

Abelia grandiflora 'Francis Mason'
Glossy Abelia (Code: 4070)
 Bright golden-yellow-green foliage along red stems brings a sophisticated edge to the garden. Fragrant light pink flowers bloom late spring to fall. (5' x 5') Zn6.

Abelia grandiflora 'Kaleidoscope'
Abelia (Code: 6770)
 The variegated leaves emerge yellow with light green centers. White tubular flowers bloom in fall. A stunning addition to any garden. Plant in full sun for best foliage color. (2-3' x 3-4') Zn6. PP16988 Propagation Prohibited.

Abutilon pictum 'Thompsonii Yellow'
Variegated Abutilon (Code: 4658)
 Light yellow pendulous flowers bloom all season. Green foliage is marvelously variegated with yellow and cream. A showy plant that's excellent for containers. (24-36" x 18-24") Zn9.

Abutilon pictum 'Thompsonii'
Variegated Flowering Maple (Code: 6863)
 Brilliant gold and green-splashed leaves nicely offset salmon-hued flowers flushed with orange. This stunning container specimen is worth moving indoors during winter. (3-5' x 2-3') Zn9.

Acanthus 'Whitewater'
Variegated Bear's Breech (Code: 7318)
 Boldly-variegated leaves are splashed with white on this vigorous form. 4-5' tall flower spikes of pink and cream appear mid-summer. Heat and humidity tolerant (24-36" x 24-36") Zn6. PPAF,PVR Propagation Prohibited

Acanthus mollis
Bear's Breeches (Code: 2002)
 Dramatic architectural plant with large tropical-looking, deep green, glossy leaves. Stunning purple and white spikes make a striking display in August. It will tolerate nearly any kind of soil. (3-5' x 3-4') Zn6.

Acanthus spinosus
Bear's Breeches (Code: 6203)
 Striking mauve and gray-white flower spikes top showy deep green spiny leaves. An excellent accent plant. (4' x 2') Zn6.

Acorus gramineus 'Oborozuki'
Striped Sweet Flag (Code: 4326)
 Grassy evergreen leaves with bright yellow stripes glimmer in the landscape. A graceful choice for moist soil or water's edge. (12" x 12") Zn6.

Acorus gramineus 'Ogon'
Sweet Flag (Code: 4254)
 The tufting, golden, evergreen foliage makes a striking border or accent plant. It even tolerates standing water. A "Great Plant Pick" for the Pacific Northwest! (12" x 12") Zn6.

Aegopodium podagraria 'Variegatum'
Bishop's Weed (Code: 2040)
 This vigorous, carefree groundcover has attractive cream and green-variegated leaves. It looks best when grown in partial shade in moist soil, but it will tolerate almost any growing condition. (6-10" x 12") Zn3.

Agave 'Silver Surfer'
Century Plant (Code: 7277)
 Dramatic, rigid, silvery-blue succulent leaves grow into a 5' tall specimen plant! This architectural plant makes an exotic focal point in the garden or use in containers. (5' x 6-9') Zn8.

Agave gentryi 'Jaws'
Hardy Century Plant (Code: 7279)
 The name reflects the fantastic shape of the glossy evergreen leaves which are concave and heavily toothed. It forms a large clump that commands attention. (24" x 36-48") Zn7.

Agave montana 'Baccarat'
Mountain Agave (Code: 7282)
 This Agave features broad, blue-green evergreen leaves with beautiful silver markings on the back of the leaf, reminiscent of crystal etching. Perfect for desert rock gardens. (24-36" x 24-36") Zn7.

Agave ovatifolia 'Frosty Blue'
Agave (Code: 7627)
 One of the largest cold hardy Agaves, it can eventually grow up to 6 feet tall by 6 feet wide. The rounded rosette of short wide gray leaves are distinctively cupped with small teeth along their margins and a 1- inch long dark gray terminal spine. (6-8' x 4-6') Zn7.

Agave parryi
Parry's Agave (Code: 6301)
 Striking blue-green, sword-like succulent evergreen leaves have long spines. This classic desert garden plant is perfect as a dramatic focal point in the garden or as a container plant. (30-36" x 36-40") Zn7.

Agave parryi 'J.C. Raulston'
Parry's Agave (Code: 7285)
 This Agave forms symmetrical rosettes of blue-gray wedge-shaped evergreen leaves. Slow to form offsets, it is a good choice where space is small, or for use in containers. (24" x 24-36") Zn7.

Agave parryi ssp. huachucensis
Huachuca Agave (Code: 7284)
 This Agave forms very attractive rosettes of glaucous blue-gray, wedge-shaped evergreen leaves. Perfect for xeriscaping or for containers. (24" x 24") Zn7.

Agave parryi ssp. truncata
Silver Agave (Code: 7286)
 Blue-gray succulent leaves form a marvelous symmetrical rosette. Each rounded evergreen leaf terminates with a dark pointed spike. A classic and favorite among Agave collectors. (18" x 18") Zn7.

Agave schidigera 'Black Widow'
Agave (Code: 7288)
 Rigid, dark green succulent leaves have silver marking and edges with curly fibers. The compact symmetrical growth habit makes it useful in the rock garden or in containers. (12" x 18") Zn8.

Agave striata
Hedgehog Agave (Code: 6305)
 Symmetrical, spherical rosettes consist of hard curved, narrow leaves with a pronounced terminal spike. Makes an excellent container plant. (24-36" x 36-40") Zn10.

Agonis flexuosa 'Jervis Bay After Dark'
Peppermint Tree (Willow Myrtle) (Code: 4890)
 Brilliant scarlet colored, willow-like leaves appear in spring and darken to deep burgundy. Small fragrant white flowers with burgundy centers appear in clusters from spring into early summer. (18' x 10-12') Zn9. PPAF Propagation Prohibited.

Agropyron magellanicum
Blue Wheat Grass (Code: 3261)
 Clumping grass with striking metallic blue foliage. A great accent in perennial borders and containers. (12-18" x 12-18") Zn5.

Ajuga 'Chocolate Chip'
Bugleweed (Code: 4468)
 Bright blue flower spikes top miniature chocolate colored foliage in spring. This marvelously-dense, vigorous, spreading groundcover is excellent in containers or rock gardens. (3" x 18") Zn4.

Ajuga reptans 'Black Scallop'
Bugleweed (Code: 3940)
 Very attractive jet-black scalloped leaves are covered with deep violet-blue flower spikes in spring. The foliage color intensifies in cold and full sun. (3-6" x 30-36") Zn3. PP15815 Propagation Prohibited.

Ajuga reptans 'Blueberry Muffin'
Carpet Bugle (Code: 7393)
 Blueberry-blue blooms on 8" spikes shine above small-leaved foliage in spring. Faster and stronger growing than A. 'Chocolate Chip', this vigorous groundcover is weather resistant as well. (5-6" x 24-30") Zn4. PPAF,PVR Propagation Prohibited

Ajuga reptans 'Burgundy Glow'
Bugleweed (Code: 2032)
 In spring, blue flower spikes rise above a colorful low mat of burgundy-rose, white and green-variegated foliage. An eye-catching selection! (6" x 24") Zn6.

Ajuga reptans 'Catlin's Giant'
Bugleweed (Code: 5166)
 Unusual large-growing Ajuga with dramatic thick foliage and tall blue flower spikes. The leaves grow even larger with rich soil. It's stunning planted en masse, as border edging, or over bulbs. (9" x 36") Zn3.

Ajuga reptans 'Sparkler'
Bugleweed (Code: 7436)
 The dark green, shiny foliage is covered in creamy-white splashes that turn pink in winter. The most vigorous, variegated Ajuga, it's awesome as an accent in containers, or as a ground-cover. Lovely blue flowers appear late spring. (3-4" x 12-18") Zn6. PPAF

Alchemilla alpina
Alpine Lady's Mantle (Code: 2042)
 Tiny chartreuse flowers float above ground-hugging, glossy-green leaves. This is an excellent choice for the rockery or border edge. (6-8" x 8-12") Zn3.

Alchemilla mollis 'Auslese'
Lady's Mantle (Code: 2045)
 A restrained habit makes this cultivar more desirable than the species. It has the same lovely fuzzy gray-green leaves and chartreuse flowers. The leaves sparkle after a spring rain! (7-16" x 12-24") Zn3.

Angelica pachycarpa
Glossy-Leaved Angelica (Code: 7351)
 Glossy, deep green, compound leaves form a beautiful, rounded mound. Large flat umbels of creamy-white flowers appear in summer. Remove flowers before the seeds form, otherwise it may behave as a biennial. (3' x 3') Zn5.

Antirrhinum 'Bronze Dragon'
Snapdragon (Code: 4907)
 Bicolor flowers are purple and white, and bloom continuously in moderate temperatures. Vibrant dark bronze foliage is resistant to rust. (15-18" x 12") Zn9.

Arabis caucasica 'Variegata'
Rock Cress (Code: 5356)
 Striking emerald and cream, felted evergreen leaves are topped with pure white flowers in spring. The late season foliage is very attractive. A collector's plant. (8" x 24") Zn3.

Arctostaphylos uva-ursi 'Massachusetts'
Kinnikinnick, Bearberry (Code: 5674)
 This popular native evergreen groundcover is very cold and drought tolerant. Small pink flowers bloom in early spring and are followed by bright red berries in fall. (4" x 36-72") Zn3.

Arctostaphylos uva-ursi 'Vancouver Jade'
Kinnikinnick (Code: 6383)
 Small pink flowers in spring turn into scarlet-red fruit in summer and fall. This drought tolerant, glossy-leaved, evergreen groundcover is deservedly popular. (4" x 36-72") Zn3.

Arrhenatherum elatius bulbosum 'Variegatum'
Bulbous Oat Grass (Code: 2153)
 Short, bright white and green-striped foliage is topped by pure white seedheads in summer. It makes a nice spreading groundcover where temperatures are moderate. (12" x 24-36") Zn5.

Artemisia 'Huntington'
Wormwood (Code: 2157)
 Silvery gray, finely-cut foliage adorns this bushy plant. Excellent for either containers or flower beds and borders. An excellent perennial for areas with poor, dry soil. (30-42" x 30") Zn3.

Artemisia 'Powis Castle'
Wormwood (Code: 2159)
 Soft, sturdy, gray leaves form a mound of finely-divided foliage. A wonderful textural accent for the garden. It can also be used as small evergreen hedge. (24-36" x 24-36") Zn6.

Artemisia lactiflora 'Guizhou'
White Mugwort (Code: 5907)
 Dark green, nearly-black, foliage has a red-tinted reverse. Sprays of pearly-white flowers appear in early summer. (48" x 24-36") Zn3.

Artemisia ludoviciana 'Valerie Finnis'
Wormwood (Code: 2166)
 Broad, jagged silvery-white foliage provides a foil for bright or dark colored companion plants in the border. Native to the Pacific Northwest. (30" x 30") Zn5.

Artemisia pycnocephala 'David's Choice'
Wormwood (Code: 2167)
 Delicate silver foliage forms attractive soft mounds. This beautiful dwarf evergreen selection makes an excellent addition to the rock garden. (12" x 24-36") Zn7.

Artemisia schmidtiana 'Silver Mound'
Wormwood (Code: 2162)
 Attractive fern-like, silvery foliage has a dumping habit that is perfect as a rock garden plant or for edging. A great companion for geraniums or roses. (12-16" x 24") Zn3.

Arum italicum
Italian Arum (Code: 2136)
 Glossy-green, spear-shaped leaves are marbled with silver and appear in late winter. Flowers are not showy, but are followed by upright stalks of bright orange-red berries in summer. The foliage may go dormant in summer. (12" x 24-36") Zn7.

Asarum caudatum
Wild Ginger (Code: 5167)
 Northwest native perennial with evergreen heart-shaped leaves that slowly grow to form a groundcover. It grows best in moist, but well drained soils in open woodlands. (4-5" x 18-24") Zn4.

Aster lateriflorus (Symphyotrichum lateriflorum var. lateriflorum)'Prince'
Calico Aster (Code: 6384)
 Tiny, rosy-eyed white daisies top dense deep purple foliage. An absolutely stunning combination! A "Great Plant Pick" for the Pacific Northwest. (2' x 2') Zn4.

Astilbe 'Delft Lace'
False Spirea (Code: 7438)
 The foliage is a deep blue-green with a unique silver overlay. It flowers in midsummer with clusters of deep salmon pink buds that open to a soft warm pink. (24-36" x 18-24") Zn3. pp19839

Athyrium felix-femina 'Frizelliae'
Tatting Fern (Code: 7688)
 This distinctive fern has deep green fronds that resemble necklaces. Delicate looking, but adaptable as any lady fern. A "Great Plant Pick" for the Pacific Northwest! (12-18" x 12-18") Zn3.

Athyrium filix-femina x niponicum 'Branford Rambler'
Running Lady Fern (Code: 4963)
 This vigorous, spreading deciduous groundcover fern has purplish-red stems and short green fronds. Dependable and adaptable in shady locations, but never invasive. (18-24" x 24-36") Zn4.

Athyrium niponicum 'Pictum'
Japanese Painted Fern (Code: 6968)
 Silvery-gray, metallic-appearing fronds have garnet veins extending to the tips. Long-lived and reliable in moist, humus-rich soil. 2004 Perennial Plant Association Plant of the Year and a "Great Plant Pick" for the Pacific Northwest! (12-18" x 18-24") Zn3.

Aubrieta 'Dr. Mules Variegata'
Rock Cress (Code: 2107)
 This wonderful perennial has violet-purple flowers in spring that brightly contrast creeping cream and green-variegated foliage. (4" x 12") Zn4.

Aubrieta 'Red Flowering Variegated'
Rock Cress (Code: 2108)
 Variegated cream and green foliage has a trailing habit perfect for the rock garden or edge of the border. Red flowers appear in early spring. (4-8" x 10-16") Zn4.

Azara integrifolia 'Variegata'
Azara (Code: 4682)
 Evergreen leaves have white to pale pink edges. Yellow flowers appear in late winter or early spring, followed by black fruit. (14' x 10-12') Zn8.

Azara microphylla
Boxleaf Azara, Chinchin (Code: 6477)
 This small tree has dark, glossy evergreen foliage similar to boxwood. Tiny yellow flowers scented of white chocolate appear in late winter, followed by tiny blood-red fruit. It prefers well-drained soil. (15' x 6') Zn7.

Ballota acetabulosa 'All Hallow's Green'
Horehound (Code: 2257)
 This excellent drought resistant sub shrub is a great foliage accent! Quilted chartreuse leaves add wonderful texture to the garden. Tiny pale green flowers are not showy, appearing from mid to late summer. (16" x 24") Zn8.

Baumea rubiginosa
Golden Sword (Code: 6995)
 Fabulous foliage! Upright, leathery leaves are striped green and gold, making it an excellent vertical accent. Needs full to part sun and moisture. Excellent for containers and pond edges. (18" x 10") Zn7.

Bergenia 'Abendglocken'
Elephant Ears (Code: 5097)
 This clump form has large glossy, leathery evergreen foliage which turns a beautiful maroon color in fall and winter. Flower spikes are a rich magenta. (14" x 14") Zn3.

Bergenia 'Abendglut'

Elephant Ears (Code: 5629)

This improved form has lovely deep-magenta, semi-double bells lining upright red stems, March to May. The evergreen foliage adds substance to the border and turns maroon in winter. An excellent selection! (18" x 12") Zn3.

Bergenia 'Bressingham Ruby'

Elephant Ears (Code: 3648)

Best known for its ruby-red winter foliage, this Bergenia has deep rose-pink flowers in spring. It's useful as a groundcover or as an accent in containers. (14" x 12") Zn4. PP7344, COPF Propagation Prohibited.

Bergenia 'Glockenturm'

Elephant Ears (Code: 5098)

Sturdy evergreen leaves turn purple-maroon in winter. Deep magenta flowers appear in spring, then sporadically through summer & fall. A wonderful textural accent for the late season garden. (18" x 18") Zn3.

Bergenia 'Morgenrote'

Elephant Ear (Code: 5099)

Short racemes of deep carmine flowers top crinkled deep green leaves. This pretty rebloomer has very attractive burgundy fall and winter foliage. (18" x 12") Zn3.

Bergenia 'Pink Dragonfly'

Elephant Ear (Code: 4073)

This Bergenia forms a low clump of tidy narrow green leaves, that develop rich plum-red tones in the winter. Taller stems of bell-shaped pink flowers rise above the shiny foliage in mid spring. (12-15" x 15") Zn3.

Bergenia 'Ruby Elf'

Dwarf Elephant Ears (Code: 5901)

A lovely dwarf, compact plant with succulent green summer leaves that turn burgundy-red in winter. Pretty clusters of ruby-red bells display on 10" stems in spring. A great addition to the semi-shade border and wonderful for mixed containers. (12" x 12") Zn3.

Bergenia 'Silberlicht'

Elephant Ear (Code: 5100)

Delicate white flowers age to pink and appear above large medium-green foliage. This vigorous grower exhibits nice red-tinted fall and winter color and is great for mass planting. (18" x 24") Zn3.

Bergenia agavifolia

Elephant Ears (Code: 4820)

This unusual bergenia has round, olive green leaves, edged in burgundy. White blooms with pink calyxes appear in early spring. (12" x 12-16") Zn3.

Bergenia cordifolia 'Winterglut'

Elephant Ears (Code: 2390)

Showy magenta-red flowers bloom in spring and periodically in fall. Large, rounded evergreen foliage turns glowing burgundy in fall and winter and is excellent for mass planting. (12-15" x 18") Zn3.

Bergenia hybrida 'Baby Doll'

Elephant Ears (Code: 6006)

Delicate pink flowers age to a deeper pink in spring. The foliage is smaller than most varieties of bergenia, reaching a mere 10" tall. An excellent evergreen accent. (12-24" x 18-24") Zn3.

Bergenia purpurascens

Elephant Ears (Code: 2267)

Reddish-purple flowers in spring enhance deep-green leaves that have a reddish hue to their undersides. This easy to grow evergreen turns burgundy in winter and early spring. (15" x 24") Zn3.

Brugmansia 'Charles Grimaldi'

Angel's Trumpet (Code: 7550)

An exceptionally-vigorous cultivar named after the late landscape designer, Charles Grimaldi. Large, pendulous, orange-yellow flowers have strong recurved petals and are slightly fragrant. The bold tropical foliage is stunning! (8-10' x 6-8") Zn9.

Brugmansia x candida 'Miner's Claim'

Angel's Trumpet (Code: 3958)

Showy leaves are light green with creamy-white edges. Large creamy-pink, trumpet flowers hang from branches mid-to-late summer. From Keith Miner. (5-7' x 5-7") Zn9. PP15747 Propagation Prohibited.

Brugmansia x cubensis 'Snowbank'

Angel's Trumpet (Code: 4076)

The brightly variegated foliage has broad white margins and soft gray-green interiors. Fragrant peach-colored, trumpet-like flowers appear in summer. Vigorous and exotic! (5' x 5") Zn9. PP14817, EU16251 Propagation Prohibited.

Brunnera macrophylla
Siberian Bugloss (Code: 5101)
 Small azure-blue flowers (reminiscent of forget-me-nots) rise above attractive heart-shaped foliage. Able to tolerate full shade, it makes an excellent groundcover when planted en masse. (18" x 18") Zn3.

Brunnera macrophylla 'Hadspen Cream'
Siberian Bugloss (Code: 4617)
 Heart-shaped leaves have a somewhat fuzzy texture and narrow, irregular variegation. Sprays of blue forget-me-not flowers emerge in early spring. A sweet addition to the woodland garden or grow in light shade. (12" x 18") Zn3.

Brunnera macrophylla 'Jack Frost'
Siberian Bugloss (Code: 7389)
 The leaves have frosty-silver overlay and light green veining. Tiny clusters of pretty forget-me-not flowers appear in spring. A "Great Plant Pick" for the Pacific Northwest that is perfect for the woodland garden! (12-15" x 15") Zn3. PP13859 Propagation Prohibited.

Brunnera macrophylla 'Looking Glass'
Siberian Bugloss (Code: 3896)
 This sport of Brunnera 'Jack Frost' has even larger, more-silvery leaves. With a mounding habit, it really brightens shady areas. Blue forget-me-not flowers appear in spring. (18" x 15") Zn3. PP17829 Propagation Prohibited.

Brunnera macrophylla 'Variegata'
Siberian Bugloss (Code: 4294)
 Large heart-shaped leaves have bold white margins. Bright blue, forget-me-not flowers appear in early spring. This is a good deer-resistant alternative to Hosta! (12-18" x 18") Zn3.

Calamagrostis x acutiflora 'Avalanche'
Feather Reed Grass (Code: 5999)
 Medium-sized clumps showcase dramatically-stripped foliage. Airy, rose-tinged plumes take on warm golden hues later in the season. (3-5' x 3-5") Zn5.

Calamagrostis x acutiflora 'Overdam'
Feather Reed Grass (Code: 6007)
 Arching, green and white-stripped leaves are topped by upright bronze flower spikes that gradually fade to buff. The foliage takes on a green-to-red tinge in the fall. (3' x 2') Zn5.

Calamintha grandiflora 'Variegata'
Calamint (Code: 6390)
 Rose-pink flowers appear in midsummer on aromatic, speckled, variegated foliage. (15-18" x 18-24") Zn5.

Calluna vulgaris 'Lady in White'
Heather (Code: 7796)
 This small evergreen shrub has bushy, upright branches covered with white flowers from August until January. Flowering branches make a wonderful addition to garlands and wreaths. Prefers cool summers and moist, but well-drained acidic soil. (8-18" x 8-14") Zn5. PP20530

Campanula garganica 'Dickson's Gold'
Adriatic Bellflower (Code: 5937)
 Starry lavender-blue flowers top brilliant golden foliage. An eye-catching, compact charmer, it brightens partial shade even when not in flower. A "Great Plant Pick" for the Pacific Northwest! (4-6" x 6-12") Zn5.

Canna 'Australia'
Canna Lily (Code: 6938)
 Brilliant orange-red flowers appear in summer above large, smooth, satiny burgundy-red foliage. This Canna is wonderful for creating a flamboyant, tropical look by the sunny edge of a pond. It is also excellent as a container centerpiece! (3-5' x 2') Zn7.

Canna 'Bengal Tiger' (syn. 'Pretoria')
Canna Lily (Code: 6393)
 Flamboyant yellow and green-stripped foliage is topped by brilliant orange flowers, midsummer until frost. Plant in groups by the sunny edge of a pond for a bold, tropical effect! (6" x 12-24") Zn7.

