2002c. A revision of the Neotropical butterfly genus *Seco* Hall & Harvey (Lepidoptera: Riodinidae). *Proceedings of the entomological Society of Washington* 104(4): 941-947, 4 figs. (27 September) [taxonomy; biology; distribution; South America]

2002d. A survey of androconial organs in the Riodinidae (Lepidoptera). *Zoological Journal of the Linnean Society* 136(2): 171-197, 12 figs., 4 tabs. ([16] October; published online 13 September) [general]

2002e. Basal subtribes of the Nymphidiini (Lepidoptera: Riodinidae): phylogeny and myrmecophily. *Cladistics* 18(6): 539-569, 12 figs., 6 tabs. (December) [new taxa: *Aricorina*, *Aricorinas*; Central and South America]

2004. Five new riordinid species from the Napo region of Ecuador and Peru (Lepidoptera: Riodinidae). *Tropical Lepidoptera* 12(1/2): 35-41, 10 figs. (23 December) [*Euselasia rufomarginata*, *E. michaeli*, *Mesosemia kahuapayani*, *M. quadrilineata*, *Calospila napoensis*; Brazil]

2007. Three new species of Symmachiini from Panama and Colombia (Lepidoptera: Riodinidae). *Tropical Lepidoptera* 16(1/2): 7-10, 7 figs. (25 May) [*Symmachia satana*, *Lucillella splendida*, *Esthemopsis talamanca*; Costa Rica]

Hall, Jason Piers Wilton, Donald James Harvey and Daniel

Hunt Janzen

2004. Life history of *Calydna sturnula* with a review of larval and pupal balloon setae in the Riodinidae (Lepidoptera). *Annals of the entomological Society of America* 97(2): 310-321, 8 figs., 1 tab. (March) [larva, pupa; host plant; parasitoids; Costa Rica]

Hall, Jason Piers Wilton, and John Bernhard Heppner

1999. Lemoniadini, a corrected tribal name in the Riodininae (Lepidoptera: Riodinidae). *Tropical Lepidoptera* 10(1): 30 ("30 November" [30 December]) [nomenclature]

Hall, Jason Piers Wilton, and Gerardo Lamas

2001. Five new riordinid species from northwestern dry forest and northeastern Andean cloud forest habitats in Peru (Lepidoptera: Riodinidae). *Revista peruana de Entomología* 42: 9-19, 10 figs. ([18 May]) [*Euselasia perisama*, *Napaea tumbesia*, *Lasatia maritima*, *Symmachia calderoni*, *Uraneis incubus*; Ecuador]

2004. A new cloud forest species of *Calydna* (Lepidoptera: Riodinidae) from Peru, with a revised phylogeny for the *C. hiria* group. *Proceedings of the entomological Society of Washington* 106(4): 733-738, 3 figs., 2 tabs. (24 September) [*C. pichita*]

2007. Four new symmachiine taxa from the eastern Andes of Peru and Ecuador. *Zootaxa* 1533: 41-52, 11 figs. (26 July) [*Mesene leucogyne*, *M. l. notia*, *M. margareta anartia*, *Symmachia pena*]

Hall, Jason Piers Wilton, Robert Kanner Robbins and Donald James Harvey

2004. Extinction and biogeography in the Caribbean: new evidence from a fossil riordinid butterfly in Dominican amber. *Proceedings of the royal Society of London (B)* 271(1541): 797-801, 1 fig. (22 April; published online 16 March) [new species: *Voltinia dramba*]

Hall, Jason Piers Wilton, and Keith Richard Willmott

1993. Temporal and elevational additions of distribution for Costa Rican butterflies. *Tropical Lepidoptera* 4(2): 139-141, 2 figs. ("30 November", [27 December]) [general; behavior]

1995a. Two new species of *Mesene* from Western Ecuador (Lepidoptera: Riodinidae). *Tropical Lepidoptera* 6(2): 110-112, 7 figs. ([5] December) [*M. babosa*, *M. citrinella*]

1995b. Five new species and a new genus of riordinid from the cloud forests of Eastern Ecuador (Lepidoptera: Riodinidae). *Tropical Lepidoptera* 6(2): 131-135, 10 figs. ([5] December) [*Anteros nubosus*, *Euselasia chinguala*, *Menander aldasi*, *Symmachia fassli*, *Machaya* (new genus) *obstinata*]

1995c. Notes on the genus *Argyrogrammana*, with descriptions of five new species (Lepidoptera: Riodinidae). *Tropical Lepidoptera* 6(2): 136-143, 26 figs. ([5] December) [*A. natalita*, *A. caelestina*, *A. aparamilla*, *A. celata*, *A. bonita*]

