3: That all private sales of land effected by virtue of the authority of this Ordinance shall be made in the following manner and shall be subject to the following terms and conditions: (a) every offer to purchase any of the said parcels of land shall be in writing, addressed to the Borough of Riverton, signed by the person or persons making such offer, and shall be delivered to the Borough Clerk, together with a down payment of not less than ten per cent of the minimum price hereinafter mentioned in the offer; (b) every such offer shall be submitted by the Borough Clerk to the Borough Council of the said Borough and shall be accepted or rejected by it in its sole discretion, and if the offer is accepted, the Borough Council shall forthwith ratify the private sale of the parcel of land mentioned in such offer at the price therein stated, and the person or persons making such offer shall be notified by the Borough Clerk, and such offer and the Resolution of the Borough Council accepting the same and ratifying the private sale herein contained shall constitute a contract of sale between the said Borough and the person or persons making such offer; (c) immediately after the acceptance of every such offer the Borough Clerk shall deliver the down payment to the Borough Treasurer, and the purchaser shall, within thirty days next after notice of the acceptance of the offer, pay the balance of the purchase price to the Borough Treasurer, and the Borough shall thereupon deliver to the purchaser a properly executed deed of bargain and sale conveying the property to the purchaser in said period of thirty days, the contract of sale between the Borough and the purchaser shall, at the option of the Borough, be terminated, and in the event of such termination, the Borough shall retain the down payment as and for its liquidated damages.

SECTION 4: That any duly licensed real estate broker who shall effect the sale of any one or more of the said parcels of land shall be entitled to receive from the said Borough a commission of five per cent of the sale price of each parcel so sold, which commission shall be paid by the Borough to such real estate broker upon receipt by the Borough of the full amount of the purchase price.

SECTION 5: That the term parcel of land, as used in this Ordinance, shall be construed to include all improvements thereon, and the appurtenances to, the respective parcels; and that all improvements upon, and appurtenances to, the respective parcels of land mentioned in the said Schedule shall be included in the sale and conveyance thereof.

SECTION 6: That this Ordinance shall take effect immediately upon its final passage and adoption, approval and publication as provided by law.

Approved March 12, 1942 W. E. WYLLIE, Mayor

DANIEL M. CLIFTON, Borough Clerk

NOTICE is hereby given that an Ordinance of which the foregoing is a copy was duly passed and adopted by the Borough Council of the Borough of Riverton in the County of Burlington, State of New Jersey, at a meeting thereof duly held on the twelfth day of March, 1942, and was approved by the President of Council Acting Mayor, of the said Borough on the same date. By order of the Borough Council of the Borough of Riverton, in the County of Burlington, State of New Jersey. Dated March 19, 1942. DANIEL M. CLIFTON, Borough Clerk.

CALVARY PRESBYTERIAN CHURCH Fourth and Lippincott Ave. Riverton, N. J. Sunday School—10 a.m. Church—11:00 a.m. In the pulpit The Reverend John F. Nicholas, D. D., of Ambler, Pa. The Session will meet after the morning worship to receive new members on profession of their faith or by letters from other churches.

The Annual Meeting of the Congregation of Calvary Presbyterian Church of Riverton, New Jersey, will be held on Wednesday, April 1, 1942 at 8:00 p.m. in the Social Hall of the Church School at which time all organizations of the church are requested to present their financial reports for the year ending March 31 by order of the Session.

CENTRAL BAPTIST CHURCH Rev. S. Dan Morgan, Pastor Dr. Seabury, a noted psychologist, speaking before an executive's club in Chicago recently, asserted that there has been a 30 per cent increase in insanity during the past decade and that, if this rate of increase is maintained, everybody will be insane by A.D. 2159. Dr. Seabury described worry as being the first step toward insanity. The question then arises—"How can fear and worry be eliminated from our lives?" That is the function of every Bible School and Church. There will be found there that peace and satisfaction and a clearer understanding of things that refresh and stimulate the mind and soul and give that peace that no

THE NEW ERA Incorporated Published Every Thursday at 609 Main Street RIVERTON, N. J. Entered at the Riverton, N. J. Post Office as Second Class Matter Telephone, Riverton 712 WALTER L. other thing can give. That is why your attendance at "Central Baptist" is recommended. Services Sunday, March 22nd—Bible School, 10:00 a.m.—Classes for all ages. Bring the family. Morning Service, 11:15 a.m.—You will want to hear the morning sermon on "The Four Horsemen Ride," by Pastor Morgan. The anthems by the choir will be "Consider and Hear Me," by Pfeiffer, and "What of the Night, O Watchman!" by Thompson.

E.Y.P.U., 6:55 p.m.—The High School and Senior Group, which meets in the Sunday School room will have as their topic for the evening, "Abraham—Adventurer in Faith." This will be a most interesting meeting. Come out and bring your friends. Immediately following the Church Service, a Hymn Sing will be held at the home of Miss Ruth Albertson. Not only the young people, but all who enjoy singing, are invited. The Junior "BY" meets in the Junior Department room in the basement. A fine program has also been planned for this group. Evening Worship, 7:45 p.m.—The

church will have the privilege of hearing Dr. A. H. Stanton, Chairman of the Evangelistic Committee of the Northern Baptist Convention, who will bring the message for the evening. Choir director, Mr. C. Y. Barto, is preparing to render two anthems for the evening, namely, "Seek Ye The Lord," by Roberts and "I Am the Resurrection and the Life," by Parks. The doors of "Central Baptist" are open for all who wish to join in the services of worship. A special welcome awaits those who are without any church affiliation. Everybody come.

A mid-week Christian fellowship and worship period, that really is stimulating, is held every Wednesday evening at eight o'clock in the Sunday School room. A study of the book of Genesis is now taking place. You will enjoy this, too!

FOX LIVE SIDE March "Parade of Hits" Friday, Saturday, March 20-21 The Screen's Greatest Explosion of Thrills!

Westfield Friends School Recently Mrs. Robert Smith, of Moorestown, spoke to the children of the Upper Groups about the needs of children throughout the world and how various social agencies are meeting these needs.

As an outgrowth of this talk, the girls of Westfield, together with a group of girls from the Cinnaminson School, meet every Friday for an hour to sew and knit. Clothes of all sizes are also being collected to send to the American Friends' Service for foreign distribution.

The workers are very enthusiastic and are producing very satisfactory material results as well as learning the experience of working together for a common cause.

Due to the Schoolmen's Week program held at the University of Pennsylvania this week, Westfield Friends' will be closed on Friday, March 20. This will enable the staff to attend the Conferences.

Rev. Everett Clinchy, of National Conference of Christians and Jews, will deliver an address at the 15th and Race Street Meeting on March 19, at 7:30 p.m. All persons interested are welcome to attend.