Canna 'Intrigue'
Canna Lily (Code: 6234)
 Narrow, pointed, purple-gray foliage makes a stunning accent plant. 7' tall clumps produce small bright orange-red flowers in late summer. It provides that tropical touch wherever sun and moisture is plentiful. (5-7' x 3-4') Zn7.

Carex buchananii 'Viridis'
Leather Leaf Sedge (Code: 5655)
 This graceful, finely-textured, evergreen grass forms an upright clump of curly-topped light green leaves. It makes a striking accent for the perennial border or container. (18-24" x 18") Zn7.

Carex comans 'Milk Chocolate'
New Zealand Hairy Sedge (Code: 4236)
 Delicious milk chocolate-colored, evergreen grass with long thin blades that curve gracefully outward. Similar to C. 'Frosted Curls' but with a rich brownish-red hue. (12" x 12-24") Zn7.

Carex elata 'Bowie's Golden'
Golden Sedge (Code: 6285)
 This incandescent, golden grass makes a gorgeous foliage accent for the mixed border or pond perimeter. A "Great Plant Pick" for the Pacific Northwest! (24-36" x 24-36") Zn5.

Carex flacca
Blue Sedge (Code: 3734)
 Evergreen chalky-blue blades spread to form a groundcover that will tolerate shade. Blue flowers on blue stems appear in early summer. (15" x 15") Zn4.

Carex flacca 'Blue Zinger'
Carex (Code: 4239)
 Tufted bluish-gray, grassy foliage slowly spreads to form an evergreen groundcover. Very versatile and easy to grow. (10-18" x 12-16") Zn5.

Carex flagellifera
Weeping Brown Sedge (Code: 2281)
 This graceful and finely-textured grass has arching mounds of orange-bronze foliage. It makes a nice contrast with silver foliage and brightly colored flowers. (18" x 24") Zn7.

Carex flagellifera 'Kiwi'
Sedge (Code: 4941)
 A soft fountain-like evergreen with finely-textured pale green blades and yellow highlights. Perfect for containers and borders. Golden highlights appear in fall. (18" x 18") Zn7.

Carex morrowii 'Ice Dance'
Variegated Sedge (Code: 6653)
 Dark green leaves with white edges form arching mounds of evergreen foliage. It will spread to form a groundcover that's easy to control. A "Great Plant Pick" for the Pacific Northwest! (12" x 18") Zn5.

Carex morrowii 'Silver Sceptre'
Sedge (Code: 4752)
 Green leaves with silver-white edges form dense, creeping tufts. Pale and wispy flowers appear in late spring. An excellent evergreen groundcover among Hostas, ferns or bamboo. (18" x 42") Zn6.

Carex muskingumensis 'Ice Fountains'
Palm Leaf Sedge (Code: 6190)
 Slender blades have distinct white interiors. The white variegation gradually turns to pale green by midsummer. It spreads slowly to form a small colony in moist soils. (28" x 18") Zn3.

Carex muskingumensis 'Oehme'
Palm Leaf Sedge (Code: 4166)
 Abundant narrow green leaves in spring resemble a miniature palm tree. The narrow leaves have vivid yellow margins by summer. (24" x 24") Zn4.

Carex nigra 'Variegata'
Variiegated Sedge (Code: 6297)
 Light green blades to 12" are softly edged in yellow. This vigorous groundcover is good for partial shade. It will also tolerate drier soils. (12" x 18") Zn5.

Carex oshimensis 'Evergold'
Sedge (Code: 3890)
 This popular clump-forming sedge has light yellow blades with green edges. The evergreen foliage is a standout in the garden any time of year. (10-12" x 12") Zn5.

Carex phyllocephala 'Sparkler'
Sedge (Code: 4528)
 Whorls of boldly variegated green and white blades will literally stop traffic. Exciting and exotic, this tough garden jewel will add a bright spot to any landscape or mixed planter. (12-18" x 12-18") Zn7.

Carex testacea
Copper Hair Sedge (Code: 5540)
 Unusual, finely-textured bronzy blades turn nearly orange in sun and almost olive-green in shade. It forms a rounded mound of arching foliage that is excellent for rock gardens, massing, or container plantings. (16" x 12") Zn6.

Carex trifida 'Rekohu Sunrise'
Sedge (Code: 4527)
 Bold strap-like foliage has green centers elegantly edged in gold. This newcomer from New Zealand is sure to add a distinctive flair to mixed containers and patios, and competes well with other tropicals. (12-18" x 12-18") Zn7. PPAF Propagation Prohibited.

Carex tumulicola
Berkeley Sedge (Code: 6823)
 Very narrow bright green blades form evergreen clumps. Use as a groundcover under trees or in moist areas. It reseeds readily. Native to the Pacific Northwest. (12" x 18") Zn7.

Caryopteris incana 'Sunshine Blue'TM
Bluebeard (Code: 3262)
 Bright golden foliage is accented by stunning deep blue flowers, late summer through fall. A "Great Plant Pick" for the Pacific Northwest! (3' x 3') Zn6. PPAF Propagation Prohibited.

Caryopteris x clandonensis 'Summer Sorbet'[®]
Bluebeard (Code: 3960)
 Variegated shrub with blue-green leaves that have a distinct creamy-yellow edge. Bright blue flowers make a breathtaking contrast in late summer. (30-36" x 30-36") Zn5. PP15935 Propagation Prohibited.

Ceanothus griseus var. horizontalis 'Diamond Heights'
California Lilac (Code: 6833)
 Gorgeous lime-green foliage has dark pine-green detail down the spine of each leaf. Lovely bright blue flowers appear in spring. Great for mild coastal gardens, it prefers partial shade when grown in hot locations. (8-12" x 24-36") Zn8.

Ceanothus Tuxedo
California Lilac (Code: 7043)
 The dark bronze-purple foliage is a real breakthrough in breeding! This distinctive evergreen shrub has an open, upright habit that responds well to pruning. Lavender-blue flowers appear in abundance in late summer and fall. (6-8' x 6-8') Zn8. PPAF

Ceratostigma plumbaginoides
Plumbago (Code: 2370)
 Electric-blue flowers provide a dramatic contrast with the gamet- red autumn foliage. This wonderful groundcover is also a "Great Plant Pick" for the Pacific Northwest! It breaks dormancy late in the spring, but it's worth the wait. (8-12" x 24") Zn6.

Ceratostigma willmottianum 'My Love'
Plumbago (Code: 3735)
 Low-growing sub-shrub has stunning golden-yellow foliage that contrasts dramatically with deep cobalt-blue flowers, from late summer through fall. (18" x 18") Zn7. PP19269 Propagation Prohibited.

Chasmanthium latifolium 'River Mist'
Woodland Sea Oats (Code: 6648)
 The striking green and white variegated foliage makes this a great specimen plant. Late summer and early fall brings dangling oat-like spikelets that provide interest well into the winter as they dry out. (30-36" x 24-30") Zn5. PPAF Propagation Prohibited

Chionochloa rubra
Red Tussock Grass (Code: 4701)
 Wonderful strong red-copper foliage color. This grass is fine-textured with a graceful mounding form and makes a gorgeous accent plant. Native to New Zealand. (3-5' x 3-5') Zn8.

Choisya ternata 'Sundance'
Mexican Orange (Code: 6876)
 This striking foliage plant features brilliant golden-yellow leaves and citrus-scented white blossoms, late winter to early spring. Protect from cold winds. (4' x 4') Zn7.

Cimicifuga (Actaea) 'Black Negligee'
Bugbane (Code: 6624)
 Lacy black foliage makes a striking contrast to white bottlebrush flowers that appear in fall. Flowers carry an exotic fragrance of grape and jasmine. Grow in sun to promote dark foliage. (4-6' x 2-3') Zn5.

Coleus (Solenostemon) 'Alabama Sunset'
Coleus (Code: 4591)
 New foliage emerges apricot-orange then ages to warm salmon-red when grown in bright light. The leaf color will be more chartreuse in shade. Very popular! (15-24" x 18-24") Zn10.

Coleus (Solenostemon) 'Beckwith's Gem'
Coleus (Code: 4592)
 A dramatic heirloom Coleus with leaves that have a wide light yellow border which surrounds a center flame of red and dark purple. Leaf color will be greener in shade. (18-24" x 18-24") Zn10.

Coleus (Solenostemon) 'Blackberry Waffle'
Coleus (Code: 4593)
 Stunning dark purple-black scalloped leaves have a waffle-like texture. It combines well with other coleus. (18-24" x 18-24") Zn10.

Coleus (Solenostemon) 'Cantigny Royale'
Duckfoot Coleus (Code: 4601)
 This distinctive miniature duckfoot Coleus has dark burgundy leaves just 1/2" across. Very refined, it stays small and dense. (6-10" x 8-10") Zn10.

Coleus (Solenostemon) 'Chaotic Rose'
Coleus (Code: 4603)
 Leaves have hot fuchsia-pink centers surrounded with dark rose bands and green edges. It creates a dazzling focal point! (15-24" x 18-24") Zn10.

Coleus (Solenostemon) 'Dappled Apple'
Coleus (Code: 7460)
 Wide apple-green leaves are laced with yellow veins and splashed with yellow flecks. For best color, plant in bright shade. (18-24" x 18-24") Zn10.

Coleus (Solenostemon) 'Dark Chocolate'
Coleus (Code: 4946)
 Large, deep chocolate-purple leaves make an exotic addition to containers. It is particularly stunning in contrast with chartreuse foliage. (15-18" x 12-18") Zn10.

Coleus (Solenostemon) 'Fishnet Stockings'
Coleus (Code: 4530)
 Dramatic green leaves, distinctively overlaid with deep purple veins, make a stunning statement in the landscape or as an accent in the mixed planter. A winner! (12-18" x 12-18") Zn10.

Coleus (Solenostemon) 'Flamingo'
Coleus (Code: 4609)
 Beautiful, bright rose-pink leaves have a wide scalloped edge of deep purple surrounding a hot pink center. A very striking coleus! (15-18" x 18-24") Zn10.

Coleus (Solenostemon) 'Gnash Rambler'
Coleus (Code: 4532)
 Gorgeous deep purple leaves, edged with dark red ruffles, is sure to add drama to any garden setting or combo planter. This "rambling" spreader is super! (12-18" x 12-18") Zn10.

Coleus (Solenostemon) 'Henna'
Coleus (Code: 7583)
 The leaves have saw-like edges, are chartreuse to copper colored and have dark burgundy undersides. It needs little pinching and stays dense and uniform. (18-24" x 18-24") Zn10. PP19149

Coleus (Solenostemon) 'Kong Mosaic'
Coleus (Code: 4947)
 This Coleus features huge rounded leaves that are randomly splashed with purple, green and yellow. It makes a flamboyant, colorful container plant. (18-24" x 18-24") Zn10.

Coleus (Solenostemon) 'Mocha Mint'
Coleus (Code: 7582)
 Multi-colored duckfoot-type leaves are mottled with green, yellow and red flecks. For best color, plant in bright shade. (12-18" x 12-18") Zn10. PP20387

Coleus (Solenostemon) 'Oompah'
Coleus (Code: 4613)
 This Coleus has saber-shaped, scalloped leaves of salmon-pink and purple with a bronze-green edge. Striking! (15-24" x 18-24") Zn10.

Coleus (Solenostemon) 'Peter's Wonder'
Coleus (Code: 4614)
 This frilly Coleus has bright green leaves with creamy-yellow veins. The leaf edges are deep pink, and in bright light the leaves can develop a pink glow. Good for hanging baskets. (12-18" x 12-18") Zn10.

Coleus (Solenostemon) 'Ruby Jewels'
Duckfoot Coleus (Code: 4620)
 This small duckfoot Coleus has fingered leaves with ruby centers and green edges. With dense, spreading growth, it's very useful for containers and border edges. (12-15" x 12-16") Zn10.

Coleus (Solenostemon) 'Rustic Orange'
Coleus (Code: 4622)
 The leaves are a rich coppery-orange with salmon highlights and have a lighter yellow-gold, scalloped edge. Sun tolerant. (12-18" x 12-18") Zn10.

Coleus (Solenostemon) 'Sedona'
Coleus (Code: 7461)
 Named after the reddish rocks of Sedona, Arizona, the leaves of this Coleus are a rich coppery-orange with dark red spots later in the season. The richest colors occur when grown in sun. (18-24" x 18-24") Zn10.

Coleus (Solenostemon) 'Solar Sunrise'

Coleus (Code: 6948)

Leaves are splashed and veined with magenta, burgundy, gold and green and can reach up to 6" across. Sun tolerant, it is excellent for containers. Pinch back flowers to encourage a dense habit. (2-3' x 2') Zn10.

Coleus (Solenostemon) 'Songbird'

Coleus (Code: 4623)

The pointed leaves have magenta centers with frilly purple edges. It forms a dense rounded plant perfect for containers. (12-18" x 16-18") Zn10.

Coleus (Solenostemon) 'Tiny Red Toes'

Coleus (Code: 4624)

Delicate little spoon-shaped leaves have red centers and green edges. It forms a neat mound perfect for growing in containers. (6-10" x 6-12") Zn10.

Colocasia 'Jet Black Wonder'

Elephant Ear, Black Taro (Code: 5546)

Exotic, enormous heart-shaped leaves are dusky purplish-black. The perfect plant to create a tropical theme in water gardens. It also makes a stunning container just by itself. (3-5' x 3') Zn9.

Convolvulus cneorum

Silverbush (Code: 2423)

Glistening silver foliage forms a compact evergreen shrub displaying loads of 2" ivory flowers with yellow centers for many months. It performs best in gritty soils with sharp drainage. (18" x 18") Zn8.

Coprosma 'Middlemore'

Mirror Plant (Code: 7702)

A versatile evergreen shrub with small glossy green leaves. Excellent in containers where a dark green color is desired. Likes full sun, will tolerate light frost and coastal conditions. (3' x 3') Zn9.

Coprosma 'Pina Colada'

Mirror Plant (Code: 7703)

Glossy, golden leaves turn to shades of orange when nights cool down. This tender evergreen shrub is fast-growing and deer-resistant and does best in fertile, well-drained soil. Pina Colada's shiny, colorful foliage will brighten any container. (3' x 3') Zn9.

Coprosma 'Tequila Sunrise'

Mirror Plant (Code: 7704)

Brightly colored, jewel-like, glossy foliage emerges emerald green with a gold margin in spring, and gradually becomes marbled with brilliant orange and gold hues. In cool weather, the leaf color intensifies to brilliant orange and red jewel tones. Fantastic in containers! (3' x 3') Zn9. PP18392

Coprosma repens 'Evening Glow'

Mirror Plant (Code: 6643)

This very colorful upright-growing shrub has striking variegated foliage with irregular yellow patches. The glossy evergreen foliage turns bright orange-red in late summer-to-fall and remains so until new growth in spring. The flowers are inconspicuous. (4-5' x 3-4') Zn9.

Coprosma repens 'Pink Splendor'

Mirror Plant (Code: 6644)

This beautiful dense, mounding shrub has variegated leaves with green centers, surrounded by creamy peach-pink-to-yellow margins. The glossy evergreen leaves develop a rosy-pink glow in cooler temperatures. The flowers are inconspicuous. (6-8' x 4-5') Zn9.

Cordyline 'Renegade' ('Tana')

Dracaena Palm (Code: 4716)

Arching dark purple-to-nearly black foliage has a glossy finish. Small fragrant pale purple flowers on delicate stems appear in summer as an added bonus. (24-36" x 24-36") Zn8. PP18605 Propagation Prohibited.

Cordyline australis 'Cherry Sensation'

Torbay Palm (Code: 7725)

Cherry Sensation is known for its cherry pink leaves, which arch gracefully as the plant matures. It adds brilliant color to mixed patio planters and brightens up the garden scene with all year round. (38-48" x 24-36") Zn8. PPAF

Cordyline australis 'Red Sensation'

Dracaena Palm (Code: 3927)

Exotic bronze-red foliage is longer and more narrow than other Dracaenas. Excellent in containers or in the garden wherever a tropical look is desired. (2-6' x 2-3') Zn8.

Cordyline australis 'Red Star'

Dracaena Palm (Code: 6954)

Exotic rich ruby, strap-like leaves adorn this attractive palm-like structural plant. A wonderful plant for the mixed border, creates an exotic and tropical-looking focal point. (3-5' x 2') Zn8.

Cordyline australis 'Torbay Dazzler'
Dracaena Palm (Code: 4541)
 Splendid lance shaped leaves of the richest cream and green sprout up from a salmon-hued base. Terrific eye-catching specimen alone or in combination planters. (2-3' x 2') Zn8.

Coreopsis 'Cherry Lemonade'
Tickseed (Code: 7686)
 Bright, feathery golden foliage is topped by clear red flowers that bloom all summer! Grows easily as a low mound. Great accent in containers! (8-10" x 12-15") Zn9. PP18334 EU25408

Cornus sericea 'Hedgerow's Gold'
Redosier Dogwood (Code: 6858)
 Bright golden-yellow and green-variegated leaves contrast vividly against deep red stems. Eye-catching every season of the year. This Northwest native cultivar is a "Great Plant Pick" for the Pacific Northwest! (4-10' x 5') Zn4.

Corydalis 'Canary Feathers'
False Bleeding Heart (Code: 3966)
 The showiest and most vigorous corydalis to date! Soft blue-green, fern-like foliage is topped by large canary-yellow flowers in spring and summer. Unlike other corydalis, this sterile cultivar will not re-seed throughout the garden. (8-10" x 14") Zn6. PP18909 Propagation Prohibited.

Cotinus coggygria 'Golden Spirit'
Smoke Tree (Code: 2207)
 This large shrub has brilliant gold leaves when grown in full sun. Unusual lavender-pink flowers bloom in late spring and look like puffs of smoke by summer. In fall, the foliage turns vivid colors of glowing coral, orange & red. (6-10' x 6-8') Zn5. PP13082 Propagation Prohibited.

Cyclamen hederifolium
Hardy Cyclamen (Code: 7580)
 Delightful pink flowers with reflexed petals appear in fall. The low-growing, green leaves have silver markings in winter. In late spring and summer the plant goes dormant, but reappears in fall. Do not water in summer and plant so the corms are only 1/2" below the soil surface. (2-4" x 12-15") Zn5.

Cynara cardunculus
Cardoon (Code: 5108)
 Large silver-green, deeply-divided, spiny leaves are topped by 4-5" glowing blue-violet flowers in summer. Use as an unusual architectural plant specimen. A "Great Plant Pick" for the Pacific Northwest! (5' x 4') Zn7.

Dahlia 'Dark Angel'® Dracula
Dahlia (Code: 7881)
 Bright red blooms drip to a deep rose edge and then you are drawn to the dark center eye. Compact bronze-purple foliage with chocolate overtones completes the picture. Butterflies are drawn to this Dark Angel. (12-14" x 15-18") Zn9.

Dahlia 'Mystic Desire'
Dahlia (Code: 3840)
 Filigreed bronze foliage with vivid scarlet daisy-like summer flowers add bold color to the landscape or container. It does not need staking and it's easy to grow. (18-24" x 18-24") Zn9. PP18989 Propagation Prohibited.

Dahlia 'Mystic Illusion'
Dahlia (Code: 3839)
 Bright yellow daisies appear above filigreed bronze foliage in summer. It makes a bold color statement in the landscape or in containers. This compact form doesn't require staking and is easy to grow. (18-24" x 18-24") Zn9. PP18339 Propagation Prohibited.

Dahlia 'Mystic Spirit'
Dahlia (Code: 4721)
 Filigreed bronze foliage with soft apricot-peach, daisy-like flowers in summer add an exotic touch to the landscape or container. This compact form requires no staking and is easy to grow. (18-24" x 18-24") Zn9. PPAF Propagation Prohibited.

Dahlia 'Mystic'® Enchantment'
Dahlia (Code: 7831)
 Glossy mahogany-black foliage bursting with unique fire engine red blooms with an elegant dark central eye. Compact rounded form and is a butterfly magnet! (24-31" x 20-24") Zn9. PPAF Propagation Prohibited

Dahlia 'Mystic'® Haze'
Dahlia (Code: 7830)
 Glossy mahogany-black foliage bursting with apricot to orange blooms that have soft yellow halos with a dark central eye. Compact rounded form and is a butterfly magnet! (24-31" x 20-24") Zn9. PPAF Propagation Prohibited

Deschampsia caespitosa
Tufted Hair Grass (Code: 5161)
 Attractive arching green blades are topped with large, pendulous panicles which turn from green to yellow through the season. It grows best when temperatures are moderate. (2-4' x 3') Zn4.

Deschampsia caespitosa 'Fairy's Joke'
Tufted Hair Grass (Code: 6219)
 Arching slender green leaves sport tiny plantlets at the tips in place of seeds. The inflorescences are weighted down by the plantlets, and can root if contacting soil. (2-4' x 3') Zn4.

Deschampsia caespitosa 'Northern Lights'
Tufted Hair Grass (Code: 4214)
 Glowing green and white-striped leaves take on a pink blush in cool weather and when new. It has a nice clumping habit with airy flower panicles that appear in summer. (12" x 12") Zn4.

Deschampsia caespitosa 'Schottland'
Tufted Hair Grass (Code: 4212)
 Huge, light & airy flower panicles rise 3' above evergreen blades, providing an enjoyable display from early summer through winter. The evergreen foliage looks best when temperatures are moderate. (3' x 2-3') Zn4.

Deschampsia flexuosa 'Aurea' ('Tatra Gold')
Crinkled Hair Grass (Code: 5715)
 Finely-textured, arching, golden foliage tufts are topped by nodding purple-tinged panicles in June and July. Lovely specimen for the border or woodland garden. It performs best in rich soil and partial shade. (20" x 12") Zn4.

Dianthus 'Devon Cottage', Miss Pinky'
Pinks (Code: 7696)
 Large, double salmon-pink blooms are delightful as cut flowers. The plant has a compact habit with grass-like blue-green leaves and blooms continuously throughout the summer when deadheaded. Wonderful as a border plant, in rock gardens, or for edging walks. (10-14" x 12-16") Zn4. PPAF Propagation Prohibited

Dianthus 'Eastern Star'
Dianthus (Code: 4724)
 Perpetual flowering single, solid red flowers top dwarf blue-green grass-like evergreen foliage. Ideal for front of the border or mixed containers. (4-8" x 10") Zn4. PP14437 Propagation Prohibited.