1996a. The genus *Theope*: Four new species and a new subspecies (Lepidoptera: Riodinidae). *Tropical Lepidoptera* 7(1)(1): 63-67, 14 figs. (25 June) [*T. kingi*, *T. devriesi*, *T. sisemina tabacona*, *T. dabrerai*; Colombia, Costa Rica, Ecuador, Guyana, Panama, Peru]

1996b. Notes on the genus *Argyrogrammana*, Part 2, with one new species (Lepidoptera: Riodinidae). *Tropical Lepidoptera* 7(1)(1): 71-80, 26 figs. (25 June) [*A. pastaza*; taxonomy; Costa Rica, South America]

1996c. Systematics of the riordinid tribe Symmachiini, with the description of a new genus and five new species from Ecuador, Venezuela and Brazil (Lepidoptera: Riodinidae). *Lambillionea* 96(4)(1): 637-660, 31 figs., 3

- tabs. (December) [*Pirascia*, *P. polemistes*, *Comphotis apachita*, *Phaenochitonina gallardi*, *P. pseudodebilis*, *Symmachia hazelana*; Panama, Colombia]
- 1998a. Four new riodinid species from eastern Ecuador (Lepidoptera: Riodinidae). *Lambillionea* 98(3)(1): 325-334, 12 figs. (September) [*Argyrogrammana pacsa*, *Anteros yurakchupa*, *Napaea neildei*, *Ithomiola buckleyi*; Peru]
- 1998b. Three new species of Riodinini from the cloud forests of Ecuador (Lepidoptera: Riodinidae). *Tropical Lepidoptera* 9(supplement 1): 22-26, 11 figs. ("30" [18] December) [*Baeotis attali*, *Lasaia cutisca*, *Chalodeta pescada*]
- 1998c. Nine new species and one new subspecies of *Euselasia* from Ecuador (Lepidoptera: Riodinidae). *Tropical Lepidoptera* 9(supplement 1): 27-35, 19 figs. ("30" [18] December) [*E. palla*, *E. thaumata*, *E. pillaca*, *E. mapatayna*, *E. nauca*, *E. jigginsi*, *E. cyanofusa*, *E. hieronymi bianala*, *E. illarina*, *E. andreae*]
2000. Patterns of feeding behaviour in adult male riodinid butterflies and their relationship to morphology and ecology. *Biological Journal of the Linnean Society* 69(1): 1-23, 6 figs., 3 tabs. ([21] January) [general; Ecuador]
2001. Ecuador. Out on a limb. *National Geographic* 199(2): 86, 1 fig. (February) [general]
2005. A new species of *Paiwarria* (Lepidoptera: Lycaenidae: Eumaeini) from western Ecuador. *Proceedings of the entomological Society of Washington* 107(4): 960-967, 4 figs. (3 October) [*P. chuchuvia*]
2007. Four new species of *Symmachiini* from Ecuador (Lepidoptera: Riodinidae). *Tropical Lepidoptera* 16(1/2): 1-5, 4 figs. (25 May) [*Symmachia busbyi*, *S. emeralda*, *Pirascia patriciae*, *Xenandra ahrenholzi*; Peru, French Guiana]
2009. Two new species of *Euselasia* (Riodinidae: Euselasiinae) from Eastern Ecuador. *Tropical Lepidoptera Research* 19(1): 52-55, 5 figs. (1 June) [*E. jocotoco*, *E. nytua*; Panama]
2010. Description of a new *Lucillella* species (Riodinidae: *Symmachiini*) discovered in the eastern Andes of Ecuador using the single rope canopy access technique. *Journal of the Lepidopterists' Society* 64(3): 139-146, 10 figs. (22 October) [*L. arcoirisa*]
- Hall, Jason Piers Wilton, Keith Richard Willmott and Robert Carroll Busby**
2005. Five new *Penaincisalia* species (Lepidoptera: Lycaenidae: Eumaeini) from the Andes of southern Ecuador and northern Peru. *Zootaxa* 797: 1-20, 5 figs. (5 January) [*P. caeruleanota*, *P. juliae*, *P. andreae*, *P. libertada*, *P. ismaeli*]

