President's Message 2015

Welcome to the 160th edition of the Spencerville Agricultural Fair.

I'm pleased to be representing our Community Fair as your President, with 1 year under my belt, I'm looking forward to bringing you the best fair yet as we celebrate 160 years of our Past, Our Present and Our Future.

We do things a little differently than they did 160 years ago, but just like our past organizers, we plan to educate your children, bring you fascinating events and shows of all kinds, and an overall weekend experience like no other.

Again, I must reach out to thank the many dedicated volunteers and my Executive who work tirelessly all year long to bring you a Fair that is filled with experiences and special memories.

Our many sponsors and exhibitors also deserve much credit for our success, without them we could not provide the lineup of special events we have planned for you this year.

At the core of our Community Fair lie our deep agricultural roots that include the many local farmers, exhibitors and fair goers. Each year the Fair brings together people of all ages to Spencerville, one of the largest events in Leeds & Grenville. We are so fortunate to have family, friends and neighbors that join us, from near and far, many of whom have not seen each other since last year's Fair. The stories and memories made at the Spencerville Fair last a lifetime!

Please join us this year, you won't be disappointed!
Looking forward to seeing you there.

Your President, Randy Norton 2014-2016

A Message From the Fair Ambassador

During the past year I have been on one of the most exciting journeys I have ever ventured on while being the Fair Ambassador of Spencerville Fair. I have been able to take part in many activities and events I may never have otherwise. For me it was my first time being apart of the fair in such an up close and personal way. I have never had a chance before to go off and venture inside the buildings and take the time to see everything they have going on. I've only ever shown at the 4-H dairy and beef show before. This year gave me the chance to attend almost all of the amazing events our town takes time to create for us. I loved everything that was offered including some of the things like: the tea room, heavy horse hitch, western horse games, livestock shows, truck and tractor pull, the barn of learning, and of course everyone's crowd favorite, the demolition derby! Just to name a few.

As well, I was able to partake in other events such as the Grenville County Awards Banquet, the Drummond Haunted hayrides and the convention in Toronto. The Awards Banquet was a great way to get out in the community. The haunted hayrides were a really fun way to connect with everybody. The convention was a very big event for me as I was able to meet all of the other ambassadors that will be joining me at the CNE in Toronto. It was a great chance to connect with them and get to know everyone better. As well as learn about all of the aspects of agriculture and how it affects our towns and cities, as well as what it means to be an ambassador.

I thank everyone who has been along with me on my way through this journey; I couldn't have done it without them. Thanks to the agricultural society for being there with me at all my events and helping me on my way. For teaching me new things and helping to create some great memories.

Thank you everyone for everything!

The Spencerville Agricultural Society invites our friends and corporate neighbours to participate in the Spencerville Fair Sponsorship Network. The spectacular coming together of community service and fund-raised dollars will allow both economic growth and betterment of culture at large.
