LETTER FROM THE HEAD

Dear Wardlaw Family,

We had a wonderful 2022-2023 school year and our current school year is off to great start! Our school is fully staffed with wonderful teachers, our enrollment continues to grow, and there are many new updates to our instructional programs and school facilities. I would like to thank all of our families, alumni, community partners, and staff members who dedicate time and resources to Wardlaw Academy!

Over the last several years, our enrollment has grown by almost 50 percent with our 2023-2024 enrollment at one of the highest in school history. To continue to meet the needs of our growing enrollment and to maintain our commitment to small class sizes, we have committed, highly qualified teachers in all grades for lower school and subject areas for upper school including specialty areas such as Forensics, Genetics, Biblical Integration, Personal Finance, and Computer Science. We are also working with local colleges and universities to increase our dual enrollment options for students wishing to pursue college and technical career classes while in high school. As we begin the new school year, all students will start the year with current edition textbooks, new curriculum resources, and access to updated technology. We continue to make improvements to our school facilities through our lower school playground renovation, painting projects throughout the building and classrooms, and a new outdoor kitchen addition for our concession stand for sporting events. School safety continues to be a top priority with all exterior fencing installed, secure front entrance with metal security doors, and our safety officer, Officer Morris, returning as our School Safety Officer for the 2023-2024 school year.

While we strive to maintain the wonderful traditions of this great school and create an excellent academic and spiritual environment for today's students, it is a great time to be a Patriot! The future is bright and we are excited for all the many ways God will bless this special place as we provide a Christian education for students to be a light in our community now and in their future endeavors.

Go Patriots!

Jaime Creasy
Head of School

"Rejoice always, pray continually, give thanks in all circumstances; for this is God's will for you in Christ Jesus."
-Thessalonians 5:16-18

Wardlaw Family,

The 2022-2023 school year has ended so we should pause and reflect on our successes and learn from the opportunities that will always be part of our continuous improvement here at Wardlaw. If you look at our faculty, staff, facilities, and, most importantly, our students, you will see what hard work, determination, and the blessings from our Creator can accomplish. Please join me in congratulating everyone for a successful school year!

Our faculty and staff continue to excel in teaching and nurturing our students. While the focus of reading, writing, and arithmetic is maintained at a high level, the equal importance of the arts, sciences, physical education, health, history, life skills, and Biblical teaching is something you can be proud of.

Our facilities have been given needed upgrades related to safety, appearance, and functionality. If you haven't "walked the halls" lately, I encourage you to stop by and see the transformation that has occurred. This year's auction was the most successful we've ever had, and you will see some more facility improvements in the months ahead.

Most of you know that Mr. Joe Hulsey resigned as Head of School to be closer to family in Greenville. In his seven years at Wardlaw, our attendance has grown to levels not seen in decades, and many of the accomplishments I mentioned earlier were a direct consequence of Joe's leadership. Please join me in thanking Joe for his service and may God bless him and his family in their new direction.

Since God's plan is perfect and always on time, let me express my joy that Mrs. Jaime Creasy has transitioned as our new Head of School seamlessly. Mrs. Creasy has "hit the ground running" and is leading the charge to make Wardlaw Academy one of the best schools in SCISA.

Finally, pray for our graduates who are starting a new chapter in their lives and for our students to continue to be successful by putting God first. In Luke 12:31, Jesus says, "But seek the kingdom of God, and all these things shall be added to you." May God bless you and your family, and may God bless Francis Hugh Wardlaw Academy.

DON SMOAK

2022- 2023 Board Chairman

A YEAR IN REVIEW

2022-2023

WHAT'S HAPPENING AT WARDLAW

From academics to athletics, our Patriots have been busy this year. We have experienced growth and success in many ways. This year has also been an exciting year for family involvement, and we are so thankful for the support of our Patriot families and friends.

A YEAR IN REVIEW

2022-2023

OFF TO A GREAT START

Our summer camps were extremely successful and paved the way for a smooth start to the school year. The excitement could be seen throughout the halls as students decorated lockers, and greeted teachers and peers.

A YEAR IN REVIEW

2022-2023

INSTRUCTION & ATHLETICS

Students were engaged in rigorous learning environments that challenged them to reach their full potential. Our athletes showed dedication and determination on and off the field.