1926. Opinion 97. Did Hübner's Tentamen, 1806, create monotypic genera? *Smithsonian miscellaneous Collections* 73(4): 19-30 (8 October) [general]
1942. Opinion 137. On the relative precedence to be accorded to certain generic names published in 1807 by Fabricius and Hübner respectively for identical genera in the Lepidoptera Rhopalocera. *Opinions and Declarations Rendered by the international Commission on zoological Nomenclature* 2: 21-28 (30 October) [general]
- 1945a. Opinion 165. Need for the suspension of the rules for *Strymon* Hübner, 1818 (Class Insecta, Order Lepidoptera) not established. *Opinions and Declarations Rendered by the international Commission on zoological Nomenclature* 2(35): 359-373 (21 June)
- 1945b. Supplementary notes on Opinion 137. *Opinions and Declarations Rendered by the international Commission on zoological Nomenclature* 2(30A): (5)-(9) (5 December) [general]
1946. Opinion 171. Suspension of the rules for *Nymphidium* Fabricius, 1807 (Class Insecta, Order Lepidoptera). *Opinions and Declarations Rendered by the international Commission on zoological Nomenclature* 2(41): 459-467 (22 January)
- 1954a. Opinion 214. Designation, under the Plenary Powers, of a type species of the genus *Actinote* Hübner [1819] (Class Insecta, Order Lepidoptera) in harmony with accustomed usage. *Opinions and Declarations Rendered by the international Commission on zoological Nomenclature* 4(4): 41-50 (8 March) [general]
- 1954b. Opinion 232. Suppression, under the Plenary Powers, of twelve generic names in the Order Lepidoptera (Class Insecta) published by Illiger in 1807 in senses different from those in which those names were published by Fabricius later in the same year. *Opinions and Declarations Rendered by the international Commission on zoological Nomenclature* 4(22): 249-274 (21 April) [general]
- 1954c. Opinion 260. Rejection for nomenclatural purposes of the work by Meuschen (F. C.) issued in 1778 under the title *Museum Gronovianum*. *Opinions and Declarations Rendered by the international Commission on zoological Nomenclature* 5(21): 265-280, pls. 1-2 (10 August)
- 1954d. Opinion 261. Rejection for nomenclatural purposes of

- the Index to the *Zoophylacium Gronovianum* of Gronovius prepared by Meuschen (F. C.) and published in 1781. *Opinions and Declarations Rendered by the international Commission on zoological Nomenclature* 5(22): 281-296, 1 pl. (10 August)
- 1954e. Opinion 276. Rejection, as not being of subgeneric status, of the intermediate terms used by Hübner (J.) between the generic and specific names of species in the first volume of the work entitled *Sammlung exotischer Schmetterlinge*, published in the period 1806-1823, and also in the work entitled *Systematisch-Alphabetisches Verzeichniss aller bisher bei den Fürbildungen zur Sammlung europäischer Schmetterlinge ausgegebenen Gattungsbennungen* published in 1822. *Opinions and Declarations Rendered by the international Commission on zoological Nomenclature* 6(8): 95-118 (1 October) [general]
- 1954f. Opinion 278. Addition to the *Official List of Generic Names in Zoology* of the names of the ten genera of the Sub-Order Rhopalocera in the undated leaflet commonly known as the *Tentamen*, prepared by Jacob Hübner, which is believed to have been distributed to correspondents in 1806, a leaflet rejected in *Opinion* 97. *Opinions and Declarations Rendered by the international Commission on zoological Nomenclature* 6(10): 135-178 (1 October) [general]
- 1954g. Opinion 279. Rejection, as of the status of a subgeneric name, of any term placed between the generic name and the specific name of a species in the zoological works of Linnaeus and Fabricius (J.C.) ("Opinion" supplementary to "Opinion" 124). *Opinions and Declarations Rendered by the international Commission on zoological Nomenclature* 6(11): 179-187 (1 October)
- 1954h. Opinion 282. Determination of the species to which the specific name *plexippus* Linnaeus, 1758, as published in the combination *Papilio plexippus* (Class Insecta, Order Lepidoptera) shall be held to apply. *Opinions and Declarations Rendered by the international Commission on zoological Nomenclature* 6(14): 225-268, pl. 2 (1 October) [general]
1955. Opinion 329. Acceptance for nomenclatorial purposes of the work by Giovanni Antonio Scopoli entitled *Introductio ad Historiam Naturalem* published in 1777. *Opinions and Declarations Rendered by the international Commission on zoological Nomenclature* 9(23): 309-320 (7 January)
- 1956a. Opinion 382. Validation under the Plenary Powers of the generic name *Sicyonia* Milne Edwards (H.), 1830 (Class Crustacea, Order Decapoda) and action consequent thereon. *Opinions and Declarations Rendered by the international Commission on zoological Nomenclature* 12(3): 43-58 (24 January) [*Heliconius*, *H. charithonia*, *Heliconia*, *Apostrophia*]
- 1956b. Opinion 417. Rejection for nomenclatorial purposes of volume 3 (Zoologie) of the work by Lorenz Oken entitled *Okens Lehrbuch der Naturgeschichte* published in 1815-1816. *Opinions and Declarations rendered by the international Commission on zoological Nomenclature* 14(1): 1-42 (1 September)
- 1956c. Direction 54. Addition to the Official List of Family-Group Names in Zoology, or, as the case may be, to the Official Index of Rejected and Invalid Family-Group Names in Zoology of the family-group names involved in the cases dealt with in Volume 12 of the Opinions and Declarations rendered by the International Commission on Zoological Nomenclature, other than family-group names already dealt with in those Opinions. *Opinions and Declarations rendered by the international Commission on zoological Nomenclature* 12(26): 457-470 (17 September) [*Heliconiidae*]
1957. Opinion 483. Determination of the specimen to be accepted as the lectotype of the nominal species *Megathymus aryxna* Dyar, 1905 (Class Insecta, Order Lepidoptera) and matters incidental thereto. *Opinions and Declarations Rendered by the international Commission on zoological Nomenclature* 17(5): 41-72 (10 October) [Mexico]
- 1958a. Opinion 516. Determination under the Plenary Powers of the relative precedence to be assigned to certain works of the Order Lepidoptera (Class Insecta) published in 1775 by Pieter Cramer, Michael Denis & Ignaz Schiffermüller, Johann Christian Fabricius, Johann Caspar Fuessly, and S. A. von Rottemburg, respectively. *Opinions and Declarations Rendered by the international Commission on zoological Nomenclature* 19(1): 1-43 (16 May)
- 1958b. Direction 99. Addition to the Official List of Family-Group Names in Zoology of the names of certain family-group taxa belonging to the Order Lepidoptera (Class Insecta), the names of the type genera of which have already been placed on the Official List of Generic Names in Zoology. *Opinions and Declarations rendered by the international Commission on zoological Nomenclature* 1(F.10): 161-174 (16 May) [general]

