

# American Dahlia Society

## 2022 Local Show Reports

Starting this year and going forward, ADS will no longer print the local society show reports in a Supplement to the December Bulletin. We have made this decision for many reasons, some of which are:

- the supplement would be a month later since the Bulletin now comes out in January
- the printing and postage costs for the supplement have become prohibitive
- the supplement format limited the number of prizes and the number of shows that could be reported
- the supplement provided no opportunity for pictures

In lieu of the supplement, we are happy to provide an online report.

Thanks to all the societies that provided reports and pictures. We had pretty good participation.

Thanks also to the Online Reporting Team, Donna Lane (proofreading), Jessica Becker (cover design), Linda Holmes-Cook (advisor), and Sharon Swaney (formatting). Many, many hours went into producing this report.

As mentioned above we had the opportunity to include some pictures and some verbiage. We hope these additions highlight for you what makes each society unique and special. Pictures that were submitted but not included in the report will be made available in a photo gallery.

This report is probably best read on a larger screen (as opposed to a tablet or a phone). The report is a pdf file with bookmarks. You may, depending on your chosen pdf reader, use the features of the pdf reader to increase the size and format of the report on the screen - a nice benefit on a data dense report such as this.

Enjoy reviewing the 2022 Dahlia Show season!

# Table of Contents

# Central Coast Dahlia Society

8/13/2022

San Luis Obispo, CA

Chairpersons: Heather Jamieson and Judi Soderstrom

[centralcoastdahlias.org](http://centralcoastdahlias.org)

Contact: Heather Jamieson 805-801-3917

This was our first official dahlia show for our new club. Our first show was a tremendous success. Many of our members showed their dahlias for the very first time, and so much was learned by the new and the more seasoned members. We cannot express enough thanks to so many from the Pacific Southwest Dahlia Conference who helped answer questions and guided us through the show process. We are extremely grateful to the help, support given to our young club. Many judges came from out of the area to help lend a hand and teach us the ins and outs of the show process. We are looking forward to growing and learning more for the future.

<b>Prize</b>	<b>Dahlia</b>	<b>Exhibitor</b>

# Dahlia Society of Ohio - Annual Show

September 17-18

Summit Mall, Akron OH

Chairperson: Jerry Moreno

dahliasocietyofohio.org

This year in early April, DSO lost a great friend and long time Show Chairman, Dave Cap. His widow Mary, also a wonderful friend of DSO (pictured above right), gave our society Dave's tuber stash, each tuber numbered to represent the variety. We shared these tubers throughout the membership, but we didn't reveal the legend matching the numbers to the names. Members grew the tubers and brought their blooms to our Annual Show. We finally announced what variety matched each number and we had a bittersweet time of remembering Dave. We were so honored to have his family (pictured above) at our remembrance. Rest in peace Dahlia Man, you are greatly missed.

Best 3 Blooms	Blyton Softer Gleam	Michael Burns
Best 5 Blooms	Parkland Rave	Mike Parrish
Best in Show - Design Class #3	Cut Consumption / Cut waste	Rosemary Dobson
Judges' Choice - Design Class #5	Community Cooperation	Heinekle Thiessen

After missing two years, it was great to be back at the Royal Botanical Gardens for another show.

Despite the terrible (very hot) growing year, the growers managed to put some excellent blooms on the show tables.

Special thanks to all the Novice growers - your entries were very nice - great to see a full Novice Section.

Also - thanks to Helene Selemidis Hill - Decorative section was spectacular again. Looking forward to a bigger and better show in 2023.

Best Junior Collarette	Kelsey Asher	Asher Walker
Best Junior Single or Mignon Single	Kelsey Dwarf	Aria Walker

This year we added a new class in our Arrangement Section of a Wreath - 16 to 24 inches in diameter, suitable to be hung on your front door. Incorporating dahlias prominently into the design, the wreaths were hung for display and judging. The wreath arrangement was called "Welcoming a Dear Friend Into Your Home". This is the first time we've seen dahlias used as front door decoration. For the first time as an Arrangement Class we had a surprising eight entries. Beautiful!

Members of the Southtown Dahlia Club thank all those who brought blooms to the show and helped out in many ways!

A total of 580 competition blooms made a wonderful display!

