

# NOTICES OF RULE EFFECTIVE DATES

These Notices of Rule Effective Dates were published in the February 1, 2019, issue (Vol. 2019, No. 3) of the *Utah State Bulletin*.

State law provides for agencies to make their administrative rules effective and enforceable after publication in the *Utah State Bulletin*. In the case of **Proposed Rules** or **Changes in Proposed Rules** with a designated comment period, the law permits an agency to make a rule effective no fewer than seven calendar days after the close of the public comment period, nor more than 120 days after the publication date. In the case of **Changes in Proposed Rules** with no designated comment period, the law permits an agency to make a rule effective on any date including or after the thirtieth day after the rule's publication date, but not more than 120 days after the publication date. If an agency fails to file a **Notice of Effective Date** within 120 days from the publication of a **Proposed Rule** or a related **Change in Proposed Rule** the rule lapses.

Agencies have notified the Office of Administrative Rules that the rules listed below have been made effective.

**Notices of Effective Date** are governed by Subsection 63G-3-301(12), Section 63G-3-303, and Sections R15-4-5a and R15-4-5b.