- 1967e. Opinion 829. *Papias* Godman, [1900] (Insecta, Lepidoptera): Designation of a type-species under the Plenary Powers. *Bulletin of zoological Nomenclature* 24(5): 278-279 (7 December)
- 1967f. Opinion 830. *Phanis* Godman, [1900] and *Phanes* Godman, [1900] (Insecta, Lepidoptera): Designation of a type-species under the Plenary Powers. *Bulletin of zoological Nomenclature* 24(5): 280-281 (7 December)
- 1967g. Opinion 832. *Zenis* Godman, [1900] (Insecta, Lepidoptera): Designation of a type-species under the Plenary Powers. *Bulletin of zoological Nomenclature* 24(5): 284-285 (7 December)
1968. Opinion 839. *Anthanassa* Scudder, 1875 (Insecta, Lepidoptera): Designation of a type-species under the Plenary Powers. *Bulletin of zoological Nomenclature* 24(6): 337-338 (18 January) [*Melitaea texana* Edwards]
1972. Opinion 985. *Hymenitis* [Illiger], 1807 (Insecta, Lepidoptera): Suppressed under the Plenary Powers. *Bulletin of zoological Nomenclature* 29(3): 117-118 (30 November) [general]
1973. Opinion 994. *Tatura* Butler, [1888] (Insecta, Lepidoptera): Designation of a type-species under the Plenary Powers. *Bulletin of zoological Nomenclature* 30(1): 19-20 (6 July)
1976. Opinion 1058. Suppression of *Papilio actaeon* Fabricius, 1775 (Lepidoptera). *Bulletin of zoological Nomenclature* 33(1): 22-23 (26 June)
1977. Opinion 1073. Validation of Riodinidae Grote, 1895(1827) (Lepidoptera). *Bulletin of zoological Nomenclature* 33(3/4): 172-173 (31 March)
1982. Direction 113. Morphidae (Insecta, Lepidoptera): Further correction to Official List entry. *Bulletin of zoological Nomenclature* 39(3): 196-199 (30 September)
1983. Opinion 1240. Hesperidae Latreille, 1809 (Insecta, Lepidoptera) added to Official List. *Bulletin of zoological Nomenclature* 40(1): 27-29 (6 April)
- 1985a. Direction 116. Papilionidae Latreille, [1802] (Insecta, Lepidoptera): Revision of Official List entry. *Bulletin of zoological Nomenclature* 42(1): 41-42 (2 April)
- 1985b. Direction 118. Corrections to three entries in the Official List of Family-Group Names in Zoology: Argynnidae, Apaturidae, Limenitidinae (Insecta, Lepidoptera). *Bulletin of zoological Nomenclature* 42(2): 195-196 (27 June)
- 1985c. Opinion 1339. *Papilio fatima* Fabricius, 1793 (Insecta, Lepidoptera): Ruled to be exempt from the application of the Principle of Homonymy. *Bulletin of zoological Nomenclature* 42(3): 255-257 (30 September)
- 1986a. Opinion 1381. *Ourocnemis* Baker, 1887 (Insecta, Lepidoptera): Conserved. *Bulletin of zoological Nomenclature* 43(1): 42-43 (9 April)
- 1986b. Opinion 1386. *Papilio erato* Linnaeus, 1758 (Insecta, Lepidoptera): Neotype designated. *Bulletin of zoological Nomenclature* 43(2): 128-129 (9 July)
1987. *Official lists and indexes of names and works in Zoology*. London, The International Trust for Zoological Nomenclature. [iv] + 366 pp.
1992. Opinion 1669. *Dalla* Mabilie, 1904 (Insecta, Lepidoptera): conserved. *Bulletin of zoological Nomenclature* 49(1): 88-89 (March) [nomenclature]
1993. Opinion 1710. J. C. Megerle's (1801-1805) auction catalogues of insects: suppressed for nomenclatural purposes, with the specific names of *Saperda alboguttata* Megerle, 1803 (currently *Apomecyna alboguttata*; Coleoptera) and *Hippobosca variegata* Megerle, 1803 (Diptera) conserved. *Bulletin of zoological Nomenclature* 50(1): 79-82 (25 March)
1995. Opinion 1820. A. A. H. Lichtenstein's (1796, 1797) *Catalogus musei zoologici... Sectio Tertia. Continens Insecta* and D. H. Schneider's (1800) *Verzeichniss einer Parthei Insekten...*: suppressed, with conservation of some Lichtenstein (1796) names (Insecta and Arachnida). *Bulletin of zoological Nomenclature* 52(3): 283-285 (28 September)
1997. Opinion 1877. D.L.G. Karsten (1789), *Museum Leskeanum*, vol. 1 (Regnum Animale): suppressed for nomenclatural purposes. *Bulletin of zoological Nomenclature* 54(3): 193 (30 September)