JUNIOR CHAMBER OF COMMERCE GETS CHARTER The Junior Chamber of Commerce were guests of the Rotary Club last Thursday evening when state officials of the Chamber presented the local chapter with its charter. Robert G. Adams, presiding in the absence of Joseph Seel, welcomed the Junior Chamber and pledged the interest and cooperation of the older body in its affairs. The charter members of the local

Chamber are Henry Naisby, Earl Whitcraft, Frank Class, Robert May, Edward L. Miller, Edward Schill, Urie Megahan, Robert Strahan, George Knouse, Graham Lore, Carl Landgraf, Elmer Michel, Edwin Moore, and Myer Millman. Congratulations were also extended to the group by Mayor John F. Ward, of Palmyra.

Rotary Honors Evans Honorary membership was recently voted to Joseph T. Evans, charter member of the Club, who in fifteen years never missed the weekly Rotary meeting. A letter of appreciation from Mr. Evans was read to the Club at the last meeting.

Howard Humphreys, newest member of the Club was assigned to the Community Service Committee headed by Reid Merley. The local club will attend an inter-city meeting next week at which the Moorestown Club will be hosts.

Henry Prisco, of Palmyra, who is at Fort McClellan, Alabama, is reported to be seriously ill in the hospital there. Miss Helen Leidy, of Riverton, was given a surprise shower last Thursday evening at Stockers by several of her friends at R.C.A.

POWERS DEFEATS "PORK BARREL" BILLS Ninety millions of dollars of the taxpayers' money was saved in the House of Representatives last week when Congressman D. Lane Powers led a successful fight to delete from the War Department Civil Functions Appropriations Bill two "pork barrel" non-defense dams. The saving was acclaimed by Members of the House as the first constructive effort to eliminate large amounts of non-defense work from Congressional appropriations.

House Wanted for client who requires a large living room with fireplace, dining room, convenient kitchen, 4 bedrooms and modern bath, hot water heat, garage. Rental not to exceed \$60 or will consider buying. Maximum price to be \$7,000. Mail details to Raymond Warner REALTOR 5th and Cinnaminson Avenue Palmyra, N. J.

The two dams about which the fight centered were Table Rock, in Missouri, and Bull Shoals, in Arkansas. Powers, as minority leader of the War Department Appropriations Committee, steered his side of the House in consideration of the measure. Both dams would be completed in four or five years, would not be available until then for power purposes, and any expenditure for them would be a waste of the taxpayers' money, according to charges made by Powers in his speech against the two appropriations which started the battle that eventually led to deletion of the projects.

What It Means In his address of opposition, Powers pointed out that: "I wonder if every Member of this House knows what \$90,000,000 means? It would take the entire income tax paid by all Members of the House and Senate—at the rate of \$1,000.00 or more per year, per Congressman—for a period of 45 years to pay off \$90,000,000."

"I wonder also what the average taxpayer understands by \$90,000,000 in terms of his own income tax? Assuming an average tax of \$50 a year, under the present rate, for taxpayers earning \$2,500 a year, it would take the total income tax from 20,000 of these taxpayers over a period of ninety years to equal \$90,000,000."

CHRISTIAN SCIENCE CHURCH
First Church of Christ, Scientist
Thomas Ave. at Seventh St.
Riverton, N. J.

Sunday School, 9:30 a.m.
Sunday Services, 11:30 a.m.
Wednesday, 8:00 p.m.
Reading Room in Church Building, Thomas Avenue and Seventh Street, Riverton, open Tuesday and Friday, 2:30 to 4:30 p.m.

"Matter" is the Lesson-Sermon subject for Sunday, March 22, in all Christian Science Churches and Societies throughout the world.
The Golden Text is: "The fashion of this world passeth away." (I Corinthians 7:31).

Among the Lesson-Sermon citations is the following from the Bible: "Nevertheless we, according to his promise, look for new heavens and a new earth, wherein dwelleth righteousness." (II Peter 3:13).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Material sense does not unfold the facts of existence; but spiritual sense lifts human consciousness into eternal Truth." (p. 95).

BETHANY EVANGELICAL LUTHERAN CHURCH

Broad Street and Morgan Avenue

SACRED HEART CHURCH

Fourth and Linden Avenues
Riverton, N. J.
Rev. William F. Quinn, Pastor
Rev. Francis J. Coan, Assistant Pastor

Sunday Masses, 7, 8, 9, and 10:30 o'clock.

Daily Masses, 7 and 8 a.m.
Confessions, 3:45 to 5:45 and 7:30 till 9 p.m.

Novena devotions are held each Monday night at 7:45 in honor of Our Lady of the Miraculous Medal.

This Sunday is Passion Sunday, while Wednesday of this coming week is known as the feast of the Annunciation of the Blessed Virgin.

Although not a Holy day of obligation as many as possible should attend this Mass.

First Aid instructions are held for the Boy and Girl Scouts of the Parish on Friday nights in the school.

Stations of the Cross are said for the children of the parish at 3:00 in the afternoon and at 7:45 in the evening.

This coming Tuesday night the parish Holy Name Society will be host to the county federation of Holy Name Societies. The meeting will be in charge of the local president, William L. Colsey, assisted by the county spiritual director of the Holy

Name Societies. Rev. M. A. Kosogonia, of Burlington.

The classes in Confraternity of Christian Doctrine are held each Thursday night in the school under the direction of Fr. Coan, with all high school students urged to attend.

BISHOP GARDNER WILL MAKE VISITATION HERE

On Sunday, March 22, Christ Church, Riverton, will be honored by a visitation from the Right Reverend Wallace J. Gardner, D.D., Bishop Diocesan of the Episcopal Diocese of New Jersey.

Bishop Gardner, who is noted as one of the best preachers in the Church, will be the preacher at the 11:00 o'clock service as well as the Confirmation Service at 3:00 in the afternoon. He will spend the entire day in the parish, being the celebrant at the 8 o'clock service, and will also give his attention and blessing to the Sunday Schools at 9:45.

It is expected that the many friends he has made in previous visits here will want to hear him and to meet him after one of the various services. Those who wish to be sure of seats at the services will be well advised to come early.

EPWORTH METHODIST CHURCH

Fifth Street and Morgan Avenue
Palmyra, N. J.
Rev. D. Roe Haney, E.D., Minister

Epworth Church will begin Sunday's services with Church School in various departments at 9:45. Teachers and pupils are urged to be present for the beginning of the session.

Church worship will be at 11 o'clock and 7:45. The pastor will use for his sermon topic "The Glorified Cross." The Junior Choir will sing "To Do His Will" by Ritter.

The Senior Choir will render the anthem "Eye Hath Not Seen" by Gaul. The organ numbers will be "Sunrise" by Diggle, "Andante" by Alex, and "Cornelius March" by Mendelssohn.

For the evening service, the Pastor will use for his topic "An approach to Better Life." The choir will sing "Behold the Master Pass-

eth By" by Hammond. Miss Carlin Bates will sing "Faithful Love Jesus" by Estlin. The organ numbers will be "Allegro Pomposo" by Galbraith, "Calm as the Night" by Bohm and "Even Song" by Rockwell.

