

# A SENSORIAL JOURNEY WITH ORGASOL<sup>®</sup>

Embark on a journey where everything is made possible thanks to the power of Orgasol<sup>®</sup> powder!

Add a velvet touch, sebum absorption, optical blurring, matte finish, and long-lasting wear while reaching unexpected textures.

## SWEET MELLOW GUM

is an inspiring formulation which is both simple and original. Dense, rebounded and powdery, this primer ensures a skin perfecting blur effect.

Thanks to **ORGASOL<sup>®</sup> 4000 EXD NAT COS CARESSE**, it instantly smoothes fine lines and wrinkles, controls shine and evens skin tone while enhancing skin radiance. Its supple and mellow texture ensures an easy pick-up and surprises with its quick-sand effect. Fully transparent, **SWEET MELLOW GUM** leaves an incredible soft touch to the skin.

## SNOW EMULSION

It looks like fresh snow, with a fun crunchy feel under the fingers.

Put it on the skin and it releases a blissful dew. The wax is seemingly magically absorbed and leaves a sensation of freshness and lightness.

The quick break effect, fast absorption and the smooth powdery after feel are delivered by **ORGASOL<sup>®</sup> 4000 EXD NAT COS CARESSE**.

## AQUADR'EYE GOLD

Designed for the bold and authentic, natural and urban tribes, this innovative gel-to-powder eye shadow emphasizes your look with a divine gold.

**ORGASOL<sup>®</sup> GREEN TOUCH** powders are the key to a perfectly even coverage and intense color. Moreover, the powder enhances the bouncy and velvet touch and facilitates the spreading of the eye shadow. Its polyamide structure accounts for the efficient drying and long lasting effects.

## SUN ME UP

Glow and breathe! Sun Me Up has been designed as a super soft and transparent loose powder. It holds pleasantly and lightly onto the skin and resists wear but without causing dryness.

**ORGASOL<sup>®</sup> 4000 EXD NAT COS CARESSE** brings softness and unctuousity to the formulation.