2001. *Official lists and indexes of names and works in Zoology. Supplement 1986-2000*. London, The International Trust for Zoological Nomenclature. [iv] + 136 pp. [general]
- 2006a. Opinion 2144 (Case 3282). *Thecla azia* Hewitson, 1873 (Insecta: Lepidoptera): specific name conserved. *Bulletin of zoological Nomenclature* 63(1): 76-77 (31 March)
- 2006b. Opinion 2152 (Case 3320). *Papilio sapho* Drury, 1782 (Insecta: Lepidoptera): specific name conserved. *Bulletin of zoological Nomenclature* 63(2): 144-145 (30 June)
- 2006c. Opinion 2160 (Case 3280). *Melitaea nycteis* Doubleday, 1847 (currently *Chlosyne nycteis*; Insecta, Lepidoptera): specific name conserved. *Bulletin of zoological Nomenclature* 63(3): 213-214 (30 September)
2011. Opinion 2267 (Case 3492). *Heliconius tristero* Brower, 1996 and *Heliconius melpomene mocoa* Brower, 1996 (Lepidoptera: Nymphalidae): suppression of *Heliconius melpomene bellula* Brown, 1979 not approved. *Bulletin of zoological Nomenclature* 68(1): 84-85 (31 March)
2014. Official Correction to Opinions 278 and 382: the publication date amended for the genus-group names *Danaus*, *Heliconius*, *Nymphalis* and *Plebejus* (Insecta: Lepidoptera) from Kluk (1802) to Kluk (1780). *Bulletin of zoological Nomenclature* 71(3): 203-207 (30 September)
2015. Opinion 2358 (Case 3458). *Balintus* d'Abrera, 2001, *Gulliveria* d'Abrera & Bálint, *Salazaria* d'Abrera & Bálint, 2001, *Megathecla* Robbins, 2002 and *Gullicaena* Bálint, 2002 (Insecta, Lepidoptera, Lycaenidae): priority maintained. *Bulletin of zoological Nomenclature* 72(2): 166-170 (30 June)
2020. Opinion 2464. Erynnini Brues & Melander, 1932 (Insecta, Lepidoptera, Hesperioidea): name conserved. *Bulletin of zoological Nomenclature* 77(1): 142-144 (30 December)