Dianthus 'Fire Star'
Dianthus (Code: 4728)
 Perpetual flowering single, solid red flowers top blue-green grass-like evergreen foliage. The flowers rebloom dependably in fall. Ideal for front of the border or mixed containers. (4-8" x 8-10") Zn4. PP14895 Propagation Prohibited.

Dianthus 'Neon Star'
Pinks (Code: 4957)
 Hot neon-pink, single flowers bloom all season when spent flowers are removed. The compact habit is ideal for the front of the border. (7-12" x 12") Zn5. PP14549 Propagation Prohibited.

Dianthus 'Raspberry Swirl'
Dianthus (Code: 4958)
 Flowers look hand painted and bloom all season! White petals have a raspberry edge that fades to pink plus a raspberry central ring that fades at the center. (10-14" x 12-14") Zn5. PP14377 Propagation Prohibited.

Dianthus 'Shooting Star'
Dianthus (Code: 4729)
 Perpetual flowering single, soft purple flowers top blue-green grass-like evergreen foliage. Very floriferous spring bloom that is ideal for front of the border or in mixed containers. (4-8" x 8-10") Zn4. PP16431 Propagation Prohibited.

Dianthus amurensis 'Siberian Blues'
Dianthus (Code: 4956)
 Lavender-blue flowers arise in big clusters on tough, vigorous plants throughout the summer. The blue-green foliage is tolerant of heat and humidity, and stays neat and compact. (10-16" x 12-16") Zn3.

Dianthus deltoides 'Brilliance'
Maiden Pinks (Code: 2549)
 A profusion of charming, deep scarlet flowers with dark markings appear on wiry stems above a dense mat of foliage. A heavy bloomer! (10" x 18") Zn4.

Dianthus deltoides 'Flashing Light'
Maiden Pinks (Code: 2548)
 This Dianthus features ruby-red flowers on wiry stems that appear in summer above a low-growing mat of bronze-green foliage. (6-8" x 12") Zn4.

Dianthus Devon Cottag 'Blushing Maiden' ('Valda Judith')
Dianthus (Code: 6043)
 Double, blush-pink carnations, up to 2" across, bloom in spring and again in summer when cut back. The flowers have a spicy fragrance and make excellent cut flowers. The blue-green grass-like foliage stays neat and compact. (10-14" x 20") Zn5. PP13914 Propagation Prohibited.

Dianthus Devon Cottag 'Ruby's Tuesday' ('Valda Kitty')
Dianthus (Code: 6116)
 Double, ruby-red flowers are up to 2" across and have a spicy fragrance! Flowers bloom in spring above blue-green grass-like foliage and then again in summer if deadheaded. (10-14" x 20") Zn5. PP13872 Propagation Prohibited.

Dianthus Devon Cottag 'Fancy Knickers' ('Valda Isolde')
Dianthus (Code: 6087)
 Double white flowers with red flecks are up to 2" across and have a spicy fragrance! Flowers bloom in spring above blue-green grass-like foliage and then again in summer if deadheaded. (10-14" x 20") Zn5. PP13915 Propagation Prohibited.

Dianthus Devon Cottag 'Rosy Cheeks' ('Valda Louise')
Dianthus (Code: 6091)
 Double rosy-pink flowers are up to 2" across and have a spicy fragrance! Flowers bloom in spring above blue-green grass-like foliage and then again in summer if deadheaded. (10-14" x 20") Zn5. PP14045 Propagation Prohibited.

Dianthus gratianopolitanus 'Bath's Pink'
Cheddar Pink (Code: 5252)
 Soft pink, single, fringed flowers bloom profusely in spring. Tough, heat tolerant, gray-green, evergreen foliage is attractive even when not in flower. This is the best *Dianthus* for groundcover. (6-8" x 24-30") Zn3.

Dianthus gratianopolitanus 'Bewitched'
Cheddar Pinks (Code: 3371)
 The fragrant flowers have fringed petals that are light pink with a rose-pink halo and white center. The flowers bloom from spring through summer above neat powder-blue mounds of grassy evergreen foliage. (8-12" x 18") Zn3. PP13159 Propagation Prohibited.

Dianthus gratianopolitanus 'Firewitch' ('Feuerhexe')
Cheddar Pinks (Code: 6341)
 Fragrant, hot-pink flowers appear in June over grassy, blue-green foliage that forms a marvelous low cushion. Great choice for the rock garden. 2006 Perennial Plant Association Plant of the Year. (6-8" x 12") Zn3.

Dianthus gratianopolitanus 'Little Jock'
Cheddar Pink (Code: 2510)
 Charming, semi-double fringed pink flowers with a red eye appear in summer above dwarf, grassy mats. Highly recommended for rock gardens! (4-6" x 12-15") Zn3.

Dianthus gratianopolitanus 'Spotty'
Cheddar Pinks (Code: 2561)
 Sweetly-fragrant, crimson petals with distinctive white blotches grace each flower. Low grassy-green foliage makes a great front of the border accent. (5-6" x 12") Zn3.

Dianthus plumarius 'Essex Witch'
Cottage Pink (Code: 2504)
 Bright pink, double blooms grace this spicy-scented cottage pink. Ideal for the front of the border or the rock garden. (7-12" x 12") Zn5.

Dianthus x allwoodii 'Frosty Fire'
Maiden Pinks (Code: 2515)
 This long-flowering brilliant red variety features attractive, low-growing blue-green foliage. The blooms appear in late spring. (4-10" x 18") Zn3.

Dianthus x gratianopolitanus 'Horatio'
Cheddar Pink (Code: 2524)
 Bright pink, fragrant flowers cover this marvelous little cheddar pink in late spring. It creates an eye-catching splash of color in a sunny garden. (6-8" x 12") Zn3.

Diascia 'Katherine'
Twinspur (Code: 7015)
 Rosy-pink flowers adorn eye-catching olive-green leaves, narrowly edged with silver. Excellent for hanging baskets or containers. (6-10" x 12-16") Zn7.

Dichondra argentea 'Silver Falls'
Kidneyweed (Code: 4959)
 This low-growing, spreading plant is very heat and drought tolerant with silver, heart-shaped leaves. It can be used as a groundcover or in a hanging basket. (2-4" x 48") Zn9.

Disporopsis pernyi 'Bill Baker Form'
Evergreen Solomon's Seal (Code: 7104)
 A collector's plant for the woodland shade garden, it has fragrant white flowers that dangle from arching stems below glossy green leaves. Blue-black berries appear later in the season. (12-18" x 12") Zn6.

Dorycnium hirsutum
Hairy Canary Clover (Code: 5178)
 Pink-tinged white flowers adorn this fuzzy silver-leaf sub-shrub in late summer and fall. The flowers are followed by reddish fruit pods. It needs a sunny, well-drained site. (12-20" x 18-24") Zn8.

Dryopteris erythrosora
Autumn Fern (Code: 5341)
 New growth is orange-bronze to copper and gradually fades to deep green by summer. The evergreen fronds remain erect in winter. A "Great Plant Pick" for the Pacific Northwest! (36" x 18") Zn5.

Epimedium 'Purple Pixie'
Bishop's Hat (Code: 7660)
 The flowers have vivid, violet-purple sepals with protruding pure white spurs. The foliage is tight and dense with handsome rhubarb-red markings in spring. This is a compact, yet vigorous, clump-forming Epimedium that looks best when planted in groups. (9-12" x 15-24") Zn5. PP13966

Epimedium pubigerum
Bishop's Hat (Code: 7486)
 This drought-tolerant species forms compact mounds of green foliage that remains through most of the winter. Red-tinted buds open to coral-blushed cream flowers in spring. An excellent groundcover under trees. (10-18" x 18") Zn5.

Epimedium x perralchicum 'Frohneiten'
Bishop's Hat (Code: 5955)
 Red mottled foliage is topped by sprays of dainty butter-yellow flowers in spring and spreads 6-8" a year. A charming evergreen addition to the woodland garden. A "Great Plant Pick" for the Pacific Northwest! (12" x 16") Zn5.

Epimedium x versicolor 'Cupreum'
Barrenwort (Code: 7689)
 Dainty copper-red flowers top brownish-red foliage in spring. The foliage ages to mid-green by late spring. Tolerates dry shade. (7-12" x 12-15") Zn5.

Epimedium x versicolor 'Sulphureum'
Bishop's Hat (Code: 5169)
 Bright green, semi-evergreen, heart-shaped leaves are speckled red and brown. Airy scapes of soft yellow flowers appear in spring. Tolerant of dry, shaded locations, it's an excellent choice under trees. (4-12" x 12-24") Zn5.

Epimedium x youngianum 'Niveum'
Bishop's Hat (Code: 6671)
 Clusters of pure white 3/4" flowers top copper-hued new leaves May to June. The compact habit makes it an excellent deciduous groundcover under trees when planted in groups. Good fall color. (6-10" x 18") Zn5.

Eragrostis chloromelas
Boer lovegrass (Code: 7558)
 This is a densely tufted, clump-forming, warm season grass with narrow powder-blue foliage. The 3 foot tall flowers stalks rise in late spring or early summer, opening into a buff colored haze of flowers that lasts into fall and winter. (24-36" x 24-30") Zn7.

Erodium chrysanthum
Heron's Bill (Code: 2629)
 Diminutive plant with a long display of light primrose-yellow flowers above fern-like, fuzzy, gray-green foliage. Grows best in full sun and gravely, well-drained soil. Drought tolerant. (5" x 12") Zn5.

Eryngium amethystinum 'Sapphire Blue'
Sea Holly (Code: 5889)
 Marvelous steely-blue flowers are larger and more colorful than other varieties. Performs best in sunny locations and tolerates most soil types. (28" x 18") Zn5. PP11088, COPF Propagation Prohibited.

Erysimum 'Fragrant Star'
Wallflower (Code: 7614)
 Sweetly scented yellow blooms are complemented with leaves that have creamy-yellow margins. Being sterile, flowering may continue to October! Chocolate-purple flower buds make a dramatic contrast to the flowers and foliage. (18-24" x 18-24") Zn7. PPAF

Eucomis comosa 'Oakhurst'
Purple Pineapple Lily (Code: 5928)
 Brilliant burgundy tropical leaves and purple pineapple-like flowers make this an outstanding garden perennial. Good for cut flowers and has an attractive persistent seedhead. (32" x 20") Zn7.

Eucomis comosa 'Sparkling Burgundy'
Purple Pineapple Lily (Code: 4302)
 An unusual perennial with strappy burgundy foliage. In late summer a miniature purple pineapple-shaped blossom emerges. A "Great Plant Pick" for the Pacific Northwest! (24-30" x 24") Zn6.

Eupatorium rugosum 'Chocolate'
White Snakeroot (Code: 6167)
 Cocoa-brown leaves are topped by clusters of white flowers late July to September. A unique and exciting addition to the back of the border. A "Great Plant Pick" for the Pacific Northwest! (2-4' x 3') Zn4.

Euphorbia 'Copton Ash'
 (Code: 6674)
 This striking herbaceous shrub-like plant has light ash-green linear foliage all year. Chartreuse flowers appear in spring. It prefers sunny, well-drained sites. (18-24" x 24-30") Zn7.

Euphorbia 'First Blush'
Spurge (Code: 3847)
 New growth appears with a rose-pink flush in cool conditions. Later, the foliage matures to pale green with white margins. Bright yellow flowers appear in spring. (12" x 12-18") Zn4. PP15292 Propagation Prohibited.

Euphorbia 'Jade Dragon'
Spurge (Code: 7442)
 Bold olive green, mounding foliage is topped by glowing golden-yellow flowers. Blooms early spring through summer. Very striking! (3-4' x 3-4') Zn7.

Euphorbia 'Silver Swan'
Spurge (Code: 3801)
 Striking gray-green & silver-white variegated foliage creates a tight mound. Flower spikes open to display green & white-variegated blooms in spring. The leaves are outstanding when contrasted with dark foliage plants. (24-36" x 24-36") Zn7. PPAF Propagation Prohibited.

Euphorbia 'Tasmanian Tiger'
Spurge (Code: 6148)
 Brightly-variegated blue-green leaves have creamy-white margins. Large creamy-golden flowers top the striking foliage in summer. It's ideal as a rockery specimen. (24-30" x 24-30") Zn7. PP15715 Propagation Prohibited.

Euphorbia characias 'Bruce's Dwarf'
Spurge (Code: 4883)
 Dwarf form with gray-green foliage that forms an evergreen herbaceous shrub. Chartreuse flower bracts appear in spring and last through mid-summer. (24-30" x 24-36") Zn6.

Euphorbia characias 'Portuguese Velvet'
Spurge (Code: 6970)
 Compact and gorgeous! Striking velvety leaves change from burgundy to deep blue-green and jade. Large chartreuse flower bracts have maroon centers. (18-24" x 24") Zn6.

Euphorbia cyparissias 'Fen's Ruby'
Cypress Spurge (Code: 3268)
 Very finely-textured leaves emerge ruby-red and fade to bluish-green. The leaves are topped in summer by heads of chartreuse flowers. It naturalizes to form a groundcover. (8-12" x 18-24") Zn5.

Euphorbia nicania x niceaensis 'Blue Haze'
Spurge (Code: 3765)
 Powder-blue foliage on red stems contrast nicely with yellow-chartreuse flowers. A compact grower ideal for containers and garden beds. Requires good drainage. (12-18" x 18-24") Zn7. PP14868 Propagation Prohibited.

Euphorbia sikkimensis
Spurge (Code: 6729)
 Ruby-red rosettes of foliage turn green with age, topped by yellow-green flowers in midsummer. The leaves have white midribs. Although it spreads by runners, it is easily controlled. (3' x 3-4') Zn6.

Euphorbia x martinii 'Blackbird'
Spurge (Code: 3301)
 Deep burgundy-purple foliage with dark compact stems provides year-round color. Yellow-chartreuse flower bracts appear in late spring. (18-24" x 24-30") Zn6. PP17178 Propagation Prohibited.

Euphorbia x martinii 'Red Martin'
Spurge (Code: 3310)
 This sport of Euphorbia x martinii has a deeper burgundy-red cast to stems and leaves. Chartreuse flower-like bracts have red centers. A pleasing, rounded growth habit makes this form a great addition to any garden. (18-24" x 24-30") Zn6.

Euphorbia x martinii 'Redwing'
Spurge (Code: 4880)
 Deep red buds open to bright golden flowers. Long bronzy foliage forms a tight, compact mound. It requires good drainage. (18-24" x 24-30") Zn6.

Euphorbia x martinii 'Rudolph'
Spurge (Code: 4203)
 Vivid red bracts bring to mind Rudolph's famous nose, making it a marvelous addition to the winter garden. Yellow-green flowers with red centers appear in spring. (24-30" x 24-30") Zn6. PP17257 Propagation Prohibited.

Fatsihedera lizei 'Aureo Maculata'
Tree Ivy, Bush Ivy (Code: 6019)
 A variegated cross between Fatsia japonica and Hedera helix. This evergreen shrub/vine has large leaves splashed freely with gold. Excellent for brightening deep shade, but it can also take sun. It can be staked or pruned as desired. (6-8' x 6') Zn7.

Festuca 'Silver Heron'
Blue Fescue (Code: 2173)
 This unique fescue exhibits a marvelous multi-hued effect. Most of the narrow, needle-like blades are a lovely sea-blue, others are green. Rounded tufts bloom with pale beige spikes in summer. (8-10" x 12") Zn4.

Festuca californica
California Fescue (Code: 7420)
 Finely-textured grayish blue-green blades form a soft evergreen mound. Drooping, violet-tinged flower stems are held above the foliage from late spring to early summer. It's wonderful as a groundcover or edging plant. (12-18" x 12-16") Zn7.

Festuca glauca 'Boulder Blue'
Blue Fescue (Code: 4678)
 This wonderful small mounding fescue has a deep, frosty-blue hue. Golden inflorescences bloom in spring, then fade to a wheat color that lasts through fall. (8-10" x 12") Zn4.

Festuca glauca 'Elijah Blue'
Blue Fescue (Code: 5990)
 Compact, soft powder-blue mound of finely-textured leaves is followed by narrow, wheat-colored plumes. Great as edging or in the front of the border, it is also good for the rockery. (8-12" x 8-12") Zn4.

Festuca idahoensis 'Siskiyou Blue'
Fescue (Code: 4662)
 This elegant grass has frosty blue-green, finely-textured foliage all year. Clump forming, it stands up to heat and drought. Tall flowering plumes appear in late spring. (12-18" x 12") Zn5.

Festuca idahoensis 'Stanislaus River'
Fescue (Code: 4651)
 This evergreen grass is more compact than the species, with blue-green foliage. Tan flowerheads appear from late spring through early summer. (12" x 12-16") Zn5.

Foeniculum vulgare 'Smokey'
Bronze Fennel (Code: 6519)
 Dark bronzy-purple clouds of delicate foliage is topped by large flower umbels. Foliage, seeds and stems have a wide variety of culinary appeal. Attracts butterflies too! (5' x 3') Zn5.

Fuchsia 'Golden Gate'
Ladies' Eardrops (Code: 4969)
 Golden foliage brightly contrasts the red stems and red flowers that bloom all season. A hummingbird favorite! (24" x 24") Zn7.

Fuchsia 'Wessex Belle'
Ladies' Eardrops (Code: 4184)
 Light green and yellow-variegated leaves have large pendulous flowers with pink sepals and white corollas. Showy even when not in flower! (18-30" x 24-30") Zn8.

Fuchsia austromontana 'Autumnale'
Lady's Eardrops (Code: 6788)
 Leaves start out green and coppery-orange, then age to a vibrant dark red, coral-pink, and gold. The leaves are a different color every month! Flowers have scarlet sepals and the corollas are purple-red. (12-18" x 12-18") Zn9.

Fuchsia magellanica 'Aurea'
Ladies' Eardrops (Code: 2673)
 Bright golden leaves are decorated with small, pendulous flowers of red sepals and purple corollas. Blooms early summer until hard frost and attracts droves of hummingbirds. (4-5' x 3-4') Zn7.

Fuchsia magellanica macrostema
Tricolored Ladies' Eardrops (Code: 2664)
 This hardy cultivar has tricolored leaves of salmon, sea-green and cream. Adorned in small flowers with red sepals and purple corollas, this great hummingbird magnet blooms summer to frost. (24-26" x 24") Zn7.

Fuchsia magellanica var. molinae
Maiden's Blush Ladies' Eardrops (Code: 6169)
 Perennial shrub with fresh green leaves and hundreds of small, pale lavender, pendulous flowers that bloom from July to September. It sprouts from the roots after a cold winter. (4-5' x 4') Zn7.

Fuchsia microphylla 'Variegated Lottie Hobby'
Ladies' Eardrops (Code: 5560)
 Tiny brightly-variegated green and white leaves and small narrow crimson flowers make this dwarf Fuchsia a knockout! Provide a protected site where this diminutive beauty won't be overlooked. (12-24" x 18") Zn8.

Fuchsia x speciosa
Speciosa Ladies' Eardrops (Code: 4116)
 A rare Fuchsia grown more for its foliage than flowers. The leaves are large, soft and appear like downy fluff. Narrow, pretty drips of rosy-pink flowers appear in summer. (12-14" x 12-16") Zn7.

Gaultheria procumbens
Wintergreen (Code: 2690)
 Elegant, North American native, evergreen groundcover for moist, well-drained, shaded areas. Tiny white bell-shaped flowers in spring produce red berries in fall with the taste of wintergreen. (2-3" x 24") Zn3.

Geranium 'Ann Folkard'
Hardy Geranium (Code: 5521)
 Brilliant magenta flowers with dark eyes contrast nicely with gold-chartreuse foliage. It has an excellent weaving growth habit and a very long bloom period. A "Great Plant Pick" for the Pacific Northwest. (7-24" x 27-35") Zn5.

Geranium macrorrhizum 'Variegatum'
Bigroot Geranium (Code: 4329)
 Beautiful dusty gray-green, aromatic leaves are boldly splashed with cream, pale yellow and magenta. Vivid deep rose flowers are set off beautifully against foliage colors. Choice! 2009 "Great Plant Pick" for the Pacific Northwest! (12" x 18") Zn4.

Geranium maculatum 'Elizabeth Ann'
Spotted Cranesbill (Code: 3040)
 Fabulous dark chocolate-maroon, glossy leaves are topped by lilac flowers in late spring. Adaptable to almost any situation. (24" x 24") Zn4. PP11252 Propagation Prohibited.

Geranium phaeum 'Samobar'
Mourning Widow (Code: 6837)
 The striking foliage has a strong chocolate-brown-to-burgundy markings on each leaf. Clusters of dusky purple flowers rise above the leaves in midsummer. (24" x 24") Zn5.

Geranium renardii
Hardy Geranium (Code: 2712)
 Large white blooms with deep purple veining contrasts nicely with scalloped, gray-green, felted foliage. An attractive addition to any alpine or rock garden. (10" x 15") Zn5.

Geranium renardii 'Tschelda'
Hardy Geranium (Code: 3434)
 Velvety gray-green, lobed leaves set off lilac-blue flowers with purple veins. It grows in a low compact mound that provides textural interest along pathways, the front of the border or containers. (10" x 15") Zn4.

Geranium x oxonianum 'Tanya Rendall'
Cranesbill (Code: 4972)
 A profusion of small bright pink flowers bloom from May to October above shiny chocolate colored foliage! This low growing, hardy, reliable and adaptable perennial is sure to be popular. (6-12" x 12-18") Zn5. PP17950 Propagation Prohibited.

Geum coccineum 'Eos'
Avens (Code: 4977)
 Fiery orange-red flowers bloom above unique, large golden foliage. It has a spreading habit and commands attention even when not in bloom. (14" x 12-18") Zn5. Propagation prohibited.

Hakonechloa macroa
Japanese Forest Grass (Code: 4327)
 Delicate bamboo-like foliage graces this slow-spreading, non-invasive grass. The foliage takes on a reddish-pink cast in fall, turning to bronze in winter. A "Great Plant Pick" for the Pacific Northwest! (12-24" x 16") Zn5.

Hakonechloa macroa 'Albostriata'
Japanese Forest Grass (Code: 4540)
 Creamy-yellow striped blades in spring fade to white in late summer. It forms a nicely-rounded mound. This vigorous grower is a "Great Plant Pick" for the Pacific Northwest! (18" x 30") Zn5.

Hakonechloa macra 'All Gold'
Japanese Forest Grass (Code: 5220)
 Beautiful lime-green and bright gold blades form a delicate soft mound. A stunning grass that moves in the slightest breeze. It grows best in moderately moist soil and full sun. A "Great Plant Pick" for the Pacific Northwest! (10" x 24") Zn6.

