**COMMITTEE ON INSTRUCTION AND CURRICULUM**

February 3, 2014  
13-14 CIC 16

**TO:** The Executive Committee  
**FROM:** The Committee on Instruction and Curriculum (CIC)  
**SUBJECT:** 13-14 CIC 16: Request for [discontinuance of the Pre-Physical Therapy Certificate](#)  
**ACTION REQUESTED:** For approval by the Academic Senate; effective Fall 2015

**BACKGROUND:**

At CIC's February 3, 2014 meeting, Kinesiology representative Becky Beal presented the request for the approval of the discontinuance of the Pre-Physical Therapy Certificate. Beal answered committee questions, mainly informing CIC that there were zero students enrolled and that since a doctorate is required to practice physical therapy, that this certificate is no longer helpful to students.

**ACTION REQUESTED:**

CIC passed the request for discontinuance unanimously, and asks that the Academic Senate consider approving the request for discontinuance of the Pre-Physical Therapy Certificate.