Epworth League will meet for Devotions and Discussions at seven o'clock, and will also sponsor the Fellowship Hour at the close of the evening's service.

Monday, the Boy Scouts will meet and Tuesday the Girl Scouts.

Wednesday, 4:30—The Junior League, and at 8 o'clock, prayer meeting, which will be an important pre-Easter service.

Thursday, 7:30—Orchestra Practice and Teacher Training Classes.

Friday, 9:45—Junior Choir Practice, and at 7:45 Senior Choir practice.

Saturday evening, March 21, will be a men's banquet in the Columbus Grange Hall.

CLUB BANQUET TUESDAY

Arrangements have been completed for the Second Annual Banquet of the Business and Professional Men's Club of Palmyra and Riverton, which will be held in the Riverton Country Club on Tuesday evening of next week at 7 o'clock.

Invocation will be asked by the Reverend William F. Quinn, pastor of the Sacred Heart Church, Riverton. Arthur W. Lewis, local attorney, will be the toastmaster, while the guest speaker of the evening will be Dr. Samuel Steinmetz, of Trenton.

Refinement and Experience . . . . .
The Snover Funeral Home offers almost every refinement known to the profession. Nothing is spared to keep its facilities abreast of constant improvement in methods and equipment. Experience, a priceless ingredient in the service we render, has done much to relieve those of responsibilities who are least able to bear it.

EYES AT WORK
Men of America are using their eyes, day and night, to turn out extra work, to study new requirements—to produce those things that contribute to victory! Now, more than ever, GOOD LIGHT is needed to protect precious eyesight. Therefore, when artificial light is needed, it is important that you use light of adequate intensity—light that does not glare. That means using a good reading lamp equipped with a fresh Maxda bulb of the right size! Protect precious eyesight. Use good light where you do work requiring close vision.

CAUTION... eyes at work need good light!
Men of America are using their eyes, day and night, to turn out extra work, to study new requirements—to produce those things that contribute to victory! Now, more than ever, GOOD LIGHT is needed to protect precious eyesight. Therefore, when artificial light is needed, it is important that you use light of adequate intensity—light that does not glare. That means using a good reading lamp equipped with a fresh Maxda bulb of the right size! Protect precious eyesight. Use good light where you do work requiring close vision.

NURSE'S AIDES NEEDED

There is an urgent need for Nurse's Aides in the hospitals of Burlington County. One class is already being given in the Burlington County Hospital in Mt. Holly, and another class will begin about April 1st in the same hospital. Enroll now!

There is a 3 1/2 week course of instruction of two days a week from 9:30 until 3. This is followed, by 45 hours of practical work in uniform on the hospital floors.

The National Headquarters of the American Red Cross has stated that 500 to 600 Nurse's Aides are needed in Burlington County alone. Anyone who is interested in this work please get in touch immediately with Nancy Clark, Nurse's Aide Chairman, at Riverton 757.

Home Nursing

The second Home Nursing Class will have its opening meeting on Monday evening, March 23, from 7 to 9 o'clock at the Riverton Porch Club.

On last report there were still two vacancies so if you wish to take advantage of this course please Mrs. John Abell, Riverton 959, chairman for this work.

Mrs. John C. Voss is the registered Nurse who will instruct this class. This is another Red Cross offering for which there is no charge except 75 cents for the book which is used.

ARTISAN NEWS

The Palmyra Artisans held their regular monthly meeting on Tuesday evening, March 17. Many interesting coming events were announced. They were the James H. Maloney Testimonial Dinner to be held on Saturday, March 28, at 6:30 p.m., at the Hotel Chelsea, Atlantic City, N. J.; the New Jersey Artisan Boosters Dinner Honoring Mr. William Martin, of Oaklyn Assembly. This dinner will be held on Wednesday, June 10, at Jack Downie's Old Mill Inn.

This Sunday evening we will honor our new Chaplain, Rev. Harold Lee Rows, the pastor of the Bethany Lutheran Church, of Palmyra, N. J. The Assembly will attend church service this Sunday evening, March 22, we urge every member to attend. Palmyra Assembly was honored with the presence of Most Excellent Master Artisan George Wiviler; Most Excellent Superintendent Charles Christman and Past Most Excellent Master Artisan Jack Reilley. Also a delegation from Dorian Assembly of Philadelphia, Pa. After a very interesting meeting we were entertained by an illustrated talk by Mr. Nat Ewan on "Historic New Jersey."

Each year a selected group of younger officers of the U. S. Navy are ordered to post graduate work at leading engineering schools throughout the country.

OBITUARIES

MARTHA J. HASLAM  
Martha J. Haslam, widow of the late John G. Haslam, died on Tuesday, March 17, at her home, 309 Berkeley avenue, Palmyra.

Funeral services will be held on Saturday at 9 a.m. from her late residence with High Mass at the Church of the Sacred Heart at 10 a.m. Friends may call Friday evening.

The deceased is survived by a son, George, of 623 Main street, Riverton.

ANNA M. ROBERTS

Anna M. Roberts, widow of the late Joseph M. Roberts, passed away on second day, third month, 16th, at her home, 407 Lippincott avenue, Riverton.

Funeral services will be held 5th day, third month, 19th, at 2 p.m., from her late residence, after the manner of Friends.

Interment is private and will be made in Westfield Friends Burial Ground.

Mrs. Roberts, who was in her 85th year, was a resident of Riverton for 60 years, a member of the Annis Stockton Chapter D.A.R., the Westfield Friends Meeting and a charter member of the Riverton P.T.A.

The deceased is survived by four children, Mrs. James E. Roberts, of Riverton; Mrs. Sherwood Boyd, of Haddonfield; Dr. Eugene Roberts, of Collingswood and Joseph M. Roberts, of Moorestown. Three grandchildren also survive.

HELEN CARTER BEAUTY PARLOR IN RIVERTON

Helen Carter announces the opening of a beauty parlor at 621 Linden avenue, Riverton, where she will operate with all of the beauty services familiar to many of her patrons. Appointments may be made by telephoning Riverton 166-W.-Adv.

The office of the Secretary of the Navy was established by Congress in 1798.

FIRST AID CORPS PLANS MEETINGS

The first of the regular joint meetings of the Riverton First Aid Corps has been scheduled for Monday, April 6 in the auditorium of Christ Church Parish House. This meeting includes the personnel of the two hospital units as well as the zone first aid groups.

The principal speaker of the evening will be E. K. Merrill, chairman of the Riverton Defense Council who together with several other chairmen will speak briefly on the organization of the Defense Council and how each of the various committees, or branches, of the council, are organized for cooperation in any emergency. Particular stress will be put upon the way in which the First Aid group fits into the entire organization.

First of Series

All of these speeches will be limited to five minutes, and following the speakers, the various first aid units will be divided into their proper sections for additional practice and instruction. Every member of the organization is urgently requested to be present at this meeting so that they may get a better picture of the functioning of the Council.