Hakonechloa macra 'Aureola'
Japanese Forest Grass (Code: 6824)
 Bold creamy-yellow leaves are striped with green. A charming grass for containers and excellent cascading over rocks, or next to paths. 2009 Perennial Plant Association Plant of the Year. A "Great Plant Pick" for the Pacific Northwest! (18" x 24") Zn5.

Hakonechloa macra 'Beni Kaze'
Japanese Forest Grass (Code: 6838)
 Arching, graceful foliage is green throughout the summer but turns varying shades of red in fall when the weather cools. A beautiful, easy-care ornamental grass for sun or shade. (12-18" x 12-18") Zn5.

Hakonechloa macra 'Naomi'
Japanese Forest Grass (Code: 4552)
 The graceful windswept foliage is creamy-yellow and soft green most of the season. Later in fall, the foliage color changes to red and creamy-pink for an incredible display. Great for containers, or in the garden as an accent or edger. (18-24" x 18-24") Zn5. PP19897 Propagation Prohibited.

Hakonechloa macra 'Nicolas'
Japanese Forest Grass (Code: 4553)
 Awesome foliage in shades of green, gold and orange is sure to add a rich warm quality to the garden. Mass together to fill an awkward corner, or use as a vertical accent in mixed containers. (18-24" x 18-24") Zn5. PP19898 Propagation Prohibited.

Hebe 'Alicia Amherst'
Hebe (Code: 4109)
 Violet flowers top evergreen leaves that turn bronze-purple in winter. The nice rounded form is excellent for containers. Protect it from freezing winds. (36" x 32-36") Zn8.

Hebe 'Amy'
Hebe (Code: 2754)
 Rich violet flowers top glossy, evergreen leaves that turn burgundy in winter - a stunning color combination! It maintains a nice, rounded form that is excellent for containers. (3' x 3') Zn8.

Hebe 'Autumn Glory'
Hebe (Code: 2755)
 Dark evergreen foliage has red-tinted margins topped by deep purple flower spikes in May and again in September. (2' x 2') Zn8.

Hebe 'Emerald Gem'
Hebe (Code: 4615)
 Compact, tight-mounding shrub with miniature green foliage. Excellent in rock gardens, containers, or mixed in front of the border. (2' x 2') Zn7.

Hebe 'La Favourite'
Hebe (Code: 4597)
 This lovely evergreen shrub has an upright habit with large rounded, dark green foliage. Clear purple flowers appear in summer and fall. (3' x 3') Zn8.

Hebe 'Mrs. Winder'
Hebe (Code: 6747)
 Dark evergreen foliage is accented by bright, violet-blue flowers in late summer. The leaves often turn pinkish or bronze in cold weather. Protect it from freezing winds. (3' x 2') Zn8.

Hebe 'Purple Shamrock'
Hebe (Code: 4265)
 Narrow variegated foliage is lime-green overlaid with purple on beautiful purple stems. The leaves flush with purple in winter. Short purple flower spikes accent the foliage in summer. (2' x 2') Zn8.

Hebe 'Red Edge'
Hebe (Code: 6903)
 Pretty lilac-to-white flowers cover this small evergreen shrub from midsummer on. Tiny blue-green leaves are edged with rosy-red borders that deepen in color during winter. One of the hardiest Hebes, it makes a wonderful container accent. (18" x 24") Zn7.

Hebe 'Silver Dollar'
Hebe (Code: 3752)
 Small evergreen shrublet with blue-green foliage edged in creamy-white with a faint violet-pink margin. The pink coloring intensifies in cold weather. Pale mauve flowers appear in summer. (18" x 24") Zn7.

Hebe 'Turkish Delight'

Hebe (Code: 4654)

This evergreen shrub features deep bronze-maroon foliage that holds its color even in summer when the mauve flowers appear. It has proven to have excellent disease resistance. (30-36" x 30-36") Zn8. PP17664 Propagation Prohibited.

Hebe 'Walter Buccleugh'

Hebe (Code: 4515)

This low-growing evergreen shrublet is perfect for rock gardens. The spear-shaped leaves are gray-green with red edges and flower spikes of red-purple appear in early summer. (12-18" x 18") Zn7.

Hebe 'Western Hills'

Hebe (Code: 4599)

This upright shrub has small blue-green, evergreen leaves with white flowers that appear in June. It's very hardy and tolerates coastal conditions well. (3' x 3') Zn7.

Hebe albicans prostrata

Hebe (Code: 4187)

Low-growing, spreading form of *Hebe albicans*. Forms a multi-branched, bushy shrub that's evergreen and twice as wide as tall. Reddish buds become spikes of white flowers in June and July. (8-10" x 16-24") Zn7.

Hebe anomala 'Purpurea Nana'

Hebe (Code: 7549)

Glossy dark green leaves contrasts marvelously with dark purple stems. The small evergreen leaves turn purple in winter and the branch tips are in bronze-purple hues. Upright form. (3' x 2') Zn7.

Hebe anomala 'Purpurea'

Hebe (Code: 4313)

Hardy, upright shrub with small glossy, dark evergreen leaves and purple-hued tips. Excellent border shrub which performs best in full sun. (2-3' x 2-3') Zn7.

Hebe cupressoides 'Boughton Dome'

Hebe (Code: 5736)

A dense, rounded, dwarf evergreen shrub of unusually good form and deep green color. Although it doesn't flower, it makes an excellent foliage plant. This is one of the hardiest Hebes! (18-24" x 12-24") Zn7.

Hebe speciosa 'Variegata'

Hebe (Code: 2776)

This flamboyant evergreen shrub has light green leaves with broad creamy margins. Bright magenta flowers fade to lavender, and appear from June to August. It is often used as a seasonal focal point in containers. (30" x 24") Zn8.

Hebe x 'Champion'

Hebe (Code: 7042)

Bred from H. 'Autumn Glory', this cultivar features improved hardiness and disease resistance! Violet-blue flowers bloom in summer and in fall. Small, glossy dark evergreen foliage appears on purple stems. (15-20" x 16-24") Zn7. PP14866 Propagation Prohibited.

Hebe x franciscana 'Pinocchio'

Hebe (Code: 4199)

Evergreen leaves have two shades of variegation making it the showiest *Hebe* available! Long pink flower spikes appear late summer and continue into fall. (2-3' x 3') Zn8.

Hebe x pimeloides 'Clear Skies'

Hebe (Code: 4772)

Beautiful triangular blue leaves on dark stems grace this hybrid from Graham Hutchins of County Park Nursery in England. Blue flowers appear in summer. A great container accent. (12-18" x 18") Zn8. PP15746 Propagation Prohibited.

Helichrysum petiolare 'Argentea'

Licorice Plant (Code: 4369)

Round, felted, silvery leaves line trailing, white wooly stems. An invaluable accent plant for mixed containers and baskets. Easy to grow. (12" x 18-24") Zn9.

Helichrysum petiolare 'Limelight'

Licorice Plant (Code: 4371)

Round, felted, chartreuse-yellow leaves cluster on trailing stems. An invaluable accent in containers and edging. It brightens the garden superbly. (12" x 18-24") Zn9.

Helleborus argutifolius 'Pacific Frost'

Corsican Hellebore (Code: 7308)

This striking variegated Hellebore is considered to be one of the best variegated forms. It has dark green leaves with white speckles that show throughout the winter. Ivory blossoms appear in late winter and age to a mint green. (24-30" x 24-30") Zn5.

Helleborus foetidus Gold Bullion

Hellebore (Code: 4318)

This outstanding evergreen foliage plant has lemon-gold new growth that later changes to chartreuse, with red staining on the stems. The late winter flowers are greenish-yellow. Light shade prevents sunburned leaves in hot climates. (18-24" x 18-24") Zn5.

Helleborus niger 'HGC Jacob'

Christmas Rose (Code: 7612)

Shimmering, pure white, upright flowers appear from late fall through the winter in mild climates. In cold climates, flowers bloom in early spring. The dark evergreen foliage provides a dramatic contrast to the flowers and forms a compact mound. One of the Helleborus Gold Collection (HGC). Requires well-drained soils. (8-12" x 12-15") Zn3. PP 17799

Helleborus niger 'HGC Josef Lemper'

Christmas Rose (Code: 7611)

This improved form of Helleborus niger was selected for its upright habit and longer flowering period. Large white flowers appear from October through February in mild climates. In cold climates, flowers appear in early spring. One of the Helleborus Gold Collection (HGC). Requires well-drained soils. (8-10" x 12-18") Zn3. PP15615

Helleborus x ballardiae 'HGC Pink Frost'

Hellebore (Code: 7613)

The flowers first open pinkish-white, then age to burgundy-red. Flowers that are blush-white, pink and burgundy in color appear all at the same time. The silvery-green leaves grow vigorously on red stems. One of the Helleborus Gold Collection (HGC) from the Heuger breeding program in Germany. (12-15" x 18-24") Zn5. PPAF Propagation Prohibited

Helleborus x hybridus 'Mellow Yellow'

Hellebore, Lenten Rose (Code: 7244)

The single flowers are bright yellow to apricot, some with purple splashes and picotee edges. It blooms from late winter to early spring on evergreen foliage. This seed strain was developed by Ernie and Marietta Obyrne. (18-24" x 24-30") Zn4.

Helleborus x nigercors 'Morning's Pride'

Hellebore (Code: 7309)

White flowers with green highlights bloom abundantly late winter through early spring. A cross between H. niger and H. argutifolius, the flowers are more abundant than other Hellebores and evergreen foliage stays compact. (12" x 12") Zn5.

Herniaria glabra 'Sea Foam'

Striped Rupturewort (Code: 4242)

This ground-hugging mat of foliage slowly spreads to 12" wide, with tiny green leaves edged in creamy-white. It has better heat resistance than variegated thyme, but is similar in appearance (1" x 12") Zn4. PP15989 Propagation Prohibited.

Heuchera 'Amethyst Myst'

Coral Bells (Code: 6408)

Rich burgundy, evergreen leaves have deep green veins and silver overlay. A truly stunning Coral Bell! (26" x 17") Zn4.

Heuchera 'Blackberry Crisp'

Coral Bells (Code: 7654)

The ruffled purple foliage has distinctly crinkled and crisped margins. It has a tight mounding habit with leaves that change from deep burgundy in the spring to deep purple-black in summer. Short white flowers in spring add to this appealing gem. (8-15" x 12-16") Zn4. PPAF, PVR

Heuchera 'Can Can'

Coral Bells (Code: 3347)

Ruffled burgundy, evergreen foliage with metallic-silver overlay and dark veining, forms a compact 9" mound. Excellent for massing in the mixed border, as a specimen, or container accent. (9-26" x 16") Zn4. PPAF Propagation Prohibited

Heuchera 'Caramel'

Coral Bells (Code: 3945)

The glowing caramel-colored, evergreen foliage is also heat resistant! A vigorous grower with creamy-white flowers in early summer. It provides dramatic foliage contrast and combines well with warm color schemes. (18-24" x 18-24") Zn5. PP16560 Propagation Prohibited.

Heuchera 'Cherry Cola'

Coral Bells (Code: 7698)

Rich chocolate-cherry leaves are topped by glowing vermilion-red flowers in late spring. The foliage color sparkles year round. (8-16" x 12-15") Zn4. PPAF, PVR

Heuchera 'Crimson Curlics'

Coral Bells (Code: 4808)

Extremely ruffled, deep red, evergreen foliage topped by wands of near-white flowers in late spring. It has a tight, dumping habit. (12-18" x 12-18") Zn4. PP13729 Propagation Prohibited.

Heuchera 'Fire Chief'

Coral Bells (Code: 7417)

Lustrous wine-red leaves glow on this mid-sized Heuchera. Small bicolored pink and white flowers appear on dark red stems from spring through fall. (8-10" x 12-16") Zn4. PPAF, PVR Propagation Prohibited

Heuchera 'Ginger Ale'

Coral Bells (Code: 4261)

Light amber veins highlight silvery evergreen foliage with creamy-pink flowers appearing in June. A lovely contrast with darker Heucheras. (12" x 12-16") Zn4. PP18173, EU23085 Propagation Prohibited.

Heuchera 'Lipstick'

(Code: 7454)

Silver-veiled green leaves give rise to bright lipstick-red flowers. Many Heucheras feature foliage color, but the re-blooming flowers are the main attraction of this cultivar. An excellent choice for naturalistic landscapes. (7-15" x 10-12") Zn4. PPAF, PVR

Heuchera 'Marmalade'

Coral Bells (Code: 7543)

Evergreen leaves emerge bright reddish-bronze in early spring and fade to a mix of stunning amber, deep sienna and brick-red. Spires of deep red blooms appear in spring. (10-16" x 18") Zn4. PP15945, EU17452 Propagation Prohibited.

Heuchera 'Obsidian'

Coral Bells (Code: 2102)

This cultivar has the darkest foliage of any Heuchera! The large satiny, purple-black, evergreen foliage only gets darker in sunlight. An excellent specimen in borders or containers. (12-18" x 12") Zn4. PP14836, EU15761 Propagation Prohibited.

Heuchera 'Plum Pudding'

Coral Bells (Code: 6826)

Heart-shaped, plum-colored, evergreen foliage has pewter tones and deeper-hued veins. Airy green and maroon flowers on tall stems last until mid-summer. A popular and excellent accent plant. (12" x 18-24") Zn3. EU3330, COPF Propagation Prohibited.

Heuchera 'Rave On'

Coral Bells (Code: 4129)

Showy pink flowers bloom profusely spring through summer above evergreen, silvery foliage with burgundy veins. This is one of the few Heucheras where the flowers rival the foliage. (10-16" x 12") Zn4. PP18127, EU23086 Propagation Prohibited.

Heuchera 'Sashay'

Coral Bells (Code: 4130)

Deeply-cut, ruffled, green leaves are contrasted by warm burgundy undersides. Extensive ruffling creates a marvelous two-tone effect on the evergreen foliage. A Garden Merit winner. (10-12" x 10-16") Zn4. PPAF Propagation Prohibited

Heuchera 'Lime Marmalade'

Coral Bells (Code: 7418)

This vigorous lime-green sport of H. 'Marmalade' boasts frilly foliage on a large mounding form. Larger growing than H. 'Lime Rickey' it is also tough and heat tolerant. (10" x 18") Zn4. PPAF,PVR Propagation Prohibited

Heuchera 'Malachite'

Coral Bells (Code: 4981)

Ruffled and curled, soft green foliage is topped by hundreds of dainty white flowers in spring. The evergreen foliage is durable and easy to grow. (12-18" x 12-18") Zn4.

Heuchera 'Midnight Rose'

Coral Bells (Code: 4128)

In spring, dark purple-black, evergreen leaves have hot pink spots that nearly glow in the dark! By summer the foliage fades to medium purple with creamy-pink spots. White flowers appear in June. (10-12" x 15") Zn4. PP18551, PVR Propagation Prohibited.

Heuchera 'Peach Flambe'

Coral Bells (Code: 4004)

Glowing red, evergreen leaves have peach overtones in spring, summer and fall, then turn to plum shades in winter. White flowers appear in late spring. (12-18" x 12-18") Zn4. PP17195, EU20615 Propagation Prohibited.

Heuchera 'Purple Petticoats'

Coral Bells (Code: 4457)

Frilly dark purple, evergreen foliage looks like ruffled petticoats. One of the best plants for winter foliage. Small, creamy flowers appear in late spring. Winner of many awards. (12" x 28") Zn4.

Heuchera 'Regina'

Coral Bells (Code: 5563)

Airy sprays of tiny pink bells rise on 24" tall stems above a compact mound of evergreen burgundy-bronze leaves overlaid with silver. (12-24" x 12-18") Zn3.

Heuchera 'Stormy Seas'

Coral Bells (Code: 4698)

Ruffled evergreen leaves emerge maroon-purple and age to bronze-green with purple undersides. Pink flowers emerge late spring to early summer. (12-18" x 18-24") Zn4. PPAF Propagation Prohibited

Heuchera 'Tiramisu'
Coral Bell (Code: 4559)
 Fantastic mounds of chartreuse foliage is overlaid with brick-red veining. This rare coral bell is a must for the landscape or in a mixed planter where its rich tones change with the season. (18-24" x 18-24") Zn5. PP20429 Propagation Prohibited.

Heuchera americana 'Dale's Strain'
Coral Bells (Code: 2597)
 Attractive silvery-blue, marbled foliage is topped with tiny creamy-white flowers in spring. An excellent evergreen, drought-tolerant native perennial. (18" x 24") Zn4.

Heuchera americana 'Green Spice'
Coral Bells (Code: 4889)
 Large silvery-green leaves have dark purple venation and deeper-green edges. Insignificant flowers appear on tall stems in June but the evergreen foliage provides great fall and winter color. Very popular and one of the best! (12-24" x 18-24") Zn4. PPAF Propagation Prohibited

Heuchera micrantha 'Melting Fire'
Coral Bells (Code: 4802)
 Intense purple-red, strongly curled, evergreen foliage is topped by small clusters of white flowers in spring. Young leaves on a mature plant are bright red, giving the mound a "hot" center. (12-15" x 12-16") Zn4.

Heuchera micrantha 'Palace Purple'
Coral Bells (Code: 2851)
 Beautiful mahogany-red leaves form a large evergreen mound. Creamy-white flower spikes rise to 20" from mid-spring to early summer. 1991 Perennial Plant Association Plant of the Year. (18" x 16") Zn3.

Heuchera villosa 'Georgia Peach'
Coral Bells (Code: 4003)
 Large evergreen, peach-colored leaves with silver overlay, turn rosy-purple with silver in winter. The foliage is tolerant of heat and humidity. White flowers appear in late summer. (18-24" x 18-24") Zn5. PP19375, PVR Propagation Prohibited.

Heuchera villosa 'Southern Comfort'
Coral Bells (Code: 6631)
 Huge evergreen cinnamon-peach leaves change to burnished copper, then amber as the season progresses. Creamy white flowers appear in late summer. Tolerates heat and humidity. (15-20" x 24") Zn4. PPAF Propagation Prohibited.

Heucherella 'Dayglow Pink'
Foamy Bells (Code: 3982)
 A color breakthrough! The brightest pink flowers of any Heuchera, Tiarella or Heucherella. It blooms profusely, with flowers lasting up to 6 weeks above the evergreen foliage! (10-18" x 12-18") Zn4. PP12164, EU11469 Propagation Prohibited.

Heucherella 'Golden Zebra'
Foamy Bells (Code: 7400)
 Feathery, bright yellow leaves are vividly detailed with broad red-purple margins. Fabulous foliage and a compact habit makes it a fabulous groundcover or underplanting in the garden. (10-14" x 12") Zn4. PPAF,PVR Propagation Prohibited

Heucherella 'Rosalie'
Foamy Bells (Code: 3330)
 Rounded green leaves with dark central spotting and prominent veining are topped by sprays of foamy pink flowers. Interesting and unique! Great choice for massing in a partly shady site. (12-18" x 18") Zn4.

Heucherella 'Stoptlight'
Foamy Bells (Code: 7534)
 Very large leaves in spring have a bright yellow-green color with wide, deep red veining. The leaves mature in summer to a warm straw and green color. Pink flowers appear in spring. (16" x 12") Zn4. PP16835, EU20613 Propagation Prohibited.

Heucherella 'Sweet Tea'
Foamy Bells (Code: 7415)
 The orange tea colored leaves have cinnamon star markings that simply glow in the shade! The big maple-like leaves darken in summer, then lighten again in fall. Large growing, it is also tolerant of heat and humidity. (18-24" x 18-24") Zn4. PP21296,PVR Propagation Prohibited

Heucherella 'Tapestry'
Foamy Bells (Code: 4588)
 Blue-green, evergreen foliage changes to green with dark centers and dark veins in fall and winter. Warm pink foamy bells bloom profusely in spring. (8-16" x 18-24") Zn4. PPAF Propagation Prohibited.

Hosta 'Abba Dabba Do'
Plantain Lily (Code: 7484)
 The leaves have subtle chartreuse-yellow margins that surround bright green centers. The foliage features nicely-undulated edges and the plant has an attractive vase-like habit. (2' x 3') Zn3.

Hosta 'Big Daddy'
Plantain Lily (Code: 6288)
 Impressive deep blue, round and puckered leaves on a large, vigorous grower. Topped by off white flowers on 36" scapes in late spring. (2-3' x 3-4') Zn3.

Hosta 'Blue Angel'
Plantain Lily (Code: 7641)
 One of the largest Hostas around! The heart-shaped, heavily textured, ribbed, blue-gray leaves can be up to 18" across! White flowers appear in mid summer. (2-3' x 4-5') Zn3.

Hosta 'Blue Cadet'
Plantain Lily (Code: 5957)
 This excellent blue-leaved Hosta forms nice compact mounds. A wonderful selection for edging in the shade garden. (6-12" x 24") Zn3.

Hosta 'Blue Heart'
Plantain Lily (Code: 2859)
 This attractive medium-sized Hosta sports blue-gray leaves with prominent veins. It's topped by purple blooms in summer. An excellent choice for deep shade. (14" x 18") Zn3.

Hosta 'Brim Cup'
Plantain Lily (Code: 7358)
 Dark green leaves have irregular, creamy-yellow margins which turn white with age. Lavender flowers appear mid-summer. Slow growing and compact. (12-18" x 16") Zn3.

Hosta 'Buckshaw Blue'
Plantain Lily (Code: 6277)
 Serene deep blue-green, intensely thick & corrugated leaves make this Hosta a knockout. Near-white flowers on 26" scapes appear midsummer. (16" x 36") Zn3.

Hosta 'Cherry Berry'
Plantain Lily (Code: 6600)
 Leaf petioles and 26" flower stems have an unusual clear red hue. Brilliant cherry-red seed pods appear in fall. Lance-shaped, dark green leaves have bold, irregular creamy-white streaks. (10" x 16") Zn3.

Hosta 'Fragrant Blue'
Plantain Lily (Code: 6613)
 Small flat, smooth, heart-shaped blue-green leaves. The flowers open to a very pale lavender. (8" x 12") Zn3.

Hosta 'Fragrant Bouquet'
Plantain Lily (Code: 6690)
 Extremely-fragrant, nearly-white flowers shine above apple-green leaves with wide creamy margins. It forms a nice wide clump topped by tall blooms in late summer. (24" x 36") Zn3.

