16 **DECLARATION OF PAMELA  
MONTGOMERY**

Hearing Date/Time: Nov. 30, 2015 at 9:00 a.m.  
Hearing Location: Los Angeles, CA  
17

18 I, Pamela Montgomery, declare as follows:

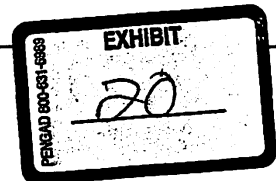

19 1. I have worked for the California Public Employees' Retirement System ("CalPERS")  
20 since November 1974. From March 2005 through November 2011, I was a CalPERS Staff Services  
21 Manager II, responsible for the administration of the Judges' Retirement System ("JRS"). I retired  
22 from my full time position with the JRS on November 2, 2011, and since February 2012, I have been  
23 working part time for the JRS as a Retired Annuitant. Except as otherwise stated herein, I make this  
24 declaration based on my own personal knowledge of the facts stated here.

25 2. As a result of my employment experiences with the JRS, I am familiar with the  
26 operations and record-keeping practices of the JRS.

27 3. The JRS has records that show all payments that the JRS has made to Respondent  
28 Paul G. Mast ("Mast"). True and correct copies of those records are attached hereto as Exhibit A.

REED SMITH LLP  
A limited liability partnership formed in the State of Delaware

DECLARATION OF PAMELA MONTGOMERY

1           4.       Government Code section 75033.5 requires that Mast's allowance must be equal to  
2 49.4572% of the compensation payable to the judge holding the office which Mast last held prior to  
3 his discontinuance of his service as judge. That 49.4572% figure is the product of 3.75% times  
4 Mast's years of judicial service (approximately 13.2 years).

5           5.       Using the records attached hereto as Exhibit A, I created a spreadsheet that shows (a)  
6 how much Mast has received from the JRS, and (b) how much Mast would have received from the  
7 JRS if his retirement allowance had been calculated in compliance with Government Code section  
8 75033.5. I initially prepared the chart without including a column that shows the total accumulated  
9 amount of overpayments plus 7.5% interest compounded annually. The JRS' counsel added that  
10 column to the chart that I initially prepared, but I have validated the accuracy of the calculations in  
11 that column. A true and correct copy of the chart that I helped prepare and that I have validated for  
12 accuracy is attached hereto as Exhibit B.

13           I declare, under penalty of perjury, under the laws of the State of California, that the  
14 foregoing is true and correct and that this declaration was executed in Sacramento, California, on  
15 November 20, 2015.

16   
17 Pamela Montgomery

Subject: BRF Check: Paul Mast

Will you please forward this BRF memo to The reason for this BRF check is Paul Mast did not receive his January pension. Because Judge Mast receives a COLA instead of Judicial raises, the 2.5% raise retroactive adjustment September - November in his January warrant caused an error in the system which changed his monthly pension to -\$19,000.00, therefore his pension check was not generated for January. Please let me know if you have any questions. Thanks.