This is the first of a series of monthly meetings planned for the First Aid Corps during which various practical sides of the subject will be discussed by experts in those fields. Each meeting is planned for the first Monday evening of the month.

Residents of Riverton interested in First Aid but not yet members of the corps are cordially invited to attend these meetings and are also requested to enroll as members of the corps.

The Porch Club

Please remember that next Tuesday, March 31, is the last Tuesday in the month. That means Red Cross sewing in the Club at 2:30 p.m. Bring scissors and thimble. Refreshments will be served by the War Work Committee.

The meeting which the Garden Section planned for Wednesday night of this week on "Victory Gardens" has been postponed until Wednesday evening of next week, April 1, at 8 o'clock, in the club. The same program will be carried out as was originally planned.

SECOND NEW ERA MAN WILL ENTER SERVICE

Harry S. Paul, a member of the New Era staff, will leave next week for induction into the Army. He will be the second New Era employee to join the armed forces. C. H. Heck, who was enrolled last year now being a Staff Sergeant in the Medical Corps and stationed on the Pacific coast.

JOSEPH WILLIAMS PROMOTED TO CAPTAIN

Joseph M. Williams, of 835 Cinnaminson avenue, Palmyra, has been commissioned a Captain of Cavalry in the United States Army. Captain Williams now commands Company H of the 11th Infantry, General Headquarters Reserve. This company mans the machine guns on the small sub-chasers used along the Atlantic Coast and is stationed in North Carolina.

NO ORDER NUMBERS UNTIL AFTER APRIL 15

Due to the considerable amount of work involved, local draft board officials stated this week that the order numbers for the 35-45 age group will not be available to those interested until after April 15. When the order numbers have been assigned a list will be posted at the local headquarters.

NOTICE

Attention is again called to the fact that the deadline for news and advertising copy to be published in The New Era is noon on Wednesday of each week.

The earlier copy is received the better are its chances of its being published in full and obtaining a more desirable location in the paper. The cooperation of news contributors and advertisers in this respect will be greatly appreciated.

HONOR ROLL

The following is a partial list of the men from Riverton and Cinnaminson, who are serving in the armed forces of the United States. The New Era asks that relatives of men who have been omitted from the Honor Roll communicate with this newspaper so that the roster can be made complete.

The New Era is being mailed free to all men in the service through the cooperation of the local Junior Chamber of Commerce and all changes of address should be sent to Robert May, 519 Maple avenue, Palmyra, who has charge of this project.

DEFENSE STAMPS SOLD AT LOCAL HIGH SCHOOL

To date Palmyra High School has made a most excellent showing in the sale of Defense Stamps, a total of nearly \$1,500 having been purchased by the students. A bulletin board at the school shows the daily record of sales.

EMERGENCY UNIT READY

The Palmyra Emergency Unit is complete except for a few finishing touches and will soon be ready for action as a result of several weeks of hard work on the part of the committee headed by Dr. Charles F. Voorhis, of Palmyra.

The unit, which is a converted trailer, has a most adequate array of facilities and equipment for the care and transportation of injured people. It will be towed by one of the police cars when on active duty.

Since there is only one ambulance in this section, the equipment will be most valuable in the event of an emergency.

The Riverton Fire Department answered a call for a serious grass fire last Friday afternoon in the rear of several properties on Elm avenue, near Broad.

When the firemen arrived the flames had swept through several yards and were threatening a section near the used car lot of the Dawley Oldmobile Company. A line from the chemical tank squelched the fire before any damage was done.

Since there is only one ambulance in this section, the equipment will be most valuable in the event of an emergency.

When the firemen arrived the flames had swept through several yards and were threatening a section near the used car lot of the Dawley Oldmobile Company. A line from the chemical tank squelched the fire before any damage was done.

Since there is only one ambulance in this section, the equipment will be most valuable in the event of an emergency.

The Riverton Fire Department answered a call for a serious grass fire last Friday afternoon in the rear of several properties on Elm avenue, near Broad.

### AS I SEE IT

By FRANK LEE SAYID

Like almost everyone else, we took a fling at the change in the Thanksgiving Day date when it was announced and we have heard every year a good deal of comment on daylight saving as a violation of "sun time." There seems to be an impression that we are tinkering with something sacred when we play with the hours, the days, the months and the years but the fact is mankind has been officially tinkering with it throughout recorded history. Let us illustrate.

If the width of three columns of this paper represents the time man is known to have had a calendar then the time one calendar has been in use in the English speaking world is represented by the width of two letters in a word of this sentence. In other words during 8,800 years prior to the adoption of our calendar, other calendars were used—a good many of them.

We very solemnly celebrate Washington's Birthday on February 22nd. As a matter of fact he was born on February 11th according to the calendar in use in his day. Christmas Day was long celebrated on January 6—and so it goes with many of the "days" we regard as having always been observed as we observe them.

Resistance to change has made slow going for the World Calendar movement which has been adopted by fourteen countries which simply await world agreement to put it into effect. Here in America it has been endorsed by Chambers of Commerce in leading cities, by the Labor Conference of American States, by the American Society for Advancement of Science, by the National Education Association, by the General Federation of Women's Clubs, by the National Federation of Business and Professional Women's Clubs, by the Protestant Episcopal and the Meth-

odist Churches and by many leading business men, industrialists and in science and the professions. The suggested World Calendar starts every year on Sunday, divides the year into four equal quarters, (each of which starts on Sunday) of three months, each of which has exactly twenty-six working days plus Sundays. The month dates, for a given month, always fall on the same week day. Thus the first month of each quarter has 31 days—all the rest 30.

The 365th day follows December 30th as a World Wide Holiday—the calendar takes a holiday along with its users. The extra Leap Year Day is placed exactly in the center of the year at the end of June and becomes another World Holiday. The anchor points of the year, the equinoxes and the solstices are accurately placed in relation to both month-date and week-day.

Think what such a system would mean to all of us! No longer would business men have to try to compare short months with long ones with holidays grasshoppering all through the days of the weeks (for they would always fall on the same day and this probably would be Monday).

At present the first half of the year is 181 days, the second is 184. The first quarter is 90 days, the second 91 and the third and fourth 92 days each. The shortest month's three days shorter than the longest. It does not make sense. The World Calendar puts the year in balance.

If the church agreed, even Easter could be fixed with a chosen date, instead of wandering all the way from March 22 to April 25, and thus stabilize the activities of church, education and business.

As you have read this outline we hazard the guess you have thought

of something that appears to be a weak link. But we will wager a good deal on the certainty that the World Calendar plan has it satisfactorily covered.

#### PALMYRA BOY IN ARMY WINS BALTIMORE ART PRIZE

William K. Munro, who is with the U. S. Army in Louisiana, was awarded a prize in the 10th Annual All-American Exhibition of Art, held last week.

The prize, which was in the form of defense stamps, was awarded to Munro for two wood cuts, "Comes Sundown" and "Comes Chow Time." His grandmother, Mrs. Mary Muller, of Baltimore, received the prize for him.