Hosta 'Gold Standard'
Plantain Lily (Code: 6032)
 Dark green leaf margins surround centers that emerge light green then turn sunny-gold by summer. It grows and looks its best with some morning sun. Lavender flowers appear mid-season. (20-30" x 36") Zn3.

Hosta 'Golden Tiara'
Plantain Lily (Code: 2866)
 Adorable heart-shaped, light green leaves have wide gold margins. This compact grower shows good form, persistent color and is fast-growing. It will tolerate 3/4 day sun if kept moist. (12-18" x 24") Zn3.

Hosta 'Great Expectations'
Plantain Lily (Code: 7386)
 Bright creamy yellow puckered leaves boast extremely wide margins of blue-green. Pristine white flowers add interest in early summer. (24-36" x 40") Zn3.

Hosta 'Guacamole'
Plantain Lily (Code: 6718)
 This vigorous grower has yellow-gold foliage with smooth dark green margins. Fragrant, nearly-white flowers appear in summer (12-24" x 24-36") Zn3.

Hosta 'Invincible'
Plantain Lily (Code: 4325)
 Glossy green, wedge-shaped leaves have interesting undulating margins. It forms a lovely low and wide, shade-loving border addition or groundcover. Fragrant lavender flowers appear in early summer. (12-18" x 18-24") Zn3.

Hosta 'June'
Plantain Lily (Code: 7110)
 Stunning golden leaves framed with wide blue-green margins, shine in the shade garden. A "Great Plant Pick" for the Pacific Northwest! (20" x 15") Zn3.

Hosta 'King Tut'
Plantain Lily (Code: 4338)
 Small to medium Hosta with bright gold, heavily-textured, puckered leaves. White flowers appear in summer. (12-24" x 24") Zn3.

Hosta 'Krossa Cream Edge'
Plantain Lily (Code: 6102)
 Sage-colored leaves thinly-edged in cream add a cooling influence to the garden. An upright, vase-shaped grower featuring lavender flowers in summer. (10" x 10") Zn3.

Hosta 'Krossa Regal'
Plantain Lily (Code: 2871)
 This elegant, vase-shaped plant features thick and substantial blue-gray leaves. Lavender blooms on very tall scapes appear mid-season. (3' x 3') Zn3.

Hosta 'Loyalist'
Plantain Lily (Code: 7639)
 One of the best white centered hostas to arrive on the gardening scene. It is a reverse variegated form of H. 'Patriot'. Light lavender flowers appear in summer. Very striking! (20-24" x 20-24") Zn3.

Hosta 'Minute Man'
Plantain Lily (Code: 6894)
 A sport of H. 'Patriot', this Hosta has vivid blue-green leaves with a wide white margin and "cupped" shape. Lovely lavender flowers appear in summer and contrast the foliage nicely. (18" x 24") Zn3.

Hosta 'Northern Exposure'
Plantain Lily (Code: 6920)
 Flat and puckered blue-green leaves have very wide yellow-green margins that lighten to cream. Forms a nice mound. White flowers on 30" scapes. (30" x 40") Zn3.

Hosta 'Paradise Island'
Plantain Lily (Code: 7640)
 Heart-shaped bright yellow leaves have a dark green margin. In summer, the brilliant yellow leaf interior changes to chartreuse, but the dark border remains. Lavender flowers top the dump in late summer. This beautiful 'Fire Island' sport is one of the best! (18-24" x 18-24") Zn3. PPAF

Hosta 'Patriot'
Plantain Lily (Code: 4341)
 Dark green, glossy heart-shaped leaves have very wide, showy margins of pure white. Absolutely stunning! (24" x 36") Zn3.

Hosta 'Pearl Lake'
Plantain Lily (Code: 6069)
 Heart-shaped gray-green leaves form a dense mound. Profuse lavender flowers appear over a long season. (18" x 18") Zn3.

Hosta 'Pilgrim'
Plantain Lily (Code: 6725)
 Heart-shaped light green leaves are edged in wide, almost iridescent, creamy-white borders. A vigorous grower topped with 20" tall scapes of light lavender flowers in midsummer. (20" x 20") Zn3.

Hosta 'Sagae'
Plantain Lily (Code: 7356)
 Satiny blue-grey leaves have wonderfully-wide creamy margins. Very large grower with an upright, vase-shaped habit. A fabulous selection for the shade garden. Good slug resistance. (24" x 36") Zn3.

Hosta 'Sea Thunder'
Plantain Lily (Code: 4350)
 Upright, pointedly-oval leaves have eye-catching white centers and wide irregular green margins. A gorgeous addition to the shade garden. (24" x 24") Zn3.

Hosta 'Shade Fanfare'
Plantain Lily (Code: 6066)
 Excellent heart-shaped, bright green leaves with broad creamy-yellow margins glow beneath lavender flowers in midsummer. (24" x 30") Zn3.

Hosta 'So Sweet'
Plantain Lily (Code: 6731)
 Mid-sized, dark green leaves are irregularly-edged in creamy-yellow, fading to white. Exceptionally-fragrant white flowers appear in late summer. Good sun tolerance. 1996 Hosta of the Year. (16-28" x 48") Zn3.

Hosta 'Stained Glass'
Plantain Lily (Code: 3987)
 Chartreuse foliage with green veins, develops early in the season. Fragrant, near-white flowers appear in summer. This sun tolerant, rapid-growing cultivar is a sport of H. 'Guacamole'. (18-24" x 18-24") Zn3.

Hosta 'Sum & Substance'
Plantain Lily (Code: 6067)
 Huge rounded, chartreuse-green leaves create an enormous mound. Very slug resistant as well as sun tolerant, it is a "Great Plant Pick" for the Pacific Northwest! (3-4' x 4') Zn3.

Hosta 'Whirlwind'
Plantain Lily (Code: 4356)
 Curled, upright leaves have strong ivory-white centers edged with deep, dark green margins. The leaves have a nice heavy substance and a spreading habit. (18-20" x 24-30") Zn3.

Hosta 'Wide Brim'
Plantain Lily (Code: 5852)
 Round bluish-green leaves, enhanced with wide creamy margins, make this a popular variety for the shade garden. A nice medium-sized Hosta. (20" x 24") Zn3.

Hosta fortunei 'Aureo-marginata'
Plantain Lily (Code: 2867)
 Medium size Hosta with heavily veined, large corrugated, heart-shaped spinach green leaves with golden yellow margins that hold color all season. Good growth rate and sun tolerance. (12-24" x 24") Zn3.

Hosta fortunei 'Francee'
Plantain Lily (Code: 2861)
 Charming dark green, heart-shaped leaves are edged in bright white. Lavender flowers are perfect for cutting in late summer. Vigorous and sun tolerant. (24" x 36") Zn3.

Hosta fortunei 'Hyacinthina'
Plantain Lily (Code: 2884)
 This vigorous grower has large gray-green leaves and deep violet-blue flowers on tall scapes which appear in August. (24" x 24") Zn3.

Hosta fortunei 'Twilight'
Plantain Lily (Code: 6756)
 Thick, dark green leaves are surrounded by a very wide, creamy margin. In midsummer the 3' wide dumps are topped by light lavender flowers on long stems. Excellent for the shade garden. (24-30" x 24-36") Zn3. PP14040 Propagation Prohibited.

Hosta sieboldiana 'Blue Giant'
Plantain Lily (Code: 2889)
 Giant steel-blue leaves form a substantial dump. An excellent specimen for the shade garden. Lavender flowers appear in summer. (18" x 24") Zn3.

Hosta sieboldiana 'Dream Weaver'
Plantain Lily (Code: 3984)
 Leaves have a wide blue-green border with creamy-white patterned center. This is a more vigorous, improved sport of Hosta 'Great Expectations'. (24-36" x 24-30") Zn3.

Hosta sieboldiana 'Elegans'
Plantain Lily (Code: 5489)
 This larger growing Hosta features thick, round, and corrugated blue-gray leaves. Slow to establish and develop mature leaf size, but worth the wait! (36" x 24") Zn3.

Hosta sieboldiana 'Frances Williams'
Plantain Lily (Code: 2863)
 Large and puckered blue-green leaves have wide golden edges. Flowers are pale lavender-to-white. An excellent specimen for the shade garden that is deservedly popular. (2-3' x 3') Zn3.

Hosta sieboldiana 'Golden Sunburst'
Plantain Lily (Code: 6033)
 Substantially-sized gold leaves form a large mounding plant. White flowers appear late summer. Excellent accent for the shade garden! (24" x 30") Zn3.

Hosta sieboldiana 'Thunderbolt'
Plantain Lily (Code: 3989)
 Leaves have wide blue-green margins and thin creamy centers. White flowers bloom in mid-summer. (18-24" x 24-36") Zn3. PP14232 Propagation Prohibited.

Hosta x tardiana 'Halcyon'
Plantain Lily (Code: 5851)
 Solid blue-green foliage forms a dense, medium-sized mound. Lavender flowers bloom in August on this slug-resistant form. (15" x 18-36") Zn3.

Houttuynia cordata 'Chameleon'
Chameleon Plant (Code: 2896)
 This fabulous foliage accent for shade has vivid red, yellow, and green leaves that are adorned with white flowers from June to August. It may spread where conditions are favorable. (4-6" x 36") Zn5.

Hydrangea macrophylla var. serrata 'Preziosa'
Sawtooth Hydrangea (Code: 3357)
 Numerous pink-blushed, snowball flowers age to shades of lilac and crimson. As the flowers deepen in color, so does the foliage! It prefers cool, moist soils. A "Great Plant Pick" for the Pacific Northwest! (4-5' x 5') Zn6.

Hydrangea quercifolia 'Snow Queen'
Oakleaf Hydrangea (Code: 4769)
 Bold, cone-shaped panicles of large sterile, white florets gradually deepen to russet-pink. This deciduous shrub has deep red-bronze fall color and cinnamon-hued winter stems. A "Great Plant Pick" for the Pacific Northwest. (7-10' x 7") Zn5.

Imperata cylindrica 'Red Baron'
Blood Grass (Code: 2913)
 The brilliant red leaf blades are even more iridescent when back-lit by the autumn sun; especially when planted en masse. This short grass prefers moist areas. (WA and OR only) (18" x 12") Zn6.

Ipomoea 'Sidekick', Black Heart'
Sweet Potato Vine (Code: 7842)
 Striking heart shaped purple-black leaves with a matte finish will add rich texture and contrast to any container or border. A compact yet bushy variety. (12-14" x 30-46") Zn10.

Ipomoea batatas 'Ace of Spades'
Sweet Potato Vine (Code: 7045)
 Broad, heart-shaped leaves are deep garnet-purple. The vigorous growth makes it perfect as an annual groundcover or in hanging baskets. (4-5" x 18-36") Zn10.

Ipomoea batatas 'Blackie'
Sweet Potato Vine (Code: 6241)
 Dramatic, dark purple-black leaves add wonderful color contrast to container plantings. It makes a stunning annual groundcover. (6" x 24-36") Zn10.

Ipomoea batatas 'Desana® Bronze'
Sweet Potato Vine (Code: 7787)
 Heart-shaped bronze leaves have shorter internodes than other Ipomoea cultivars, giving a more compact growth habit. Excellent for planters and baskets. (8-12" x 24-36") Zn10.

Ipomoea batatas 'Desana® Lime'
Sweet Potato Vine (Code: 7788)
 Heart-shaped chartreuse leaves have shorter internodes than other Ipomoea cultivars, giving a more compact growth habit. Excellent for planters and baskets. (8-12" x 24-36") Zn10.

Ipomoea batatas 'Goldfinger'
Sweet Potato Vine (Code: 7046)
 Chartreuse-gold leaves are deeply divided. This fast growing, spreading plant is perfect as an annual groundcover or for use in hanging baskets. (4-5" x 18-36") Zn10.

Ipomoea batatas 'Margarita'
Sweet Potato Vine (Code: 6242)
 Glowing chartreuse leaves add a splash of brilliant color to container plantings. Trailing habit is perfect for adding sunny color to baskets, containers, or as a groundcover. (6" x 24-36") Zn10.

Ipomoea batatas 'Sweet Georgia Red Heart'
Sweet Potato Vine (Code: 7577)
 Red-purple heart-shaped leaves spread vigorously on the ground to create a temporary groundcover. It also is commonly used to trail out of containers and baskets. (4-6" x 24-36") Zn10.

Jasminum officinale 'Fiona Sunrise'

Jasmine (Code: 4675)

Deeply-serrated, golden yellow foliage mixes nicely with fragrant white flowers that bloom all summer. Spills and climbs, making it appealing in planters or beds. (10-12' x 10-12') Zn7.

Juncus effusus 'Gold Strike'

Common Rush (Code: 5198)

Good selection for gardens with wet, boggy areas or standing water. Distinctive gold stripe runs full length of each blade giving the plant a strong vertical emphasis. (2-3' x 2') Zn5.

Juncus effusus 'Unicorn'

Giant Corkscrew Rush (Code: 4680)

Blades are extra long and thick with curled and twisted, deep green leaves that add interest to any garden. Great for floral arrangements too! It's like Juncus 'Spiralis' on steroids! (24" x 30") Zn4.

Juncus inflexus 'Afro'

Blue Medusa Rush (Code: 5199)

Powdery-blue spiraling stems twist and contort to 18". Great in containers, as a shallow pond specimen or in a moist garden. Very vigorous and easy to grow. (18" x 24") Zn6.

Koeleria 'Tiny Tot'

Blue Hair Grass (Code: 7659)

This dwarf ornamental grass has distinctly blue-green fine-textured foliage that's topped by narrow erect flower panicles in late spring. The inflorescences open light green and then age to a pleasing buff color. Excellent when used as a filler in mixed containers. (8-10" x 8-12") Zn5.

Lamium 'Lemon Frost'

Deadnettle (Code: 7593)

Deep lavender-pink flowers top chartreuse, heart-shaped leaves in late spring and summer. It creates a bold contrast in shady areas where bright color is often needed. (6-8" x 12-18") Zn4. PP20723

Lamium maculatum 'Anne Greenaway'

Deadnettle (Code: 4690)

Showy lavender flowers grace dramatic gold, green, and silver foliage. It makes a wonderful groundcover for shady spots. (6" x 24") Zn3.

Lamium maculatum 'Elizabeth de Haas'

Deadnettle (Code: 5582)

The green leaves have silvery markings in the midrib. Dark lavender-pink flowers appear in summer. It's beautiful when trailing from pots or as a groundcover for shade. (6" x 24") Zn4.

Lamium maculatum 'Ghost'

Deadnettle (Code: 7662)

Standing about 1 foot tall, the all-silver leaves create a billowy cloud of silver in the garden. The leaves are twice as big as most Lamium. Clusters of large, bright orchid-purple flowers top the dump of silver foliage from late spring through early summer. The contrast of flowers and foliage stops people in their tracks! (10-14" x 12-24") Zn4.

Lamium maculatum 'Gold Nuggets'

Deadnettle (Code: 4567)

Each brilliant gold and green leaf has a striking blaze of white in the center. Pink flowers add further appeal in late spring. This triple colored confection creates drama spilling out of mixed containers or in the landscape. (3-4" x 12") Zn4.

Lamium maculatum 'Pink Pewter'

Deadnettle (Code: 3001)

Shell-pink flowers top trailing silvery foliage, May to July. A good groundcover for shady spots or great accent for containers. (6" x 18") Zn4.

Lamium maculatum 'Red Nancy'

Deadnettle (Code: 4768)

Silver leaves with narrow green edges nicely contrast deep rose-pink flowers late spring and summer. It makes a wonderful groundcover for shady spots. (6" x 18") Zn4.

Lamium maculatum 'White Nancy'

Deadnettle (Code: 3002)

Silvery leaves with a narrow green edge are topped by white flowers in spring and summer. A beautiful selection for containers or hanging baskets, it brightens up shady gardens. (6" x 18") Zn4.

Lavandula angustifolia 'Violet Intrigue'

English Lavender (Code: 4887)

Vibrant violet flowers bloom on long stems in summer. Excellent for use in cut and dried flower arrangements, this Lavender will rebloom when spent flowers are removed. It also makes a great hedge. (18-24" x 18-24") Zn5. PP15344 Propagation Prohibited.

Lavandula dentata var. candicans
Grey French Lavender (Code: 8067)
 A stunning French lavender cultivar noted for its gray-hued foliage color. The dense, compact growth habit makes it perfect for sculpting, shearing or mid-border planting. (2-4' x 2-4') Zn9.

Lavandula lanata 'Silver Frost'
Lavender (Code: 4921)
 This lovely fragrant Lavender has deep violet flowers on a compact sub-shrub. Gray-green foliage has a silvery tone making this a great addition to a dry rockery or "silver" border. (2' x 2') Zn7.

Lavandula lanata x angustifolia 'Richard Grey'
Lavender (Code: 4186)
 Dark violet flower spikes grace this aromatic, compact herb. White felted foliage adds interest. (2' x 2') Zn7.

Lavandula stoechas 'Blueberry Ruffles'
Spanish Lavender (Code: 7053)
 Light pink bracts look like rabbit ears and appear above violet-blue flowers in late spring. Fragrant gray-green, needle-like foliage is mostly evergreen. (24" x 24") Zn7. PPAF Propagation Prohibited.

Lavandula stoechas 'Mulberry Ruffles'
Spanish Lavender (Code: 7049)
 Light pink bracts look like rabbit ears that appear above deep rose-pink flowers in late spring. Fragrant gray-green, needle-like foliage is mostly evergreen. (24" x 24") Zn7. PPAF Propagation Prohibited.

Lavandula stoechas 'Silver Anouk'
Spanish Lavender (Code: 7471)
 This Spanish Lavender has distinctive silver-gray leaves with a compact, upright, freely branching habit. It has large dark violet flowers and blooms spring through fall. (24-36" x 18-24") Zn7. PP20,068 Propagation Prohibited

Lavandula x intermedia 'Goldburg'
Lavandin (Code: 4546)
 The creamy-yellow and green-variegated foliage is topped by lavender-blue flower spikes in summer. It has a compact, mounding habit. Unusual! (18" x 18") Zn5. PP12709 Propagation Prohibited.

Lavandula x intermedia 'Silver Edge'
Lavandin (Code: 4774)
 Beautiful variegated foliage! Blue-green leaves are edged with creamy-gold, fading to silver. Violet-blue flowers appear in summer. (3' x 2') Zn5. PP13091 Propagation Prohibited.

Lavatera obliia 'Aurea'
Tree Mallow (Code: 6769)
 Pink, cup-shaped flowers shimmer against golden-chartreuse foliage. A bit less vigorous than other Lavatera and a stunning addition to the mixed border. (4-5' x 3') Zn7.

Leymus arenarius 'Findhorn'
Lyme Grass (Code: 6911)
 The lovely stiff, metallic blue-gray leaves will spread by means of underground rhizomes. It is excellent for banks and erosion control. (2' x 3') Zn4.

Libertia ixioides 'Goldfinger'
Libertia (Code: 4148)
 Grass-like foliage has prominent gold stripes down the center of each blade. White star-shaped flowers appear in spring followed by yellow berries in fall. (18" x 18") Zn8. PP18228 Propagation Prohibited.

Libertia peregrinans
Libertia (Code: 5502)
 Glowing orange, iris-like foliage. Olive-green, stiffly-upright blades have orange central bands, giving a golden-bronze look. White flowers bloom spring to fall. Native to New Zealand. (24" x 10") Zn8.

Ligularia 'Britt-Marie Crawford'
Bigleaf Ligularia (Code: 3646)
 A remarkable yellow-orange, daisy-like flower with large shiny chocolate-maroon foliage. Leaves are round to triangular in shape with wavy margins. (24" x 36") Zn4. PP16113, EU12794 Propagation Prohibited.

Ligularia 'Last Dance'
Golden Ray (Code: 6650)
 This compact Ligularia has very large dark green leaves that create a bold contrast in the shade garden. Bright yellow, daisy-like flowers appear in the fall. The foliage makes a bold contrast with ferns. (18" x 24") Zn5. PP20947 Propagation Prohibited

Ligularia dentata 'Desdemona'
Golden Ray (Code: 3020)
 Outstanding deep purple foliage gives a dramatic tropical air to the border. Clusters of golden-yellow daisies appear late summer. Requires ample water. (3' x 3') Zn3.

Ligularia dentata 'Osiris Fantaisie'
Golden Ray (Code: 7638)
 The thick, dark-green leaves have serrated edges which curl over to reveal glossy, burgundy undersides. Deep purple-red stems rise in late summer holding clusters of golden-yellow daisy-like flowers. Plants have a good, full habit and make an attractive focal point. (12-20" x 18-24") Zn4. PP19302

Ligularia dentata 'Othello'
Golden Ray (Code: 5251)
 Large and rounded, deep purple foliage makes a bold garden accent. Golden yellow daisies top sturdy stalks in late summer. (30-42" x 36-48") Zn4.

Liriope spicata 'Silver Dragon'
Lilyturf (Code: 4747)
 Long grass-like green leaves are striped with ivory. Light lavender flowers in late summer are followed by black berries in fall. (18-24" x 12") Zn5.

Lobelia fulgens 'Queen Victoria'
Lobelia (Code: 3055)
 Dark bronze-red foliage is topped by luminous scarlet flowers in summer. This stunning color combination makes it very popular. Like most Lobelia, it requires moist soil. (2' x 1') Zn6.

Lonicera japonica 'Aureo-reticulata'
Goldnet Honeysuckle Vine (Code: 5642)
 Prominent bright yellow veining on the fresh green, rounded leaves make this vine appear incandescent. Fragrant light yellow flowers add appeal. (20' x 4-6') Zn5.

Lonicera nitida 'Baggesen's Gold'
Box Honeysuckle (Code: 5002)
 Brilliant golden foliage sparkles in the landscape. It responds well to shearing and is perfect as a small evergreen hedge or border plant. A "Great Plant Pick" for the Pacific Northwest! (6' x 4-6') Zn7.

Lonicera nitida 'Lemon Beauty'
Box Honeysuckle (Code: 7494)
 Rare and choice! Stunning lemon, lime and dark green-variegated leaves add bright sunny color to the garden year-round. Invaluable foliage contrast! (5-6' x 4-6') Zn6.

Lonicera nitida 'Red Tips'
Box Honeysuckle (Code: 6787)
 Burgundy tinted new growth adds brilliant spring color to this unusual evergreen shrub. It makes a stunning specimen or hedge. (4-6' x 3-4') Zn6.

Lonicera nitida 'Twiggy'
Box Honeysuckle (Code: 4663)
 This dwarf shrub has twiggy growth, and is lined with tiny yellow, evergreen leaves that hold their bright color most of the season. Fragrant creamy-white flowers bloom in spring. (24-36" x 24-36") Zn7.

