Welcome to our 2023 Membership Guide

We're delighted to introduce you to your 2023 CPRE Members' Guide.

With your support as a CPRE member, we achieved a huge campaign win in January, with the government announcing that they will create or restore 30,000 miles of hedgerows a year by 2037 – and another 45,000 miles of hedgerows a year by 2050. This will have a huge impact on our countryside by protecting wildlife habitats – and we couldn't do this without you.

Your personalised membership card is your passport to unlock some unique discounts and offers for you, your family and friends to enjoy a day out in our countryside this year by simply showing your valid CPRE membership card.

From luscious gardens to cultured castles, medieval museums to historic halls – choose from a range of locations across England. There really is something for everyone to have a fantastic day out near to home or further afield. Why not enjoy a stroll around the picturesque Painshill Landscape Gardens in Surrey or step back in time with a visit to Brontë Parsonage Museum? Where will you go first? All opening dates and times are subject to change, so please check property website details or phone ahead before visiting.

Don't forget, as a CPRE member you'll also receive our popular and award-winning magazine *Countryside Voices*. We are delighted to confirm our partnership with Cotswold Outdoor, offering you a 10% discount online or in store.

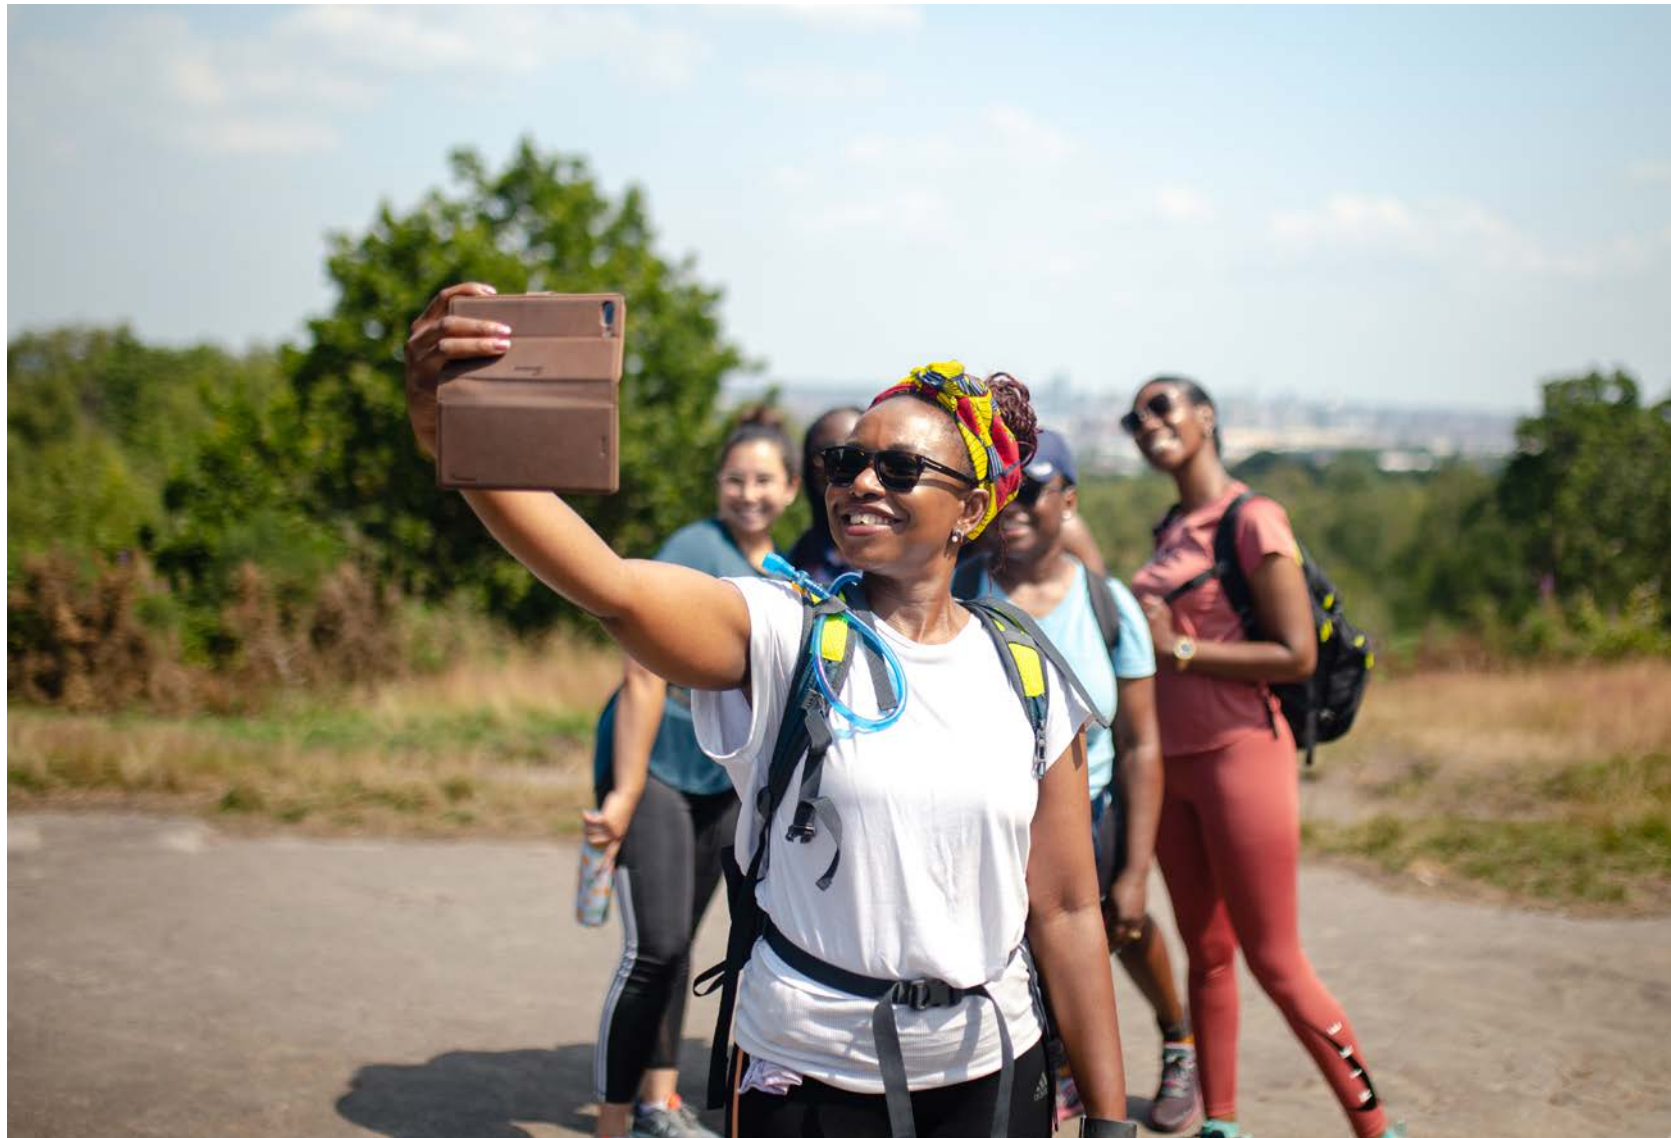

Once again, thank you so much for being a valued member of CPRE. Your membership really does make a difference in what we are able to achieve as we continue to work towards our vision of a thriving, beautiful countryside for everyone.

With best wishes,

James, CPRE Membership and Community Team

PS If you have any questions or comments, please get in touch with us. You can call us on 020 7981 2870 or email us at supportercare@cpre.org.uk. We're always keen to hear your feedback.