Mr. Munro is the son of Mr. and Mrs. William G. Munro, of 104 Pearl Street, Palmyra.

A letter from George Washington deploring the lack of naval strength was read in the Continental Congress November 1, 1775 and the next day \$100,000 was appropriated for a naval force.

No date has been set for the wedding.

**EASTWOOD BILL TO DROP BANK HOLIDAY**  
Senator Howard Eastwood, of Burlington, introduced a bill in the Legislature at Trenton last week, calling for the abolishment of Saturday bank holidays as a means of assisting per-

sons in outlying areas as well as a move in the interest of "all-out" national defense.

The bill would suspend the Saturday holidays in New Jersey for the duration of the war. Senator Eastwood, who is solicitor and director of the Burlington City Loan and Trust Company, said he had not as yet sought the reaction of bankers on the bill.

**KNOW YOUR BANK**

Why is thrift more important now than ever?

**DAILY** WAR BILLS \$65 BILLION

In the first place America needs great sums of money to fight the war. Much of this will come from the sale of Defense Bonds to the public. Taxes are mounting and require thrift to be met in an orderly, sensible manner. Personal thrift is important to ward off inflation. Thrift is desirable because it is the opposite of spending, which would compete with our defense effort. It is a means of providing for emergencies that may arise during the war, and for the period of adjustment after peace comes. We welcome the accounts of earnest savers.

### YMCA BRIEFS

Opening of a concentrated finance campaign for YMCA work in Burlington county, is anticipated in the next few weeks. Leaders of the Burlington county YMCA, anxious not to neglect the recreational, religious and athletic welfare of boys in the county, have called for a two-weeks campaign to raise the annual "Y" budget.

Freeholder LeRoy Church, of Bordentown, invited by the county YMCA Executive Committee to head the campaign, this week accepted the chairmanship and announced that he is forming a county-wide organization. The county will be divided in five districts with district chairmen to supervise work in their localities.

"This campaign is for Burlington county boys," Church said yesterday. "All of the funds collected will be used to finance and promote "Y" work in Burlington County. While we believe that "all-out" efforts should be made for our boys in the service, we also believe that the boys of Burlington county should not be deprived of the YMCA facilities which they have enjoyed for the past 37 years.

"Contributions to the YMCA campaign fund will be used to give Burlington county boys proper recreation, with athletic and religious training," Church said.

The county chairman has called a meeting of district leaders for a Friday night, when plans for the campaign and the actual dates during which it will take place, will be decided.

**ENGAGED**  
Mr. and Mrs. Richard Ellison Wilson, of 705 Morgan avenue, Palmyra, announce the engagement of their daughter, Marjorie Chloe, to Mr. Edward B. Richie, son of Mr. and Mrs. Arthur L. Richie, of Sunny Slope Farm, Branch Pike, Riverton.

Miss Wilson is a graduate of Palmyra High School, and is well known in Burlington County music circles.

Mr. Richie was graduated from Westtown Friends' School and attended Wheaton College and Diesel Engineering School. He was recently graduated from the Rising Sun School of Aeronautics, and is at present in the U. S. Army Air Corps, stationed at Bradley Field, Windsor Locks, Connecticut.

**ENGAGED**  
Mr. and Mrs. Ralph Whartnaby, of 25 Cuthbert Road, Palmyra, announce the engagement of their daughter, Miss LaBetta W. Whartnaby, to Private Robert W. Carhart, son of Mr. and Mrs. John Carhart, of 610 Lippincott avenue, Riverton.

No date has been set for the wedding.

**About Town**  
Richard Landgraf, Francis Malone and Francis Casey, of Palmyra, were given a farewell party in Camden, recently, prior to their entering the armed forces of the nation. Mr. Casey has enlisted in the Navy, while Messrs. Landgraf and Malone will leave next week to join the Army.

Martin C. Casey, of Rowland street, Palmyra, entered the U. S. Navy Monday and is stationed at Newport, R. I.

Ernest H. Senior, Jr., son of Mr. and Mrs. Ernest H. Senior of Highland avenue, spent the weekend with his parents. He is with the U. S. Marines at New River, North Carolina.

Buddy DeLaney and his orchestra, featuring Betty Parker, vocalist, will furnish the music for the dance given by Jane McCabe, to be held at the Cedar Brook Country Club, Philadelphia, on Friday night. On Saturday night the orchestra will play for a dance given by Richard C. Hughes at the Germantown Cricket Club.

Pvt. Frank Alloway, son of Mr. and Mrs. Howard Alloway, 213 Elm avenue, Riverton, is now stationed at Fort Hamilton, N. Y. He has completed his recruit training, having taken preliminary drill at Camp Lee, Virginia.

**BIRTH**  
Mr. and Mrs. William M. Shoemaker, 3rd, of 405 Lippincott avenue, are receiving congratulations on the birth of a son, Edgar William Shoemaker, on March 8th.

Mrs. Shoemaker will be remembered as Margaret Miller.

The Bureau of Medicine and Surgery of the Navy Department was organized in 1842.

### TO DRAMATIZE STORIES FROM "STEPPING STONES"

A radio program that will no doubt attract many listeners from Station WOR on Saturday morning, March 28, at 10:30 o'clock, when Bob Emery, on the "Rainbow House Program" will dramatize stories from John Thomas Clark's well known book, "Stepping Stones."

Those who enjoy the program and are desirous of hearing more are asked to write to WOR.

**Attention!—First Aid**  
All those having completed the Standard Course in First Aid and who are interested in taking the advanced Course must report at the Episcopal Parish House Monday evening, November 30, at 7:00 p.m. promptly. Mr. Jerome Yentzer will instruct.

The first lesson will be given that evening and all who expect to participate must bring several bandages and a blanket. The full course will cover ten hours of work.

The class is limited to 50 members. All those who wish to be sure of a place in the class call Mrs. Stewart Berger, Riverton 83-W before Monday.

An enthusiastic colored group of about 60 people are taking the Standard Course under the able direction of Dr. L. S. Bradley.

When this group complete their work there will be approximately two hundred people in Riverton and Cinnaminson who have had Special First Aid training.

**ENGAGED**  
Mr. and Mrs. Ralph Whartnaby, of 25 Cuthbert Road, Palmyra, announce the engagement of their daughter, Miss LaBetta W. Whartnaby, to Private Robert W. Carhart, son of Mr. and Mrs. John Carhart, of 610 Lippincott avenue, Riverton.

No date has been set for the wedding.

**Conserving Telephone Service Is Important**  
MAKING everything we have last longer and better is a big part of the job of helping to win the war—for industry and individuals alike.

Telephone service must be made to go as far as possible, just as rubber, tin or sugar, for it is the first line of communication in our war effort. Critical materials needed for expanding the telephone system are becoming harder to obtain, and demands for more service are increasing.

A real reserve of extra telephone service can be made available by reducing the number of "waste calls" which the New Jersey system now must carry every day.