Lychnis x arkwrightii 'Orange Gnome'
Maltese Cross (Code: 5024)
 This dwarf form has dark bronze foliage. The orange-red flowers bloom in early summer and resemble a Maltese cross. (8-12" x 8-12") Zn6.

Lychnis x arkwrightii 'Vesuvius'
Arkwright's Campion (Code: 4386)
 Heavy blooming selection with deep burgundy buds that open to deep orange flowers that resemble a Maltese cross. Unusual bronzed-purple foliage is lovely in the spring border. (12-18" x 12") Zn5.

Lysimachia ciliata 'Purpurea'
Fringed Loosetrife (Code: 3087)
 Deep burgundy-purple leaves provide striking foliage color in winter and spring. Delicate yellow flowers are borne in airy clusters on stalks in summer. It will spread vigorously with ample moisture. (24" x 36") Zn5.

Lysimachia congestiflora 'Persian Carpet'
Loosetrife (Code: 3815)
 This groundcover forms a carpet of small dark green leaves with bold red veining on a semi-evergreen plant. Golden flowers appear late spring. A Darrell Probst introduction. (4" x 24-36") Zn6. PPAF Propagation Prohibited.

Lysimachia congestiflora 'Persian Chocolate'
Loosestrife (Code: 3877)
 Striking chocolate-hued leaves and bright yellow spring flowers make this low-spreading form a fantastic groundcover! The semi-evergreen foliage is vigorous but not invasive. (4" x 24-36") Zn6. PPAF Propagation Prohibited.

Lysimachia punctata 'Golden Alexander'
Yellow Loosestrife (Code: 4667)
 Brilliant golden-variegated foliage grows into a sturdy, upright clump. Sports buttery-yellow flowers in summer. Perfect for brightening moist, shady areas! (18-24" x 18-24") Zn4. PP13547 Propagation Prohibited.

Mahonia aquifolium
Oregon Grape (Code: 6965)
 This Pacific Northwest shrub is known for its bold-textured, evergreen, holly-like leaves that turn deep burgundy in winter. New leaves emerge reddish in spring when the yellow flowers appear. Blue berries appear in late summer and fall. (3-5' x 3-5') Zn5.

Mahonia nervosa
Cascade Oregon Grape Holly (Code: 7266)
 This low-growing NW native evergreen shrub spreads by rhizomes to form thickets. The evergreen leaflets have toothed edges and resemble holly foliage. Fragrant pale yellow flowers bloom in spring followed by blue berries in summer and fall. (18-24' x 2-4') Zn5.

Mahonia repens
Creeping Oregon Grape (Code: 6963)
 Compound evergreen leaves look similar to holly. It forms a low-spreading groundcover with fragrant, small, yellow flowers that bloom from mid spring to early summer at the branch tips. This NW native is an excellent choice for dry shade. (12" x 30-36") Zn5.

Maianthemum kamschaticum
May Lily (Code: 6348)
 In spring, creamy-white flowers adorn this pretty spreading, native North American groundcover, followed by small red berries in summer. Easy to grow and useful for colonizing shady places. (12" x 24") Zn4.

Melissa officinalis 'All Gold'
Golden Lemon Balm (Code: 5665)
 Ornamental and useful herb with clean lemon flavor and fragrance. Wonderful for salads, garnish, or teas. The multi-toned, golden foliage brightens shady areas. (18" x 24") Zn4.

Mentha requienii
Corsican Mint (Code: 8122)
 Tiny bright green leaves tightly hug the ground, and bear light foot traffic well. Leaves emit a fresh, minty fragrance when crushed, making it perfect between pavers. (Restricted in some areas) (12" x 12") Zn6.

Mentha spicata 'Crispa'
Curly Spearmint (Code: 8118)
 Decorative, round crinkled leaves and snappy spearmint flavor make this a must for any herb garden. Excellent in iced drinks! (Restricted in some areas) (2' x 2-3') Zn3.

Mentha x piperita 'Chocolate'
Chocolate Mint (Code: 5386)
 This tasty mint contains just a hint of chocolate. Bronzy new leaves grow vigorously along red-hued stems. Use dried in teas, chocolate desserts and baking. (Restricted in some areas) (18-24" x 24-36") Zn3.

Miscanthus 'Huron Sunrise'
Japanese Silver Grass, Eulalia (Code: 7263)
 One of the best Miscanthus for northern climates, it flowers profusely in August so you can enjoy the graceful blooms long before frost. The burgundy flower plumes are held well above the foliage with no flopping. (5-6' x 3-4') Zn4. PPAF Propagation prohibited.

Miscanthus sinensis 'Cosmopolitan'
Japanese Silver Grass (Code: 6829)
 Vivid variegation! The leaf blades have wide, dazzling white edges. Coppery plumes appear in fall. This outstanding border accent is a "Great Plant Pick" for the Pacific Northwest! (6-8' x 4-5') Zn6.

Miscanthus sinensis 'Gilt'
Japanese Silver Grass (Code: 5440)
 Bright green new growth matures to gold and green with white-striped midrib. Excellent as a privacy screen. (7' x 3-4') Zn7.

Miscanthus sinensis 'Gold & Silver'
Maiden Grass (Code: 5548)
 Slender, arching foliage produces golden flowers that turn silver with age. Creates a striking effect in fall. (5-6' x 3') Zn5.

Miscanthus sinensis 'Gold Bar'
Japanese Silver Grass (Code: 3277)
 The leaf blades have dramatic horizontal gold banding that really glows in the sun. This dwarf form is perfect for smaller gardens or containers. A "Great Plant Pick" for the Pacific Northwest! (3-4" x 20") Zn5. PP15193 Propagation Prohibited.

Miscanthus sinensis 'Gracillimus'
Japanese Silver Grass (Code: 5776)
 This finely-textured, narrow-leaved grass forms erect clumps. Leaves turn orange in fall. Copper-colored flowers appear in late September, maturing to silver through winter. A "Great Plant Pick" for the Pacific Northwest! (6' x 3') Zn4.

Miscanthus sinensis 'Malepartus'
Japanese Silver Grass (Code: 5885)
 Strong-growing grass with large pink-purple flower plumes in August that fade to silvery-taupe by fall. The plumes are highlighted with gorgeous fall color in rainbow shades. (6-7' x 4') Zn5.

Miscanthus sinensis 'Morning Light'
Japanese Silver Grass (Code: 3121)
 Of great refinement and elegance, this grass has thin leaves with silver-variegated edges that shimmer when backlit. Inflorescences have a pink tinge at first, turning deep reddish-bronze later in fall. A "Great Plant Pick" for the Pacific Northwest! (4-5' x 3') Zn4.

Miscanthus sinensis 'Positano'
Japanese Silver Grass (Code: 6815)
 Striking reddish plumes top this tall, graceful grass. Use as an eye-catching garden accent or specimen. Wonderful fall color. (6-7' x 5') Zn5.

Miscanthus sinensis 'Rigoletto'
Japanese Silver Grass (Code: 4510)
 Beautiful dwarf, variegated grass with a fine texture. Similar in appearance to *Miscanthus 'Variegatus'*, but grows only 3 feet tall and therefore stays upright. (3' x 3') Zn6.

Miscanthus sinensis 'Strictus'
Japanese Silver Grass (Code: 5848)
 Stiffly-upright green blades, with strong horizontal bands of yellow, are very showy. Coppery flower spikes rise several feet above the foliage in fall. A great addition to any garden! (6-8' x 3-4') Zn4.

Miscanthus sinensis 'Zebrinus'
Japanese Silver Grass (Code: 5542)
 Large, arching, green leaves have horizontal bands of yellow and cream variegation. Coppery flower spikes rise several feet above the foliage in fall. It imparts a graceful and informal look to the landscape. (4-6' x 3') Zn5.

Molinia arundinacea 'Skyracer'
Moor Grass (Code: 5628)
 Stiffly-upright, 5' tall, wiry stems carry delicate, airy yellow flowers above a foliage clump that remains 2-3' tall. The flowers have a translucent fountain-like effect when backlit. (4-5' x 2-3') Zn4.

Molinia caerulea 'Strahlenquelle'
Purple Moor Grass (Code: 6816)
 Airy, radiating flowerheads create a graceful fountain-like effect in late summer. Buttery-yellow fall color adds to the show. It prefers moderately moist soil. (3' x 3') Zn4.

Molinia caerulea 'Variegata'
Purple Moor Grass (Code: 6110)
 Dark green and cream leaves give off a golden glow, accented by ochre flower plumes in late summer. A compact grass and excellent for containers. A "Great Plant Pick" for the Pacific Northwest! (24" x 12") Zn5.

Musa basjoo
Hardy Banana Plant (Code: 6304)
 The hardiest banana available, with large bright green leaves that easily reach 6-8' in length and add a touch of the tropics to the garden. It will send out runners to form a small clump. (10-15' x 6') Zn7.

Ocimum 'Magic Mountain'
Basil (Code: 5743)
 The most ornamental Basil with purple flower spikes that rise above gorgeous deep green foliage highlighted and streaked with burgundy. This Basil can also be used for culinary purposes. (30" x 20") Zn10.

Ocimum basilicum 'Thai'
Basil (Code: 6469)
 Tender culinary herb with shiny fragrant leaves that have an anise or licorice flavor. Remove the flowers to prolong the harvest of leaves. (18-24" x 18-24") Zn10.

Ocimum x citriodorum 'Pesto Perpetuo'
Variegated Basil (Code: 8923)
 This upright form has light green foliage with creamy-white edges. Does not flower, making it an excellent culinary basil. Harvest frequently. (24" x 18") Zn10. PP16260 Propagation Prohibited.

Oenothera fremontii 'Shimmer'
Evening Primrose (Code: 7694)
 Bright lemon-yellow saucer-like blooms appear in spring, then bloom again mid summer and fall! The fine textured silver and green variegated foliage is showy even when not in flower. Compact habit. (10" x 18") Zn4. PP19663 COPF

Oenothera speciosa 'Twilight'
Evening Primrose (Code: 4986)
 Deep purple-bronze variegated leaves have green edges with pale pink, saucer-like flowers in summer. The purple foliage color is more prominent in cool weather. (12" x 24") Zn5. PP17230, COPF Propagation Prohibited.

Ophiopogon japonicus 'Nanus'
Dwarf Mondo Grass (Code: 5078)
 Dark forest-green, grass-like foliage forms a low-growing, spreading groundcover. Light lavender flowers in summer become navy-blue berries in fall. Great for underplanting or edging. (5" x 18") Zn7.

Ophiopogon japonicus 'Pam Harper'
Mondo Grass (Code: 5496)
 Shining gold and green-striped variegation brightens shady beds. Light lavender flowers appear in summer. It forms a striking groundcover when planted en masse. (9" x 12-18") Zn7.

Ophiopogon planiscapus 'Ebony Knight'
Black Mondo Grass (Code: 4429)
 Eye-catching, strap-like leaves of an almost black hue lend subtle sophistication to the perennial garden. Palest purple-white flowers appear in summer. A "Great Plant Pick" for the Pacific Northwest! (4-6" x 12") Zn6.

Oxalis vulcanicola 'Sunset Velvet'
Shamrock (Code: 4388)
 Clear lemon-yellow flowers bloom above golden-orange-to-bronze foliage in spring and summer. The foliage takes on deeper bronze-pink tones in cool temperatures. (3-4" x 8-10") Zn9.

Panicum 'Huron Solstice'
Switchgrass (Code: 7637)
 The blue-green foliage begins turning a deep burgundy-wine color in early summer, and by fall is almost totally burgundy, providing a stunning accent with its blazing fall color. Dainty, airy, purplish inflorescences appear atop the foliage in late August. (48" x 36") Zn4. PPAF

Panicum virgatum 'Cheyenne Sky'
Switchgrass (Code: 7635)
 The blue-green foliage turns deep red-purple from late summer through autumn. By late summer wine-red flower panicles appear just above the foliage. One of the hardiest purple foliage grasses available! (2-3' x 2-3') Zn4. PPAF

Panicum virgatum 'Cloud Nine'
Switch Grass (Code: 6689)
 Airy golden inflorescence create a soft transparent effect for the back of the border in late summer. Lovely light blue blades turn golden in fall. (6-8' x 3') Zn4.

Panicum virgatum 'Dwarf'
Switch Grass (Code: 4877)
 Very nice blue-green foliage, topped by airy seed-heads in late summer, on a more compact form. Excellent for creating a hazy "translucent" effect in the border. From a seedling selected at our nursery. (36-42" x 24") Zn4.

Panicum virgatum 'Rotstrahlbusch' (Red Ray Bush)
Switchgrass (Code: 5162)
 Airy crimson flowerheads dance atop red-tipped blades. Creates an upright arching mass. Burnished-red fall color makes this an outstanding grass. A "Great Plant Pick" for the Pacific Northwest! (3' x 2') Zn4.

Panicum virgatum 'Shenandoah'
Switch Grass (Code: 4403)
 This Panicum is unmatched for its burgundy-red foliage! The leaves start out green, then turn dark red by July, and eventually turn wine-colored by September. Airy red flower plumes appear in late summer. A "Great Plant Pick" for the Pacific Northwest! (2-3' x 2') Zn4.

Parthenocissus henryana
Silvervein Creeper (Code: 6735)
 Palmately-compound leaves with silver veins turn a brilliant red in fall. Insignificant green flowers in summer are followed by dark blue berries in fall. A "Great Plant Pick" for the Pacific Northwest! (12-20' x 8-12') Zn6.

Parthenocissus quinquefolia
Virginia Creeper (Code: 6499)
 A vigorous vine to cover trellises, fences or buildings. Also a good groundcover on slopes, and to control erosion. Five-lobed leaves turn brilliant orange-to-crimson in fall. (25' x 6-10') Zn4.

Pelargonium sidoides
South African Geranium (Code: 7004)
 Beautiful South African species with fuzzy silvery leaves and long stems bearing clusters of single dark purple florets. An unusual container accent. (12" x 18") Zn8.

Pennisetum alopecuroides 'Burgundy Bunny'
Fountain Grass (Code: 7687)
 Clumps of fine leaves start green in spring, then have red accents in summer, topped with creamy white bunny-tail flowers. In autumn, the foliage color deepens until the entire plant is glowing red! (10-12" x 12-15") Zn6. PPAF

Pennisetum purpureum 'Princess Caroline'
Napier Grass (Code: 7578)
 'Princess Caroline' provides brilliant purple foliage on plants that stay compact. It has better disease resistance, excellent weather tolerance and sturdier growth. Plants will not flower except in totally frost-free areas. (36" x 30-36") Zn8. PPAF

Pennisetum setaceum 'Rubrum'
Purple Fountain Grass (Code: 4108)
 Stunning smokey-purple blades with red highlights and foxtail-like plumes bloom midsummer through frost. A fabulous vertical accent for containers. (30-36" x 24-36") Zn9.

Penstemon digitalis 'Dark Towers'
Beard Tongue (Code: 4132)
 Glossy bronze-red foliage is topped by masses of pink flowers in July and August. Tall dark bronze foliage is showy even when not in flower. Tolerates heat and humidity. (36" x 18-24") Zn3. PP20013 Propagation Prohibited.

Perovskia 'Lacey Blue'
Russian Sage (Code: 7652)
 This compact, upright form of Russian sage will look and fit better in smaller gardens! Deep violet-blue flowers arranged in panicles appear in summer above gray-green lacy foliage. Prefers somewhat dry, well-drained soil and a sunny location. Grown from a seedling of P. 'Blue Spire' (30-36" x 36-42") Zn5. PP20845

Pelargonium citrosium 'Frosted'
Scented Geranium (Code: 7023)
 Uniquely scented foliage is edged with creamy-white variegation. The citronella scent is most pronounced when leaves are rubbed. It makes a great accent plant in mixed containers. (12-18" x 12-18") Zn9.

Pennisetum 'Princess Molly'
Fountain Grass (Code: 7579)
 Thin, beautiful, olive-bronze leaves form a very compact grass. Plants have excellent disease resistance and weather tolerance. It will not flower except in totally frost-free areas. (14-20" x 18-24") Zn8. PPAF

Pennisetum alopecuroides 'Piglet'
Fountain Grass (Code: 4857)
 Dwarf fountain grass taller than P. 'Little Bunny', but shorter than P. 'Hameln'. Foxtail-like plumes are showy and contrast nicely with other summer blooming perennials. (15-18" x 18-24") Zn6. PP19074 Propagation Prohibited.

Pennisetum setaceum 'Fireworks'
Fountain Grass (Code: 4573)
 The most popular container grass of all time is now available in a gorgeous variegated form, combining red with bright pink and white stripes. Super for mixed planters and massed in the landscape. Stunning! (36" x 18-24") Zn9. PP18504 Propagation Prohibited.

Pennisetum setaceum 'Skyrocket'
Fountain Grass (Code: 7594)
 Bright green & pristine white variegated foliage explodes with pink plumes in summer. A sport of P. 'Fireworks'. Highly recommended for containers! (24-30" x 18-24") Zn9. PPAF

Penstemon digitalis 'Husker's Red'
Beard Tongue (Code: 3210)
 Gorgeous deep red foliage is topped with lavender-white flowers in early summer, providing stunning contrast! 1996 Perennial Plant Association Plant of the Year. (30" x 24") Zn3.

Persicaria microcephala 'Red Dragon'
Fleeceflower (Code: 4365)
 Excellent foliage plant with deep burgundy leaves strikingly-marked by a plum or silvery chevron. Clusters of small white flowers in late summer. (2' x 3') Zn5. PP12062 Propagation Prohibited.

Petasites japonicus 'Giganteus Variegatus'
Japanese Coltsfoot, Butterbur (Code: 5893)
 Enormous round green leaves have irregular and extensive cream-colored variegation. In early spring before the leaves emerge, terminal blossoms appear on flower spikes with small green leaf-like bracts. It will naturalize to form a colony. (3' x 3') Zn5.

Petroselinum crispum
Triple Curled Parsley (Code: 8340)
 This popular cooking herb and garnish is high in iron and vitamins A & C. The foliage stays fresh and attractive until hard frost, or all winter in mild climates. Biennial, but usually grown as an annual. (10" x 12") Zn.

Peucedanum ostruthium 'Daphnis'
Variiegated Masterwort (Code: 7581)
 Broad, gray-green leaves are edged in cream. White flowers emerge in umbels like Queen Anne's lace in June and July. It grows best in rich soil in partial shade and slowly spreads to form a groundcover that's not invasive. (10-16" x 24") Zn5.

Phlox paniculata 'Becky Towse'
Tall Garden Phlox (Code: 4736)
 The bright gold and green-variegated foliage makes a big splash of color in the perennial border. Fragrant, coral-rose flowers with darker magenta centers appear in late summer. (20-28" x 24") Zn4. PP12908 Propagation Prohibited.

Phormium 'Candy Stripe'
New Zealand Flax (Code: 2827)
 Stiff, upright, sword-like evergreen leaves are marked with pink, green & cream stripes. A beautiful architectural plant for patio or garden. (3-4' x 3') Zn8.

Phormium 'Dusky Chief'
New Zealand Flax (Code: 6975)
 1.5" wide smokey maroon-red, sword-like foliage has gracefully-curved tips. Striking alone or mixed in containers. (3-4' x 3-4') Zn8.

Phormium 'Evening Glow'
New Zealand Flax (Code: 3824)
 Brightly colored reddish-pink leaves are erect when young and become an upright, arching cluster of foliage when older. (3-4' x 3-4') Zn8.

Phormium 'Jester'
New Zealand Flax (Code: 3822)
 Upright, arching strap-like leaves have pink centers and lime-green margins. It makes a showy centerpiece in a container! (3-4' x 3-4') Zn8.

Phormium 'Maori Queen'
New Zealand Flax (Code: 6981)
 This stiff, upright plant has 2" wide olive-green strap-like leaves edged in bright rose-red. The edges eventually fade to a cream color. Great for creating tropical effects in the garden and for mixed containers. (3-4' x 3-4') Zn8.

Phormium 'Platts Black'
New Zealand Flax (Code: 3863)
 Arching, very dark brown-black, leaves gleam on this spreading form. An excellent evergreen container plant. (2-3' x 2-3') Zn8.

Phormium 'Rainbow Sunrise'
New Zealand Flax (Code: 3825)
 The bronze foliage has red and pink variegation that tends to be more pink in the center. The colorful foliage makes an impact in the landscape year-round. (3' x 4-6') Zn7.

Phormium 'Red Sparklers'
New Zealand Flax (Code: 4885)
 Outstanding burgundy foliage adds dramatic accent to a sunny border or mixed container. Compact habit. (3-4' x 3-4') Zn8.

Phormium 'Tom Thumb'
New Zealand Flax (Code: 6986)
 This dwarf New Zealand flax features undulating 1/2" wide green leaves with bronzy-red margins. Excellent planted in groups or as a container accent. (12-24" x 12") Zn8.

Phormium 'Variegated Dwarf'
New Zealand Flax (Code: 6977)
 Dark green leaf blades have lime-green margins, making a stunning statement. The foliage grows up to 4' tall even though it's considered a dwarf! It makes an ideal container plant. (4' x 3') Zn8.

Phormium 'Wings of Gold'
New Zealand Flax (Code: 5290)
 Broad, bright gold centers contrast vividly with margins of fresh green. With a stiff and upright habit, it creates an eye-catching vertical accent in containers. (4' x 4') Zn8.

Phormium cookianum 'Flamingo'
New Zealand Flax (Code: 6958)
 Beautiful foliage has bright stripes of cream, pink and olive green. A stunning statement in the sunny garden and perfect for that tropical look. (2-4' x 2-4') Zn8.

Phormium tenax 'Black Rage'
New Zealand Flax (Code: 3939)
 Stunning smokey-purple leaves have contrasting silvery-blue undersides. It makes a bold statement in the garden or containers. (4' x 4-6') Zn8.

Phormium tenax 'Bronze'
New Zealand Flax (Code: 4792)
 Bold, bronze-leaved accent plant creates a tropical look in containers. It provides striking contrast with plants that have chartreuse foliage. (4' x 3') Zn8.

Phormium tenax 'Dark Delight'
New Zealand Flax (Code: 2288)
 Dark reddish-bronze foliage forms graceful, arching clumps. Compact habit reaches only to 3-4'. (4' x 3') Zn8.