2022-2023

STUDENT SUCCESS

A new year brought a time of renewed focus and opportunities to celebrate how successful our students have been and how much they have grown. Academic goals were met from 3K all the way to our Senior class. Our athletes also celebrated successful fall seasons and anticipated great victories for our winter sports.

CLASS OF 2023 GRADUATION

Our Kindergarten and Senior classes have officially graduated. We are so incredibly proud of them all and cannot wait to see what God has in store for our seniors as they prepare for their next chapter in life. To the Senior Class of 2023, may you always remember you have a home at Wardlaw Academy!

WARDLAW ATHLETICS

Summary of the Seasons

The exams are graded, the lockers are cleaned and the tassels have turned. The 2022-2023 school year has come to an end and left with us precious memories to last a lifetime. Yes, the goal of Wardlaw Athletics is to hang banners, but the ultimate goal is to help mold young men and women into the leaders of the future. Through victories and defeats, practices that challenge athletes and at times push them further than they thought they could go, my hope is these students gain confidence. There is a saying, "When the going gets tough, the tough get going." Athletics at Wardlaw Academy allow this saying to be taught in real ways. However, our athletes learn so much more than what to do in hard times. They learn how to support those going through the hard times even when you aren't, how to celebrate success, even when it is not your own, how to pick each other up, how to overcome obstacles and how to set a goal, work to achieve it and if that goal isn't achieved, how to analyze the areas you need to improve on and start it all over by setting a new goal. All this while building everlasting friendships and memories to last a lifetime. So, Wardlaw Academy Athletics is so much more than playing a sport and winning games.

Our middle school teams are the foundation, the building blocks of our varsity programs. These are the programs that teach the fundamental skills that feed our varsity programs and allow us to remain competitive year after year. The middle school cheer squad had a great season and provided continual support to our middle school football team. Our middle school football coaches have done an outstanding job teaching discipline and commitment to players. Many of these boys have been in the weight room since January already building for the 2023 season. Our middle school volleyball team improved tremendously throughout the season with many of the players developing a solid overhand serve. Our middle school basketball teams continue to put in many hours developing our future varsity teams. The boys had an incredible season winning the region championship. The girls had a season that showed much improvement. Our middle school softball team had a record number of girls wanting to play. Our middle school baseball program continues to gain traction and develop the love of the game.

Many of our varsity teams were young this year, but that did not stop them from competing hard every time the whistle blew. Our football team earned a spot in the playoffs. Our volleyball team made it to the quarterfinals of state. Our sideline cheer squad brought incredible school spirit to our halls and to Friday nights. If you saw the varsity girls' basketball team's final game of the season you witnessed something special. They showed that Patriots NEVER give up. The varsity boys' team had a rebuilding year. Our baseball team made many fundamental improvements during the season and finished third in the region, earning a playoff spot. Our softball team had a lot of youth on the team but competed well.

So, as this chapter of the Wardlaw Academy Athletics ends, the next chapter has already begun. Summer practices have started, schedules have been made, new goals are being set. A great group of seniors has graduated and a new group of freshman has started their varsity journey, some new to Wardlaw and others who have dreamed of this day since K4. It is true, tradition never graduates. The traditions of excellence in Wardlaw Athletics are alive and well, ready for the next chapter to be written and for the incredible memories to be made.

WAYS TO GIVE

Embrace the Vision. Support your Passion. Advance Wardlaw Academy

ADVANCEMENT FUND

The primary focus of the Advancement Fund is to secure private gift income to improve and strengthen the quality of all school programs at Wardlaw Academy. ANNUAL GIVING by all who love Wardlaw Academy should become a lifelong habit, and the time to start is now! Developing the habit of annual giving is critical to the success of this program. It's not the amount of the contribution, it's the participation in the program that's important. NO GIFT IS TOO SMALL! Your gift is tax-deductible, and your gift may also be given anonymously. In addition to an annual contribution, you may also give memorials, honorariums, and/or Christmas remembrances. Other ways to contribute include stocks and bonds, estate planning, and an employer's matching funds program. Please make your check payable to: Wardlaw Advancement Fund You may send your contribution to:

Wardlaw Advancement Fund
1296 Columbia Road Johnston, SC 29832

WARDLAW ACADEMY SRP DEBIT CARD

You can support our school with the Wardlaw Academy Affinity Debit Card! With every purchase you make using the Wardlaw Academy Affinity Debit Card, money is donated to our school. Learn more about SRP's High School Affinity Debit Card Program at www.srpfcu.org/AffinityCards.