35,000 calls a day are wasted because people call telephone numbers from memory instead of consulting the telephone directory when in doubt; 35,000 more calls must be used to get the right connections.

51,000 calls a day are wasted because people do not wait even half a minute for the called parties to answer; this means 51,000 more calls if the messages are to be delivered.

98,000 calls a day are made to "Information" for numbers already listed in the directories of the calling parties; each of these 98,000 calls is unnecessary, for the number desired is right at hand in the telephone book.

By guarding against these wastes—telephone service can be made still more effective at a time when it is needed most.

### PLAN SALVAGE DRIVE

Camden, Burlington and Gloucester Counties joined in a concerted effort to "get in the scrap," having completed plans for salvage aimed at combing the tri-county area for scrap metal, wastepaper, rags, old rubber and other waste materials needed for war production, R. D. McGiffert, regional director of the WPB's Industrial Salvage Section, announced today.

McGiffert's statement followed the formation of the Industrial Salvage Committee of Camden, Burlington, and Gloucester Counties late last week and revealed the threatened im-

mediate shut-down of all reclaimed rubber production facilities because of the need for rubber scrap is now most critical.

The tri-county salvage group, headed by H. M. Kieckhefer, of Riverton, took swift action to send its 14 members into more than 200 industries in the area to organize these plants and set up sub-committees, which would insure the flow of scrap materials into the proper channels in the shortest possible time.

The Navy Nurse Corps loses 15 per cent annually through marriage, mostly to Navy men.

**"Spring Am"**

AND it's planting time for the VICTORY GARDEN COLLECTION of Vegetable Seeds... the most popular and economical assortment we have ever offered.

Church Notices

EPWORTH METHODIST CHURCH Fifth Street and Morgan Avenue Palmyra, N. J. Rev. D. Roe Haney, B.D., Minister

Palm Sunday services—Church School at 9:45. Church Worship at 11 and 7:45.

The Pastor will preach in the morning on "The Triumphant Entry," and the evening on the question "What Will We Do with Christ?"

For the morning worship, the Junior Choir will sing "Spring," the Senior Choir "Jerusalem" by Parker, and Mr. Elwood Johnson will render the solo "The Palms" by Faure.

The Choir will sing for the evening service "Ride On, Ride On" by Scott. Miss Eileen Rae will render a violin solo and Miss Yvonne Pennington and John Milroy will play a trumpet duet.

The Epworth League meets at 7 o'clock. Roy Austin will give the address.

Holy Week services will be conducted in the Church from Monday till Thursday at 8 p.m.

CHRIST CHURCH, EPISCOPAL Riverton, N. J. Rev. Francis B. Downs, Rector Holy Week, 1942 Palm Sunday—8:00—Holy Communion and Blessing of the palms. 9:45—Sunday School. 11:00—Holy Communion and Sermon. Solemn Procession and distribution of Palms.

Good Friday—12 to 3—Devotions and Meditation. The Service as usual will be divided into seven parts, between which any who cannot stay for the full time are at liberty to come and go. This year particularly everyone should be present at some service Good Friday either in their home parish or in town.

Easter Even—Holy Baptism at 4:00 p.m. MRS. BRIDEGUM HEADS COUNTY ELECTION BOARD Mrs. Pearl M. Bridgum, of Hainesport, was re-elected president of the Burlington County Board of Elections at the organization meeting last week.

MORAVIAN CHURCH Palmyra, N. J. Rev. Albert J. Harkle, B.D., pastor The services for Palm Sunday, Holy Week and the Easter season are as follows:

Palm Sunday, March 29—9:30 a.m.—Sunday School. 10:45 a.m.—Palm Sunday service. Anthem: "Creation's Praise," by J. Lincoln Hall. The pastor's sermon

registration program. William R. Murphy, Democrat, of Bordentown, was named secretary of the election board and Roy Gill, of Moorestown, new Democratic member, took office, to succeed Mrs. Lilliane Musil, of Maple Shade. Mrs. Nellie Russell, of Burlington, was seated for another two-year term. When the new office is acquired for permanent registration two girls will be employed and after sufficient experience, will be sent to municipal buildings where voters can register. Those not registered by a certain date prior to July, 1943, will not be eligible to vote that year.

POWERS APPLAUDS RULING ABOLISHING AGE LIMITS Congressman D. Lane Powers applauded the decision of the United States Civil Service Commission to waive age limitations in general for Federal employment.

The action was taken, Civil Service explained, to accelerate hiring by the War and Navy Departments and other agencies engaged in War work.

"Such action should have been taken by the Civil Service Commission many years ago," Congressman Powers declared this week. "When I came to Congress I introduced a bill to remove the maximum age limitations for all Federal employees in civilian life, except those who are used on guard duty."

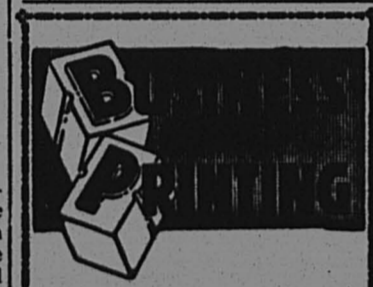

"It was my contention at that time that an administrative officer, who has had years of experience in industry or private business, would be more valuable to the Government than a young man who has a limited experience. Further, a stenographer or clerk with long experience in private industry would be more valuable than one who has just graduated from school."

THE BUGLE SOUNDS WALLACE BEERY

AT FORT DIX Success Story The controversy over the real meaning of the word "jeep" still rages. But to Private Al Wolff, of Headquarters Company, Station Complement, it no longer matters. "Jeep" in one of its meanings signifies a newly-inducted rookie. Now that Wolff—newly promoted—wears the stripe of a Private First Class on his sleeve, he feels sure his buddies will stop referring to him as a "Wolf in Jeep's clothing."

The Old Army Game Sergeant's and Corporal's stripes, below which appear the letter "T," are the insignia for the Army's new Technician ratings. One soldier, until recently a private, whose sleeve was so decorated was asked by his girl friend, "I know that three stripes stand for sergeant. But what does the 'T' stand for?" "Oh, that," the soldier replied casually, "... that stands for Top sergeant!"

He Proved His Point Army training never intentionally comes between a man and his lady fair. But that sad state of affairs almost came about anyway, the other day, when a certain soldier paid a visit to the object of his affections. As a special treat, she served him some cookies and cake she had baked especially for him. Somehow the soldier wasn't as enthusiastic about them as she thought he ought to be. "I suppose you can bake better!" she said, sarcastically. "I certainly can!" was his reply. And he went into the kitchen and proved it. P.S.—He had just graduated from the Fort Dix Bakers' and Cooks' School.

Add Army Phraseology Fort Dix's Station Complement is now jokingly referred to as the "Zebra Battalion," because—as a result of mass promotions—so many stripes have sprouted on the sleeves of its members. "Neon" stripes, incidentally, are stripes made of a new cloth, which shows up much more brightly than did the old ones.

