

Membership and Post-Retirement Employment Determinations Team (MAPD)

As an employer (Business Partner), you may have questions for MAPD regarding:

Post-Retirement Employment

- Requests to review resolutions for CalPERS retirees that return to work prior to the 180 day wait period
- Requests to review if a CalPERS retiree's employment is compliant with the working after retirement requirements
- Assistance with enrolling and reporting retired annuitants to the myCalPERS system
- Requests to review if a CalPERS retiree returning to work for a CalPERS employer is that of an employee or independent contractor and how the employment applies to the working after retirement requirements

Membership

- Requests for assistance with when to enroll an employee into CalPERS membership
- Determining membership eligibility for employees of a CalPERS employer
- Assistance with any myCalPERS retirement appointment related issues
- Requests to review if an individual is an employee or independent contractor and is subject to CalPERS membership prior to retirement
- Requests to review if an employee's service is considered overtime/non-contributory when he or she has multiple CalPERS employers
- Requests to review potential future contract exclusions for CalPERS public agency employers
- Requests to review if positions qualify to be classified as safety for CalPERS public agency employers
