

Changes to Roster and Sanction Polices Effective August 1, 2022

NSA Seasons runs from August 1 of any calendar year through July 31 of the following year. This has been in effect for over 5 years.

NC/SC NSA are making the following changes in order to make sure that our teams are legal and covered by insurance

On or after August 1 when you sanction or re-sanction your team you will have the following choices

- (1) When you go to www.playnsa.com to sanction your team you can select Fall only or select 2022-2023.
- (2) Fall only is for teams that want to stay in their current age group through December 31, 2022. EXAMPLE: If you are a 12U team and you have girls that are 13 on your team or that will turn 13 before January 1, 2023 you can use this option to play as a 12U team through December 31, 2022. When you start play in 2023 you will have to re-sanction your team as a 14U team and that sanction will be good through July 31, 2023
- (3) When you sanction as a 2023 team after August 1, 2022 girls on your team have to be age eligible as of January 1, 2023. EXAMPLE: If you sanction as a 12U team and have girls that are 13 or will turn 13 before December 31, 2022 they are not legal to play

Simple Break down by age group

10U teams if you plan to play 10U this fall and have girls that are 11 or will turn 11 before December 31, 2022 you need to register as a Fall 2022 10U team.