VICTORY GARDENS Mr. Henry Bibus, Jr., Chairman of the Burlington County U.S.D.A. War Board, has the following to say about victory gardens: In the light of present conditions the Victory Garden campaign should be carried on to the utmost by those who have had experience in gardening and are quite sure that they will carry on the project to completion once it has started. All foods that can be produced economically will help alleviate threatened shortages by just that much. But, most important in the light of threatened fertilizer and seed

shortages anyone who does not firmly intend to carry on their project and really make a worthwhile garden should not be tempted to start one because at this time fertilizer and seed are of the utmost importance and dare not be wasted by anyone. This year the country is faced with a shortage of good seed and important fertilizer materials. Therefore, while we agree very much with the feeling back of the Victory Garden campaign we cannot emphasize too strongly the fact that once it is started it should be carried through to a successful conclusion.

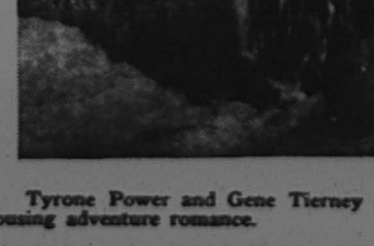

Furthermore, all food which can be home processed and put up in glass jars for home consumption will very materially relieve our commercial packing plants of the necessity of manufacturing food for home consumption and leave more canned foods for export to our Allies and to those of our own people who are not prepared to eat for themselves.

It is our belief that flower gardeners should continue to grow flowers. Any surplus flowers which they may have, can be used in camp hospitals and for other convalescent purposes and for bolstering morale.

THINGS TO WATCH FOR Dog-food in dehydrated form, though many thought it couldn't be done; ducking the tin-can ban, one brand is out with a non-metallic container for the dry variety that looks

Sunday School—10 a.m.
Holy Communion—11 a.m.
In the pulpit the Reverend Ray-
mond M. Kistler, D.D., President of
Beaver College.

The Annual Meeting of the Con-
gregation of Calvary Presbyterian
Church of Riverton, New Jersey, will
be held on Wednesday, April 1, 1942,
at 8 p.m., in the Social Hall of the
Church School, at which time all
organizations of the church are re-
quested to present their financial re-
ports for the year ending March 31,
By Order of the Session, H. P. Lan-
dis, Clerk.

The Annual Corporation Meeting of
Calvary Presbyterian Church of
Riverton, New Jersey, will follow the
above meeting, on the same day and
in the same place, at 8:30 p.m., for
the election of three Trustees to
serve for a period of three years,
three members of an auditing com-
mittee to serve for one year, and for
the transaction of any other business
which may properly come before the
meeting. By Order of the Board of
Trustees, S. L. W. Field, Secretary.

11:00 a.m.—The Service. Pastor
Rowe will receive new members by
confirmation and letters of transfer
at this service. The pastor will speak
on the theme, "King For a Day."
The altar flowers will be placed in
memory of Mr. Henry King by his
wife and family. The palms in the
chancel are placed in memory of
Mrs. Pauline Davis, by her niece
Mrs. Marjorie Lewis.

6:30—Intermediate Luther League.
Leader, Miss Della Stone.
8:00—Vespers. At this service the
members of the Catechetical classes
will be examined in oral questions on
the material studied during the past
six months. This group will be con-
firmed on Whit-Sunday. All parents
and friends as well as members
should attend.

9:00 p.m.—Senior Luther League
meeting at the home of Mr. James

annual Father's Day program will be
held by the parish P.T.A. this Sun-
day afternoon at 2:30. All fathers
and parents of the parish in this area
are urged to attend the occasion. A
guest speaker will be present to ad-
dress the gathering.

Basketball season will be conclu-
ded for the boys of the parish this
Sunday night at 7:30 when they will
perform in a benefit game for Tom
Haines who was injured in a game
recently. Proceeds will go toward
his medical care.

This week being the last week of
the lenten season, is known in the
Church as Holy Week. Masses on
Monday, Tuesday and Wednesday
mornings will be said at 7 and 8. On
Holy Thursday, the day which Holy
Communion was instituted, Holy
Mass will be celebrated by the parish
priests at 9:00 o'clock.

A Holy Hour service will be con-
ducted on Holy Thursday in the
evening at 7:45. Every one, if possible,
should receive Holy Communion on
Holy Thursday. Holy Communion
will be distributed at 7:00 a.m.

Mass of the Presanctified will be
said at 9:00 o'clock. Stations of the
Cross will be at 3:00 in the afternoon
and at 7:45 in the evening. Confes-
sions will be held on Wednesdays
and Saturday in the afternoon and
evening.

There will be no meeting of the
Confraternity of Christian Doctrine
Thursday of the coming week due to
the services being conducted on Holy
Thursday.

CENTRAL BAPTIST CHURCH
Rev. S. Dan Morgan, Pastor

This is a vitamin age. New dis-
coveries are being made daily, bring-
ing to light the need for certain vita-
mins to offset certain physical affec-
tions in order to build up strong
and healthy bodies. This fact is now
generally recognized. But there is
another vitamin which has been neg-
lected so much in the past, the ef-
fect of which we see all around us
today. Doses of this vitamin are ad-
ministered free to anyone who will
attend his bible school and church.
If you haven't any church affiliations
"Central Baptist" will gladly receive
you. They offer you the following
services for Palm Sunday.

Stations of the Cross will be said
Friday of this week at 3:00 in the
afternoon for the children of the
parish and at 7:45 in the evening for
adults.

This Sunday will be Palm Sunday.
Palms will be blessed and distributed
during the 10:30 o'clock Mass. The

Bible School—10 a.m.
Morning Service, 11:15 a.m.—Any-
one attending the services will enjoy
two sermons. One delivered by the
pastor and one offered in the an-
them by the choir. Both are excep-
tionally inspiring. "Riding as a
King" will be the morning subject,
"Ride On! Ride On!" by Scott and
"Jerusalem," by Parker, will be ren-
dered by the choir.

B.Y.P.U., 6:45 p.m.—The seniors
hold their meeting in the main Sun-
day School room, while the Juniors
meet in the Junior Department
Room. Always interesting meetings.

Evening Service, 7:45 p.m.—Fol-
lowing the sermon of the evening,
the ordinance of Baptism will be con-
ferred upon a large class by Pastor
Morgan. The sermon subject will
be "The Cross Estimated." The

choir, under Mr. Barto's direction,
will make their fine contribution to
the service with "Ride On in Majes-
ty," by Cresswell, and "Extol Him,"
by Heysler.

Wednesday, 8:00 p.m.—Prayer and
Praise Service. "Let the Redeemed
of the Lord Say So."

A unique service will be held on
Good Friday evening at 8 o'clock in
the church. This will be in the na-
ture of a Friendship Service and will
be accompanied by the observance of
Communion and appropriate anthems
by the choir. All members are urged
to be present and bring their neigh-
bor.