- 2007a. Description de deux espèces nouvelles de Riodinidae du genre *Roerberella* Strand, 1932 provenant de l'embouchure de l'Amazone - état du Pará - Brésil. (Lepidoptera) (3ème note). *Lambillionea* 107(2)(2): 299-302, 5 figs. (June) [*R. heberti*, *R. marajoara*; behavior]
- 2007b. Le genre *Theope* Doubleday, 1847 a l'embouchure de l'Amazone (Lepidoptera, Riodinidae) 4ème note. *Lambillionea* 107(3): 406-415, 7 figs. (September) [general; behavior; Brazil]
- 2007c. Description de deux espèces nouvelles de Riodinidae appartenant aux genres *Zelotea* Bates, 1868 et *Argyrogrammana* Strand, 1932, provenant de la région de l'embouchure de l'Amazone (Lepidoptera). *Lambillionea* 107(4): 611-615, 7 figs. (December) [*Z. brunescens*, *A. iracyi*; Brazil]
- 2008a. Découverte de *Dachetola virido* (Lathy, 1968 [sic]) au Brésil. Description d'une sous-espèce nouvelle. (Lepidoptera Riodinidae) – 6^e note. *Lambillionea* 108(2): 139-144, 9 figs. (June) [*D. v. klagesi*]
- 2008b. Le genre *Mesene* Doubleday, 1847 a l'embouchure de l'Amazone. Description d'une nouvelle espèce. *Lambillionea* 108(3): 309-314, 20 figs. (September) [*M. lecointrei*; Brazil]
- 2009a. Description d'une nouvelle espèce de *Calydna* Doubleday, 1847 provenant du sud-est paraense, Brésil (Lepidoptera-Riodinidae) (8^{ème} note). *Lambillionea* 109(1)(2): 79-83, 12 figs. (March) [*Echydna bojeto*]
- 2009b. Riodinidae rares et peu connus rencontrés dans l'état du Pará, au Brésil (région du bas Amazone) (Lepidoptera). Première partie: Le genre *Symmachia* Hübner [1819] (10^{ème} note). *Lambillionea* 109(1)(2): 84-88, 13 figs. (March) [general]
- 2009c. Description de quatre espèces nouvelles de *Theope* Doubleday, 1847 originaires du Brésil et du Paraguay. Description de la femelle de *T. minialba* Gallard, 2006 (Lepidoptera: Riodinidae: Nymphidiini) (11^{ème} note). *Lambillionea* 109(2): 155-164, 22 figs. (June) [*T. maues*, *T. cmielkei*, *T. campinensis*, *T. christophi*]
- 2009d. Le genre *Semomesia* Hübner, 1851 [sic] (Lepidoptera: Riodinidae: Mesosemiini). Description d'une espèce et d'une sous espèce nouvelles du moyen et du bas Amazone –Brésil (12^e note). *Lambillionea* 109(3)(1): 258-266, 2 pls. (September) [*S. wallacei*, *S. alyattes fassli*]
- 2009e. Riodinidae rares ou peu connus rencontrés dans l'état du Pará, au Brésil (Région du bas Amazone) (Lepidoptera) (Boiinventaire – Deuxième partie) (13^e note). *Lambillionea* 109(3)(2): 315-321, 32 figs. (September) [general; behavior]
- 2010a. Le genre *Theope* Doubleday, 1847 (Lepidoptera: Riodinidae: Nymphidiini) sous groupe de *Theope foliorum*. Description d'une sous espèce nouvelle. Biodiversité d'un écosystème du Rio Guama, bas Amazone (14^e note). *Lambillionea* 110(1)(1): 43-51, 25 figs. (April) [*T. pakitza frejoense*]
- 2010b. Le genre *Symmachia* Hübner, 1819 (Lepidoptera: Riodinidae: Symmachiini). Description d'une nouvelle espèce du Brésil (15^e note). *Lambillionea* 110(1)(2): 91-94, 18 figs. (April) [*S. giffordii*]
- Jauffret, Pierre, Jacques Dominique Corêcha Jauffret and Antônio Pessôa**
2008. Études préliminaires sur la fauna des Riodinidae du nord-est brésilien - État du Ceará. (Lepidoptera). Description d'une espèce et de trois sous espèces nouvelles (9ème note). *Lambillionea* 108(4)(2): 501-510, 35 figs. (December) [*Baetis vicosa*, *Hallonympha paucipuncta laisi*, *Mesosemia minos guaramiranga*, "*Emesis*" *guttata lambedor*]
- Jauffret, Pierre, and Áurea Linhares Martins**
2006. Description de trois espèces nouvelles de Riodinidae provenant de la région de l'embouchure de l'Amazone (Pará, Brésil). (Lepidoptera). *Lambillionea* 106(3)(1): 395-401, 8 figs. (September) [*Pirascia pujarnii*, *Argyrogrammana danielli*, *A. sonazu*]
- Jauffret, Pierre, and Anne Caroline Pantoja de Sousa**
2006. Description d'une espèce et d'une sous-espèce nouvelles de *Calospila* Geyer, 1832 provenant de la région du Bas Amazone (Pará, Brésil). (Lepidoptera - Riodinidae) (2ème note). *Lambillionea* 106(4)(1): 655-660, 10 figs. (December) [*C. overali*, *C. parthaon tauaensis*; behavior]