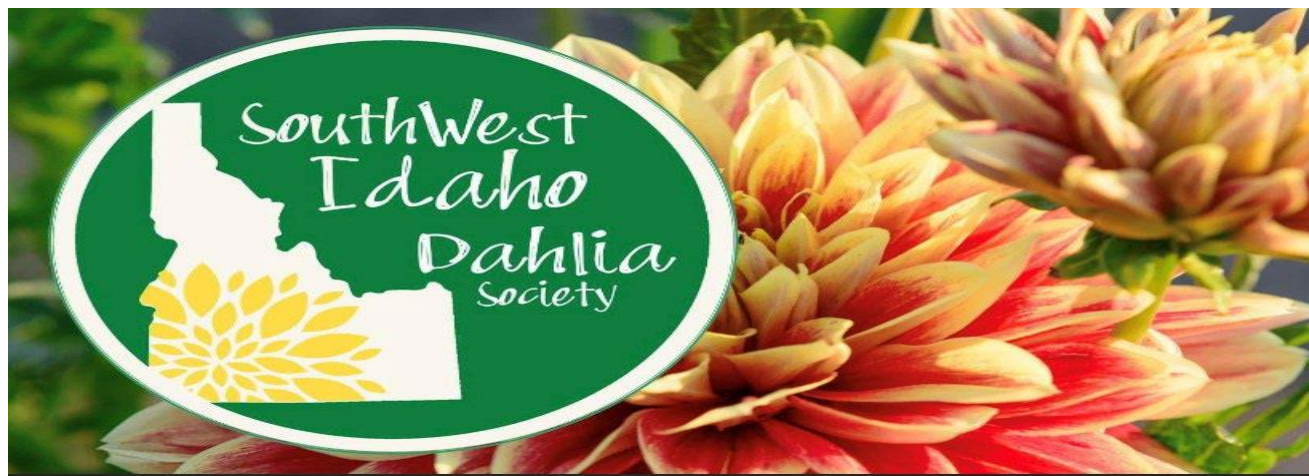

See the Show on YouTube! Click on this link <https://youtu.be/HtXKol6PR5U>

## SouthWest Idaho Dahlia Society

9/10/2022

Franz Witte in Nampa, Idaho

Chairperson: Chris Samuelson

On September 10, 2022, the SouthWest Idaho Dahlia Society held an exhibition show at a local nursery, Franz Witte in Nampa, Idaho. The exhibition attracted many local dahlia enthusiasts and gave members an opportunity to share their experience growing dahlias in the local high desert climate. We also gained some members. The dahlias from the show were gifted to local nursing homes and the staff at the nursery. We hope to hold a judged show in 2023 and plan to start judges training as well. If you have any questions, please email the Show Chairperson; Chris Samuelson (she/her/hers) at [echristineann@gmail.com](mailto:echristineann@gmail.com).

# Yankee Dahlia Society

October/1-2/2022

Westwood Public Library in Westwood, Massachusetts

<https://yankeedahliasociety.com/>

Yankee Dahlia Society was founded in 2021 and in our second season is still very new and growing wonderfully with membership and engagement. Each year we have expanded what we are able to take on and we are very proud to have held our first two-day public Dahlia Bloom Exhibit at Westwood Public Library in Westwood, Massachusetts on October 1st and 2nd. We rallied YDS members and local dahlia growers by announcing the event in a local newspaper and on social media, to bring in dahlias from their garden to show and display blooms for the community. Our members and local dahlia growing friends brought hundreds of beautiful blooms. Bringing blooms to a public display was a first time experience for many of our club members. Dahlia blooms were displayed in the library's Community Room on tables, separated by form and each labeled with the cultivar name. It was a wonderful way to view the blooms and share with the public the variety of forms of the genus. We also had a table of beautiful dahlia floral arrangements.

Each afternoon over the two day event we offered a free dahlia presentation for the public. Our Saturday presentation, Beautiful Bouquets with Dahlias from Your Garden was given by YDS member Chau Ho. Chau shared lots of wonderful tips on how to create arrangements and bouquets with dahlias and flowers from the garden. On Sunday our presentation was The Joy of Growing Dahlias in New England by Co-Founders and Co-Presidents Misty Florez and Carol Palmer. It was a wonderful way to connect with the public and share the excitement and beauty of dahlias. We had a wonderful attendance at the Dahlia Exhibit and the presentations and an

overall successful event.

Inspired by the floral foam free dahlia shows in California we decided not to use floral foam in our display to hold up blooms. In considering the logistics of dahlia show displays, we reached out to Heather Jamieson at Central Coast Dahlia Society in California who provided us with invaluable assistance and information. We are grateful to Heather for her help. Brainstorming logistics for some of the larger and taller blooms we created one hundred chicken wire balls in two different sizes and also used floral pin frogs to hold up the blooms. We are excited that these were for the most part successful in our first attempt at not using floral foam and having a wonderful display; and we look forward to refining the support and display for bigger blooms. The clean up was so much easier than having hundreds of pounds of wet floral foam to dispose of.

We are thrilled so many members enjoyed participating in our YDS Dahlia Exhibit, thankful to have had their help with breaking down the show and very proud of the fantastic and well attended presentations. A room full of dahlia blooms was a monumental way to celebrate the season.

Our Future...