Phormium tenax 'Sundowner'
New Zealand Flax (Code: 6979)
 Broad gray-green leaves have hot pink edges. The fabulous foliage is stunning year-round in the garden and is simply sublime in containers! (4-6' x 4') Zn8.

Physocarpus opulifolius 'Summer Wine'
Ninebark (Code: 3845)
 A cross between *Physocarpus o. 'Nana'* and *P. 'Diabolo'*, it has a compact and dense growth habit that won't get leggy. The wine-colored foliage contrasts nicely with adorable button-like white and pink-blushed flowers in late spring. (4-6' x 4-6') Zn3. PP14821 Propagation Prohibited.

Pittosporum tenuifolium 'Margaret Turnbull'
Pittosporum (Code: 3776)
 Large variegated, dark green leaves have chartreuse-gold centers. Purple, honey-scented flowers appear late spring to early summer. Versatile and easy to grow. (6' x 4') Zn8.

Pleioblastus pygmaeus
Dwarf Green Bamboo (Code: 2110)
 Vigorous, spreading underground rhizomes produce upright woody stems with grassy-green culms. Great as a groundcover in woodland or oriental landscapes. (3' x 5') Zn6.

Polemonium reptans 'Stairway to Heaven'
Jacob's Ladder (Code: 4163)
 Dramatic variegated leaves have wide creamy margins. The foliage is remarkably heat resistant and takes on a beautiful pink flush in cool weather. Sky-blue flowers appear in spring. (12-16" x 12-18") Zn4. PP15187, EU15723 Propagation Prohibited.

Polemonium reptans 'Touch of Class'
Jacob's Ladder (Code: 4389)
 The foliage has bright, silvery-white edges with gray-green centers, giving the plant an overall silvery appearance. Silvery-blue flowers appear in spring. The foliage is also quite heat resistant. (12-18" x 12-18") Zn3. PP19768 Propagation Prohibited.

Polemonium yezoense 'Purple Rain'
Jacob's Ladder (Code: 4102)
 Dramatic, nearly black, ferny leaves are topped by large blue flowers. The foliage fades to dark green with a silvery sheen as the season progresses. A beautiful selection for the shady border. (24" x 18") Zn5.

Polygonatum biflorum 'Prince Charming'
Soloman's Seal (Code: 7260)
 Arching stems of blue-green leaves no taller than 12" start the spring with many pairs of creamy white flowers. In fall purple berries are followed by golden yellow fall color. Can tolerate full sun with moist, well-drained soil but prefers part shade. (8-12" x 24-36") Zn3. PPAF

Polygonatum odoratum 'Variegatum'
Variegated Solomon's Seal (Code: 3339)
 Fragrant white flowers top arching stems of silver-edged leaves in spring. This woodland favorite has a nice creeping habit that is simply stunning when it forms a colony. A "Great Plant Pick" for the Pacific Northwest. (24" x 12") Zn4.

Polystichum acrostichoides
Christmas Fern (Code: 5388)
 Dark green, leathery, lance-shaped fronds are graceful and evergreen. A wonderful accent in the shade garden, it provides textural contrast with other shade lovers such as Hosta, Astilbe, and Dicentra. (12-24" x 24") Zn3.

Pulmonaria 'Majeste'
Lungwort (Code: 4413)
 Dainty flowers open pink then age to blue in early spring. Silver leaves have a thin green margin and remain beautiful in summer heat. (12" x 12") Zn4.

Pulmonaria 'Trevi Fountain'
Lungwort (Code: 7458)
 The narrow green leaves are spotted with silver. Clusters of deep cobalt-blue flowers appear in early spring. The foliage is heat tolerant and mildew resistant. (18-24" x 18-24") Zn4.

Pulmonaria angustifolia 'Azurea'
Lungwort (Code: 3382)
 Brilliant blue flowers sparkle above a low carpet of solid green leaves in early spring. It grows best in part shade with rich, moist soil. (10" x 18") Zn4.

Pulmonaria longifolia
Longleaf Lungwort (Code: 5529)
 Narrow, dark green, white spotted leaves are topped with deep blue flowers. A stunning early spring bloomer, perfect for the shade garden. (12" x 18") Zn4.

Pulmonaria longifolia 'Bertam Anderson'
Longleaf Lungwort (Code: 4536)
 Long, dark green leaves with light silver spotting are accented by tight clusters of small cobalt-blue bells in early spring. The foliage is very mildew resistant. (12" x 18-24") Zn4.

Pulmonaria longifolia 'Diana Clare'
Longleaf Lungwort (Code: 3997)
 This improved, heat resistant cultivar doesn't need cutting back after flowering. The mostly silver foliage has thin green edges with a few green spots, and remains healthy all season. Violet flowers appear in early spring. (10" x 10") Zn4.

Pulmonaria longifolia 'E.B. Anderson'
Longleaf Lungwort (Code: 5494)
 Dainty clusters of flowers open pink then age to deep blue. Dark green foliage is delicately spotted with silver. (12" x 18") Zn4.

Pulmonaria longifolia 'Roy Davidson'
Longleaf Lungwort (Code: 5794)
 Dainty pink flowers turn light blue as they mature. Wonderful narrow, dark green foliage exhibits vivid silvery-white spotting. Heat resistant, it doesn't go dormant in summer. (12" x 24") Zn4.

Pulmonaria longifolia ssp. cevenensis
Longleaf Lungwort (Code: 6329)
 Wonderful clusters of brilliant blue spring flowers top exceptionally-long, narrow leaves heavily-blotched with sparkling silver. Rare and choice, it is a "Great Plant Pick" for the Pacific Northwest. (8-10" x 24") Zn4.

Pulmonaria saccharata 'Smokey Blue'
Lungwort (Code: 5748)
 Smokey-blue flowers top a low, spreading carpet of wide, deep green leaves heavily-spotted with silvery-white. An excellent plant for brightening up shady areas. (12" x 12-24") Zn3.

Rodgersia podophylla 'Rotlaub' (Redleaf)
Roger's Flower (Code: 2161)
 A good, hardy selection with bold, dark foliage that keeps its color through summer. Airy white flower panicles appear early summer. (36-42" x 24-36") Zn5.

Rosa glauca
Redleaf Rose (Code: 3998)
 This Rose is grown more for its dusty mauve foliage than flowers. It contrasts well with tall blue foliage plants like Panicum 'Dallas Blue'. Single pink flowers appear in June. Very hardy and carefree, it grows up to 7' tall. (7" x 5-7") Zn3.

Rosmarinus 'Bonnie Jean'
Rosemary (Code: 4997)
 The evergreen foliage has a low-growing, dense habit with dark bluish-purple flowers from late fall to early winter. Reputed to be resistant to winter damage. (18-24" x 36-48") Zn7.

Rosmarinus 'Gold Dust'

Rosemary (Code: 4845)

Fragrant, narrow, evergreen leaves are bright green with gold variegation. Blue flowers appear in spring. Extremely heat tolerant, it makes an excellent ornamental shrub. (24-36" x 24-36") Zn7. PP19949 Propagation Prohibited.

Rosmarinus officinalis 'Arp'

Rosemary (Code: 8159)

This culinary form has a strong upright and vigorous habit. The aromatic foliage has marvelous light blue flowers in early spring. Known for its superior cold hardiness and tolerance of wet conditions. A "Great Plant Pick" for the Pacific Northwest! (2-3' x 2') Zn7.

Rosmarinus officinalis 'Barbecue'

Rosemary (Code: 2279)

Long, upright stems of aromatic foliage are perfect for cutting and grilling! A superb culinary selection. Blue flowers in early spring, excellent evergreen accent. (40" x 24") Zn7.

Rosmarinus officinalis 'Blue Spires'

Rosemary (Code: 6902)

This essential culinary herb is also an excellent and undervalued landscape plant. It has an upright, branching habit with pretty blue flowers in early spring. With superior cold hardiness, it is a "Great Plant Pick" for the Pacific Northwest! (4-5' x 3') Zn7.

Rosmarinus officinalis 'Majorca Pink'

Rosemary (Code: 6450)

Lavender-pink flowers top dark green, upright, aromatic foliage. A repeat bloomer, this rosemary blooms in spring and then again in fall. (2-4' x 2') Zn8.

Rosmarinus officinalis 'Miss Jessop's Upright'

Rosemary (Code: 8168)

This strong, upright growing rosemary is excellent for culinary use. Fragrant, needle-like foliage has a wonderful flavor. Light blue flowers appear in spring. (3-4' x 2-3') Zn7.

Rosmarinus officinalis 'Salem'

Rosemary (Code: 6281)

This essential culinary herb is also an excellent and undervalued evergreen shrub. It features neat, fine-needled, aromatic foliage. Blue flowers appear in early spring. A "Great Plant Pick" for the Pacific Northwest! (3-5' x 2-3') Zn8.

Rosmarinus officinalis 'Tuscan Blue'

Rosemary (Code: 8169)

This vigorous, hardy rosemary has thick, dark green foliage and bright violet-blue flowers in winter and spring. It's excellent for flavoring food! A "Great Plant Pick" for the Pacific Northwest! (2-3' x 3') Zn7.

Ruta graveolens 'Jackman's Blue'

Common Rue (Code: 8178)

Small yellow flowers top blue-gray leaves. Use as a beautiful evergreen foliage plant in the landscape. The foliage can also be used as a natural insect repellent. (2' x 2') Zn5.

Sagina subulata

Irish Moss (Code: 2985)

The moss-like, dense green mat of foliage is occasionally covered with tiny white flowers. Excellent for use between pavers, in rockeries or as an evergreen groundcover. It needs regular moisture and good drainage. (1-2" x 12") Zn4.

Sagina subulata 'Aurea'

Scotch Moss (Code: 3463)

The moss-like, evergreen, golden mat of foliage is occasionally covered with tiny white flowers. Excellent between pavers, in rockeries and the shade garden. It needs regular moisture and good drainage. (1-2" x 12") Zn4.

Salix integra 'Hakuro Nishiki'

Brocade Willow (Code: 6159)

Brilliant green, white and pink-splashed leaves adorn this rounded shrub. A perfect accent for the small garden, it can also be trained as topiary! (6' x 6') Zn6.

Salix purpurea 'Nana'

Blue Willow (Code: 3400)

Dainty gray-green leaves gracefully cover this petite willow. Rich purple stems are striking in winter. It makes a great border specimen or an attractive hedge. A "Great Plant Pick" for the Pacific Northwest! (5-6' x 5') Zn3.

Salvia elegans 'Frieda Dixon'

Pineapple Sage (Code: 6222)

This gorgeous herb boasts profuse, clear watermelon-colored flowers. Bright lime-green leaves and a pure, fresh pineapple scent adds to its charm. Delicious and aromatic in fruit salad! (3-4' x 3') Zn8.

Salvia elegans 'Golden Delicious'
Pineapple Sage (Code: 4278)
 This delicious sage boasts emerging foliage in brilliant shades of gold. In fall, vivid red blooms contrast marvelously with pineapple-scented leaves. (36" x 24") Zn8. PP17977 Propagation Prohibited.

Salvia officinalis 'Berggarten'
Sage (Code: 5382)
 This excellent compact form has wide gray leaves and dark violet flowers. One of the best Sages for culinary use, it is also valuable as an ornamental accent in the garden. (18" x 24") Zn6.

Salvia officinalis 'Grower's Friend'
Sage (Code: 4513)
 Fragrant, gray-green textured leaves are evergreen in mild climates. This non-flowering, or late flowering, form is the best Sage for culinary use. (24-30" x 24-30") Zn6.

Salvia officinalis 'Icterina' (Golden Variegated)
Golden Variegated Sage (Code: 8190)
 Gorgeous golden-variegated leaves with a splash of dark green. Marvelously textured foliage with small oval, aromatic leaves. A mild-flavored culinary selection. (16" x 24") Zn6.

Salvia officinalis 'La Crema'
Sage (Code: 7431)
 This variegated form of the highly popular Berggarten Sage has gray-green leaves with a chartreuse edge. It's equally nice as a non-flowering ornamental plant or as a culinary herb. A delightfully fragrant garnish! (18" x 24") Zn6.

Salvia officinalis 'Minor'
Green Sage (Code: 8185)
 This savory culinary herb features small silvery, mounding foliage and bright blue flowers. Used to season meats and sauces, it has excellent flavor. (12-16" x 18") Zn6.

Salvia officinalis 'Purpurascens'
Purple Sage (Code: 8187)
 Handsomely-distinctive, deep green foliage is overlaid with a violet-purple cast. It makes a striking border accent that is excellent for culinary use as well. Versatile! (18" x 24") Zn6.

Salvia officinalis 'Woodcote'
Sage (Code: 3265)
 Aromatic, soft lime-green and butter-cream-variegated leaves have a nubby texture. The foliage is evergreen in mild climates. Violet-blue flower spikes appear in summer. (12-16" x 18-24") Zn6.

Sambucus nigra 'Madonna'
Elderberry (Code: 6081)
 Brilliant gold-variegated leaves are graced with pretty white flower clusters midsummer, followed by berries in fall. An excellent contrast when placed against a dark background. (12' x 6') Zn4.

Sambucus nigra 'Variegata'
Variegated Elderberry (Code: 6080)
 Stunning deciduous shrub with brilliantly-variegated green and white leaves. Large flat clusters of white spring flowers are followed by dark purple berries. (13' x 6') Zn4.

Sambucus racemosa 'Sutherland Gold'
Golden Elderberry (Code: 6739)
 Lacy white flowers dance atop finely-dissected golden foliage in summer. A striking and vigorous selection that tolerates sun nicely. (10' x 6-8') Zn5.

Santolina 'Lemon Fizz'
Lavender Cotton (Code: 7646)
 Spicy scented chartreuse foliage is accented by creamy yellow flowers that resemble tiny buttons. It forms a low mound of evergreen foliage. Prefers well-drained soils. (12-15" x 12-18") Zn6. PPAF

Saxifraga stolonifera 'Maroon Beauty'
Strawberry Geranium (Code: 4879)
 Showy rounded, reddish-green leaves with silver veins. Airy sprays of white flowers appear in early summer. It will politely colonize to make a beautiful groundcover. (12-18" x 15") Zn6.

Scirpus tabernaemontani 'Zebrinus'
Zebra Rush (Code: 4303)
 Beautiful horizontal gold bands encircle narrow, deep green leaves. This is an excellent vertical accent for moist soil by a pond or stream. (4' x 10-2') Zn5.

Scrophularia auriculata 'Variegata'
Variegated Figwort (Code: 5004)
 Tall spikes of tiny wine-red flowers dance above bold green and creamy-white variegated foliage with a crinkly texture. It needs rich, moist soil. A "Great Plant Pick" for the Pacific Northwest! (2' x 2') Zn5.

Sedeveria (unknown species)
Sedeveria (Code: 6571)
 Sedeveria is a cross between Sedum and Echeveria. Rounded, light green leaves form exotic, spiraling rosettes. Excellent plant for desert dish gardens. (4-5" x 12-16") Zn10.

Sedum 'Autumn Delight'
Stonecrop (Code: 4862)
 Succulent leaves and stems are lime-hued with dark green edges. Flowers are a nice shade of pink and turn bronze in fall. (18-24" x 18-24") Zn4. PP18398 Propagation Prohibited.

Sedum 'Beach Party'
Stonecrop (Code: 7603)
 Sedum 'Beach Party'™ is blanketed with thousands of star shaped, light rose-pink flowers that look like mounding dunes. Bees and butterflies will definitely have a party feasting on the prolific blooms. (14-18" x 18-24") Zn4. PPAF, PVR

Sedum 'Chocolate Drop'
Stonecrop (Code: 7411)
 Lightly scalloped, chocolate foliage creates an eye-catching background to soft rose colored flowers in midsummer. Develops into small mounds making it a great addition to the rock garden and when mixed with bronze or yellow foliage. (10-12" x 12-15") Zn4. PPAF,PVR Propagation Prohibited

Sedum 'Plum Perfection'
Stonecrop (Code: 7620)
 Plum and gray-green foliage are highlighted with pink star-shaped flowers in August. The foliage forms a low mound, perfect for the front of the border or rock garden. (6" x 10-12") Zn4. PPAF

Sedum 'Silver Moon'
Stonecrop (Code: 3462)
 A NW native hybrid between *S. laxum* and *S. spathulifolium* was discovered by the late Helen Payne. Interesting chartreuse-silver, evergreen rosettes are marked with pink and red tones. (4" x 12") Zn6.

Sedum 'Sunkissed'
Stonecrop (Code: 7032)
 This Sedum forms upright grayish/blue-green foliage that contrasts dramatically with creamy-yellow flowers; a novel flower color for an upright sedum! (12-18" x 12-18") Zn3. PP16927 Propagation Prohibited.

Sedum 'Xenox'
Stonecrop (Code: 4027)
 A very garden-worthy, compact, bushy form of upright Sedum. Gray-purple foliage with pink flowers appear in September. This recent introduction is one of the best! (12-14" x 18") Zn3. PP16888 Propagation Prohibited.

Sedum album 'Athoum'
Stonecrop (Code: 7645)
 Plump, round, evergreen leaves are much larger than the species and remain apple-green in winter. The leaves will often turn slightly red in the heat of summer when the white flowers appear. It's wonderful as a groundcover for sunny sites. (2-4" x 18-24") Zn4.

Sedum album 'Black Pearl'
White Flowering Stonecrop (Code: 6271)
 The creeping bronze-purple succulent evergreen foliage holds its color well into summer. White panicles appear in summer. It can be used in containers, rock gardens, trailing over rock walls or as a groundcover. (2-3" x 12-24") Zn4.

Sedum album var. micranthum 'Red Ice'
Stonecrop (Code: 4443)
 Named for the deep red color of the tiny evergreen foliage in fall and winter. The foliage turns blue-green again in spring and summer. White flowers appear in July. (1-2" x 6-12") Zn3.

Sedum anacampseros
Stonecrop (Code: 3468)
 This low, spreading Sedum has attractive grayish-blue, rounded leaves. Rosy-purple flowers appear in July. A great choice for the rockery. (4-6" x 12") Zn5.

Sedum anglicum 'Love's Triangle'
Stonecrop (Code: 7700)
 Mats of tiny, powder blue leaves are topped by single, pale pink bloom in late spring and early summer. An excellent plant for the rock garden, alpine trough or between stepping stones. (1-2" x 6-12") Zn3.

Sedum bithynicum 'Sea Stars'
Turkish Stonecrop (Code: 6592)
 Finely textured, gray-green leaves are topped by small star-shaped white flowers in summer. This is an excellent evergreen, low maintenance plant for rock gardens. (2" x 18-24") Zn3.

Sedum cauticola 'Bertram Anderson'
Stonecrop (Code: 6801)
 Clusters of dusky pink, starry flowers top fabulous dark maroon foliage with gray-blue overtones. This stunning groundcover or rockery plant is a "Great Plant Pick" for the Pacific Northwest! (5" x 12") Zn5.

Sedum cauticola 'Lidakense'
Stonecrop (Code: 5317)
 Eye-catching small deep purple leaves adorn this compact succulent. Rosy-red flowers appear from late summer to fall. Perfect for the rockery, it is a "Great Plant Pick" for the Pacific Northwest! (4" x 12") Zn5.

Sedum cyaneum
Stonecrop (Code: 3471)
 Showy rose-hued flowers adorn strikingly-beautiful, succulent blue leaves in summer. A lovely, low-growing addition to any garden. It is a "Great Plant Pick" for the Pacific Northwest! (3" x 16") Zn6.

Sedum dasphyllum 'Major'
Stonecrop (Code: 6933)
 This low-growing Sedum has pebble-like, succulent bluish-green foliage that has a purple-mauve tint. A good groundcover for hot, dry conditions. Tiny white flowers appear in early summer. (4" x 18") Zn6.

Sedum divergens
Cascade Stonecrop (Code: 4391)
 Chubby, shiny deep green, evergreen leaves turn blush-red in sun and cold. It slowly spreads to form a groundcover that is great for rock gardens and rock walls. Yellow flowers appear midsummer. (1-3" x 12-18") Zn3.

Sedum ewersii
Stonecrop (Code: 3474)
 Pretty gray leaves with red margins are topped by pink flowers in late summer. An attractive accent for the sunny garden. A "Great Plant Pick" for the Pacific Northwest! (3" x 12") Zn6.

Sedum hakonense 'Chocolate Ball'
Stonecrop (Code: 7462)
 Needle-like, succulent foliage ranges in color from milk-chocolate brown in the spring to dazzling red in the fall. Yellow flowers appear in summer. (4-6" x 12-16") Zn7.

Sedum kamtschaticum 'The Edge'
Kamtschatka Stonecrop (Code: 4455)
 Light green foliage with distinct yellow margins make this plant very striking even when not in flower. Star-shaped yellow flowers appear in summer. (6" x 12") Zn4.

Sedum kamtschaticum 'Variegatum'
Kamtschatka Stonecrop (Code: 3475)
 This low-growing and deciduous form has glowing green and cream-variegated leaves that are occasionally tinged pink. Golden-yellow flowers emerge from red buds in summer. A "Great Plant Pick" for the Pacific Northwest! (8" x 16") Zn4.

Sedum kamtschaticum 'Weihenstephaner Gold'
Kamtschatka Stonecrop (Code: 3913)
 This easy to grow, spreading groundcover with semi-evergreen succulent foliage has bright yellow flowers in June. A "Great Plant Pick" for the Pacific Northwest! (4-6" x 12-16") Zn3.

Sedum laxum
Stonecrop (Code: 3476)
 Blue-green evergreen rosettes of 3/4" spatulate leaves are topped with light yellow flowers in late summer. An excellent NW native plant for the rockery, it should be planted more often! (4-6" x 12") Zn6.

Sedum lydium
Stonecrop (Code: 3477)
 Very low-growing, textural bright green mat takes on an attractive red tint in cool weather. Small white flowers appear in summer. (1" x 8") Zn3.

Sedum makinoi 'Limelight'
Stonecrop (Code: 7334)
 Lime-green, dime-sized leaves form a dense and spreading mat. Yellow flowers appear in summer. It grows best in filtered shade. (3" x 12") Zn6.

Sedum makinoi 'Ogon'
Stonecrop (Code: 6971)
 Fabulous contrast plant with bright golden foliage, very tiny leaves, and a low, creeping habit. Greenish-yellow flowers appear in summer. It grows best in filtered shade. (2" x 12") Zn6.

Sedum makinoi 'Variegata'
Stonecrop (Code: 4343)
 This low-growing, mat-forming Sedum has small light green leaves with creamy-white edges. Yellow flowers appear in summer. An excellent choice for the rockery or containers. (1" x 12") Zn6.