1986. A new genus and species of Eumaeini (Theclinae) from western Argentina (Lepidoptera: Lycaenidae). *Bulletin of the Allyn Museum* 102: 1-7, 2 figs. (29 May) [*Noreena maria*]
- Johnson, Kurt Duane, and David Matusik**
1986. First reported males, species status, and affinities of *Epargyreus spanna* Evans (Hesperiidae). *Journal of the Lepidopterists' Society* 40(1): 59-63, 2 figs. (9 October) [República Dominicana]
- 1987a. The status of "*Papilio hipparchus*" Staudinger (Papilionidae). *Journal of the Lepidopterists' Society* 41(1): 65-69, 2 figs. (16 April) [*Protesilaus phaon*

- (Boisduval); taxonomy; Colombia]
- 1987b. A new white and black subspecies of *Protesilaus euryleon* (Papilionidae). *Journal of the Lepidopterists' Society* 41(1): 70-74, 2 figs. (16 April) [*P. e. pleiades*; taxonomy; Colombia]
- 1987c. The types and status of *Papilio tasso* Staudinger. *Journal of the Lepidopterists' Society* 41(2): 108-113, 2 figs. (26 June) [general; taxonomy; Central and South America]
1988. Five new species and one new subspecies of butterflies from the Sierra de Baoruco of Hispaniola. *Annals of the Carnegie Museum* 57(10): 221-254, 16 figs., 1 tab. (15 September) [*Electrostrymon minikyanos*, *Strymon andrewi*, *Heterosmaitia abeja*, *Leptotes idealus*, *Panoquina ocola distipuncta*, *Terra* (new genus) *hispaniola*]
- 1989a. *Addendum: A new species of Tmolus (Lycaenidae) from Hispaniola*, pp. 525-529, 2 figs. In: Schwartz, A., *The Butterflies of Hispaniola*. Gainesville, University of Florida Press. [*T. victoria*]
- 1989b. Additional notes on type specimens of little-known Papilionidae. *Papilio International* 6(2): 451-457 (12 December) [general]
1990. The butterflies of Hispaniola. Albert Schwartz. 1989. *Journal of the New York entomological Society* 98(1): 125-126 (11 April) [general; book review]
1992. Additions to the Hispaniolan fauna, pp. 3-5, 4 figs. In: Johnson, K. (Ed.), *Taxonomic additions to recent studies of Neotropical butterflies*. *Reports of the Museum of natural History, University of Wisconsin (Stevens Point)* 23: 1-20, figs. (15 May) [new species: *Cyclargus kathleena*, *C. sorpresus*; *Leptotes idealus* Johnson & Matusik, *Calisto ainigma* Johnson, Quinter & Matusik; distribution; República Dominicana]
1993. Dimorphism in the female of *Battus zetides* (Papilionidae) on Hispaniola. *Journal of the Lepidopterists' Society* 47(1): 78-79, 1 fig. (24 February)
- Johnson, Kurt Duane, David Matusik and Richard M. Rozycki**
- 1989a. Status of the papilionid types *Papilio stewarti* Avinoff and *P. morrissi* Ehrmann. *Journal of the Lepidopterists' Society* 43(1): 66-68, 2 figs. (3 March) [Ecuador, Peru, Bolivia]
- 1989b. A study of *Protesilaus microdamas* (Burmeister) and the little-known *P. dospassosi* (Rütimeyer) and *P. huanucana* (Varea de Luque) (Papilionidae). *Journal of Research on the Lepidoptera* 27(2): 83-95, 7 figs. (15 July) [Central and South America]
- Johnson, Kurt Duane, and Lee Denmar Miller**
1991. The genus *Ministrymon* Clench 1961 in Chile and a new species from the Northern Desert Biotic Province (Lepidoptera: Lycaenidae). *Acta entomológica chilena* 16: 183-192, 5 figs., 1 map (April) [*M. quebradivaga*]
1992. Additions to the Chilean fauna, pp. 5-8. In: Johnson, K. (Ed.), *Taxonomic additions to recent studies of Neotropical butterflies*. *Reports of the Museum of natural History, University of Wisconsin (Stevens Point)* 23: 1-20, figs. (15 May) [new species: *Heoda* (new genus) *atacama*; *Rekoa palegon cyrriana* (Hewitson), *Ministrymon quebradivaga* Johnson & Miller, *M. azia* (Hewitson); distribution]
- Johnson, Kurt Duane, Lee Denmar Miller and José Valentín Herrera-González**
1992. *Eiseliانا* and *Heoda*, high Andean and Austral genera of the Neotropical Eumaeini (Lepidoptera: Lycaenidae). *Acta entomológica chilena* 17: 107-146, 25 figs. (September) [new species: *E. patagoniensis*, *E. probabila*, *H. suprema*, *H. nivea*, *H. colombiana*, *H. shapiro*; South America]
