The weather made it a very difficult year for growing dahlias, with a significant decrease in the amount of blooms for this year's show. In spite of the weather, we had a VERY respectable honor table. Thanks to all the growers who brought blooms - it wouldn't be a show without you! Thanks to Eastgate Mall, who is a wonderful host venue.

Congratulations to Tracy Bosley who received the Best in Show for her design 'Sculptured in Squares'. Also to Allison Osterman for 'Sliced in Wood' which was the Judges Choice. Special thanks to Roy Fox who won all the chrysanthemum classes. Bernie Hine not only had the Reserve with Kiwi Gloria but this bloom also won the Glen Hamilton Award. Terrible year weather wise - when the dahlias set bud we had extreme temperatures and they really didn't recover! We are all planning for a better Sept. 14, 2019 -

Our 2018 show was a huge success, thanks to the many exhibitors, judges, and clerks, who contributed and brought incredible displays of dahlias as far as the eye can see. Happily, our Oregon summer was conducive to the blooming needs of our dahlias and those who attended our show were awestruck

After some tough weather conditions the Minnesota Dahlia Society 2nd Show aka the Late Show was held at the Bachman's Garden Center in south Minneapolis. Extreme heat during staging took it toll on the competitors and their blooms. There was also major freeway construction that weekend that caused the attendance to be down from previous years. The public that made it thru the I-35 construction enjoyed 639 entries and 896 blooms.

NANAIMO DAHLIA & GLAD SOCIETY

August 25-26, 2018

Country Club Centre, Nanaimo, BC

Show Chairperson: Judy Stephens

The number of entries was down from over 500 to 327. It was very tight for enough judges and clerks for the 8 teams needed to judge the blooms.

We were fortunate enough that when a team finished a section they came and got another section to judge and make it very smooth. We did set a time line so they would make their decisions for the winners a lot quicker than later. We will be encouraging those judges with accredited or candidate judging status this next year to move up and complete the test so we aren't in such a pinch. It's amazing how the times change and the number of flowers entered differs when large growers stop growing for either health or moving reasons. Have a safe and healthy winter. Happy digging!

Many thanks to everyone who participated, especially those who contributed flowers to our floral arrangements, showed dahlias, judged, clerked, helped with set up and break down- everyone's combined efforts made for a great show. We counted only 250 blooms this year. Many growers reported that their dahlia plants just refused to grow or bloom because of the intense heat of the summer. For the complete results and more than 1500 pictures of dahlias, please visit our web site at: sodahlia.qc.ca and then photos. Anyone wishing to have an enlarge copy of these pictures of dahlias, free of charge, please just ask by clicking the button "prière d'écrire" which means "write". Claude Séguin

---------------	----------------	-----------

Our season's first show was held on August 18-19, 2018 at the Washington County Fair, Richmond, RI. Due to adverse growing conditions, there were only about 100 blooms entered. However, they made an excellent Court of Honor and display. The blooms were seen and enjoyed by more than 1,000 people. I want to thank the Fair staff, the Rhode Island Dahlia Society members, and the growers from the tri-state area for their entries and assistance. Best wishes for a better 2019.

Bart Buffington, Show Chair