Sedum pachyclados
Stonecrop (Code: 3918)
 Low-growing succulent with gray-blue, evergreen foliage and silvery-pink flowers in summer. A great plant for the rock garden or rock wall. 2009 "Great Plant Pick" for the Pacific Northwest! (1-3" x 6") Zn3.

Sedum palmeri
Stonecrop (Code: 5313)
 The waxy, succulent blue-green leaves form a carpet that drapes over stones or walls. Yellow, star-like flowers appear in late winter or early spring. A great textural foliage plant! (4-6" x 12") Zn7.

Sedum reflexum 'Blue Spruce'
Stonecrop (Code: 6932)
 The blue-green spruce-like, succulent foliage is topped by bright yellow flowers in early summer. A great evergreen groundcover for hot, dry conditions, but it also thrives in part shade. (6-8" x 24") Zn3.

Sedum rupestre 'Angelina'
Stonecrop (Code: 3306)
 The brilliant golden-yellow, needle-shaped, evergreen foliage is terrific for containers, beds or as a groundcover. Yellow flowers appear in summer. (4" x 12-24") Zn3.

Sedum rupestre 'Sea Gold'
Stonecrop (Code: 4444)
 From late spring to late summer, needle-like, evergreen foliage turns chartreuse-yellow. In fall, the foliage has red tips and then in winter turns primarily green. Bright gold flowers appear in July. (1-3" x 12-18") Zn3.

Sedum rupestre 'Variegata'
Stonecrop (Code: 6334)
 Mat-forming, blue green needle-like foliage has bright yellow growing tips. Yellow flowers appear in early summer. This evergreen, drought tolerant succulent can be used in rock gardens, borders or containers. Easy to grow in well-drained, average soil. Attractive to butterflies and is deer resistant. (4-8" x 18-24") Zn3.

Sedum sexangulare
Stonecrop (Code: 3920)
 This low-growing carpet of evergreen foliage has bright yellow flowers in spring. The foliage turns a rich burnt-copper hue in strong sun. (4" x 10") Zn3.

Sedum sichtense
Stonecrop (Code: 3921)
 A rare, very small, slow-growing species with tiny, flat leaves that grow on purple stems. Clusters of yellow blossoms appear in summer. Native to eastern Ukraine. (2-3" x 6") Zn4.

Sedum spathulifolium 'Cape Blanco'
Stonecrop (Code: 3484)
 Tight rosettes of evergreen, succulent leaves are covered with a dense silvery-white coating, causing the entire plant to look very white. This attractive and unusual NW native is named after Cape Blanco, Oregon. (4" x 24") Zn6.

Sedum spathulifolium 'Carnea'
Broadleaf Stonecrop (Code: 4895)
 Compact evergreen NW native succulent with silvery rosettes edged with red to vermilion. The foliage turns deep crimson in winter. Yellow, star-like flowers appear in summer. (4" x 12") Zn3.

Sedum spathulifolium 'Purpureum'
Stonecrop (Code: 3485)
 Eye-catching silvery-blue & reddish-purple leaves age to burgundy on this dump-forming NW native succulent. Yellow flowers appear in June. It creates a dramatic, spreading evergreen groundcover. (4" x 12-18") Zn6.

Sedum spectabilis 'Pink Chablis'
Stonecrop (Code: 6015)
 This variegated form of Sedum 'Brilliant' has vigorous growth with an improved compact habit. Broad green succulent leaves have a clean white edge that is well displayed. Pink flowers appear in late summer from white buds. (18" x 18-24") Zn3. PP19060 Propagation Prohibited.

Sedum spurium 'Dragon's Blood' ('Schorbuser Blut')
Two Row Stonecrop (Code: 4246)
 This vigorously-spreading groundcover has bronze foliage that turns deep red in cool weather. Red flowers appear in late summer. A "Great Plant Pick" for the Pacific Northwest! (1-3" x 18-30") Zn3.

Sedum spurium 'Elizabeth' ('Red Carpet')
Two Row Stonecrop (Code: 3922)
 This vigorous groundcover has starry deep pink-to-red flowers in late spring and summer. The foliage is red in spring, then turns green in summer, and finally turns deep red again in fall. (3-4" x 12-24") Zn3.

Sedum spurium 'Fuldaglut'
Two Row Stonecrop (Code: 4288)
 This improved form of Sedum 'Dragon's Blood' has more consistent bronze-red foliage throughout the season. Rose-red, star-like flowers appear in summer. A Great Plant Pick for the Pacific Northwest! (1-3" x 12-24") Zn3.

Sedum spurium 'Purpurteppich' ('Purple Carpet')
Purple Carpet Two Row Stonecrop (Code: 3497)
 Succulent bronze-red foliage forms a dense evergreen mat. Dark rose flowers in summer add color and drama to this popular groundcover selection. A "Great Plant Pick" for the Pacific Northwest! (4" x 12-18") Zn3.

Sedum spurium 'Tricolor'
Two Row Stonecrop (Code: 3500)
 This incredible succulent has foliage that's variegated pink, white, gray and green. Jewel pink flowers appear in late summer. Beautiful! A "Great Plant Pick" for the Pacific Northwest! (3" x 12-18") Zn4.

Sedum telephium 'Red Cauli'
Stonecrop (Code: 4578)
 Forms a low growing mound of attractive blue-green foliage flushed with purple. Extremely floriferous, from July to October it is carpeted by small clusters of intense, deep rose-red flowers. (10-12" x 12-15") Zn3. PPAF Propagation prohibited.

Sedum telephium 'Strawberries and Cream'
Stonecrop (Code: 4791)
 Lovely lavender and purple succulent foliage is topped by red-hued buds that open to creamy-white flowers in late summer. A striking and unusual variety! (12-18" x 12-18") Zn5.

Sedum x 'Thundercloud'
Stonecrop (Code: 4865)
 Cloudy gray-green succulent foliage forms a compact mound. White flowers bloom in September and make a bold contrast against the foliage. (12-15" x 12-16") Zn3.

Sedum x hybrida 'John Creech'
Stonecrop (Code: 3916)
 This is one of the best Sedums for a groundcover! It forms a mat of foliage 2"-3" tall and spreads 12" or more. Pink flowers appear in June. A "Great Plant Pick" for the Pacific Northwest! (2-3" x 12-18") Zn3.

Selaginella 'Blue Tuffet'
Club Moss (Code: 7033)
 This low growing club moss has dainty blue-green foliage. It makes an excellent filler for containers or use in shaded areas between pavers and rocks. (2-3" x 12") Zn6.

Selaginella 'Golden Tuffet'
Club Moss (Code: 7034)
 This finely-textured club moss has golden new growth that appears brightest in spring, then fades to soft chartreuse by summer. It makes an excellent filler for containers or use in shaded areas between pavers and rocks. (2-3" x 12") Zn6.

Selaginella kraussiana 'Aurea'
Golden Club Moss (Code: 4555)
 This finely-textured club moss forms a nice groundcover. Golden new growth appears brightest in spring, then fades to a soft chartreuse by summer. (2-3" x 12-16") Zn6.

Sempervivum 'El Toro'
Hens & Chicks (Code: 5277)
 Succulent, evergreen rosettes have a copper-red color and can be as large as 9" across! A fascinating choice for edging or for the rockery (4-6" x 9-12") Zn3.

Sempervivum 'Icicle'
Hens & Chicks (Code: 3529)
 Succulent evergreen rosettes are heavily-tufted, fringed, and frosty-red in color. It makes an excellent selection for rockeries and containers. (2-3" x 6") Zn3.

Sempervivum 'Jubilee'
Hens & Chicks, Houseleek (Code: 7470)
 This variety changes color during the year. Leaves start out light green then age to dark red late in the year. It is also lightly covered in hairs. (2-3" x 4-6") Zn3.

Sempervivum 'Lavender & Old Lace'
Hens & Chicks (Code: 3531)
 Smokey gray-green rosettes are highlighted with rosy-lavender. Fine silver hairs appear along the evergreen leaf margins. A great addition to any rockery. (2-3" x 6") Zn3.

Sempervivum 'Pekinese'
Hens & Chicks (Code: 5267)
 Small mounds of light to creamy-green, evergreen rosettes exhibit a flush of red in the spring. Pale rose flowers bloom in summer on short stalks. (2-3" x 6") Zn3.

Sempervivum 'Topaz'
Hens & Chicks (Code: 5443)
 Soft blue-green rosettes with a hint of light violet radiating from the center; topped by pink flowers on short stalks in summer. (2-3" x 6") Zn3.

Sempervivum 'Twilight Blue'
Hens & Chicks (Code: 4247)
 Lavender & gray-green succulent rosettes have purple edges. The evergreen foliage is perfect for the rockery. (2-3" x 6") Zn3.

Sempervivum arachnoides 'Large Form'
Cobweb Houseleek (Code: 6574)
 Succulent green rosettes, larger than the species, have a light spidery webbing of white threads. The foliage turns crimson in winter. It offsets freely to form a dense mat. (2-4" x 8-12") Zn3.

Sempervivum arachnoideum 'Cebenense'
Hens and Chicks, Houseleek (Code: 7469)
 Rosettes of tight, succulent, red-green triangular leaves, are connected with fine white hairs, giving the appearance of being covered in cobwebs. Pink to red flowers appear in summer. (2-3" x 4-6") Zn3.

Sempervivum montanum var. braunii
Hens & Chicks (Code: 3925)
 Small green, evergreen rosettes can display a pinkish hue early in the season. Sharply-pointed tips are occasionally flushed with red. Yellow flowers appear midsummer. (2-3" x 6") Zn3.

Sempervivum tectorum var. calcareum
Common Houseleek (Code: 6575)
 Evergreen succulent with rosettes of pointed, thick green leaves with red tips. Star-shaped, reddish-purple flowers are held in flat cymes on the terminal ends of hairy, upright stems. (2-3" x 8-12") Zn3.

Senecio greyi
Daisy Bush (Code: 7250)
 This handsome shrub has large, finely-felted, oval-shaped, silver colored leaves. Golden-yellow, daisy-like flowers appear sparsely in summer. Drought tolerant and a great plant for contrast. (4' x 5') Zn8.

Silene dioica 'Clifford Moor'
Red Campion (Code: 4740)
 Clumps of dark green leaves are edged with creamy-gold margins. Single pink flowers open late spring through early summer. Good for containers or perennial borders. (30" x 18") Zn6.

Silene uniflora 'Druett's Variegated'
Alpine Campion (Code: 6452)
 Distinctive cream and silver-variegated, glaucous leaves, are topped by white blooms in summer. The evergreen foliage is tinged pink in cool weather. (2" x 12") Zn3.

Smilacina stellata
Star-Flowered False Soloman Seal (Code: 6541)
 Northwest native false Soloman's seal with zigzag stems that spread to form a small colony. White star-shaped flowers appear in spring followed by greenish berries that eventually turn black. (24" x 48") Zn3.

Sorbaria sorbifolia
False Spirea (Code: 7636)
 This deciduous shrub forms large masses of arching branches that are covered with green compound leaves. Billowy white sprays of flowers appear in mid- to late summer. Mature plants spread where you let them. (5-8' x 8-12') Zn2.

Spiraea japonica 'Magic Carpet'
Japanese Spirea (Code: 5911)
 This marvelous dwarf shrub glows with spring foliage in shades of copper, coral and rose. Vivid pink flowers bloom periodically through summer. A "Great Plant Pick" for the Pacific Northwest! (2' x 2') Zn4. PP9363 Propagation Prohibited.

Spiraea japonica 'White Gold'
Japanese Spirea (Code: 5493)
 Pure white flowers adorn gold-to-chartreuse foliage on this compact deciduous shrub. An outstanding variety offering excellent contrast. (3' x 3') Zn4. PP13609 Propagation Prohibited.

Spiraea thunbergii 'Ogon'
Spirea (Code: 4074)
 Exquisite! An outstanding, golden-leaved cultivar with fine willow-like foliage and early spring white flowers. Bronze fall color. A "Great Plant Pick" for the Pacific Northwest! (3' x 3') Zn4.

Stachys b. 'Countess Helen von Stein Zeppelin'
Lamb's Ear (Code: 5717)
 Felted silver, evergreen leaves resist rot more than many in this group and have distinct veining. Leaves are longer and broader than the species. It rarely blooms. (12" x 18-24") Zn4.

Stachys byzantina 'Primrose Heron'
Lamb's Ear (Code: 5716)
 Large, soft, chartreuse foliage is delightful in spring. The foliage later fades to silver. It adds a wonderful touch of color to the garden year-round. (12" x 18") Zn4.

Stachys byzantina 'Silky Fleece'
Lamb's Ear (Code: 3672)
 A dwarf form of lamb's ear, it forms a soft dense evergreen mat that will carpet well-drained soils. Short spikes of tiny plum-colored flowers appear in summer. (4-10" x 12-18") Zn4.

Stachys byzantina 'Silver Carpet'
Lamb's Ear (Code: 3573)
 Fuzzy, silvery, evergreen leaves are invaluable for providing nice foliage contrast in the mixed border. This variety rarely blooms, but has a nice low & spreading habit. (8" x 24") Zn4.

Stachys chrysantha
Lamb's Ear (Code: 4896)
 Round silvery-white woolly leaves add dramatic texture to the garden. Compact spikes of light creamy-yellow flowers appear in summer. (12" x 18-24") Zn7.

Symphytum x uplandicum 'Axminster Gold'
Variegated Comfrey (Code: 4398)
 Bold and textural sunny-gold and green leaves make a fabulous foliage accent! Small clusters of dainty blue flowers add interest in early summer. (2' x 2') Zn4.

Tanacetum parthenium 'Aureum'
Feverfew (Code: 2403)
 Bright golden leaves are set off by 1" white daisies with yellow centers. This great container plant blooms from summer through fall. (2' x 2') Zn4.

Tanacetum vulgare 'Crispum'
Tansy (Code: 3587)
 Luxurious, finely-cut, bright green foliage makes a lovely foil for spring and summer blossoms. Small yellow button-like flowers emerge late summer. It may require staking. (30" x 24") Zn4.

Tanacetum vulgare 'Isla Gold'
Tansy (Code: 4868)
 Brilliant gold, lacy foliage holds its color until frost. The button-like yellow flowers and gold foliage complement each other to excellent effect. It's easy to grow in full sun. (2' x 2') Zn4.

Teucrium fruticans 'Azereum'
Silver Germander (Code: 6684)
 Vivid blue flowers contrast nicely against silvery-white leaves on this small evergreen shrub. It prefers a sunny, sheltered position in well-drained soil. (3-4' x 3') Zn7.

Thalictrum flavum 'Illuminator'
Meadow Rue (Code: 4164)
 Intriguing columbine-like foliage emerges pale gold/chartreuse with bronzy-pink highlights. Airy clusters of tiny yellow, fragrant flowers on tall stems, June and July. Excellent for creating unique color combinations in the border. (5' x 2') Zn5.

Thalictrum ichangense 'Evening Star'

Meadow Rue (Code: 7455)

Tufts of starry lavender flowers float over the foliage spring through summer. Each leaflet varies in color from olive-tan, to copper-red and features a web of silver veins. The colorful foliage and starry flowers add a light and airy texture to woodland gardens. (8-12" x 8-12") Zn4. PPAF, PVR

Thalictrum minus 'Adiantifolium'

Meadow Rue (Code: 5054)

Foliage resembling that of a maidenhair fern is excellent for use in floral arrangements. Dainty chartreuse flowers add visual interest. A unique and beautiful selection that can naturalize nicely. (12-18" x 12") Zn5.

Thymus 'Gold Transparent'

Creeping Thyme (Code: 3603)

Shimmering gold and green foliage grows low and fast for a sun-loving, hardy, evergreen groundcover. Lilac blooms appear late summer. (3" x 12") Zn5.

Thymus longicaulis

Creeping Thyme (Code: 7716)

This spreading evergreen carpet of foliage has pink flowers in summer. Small pine scented leaves can be used to flavor meats. (3-5" x 18-24") Zn5.

Thymus x citriodorus 'Archer's Gold'

Lemon Thyme (Code: 3602)

Creeping thyme with brilliant golden, evergreen foliage that is especially bright in winter and spring. Excellent between pavers or spilling around stones. (2" x 12") Zn5.

Thymus x citriodorus 'Argenteus'

Silver Variegated Lemon Thyme (Code: 8253)

Glossy ivory and gray-green foliage adds interest to the rockery. This slow-growing variety has an excellent lemon flavor. (8" x 12") Zn5.

Thymus x citriodorus 'Aureus'

Gold Variegated Thyme (Code: 8251)

Small evergreen thyme with bright gold and gray-green foliage. Wonderful strong lemon flavor combines well with many chicken or fish dishes. Perfect in containers. (8" x 12") Zn6.

Thymus x citriodorus 'Doone Valley'

Variegated Thyme (Code: 5173)

Green foliage has irregular golden patches, which become red-tinted in winter. Fragrant lavender flowers appear from August through September. (4" x 12") Zn5.

Thymus x citriodorus 'Lime Gold'

Thyme (Code: 7779)

Creeping evergreen lime-gold foliage has a citrus fragrance. Pink flowers appear in summer. Excellent when used between flagstone or in the rock garden. (2-4" x 12-18") Zn5.

Tiarella 'Happy Trails'

Foamy Bells (Code: 7414)

Small, rounded, lobed green leaves have marvelous black central markings making this vigorous groundcover perfect for the shade garden. Short spikes of white flowers appear midsummer. Use for cascading on a slope or mixed in containers. (4-6" x 32-36") Zn4. PPAF, PVR Propagation Prohibited

Tiarella 'Neon Lights'

Foam Flower (Code: 4852)

Neon-green foliage has very black central markings topped by glowing large white flowers in spring. Leaves turn almost completely green in summer. (6-8" x 18-24") Zn4. PP13289, EU13669 Propagation Prohibited.

Tiarella 'Sugar and Spice'

Foam Flower (Code: 4142)

Glossy leaves with burgundy markings appear in summer and last through winter. Pink buds open to blush-pink flowers in spring, turning white and lasting for several weeks. (8-12" x 12") Zn4. PP16738, EU20614 Propagation Prohibited.

Tradescantia 'Blushing Bride'

Spiderwort (Code: 4579)

This trailing perennial is excellent for containers with leaves that are variegated pink, fading to white. The foliage color is best in winter and spring. Cut back often to encourage colorful new growth. Pink flowers appear in summer. (3-4" x 48") Zn8.

Typha latifolia 'Variegata'

Variegated Cattail (Code: 4218)

Bold green and white-striped leaves highlight cinnamon-brown cattails. Wonderful for water gardens or perpetually-moist areas. It does not spread as aggressively as the species. (5-6" x 2') Zn4.

Uncinia rubra
Red Hook Sedge (Code: 4177)
 This evergreen New Zealand sedge displays rich, bronze-colored blades. A marvelous addition to any garden. It prefers a cool, moist site in sun or partial shade. (18" x 24") Zn8.

Uncinia rubra 'Belinda's Find'
Red Hook Sedge (Code: 7609)
 Rich cherry-red leaf margins brighten the colorful bronze foliage. Ideal as a specimen at the front of the perennial border. It's also especially useful to brighten autumn & winter containers. (12" x 12-16") Zn8.

Veronica 'Waterperry Blue'
Speedwell (Code: 7370)
 Profuse sky-blue flowers bloom all spring and summer on this low-growing creeper. An excellent evergreen groundcover, the foliage turns purple in winter for added interest. (4" x 18") Zn5.

Veronica montana 'Corrine Tremaine'
Speedwell (Code: 6742)
 Beautiful low-growing groundcover with creamy-white and green-variegated leaves and tiny lilac flowers. Excellent selection for rockery or edge of the border. (3" x 12") Zn3.

Veronica repens 'Sunshine'
Speedwell (Code: 4756)
 Tiny yellow leaves form an incredible golden carpet similar in habit to baby tears. Dainty ice-blue flowers appear in June. It makes an excellent groundcover. (1" x 18") Zn5.

Vinca minor 'Illumination'
Periwinkle (Code: 7364)
 In spring, periwinkle-blue flowers provide bold contrast to brilliant gold leaves edged in green. Use it as trailing foliage in mixed containers or as an evergreen groundcover. (4" x 18") Zn4. PP12132 Propagation Prohibited.

Vinca minor 'Ralph Shugert'
Periwinkle (Code: 6455)
 Dark green foliage is edged with distinctive cream margins that set off bright blue flowers in spring. This is a marvelous evergreen groundcover. (4-6" x 18-24") Zn4. PP6960 Propagation Prohibited.

Viola 'Heartthrob'
Hardy Violet (Code: 4145)
 Heart-shaped leaves with bronze-purple markings appear in spring. Creates a nice groundcover when planted en masse. (4-8" x 12") Zn5. PP19996 Propagation Prohibited.

Xanthosoma mafaffa 'Lime Zinger'
Elephant Ear (Code: 4147)
 Spectacularly huge gold-to-lime-green elephant ear foliage grows to 4' tall or more. Marvelous for creating a glowing tropical effect in containers or near water. (4-6' x 4-6') Zn10.

Yucca filamentosa 'Bright Edge'
Adam's Needle (Code: 4328)
 Succulent green leaves have sunny-gold margins and form large, spiky, drought tolerant rosettes. Tall, dangling clusters of white blooms are dramatic and showy. A "Great Plant Pick" for the Pacific Northwest! (4' x 3') Zn4. PPAF Propagation Prohibited

Yucca filamentosa 'Color Guard'
Adam's Needle (Code: 3247)
 A brilliant gold stripe accentuates the center of each broad green leaf. At its best in late summer. Fragrant creamy-white flowers appear late spring above rose-blushed leaves. A "Great Plant Pick" for the Pacific Northwest! (3' x 3') Zn5.

Yucca gloriosa var. recurvifolia 'Bright Star'
Adam's Needle (Code: 6012)
 Tri-colored, sword-like, evergreen foliage forms a rosette in shades of ivory, pink and green. Lavender flowers rise above the drought tolerant blades in summer. (36" x 36") Zn7. PP17653 Propagation Prohibited.

Yucca rostrata 'Sapphire Skies'
Yucca (Code: 7630)
 Stunning, long, powder-blue leaves quickly grow into a three-by-four-foot mound. With some age it will begin rising on a stout trunk to a height of four feet or more. At maturity, spectacular spires of ivory flowers appear in summer. The foliage is greener when young. Requires excellent drainage. (4-6' x 4-6') Zn6.
