## Material Fact

### *Receipt of Amounts Related to the Debt Confidence Instruments entered into with Eletrobras*

Rio de Janeiro, December 7, 2018.

**Petrobras Distribuidora S.A. (B3: BRDT3)** informs, in accordance to the Material Fact disclosed on December 3, 2018, the receipt of amounts related to the Debt Confidence Instruments (*ICDs*, in Portuguese) entered into with Centrais Elétricas Brasileiras S.A.- Eletrobras and its controlled distributors of energy.

Eletrobras made an advance payment of R\$ 75 million on December 6, 2018 related to Centrais Elétricas de Rondônia (“Ceron”) debt. Up to now, the company has received the amount of approximately R\$ 1,140.5 million.

Additionally we inform that according to the Material Facts released on December 3, 2018 by Eletrobras and Energisa S/A (“Energisa”), the conditions set forth in auction notice n° 2/2018-PPI/PND and its appendices regarding the stock control transfer of Companhia de Eletricidade do Acre (“Eletroacre”) were fully satisfied and the transaction was concluded. Therefore, Energisa received the shares issued by Eletroacre representing 87.61% of its total capital.

Eletrobras assumes part of the debt with a more solid guarantee, consubstantiated in the assignment of credits from contracts with companies controlled by Eletrobras.

Regarding the part of the debt remaining in Eletroacre, Energisa should present fidejussory guarantees in lieu of those provided by Eletrobras. Eletroacre's debt on November 30, 2018 is R\$ 224.6 million; the debt balances for Eletrobras and Energisa amounts to R\$ 169.6 million and R\$ 55 million respectively.