The awe-inspiring cantata, "The
Holy City," by Gaul, will be sung
by the members of the choir under
the leadership of Mr. Claude Y.
Barto, on Easter Sunday evening.

Refinement and
Experience . . . .

The Snover Funeral Home offers al-
most every refinement known to the
profession. Nothing is spared to keep its
facilities abreast of constant improve-
ment in methods and equipment.

Experience, a priceless ingredient in
the service we render, has done much to
relieve those of responsibilities who are
least able to bear it.

CALLING ALL WOMEN

Do your part on the home front. You can help right in your own kitchen. Gas must be conserved, because saving gas means saving oil and oil is of paramount importance to our war effort. Turn down the gas when a dish begins to boil. Use the right sized cooking vessel for the burner. When you use the oven, try to cook several dishes in it at the same time.

**YWCA NOTES**

Nineteen delegates from adult clubs in Burlington County attended a banquet in Trenton, Tuesday evening, March 24. This is the annual celebration called "The Nation-wide Observance" at which time all YWCA adult clubs in the United States come together in their respective localities on the same day for a period of fellowship.

Dr. Tucker of Princeton University was the speaker.

Mrs. Alexander C. Wood, Jr., chairman of the YWCA-USO Committee and Miss Mollie Heath Conn, General Secretary of the Burlington County YWCA and Miss Marjorie Hale, YWCA-USO worker at Fort Dix attended a meeting in Philadelphia Tuesday, March 24th, of all YWCA's in this area together with National regional and local U.S.O. staff members to discuss the relation between local Y.W.C.A. programs and U.S.O. activities.

**FEBRUARY LIVING COSTS ADVANCE 2.9 PER CENT**

If Mr. and Mrs. New Jersey found that first income tax payment tough, they may have blamed it on the "high cost of living," and actually, according to State Department of Agriculture statisticians, they had a 3 per cent justification. Between December 1941 and February 1942, the cost of living in New Jersey increased 2.9 per cent, with all major expense groups contributing to the advance.

Furniture and housefurnishings, which require 4.6 cents of the average family dollar, climbed 10.6 per cent in the three-month period. The average retail price of this group of household commodities was 44.3 per cent higher in February 1942 than in December 1940 and 52.9 per cent greater than December 1938.

The second greatest increase between December 1941 and February 1942 was noted in clothing with men's wear advancing 9.7 per cent and women's 3.1 per cent. Clothing costs are estimated to require 11.1 per cent of the family dollar.

Food costs, which absorb 29.5 cents of each family dollar climbed 2.9 per cent in the three month period. Lamb and fresh eggs were the only groups to be reported lower in February 1942.

The rent price trend, although slower, is still upward, real estate reports in ten cities of the state indicated. The average New Jersey family allots 18.1 cents of each budget dollar for housing.

The monthly meeting of the Frederick M. Rodgers American Legion Post will be conducted this Tuesday night at the Post home on Broad street. Although many of the members of the post are enrolled in various civilian defense activities, veterans are urged to make every effort to be present.

The post has appropriated \$65.00 toward the purchase of a pew in the post's name in the New Lakehurst Memorial Chapel.

The State finals of the New Jersey Department of American Legion oratorical contest will be conducted Friday night of this week in Trenton High School.

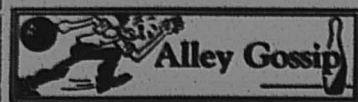

Sidney Finkleman, Riverside High School junior was the winner of the county contest held recently at Mt. Holly High School.

**KRAUSER VS. DUSEK**

Max Krauser gets the chance of his lifetime, a chance to put himself on the pinnacle of the wrestling world, when he takes on Ernie Dusek, wild and wooly Nebraskan, in the final bout to the outstanding show of the season, Monday night in Camden Convention Hall.

A special match will replace the semi-windup and instead of the usual 30 minute fray, the Hanlys have signed Sandor Szabo to collide with Cowboy Luttrall, the ruthless Texan. The contest is down for one fall, with a 60 minute limit. In the third bout Gino Garibaldi takes on George

K.C. Koverly, while Gus Sqnnerberg will be looking for his third straight win when he goes to the post with Art Le Grand. The opener should serve as a real warm-up match for the fans as it shows a pair of fightin' Irishmen in Tommy O'Toole and Pat Fraley.

**RED CROSS STATES POLICY ON BENEFITS**

Many organizations and individuals, moved by generous impulses, arrange entertainments, and other public performances and publicize

them as "Red Cross benefits" without consulting the Burlington County Chapter as to the regulations governing such fund raising efforts, Chairman James H. Randall stated today.

"While the Chapter is appreciative of this volunteer effort, I must call public attention to the fact that such benefits using the name of the Red Cross must not be undertaken without previous clearance with the proper Chapter officials," Chairman James H. Randall stated.

"An Act of Congress protecting the Red Cross name and emblem and defining their use, makes this requirement by the Chapter obligatory. These legal restrictions are equally a protection to all contributors, as well as to the Red Cross Chapters."

Chairman James H. Randall said the policy may be summarized as follows:

Benefits may not be undertaken unless gross receipts are contributed to the Red Cross.

Benefits may not use the name or emblem of the Red Cross where part or all of the expenses are deducted from the proceeds.

This does not preclude the acceptance of contributions by the Red Cross from benefits which have been carried on independently of the Red Cross and which do not use the Red Cross name and symbol in their promotion.

The Bureau of Yards and Docks is charged with all that relates to the design, construction and repair and maintenance of the U. S. Navy's public works.

The Bureau of Yards and Docks, charged with the construction of shore facilities of the U. S. Navy periodically issues a list of substitute materials that may be used in construction work in lieu of items which are on the critical materials list.

**SHERIFF'S SALE**

By virtue of a Writ of Fieri Facias to me directed, issued out of Court of Chancery of the State of New Jersey, I will sell at public sale on

THURSDAY, APRIL 23, A. D. 1942 between the hours of 12 and 5 o'clock in the afternoon of said day (to wit, at 2 o'clock Standard Time, or War Time, at the Court House, Mount Holly, New Jersey:

ALL the following tract or parcel of land and premises hereinafter particularly described, situate, lying and being in the Township of Cinnaminson, in the County of Burlington and State of New Jersey, and more particularly described as follows:

ALL THAT CERTAIN lot or piece of land Situate in Pennsville, in the Township of Cinnaminson, in the County of Burlington and State of New Jersey, and is marked on Pennville Number Forty-one (41), and is bounded as follows, viz:

BEGINNING at the southeast corner of Division and Jackson Streets and extending thence Eastwardly along the Southwardly line of Division Street to the Westwardly line of the Cinnaminson Road, be the distance what it may; thence along the Westwardly line of the Cinnaminson Road forty (40) feet to the corner of Lot No. 42; thence along the line of Lot No. 42 and at right angles with Jackson Street one hundred and nine (109) feet to the Eastwardly line of Jackson Street; thence along said Eastwardly line of Jackson Street fifty (50) feet to the place of beginning, be the contents what it may.