- Johnson, Kurt Duane, and Eric L. Quinter**
1983. Commentary on Miller and Brown vs. Ehrlich and Murphy *et al.*: pluralism in systematics and the worldwide nature of kinship groups. *Journal of Research on the Lepidoptera* 21(4): 255-269, 2 figs., 2 tabs. (15 October) [general]
- Johnson, Kurt Duane, Eric L. Quinter and David Matusik**
1987. A new species of *Calisto* from Hispaniola with a review of the female genitalia of Hispaniolan congeners (Satyridae). *Journal of Research on the Lepidoptera* 25(2): 73-82, 4 figs. (21 May) [*C. ainigma*]
- Johnson, Kurt Duane, and Richard M. Rozycki**
1986. A new species of the *anchisiades* group of *Heraclides* from Venezuela (Lepidoptera: Papilionidae). *Journal of the New York entomological Society* 94(3): 383-393, 5 figs., 1 tab. (2 August) [*H. matusiki*]
- Johnson, Kurt Duane, Richard M. Rozycki and David Matusik**
1985. Species status and the hitherto unrecognized male of *Papilio diaphora* Staudinger (1891), (Lepidoptera: Papilionidae). *Journal of the New York entomological Society* 93(3): 1089- 1095, 4 figs. (2 July) [general; Peru, Ecuador, Bolivia, Brazil]
- 1986a. The female of *Papilio xanthopleura* Godman & Salvin (Papilionidae). *Journal of the Lepidopterists' Society* 40(1): 65-66, 1 fig. (9 October) [*Papilio diaphora* Staudinger; Peru, Brazil]
- 1986b. Rediscovery and species status of the Neotropical swallowtail butterfly *Papilio illuminatus* Niepelt (Lepidoptera: Papilionidae). *Journal of the New York entomological Society* 94(4): 516-525, 5 figs. (16 October) [Colombia]
- Johnson, Kurt Duane, and Julián Adolfo Salazar-Escobar**
1993. New species, statuses and combinations in northern South American *Strymon* (Lepidoptera, Lycaenidae, Theclinae). *Reports of the Museum of natural History, University of Wisconsin (Stevens Point)* 26: 1-13, pl. 2, 3 figs. (29 March) [general; new species: *S. glorissima*, *S. campbelli*, *S. daplissus*, *S. truncatogen*, *S. ochraceus*]
2002. A new species of *Arcas* Swainson from Colombia (Lycaenidae). *Boletín científico. Museo de Historia natural. Universidad de Caldas* 6: 147-152, 3 figs. (March) [*A. katia*]
- Johnson, Kurt Duane, Julián Adolfo Salazar-Escobar, José Ignacio Vargas-Chica and Efraín Reinel Henao-Bañol**
2004. Nuevas especies y subespecies de Rhopalocera para Colombia (Insecta, Lepidoptera: Lycaenidae, Riodinidae, Satyridae). *Boletín científico. Museo de Historia natural. Universidad de Caldas* 8: 303-316, 15 figs. (November) [*Lamprospilus occidentalis*, *Brevianta balinti*, *Atlides browni centralis*, *Euselasia alburna hesione*, *Lymanopoda florenciainensis*]
- Johnson, Kurt Duane, Julián Adolfo Salazar-Escobar and Jesús Hernán Vélez-Estrada**
1997. New species of *Micandra* Staudinger [sic] from Colombia with distinction of *Trochusinus*, a new genus of the Euma-eini. *Revista de Theclinae colombianos* 2(15): [ii] + 1-15, 4 figs. (15 August) [*M. neblina*, *M. sylvia*, *T. werner*, *T. elizabetha*; Venezuela, Ecuador]
- Johnson, Kurt Duane, Julián Adolfo Salazar-Escobar, Jesús Hernán Vélez-Estrada and Rodrigo Torres-Núñez**
1997. New species of the *adunca* elfin group of the high Andean genus *Rhamma* (Eumaeini; Thecloxurina). *Revista de Theclinae colombianos* 2(12): [ii] + 1-9, 2 figs. (15 August) [*R. livida*, *R. emeraldina*; Colombia, Ecuador, Peru, Bolivia]

Johnson, Kurt Duane, and David Spencer Smith

1993. A remarkable new butterfly species from Jamaica (Lepidoptera: Lycaenidae), with notes on Jamaican endemics and their sister species. *Reports of the Museum of natural History. University of Wisconsin (Stevens Point)* 24: 1-14, pl. 1, 2 figs. (29 March) [general; new species: *Chlorostrymon orbis*, *Cyanophrys roraimiense*]

Johnson, Kurt Duane, and Andrei Sourakov

1993. Hairstreak butterflies of the genus *Serratofalca* (Lepidoptera: Lycaenidae). *Tropical Lepidoptera* 4(2): 107-118, 18 figs. ("30 November", [27 December]) [general; new species: *S. sasha*, *S. gorgoniensis*, *S. callilegua*, *S. iguapensis*; Central and South America]
