## Parent Committees

As you know, at Capital City High School we do not have years of tradition and alumni to help fund our football program. We are looking at approaching our booster club a little differently and want to build a family support network for our players and coaches.

**WE NEED YOUR HELP!!**

### PARENT/FAMILY INVOLVEMENT

- ◆ Looking to get football parents and family members involved! We need volunteer support at our fundraisers, working concessions and chain gang and wherever else you can help
- ◆ Offering various committees allows you to get a little more involved without feeling like you are taking on a serious commitment and still helps raise funds for the program
- ◆ Allows parents and family members to contribute where their strengths lie
- ◆ Committee chairs help recruit people they know (whether football parents or not) to their committee, which expands our reach within the community
